Chapter 6:
Fairies Love Resorts?!

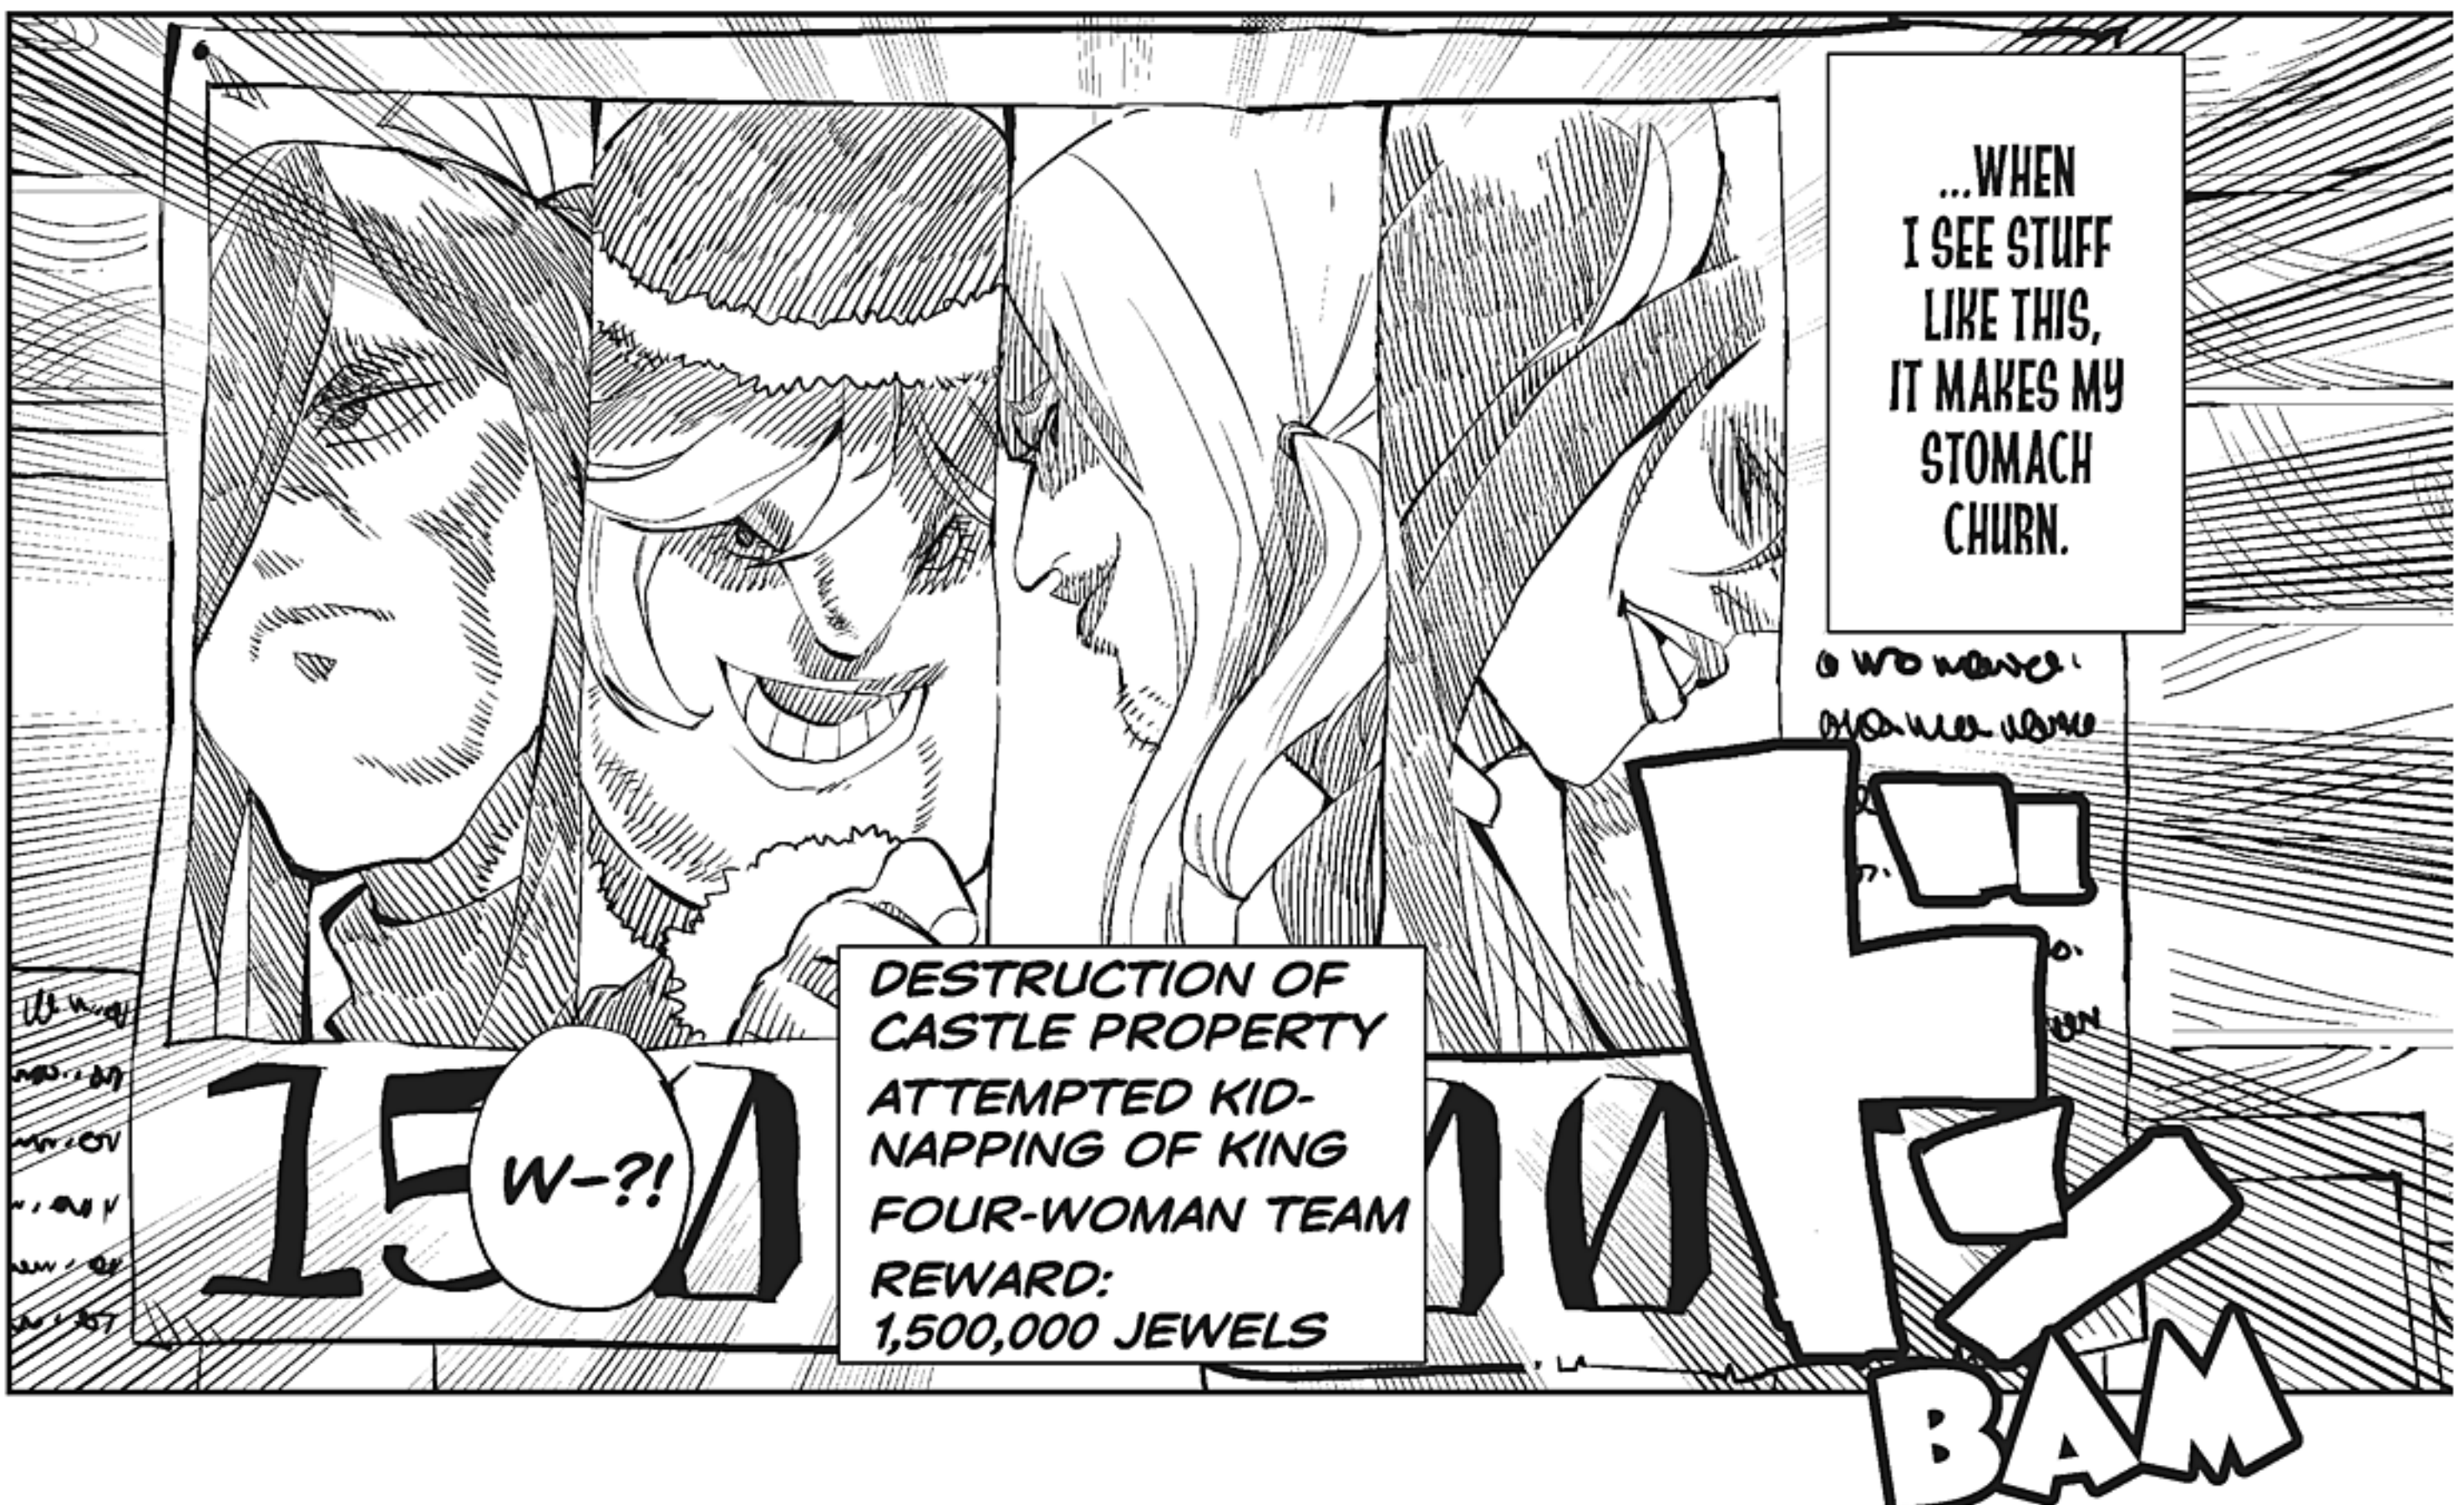

BUT...

...THE
REPUTATION
OF FAIRY TAIL
ROSE AND
OUR USUAL
SPIRIT WAS
RESTORED.

AFTER
THE
GRAND
MAGIC
GAMES...

Heh heh...

SHK

And *this* is how they thank us?!

But *we* were the ones who saved the kingdom and the King!

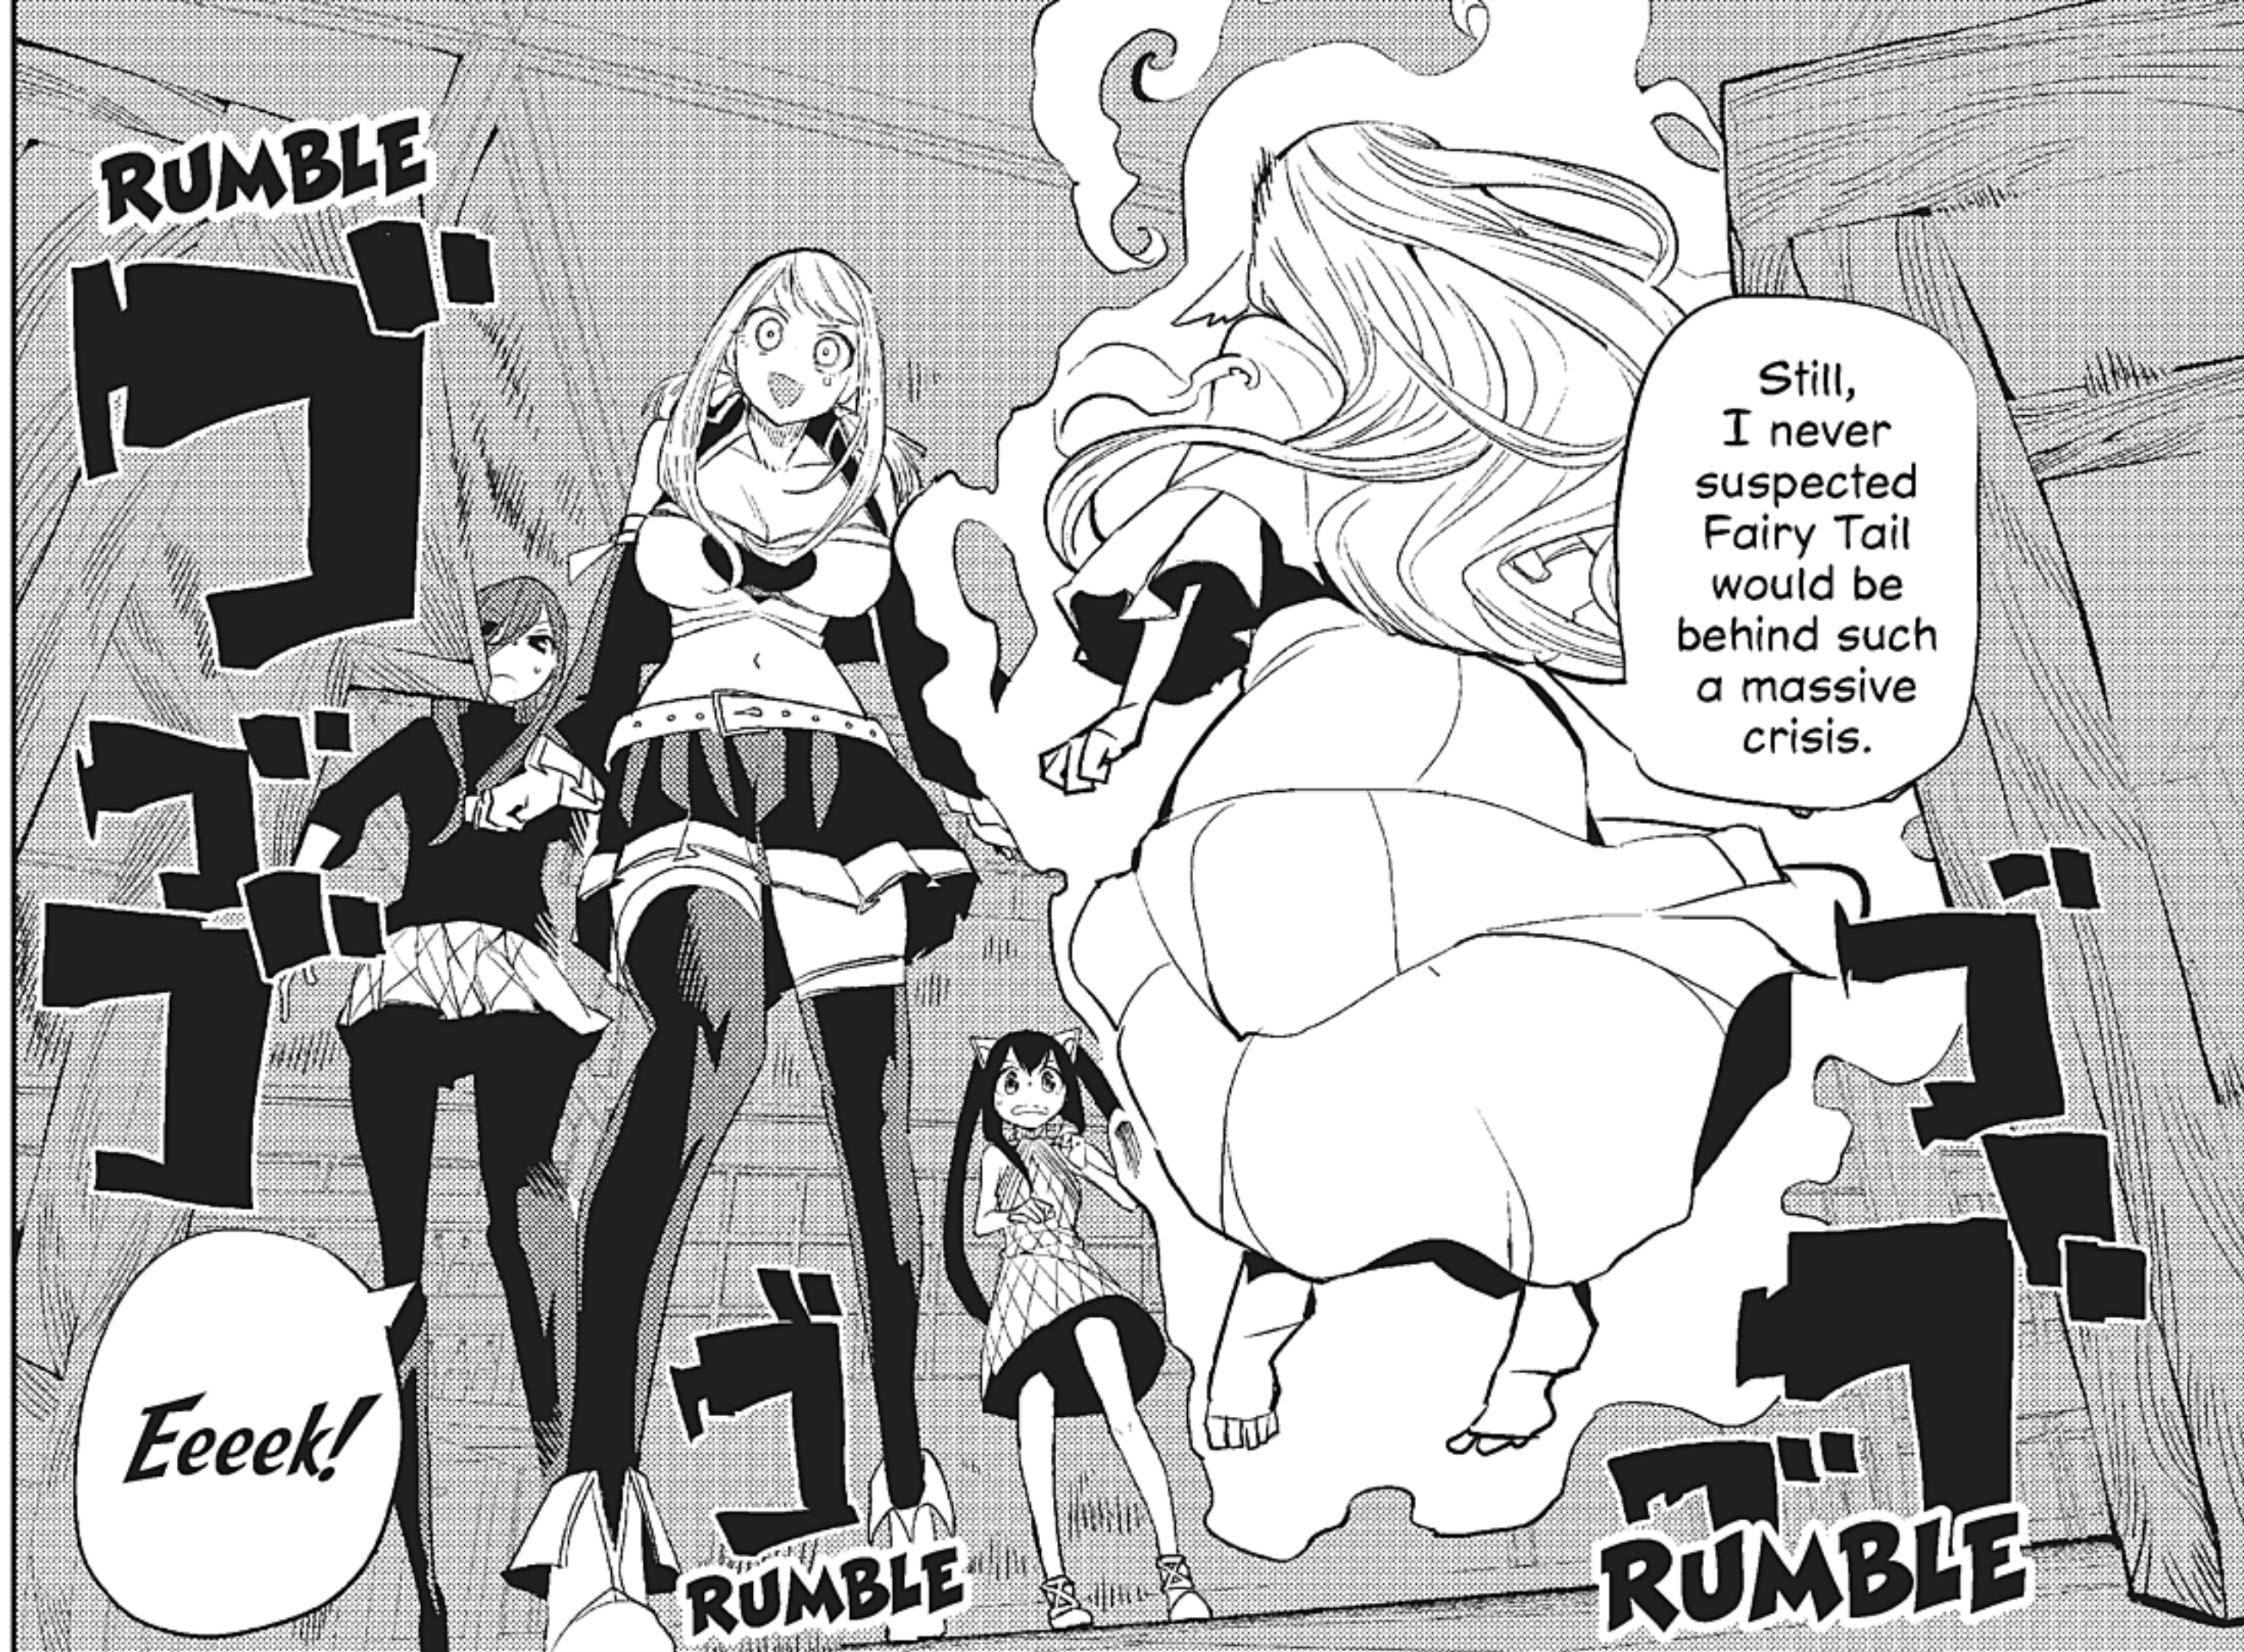

Wait, we don't even look like that!

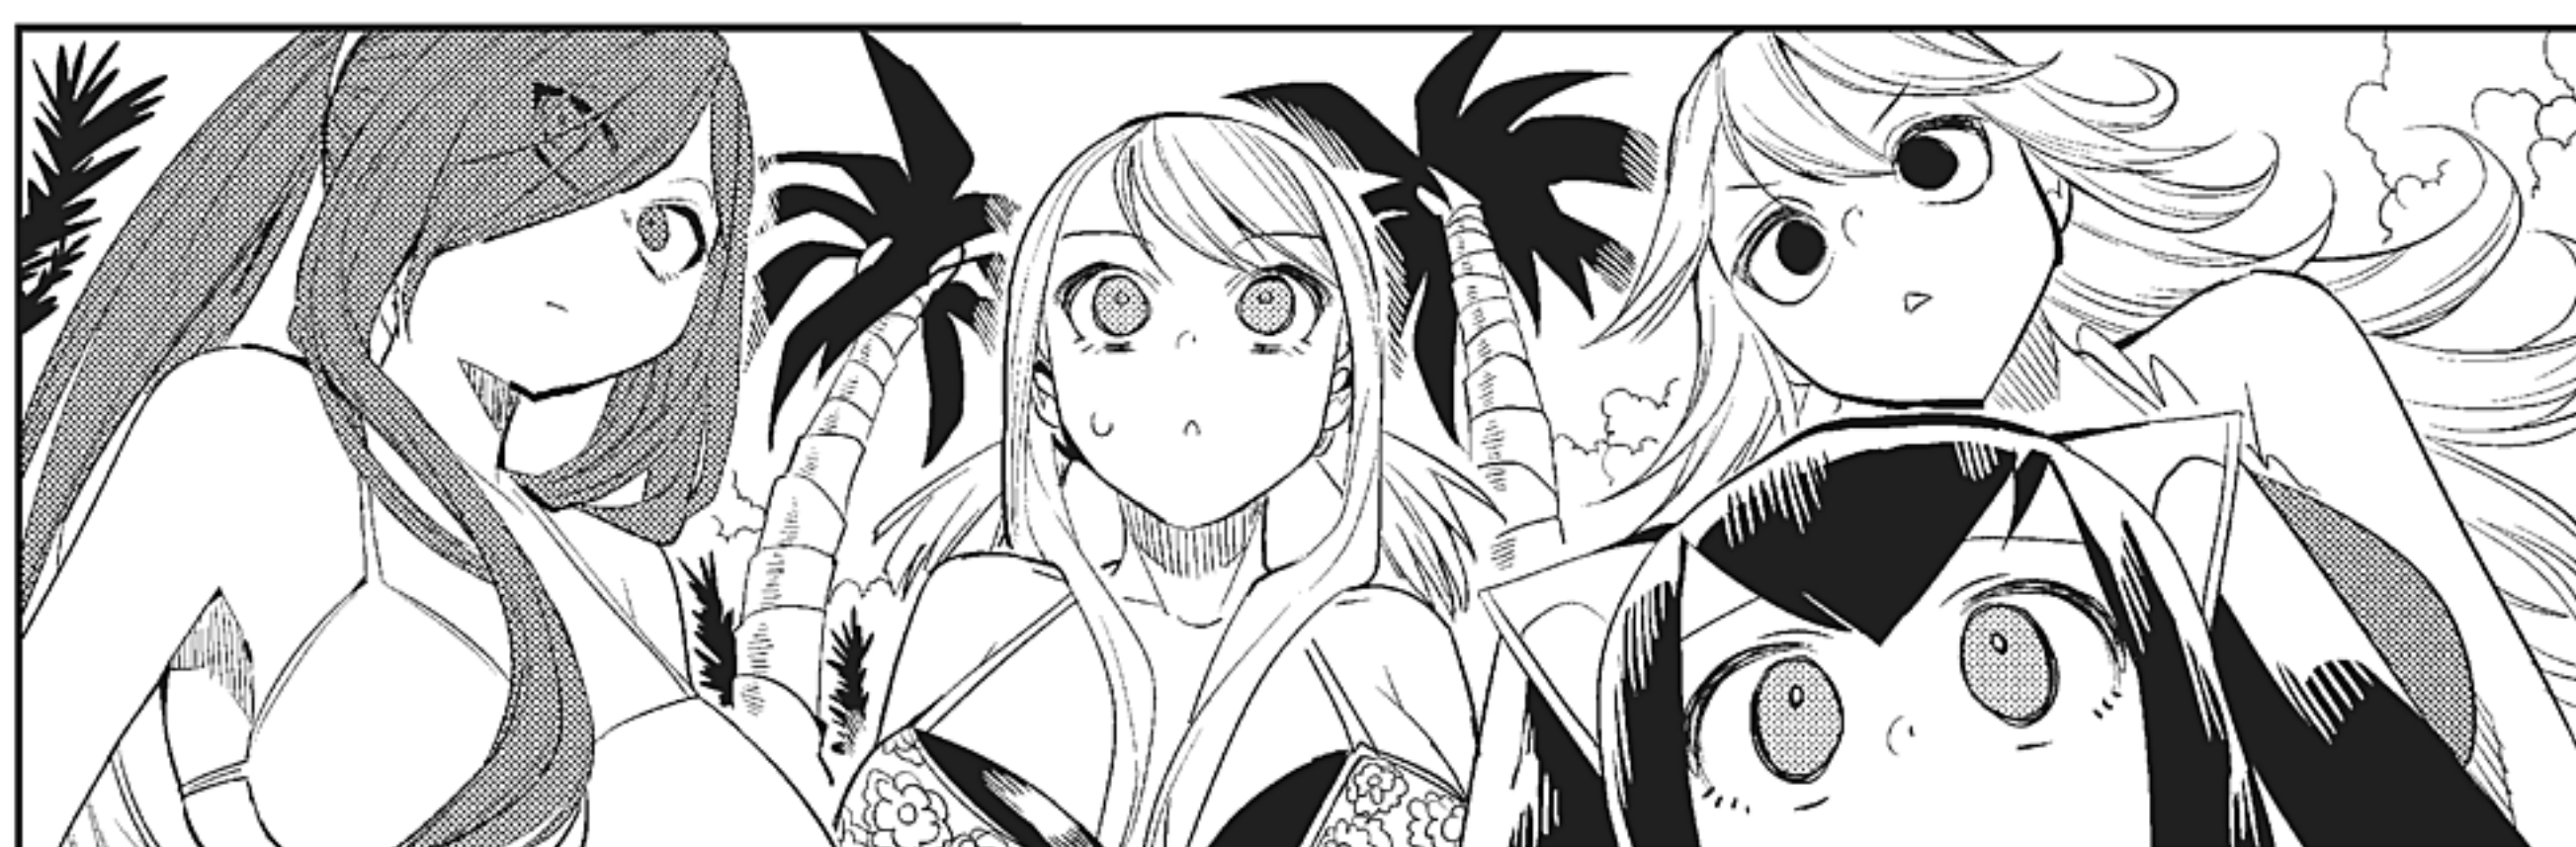

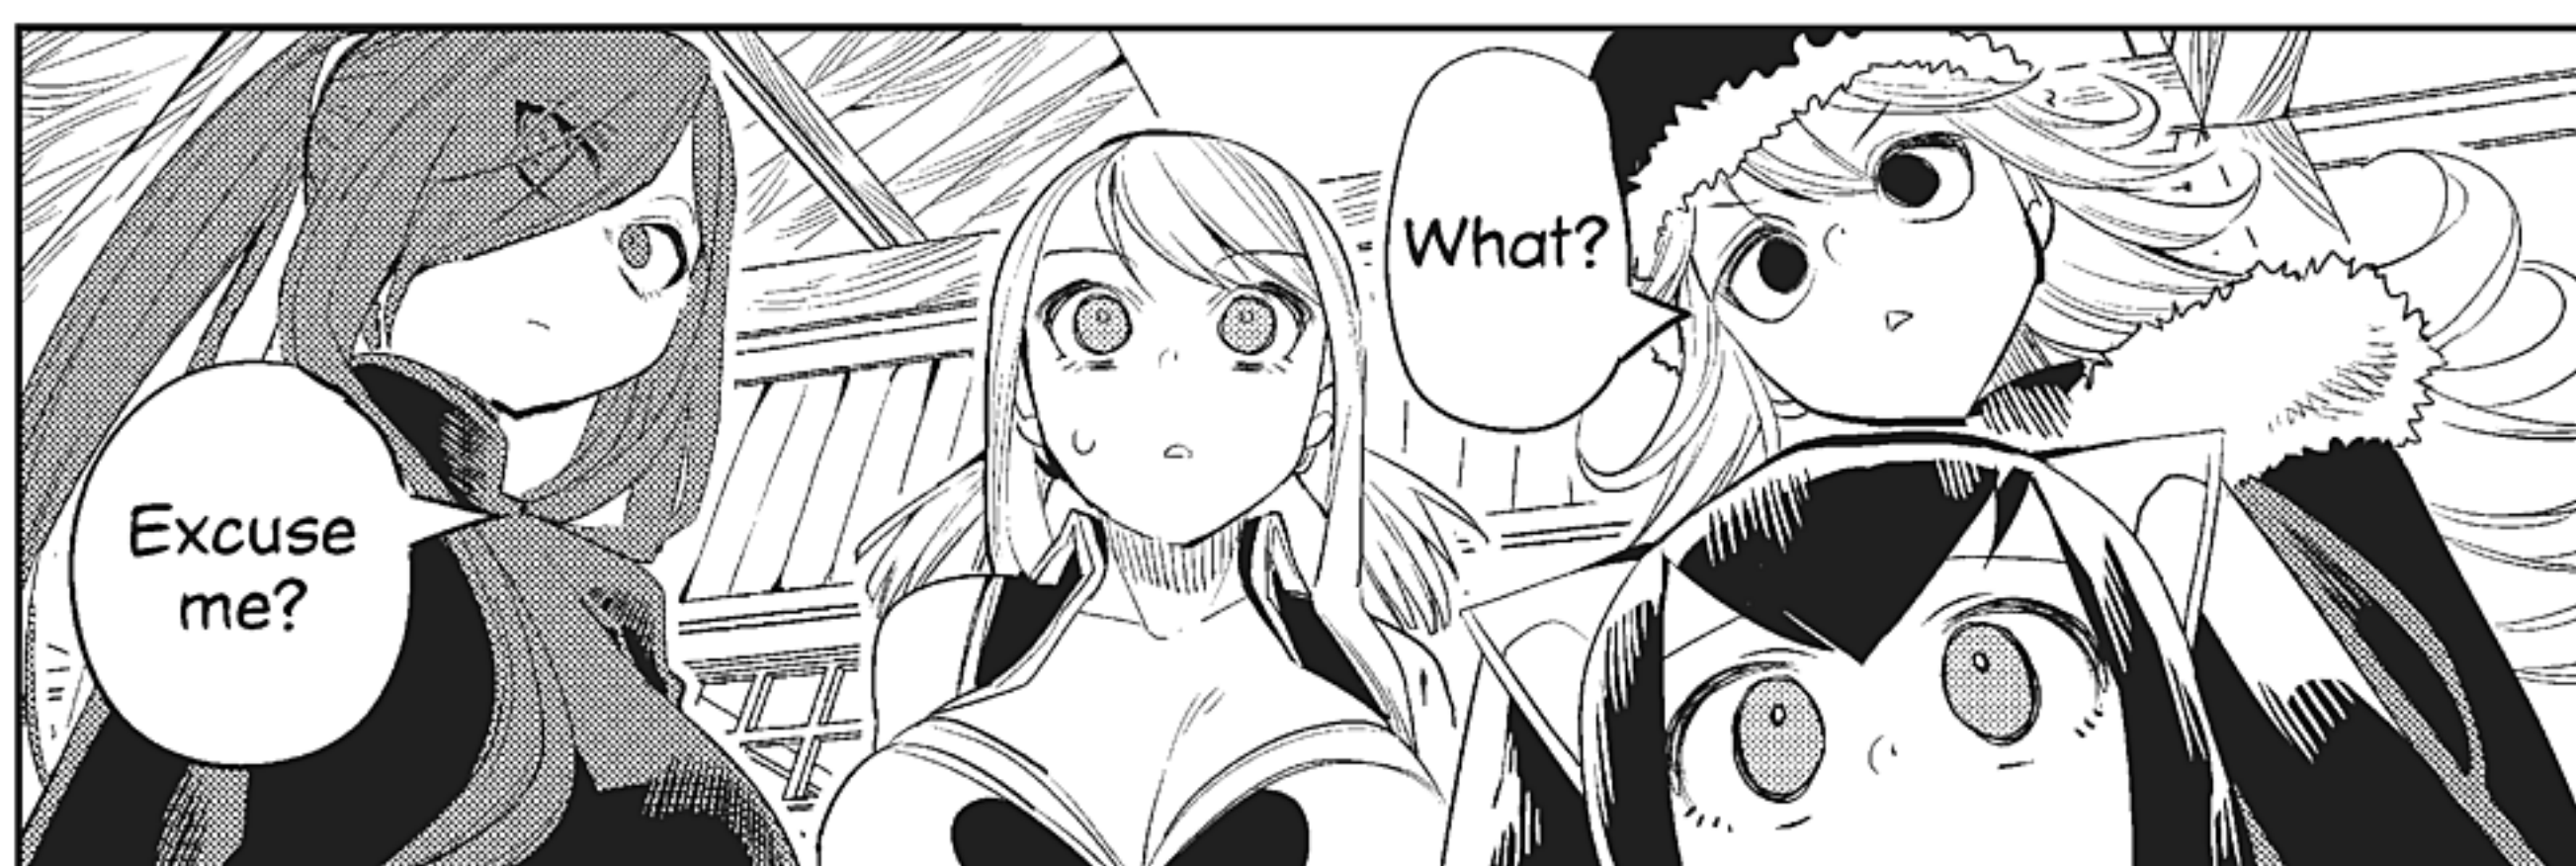

But if we did, we'd be in real trouble, Lucy-san!

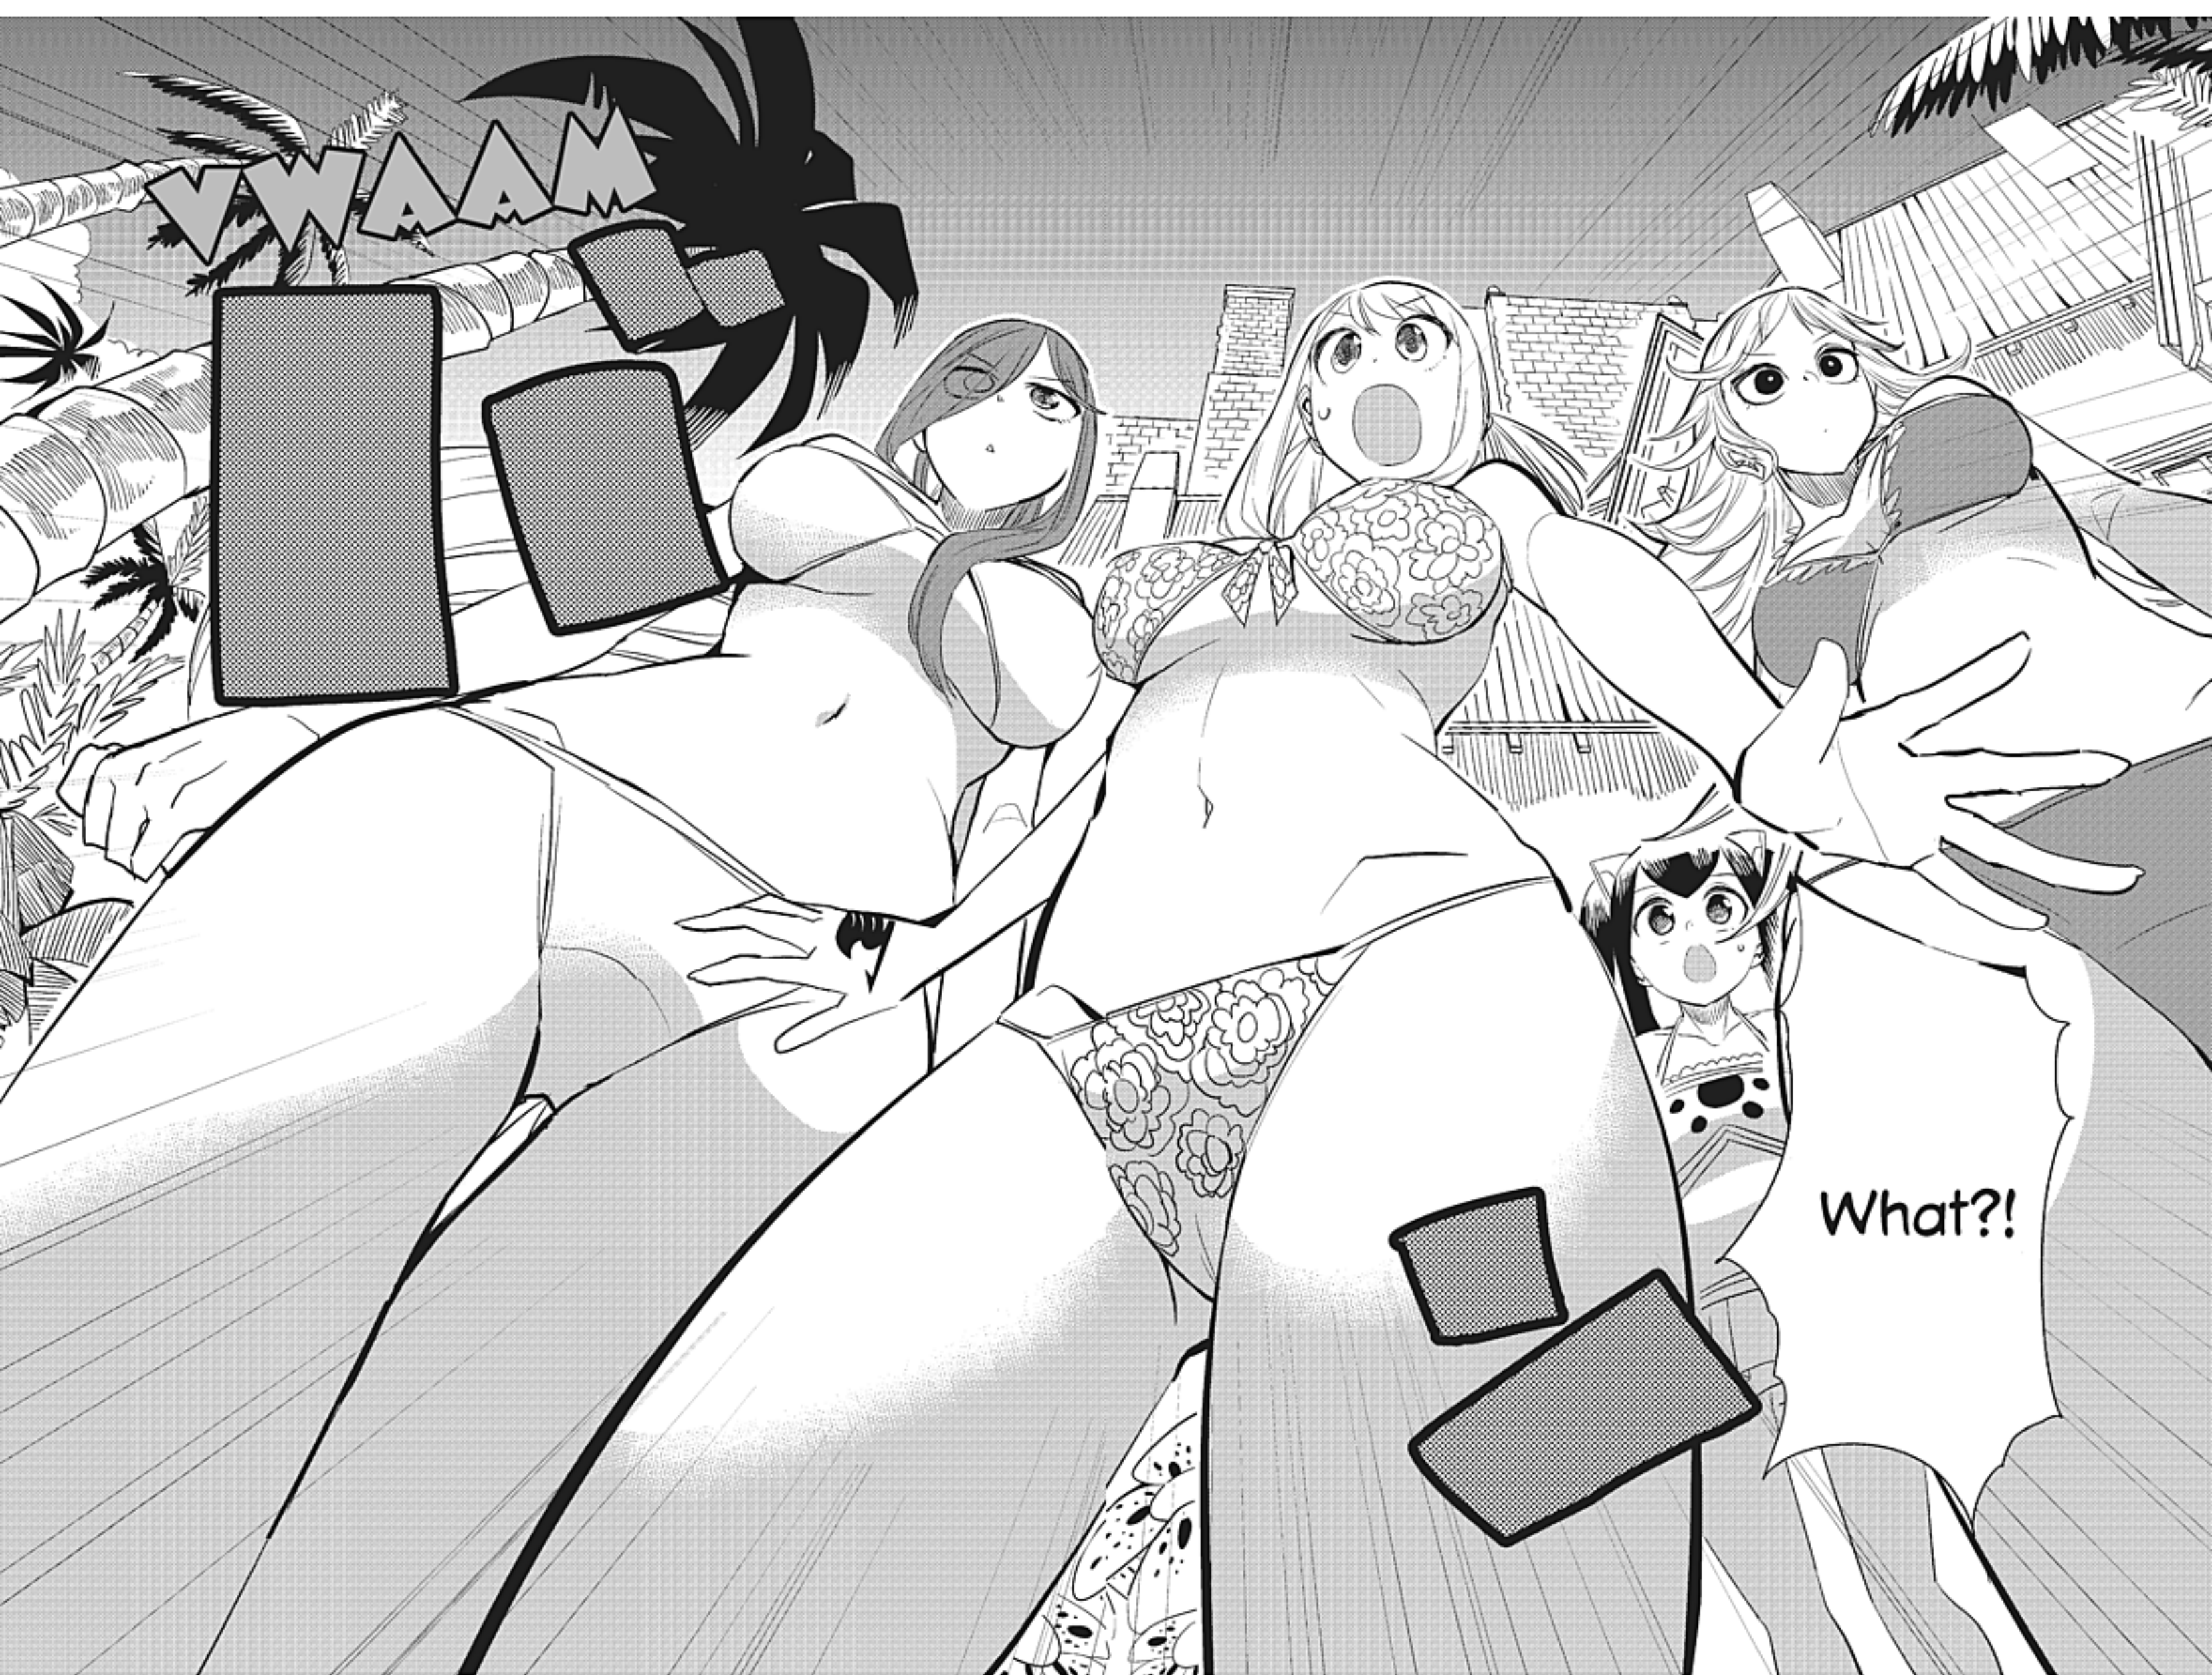

What is this?!

Why are we wanted criminals?

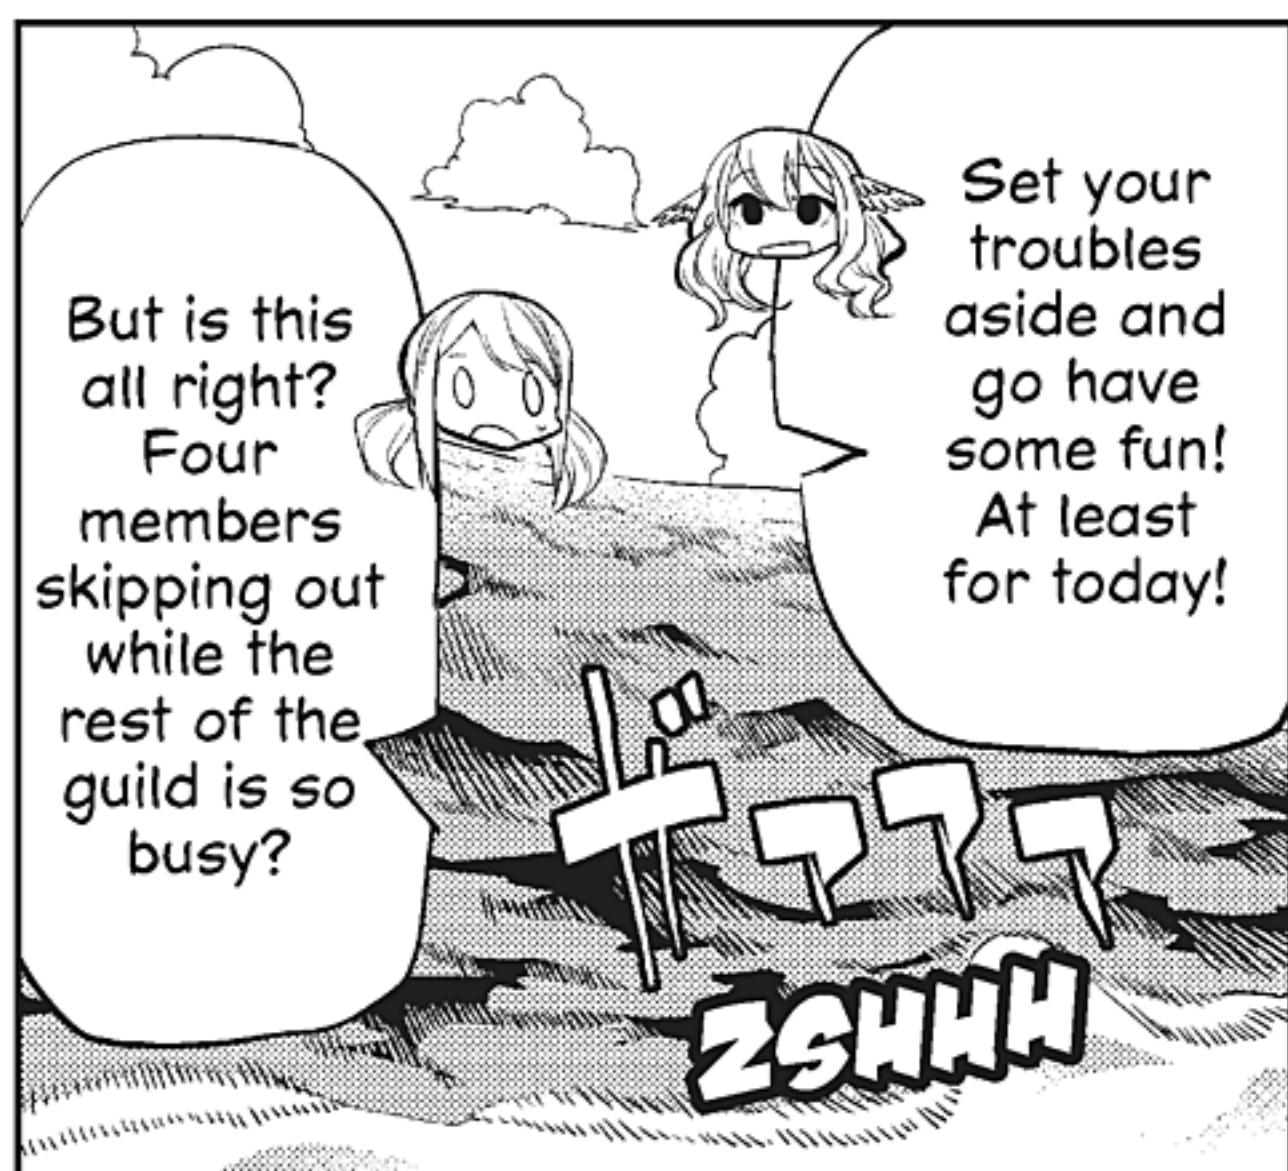

What?!

VWAAM

But is this all right?
Four members skipping out while the rest of the guild is so busy?

Set your troubles aside and go have some fun!
At least for today!

ZSHHH
777

I went ahead and made the reservations.

It's a resort town on the waters of the southern seas!

Thank you, Carla !!

Isn't this an abuse of power?!

Four of our top members at a time like this?!

I want us all to go!

Makarov was kind enough to give permission, and all it took was one tantrum!
He's such a sweet child!

Wait just one moment !!

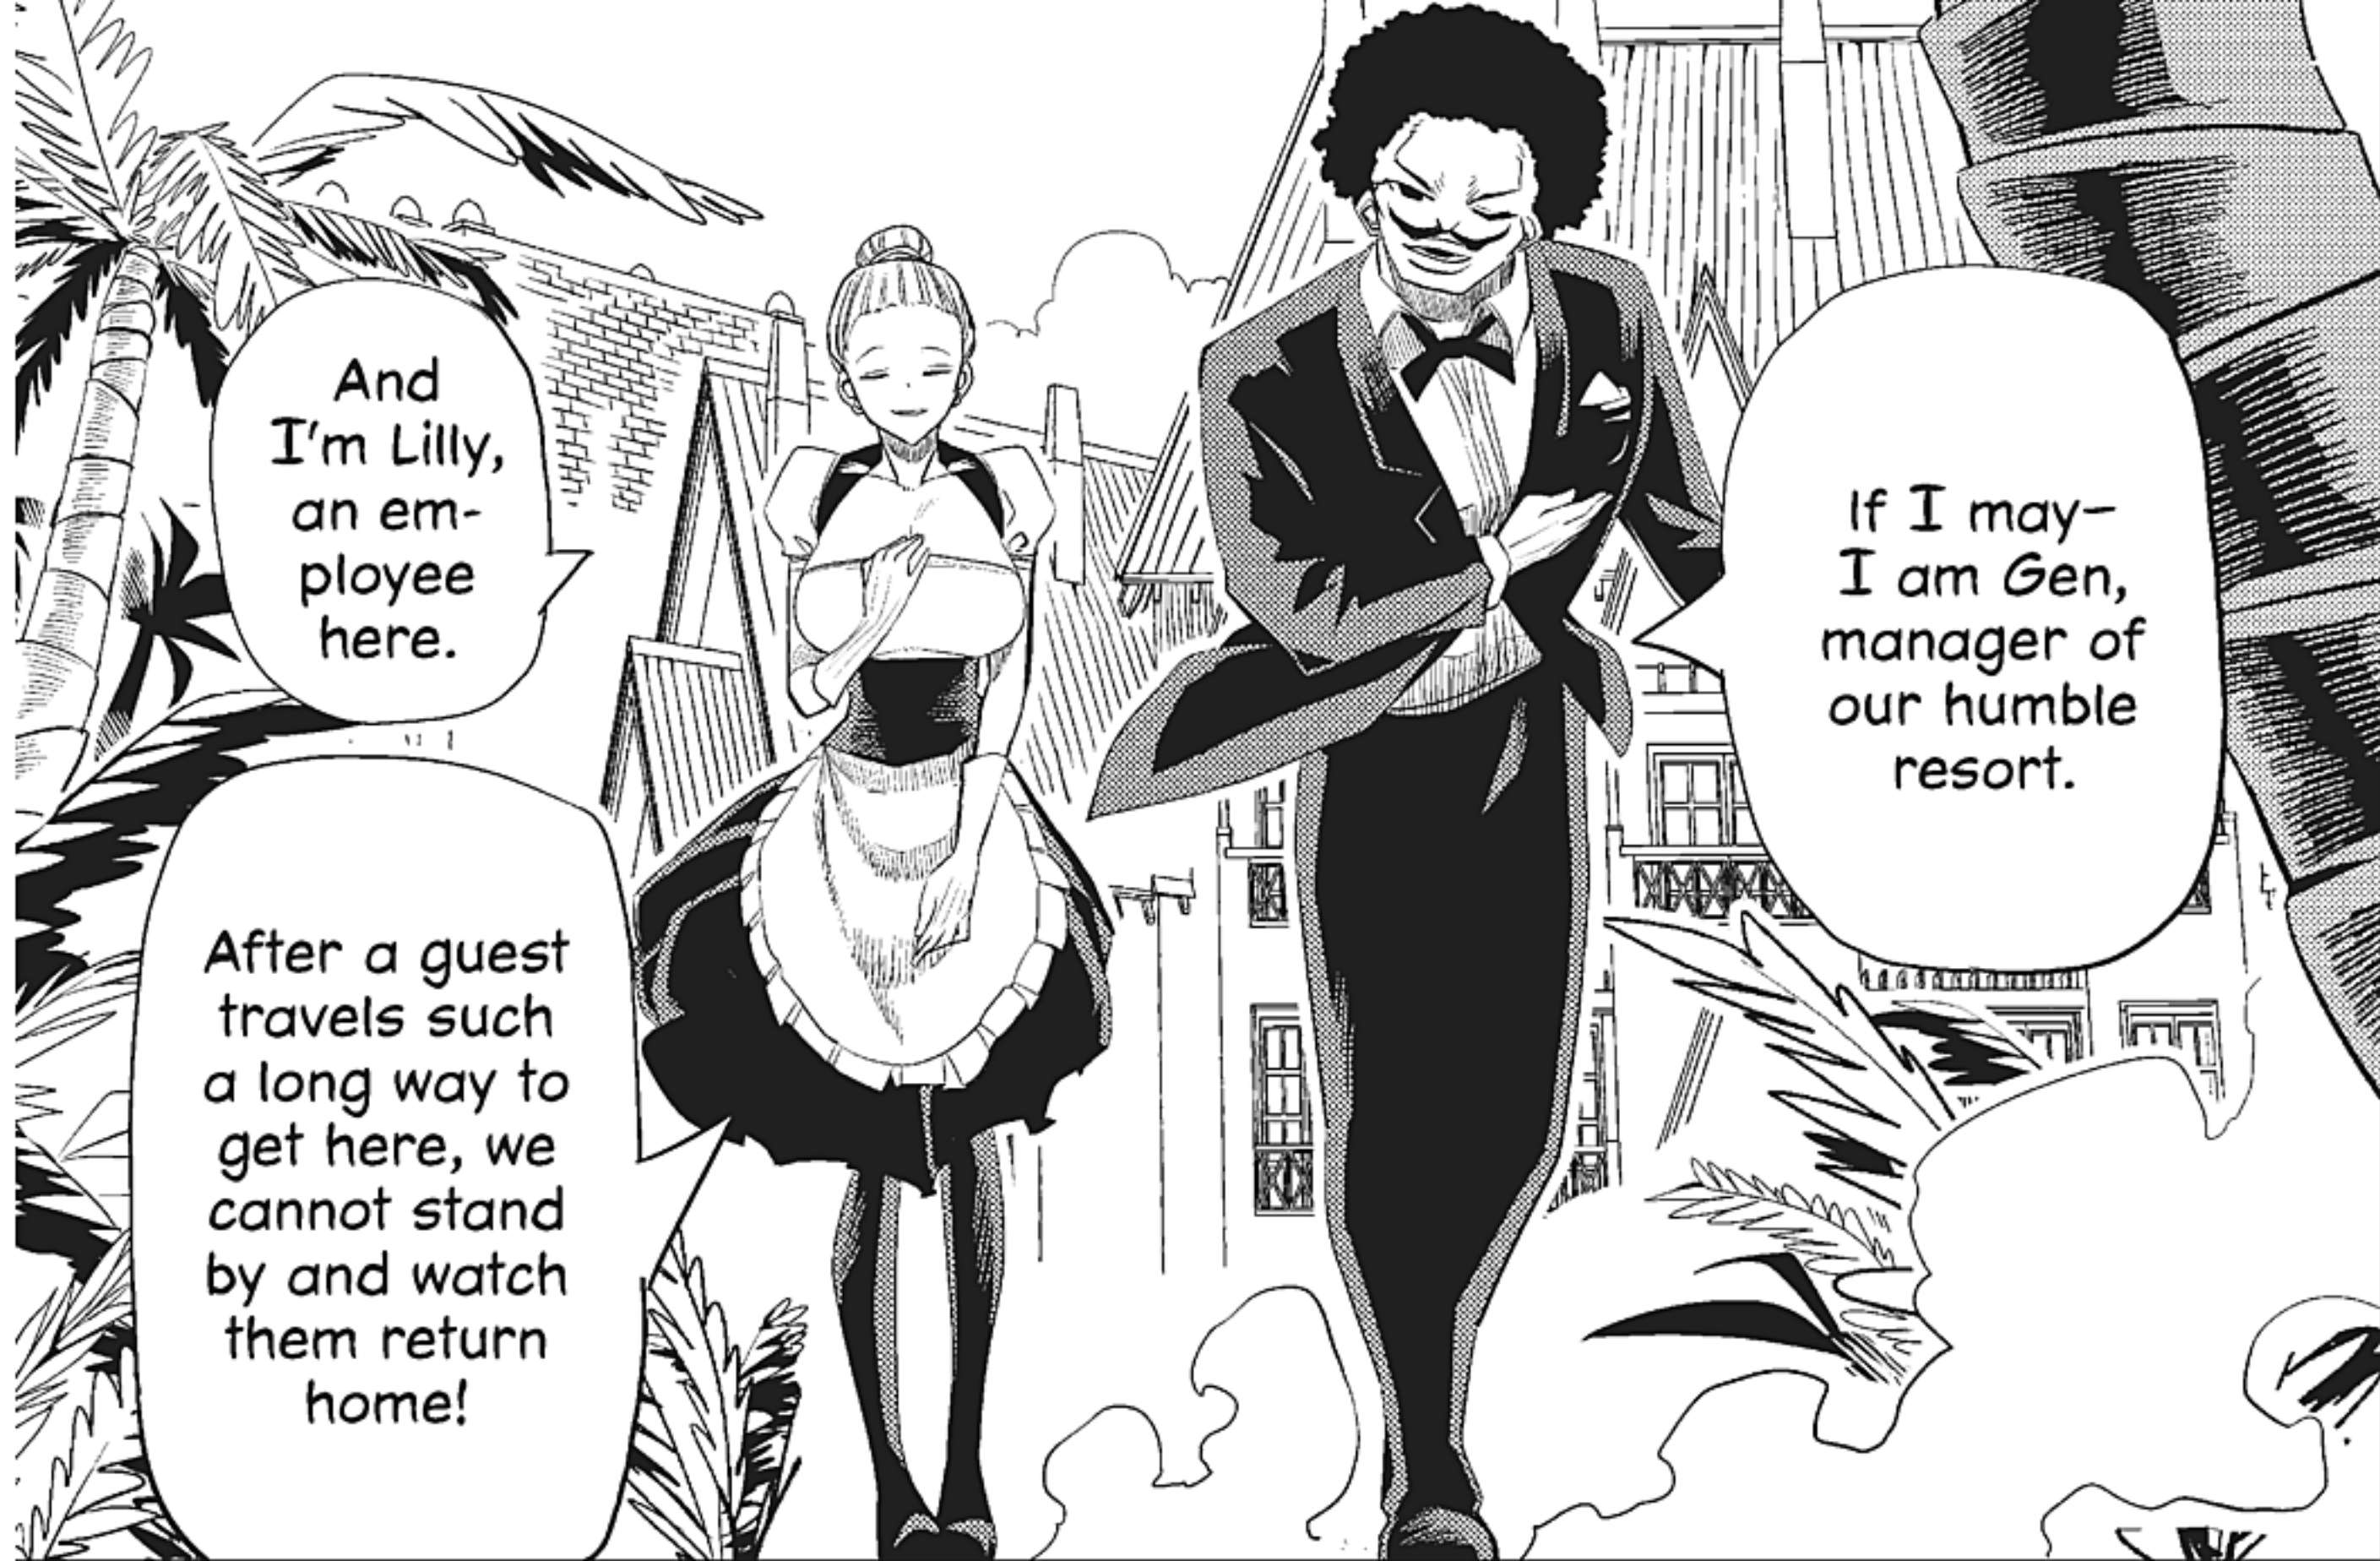

Eee!

ZOOM

True! After all, Gray-sama is nowhere around.

You know, if we headed back now...

And I'm Lilly, an employee here.

If I may—I am Gen, manager of our humble resort.

After a guest travels such a long way to get here, we cannot stand by and watch them return home!

What should Juvia do?

No one has ever come on to her so aggressively before.

Me neither.

I'll be honest... We're troubled because we can't attract guests!

So please let us wait on you hand and foot!

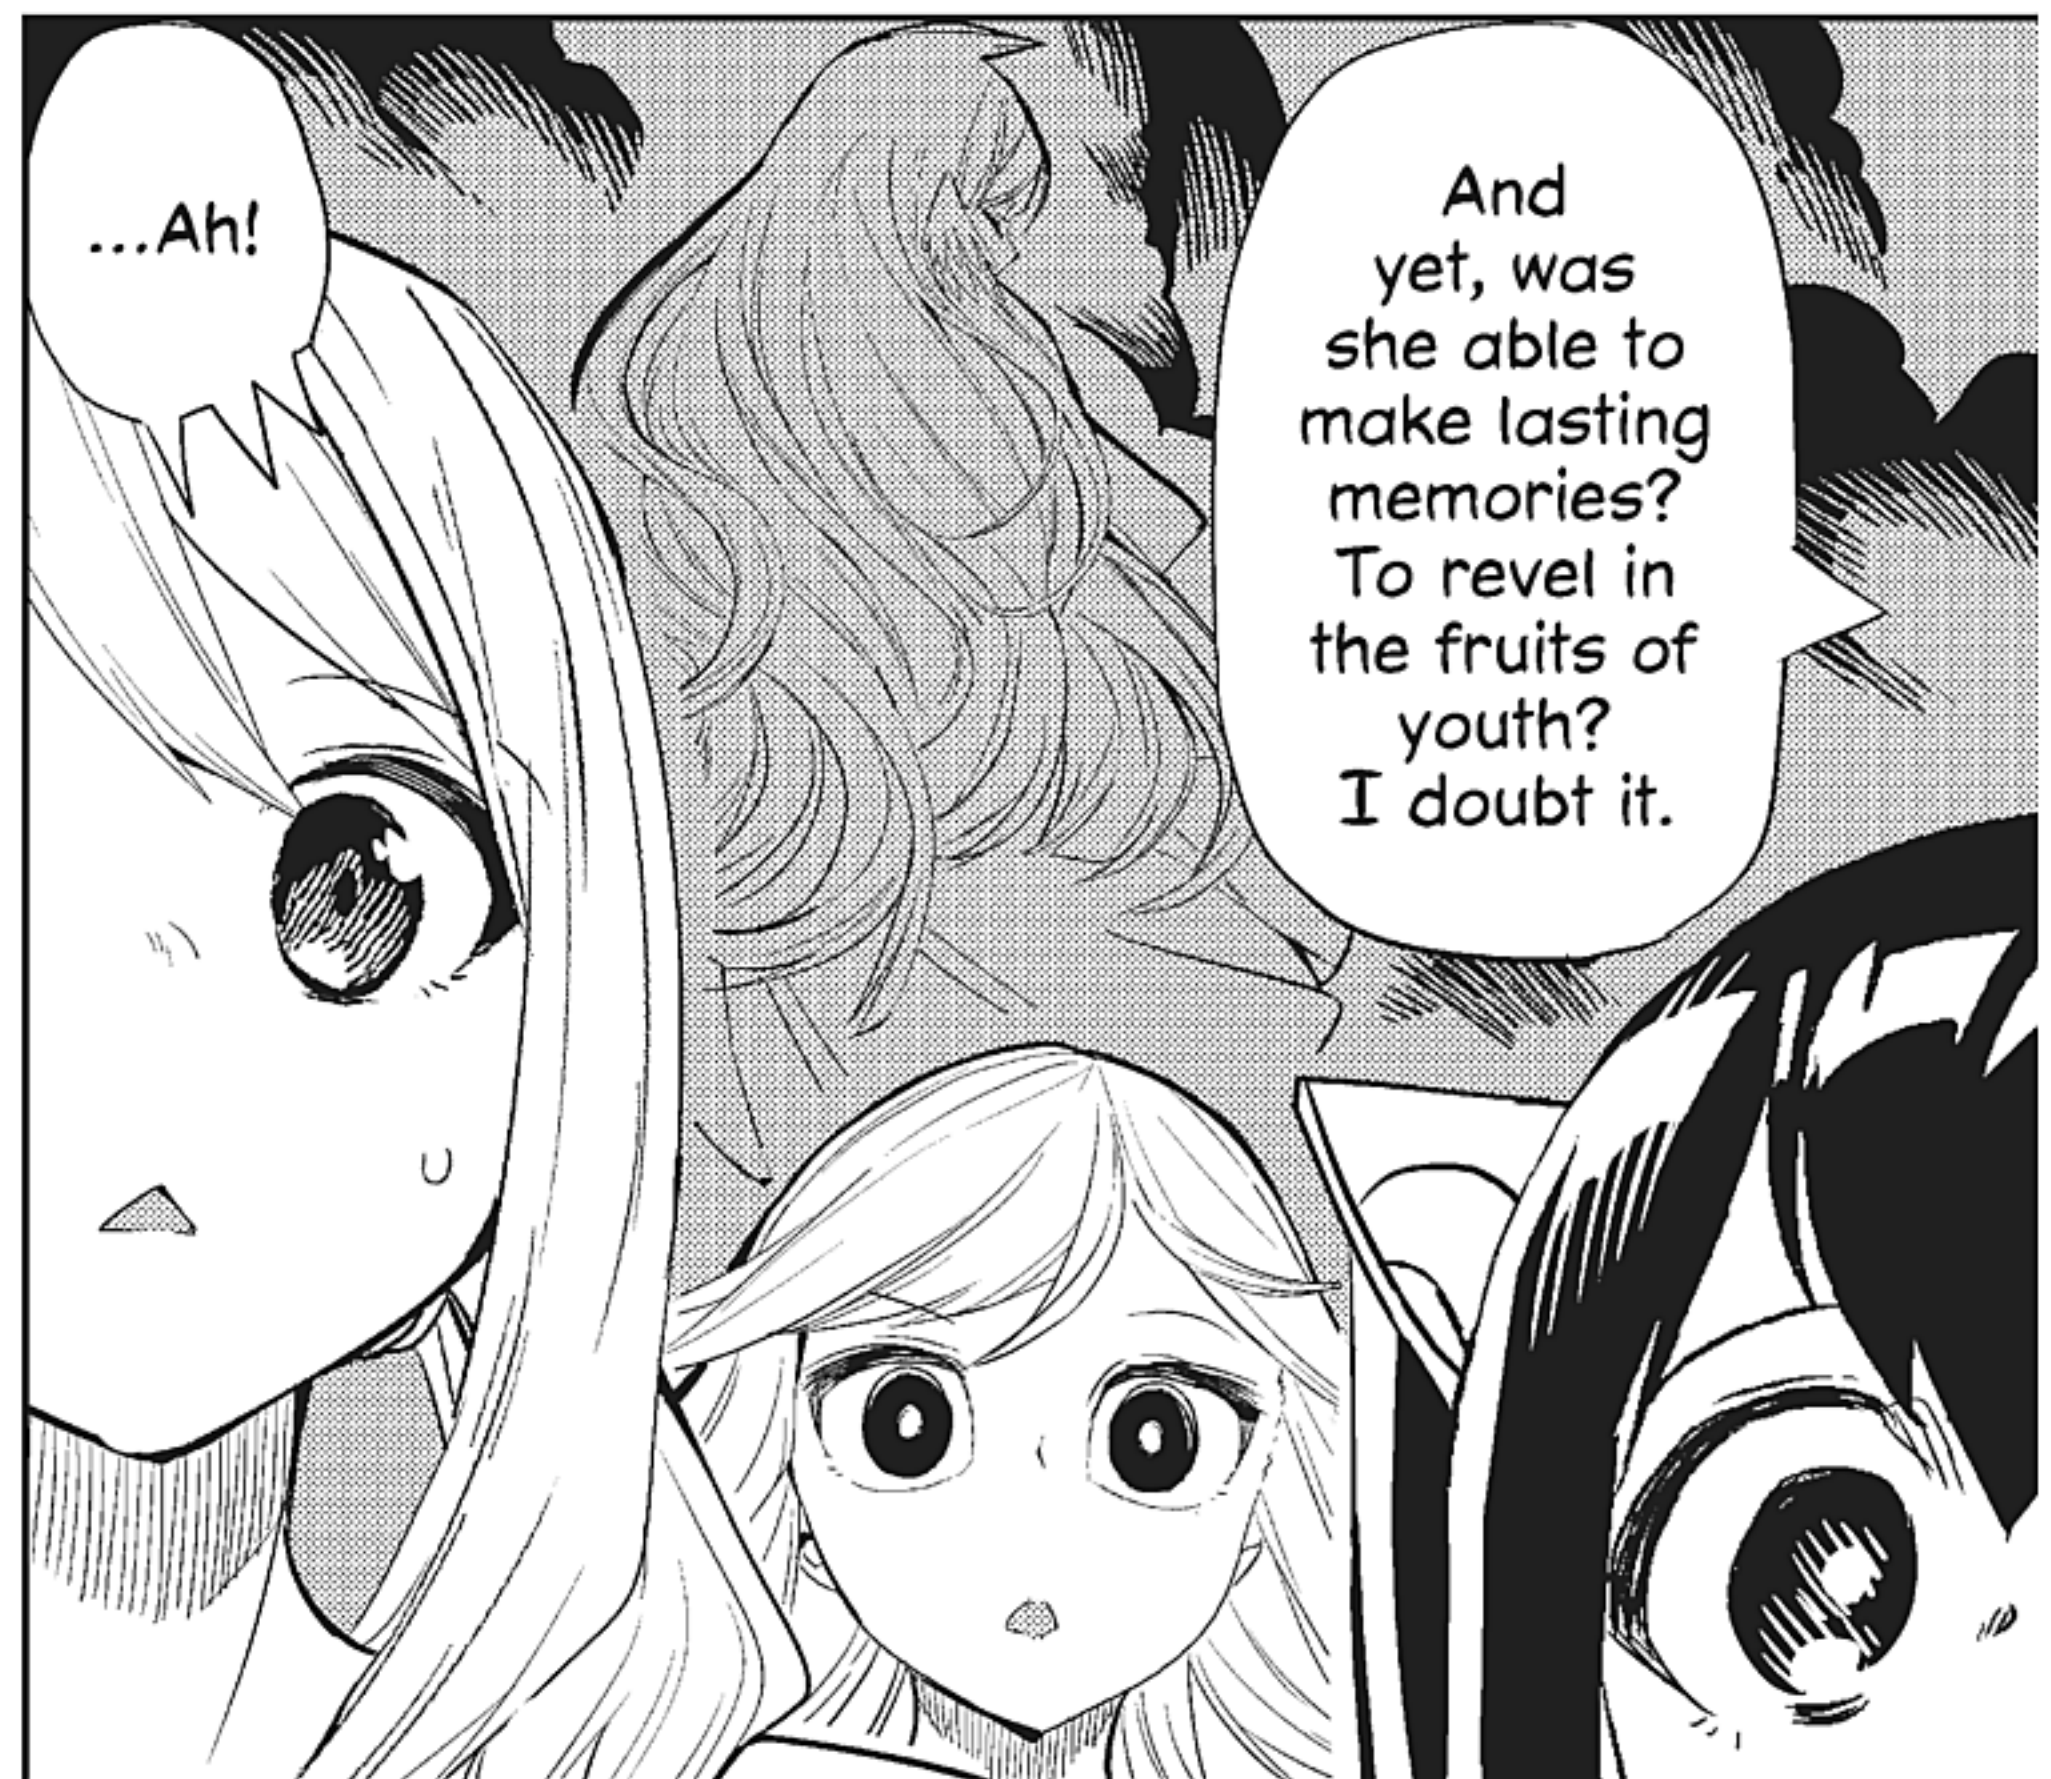

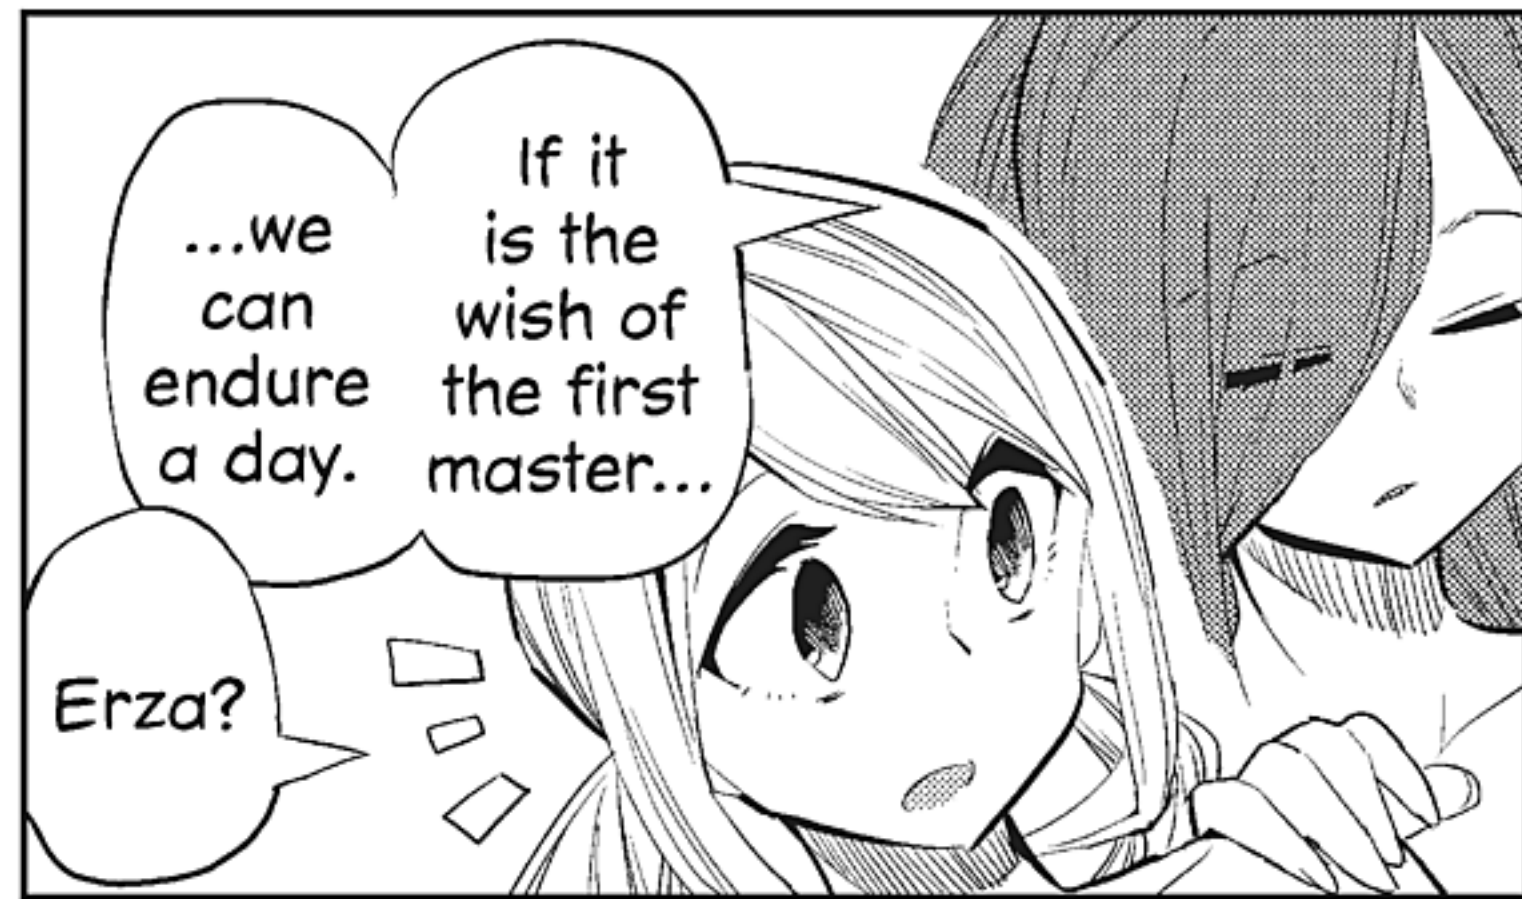

Urk! U-Um, well...

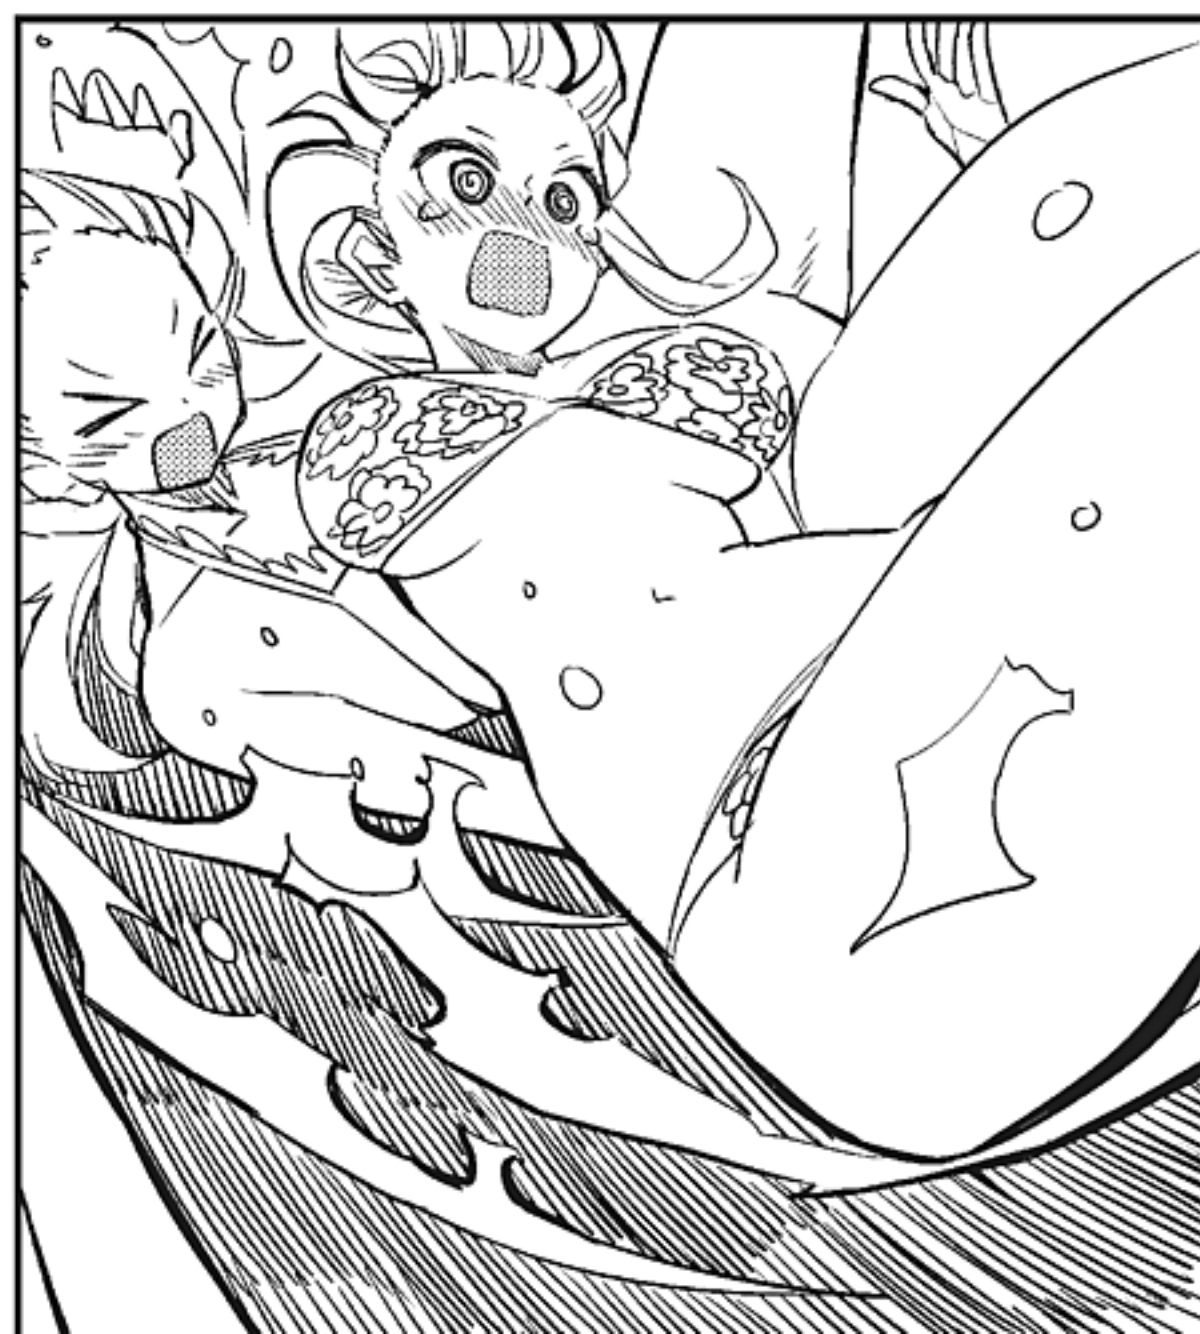

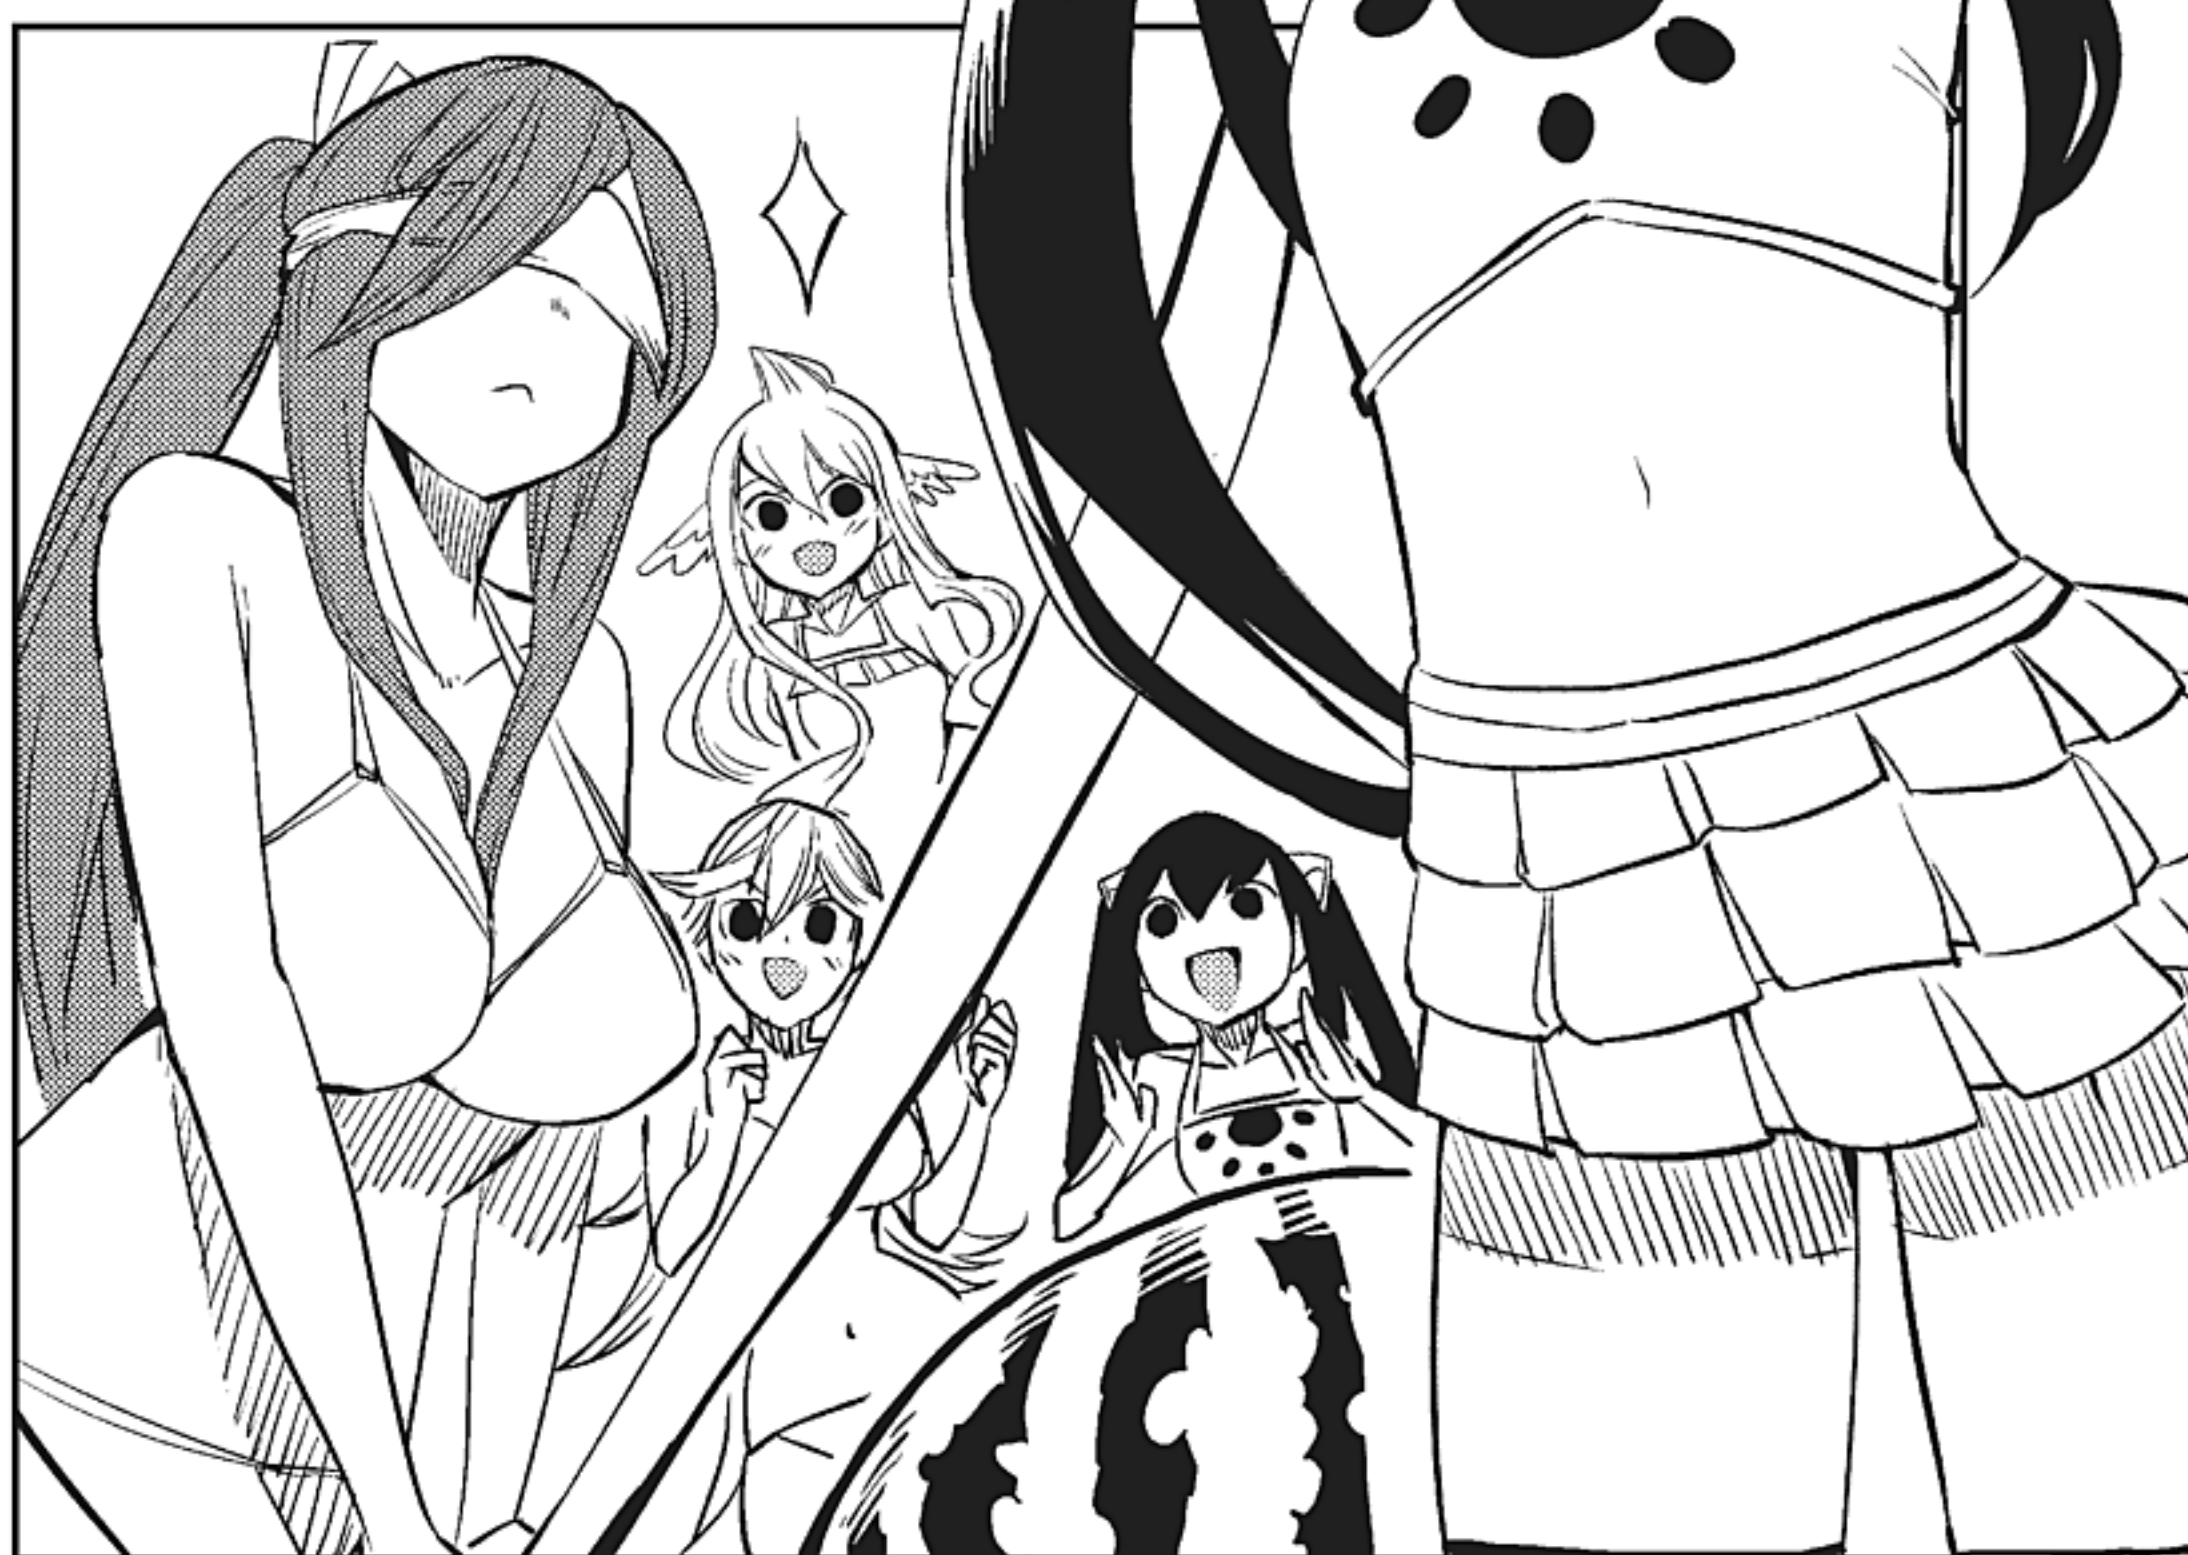

Oh, can't we?

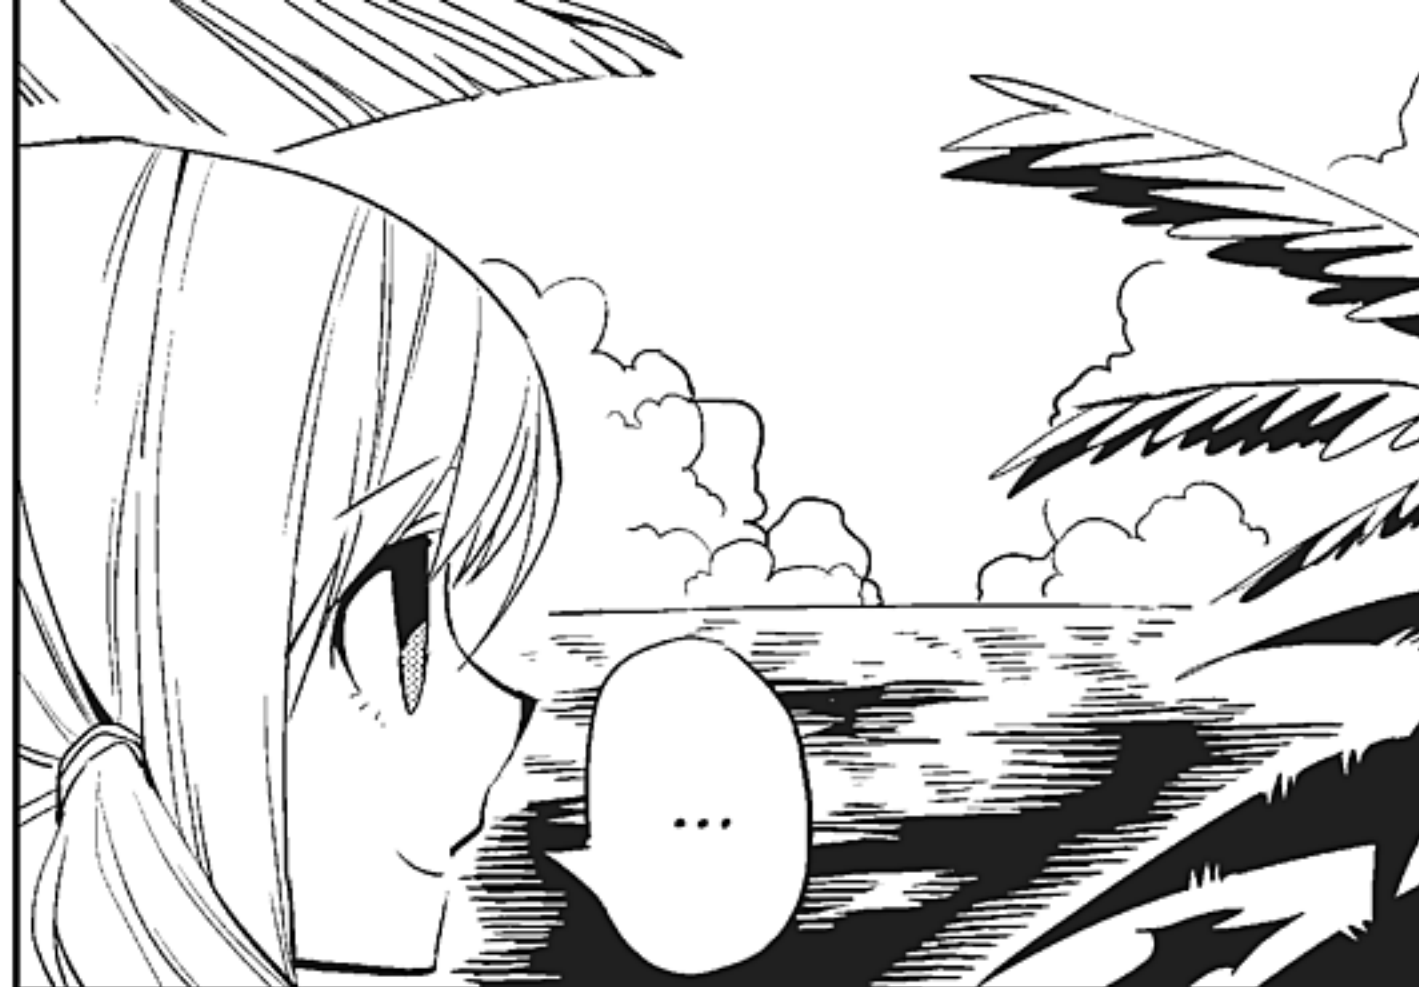

First Master?!

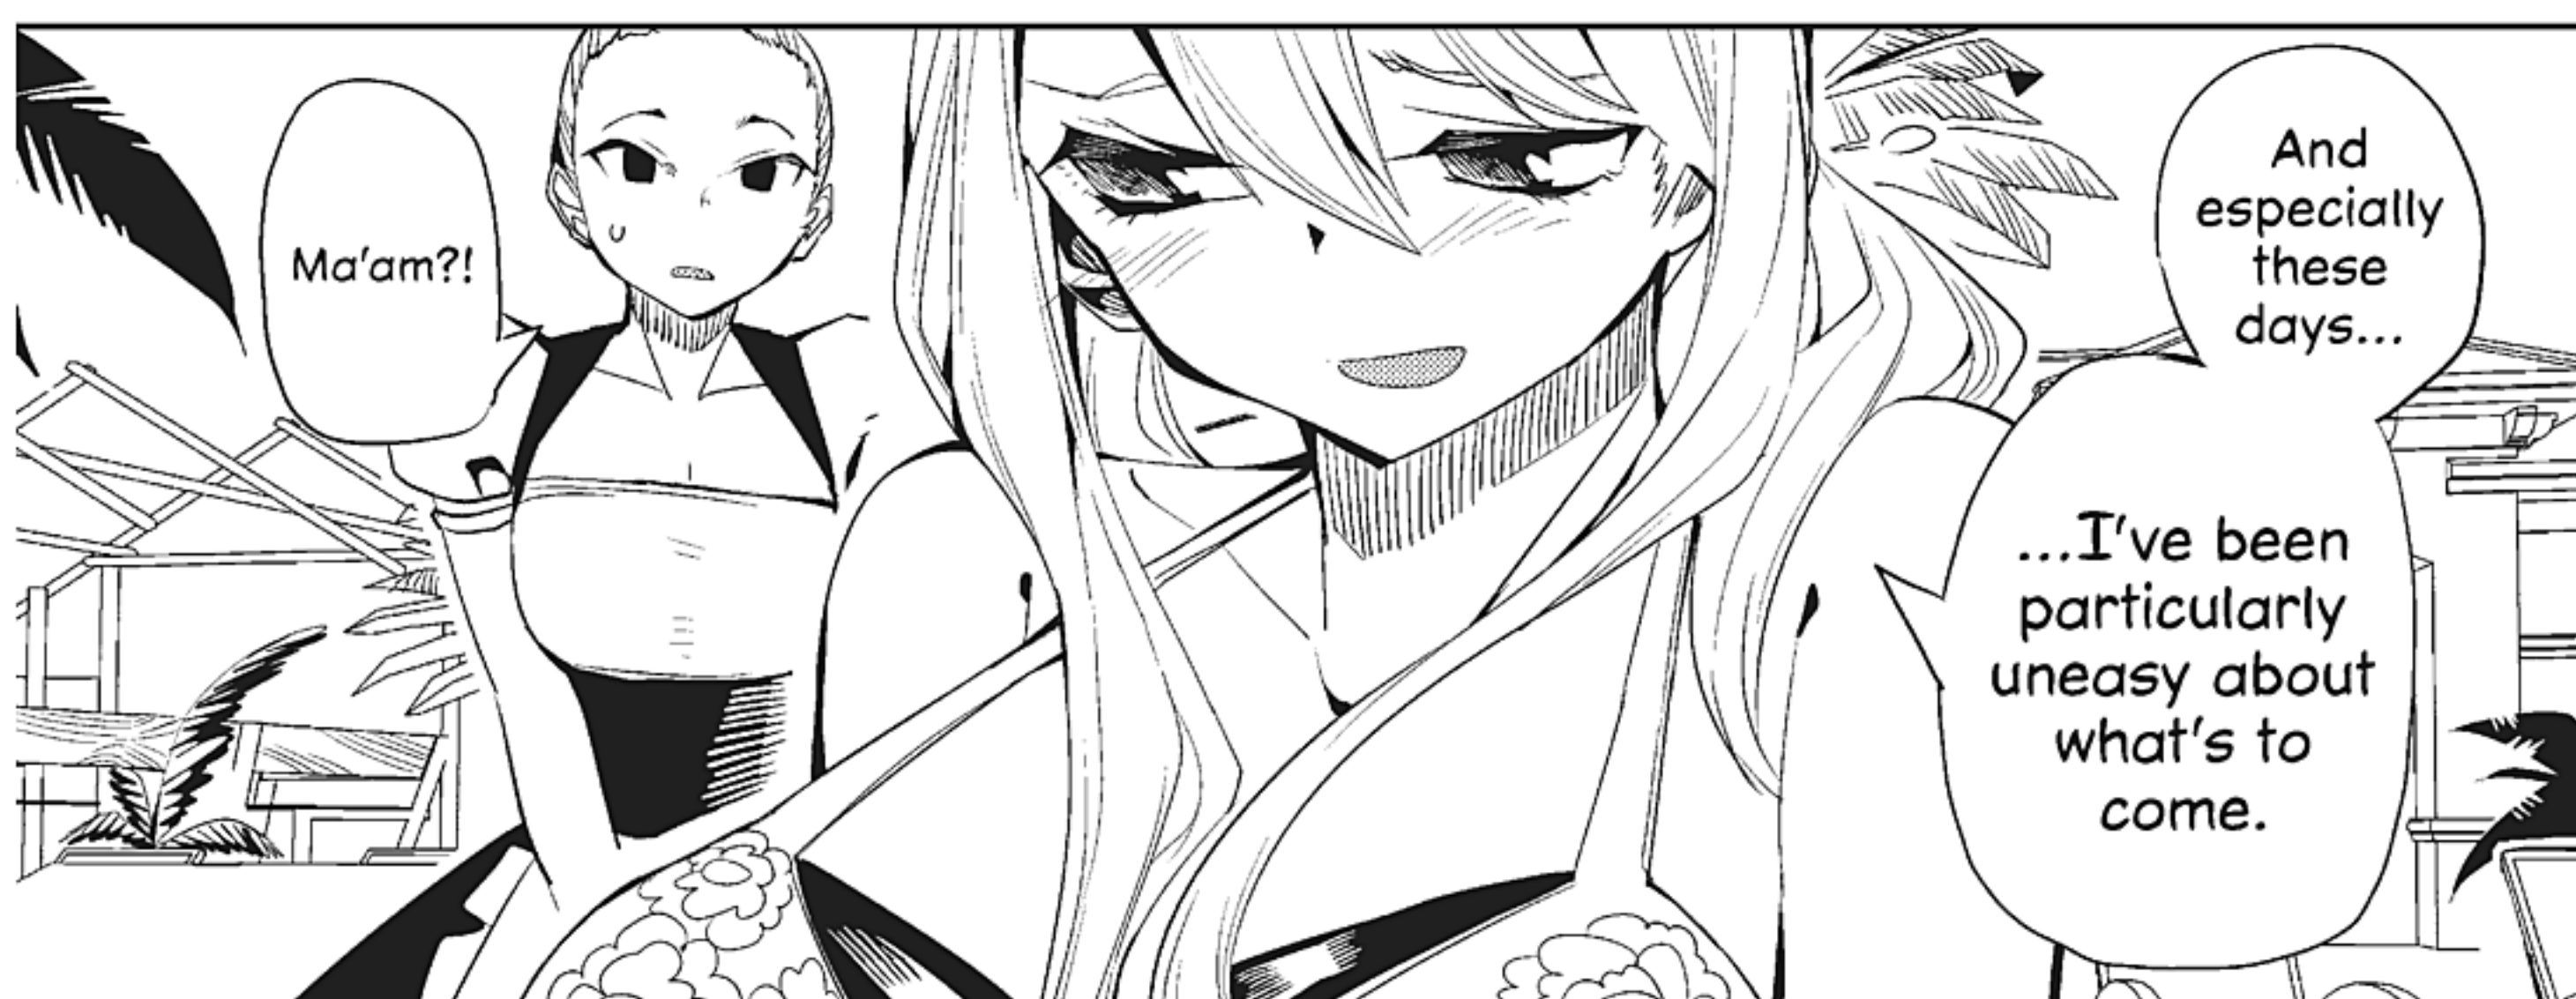

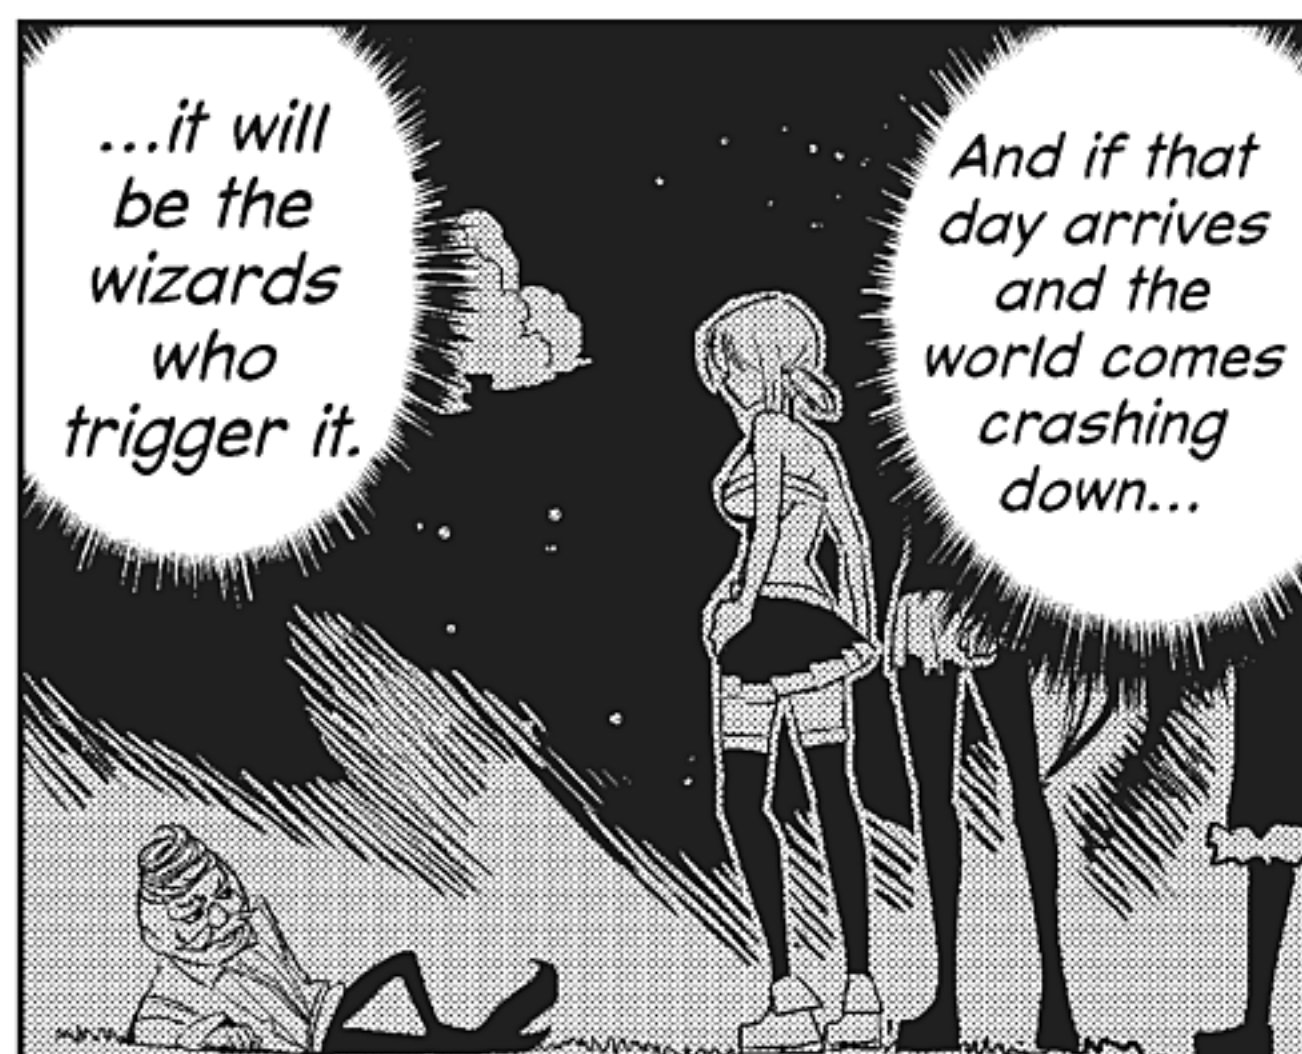

Of course! We'd love to stay here!

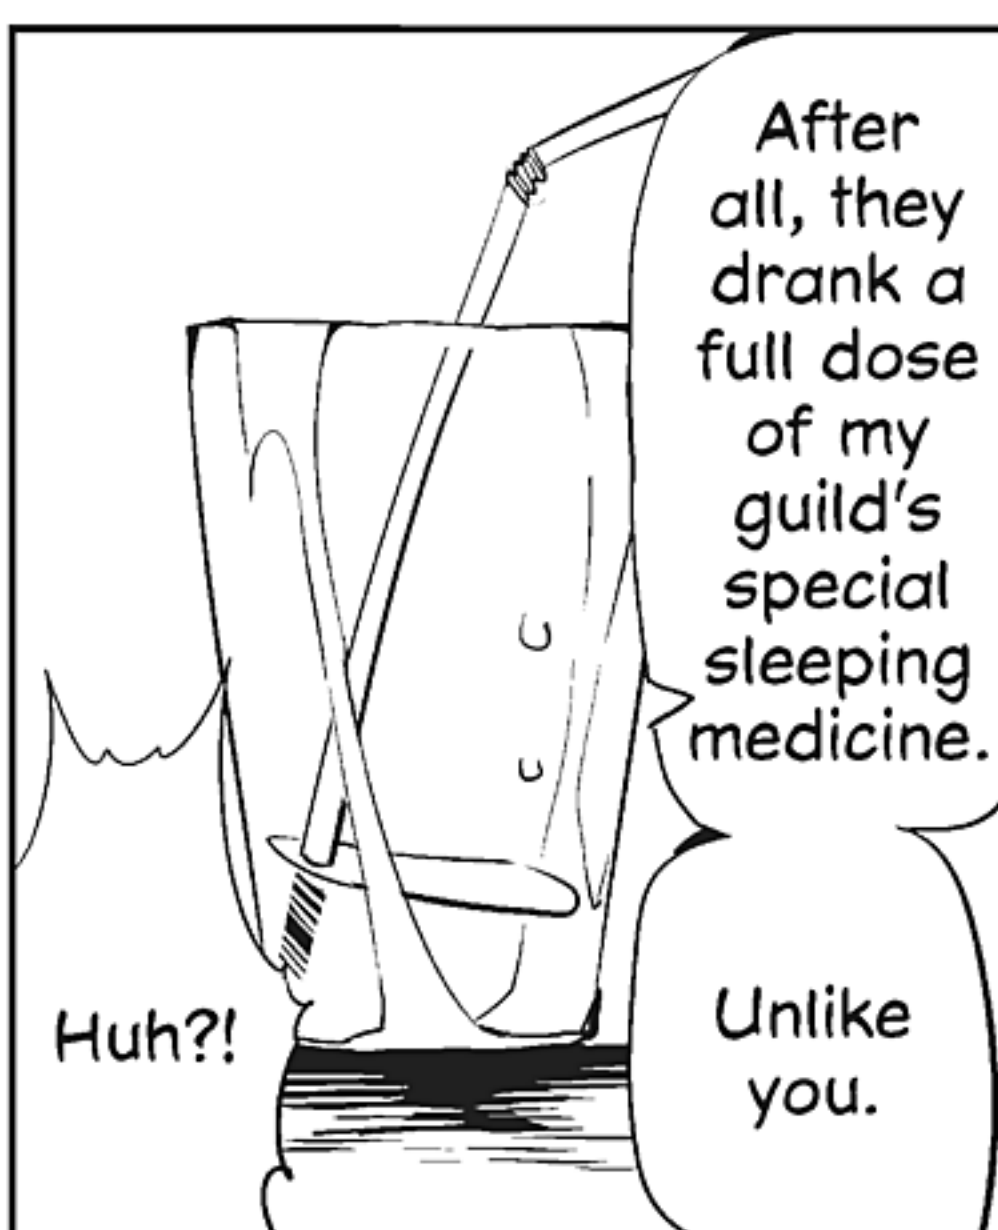

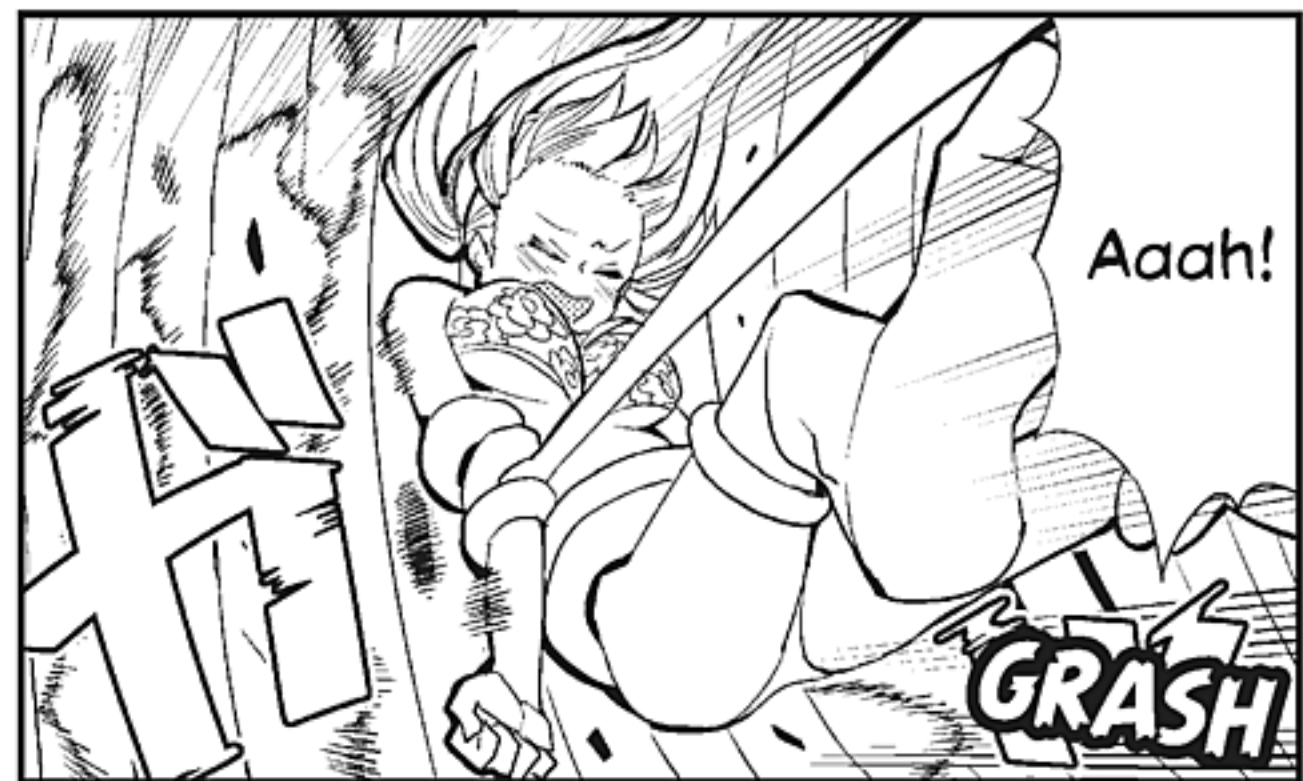

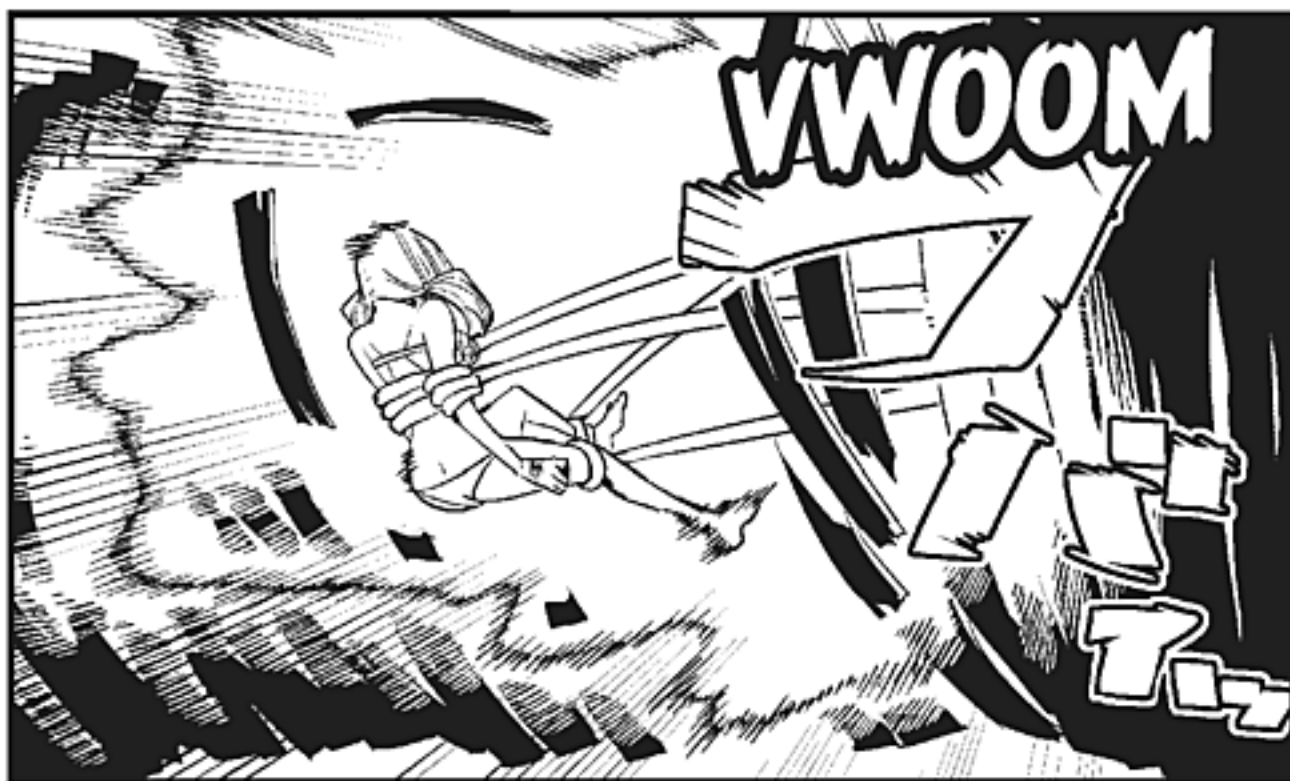

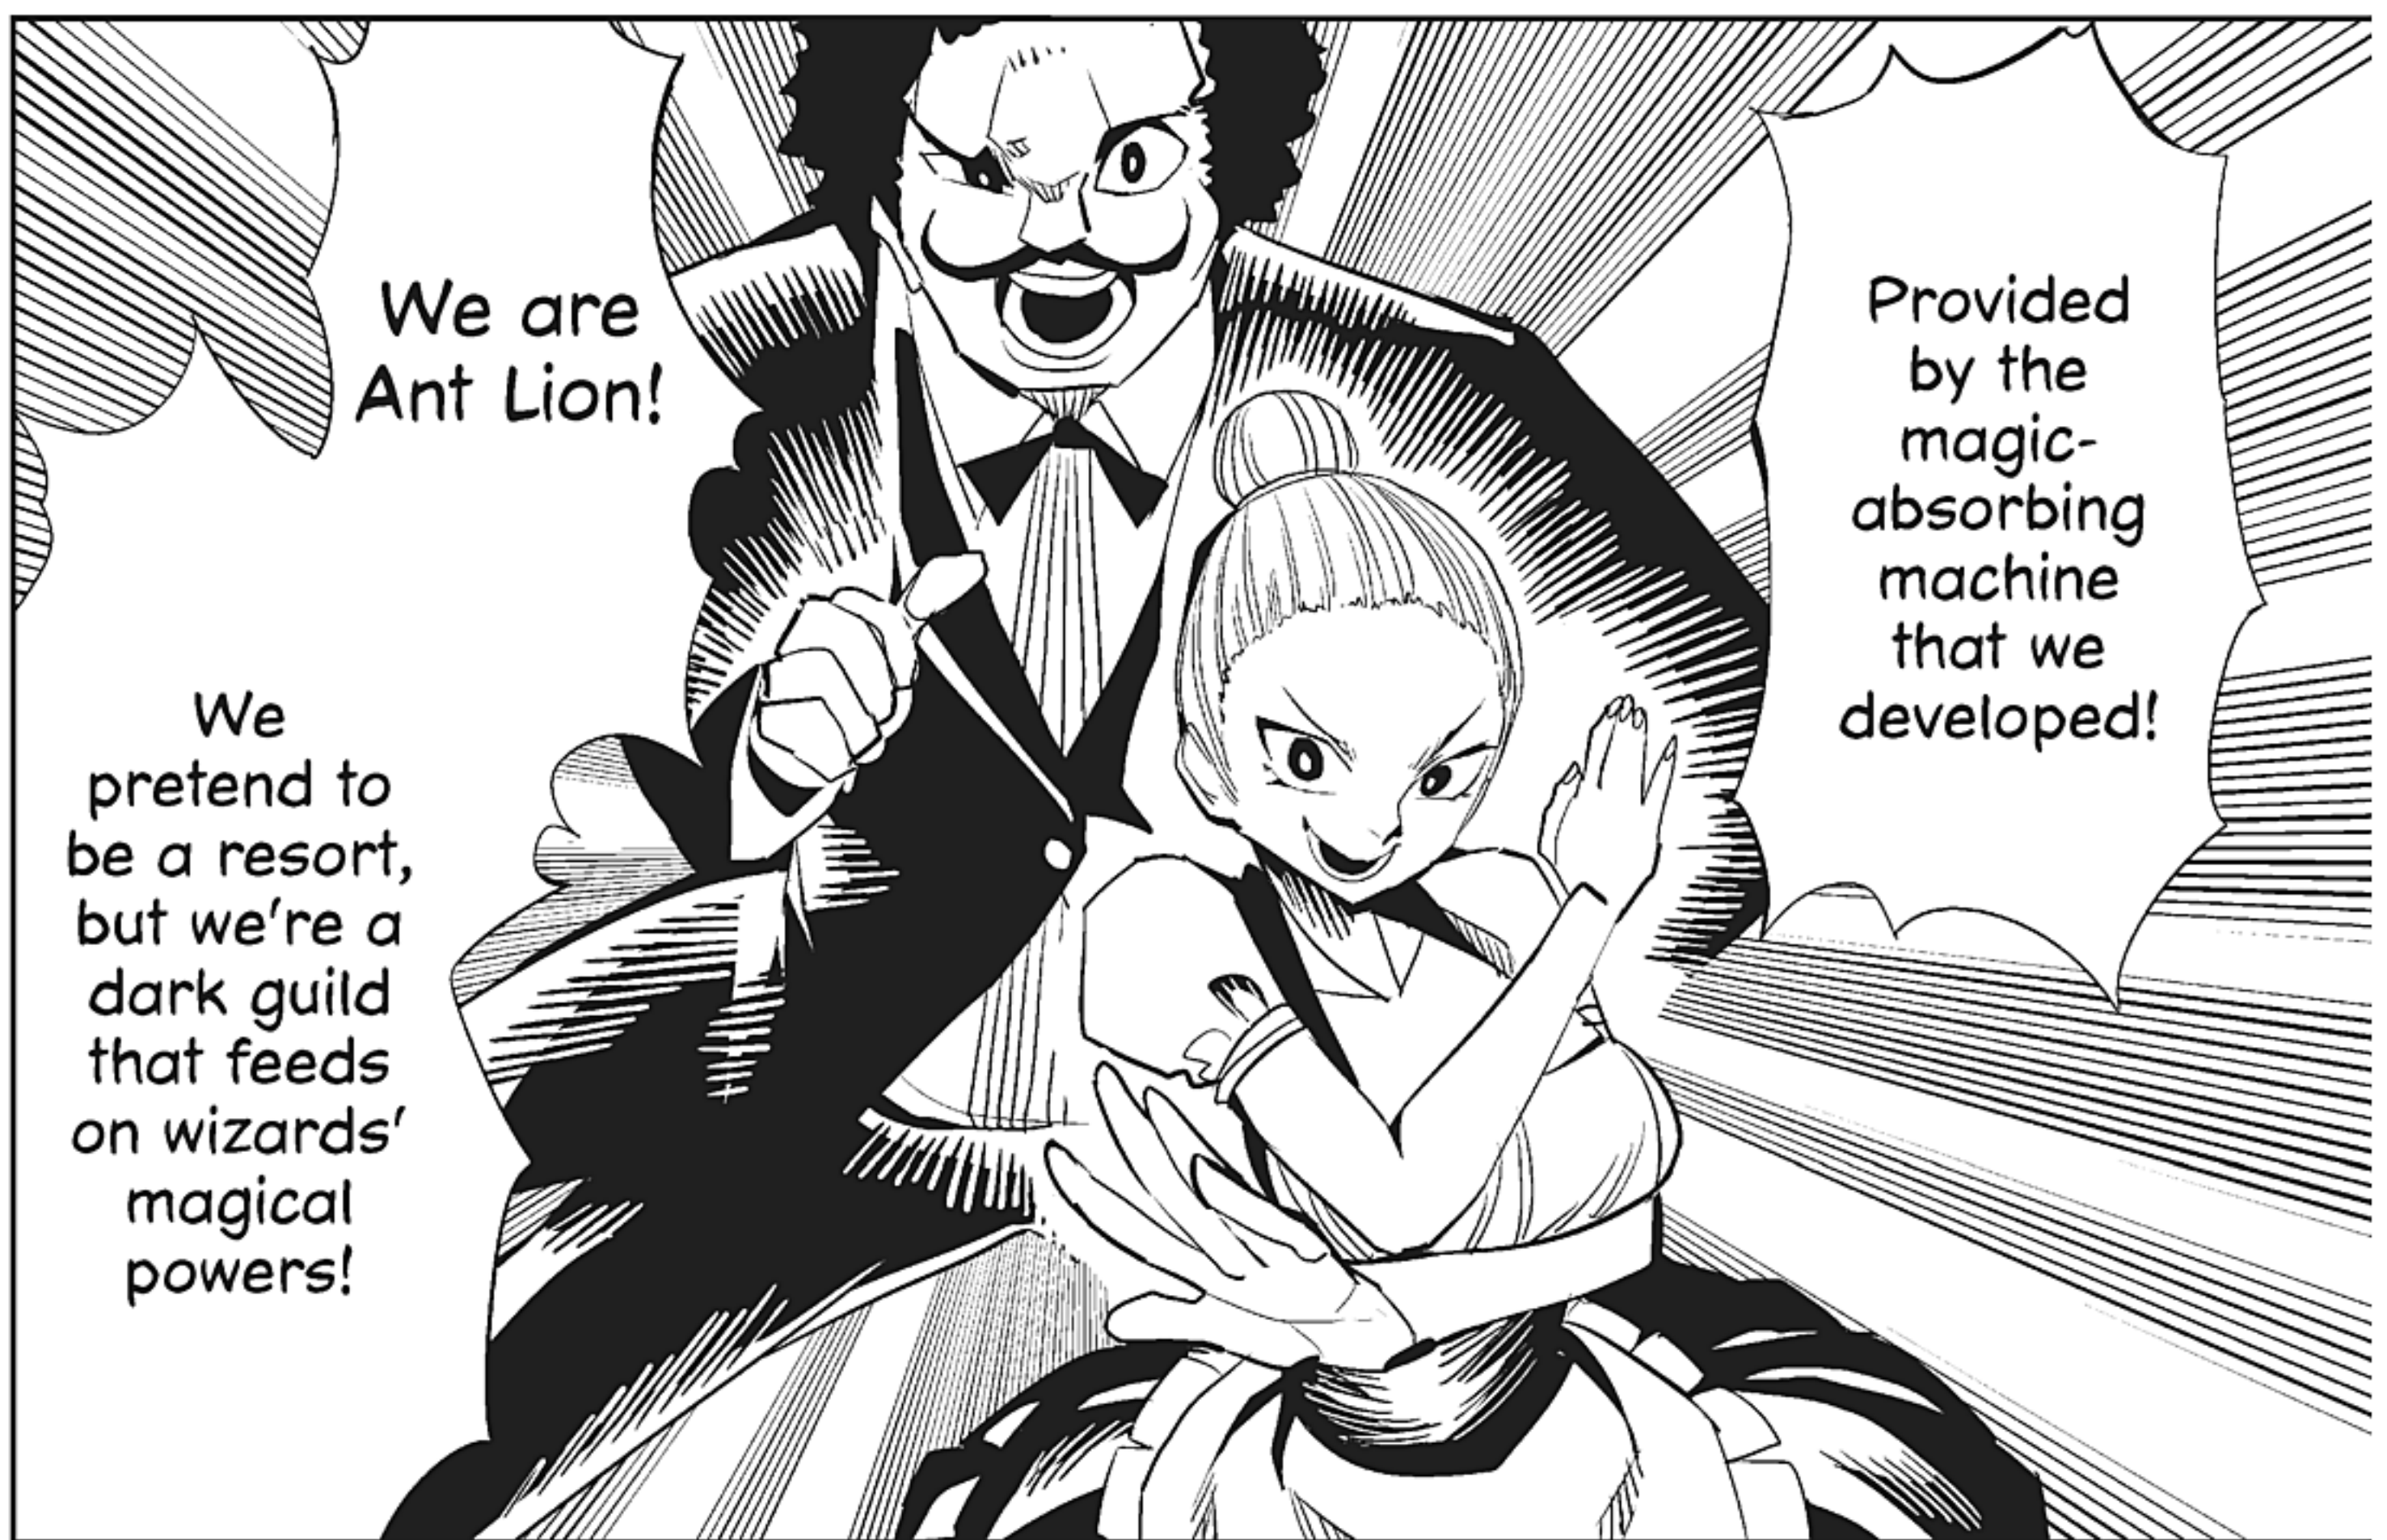

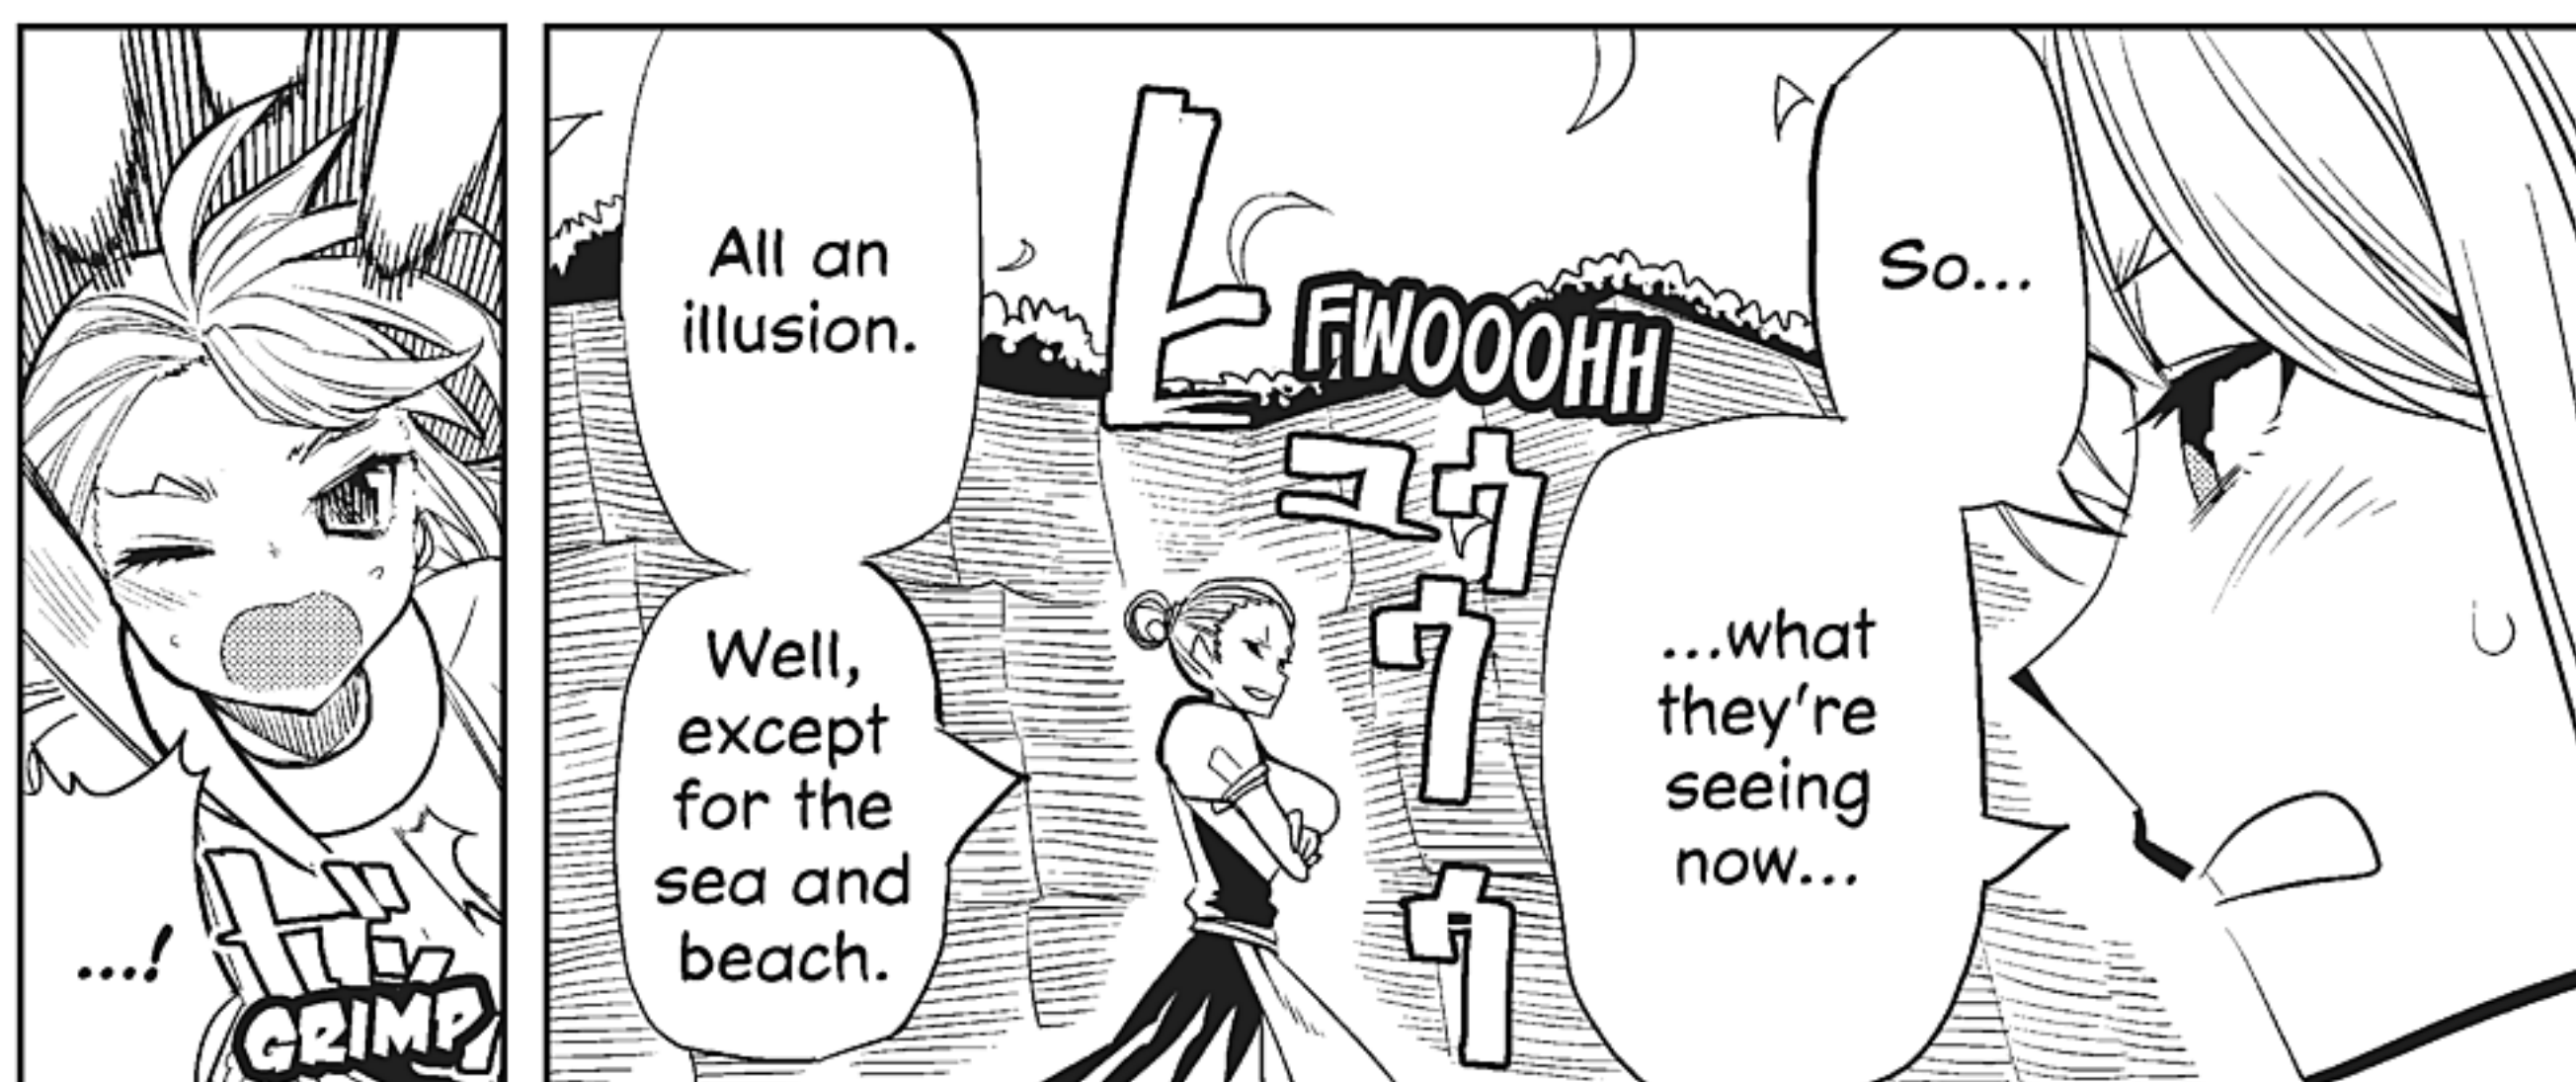

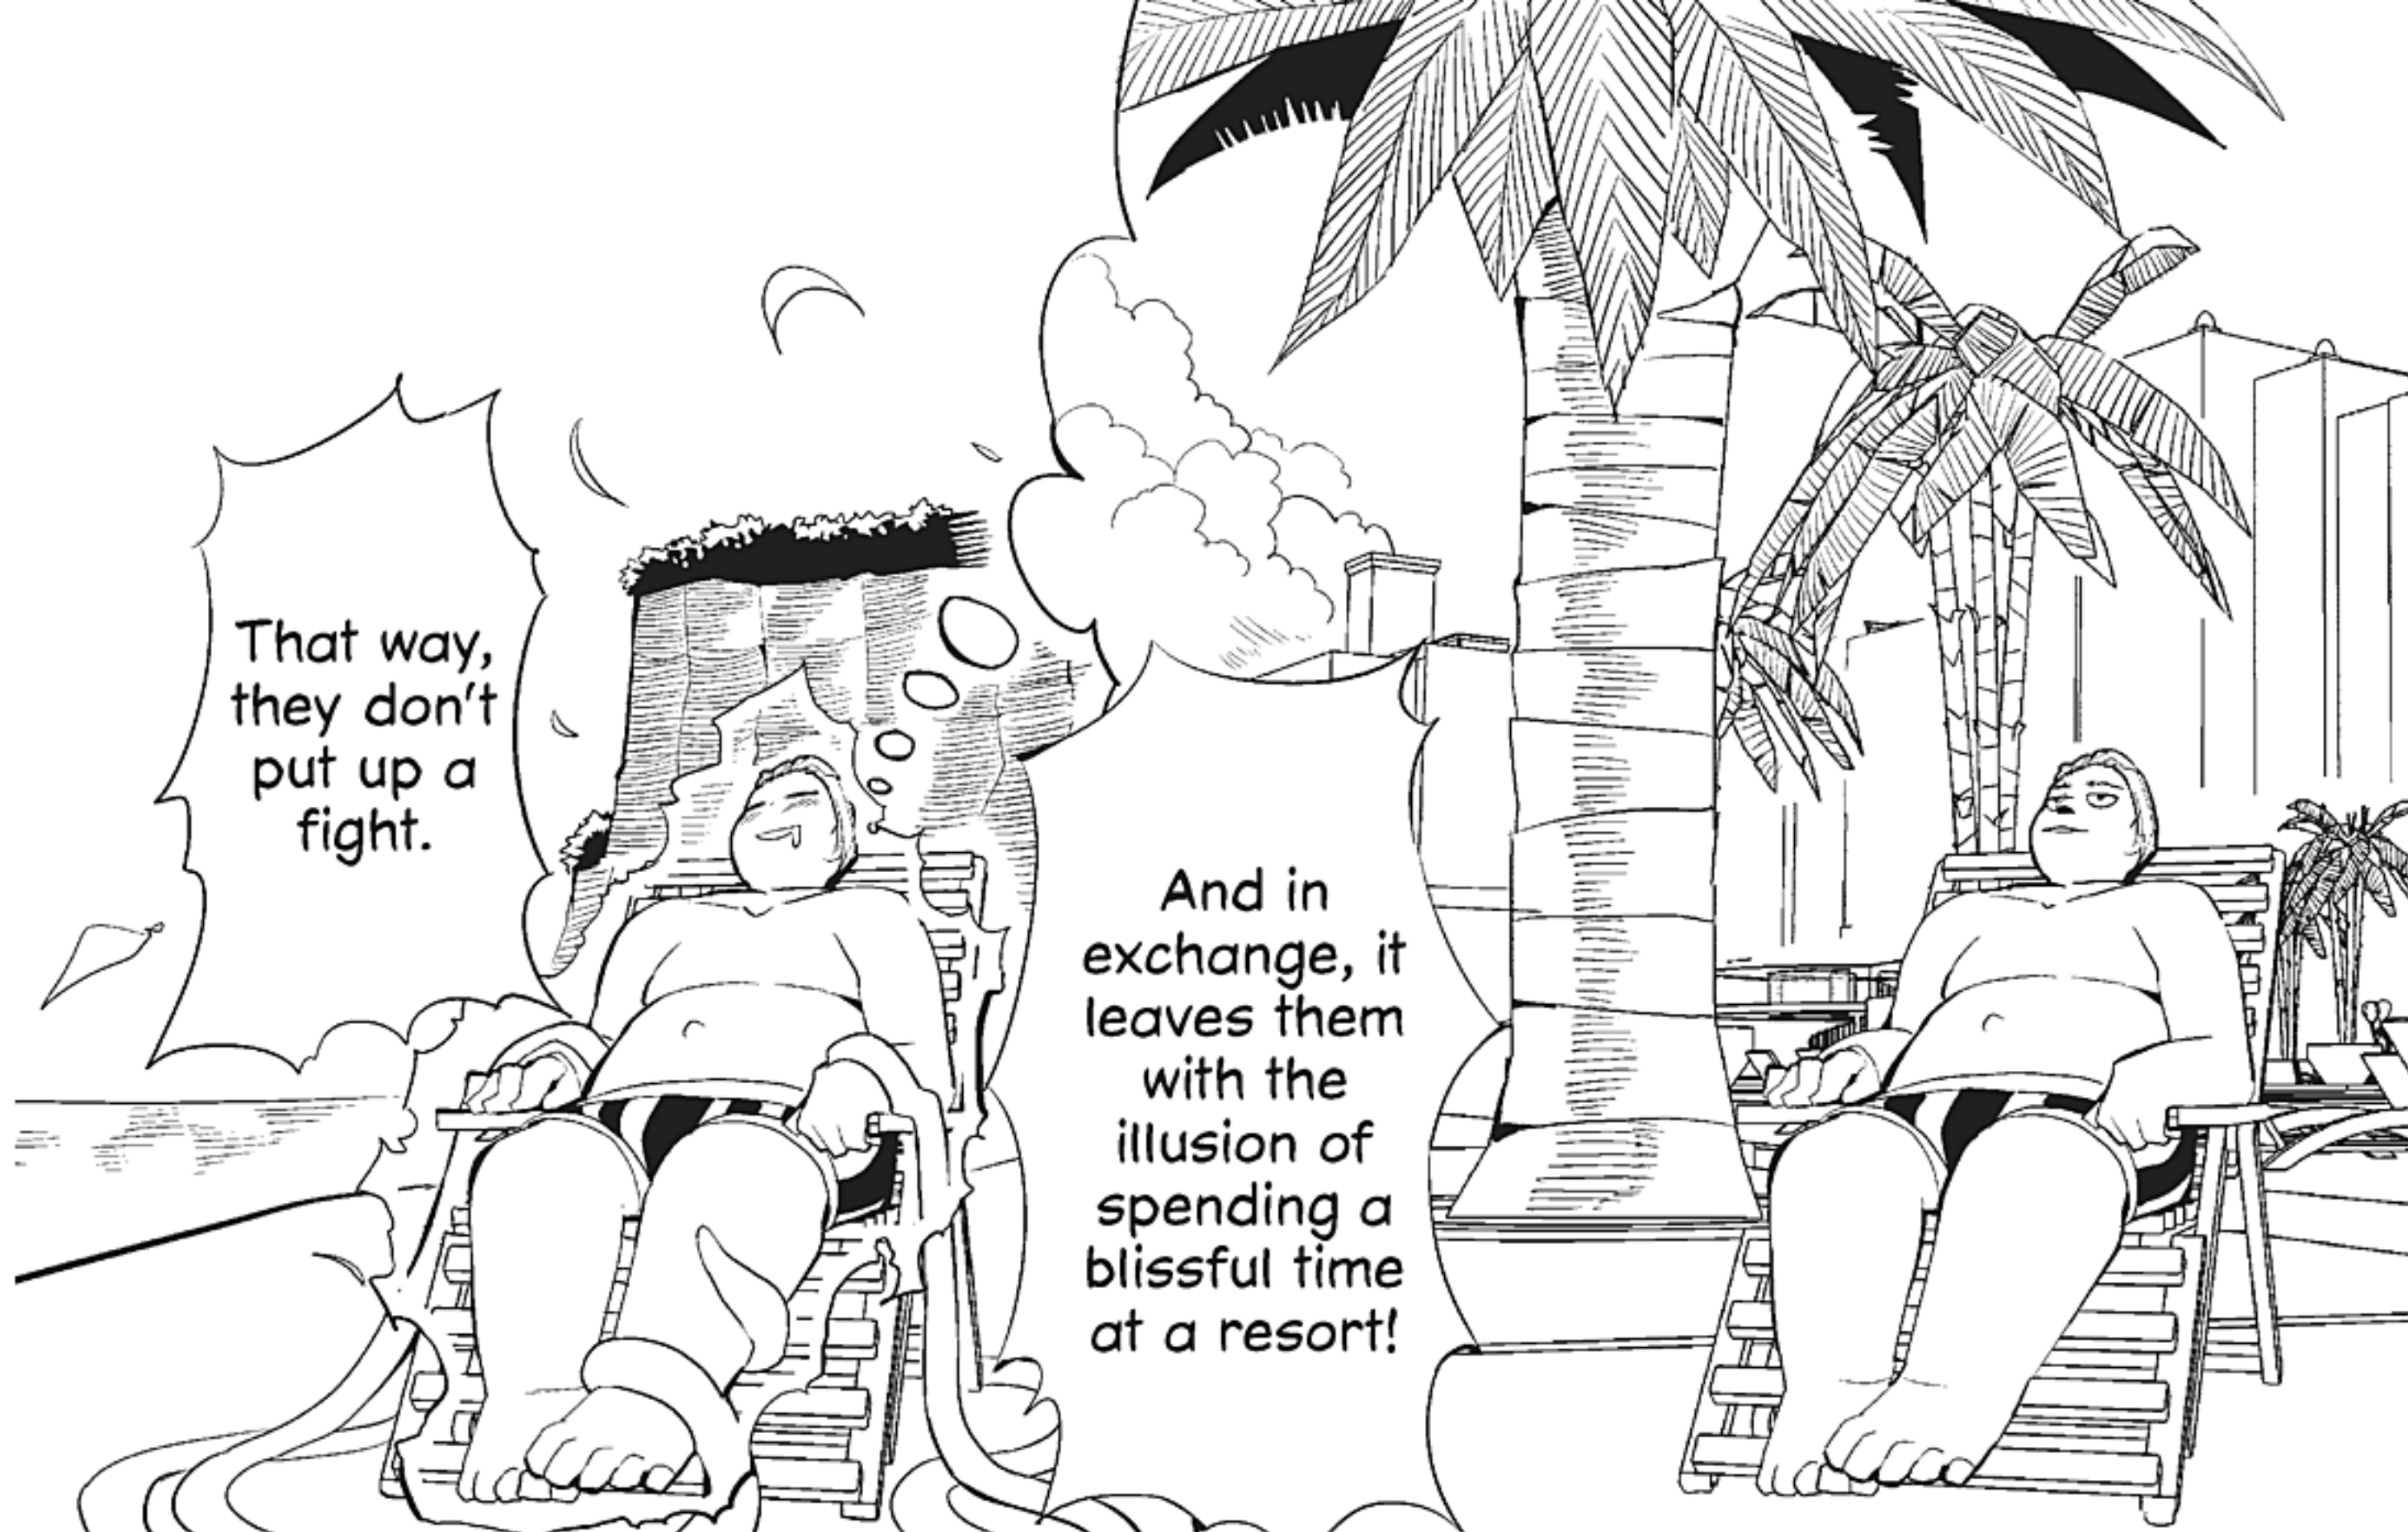

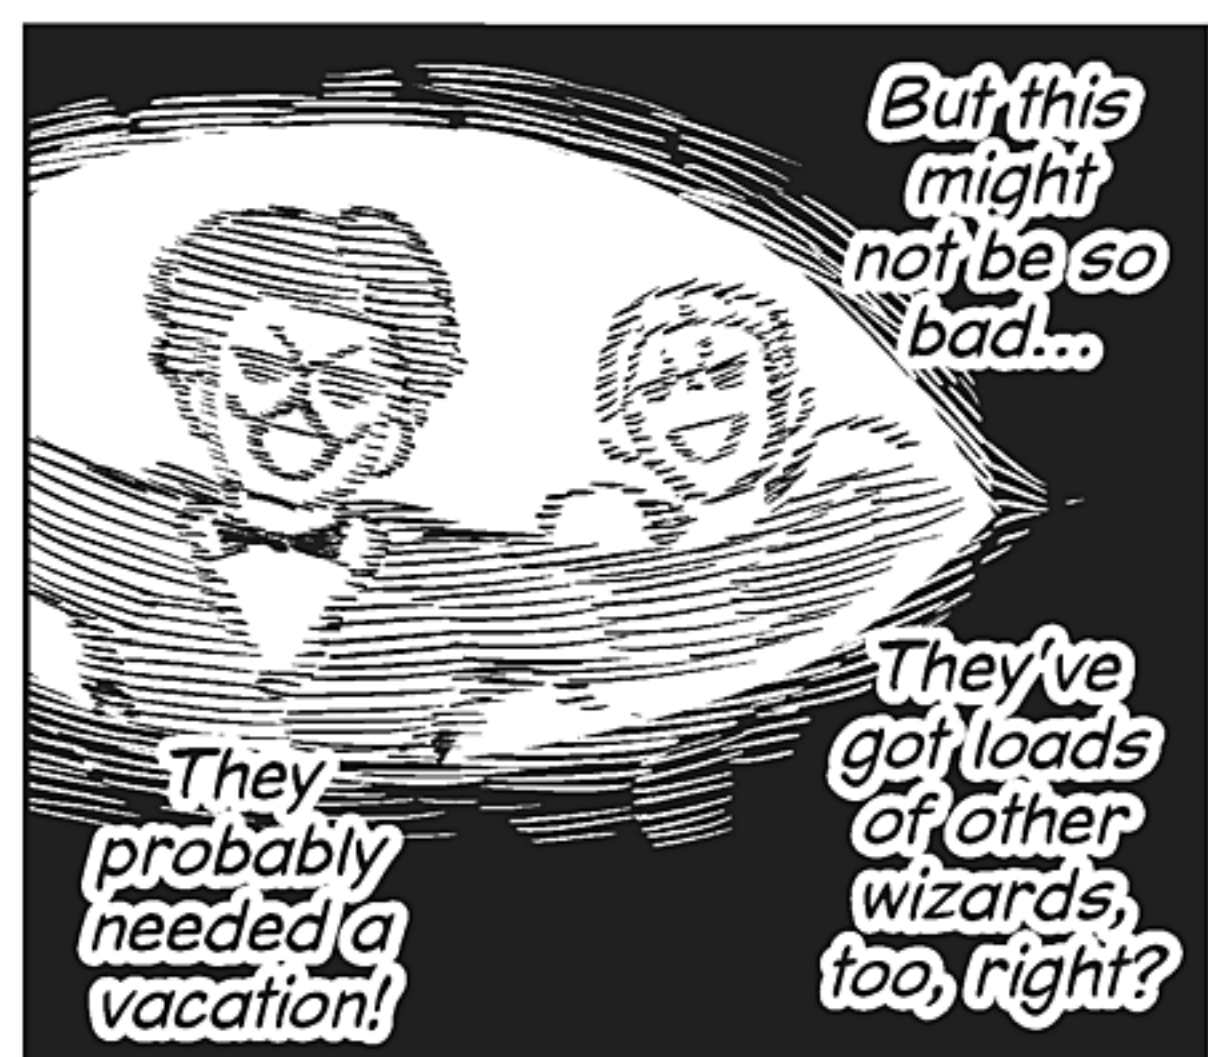

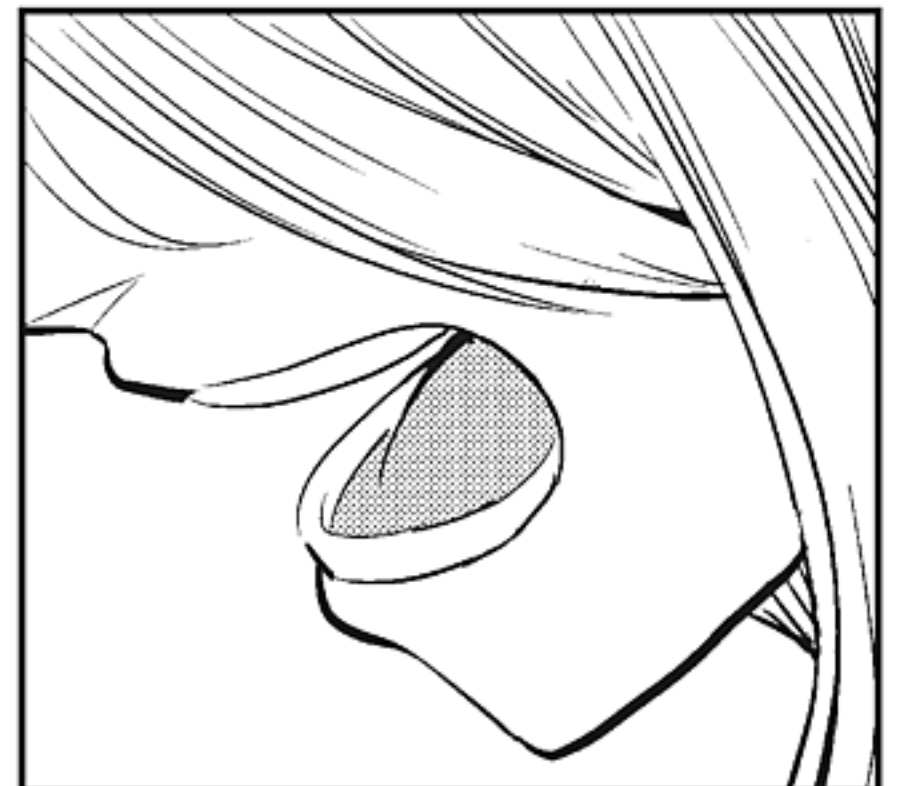

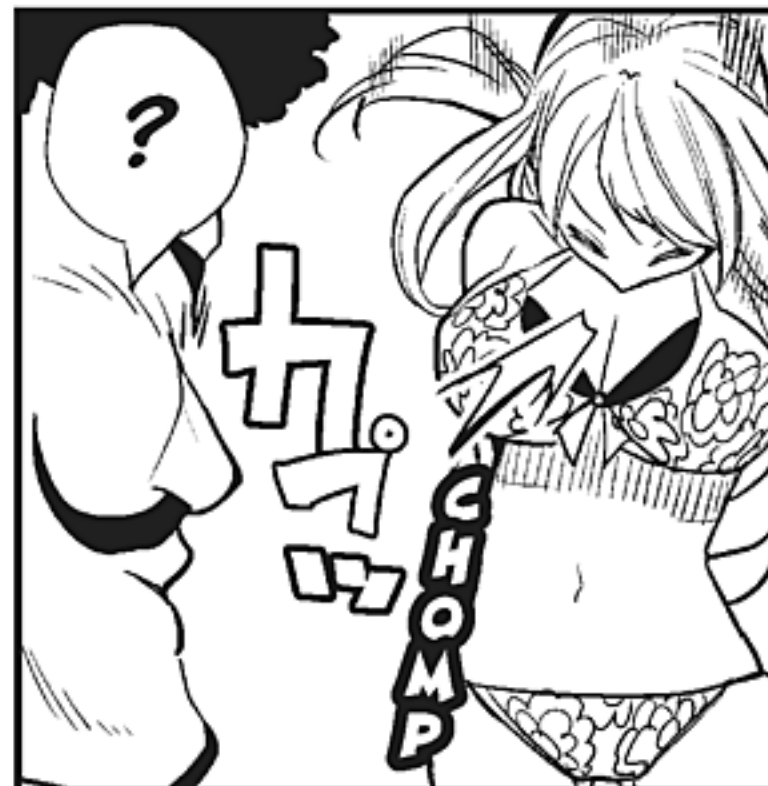

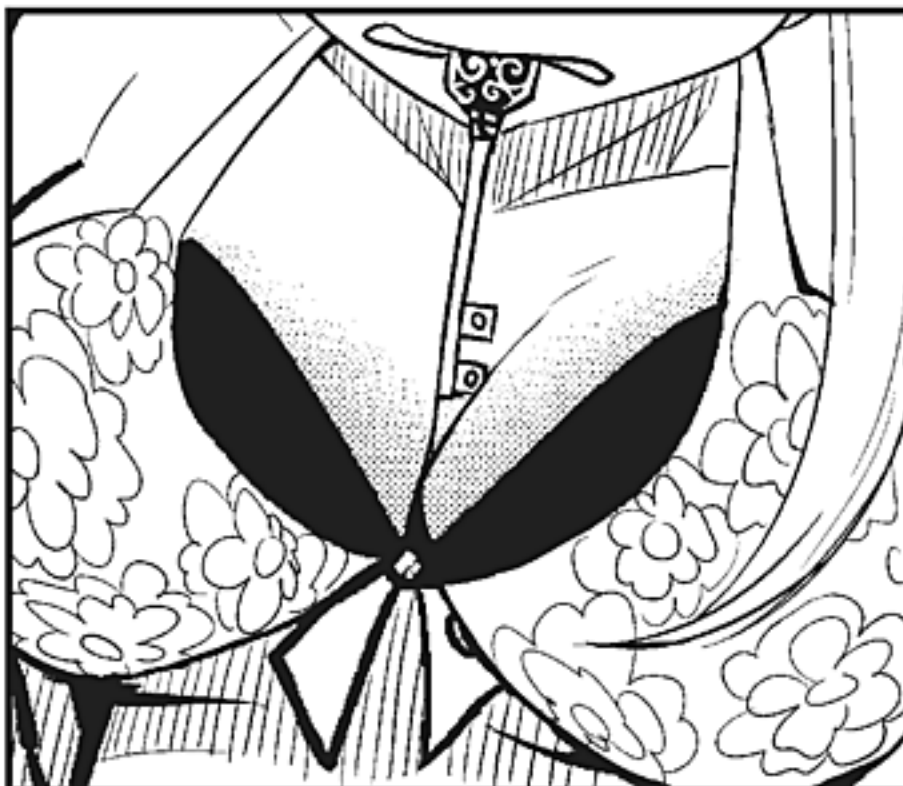

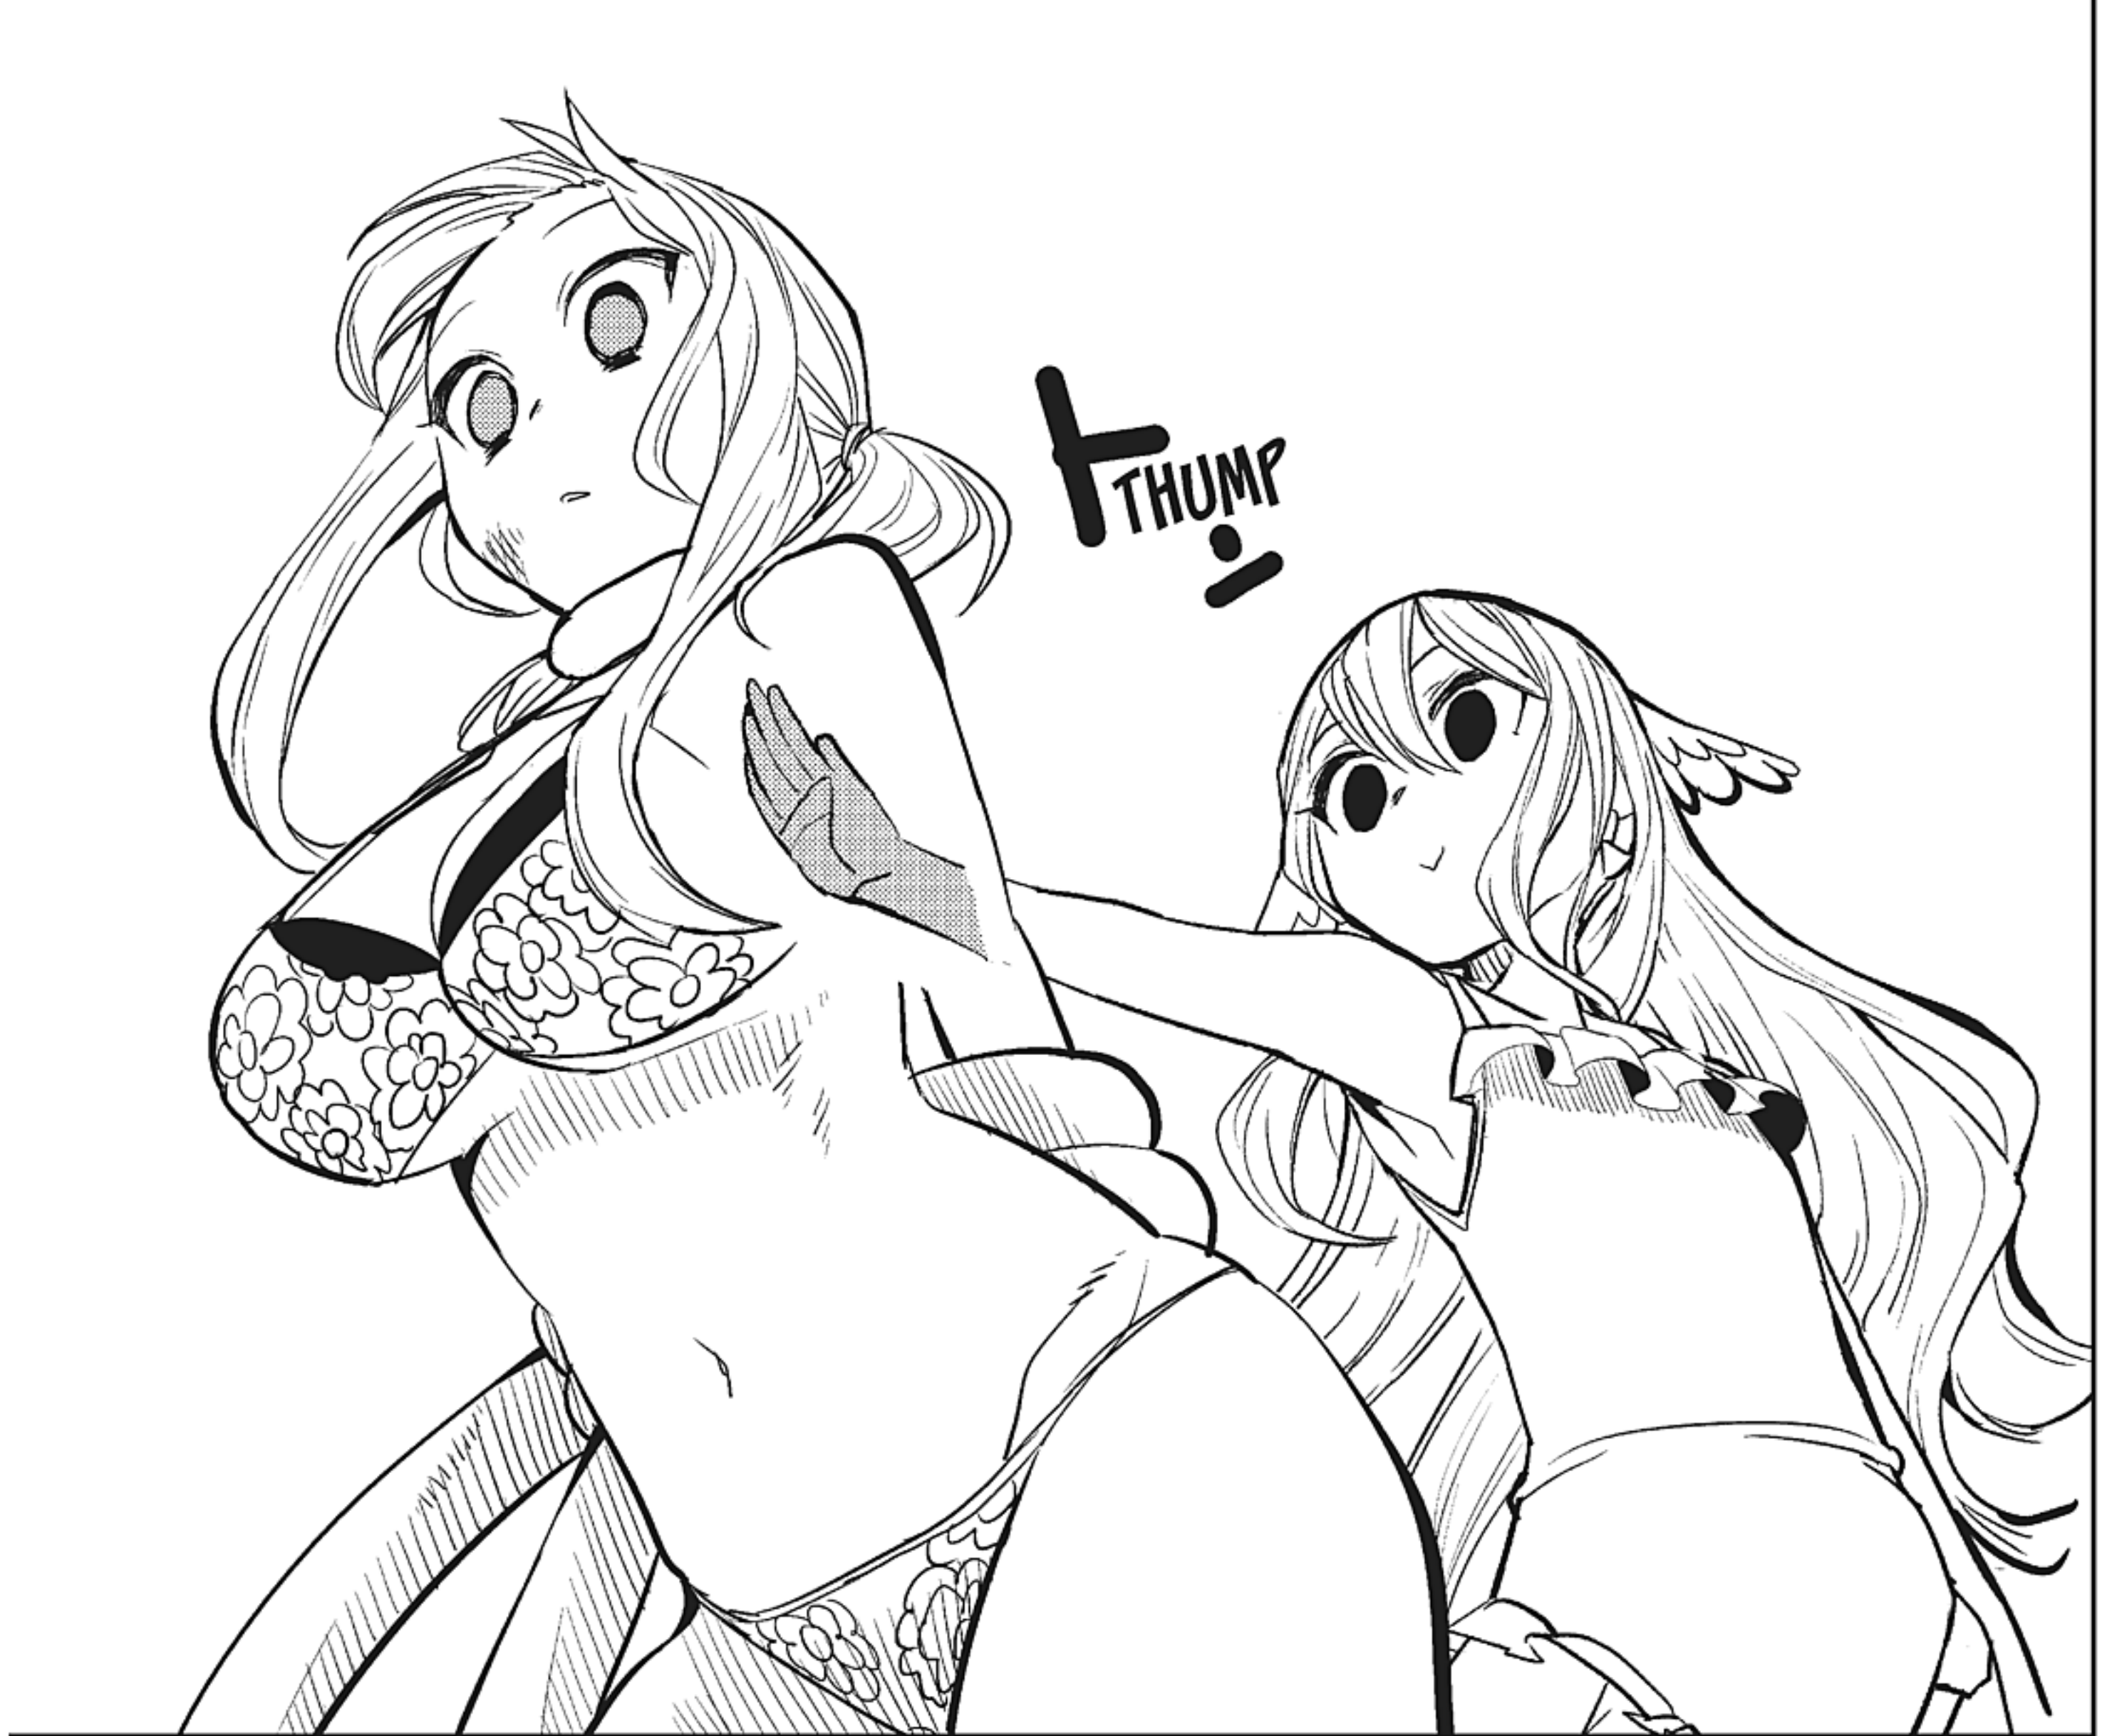

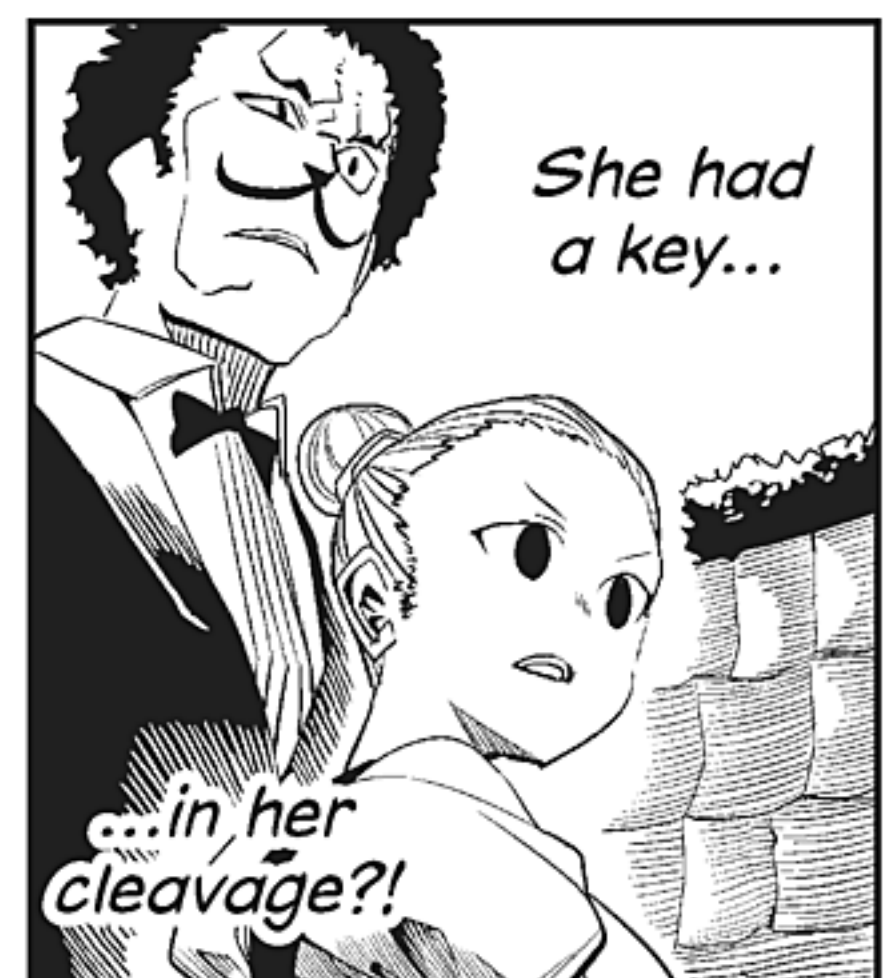

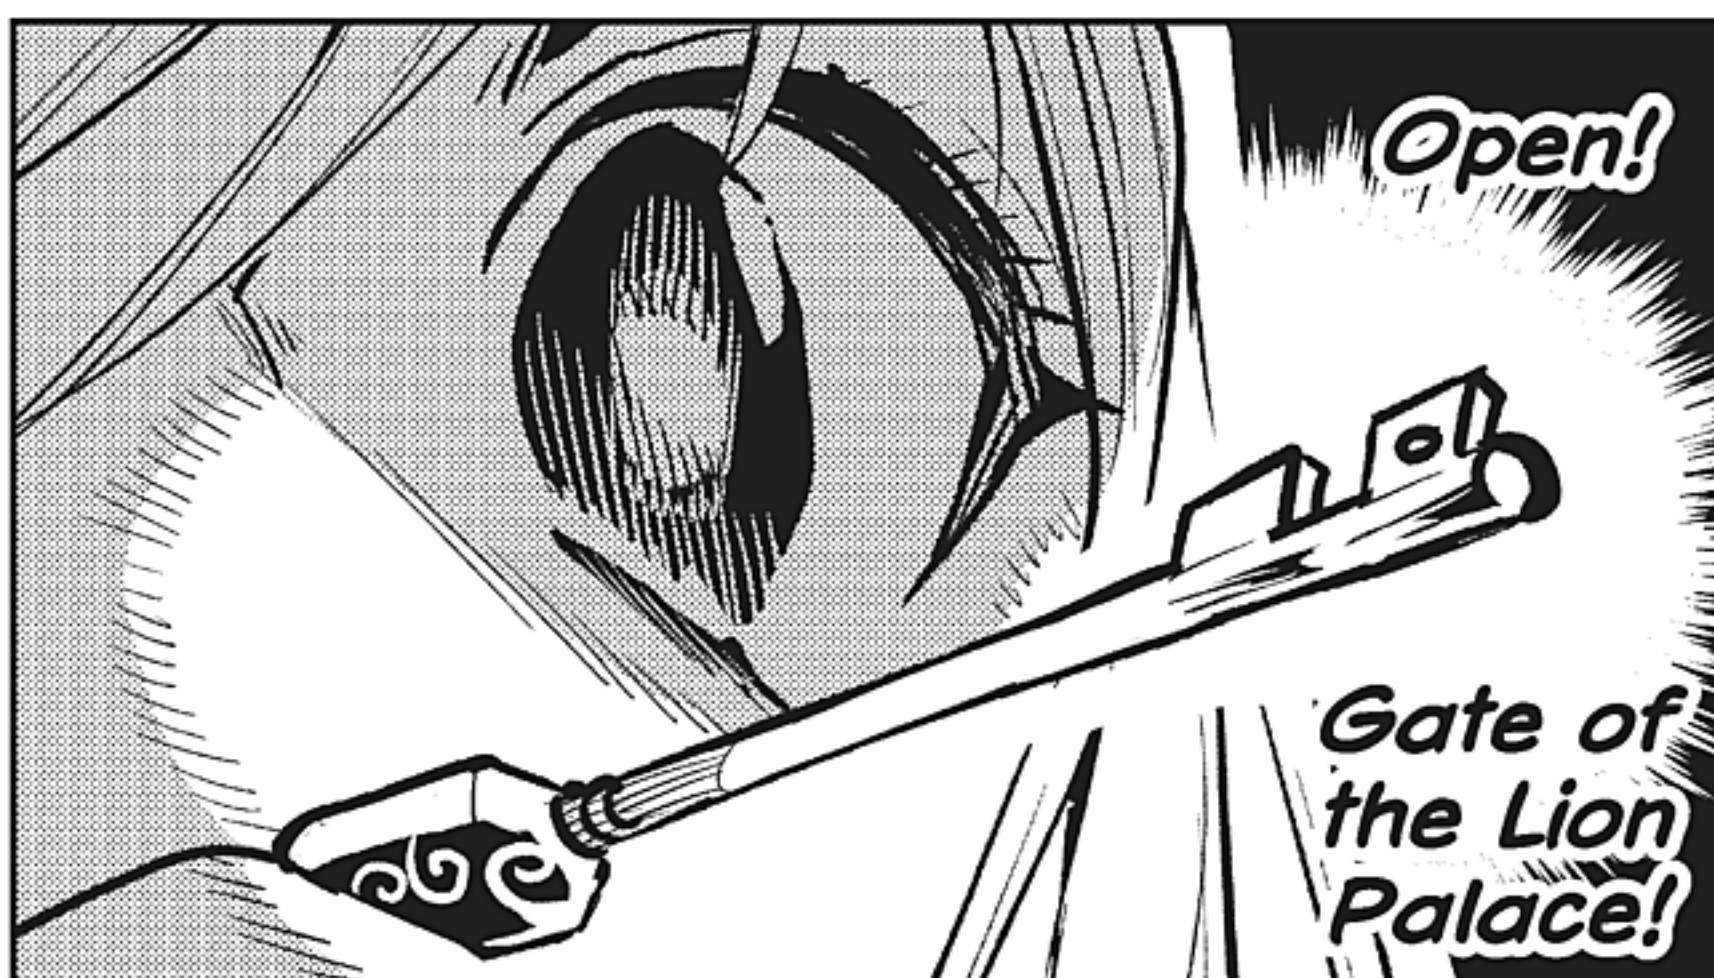

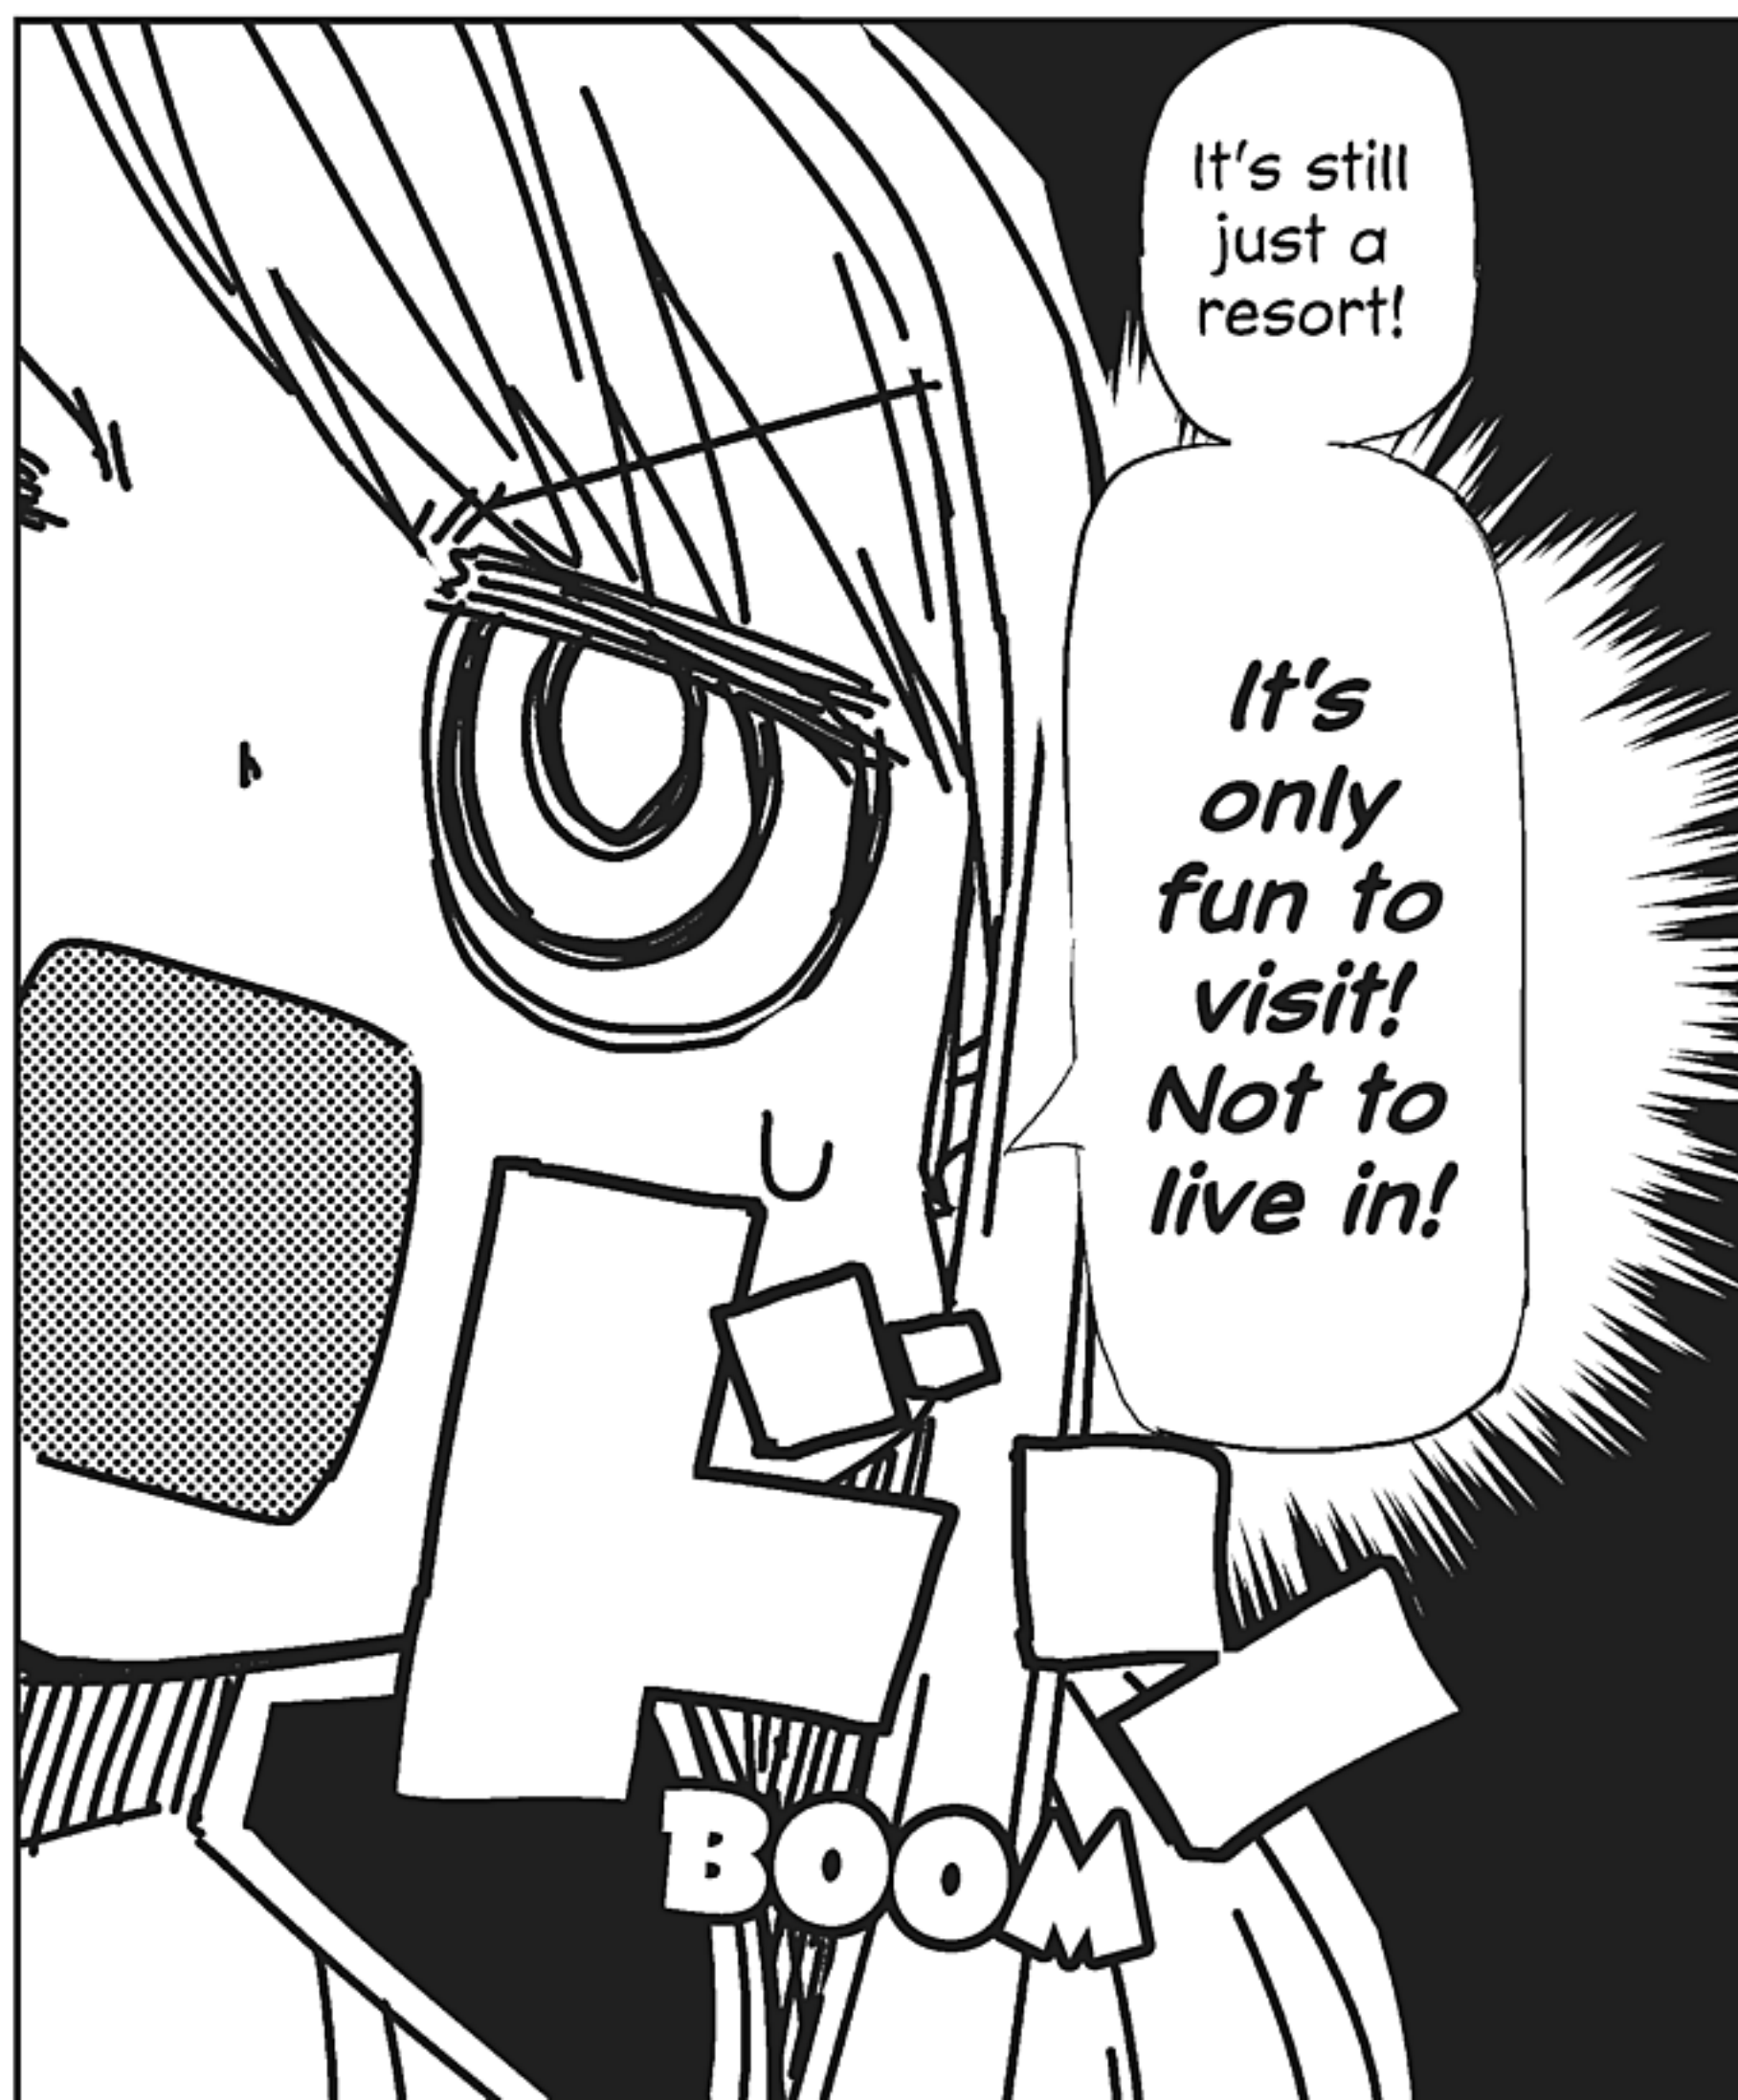

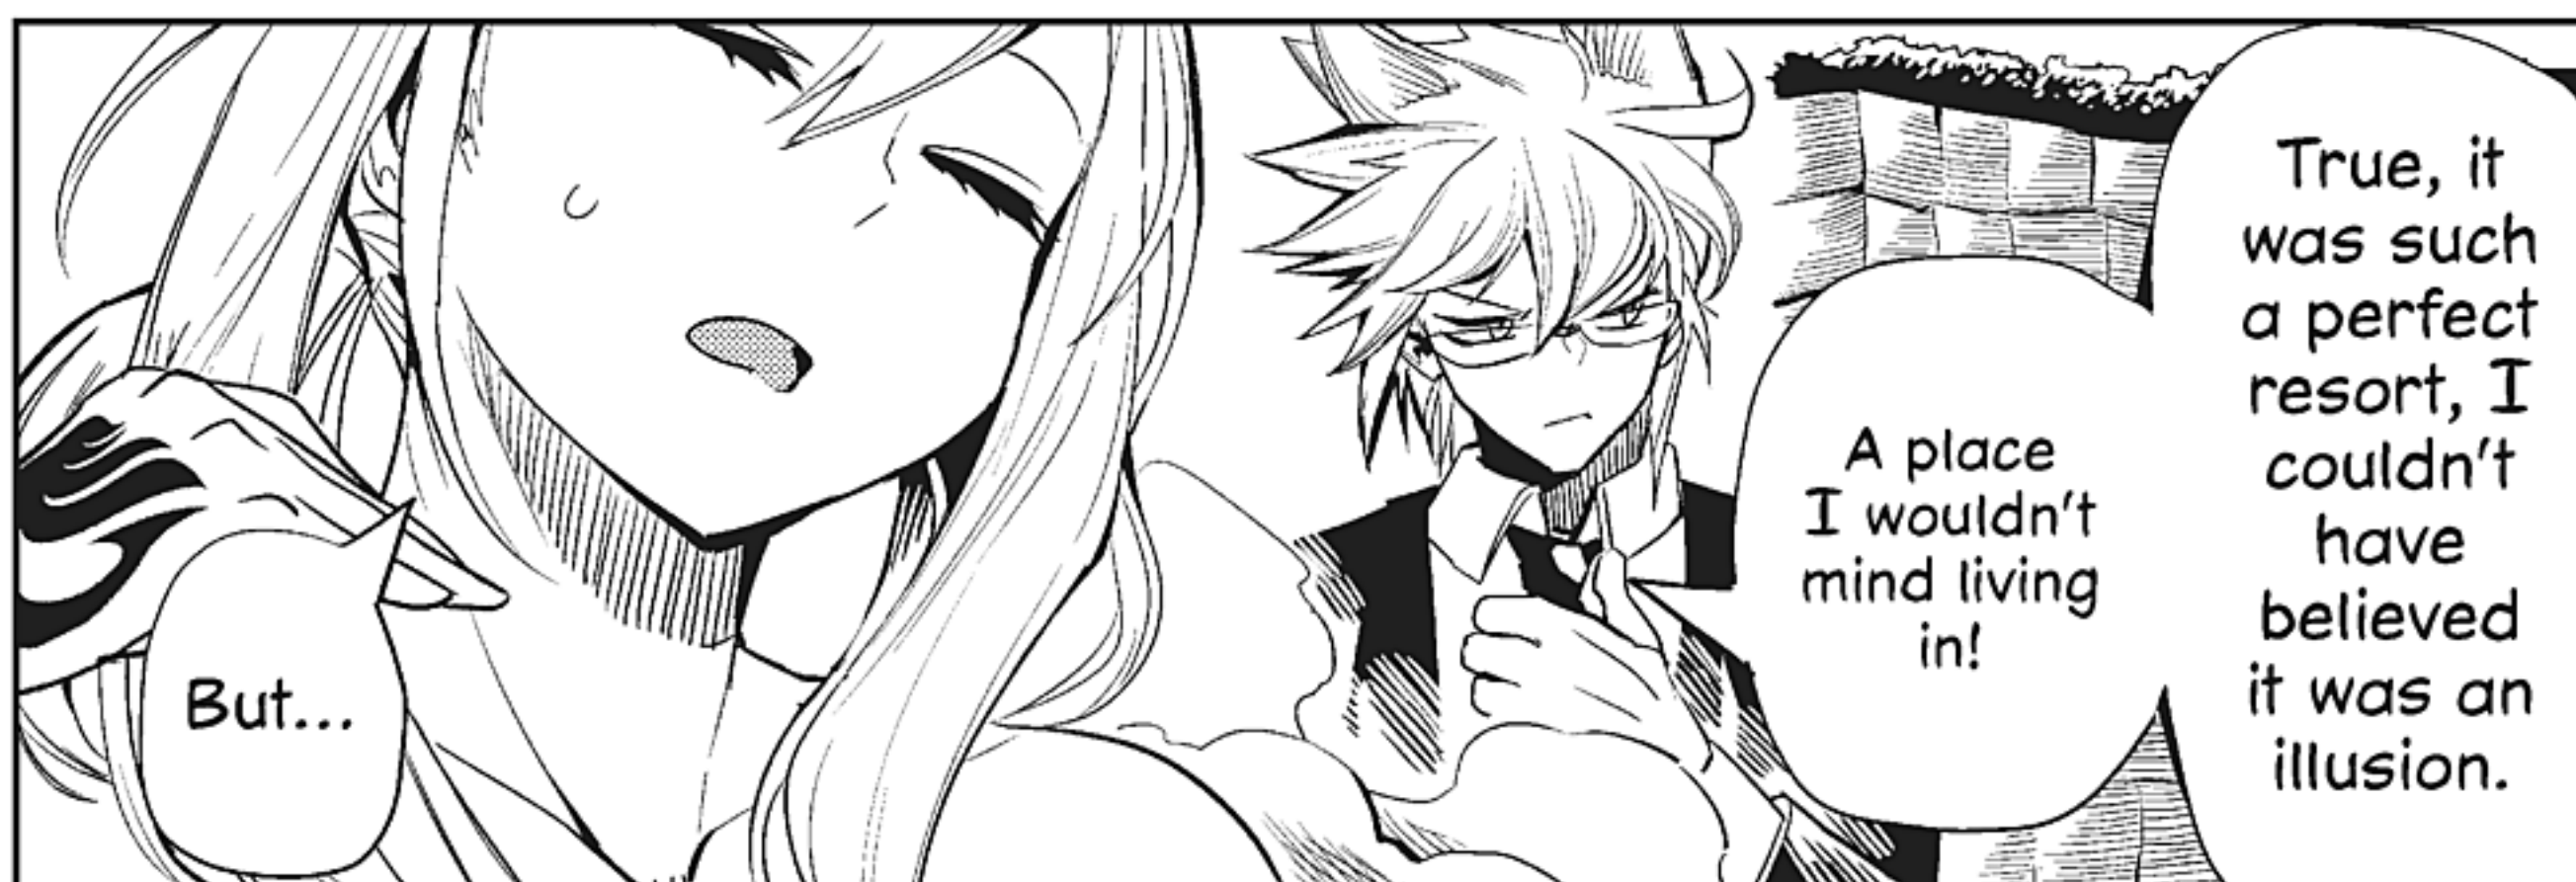

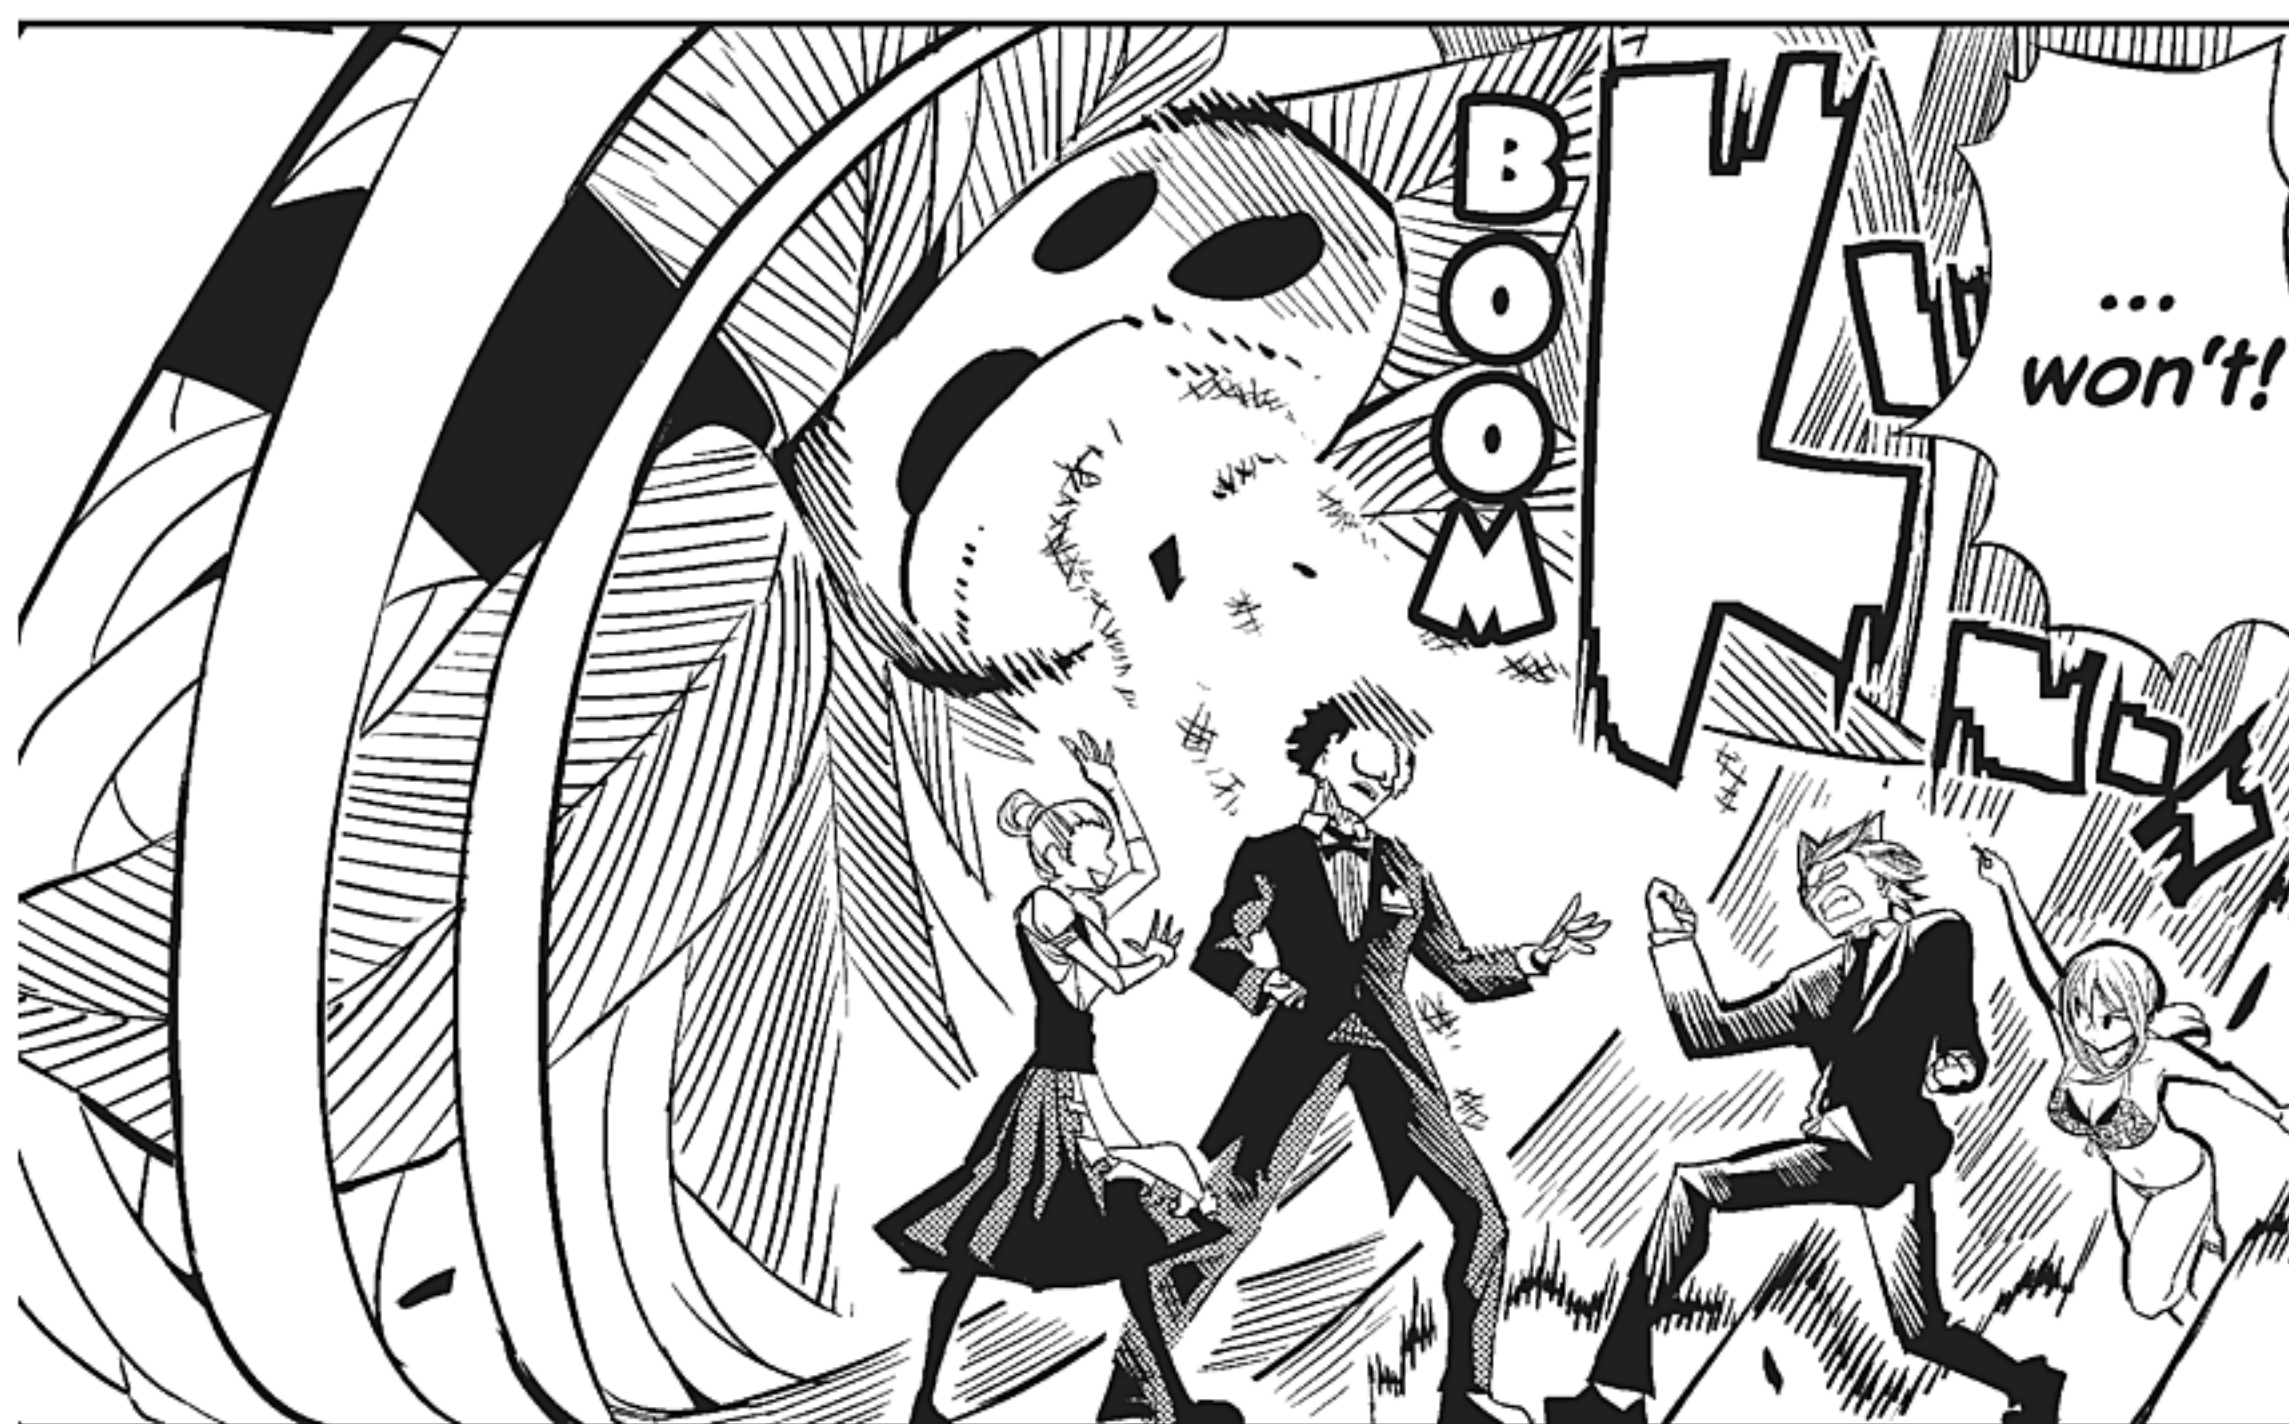

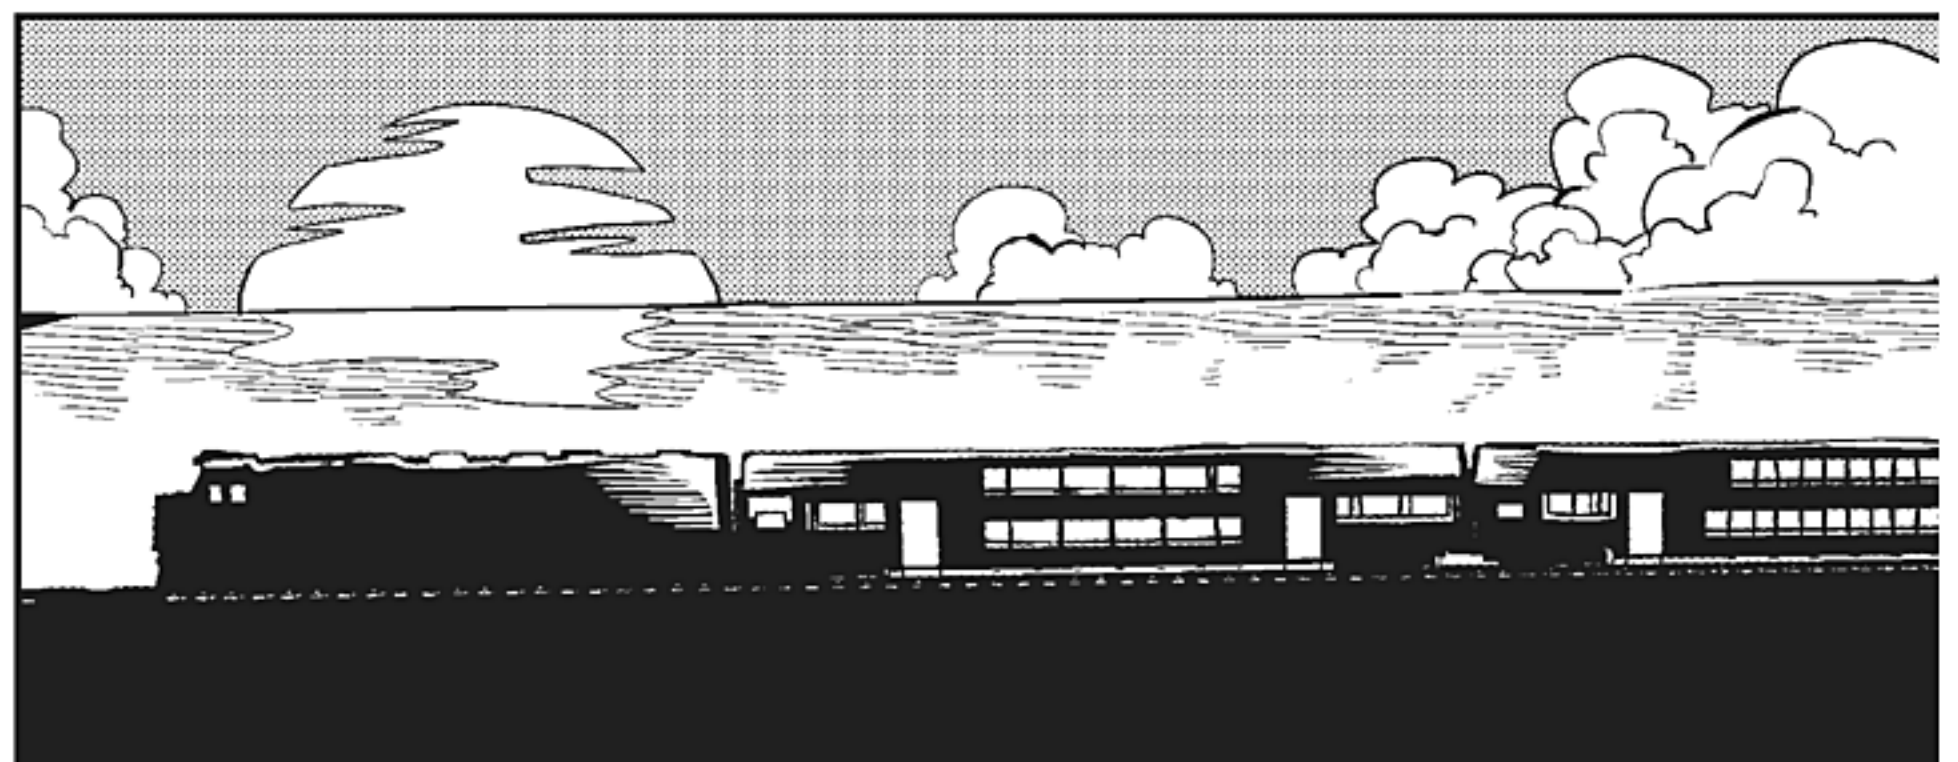

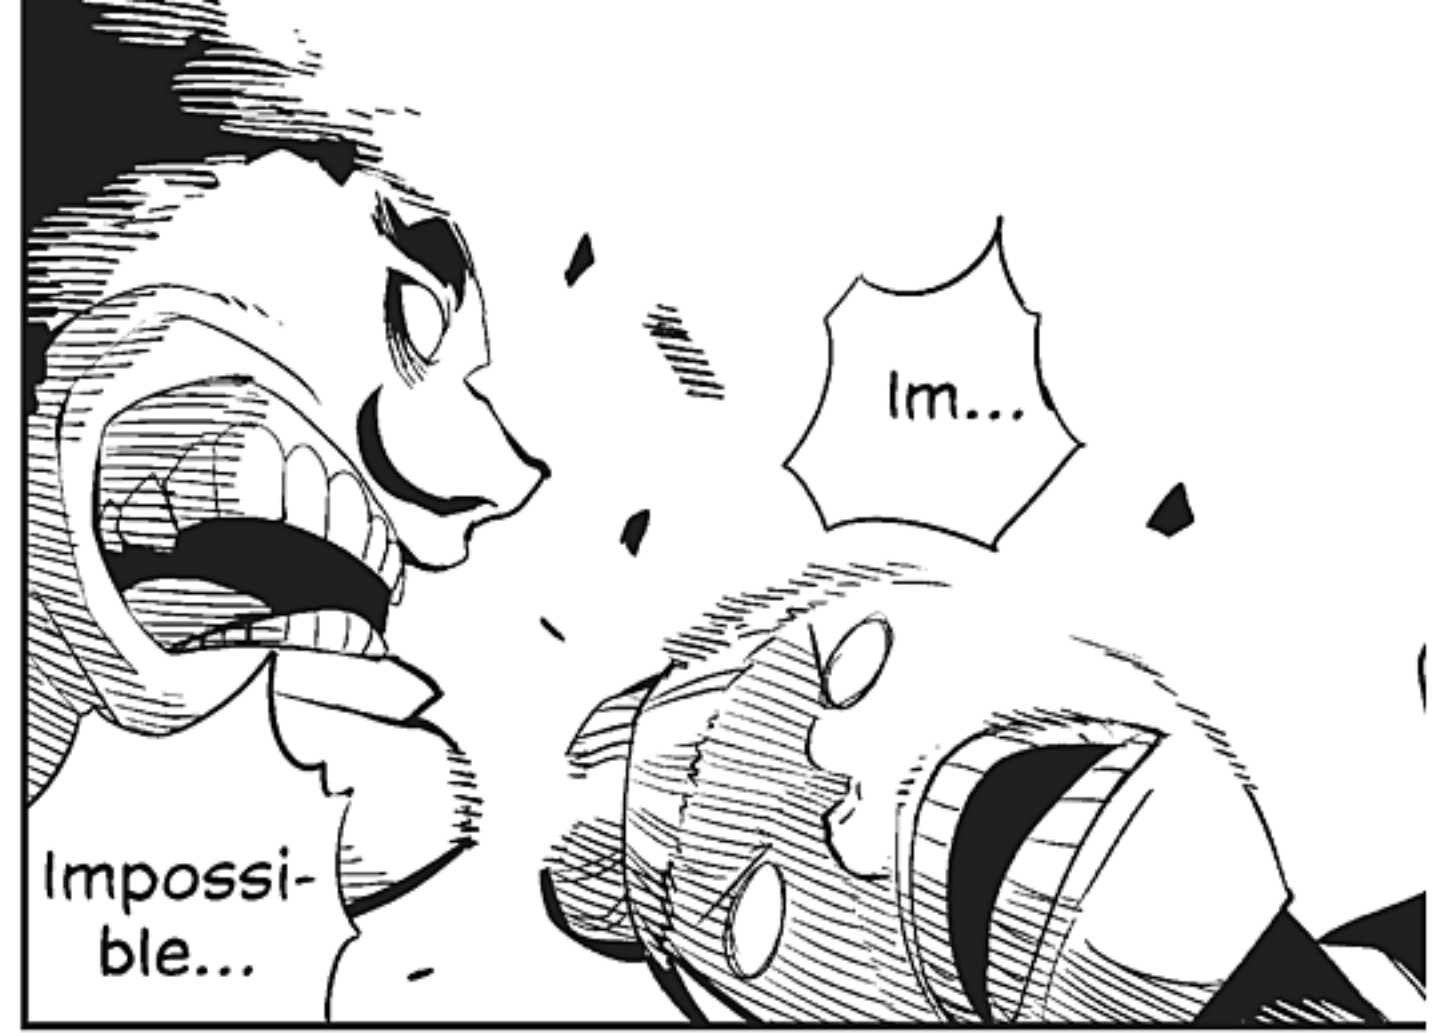

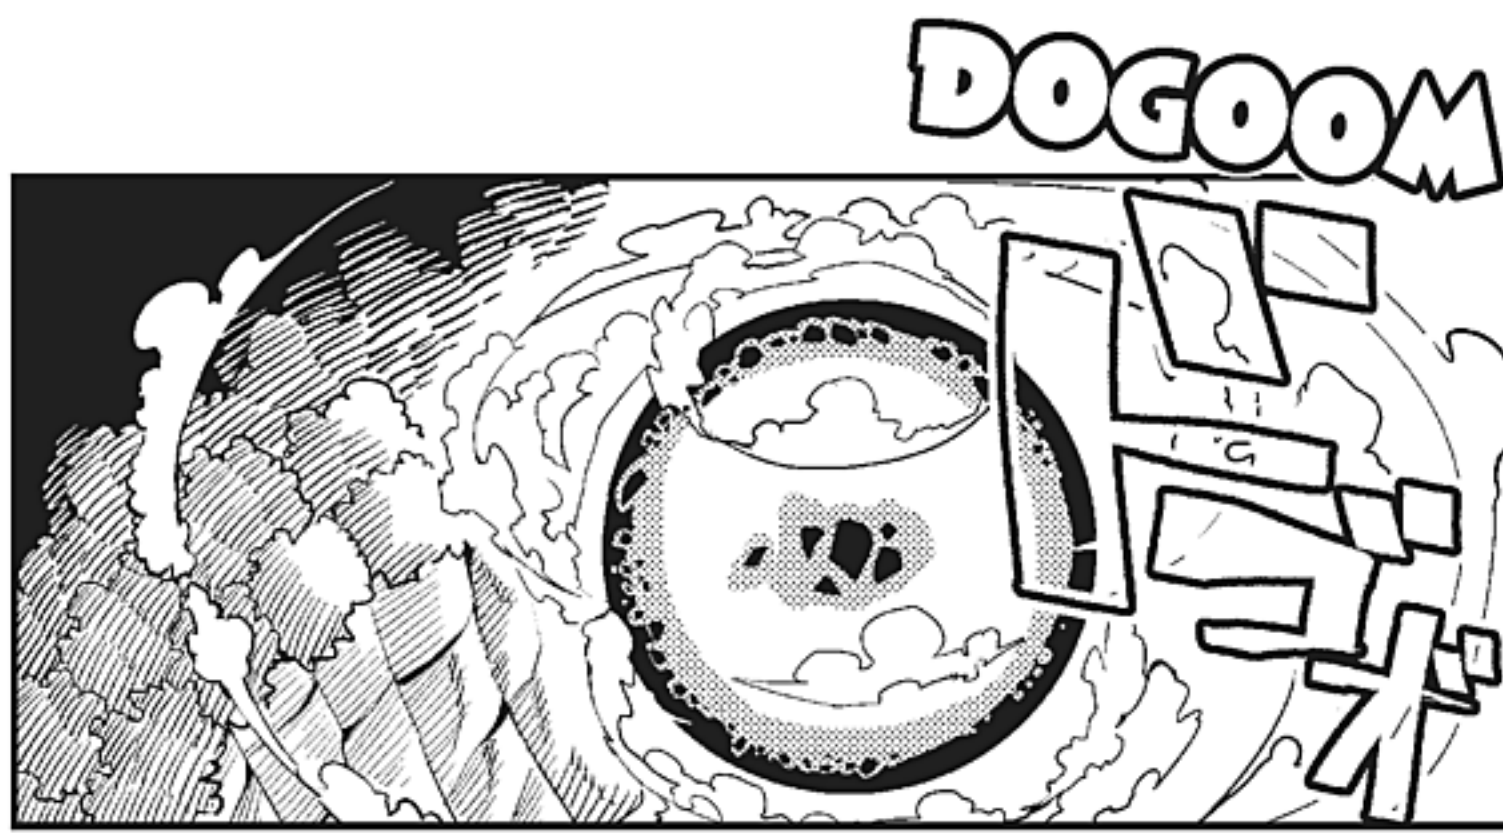

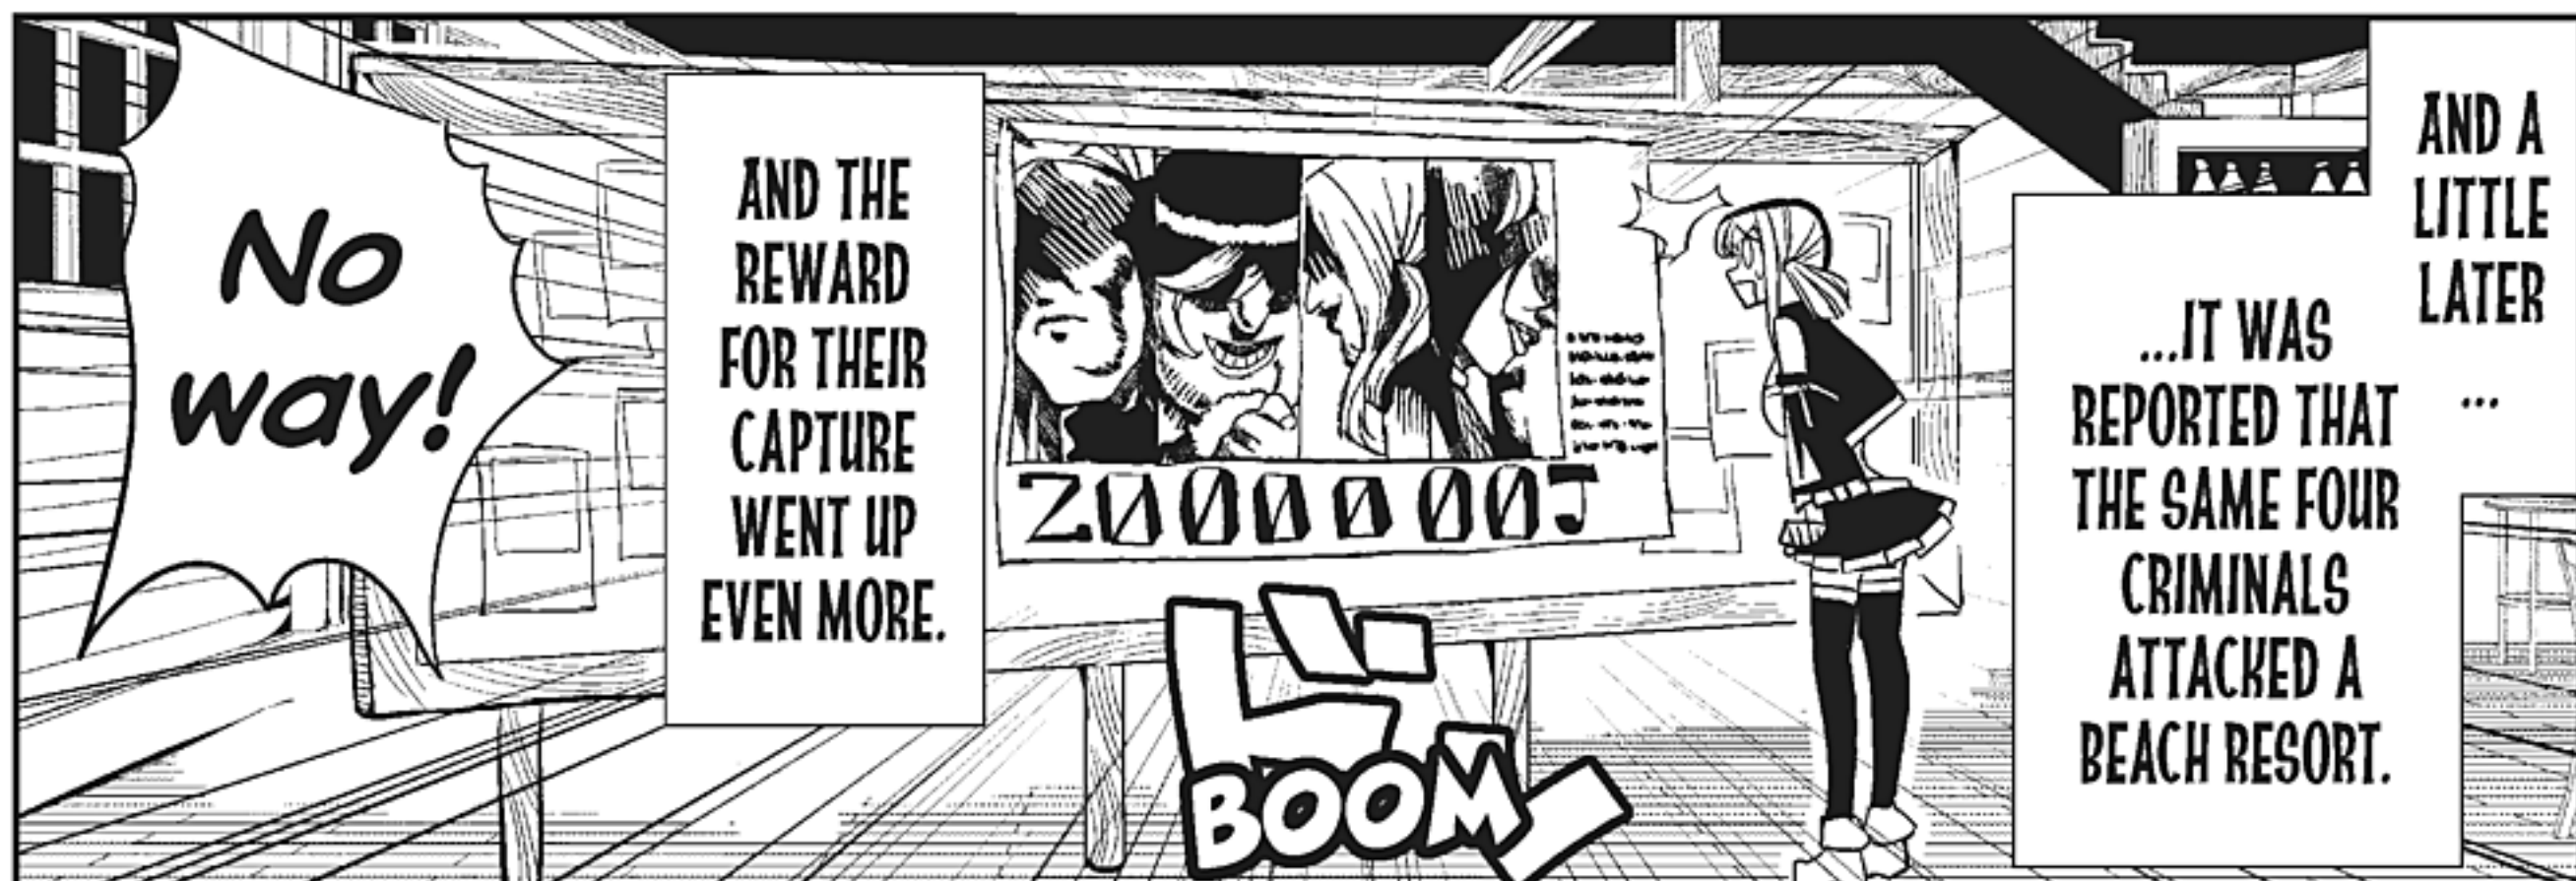

W-we
don't want
to resort to
that.

At least
for a while,
anyway.

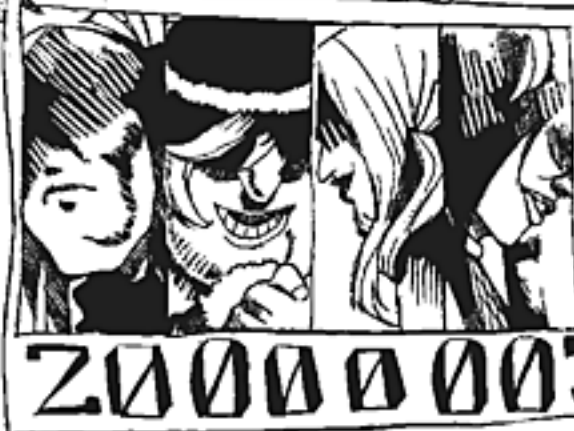

How about
tomorrow?

So this
time, I'm
taking you
to a *real*
resort!

No
way!

AND THE
REWARD
FOR THEIR
CAPTURE
WENT UP
EVEN MORE.

BOOM!

...IT WAS
REPORTED THAT
THE SAME FOUR
CRIMINALS
ATTACKED A
BEACH RESORT.

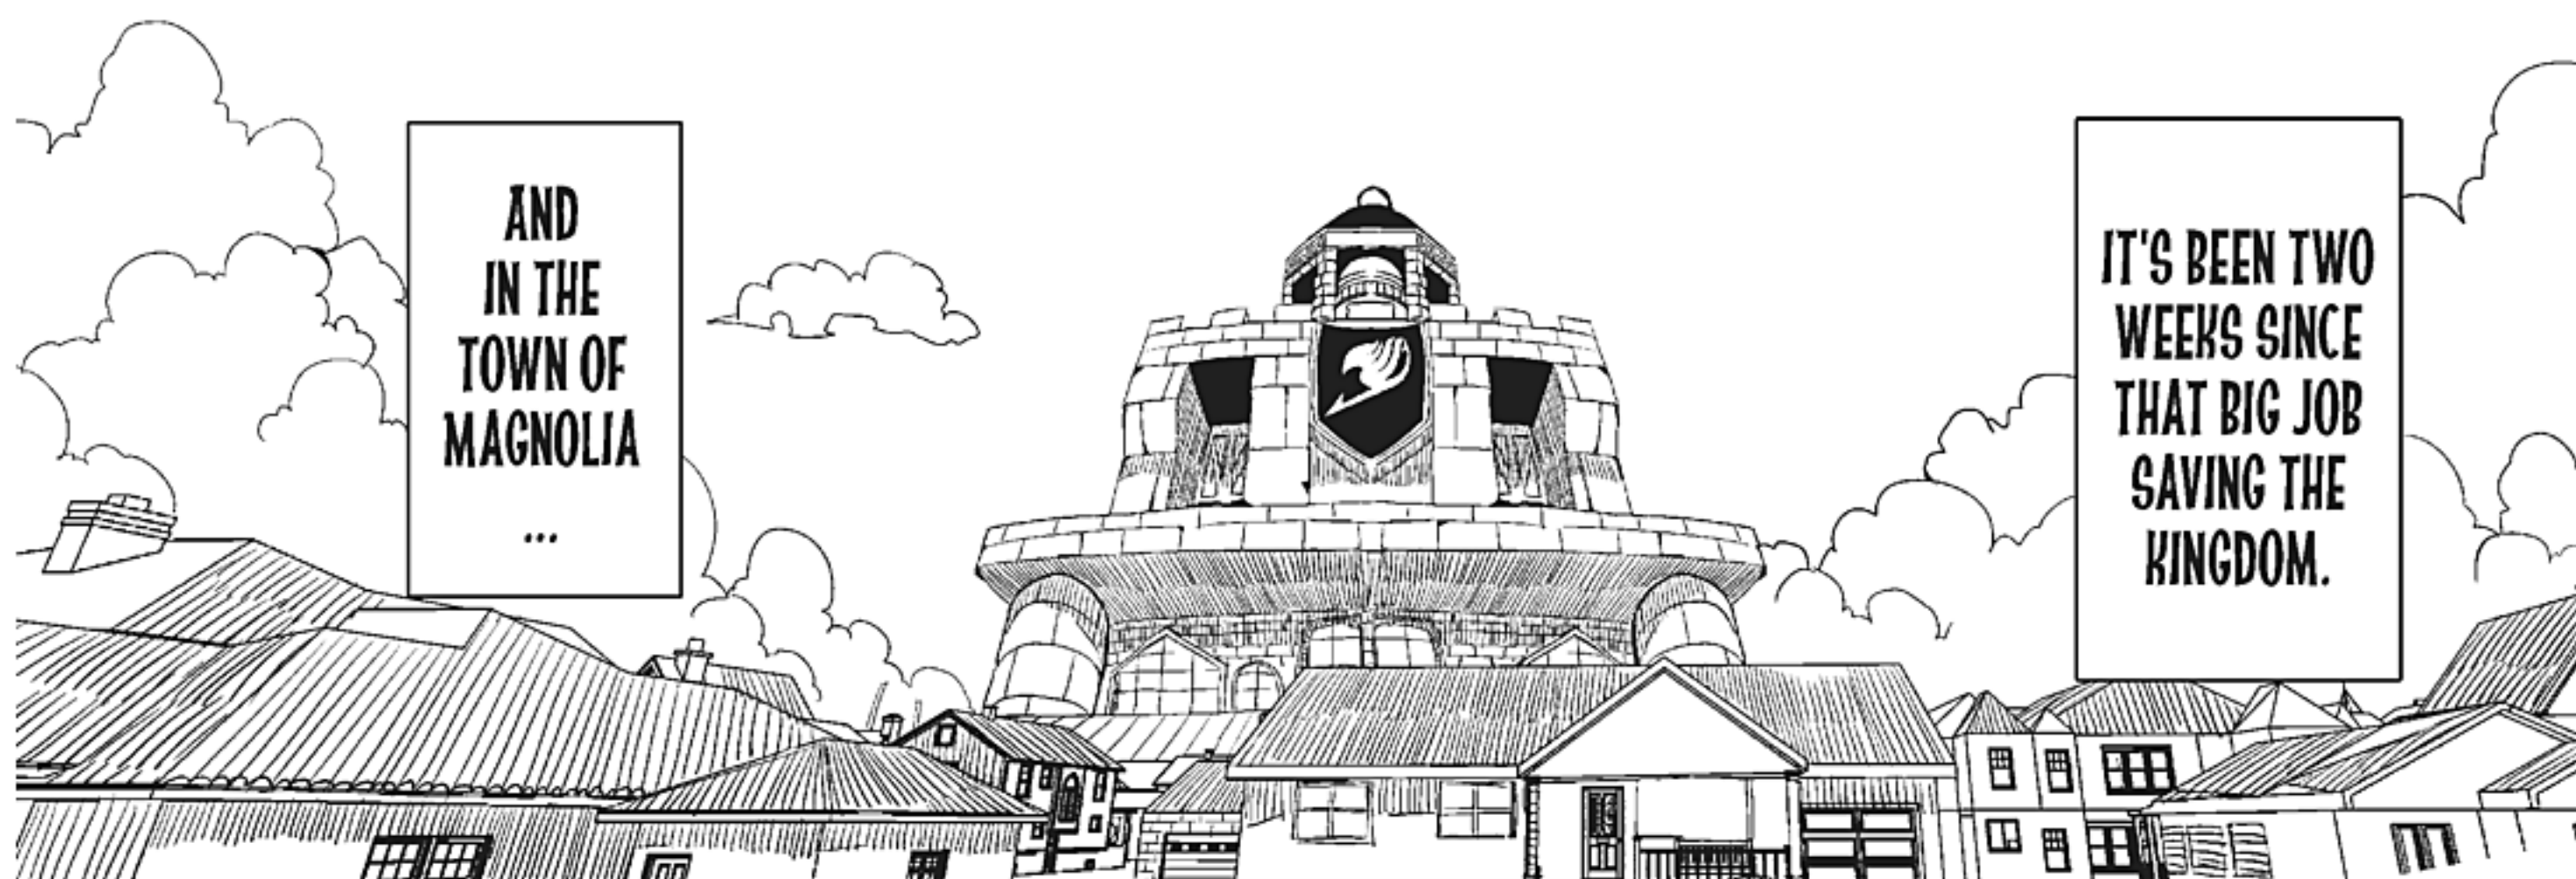

AND A
LITTLE
LATER
...

Chapter 7: Is This...a First for Wendy?!

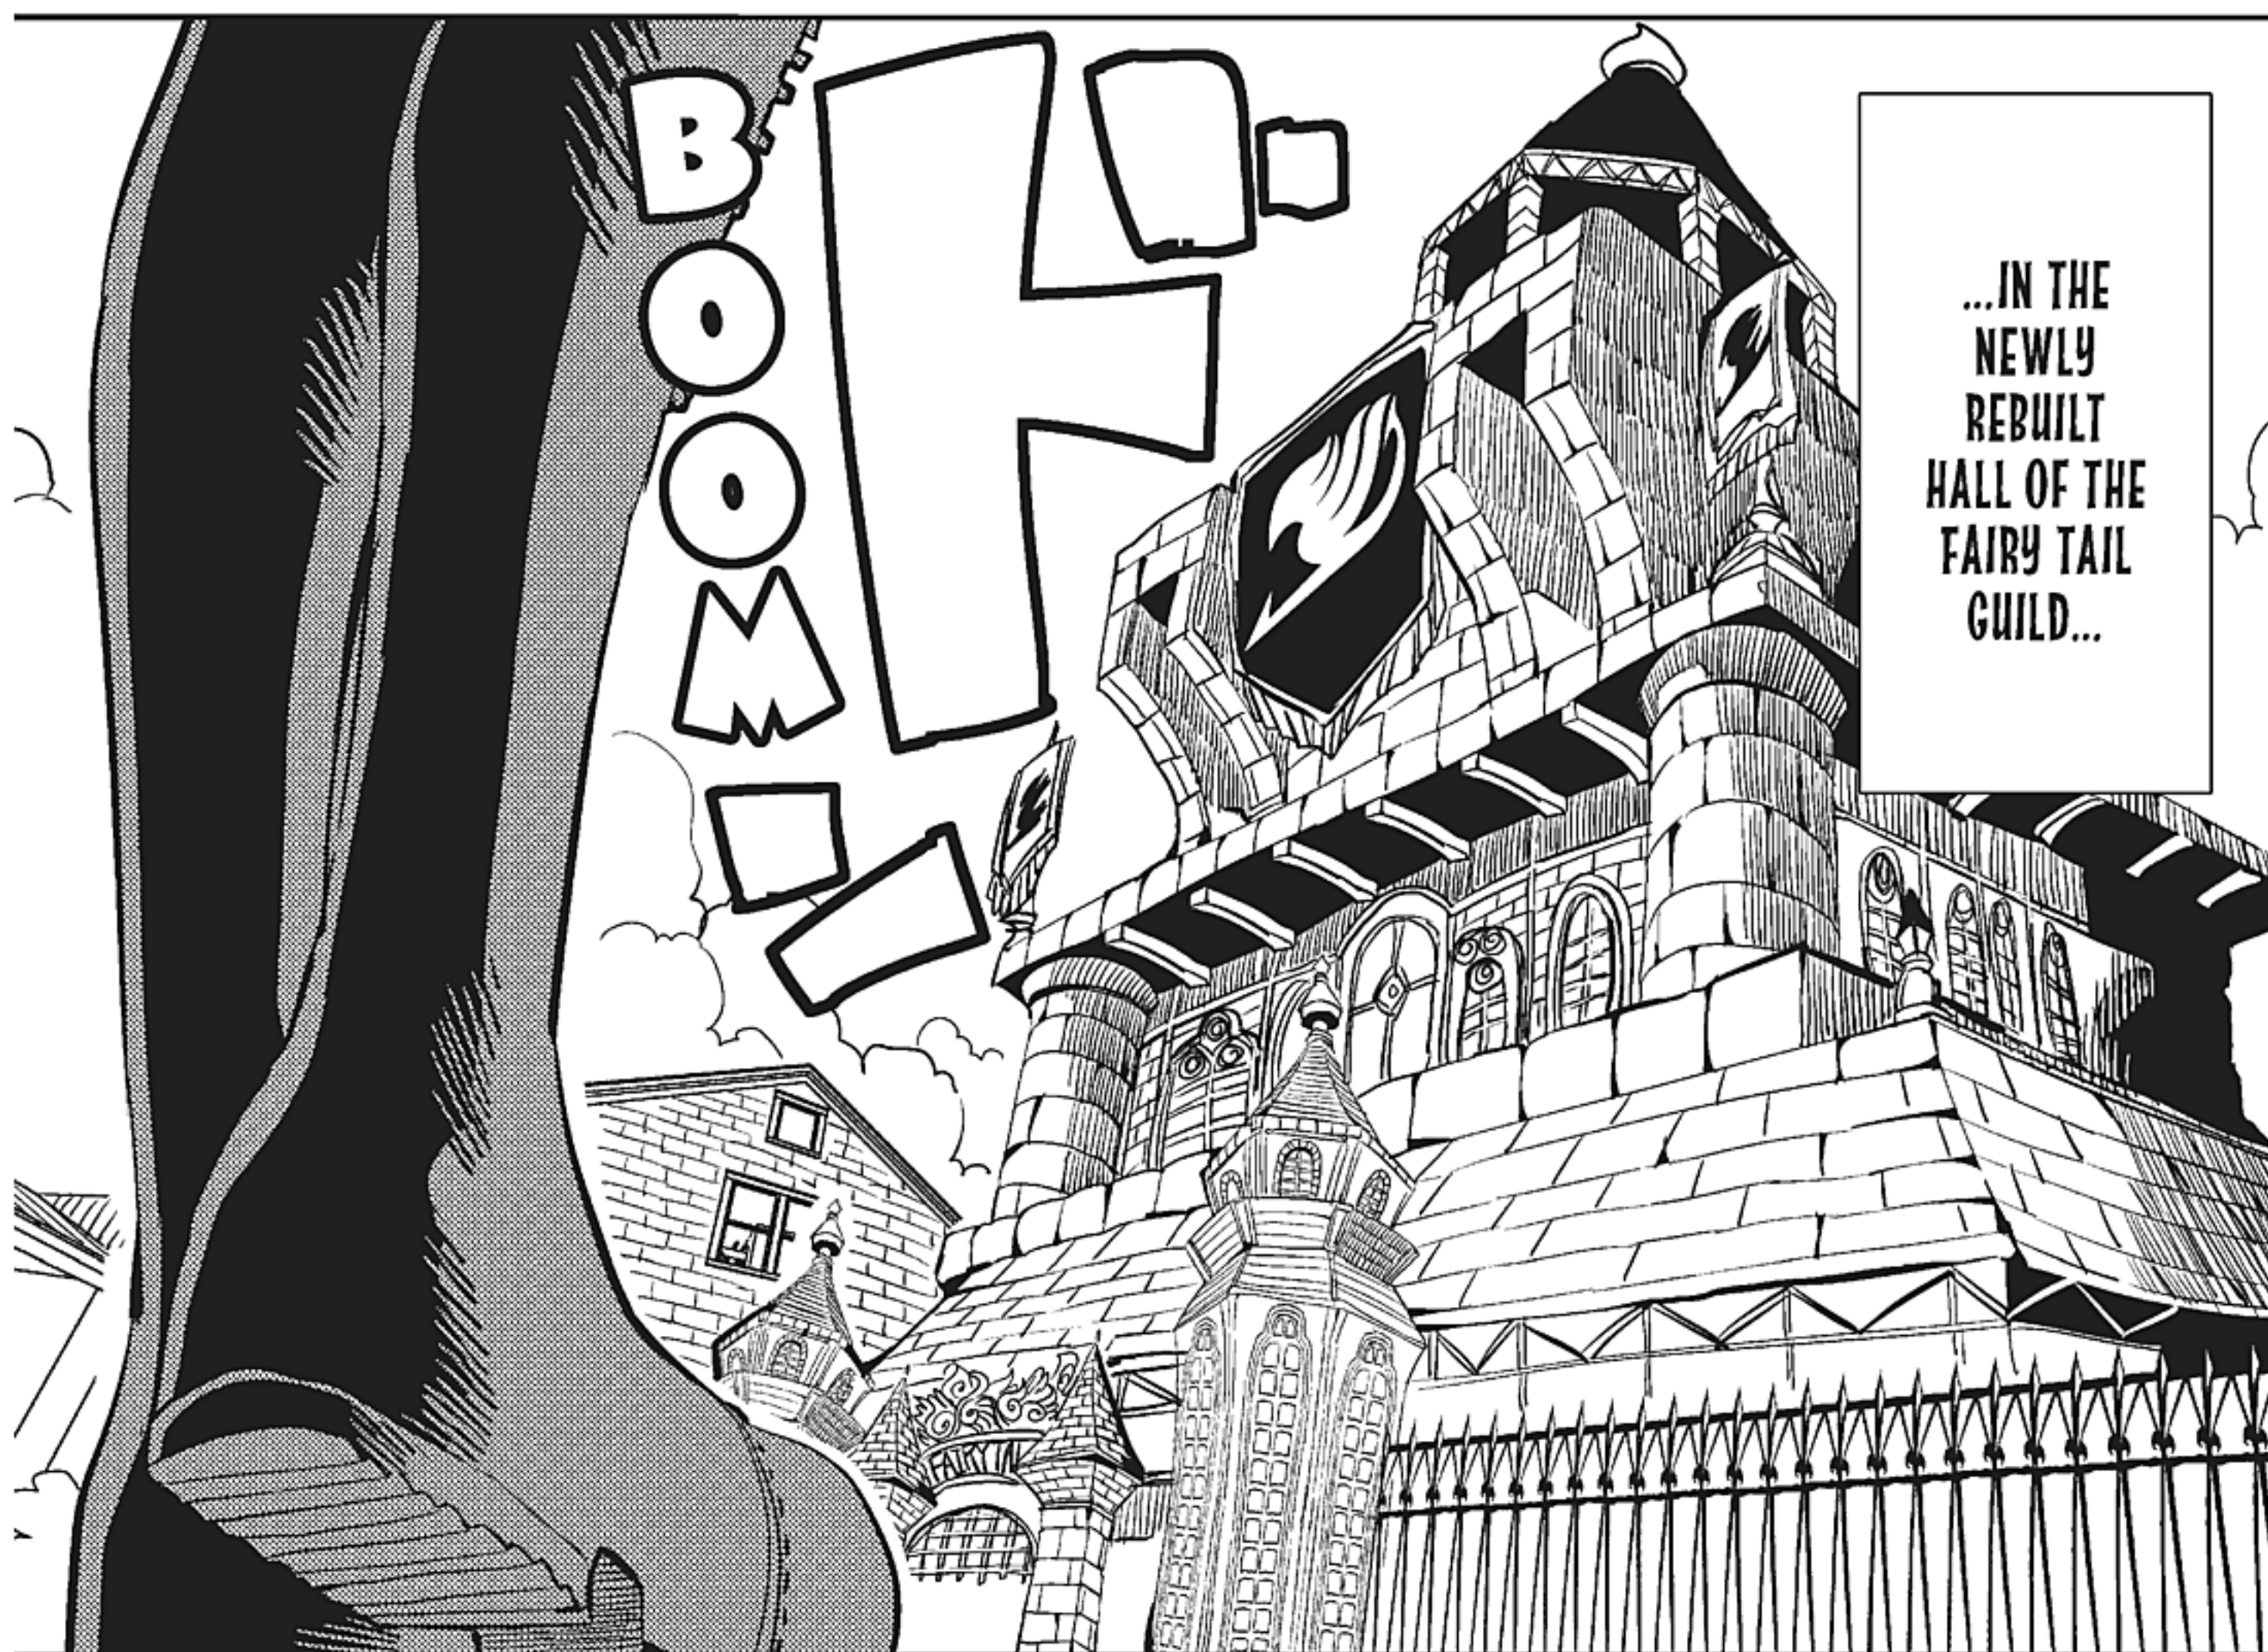

FAIRY GIRLS

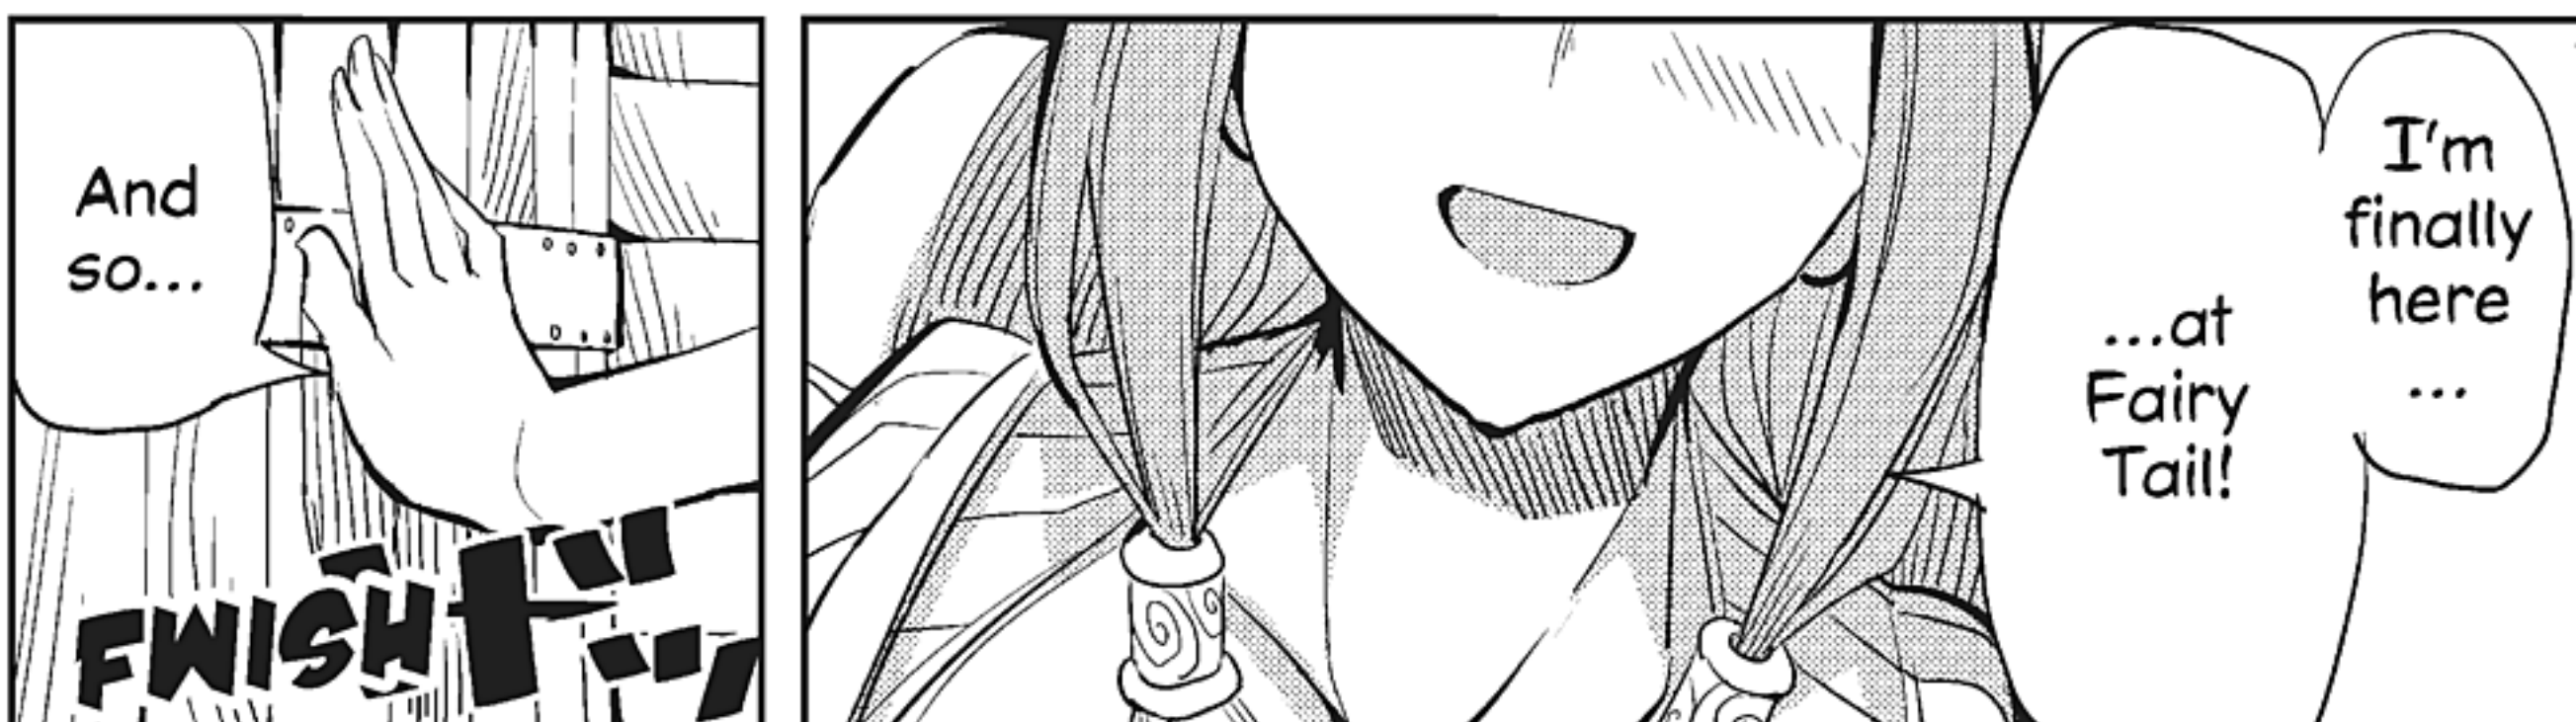

AND
IN THE
TOWN OF
MAGNOLIA
...

IT'S BEEN TWO
WEEKS SINCE
THAT BIG JOB
SAVING THE
KINGDOM.

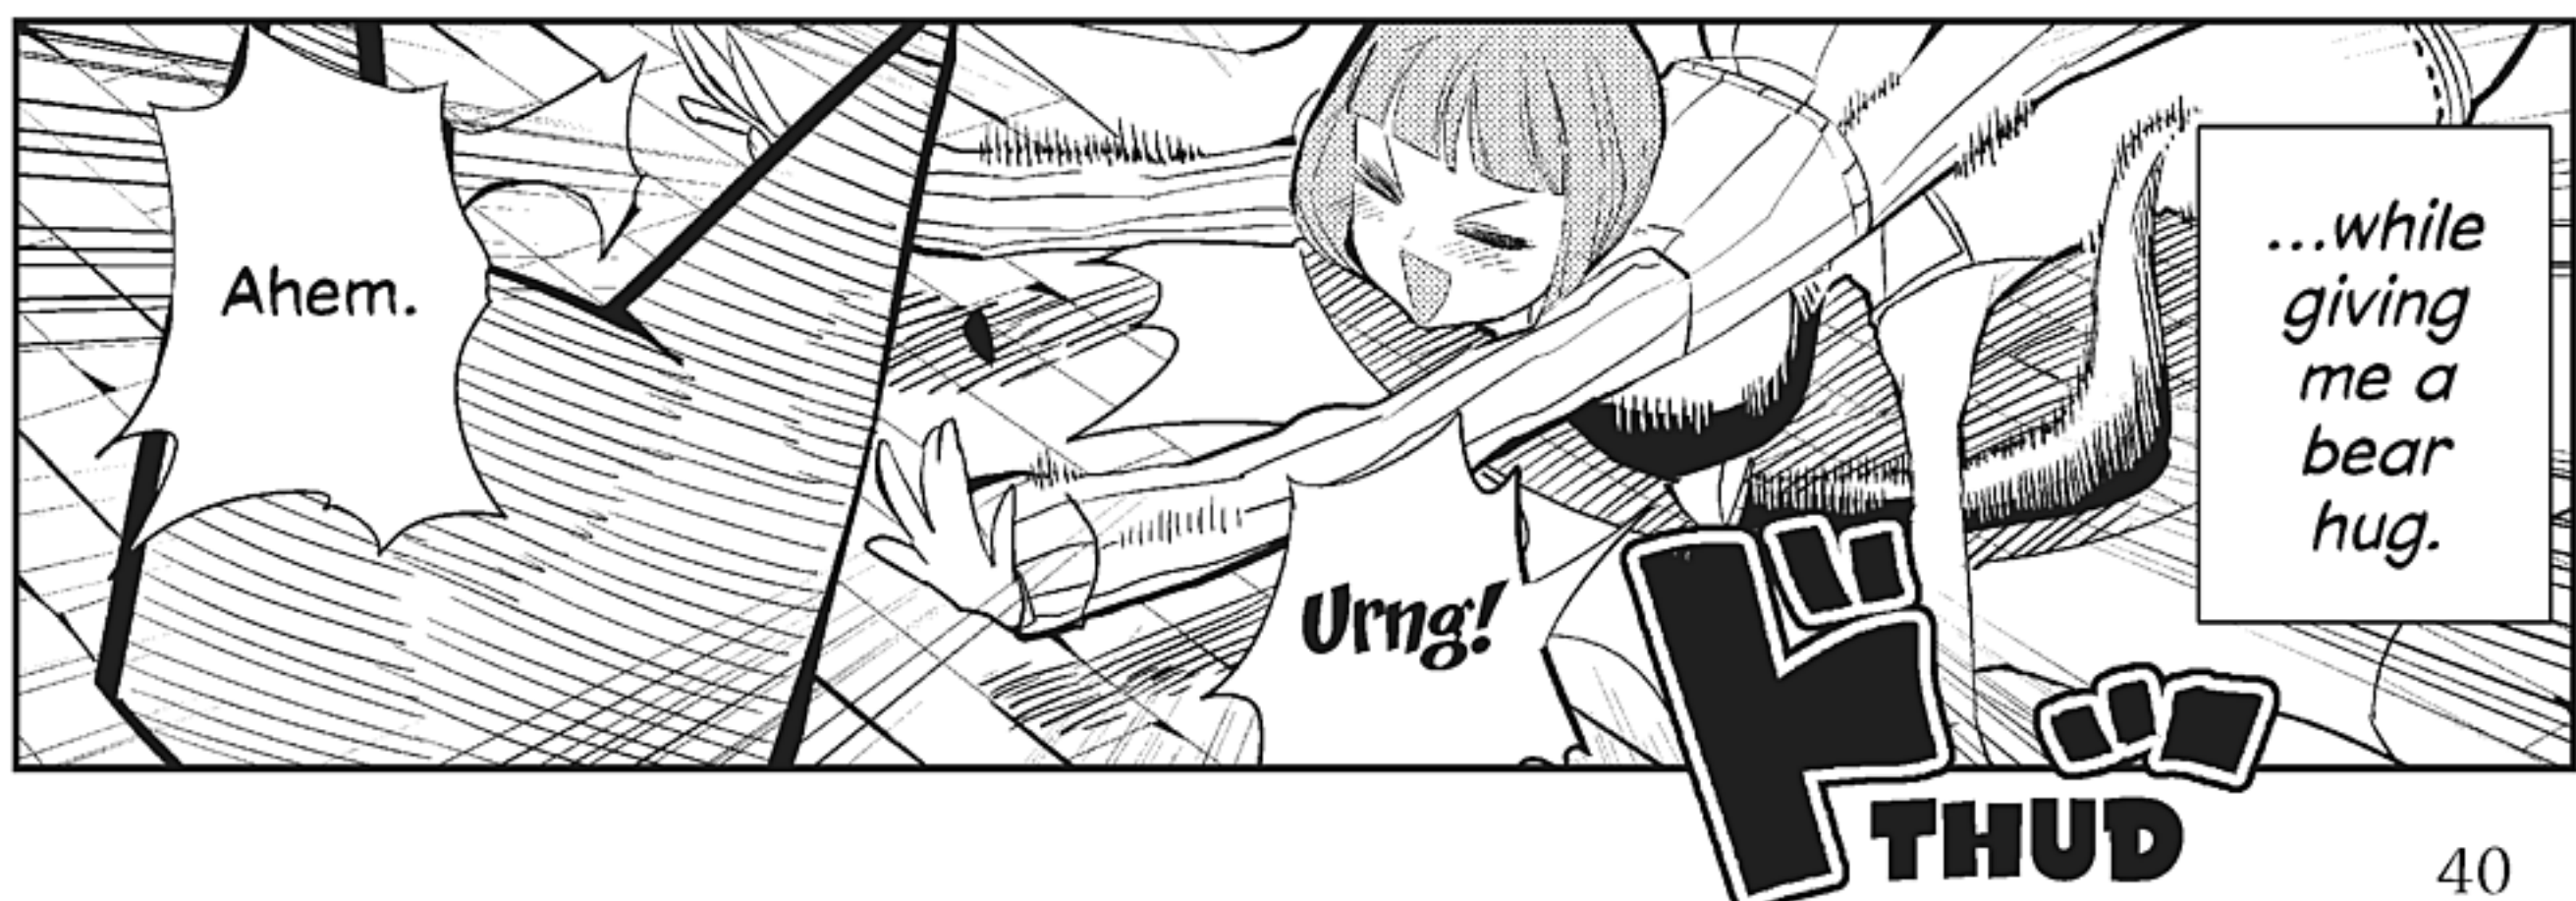

...IN THE
NEWLY
REBUILT
HALL OF THE
FAIRY TAIL
GUILD...

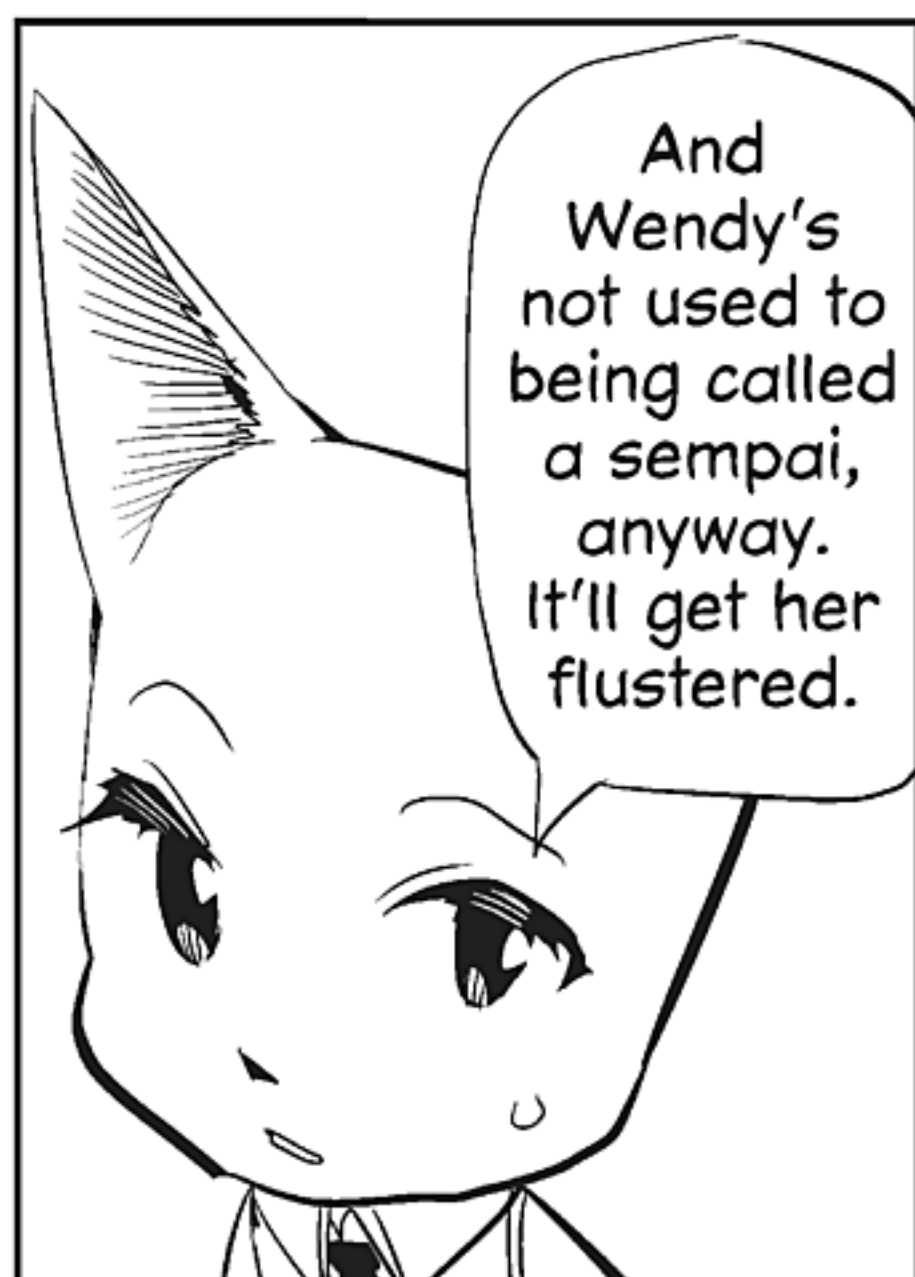

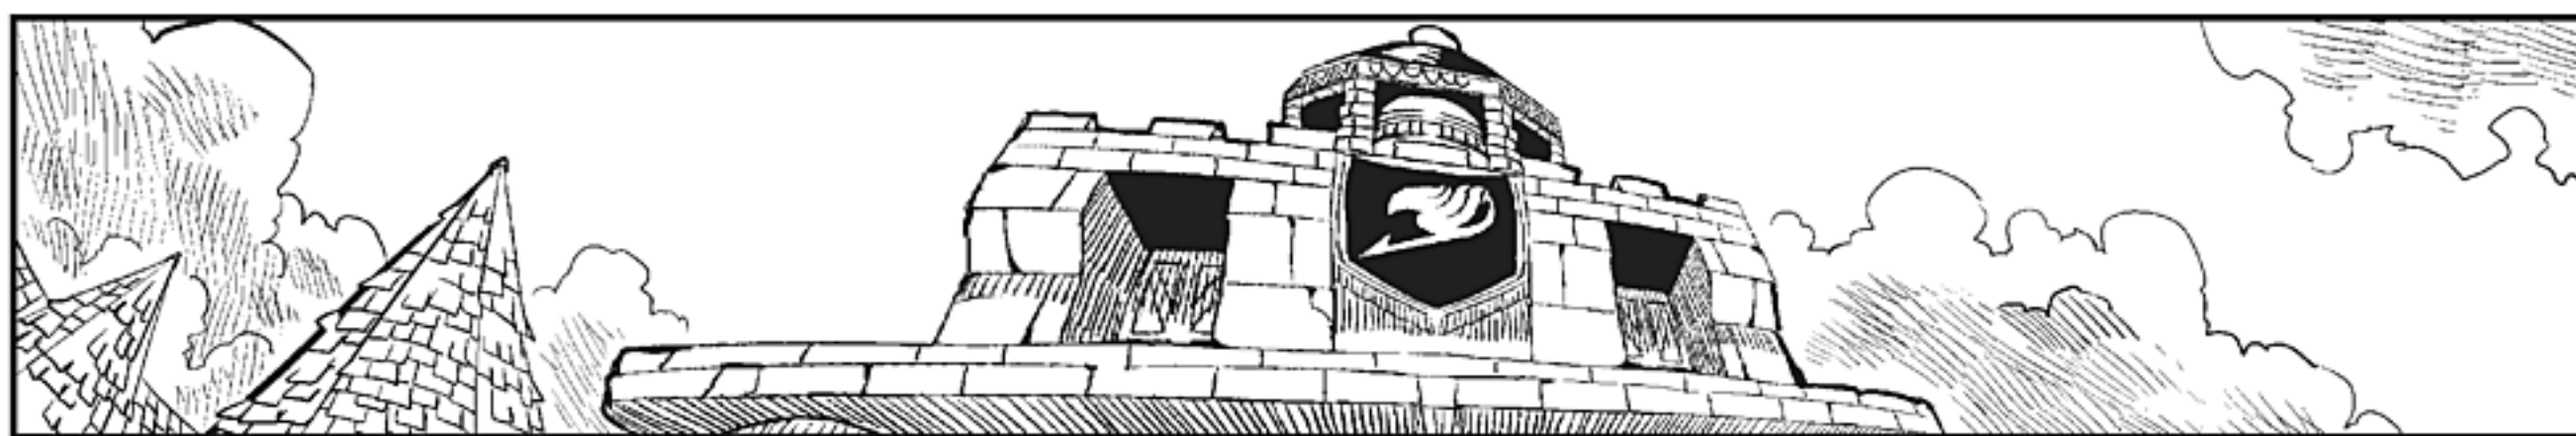

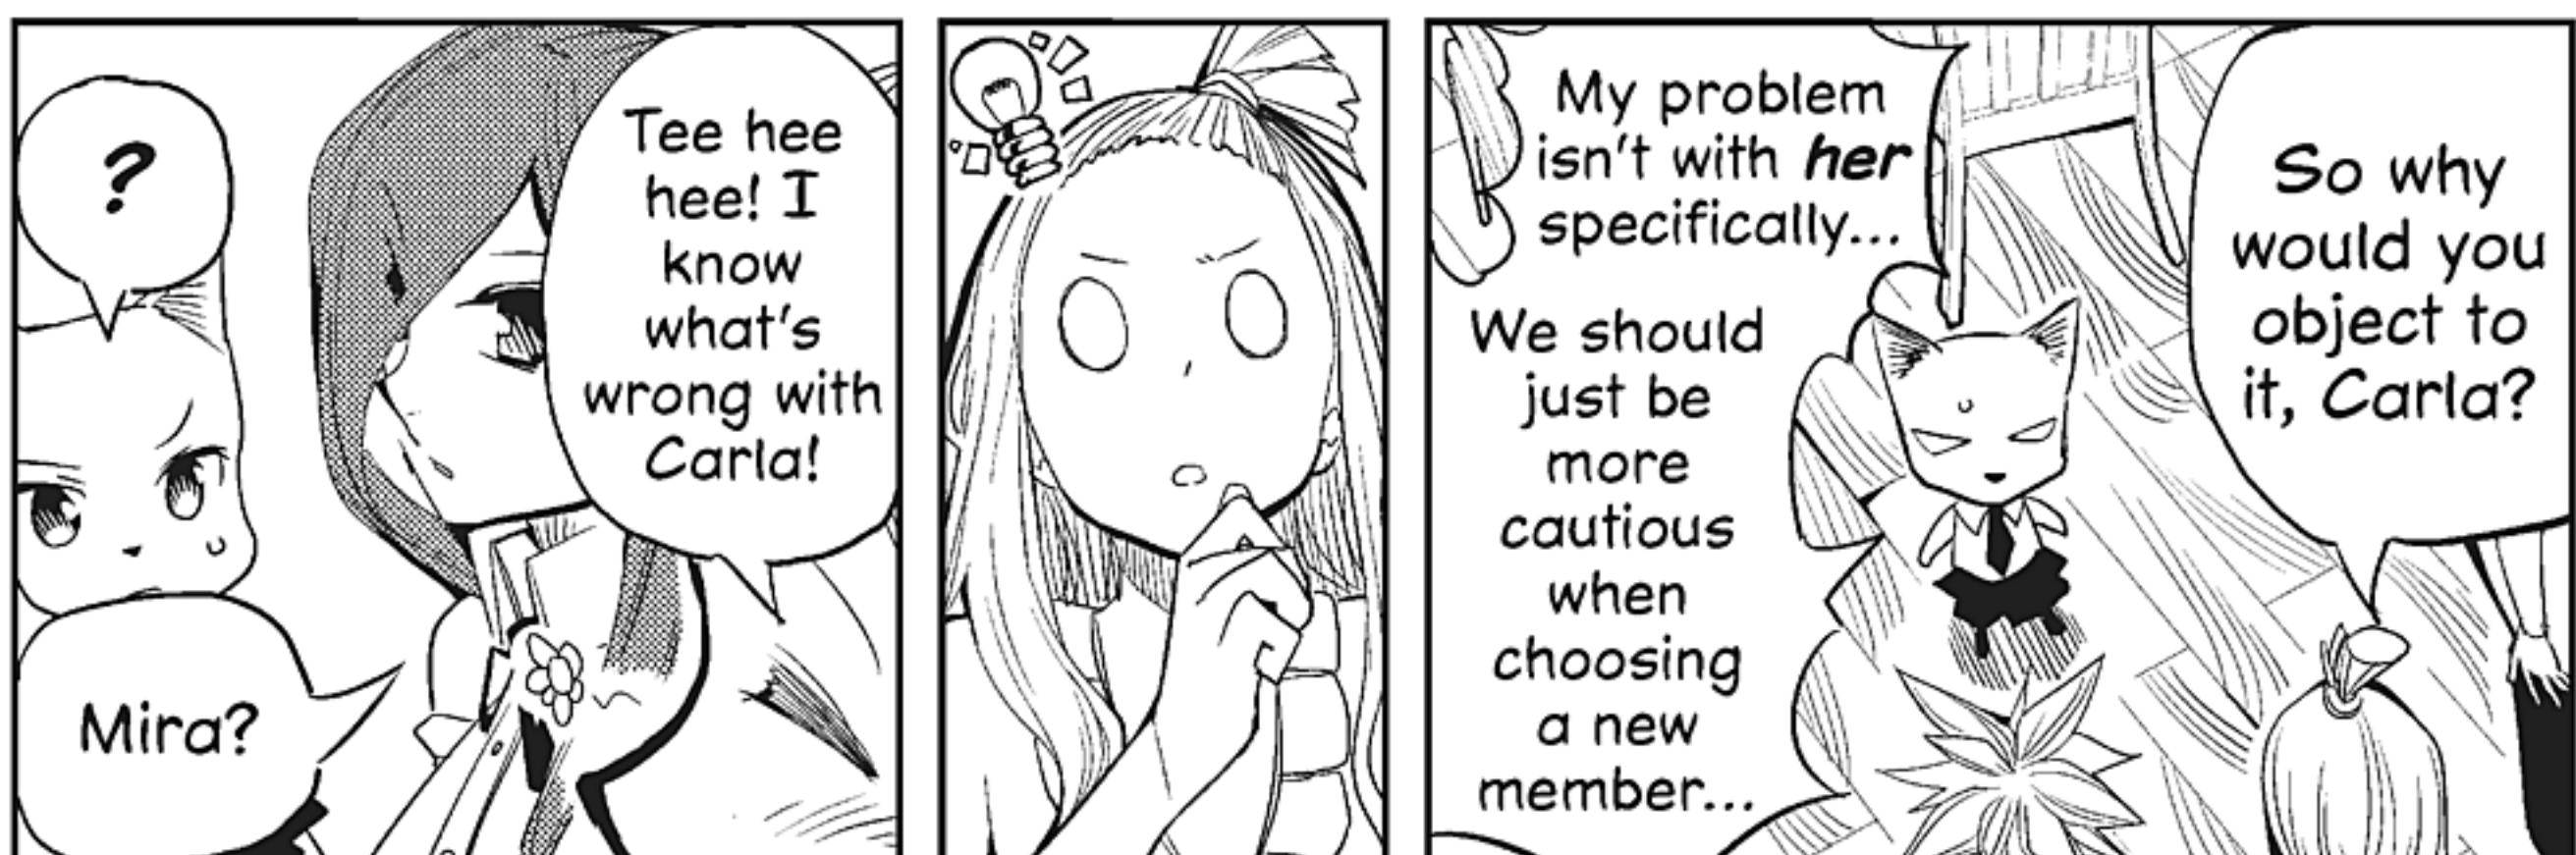

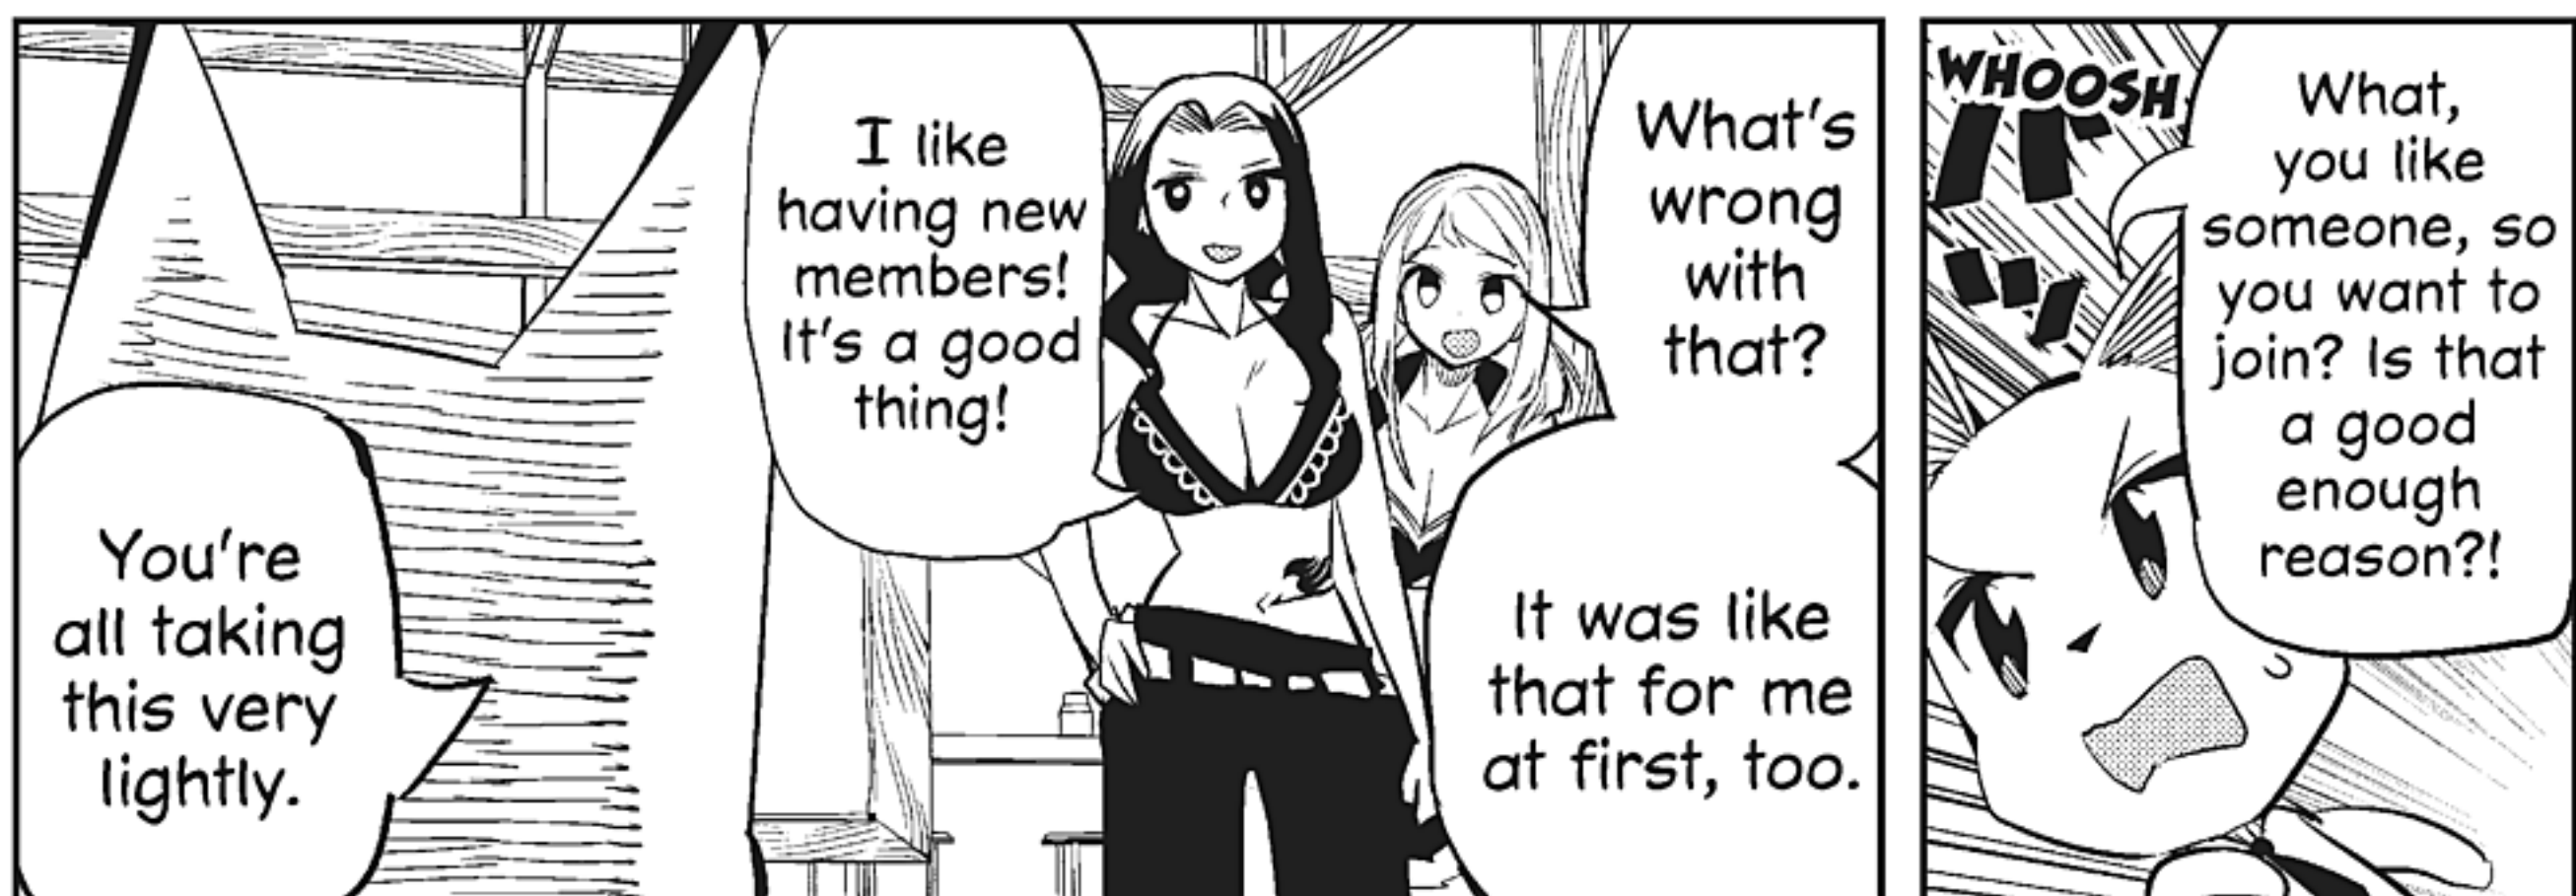

I'm
finally
here
...
...at
Fairy
Tail!

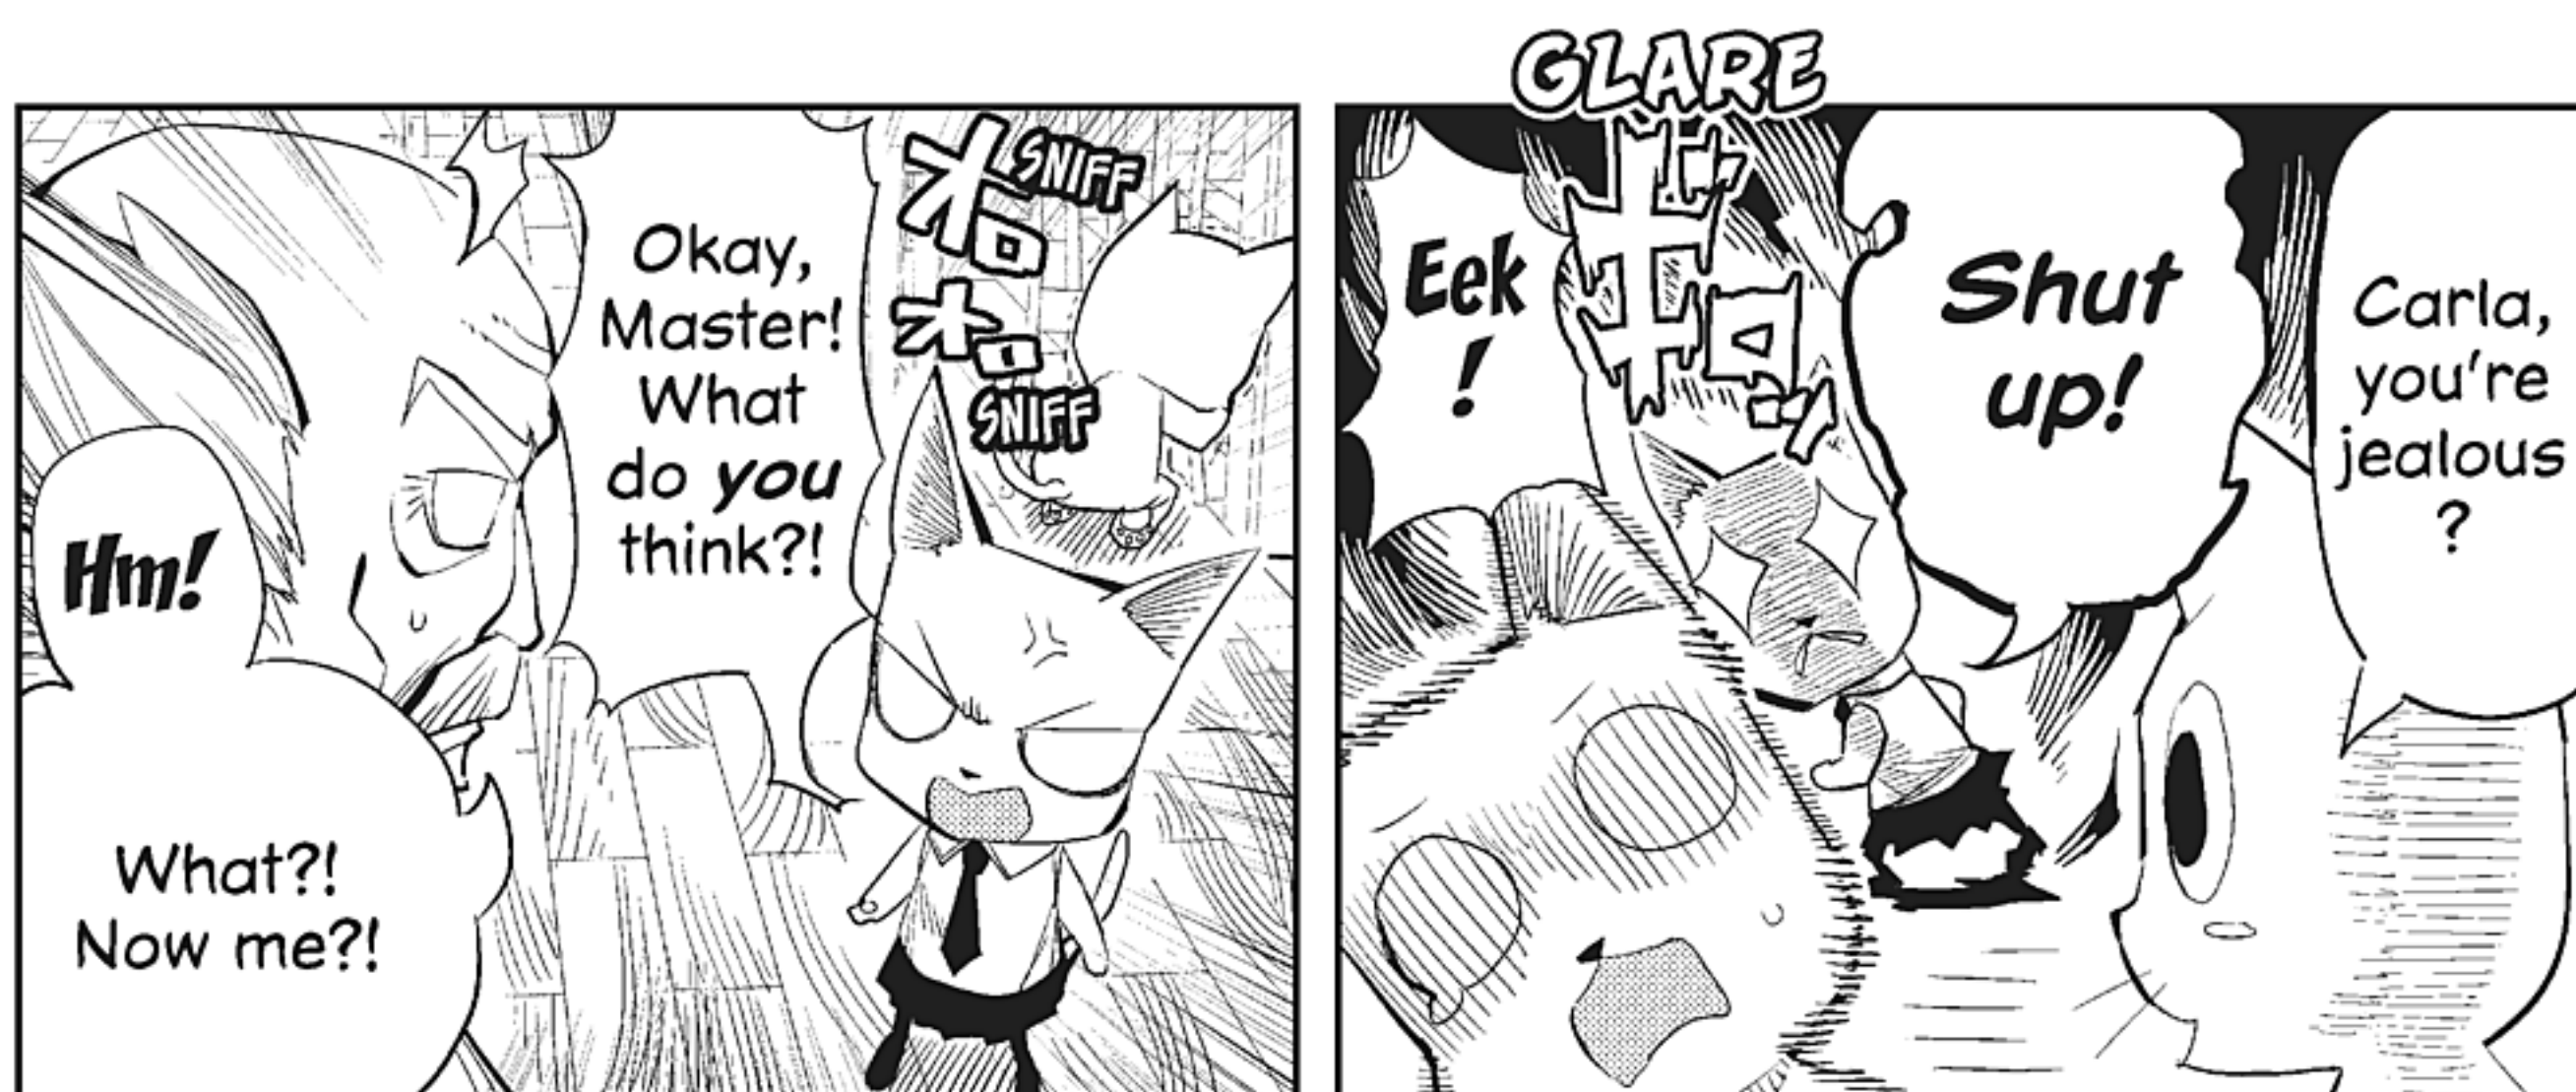

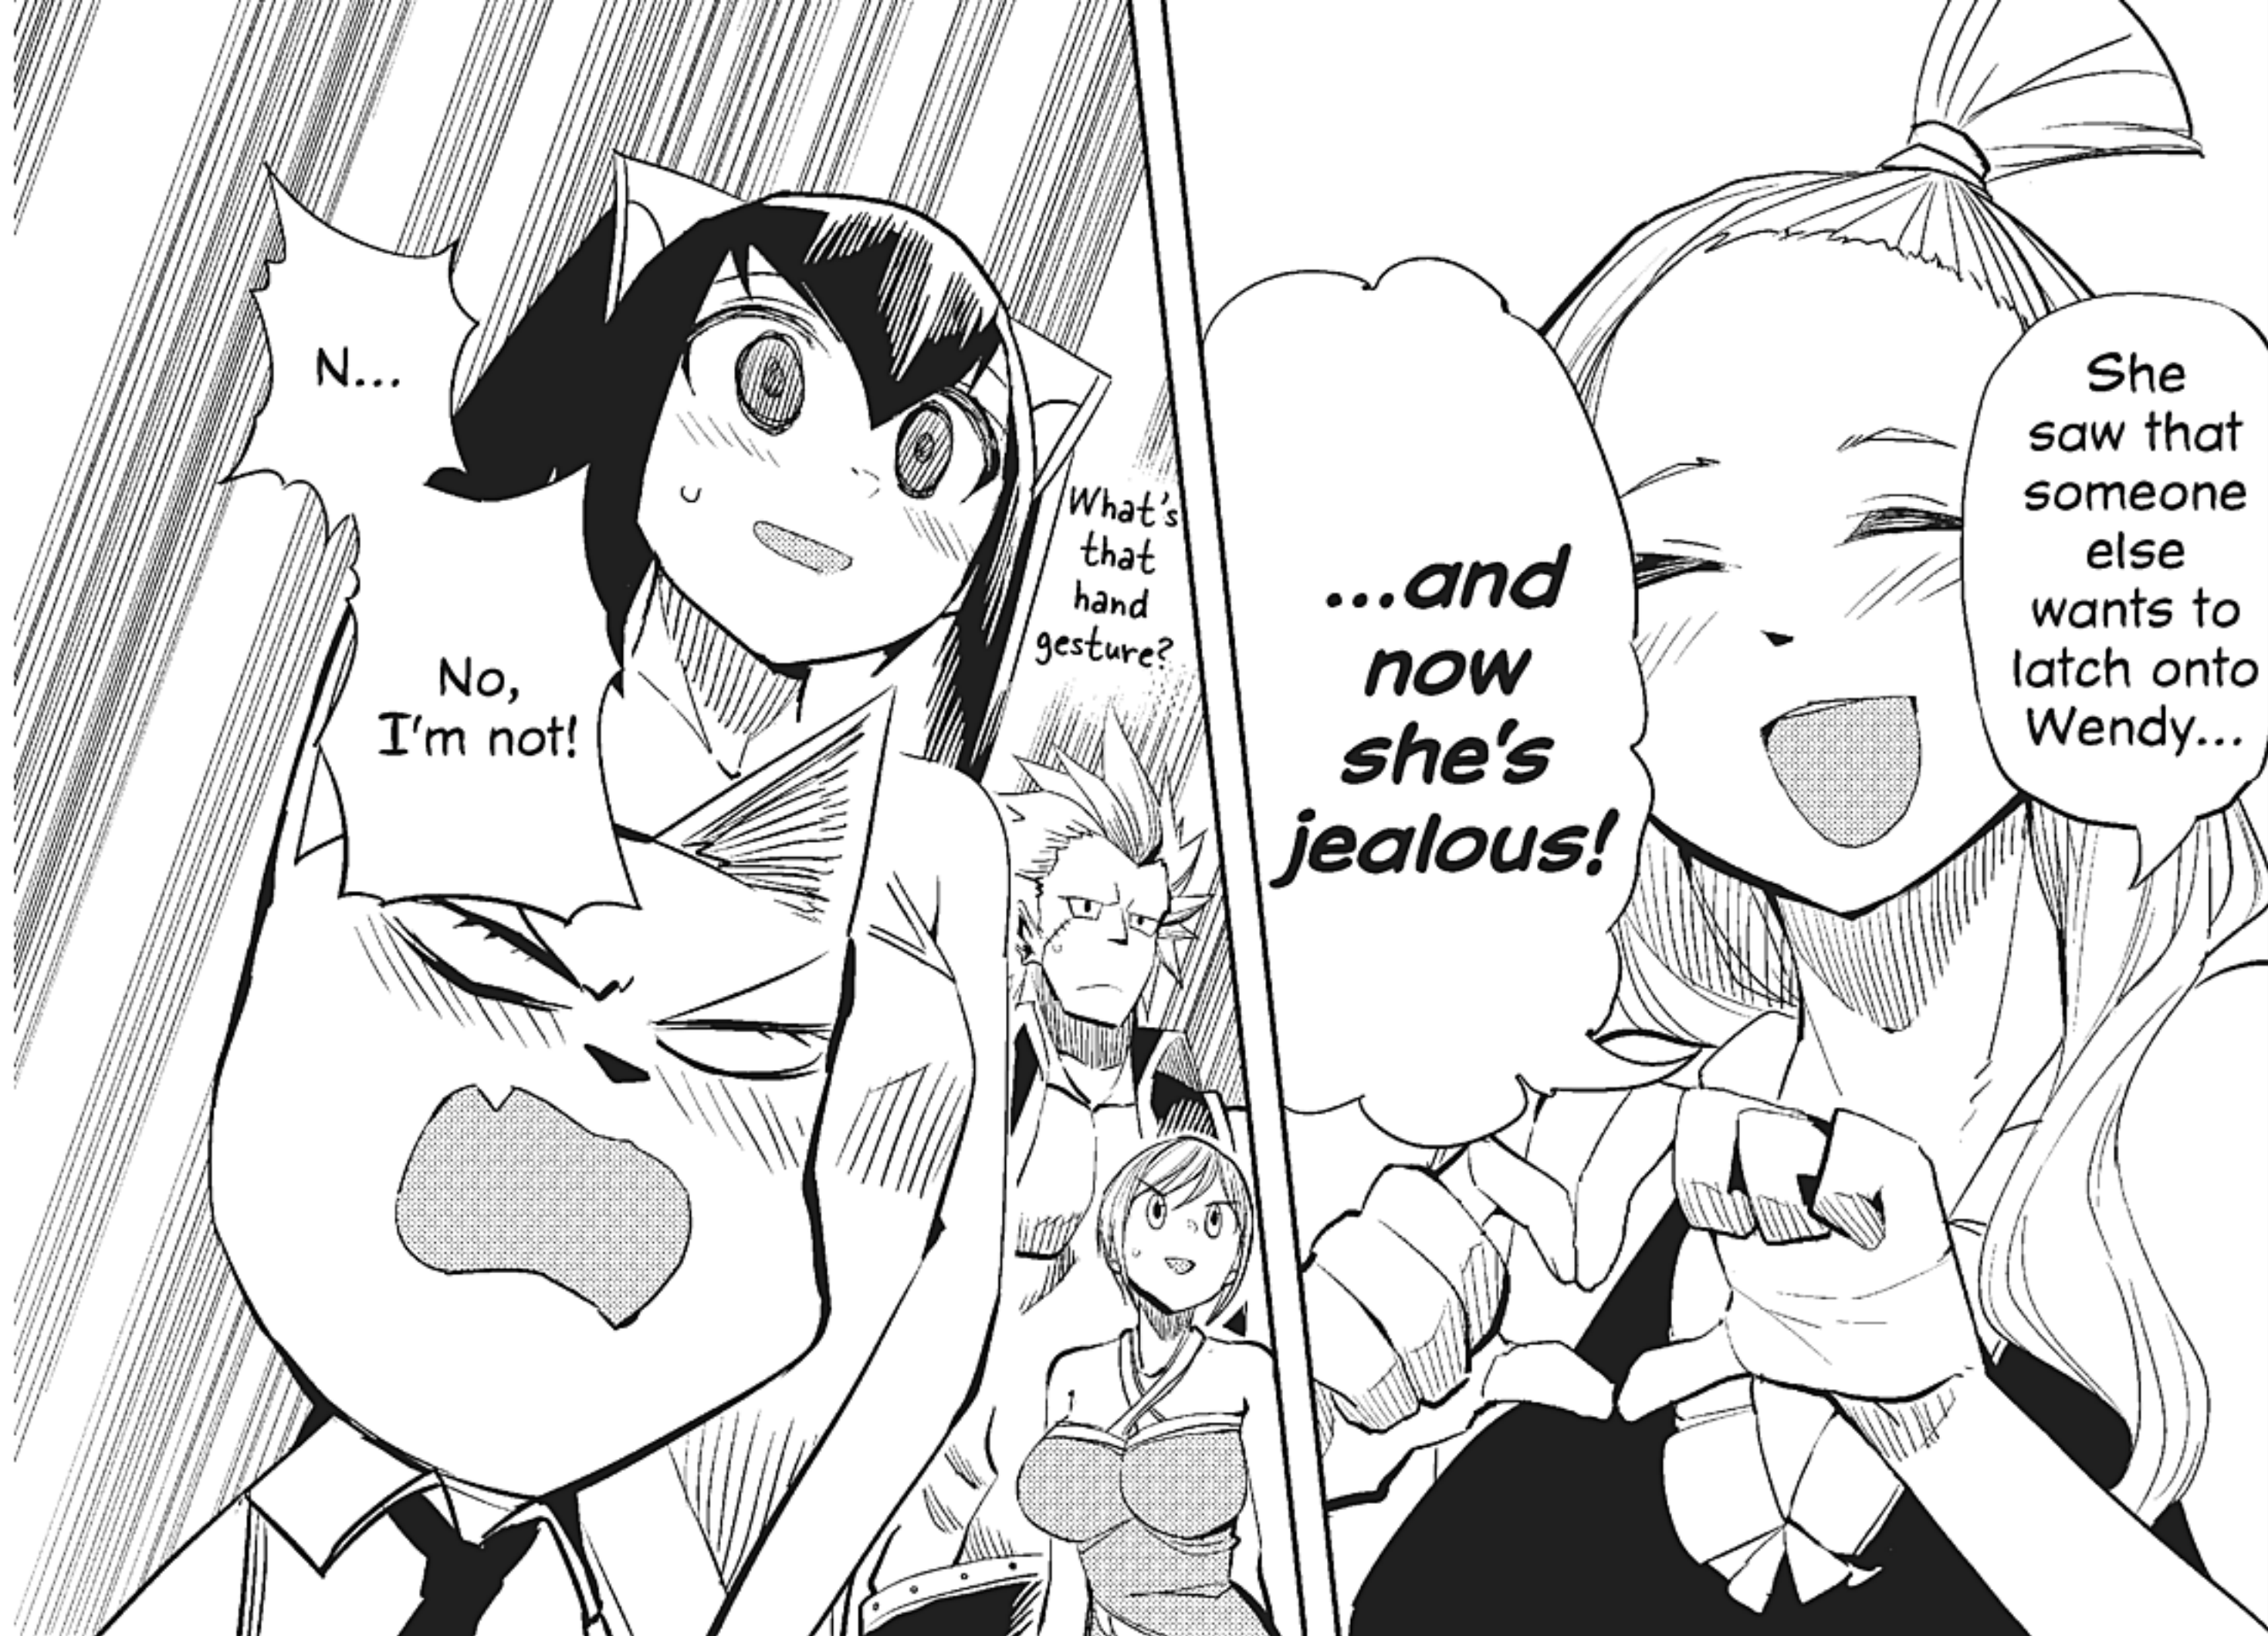

...
difficult
to get in,
isn't it?

PLIP

BOING

73h

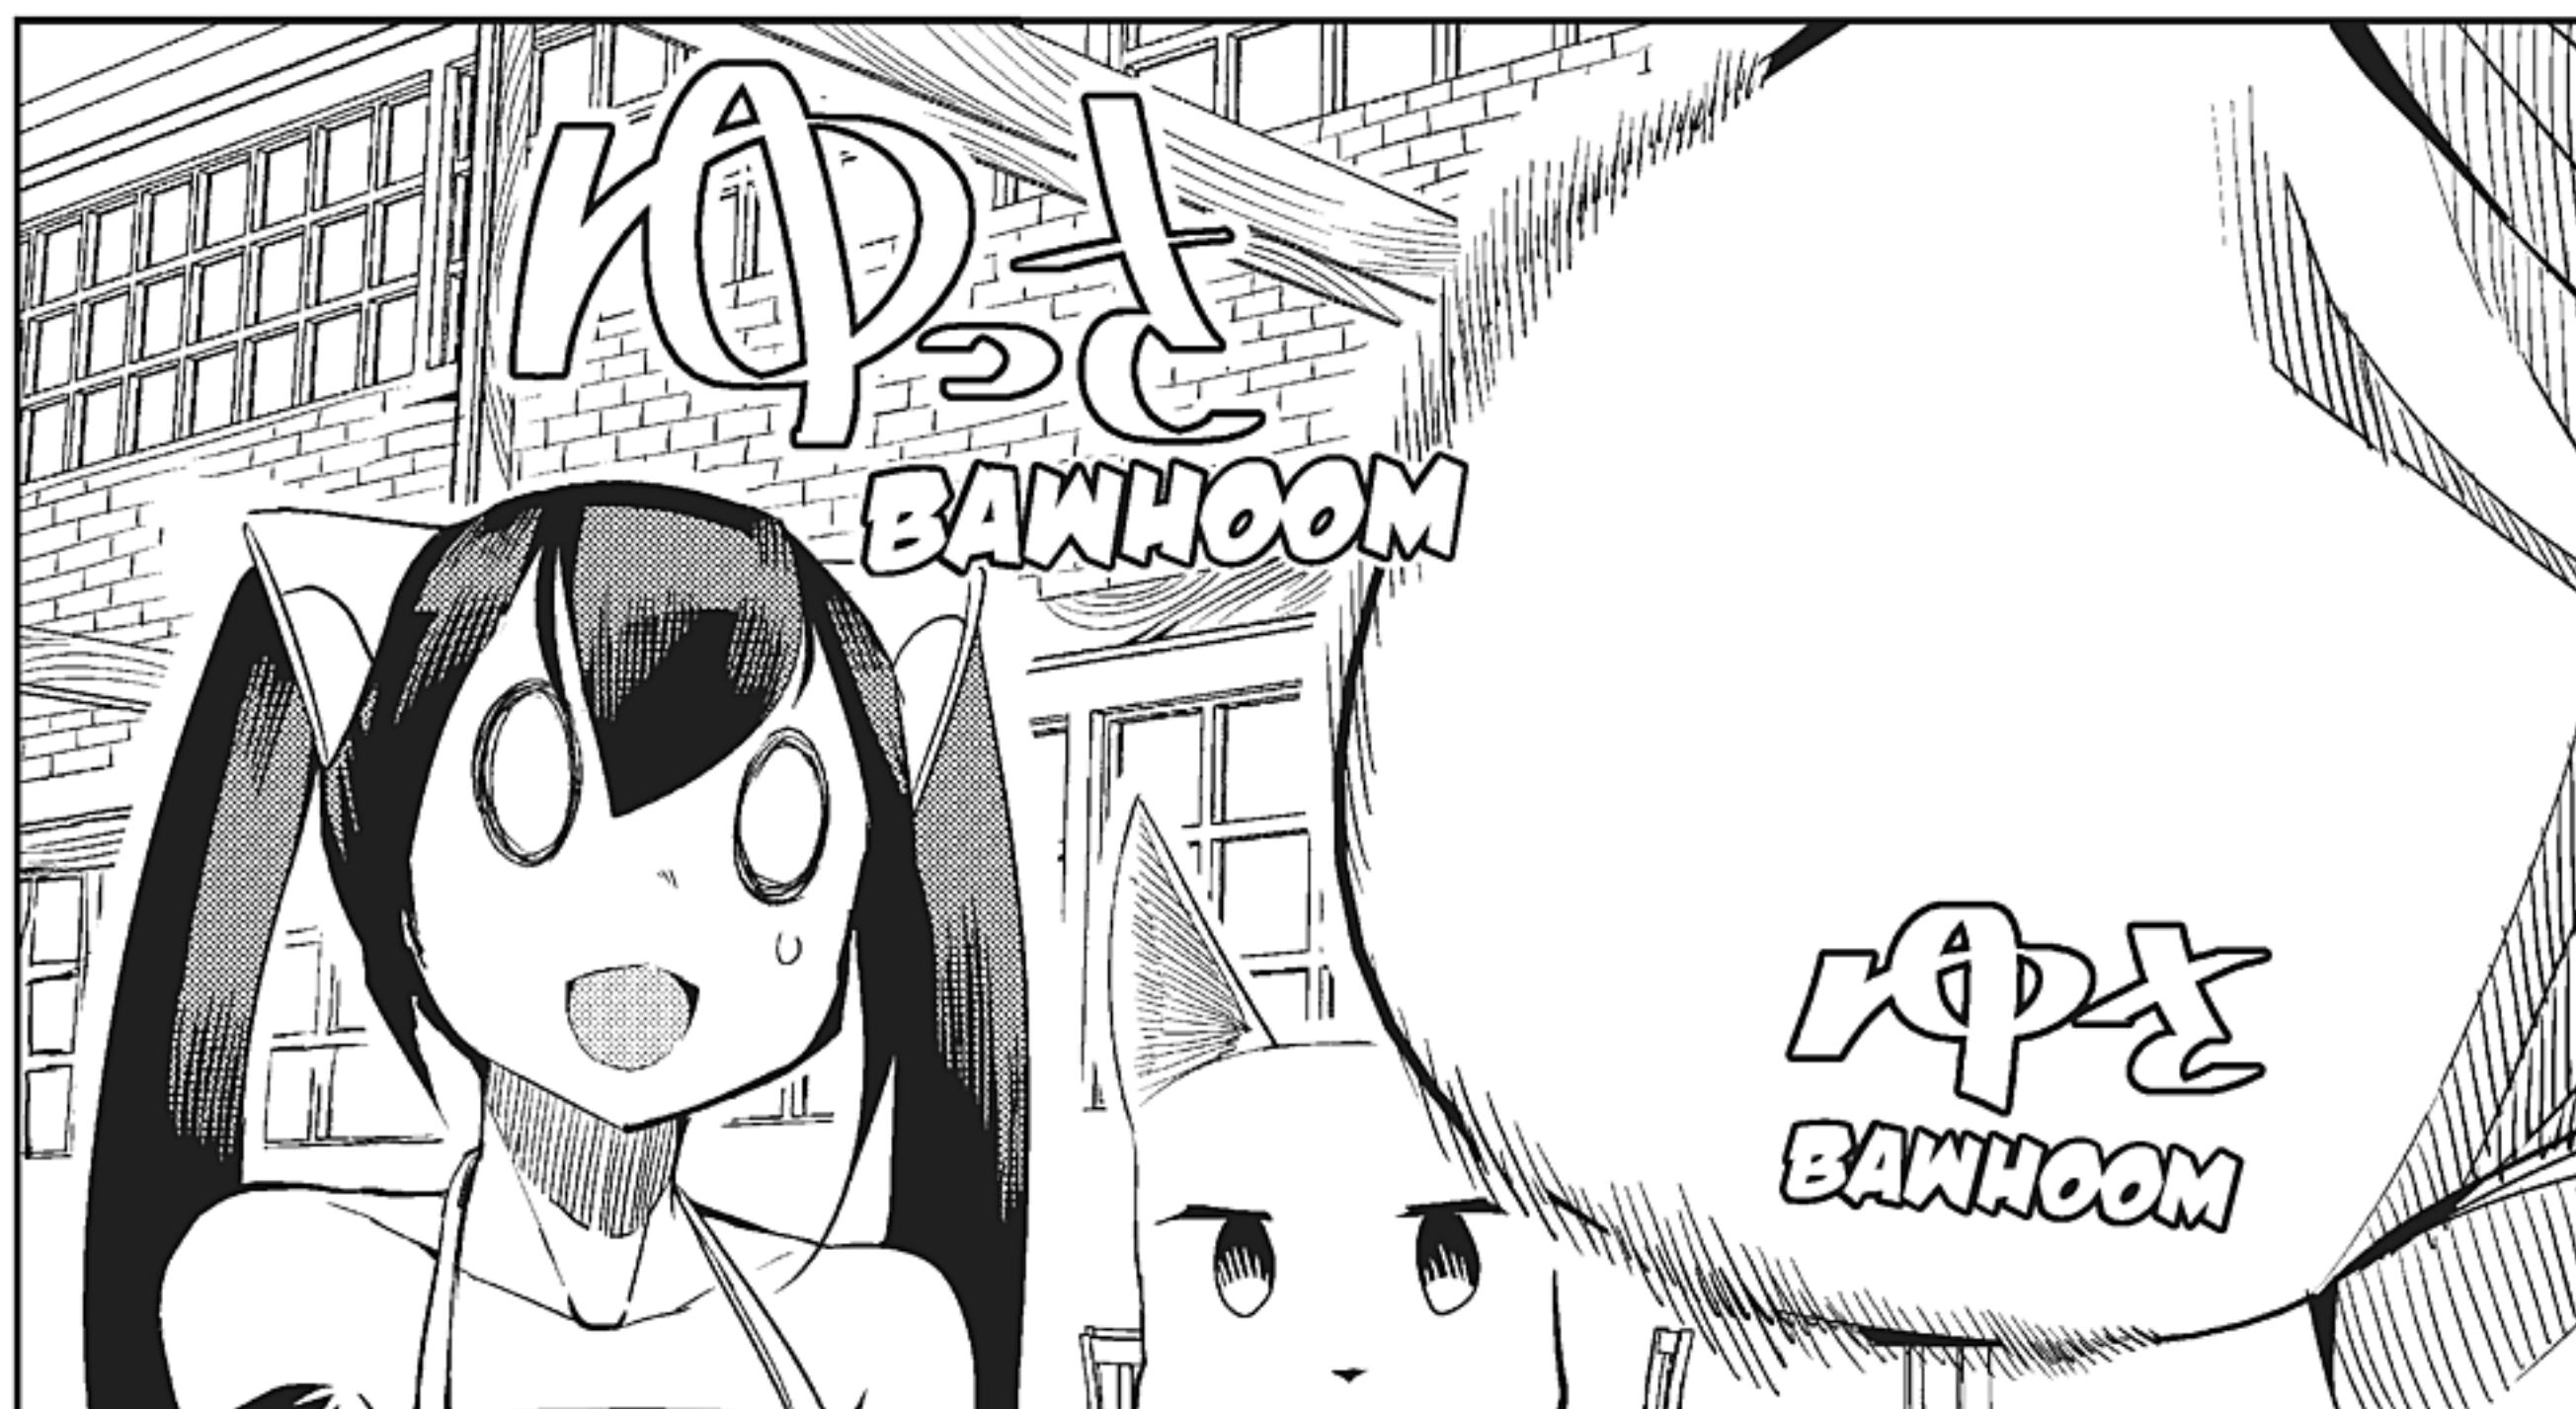

Nice to meet you, sempai!

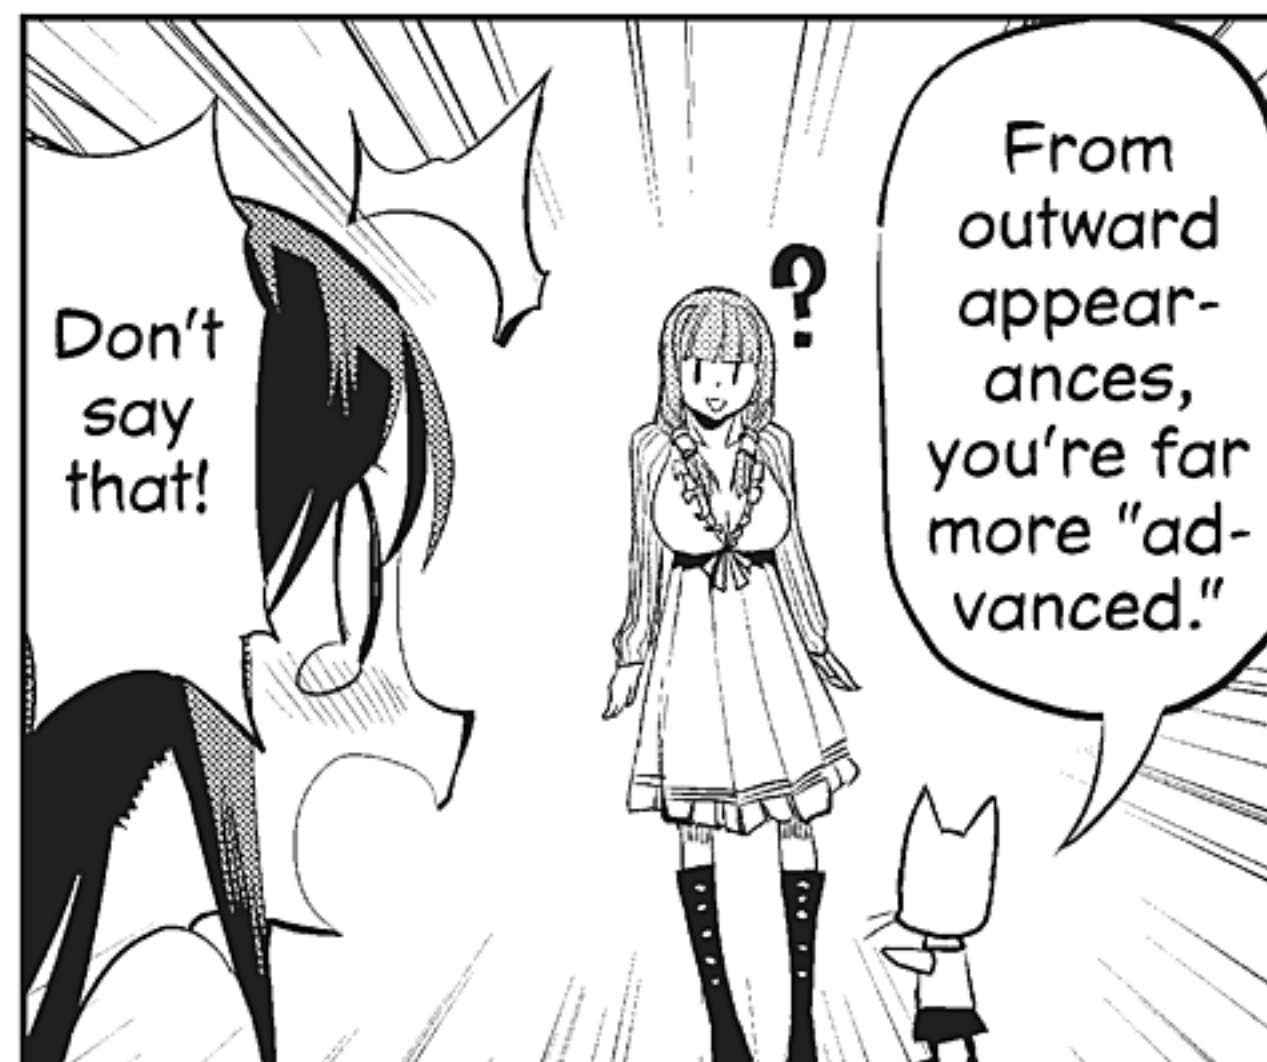

Then allow me to introduce myself. I'm Wendy, your mentor!

...I'm Carla.

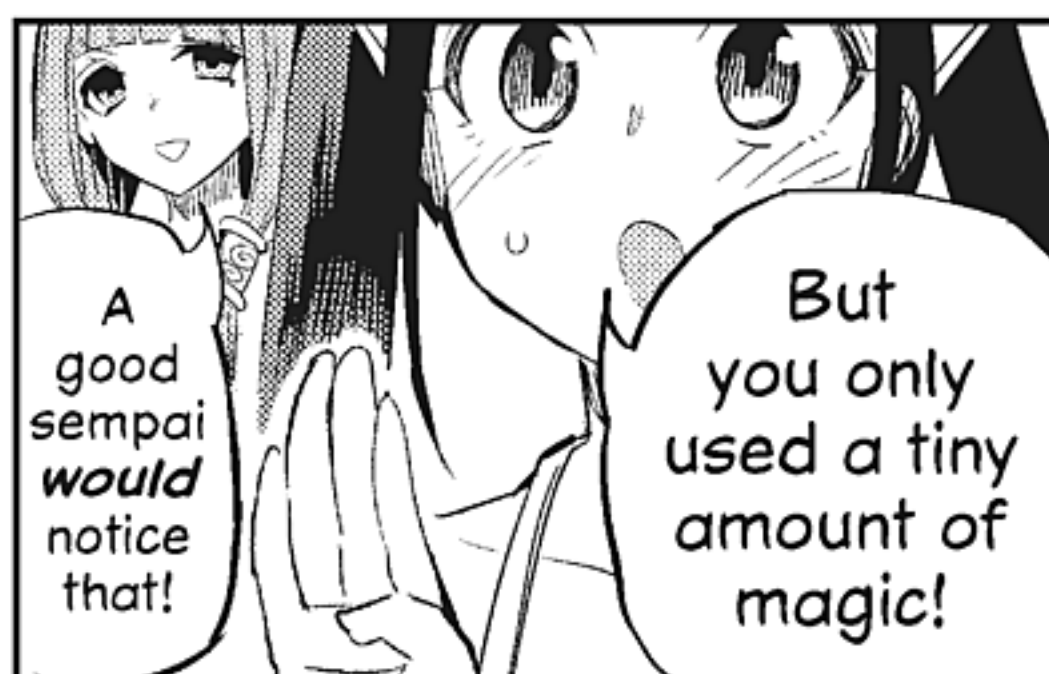

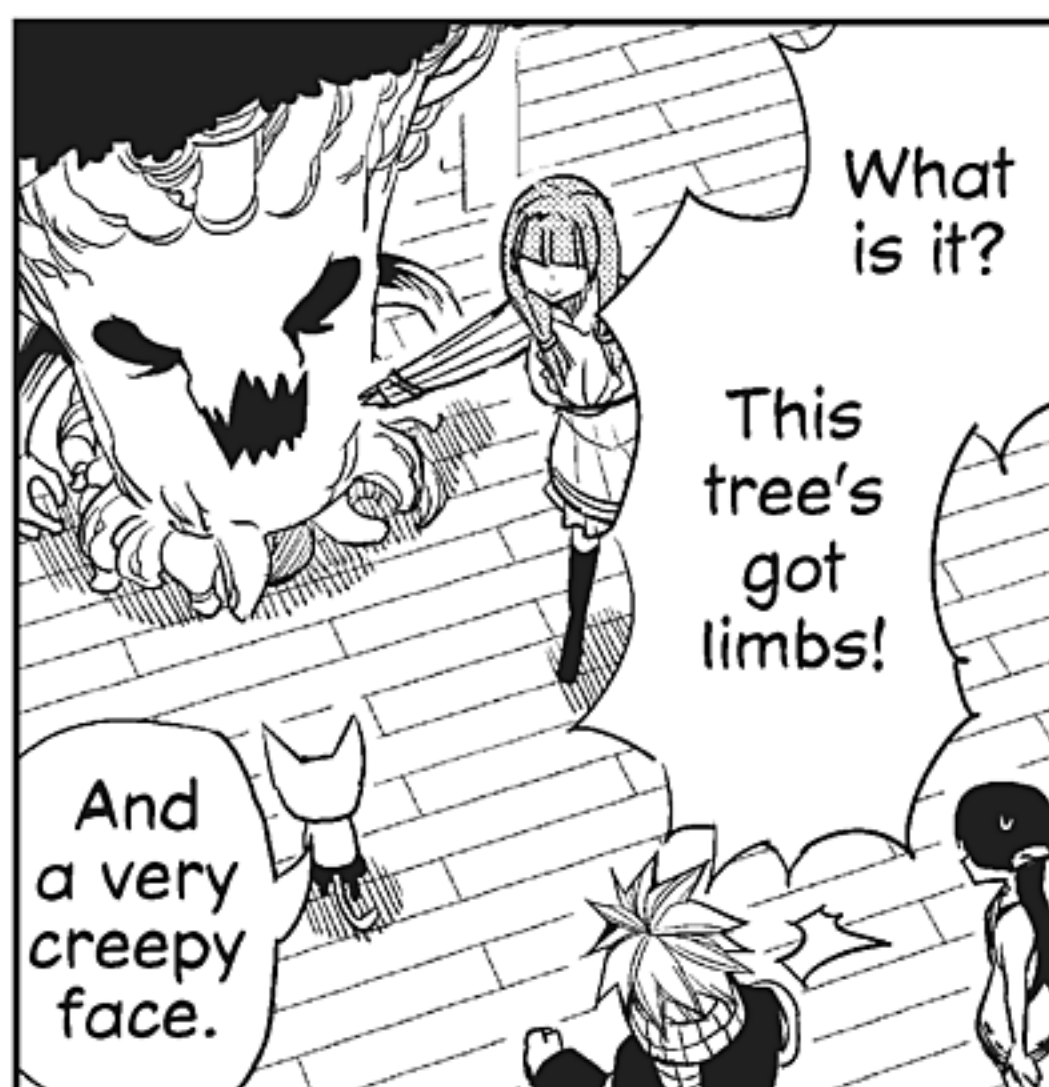

Ah! Natsu-san!

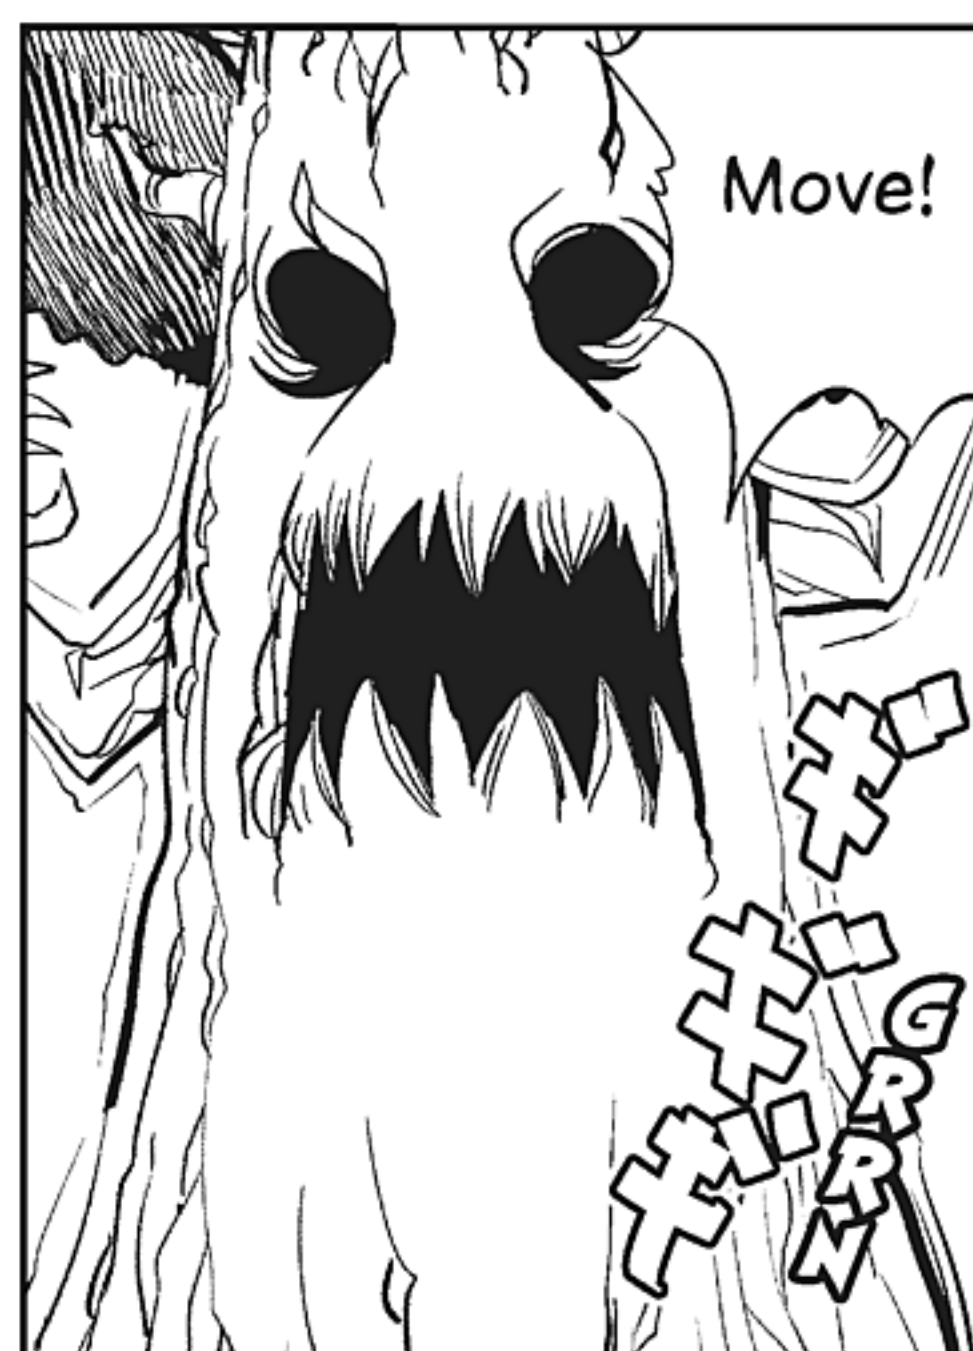

What'cha guys doin'?

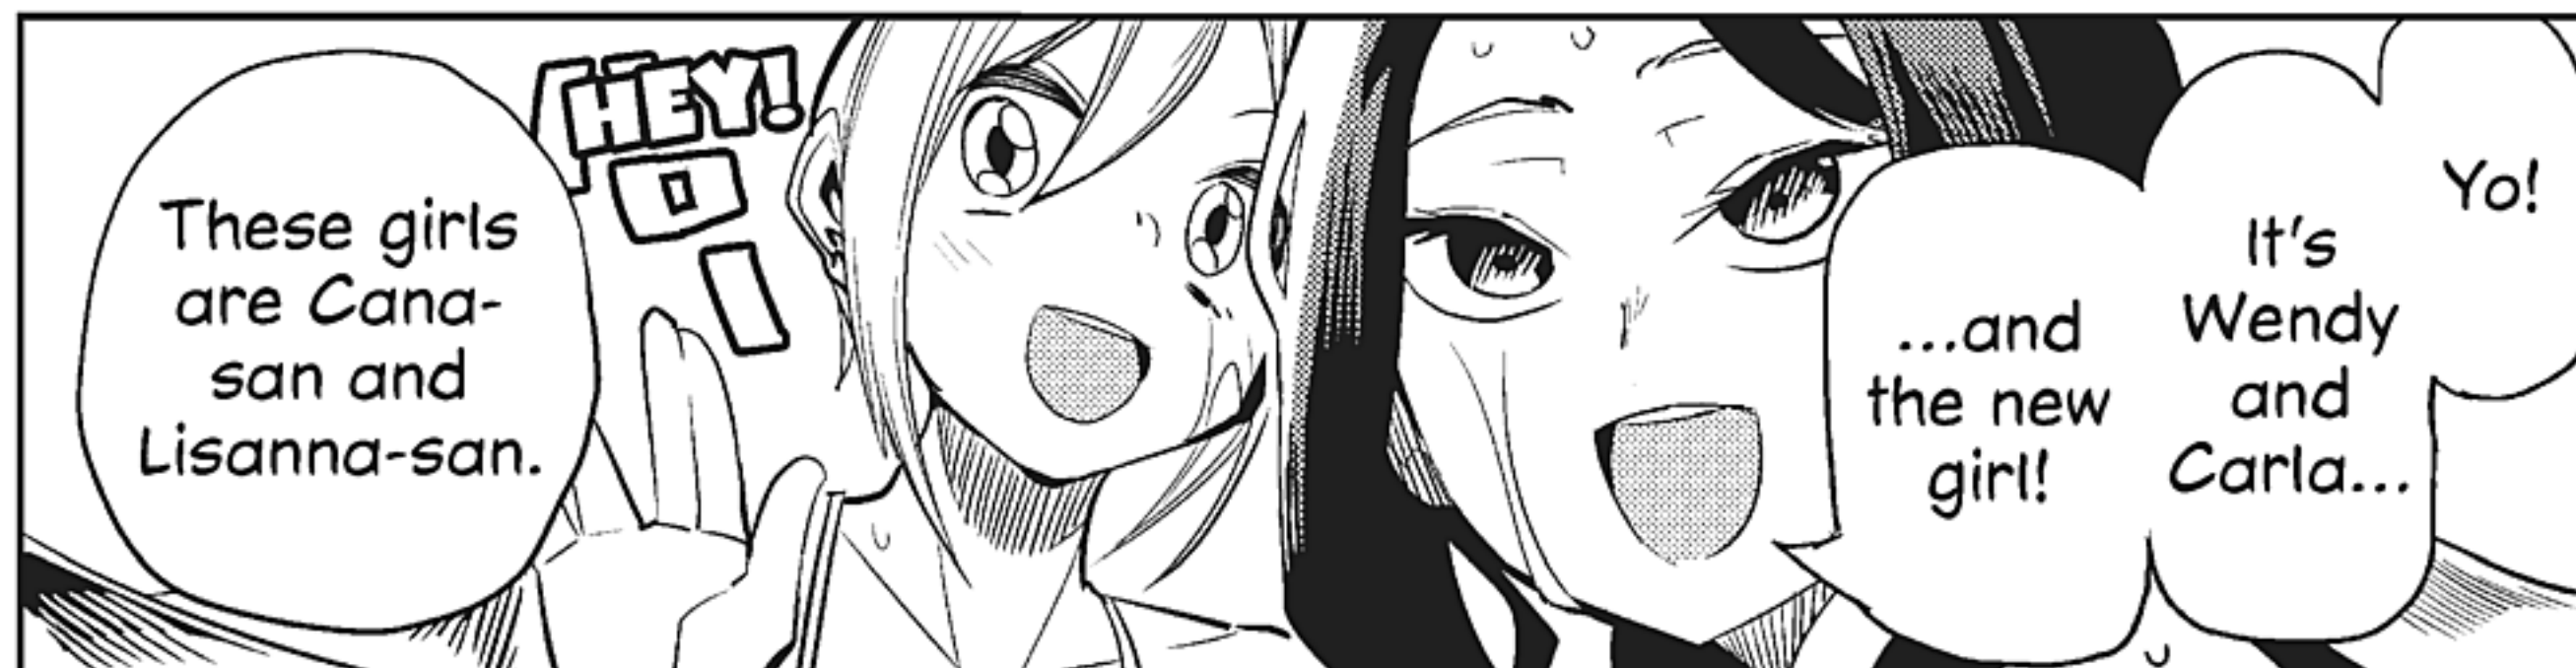

Don't say that!

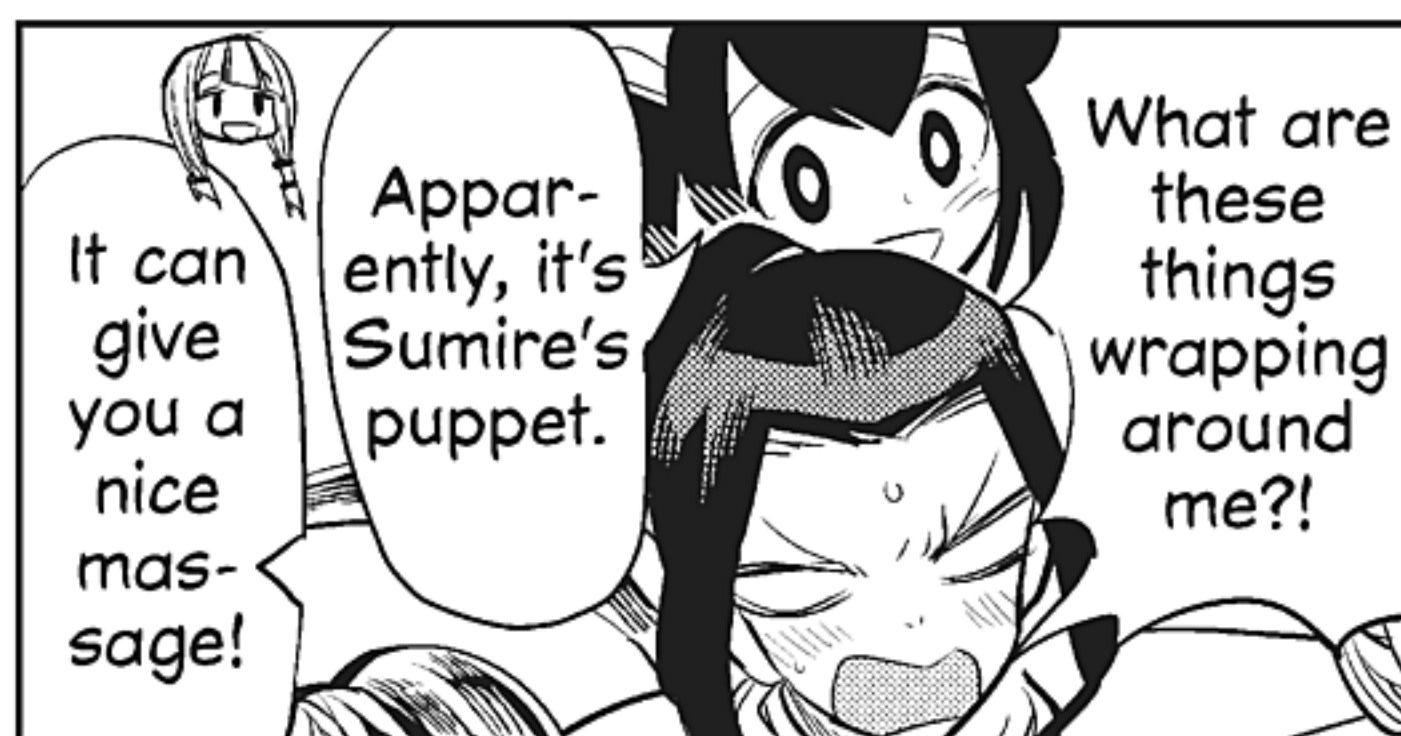

From outward appearances, you're far more "advanced."

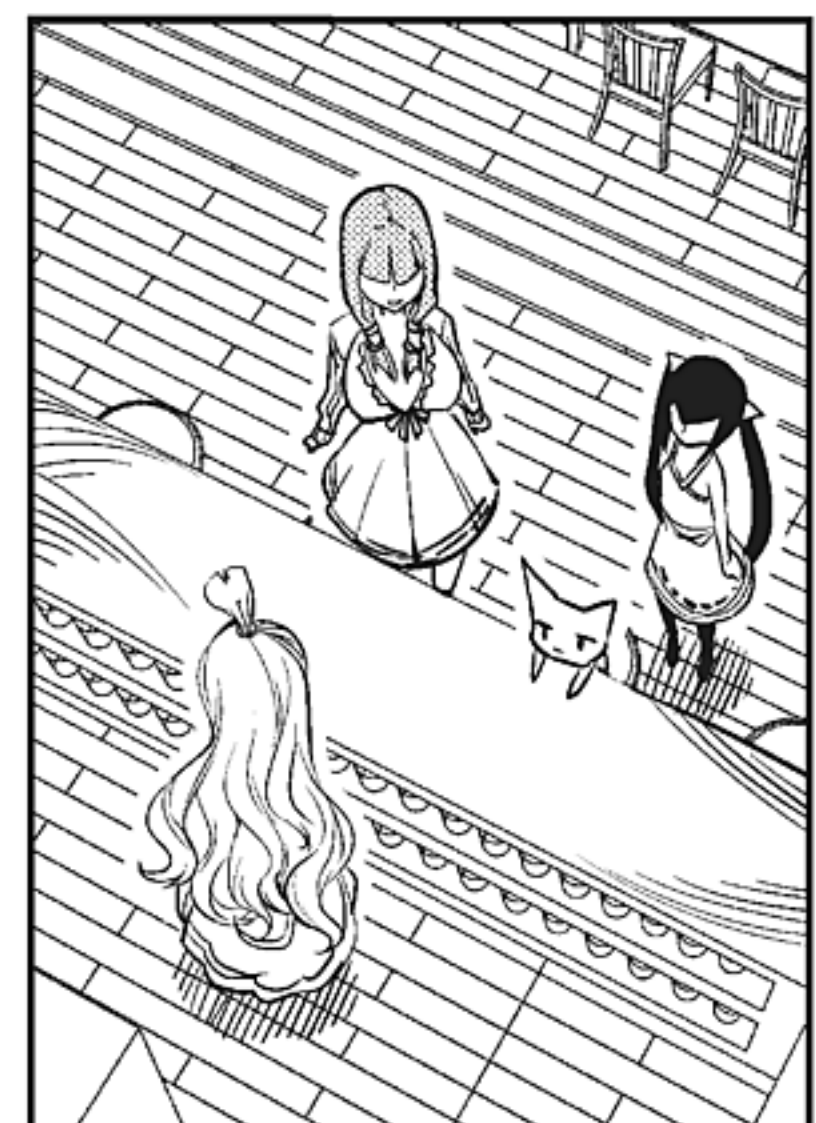

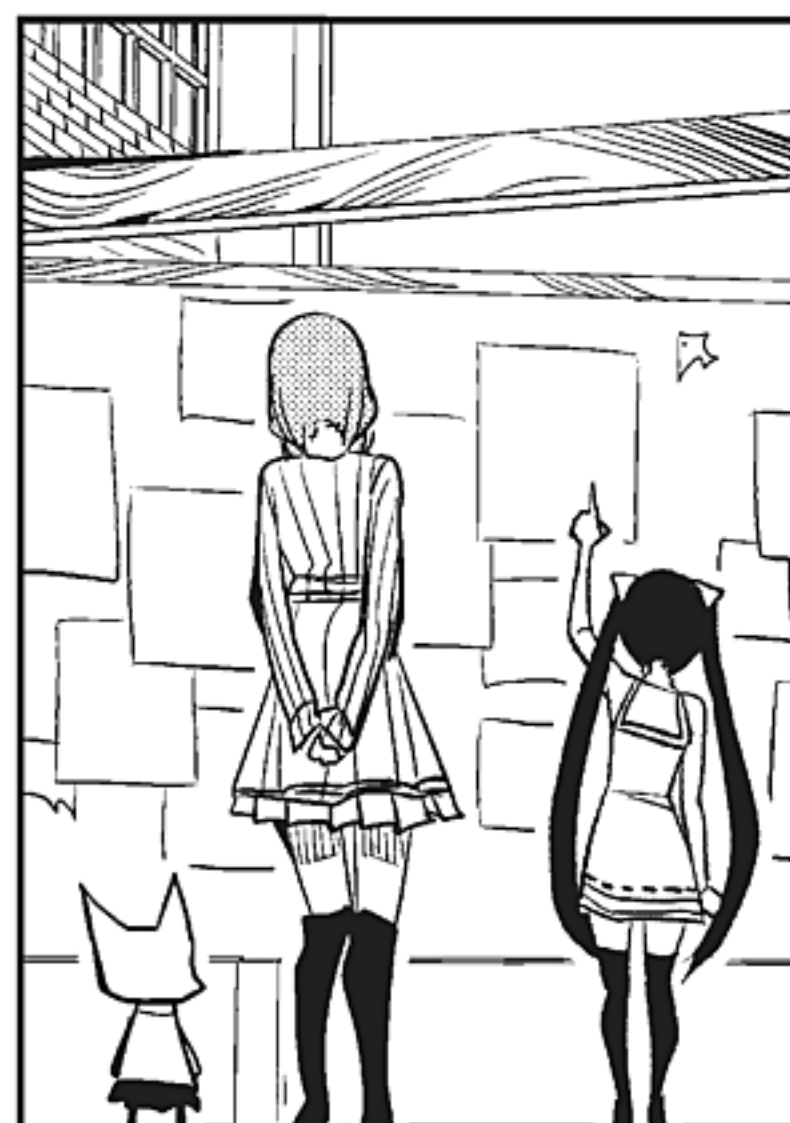

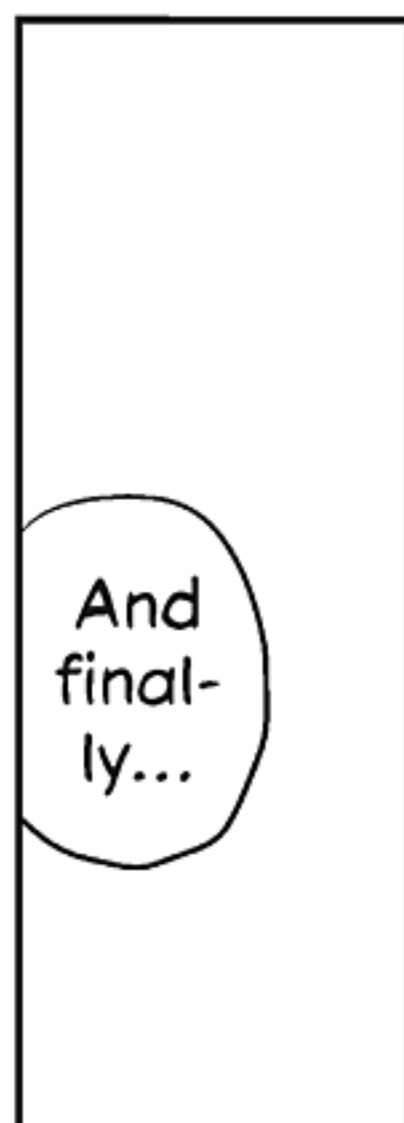

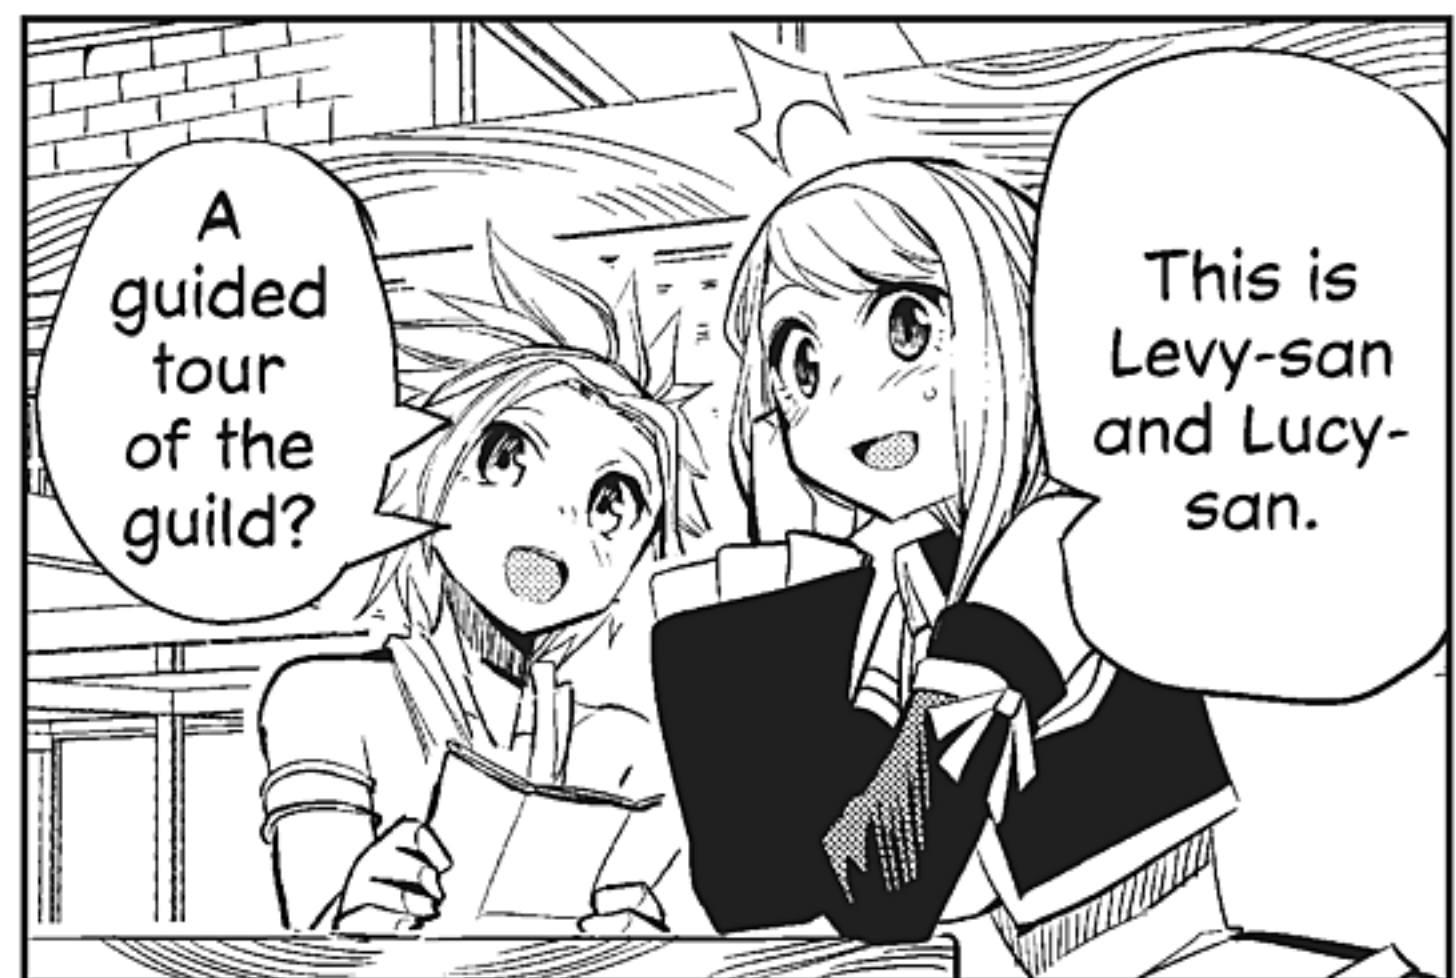

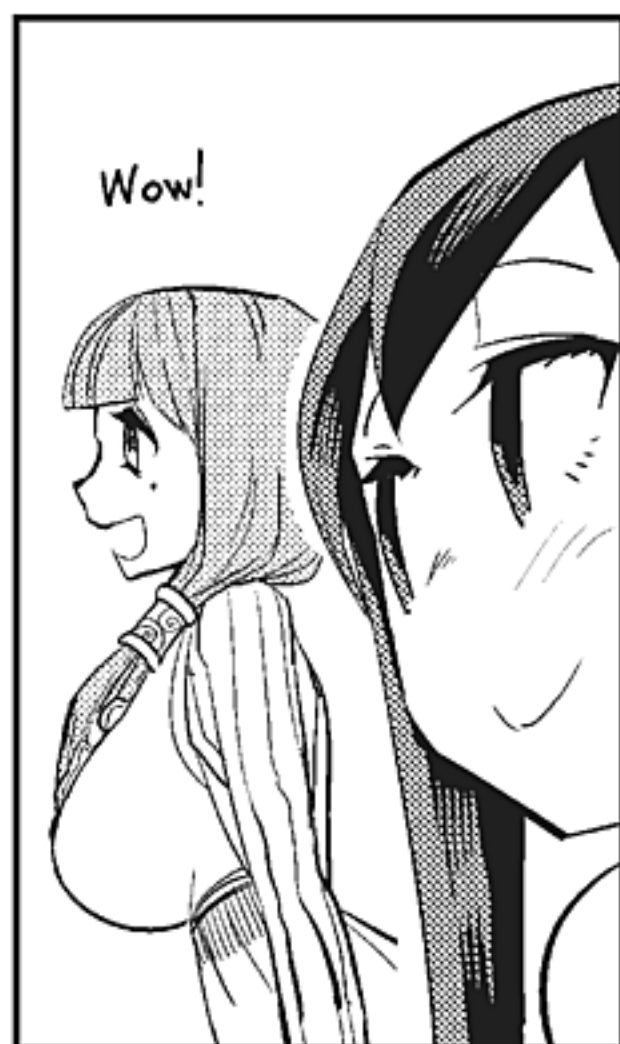

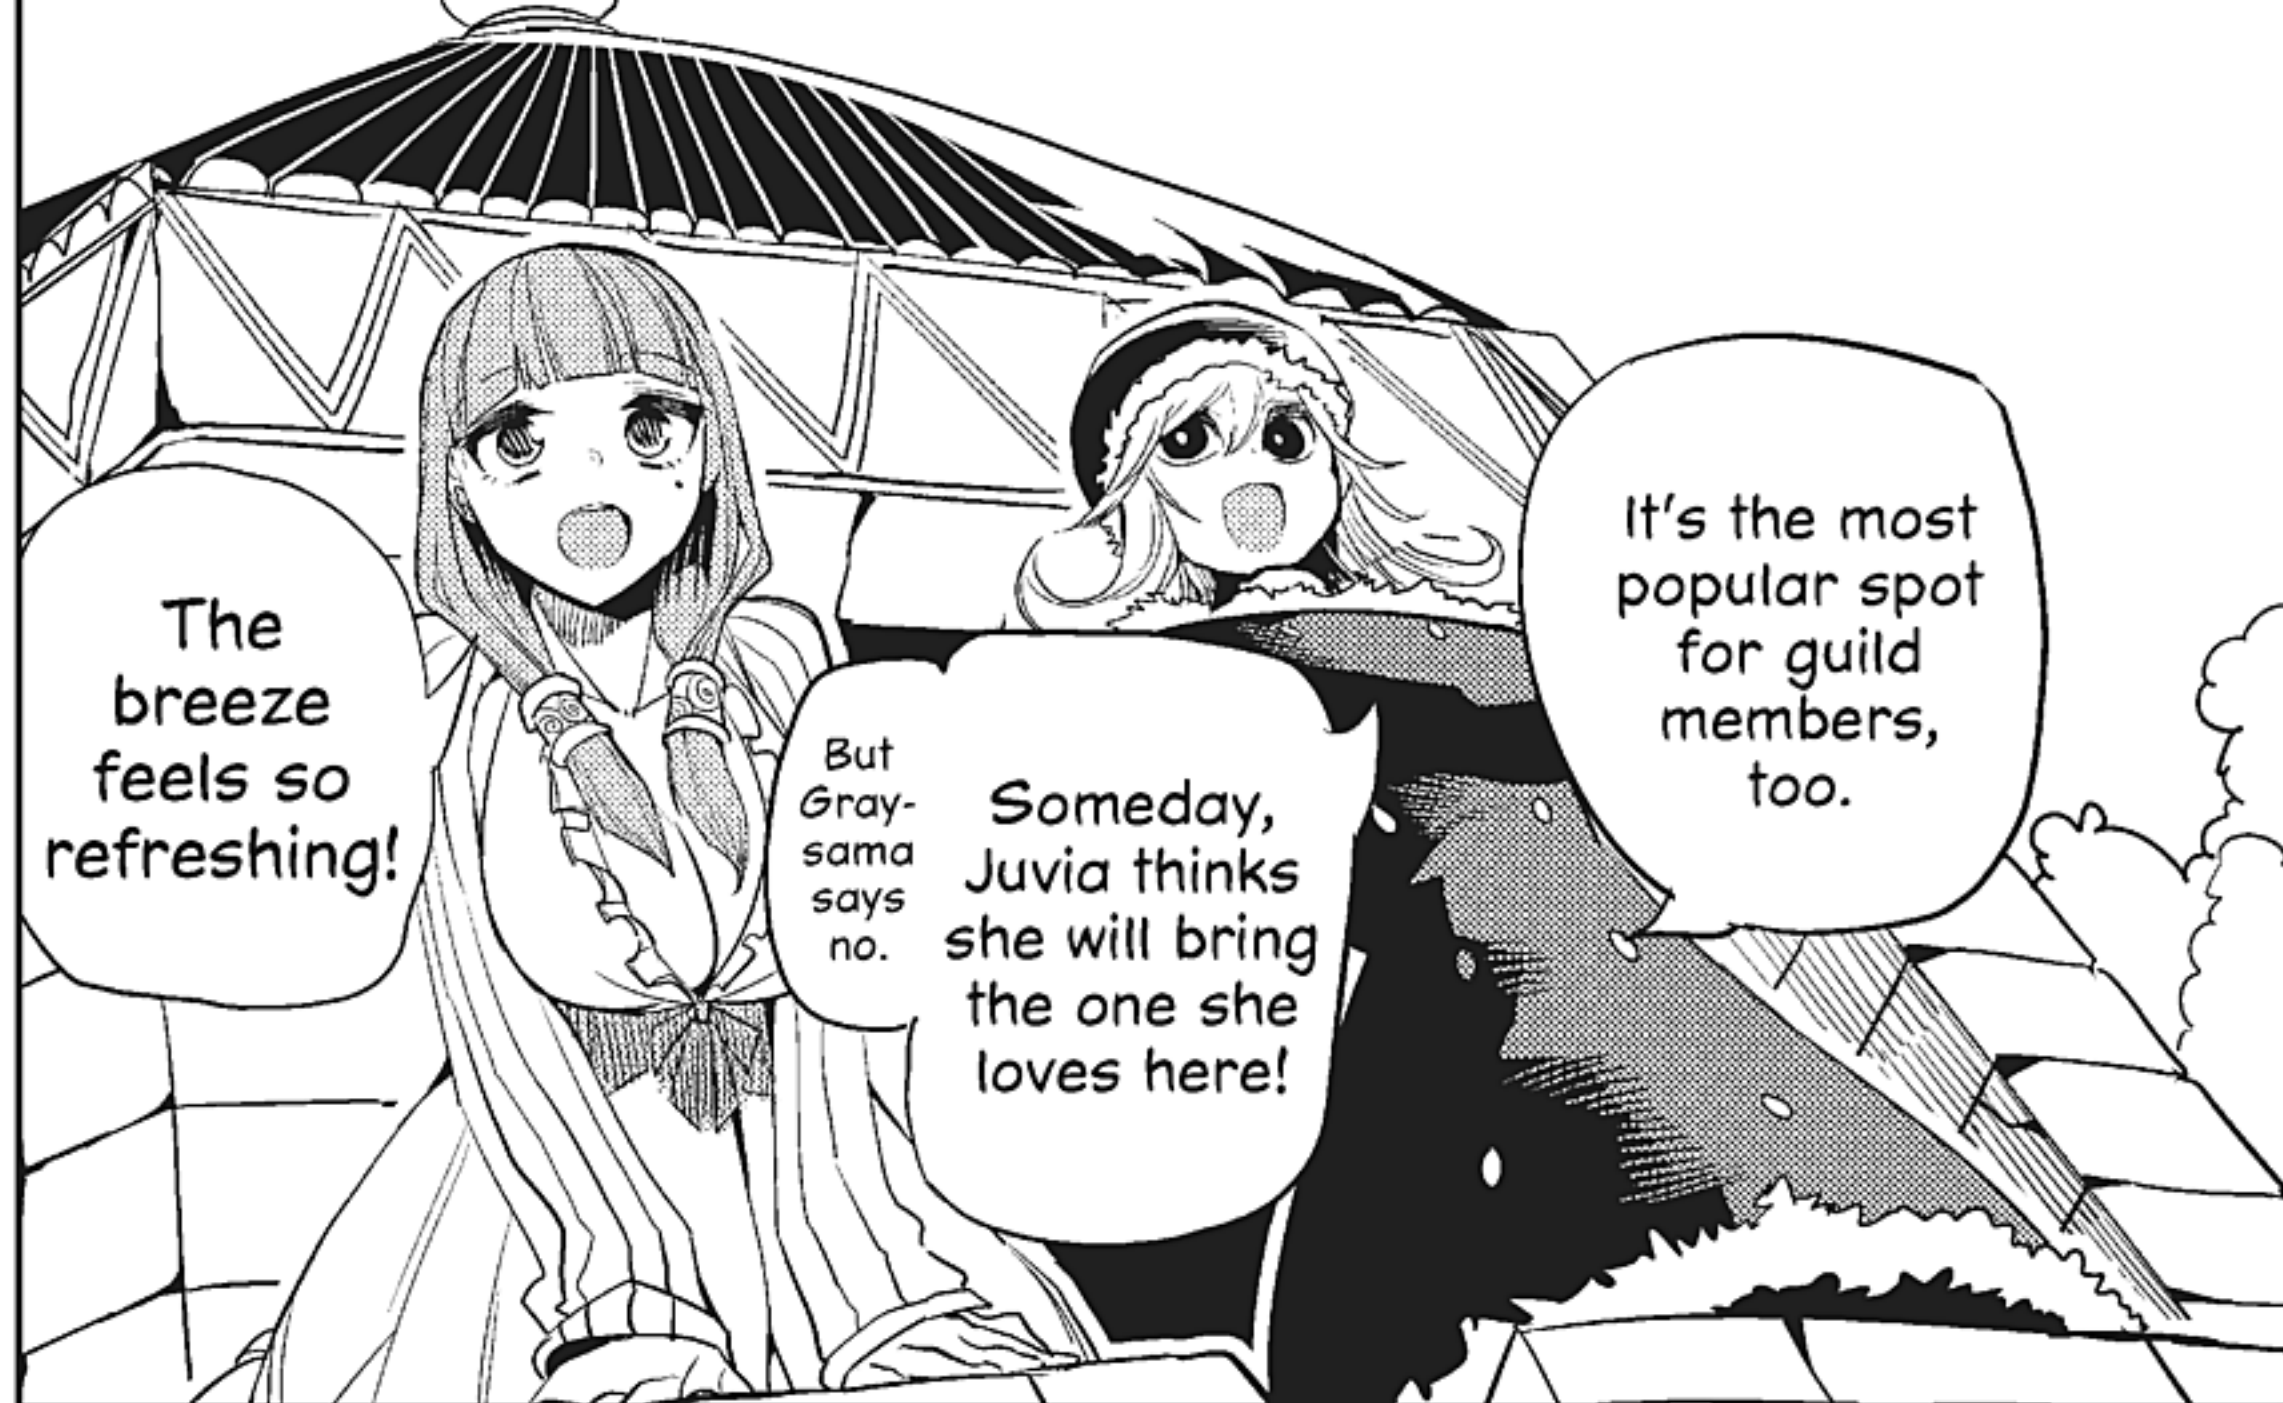

Wow!!

This is the roof area, which also has an observation deck for the guild.

Wow!

The breeze feels so refreshing!

But Gray-sama says no.

Someday, Juvia thinks she will bring the one she loves here!

It's the most popular spot for guild members, too.

There's so much energy, and everyone's so fun! It's just the best!

Tee hee! That's nice to hear.

It's the best thing ever!

So... What do you think of the guild?

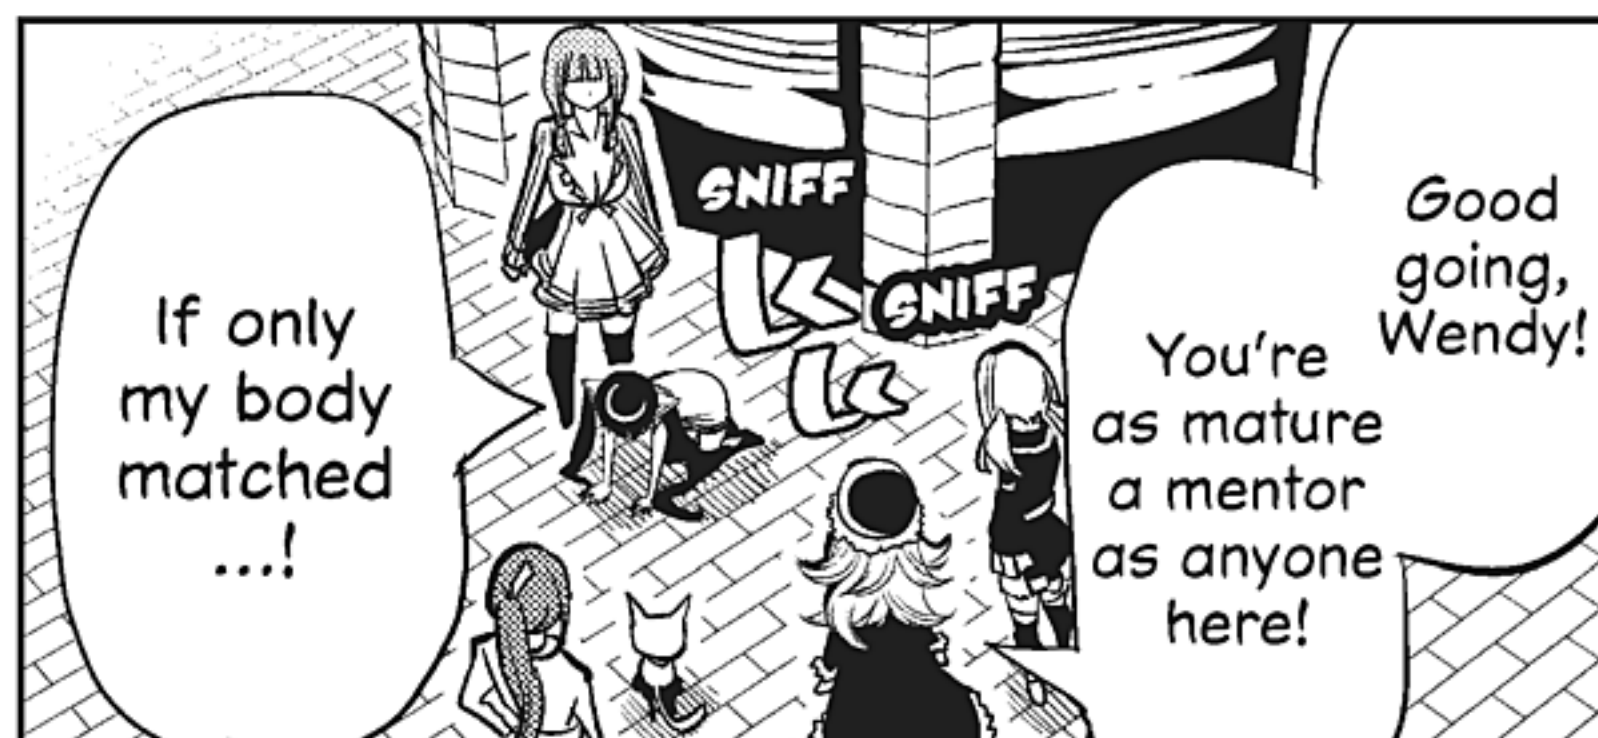

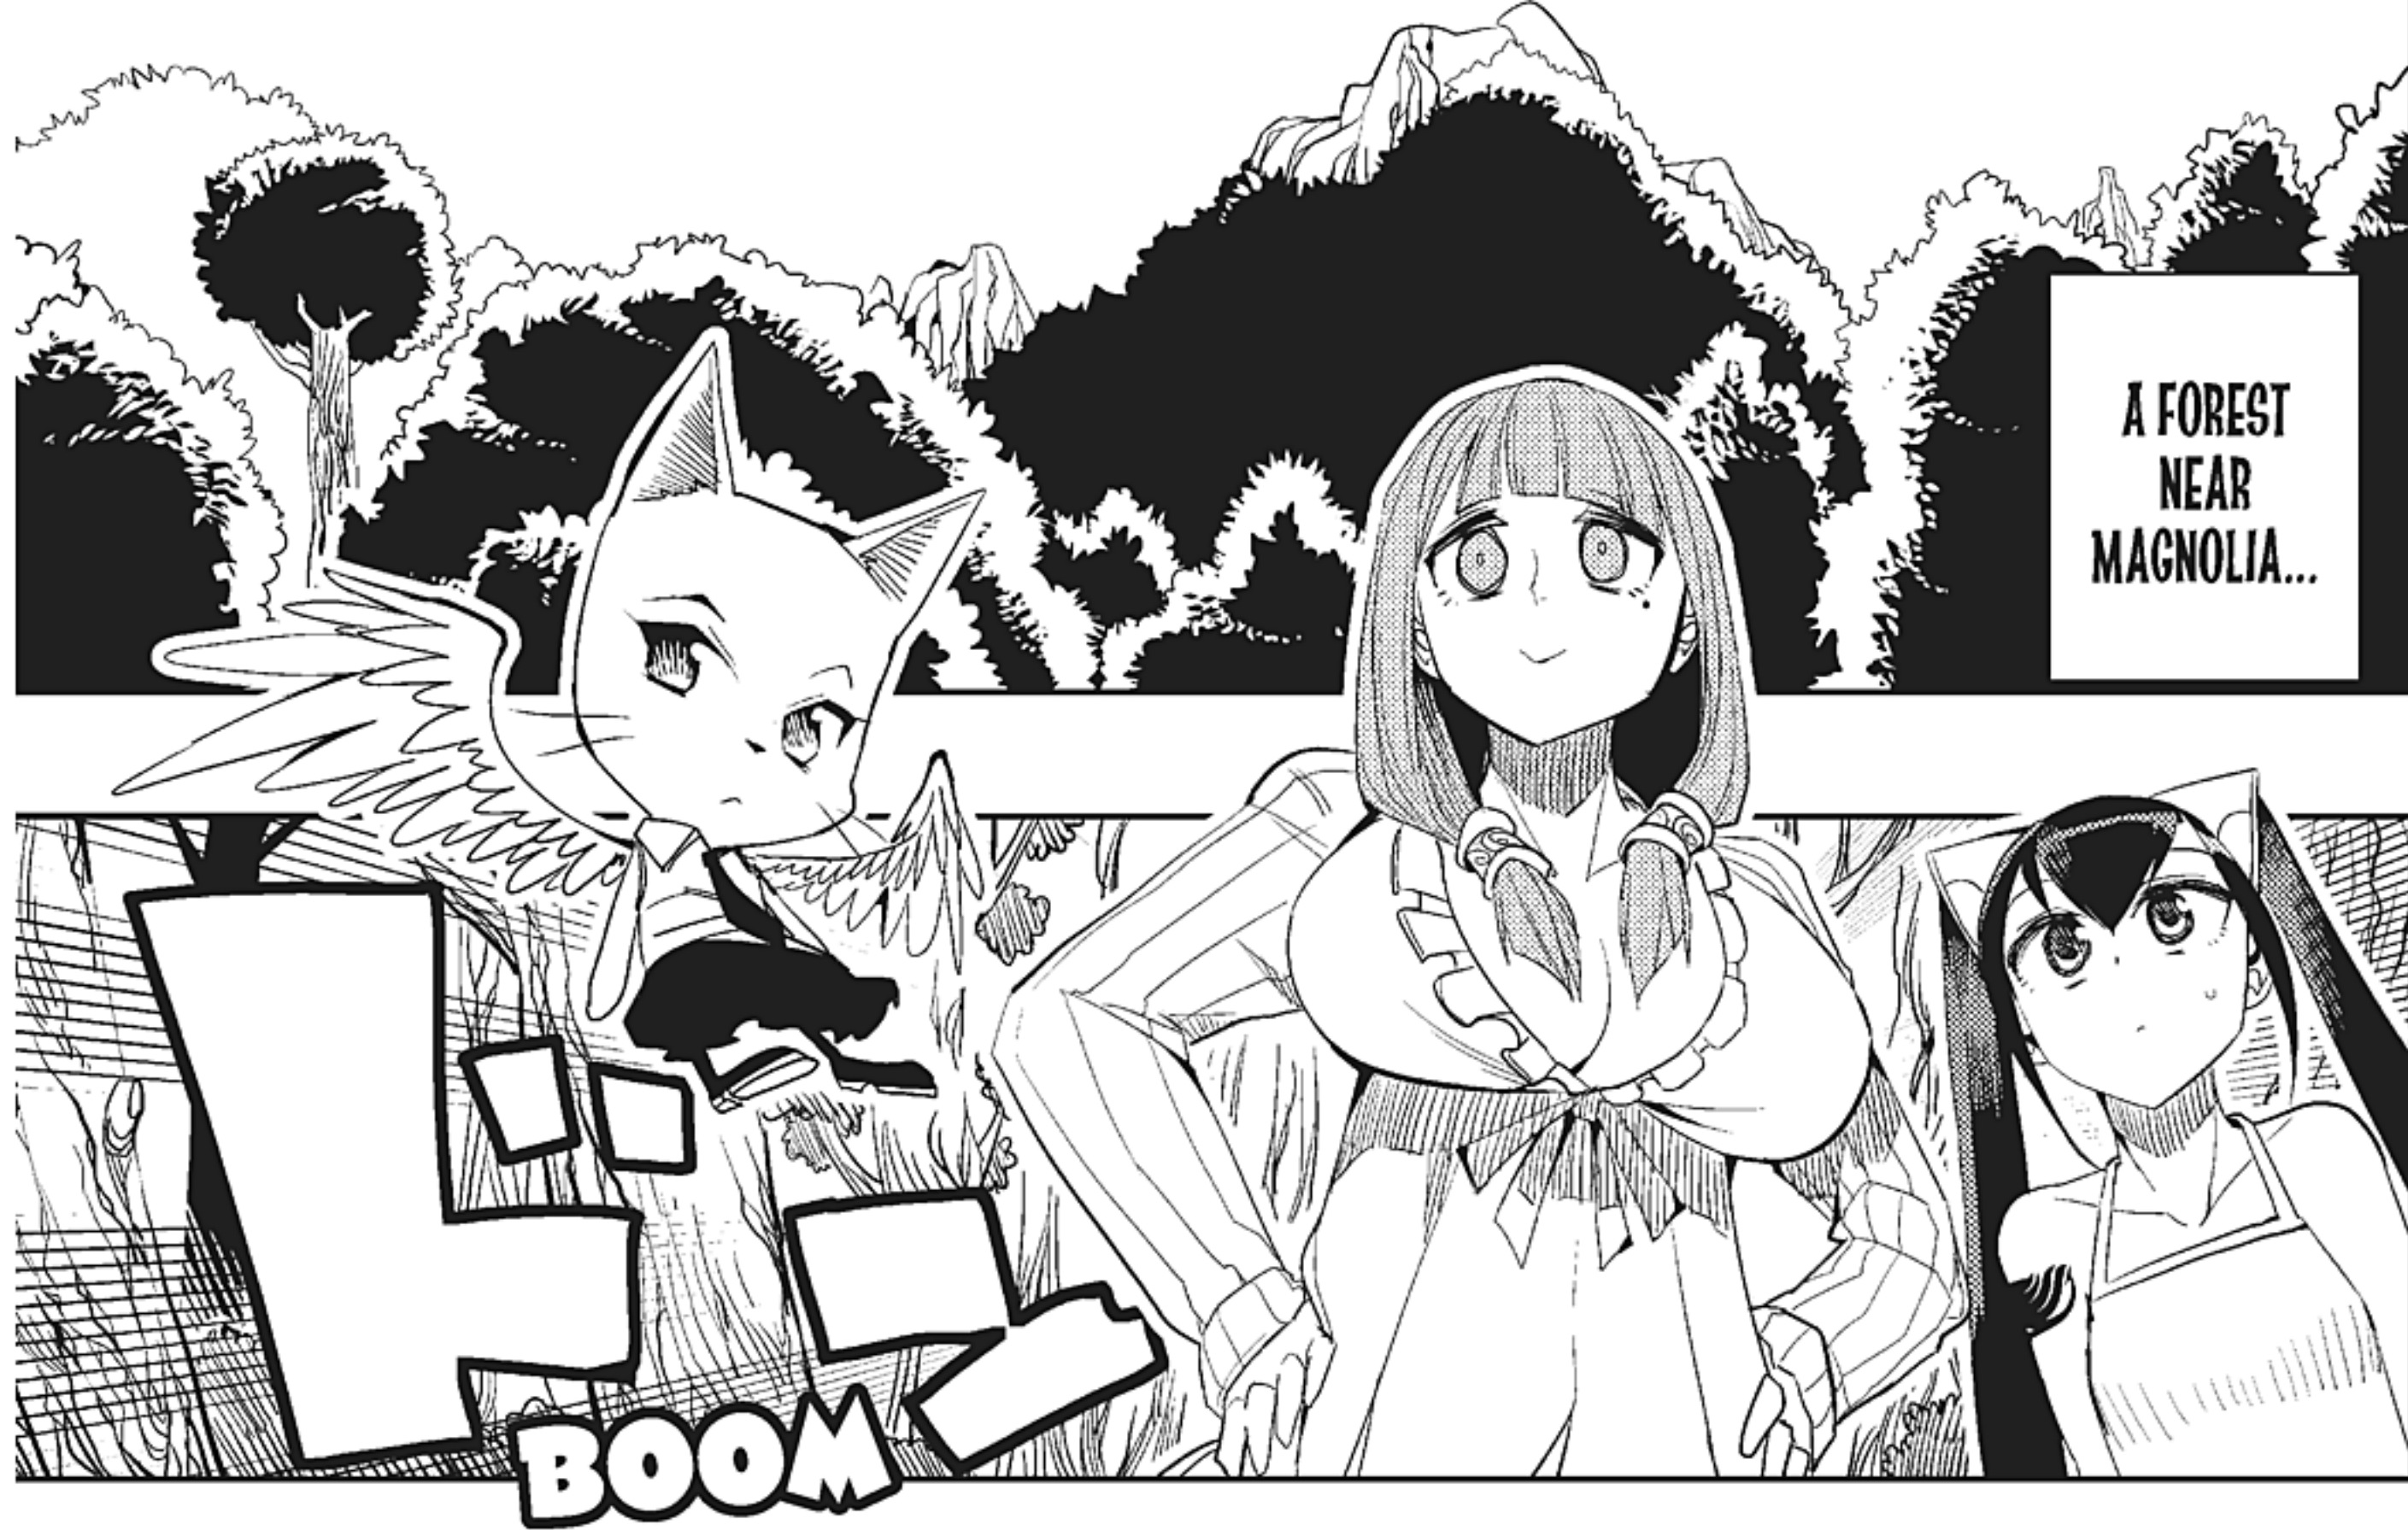

Sem-pai...

...I don't know how helpful I can be, but I'll try to at least do half as much as they did!

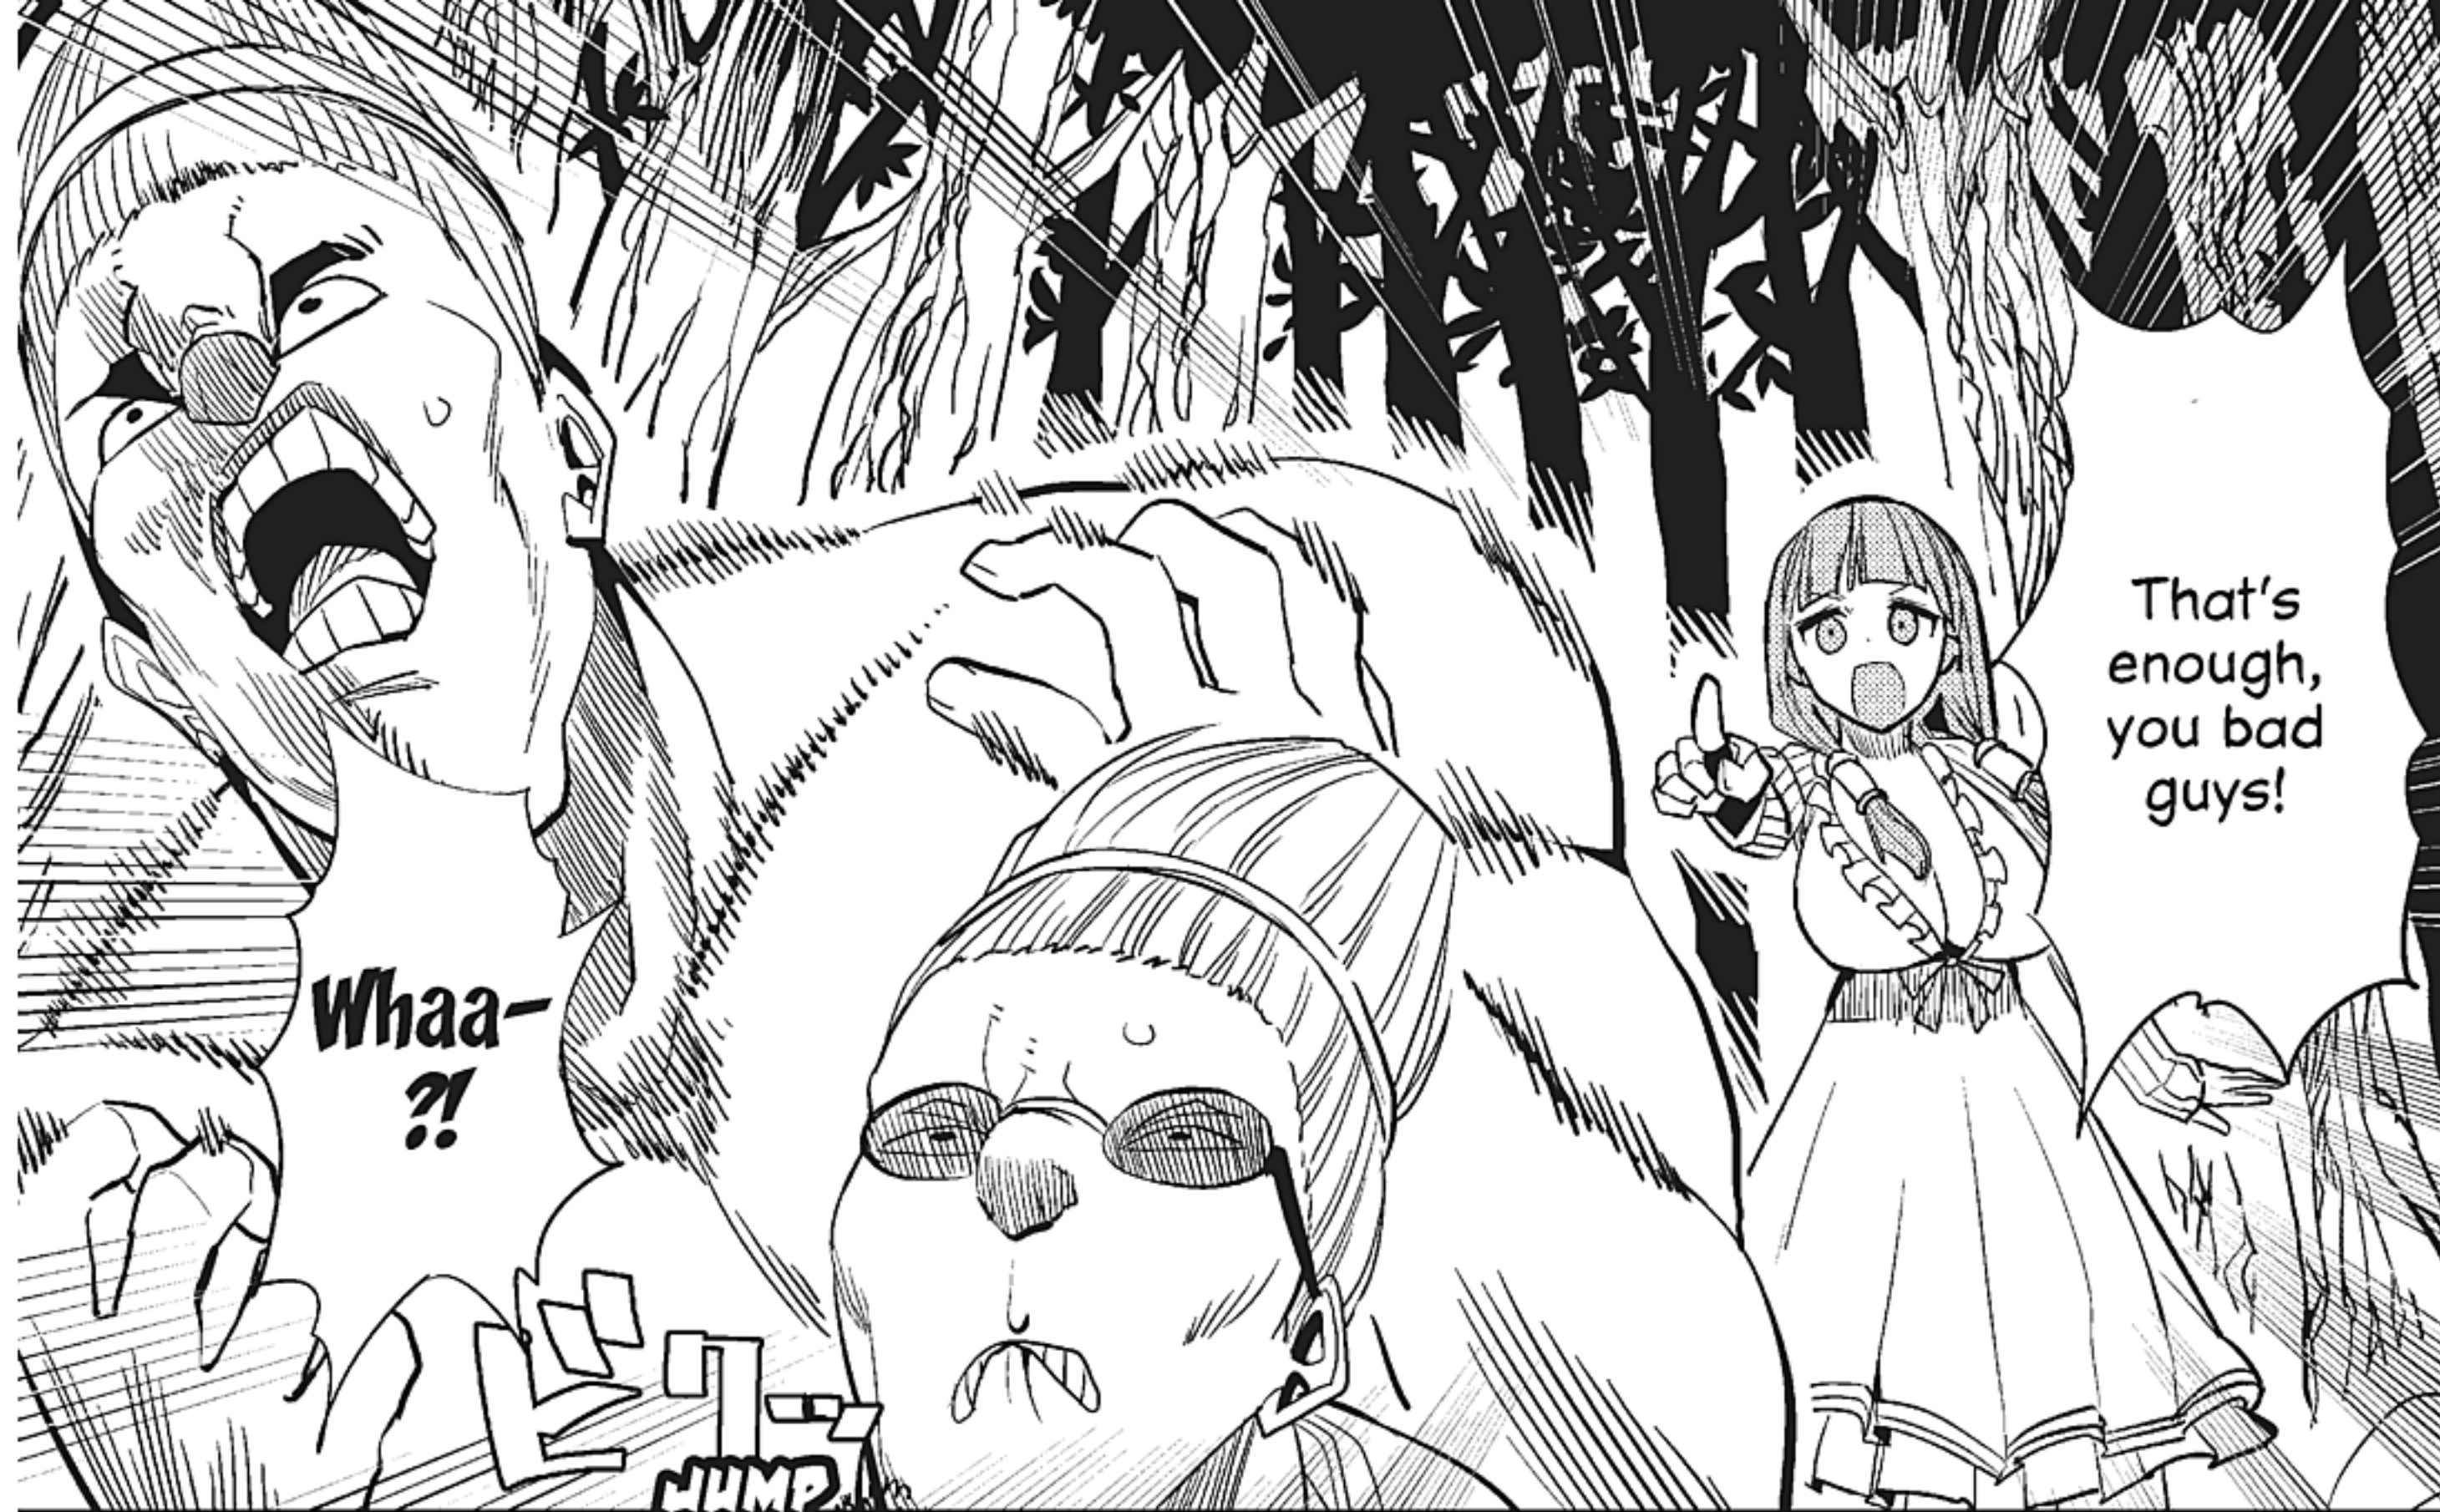

When I first came to Fairy Tail, everyone helped me out so much...

Whaa-
?!

That's
enough,
you bad
guys!

CLUMP!

I
am rookie
Fairy Tail
Wizard,
Sumire!!

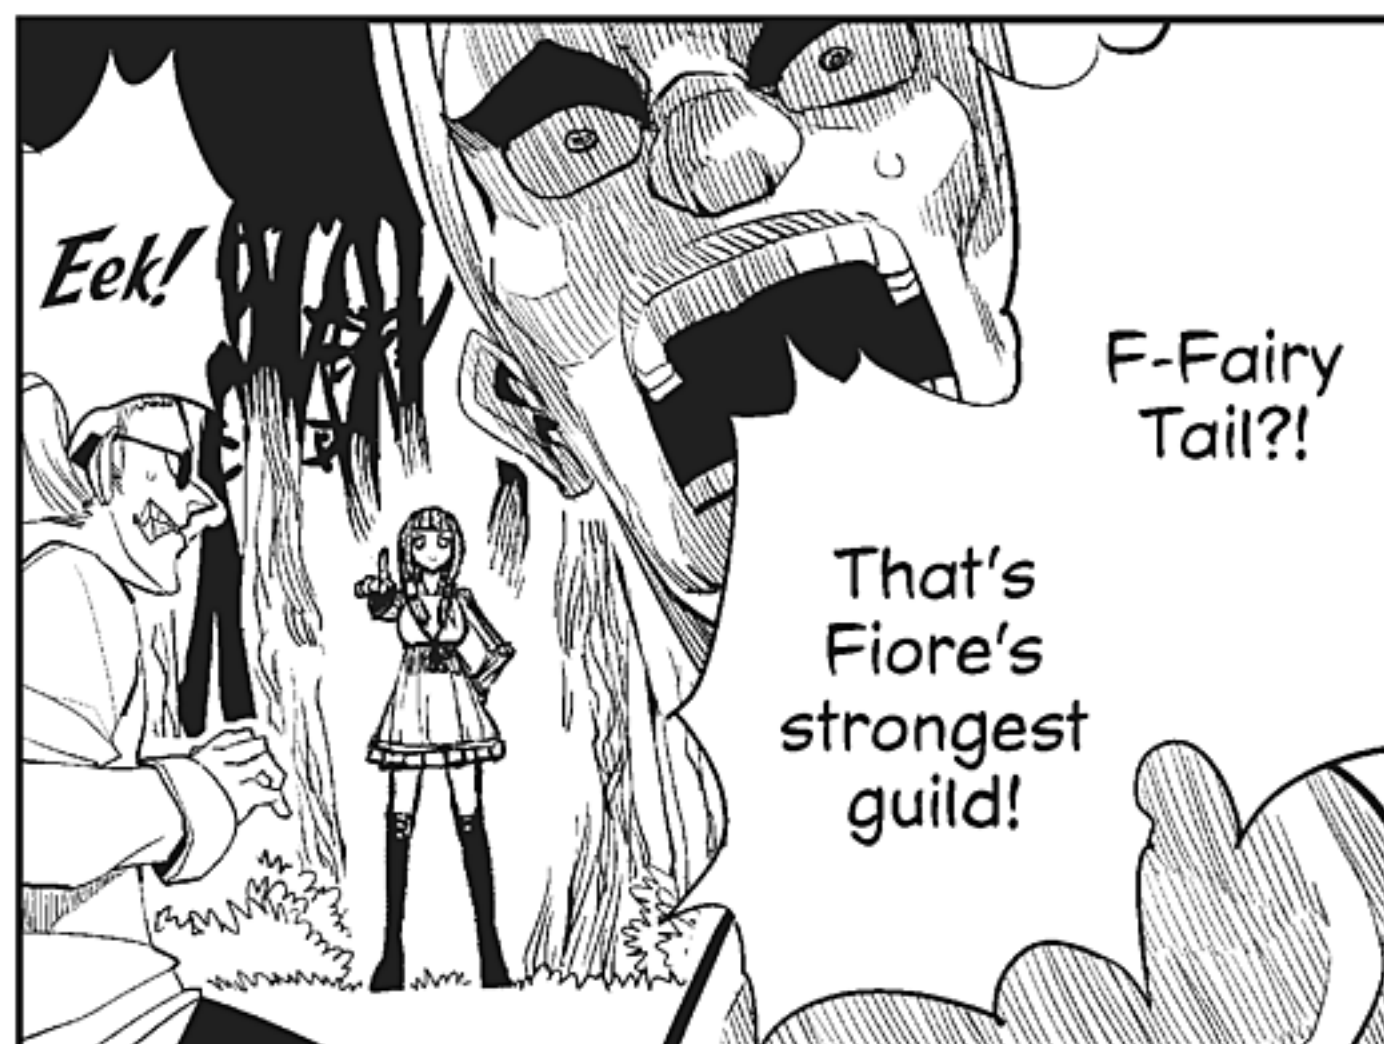

And I
refuse to
permit you
to litter like
that!

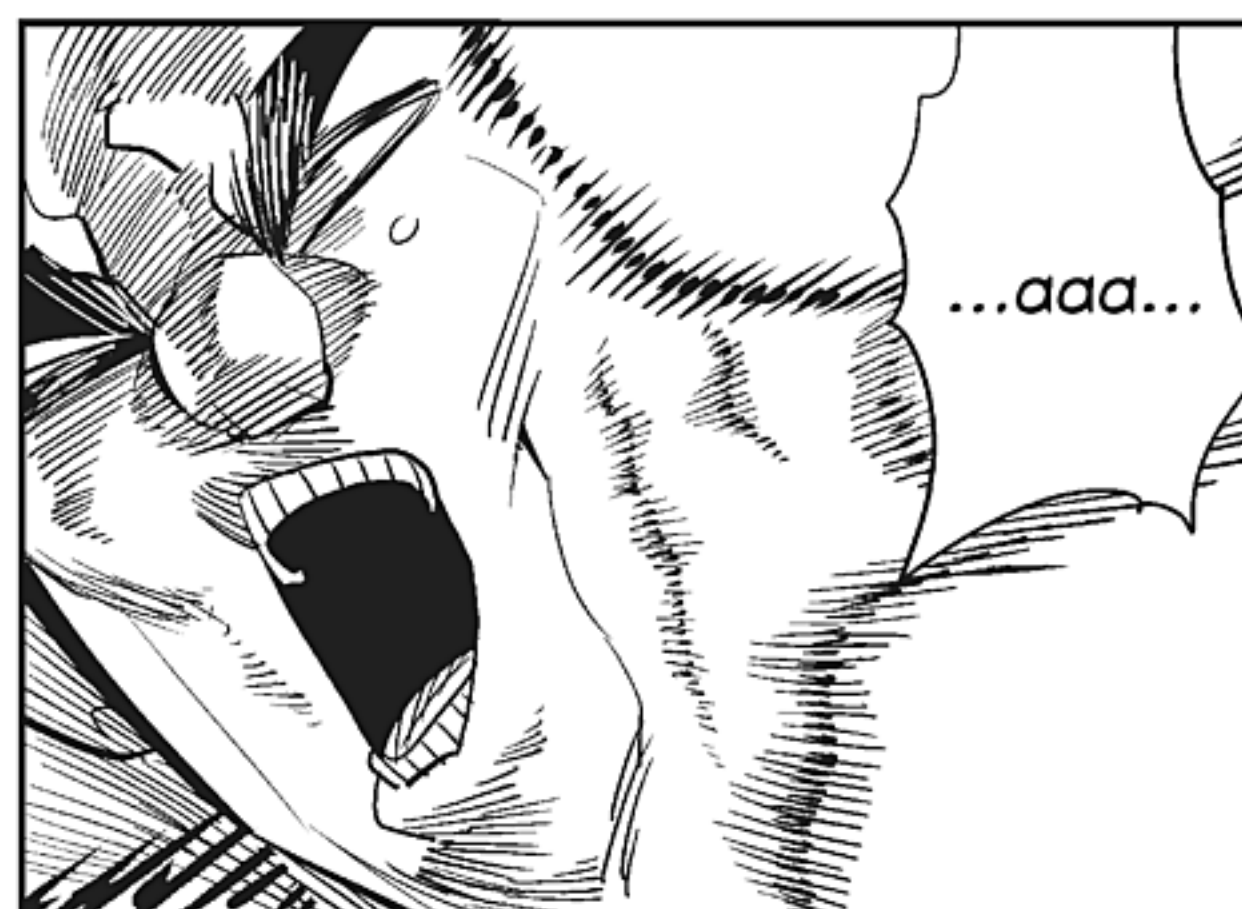

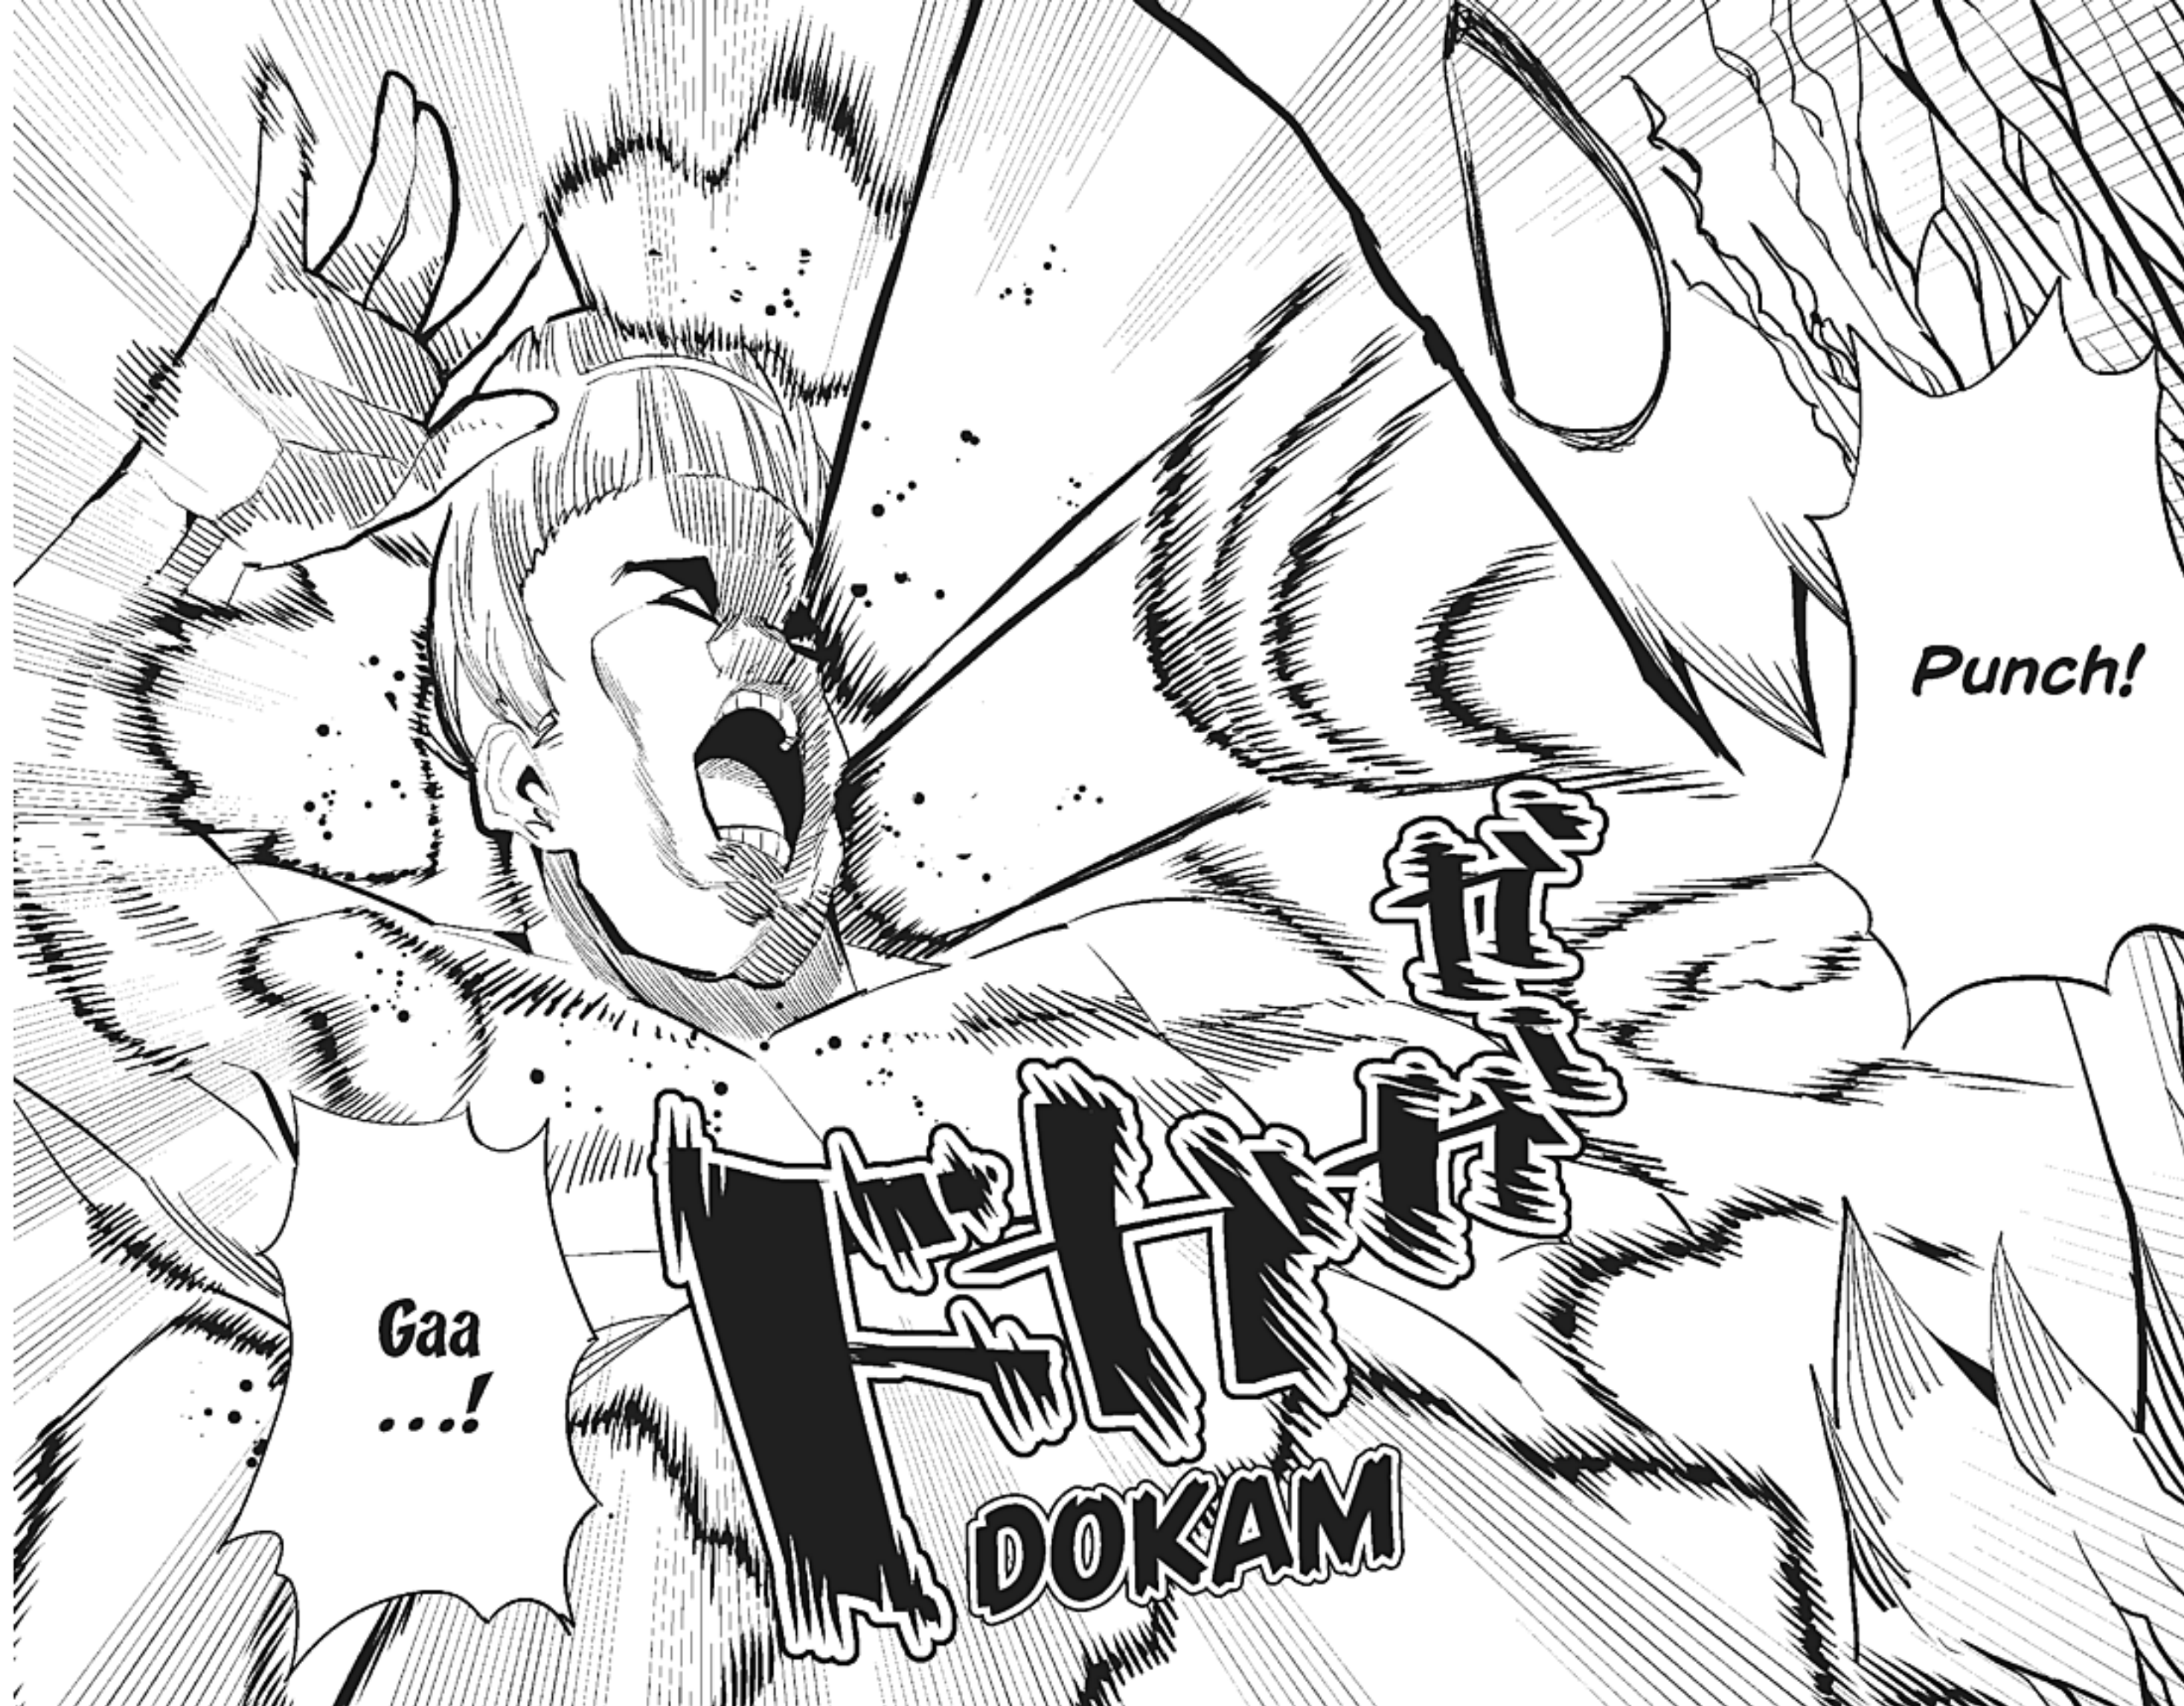

VWAAM

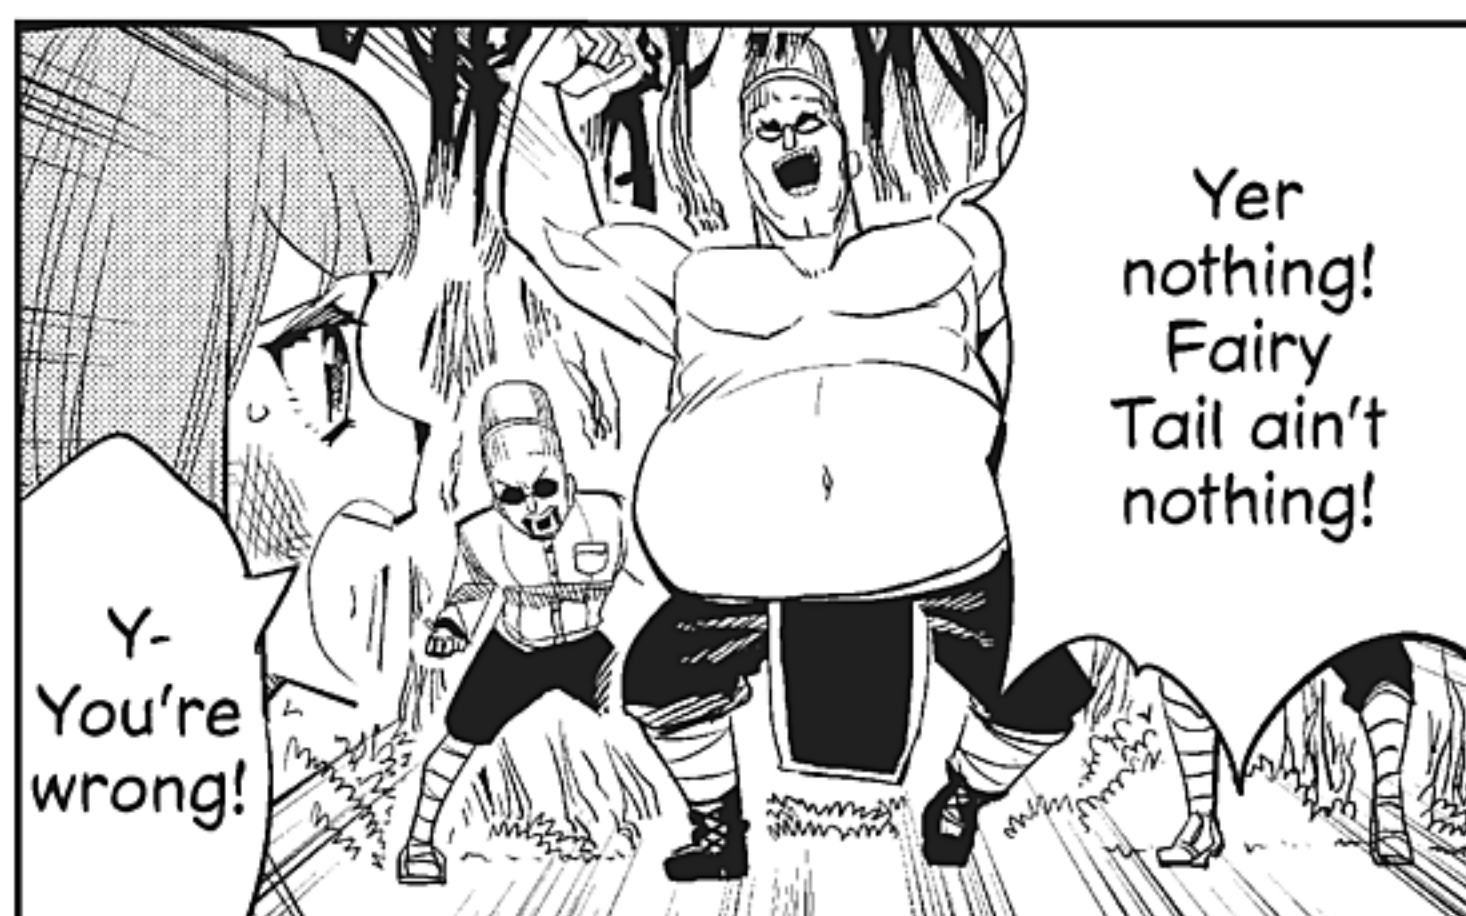

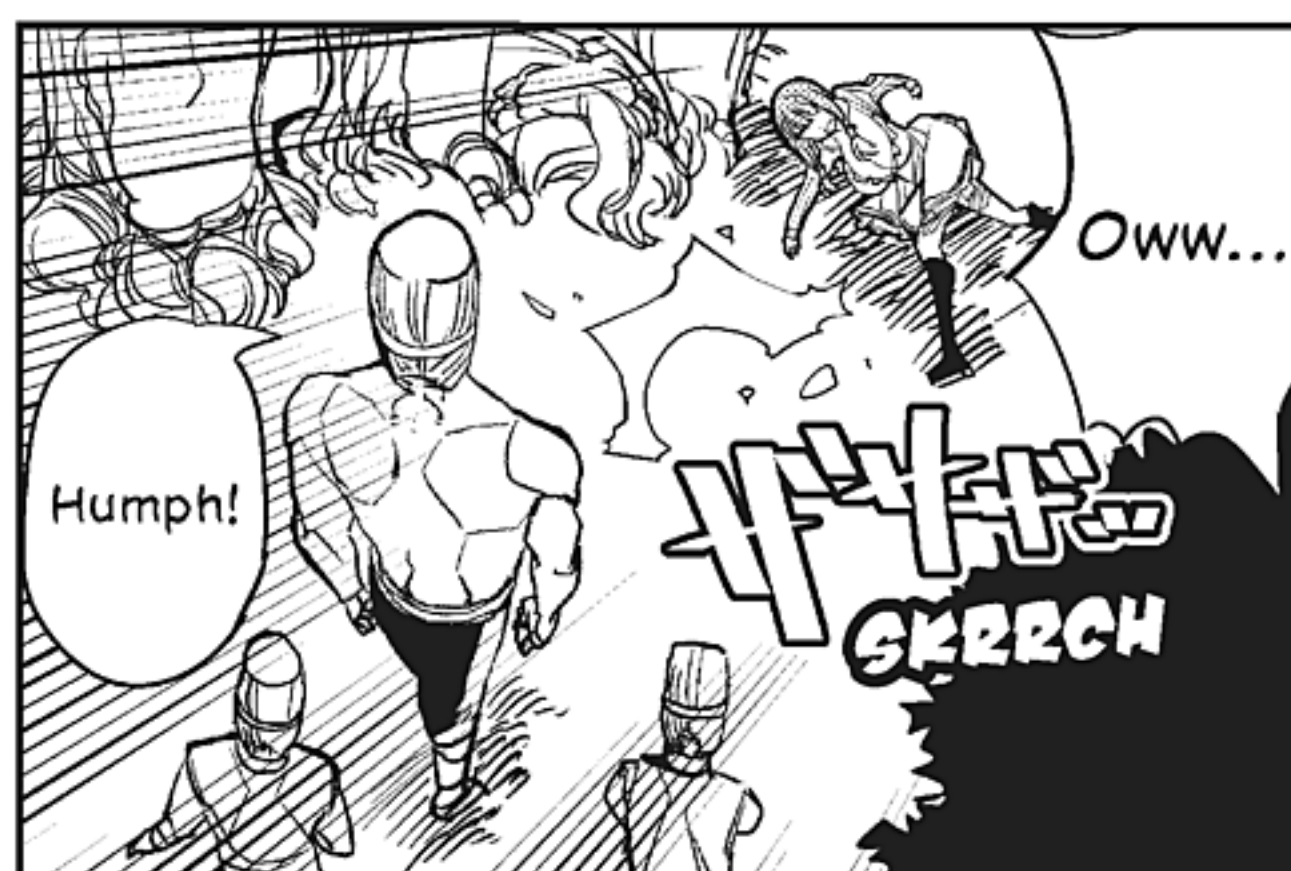

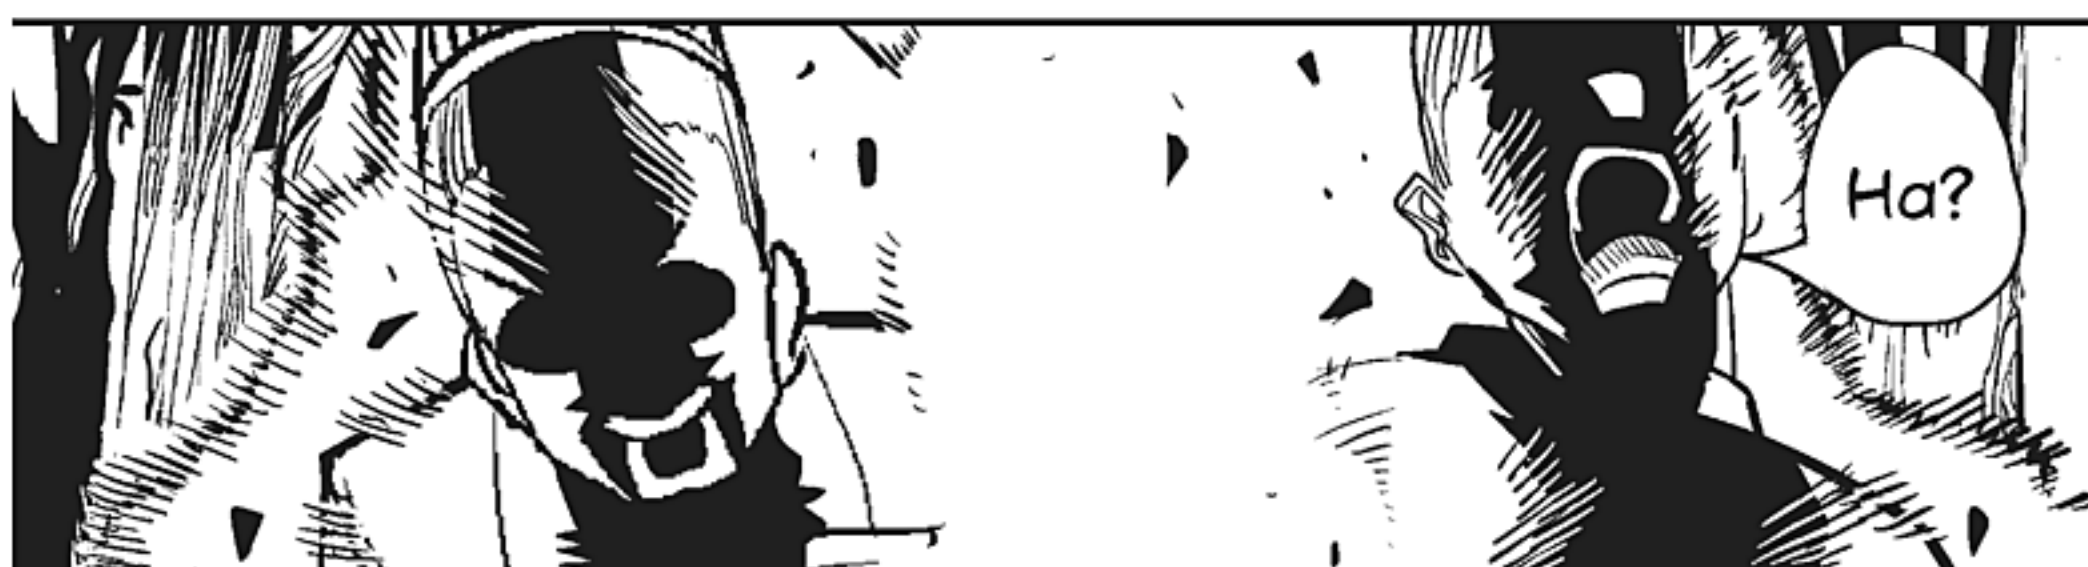

Who're
you?!

I never
thought I'd
catch the
criminals
red-handed
right at the
start of my
investiga-
tion!

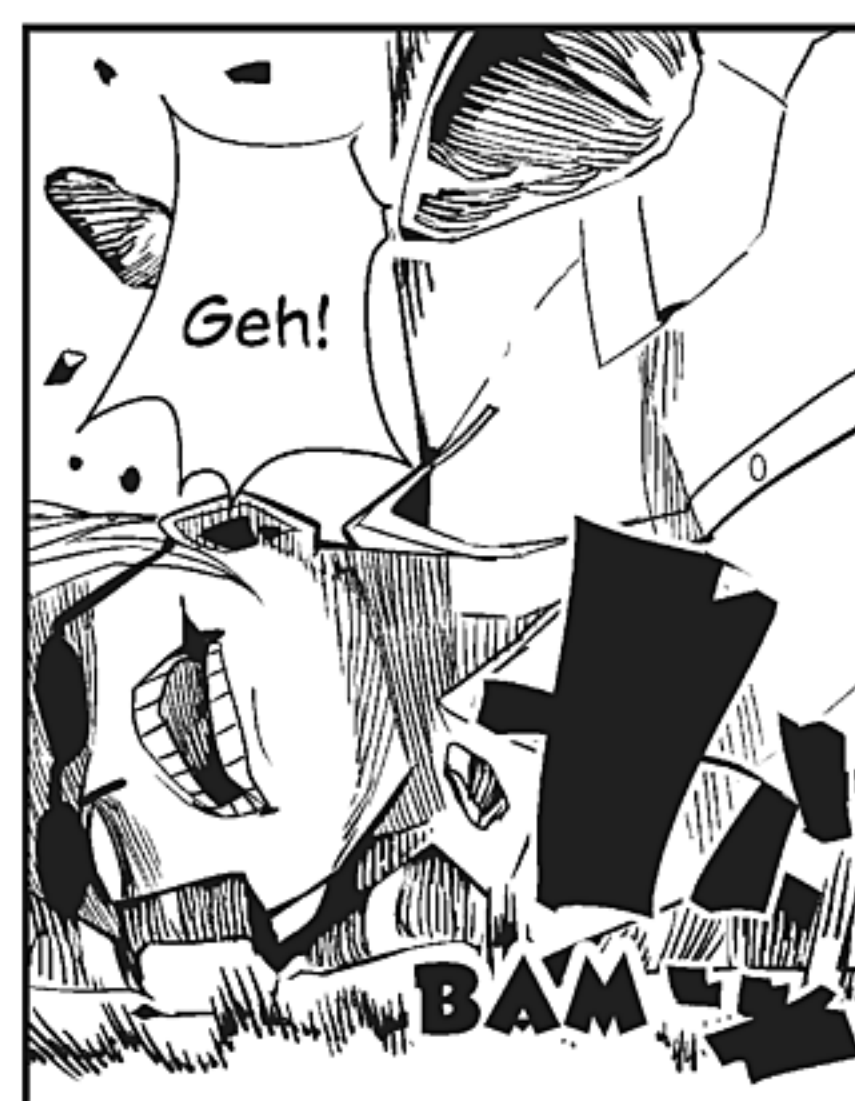

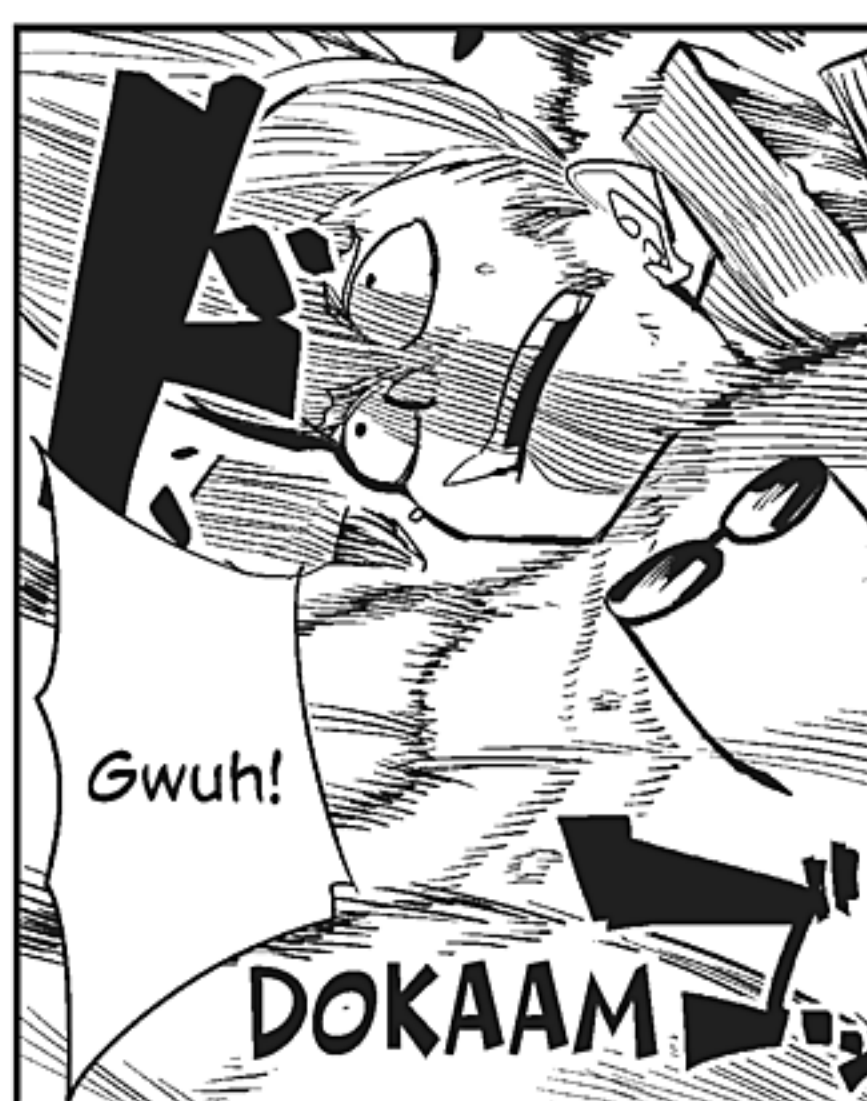

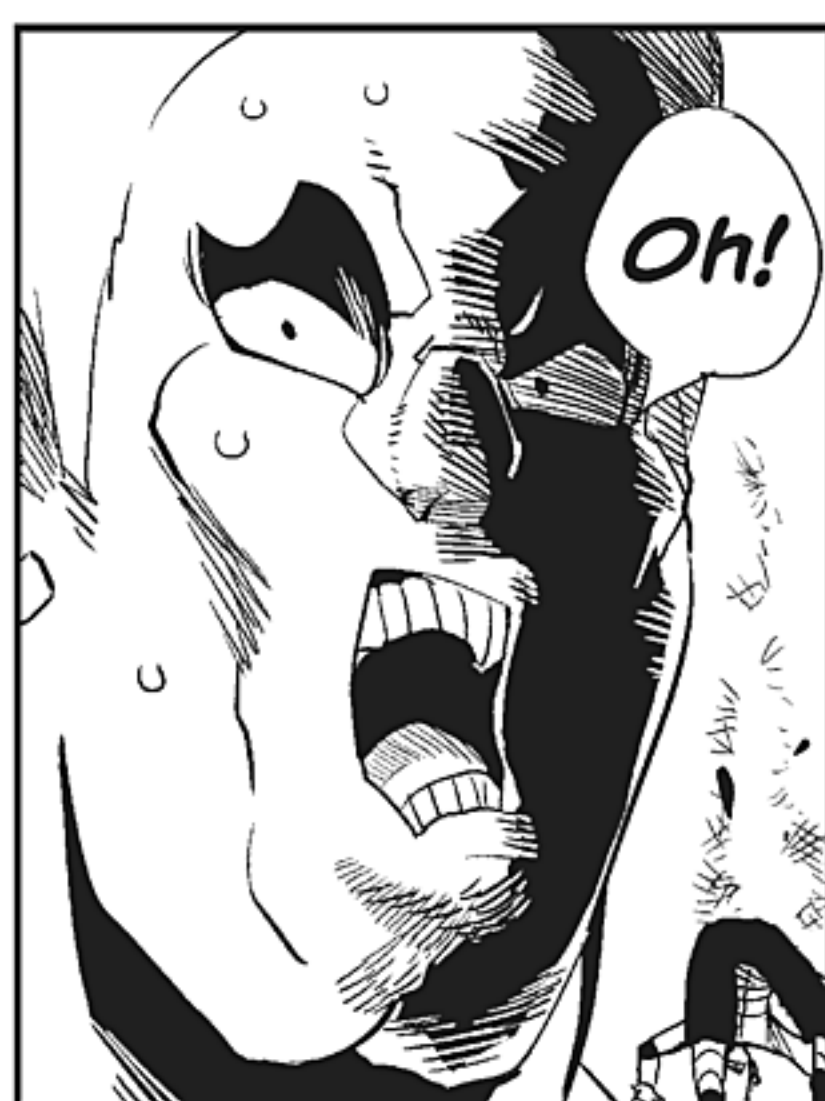

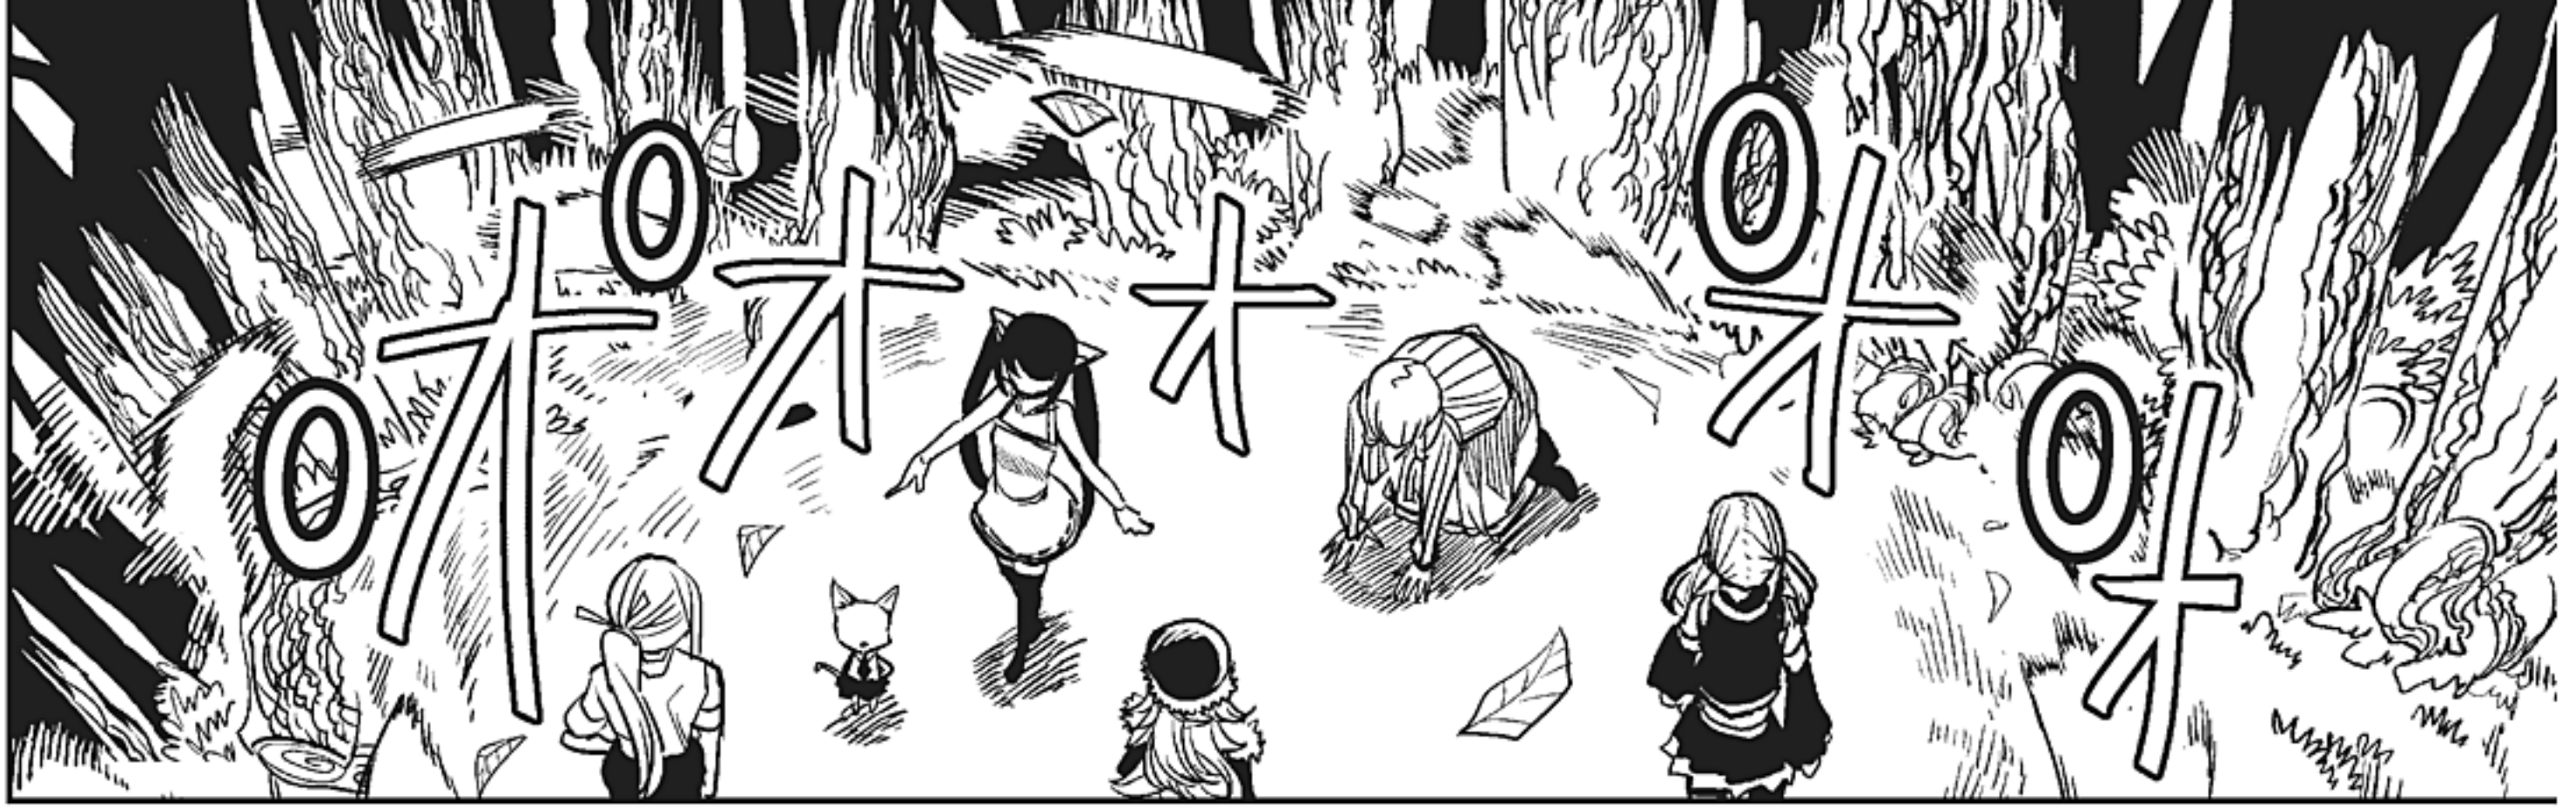

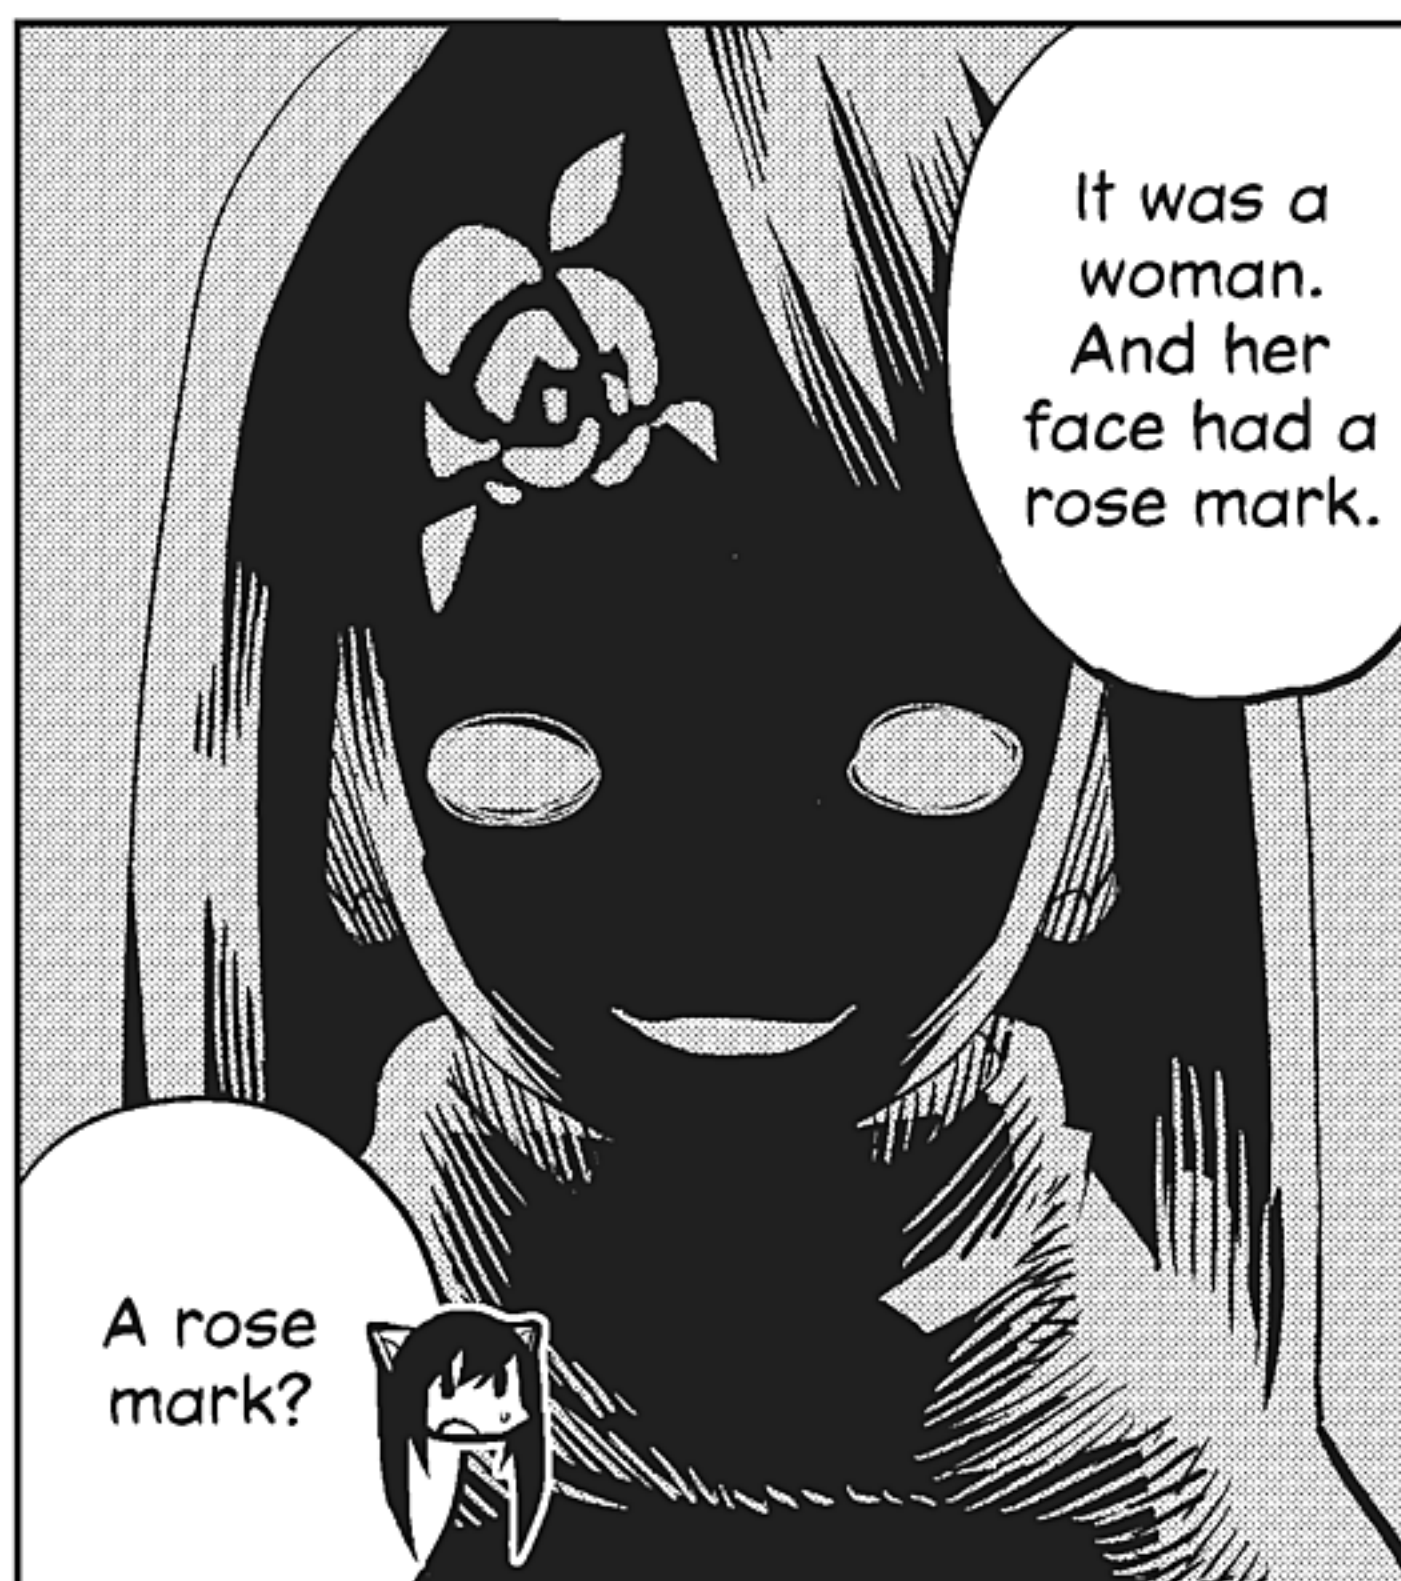

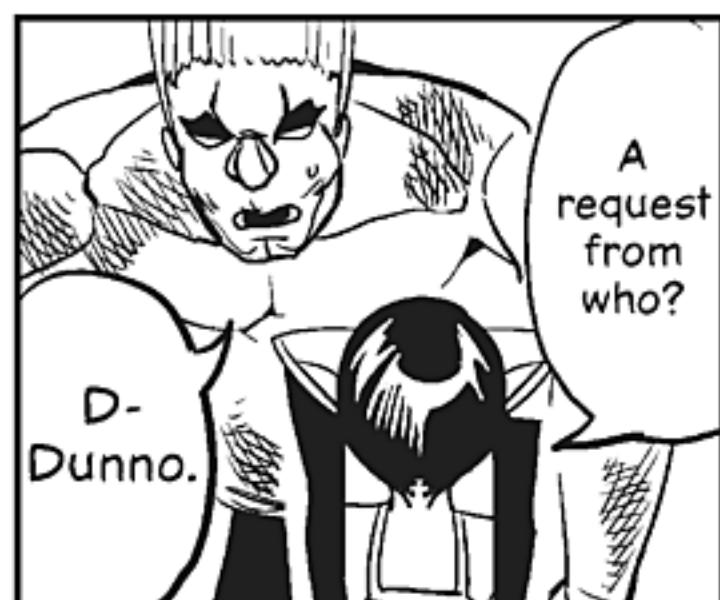

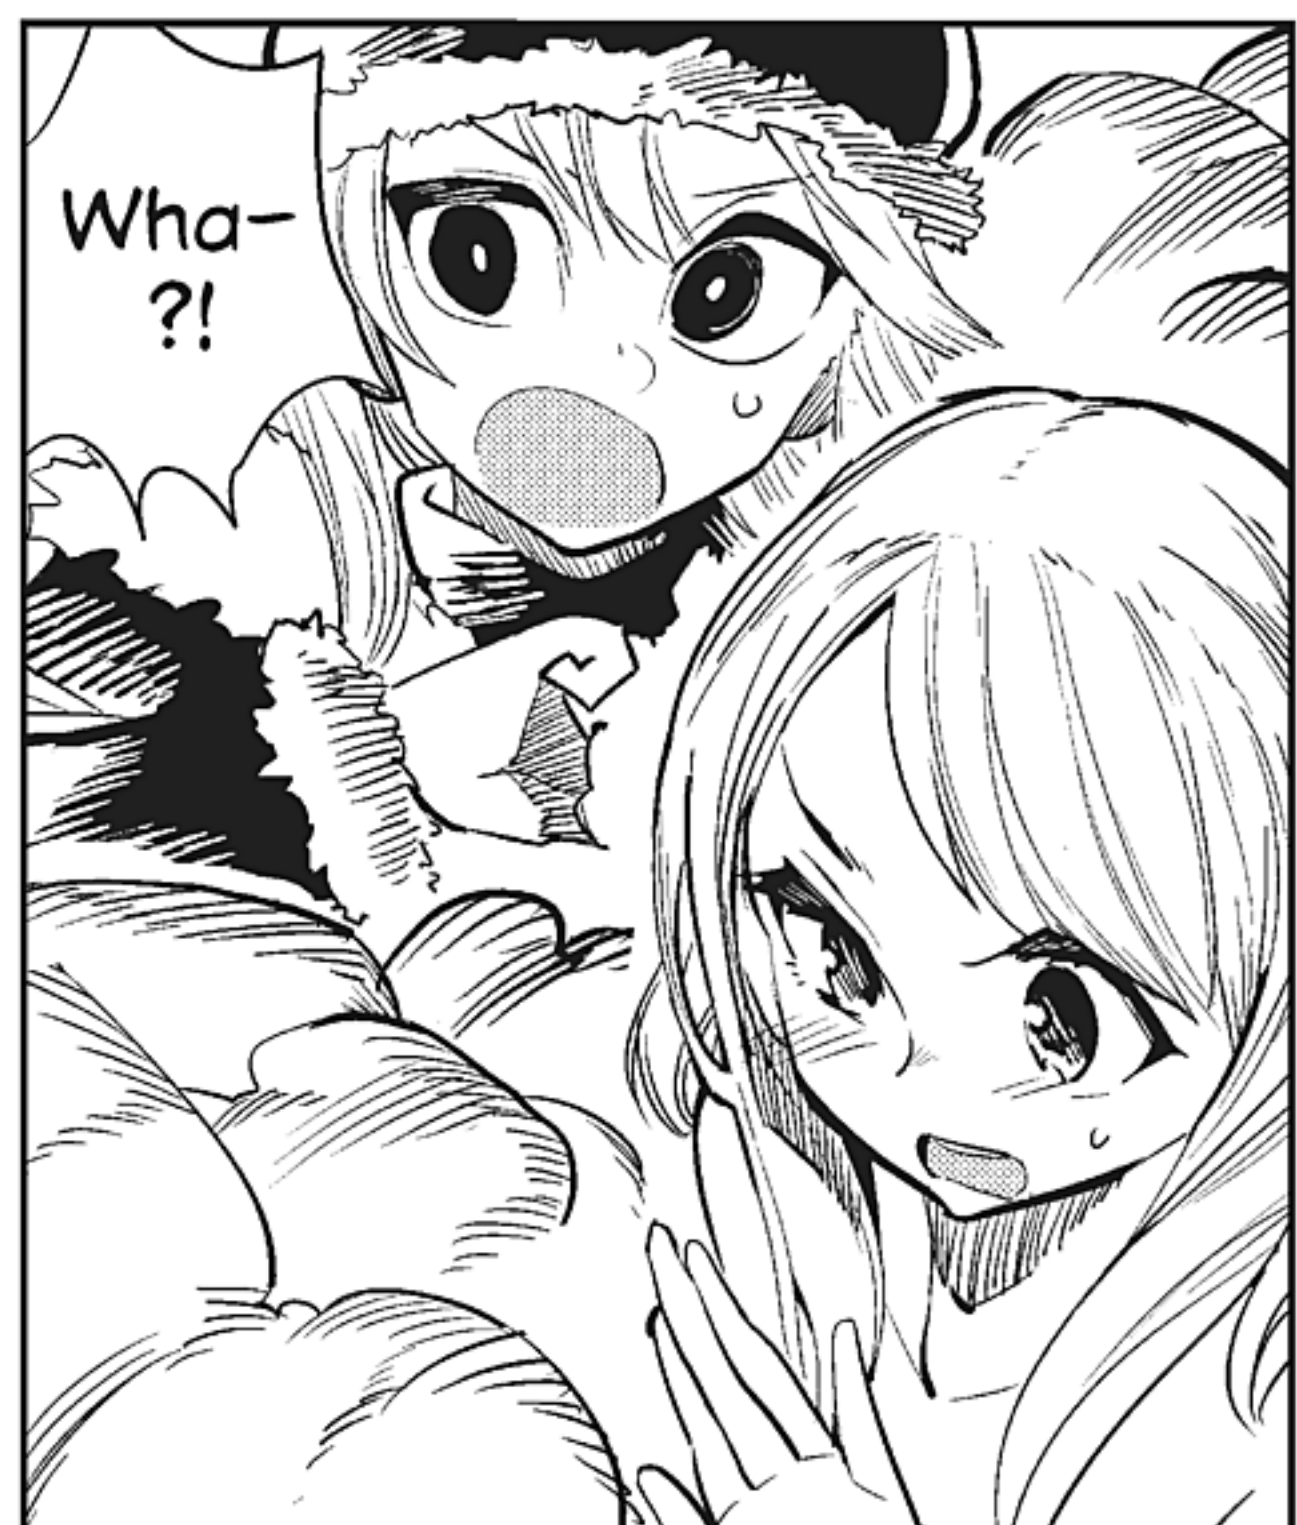

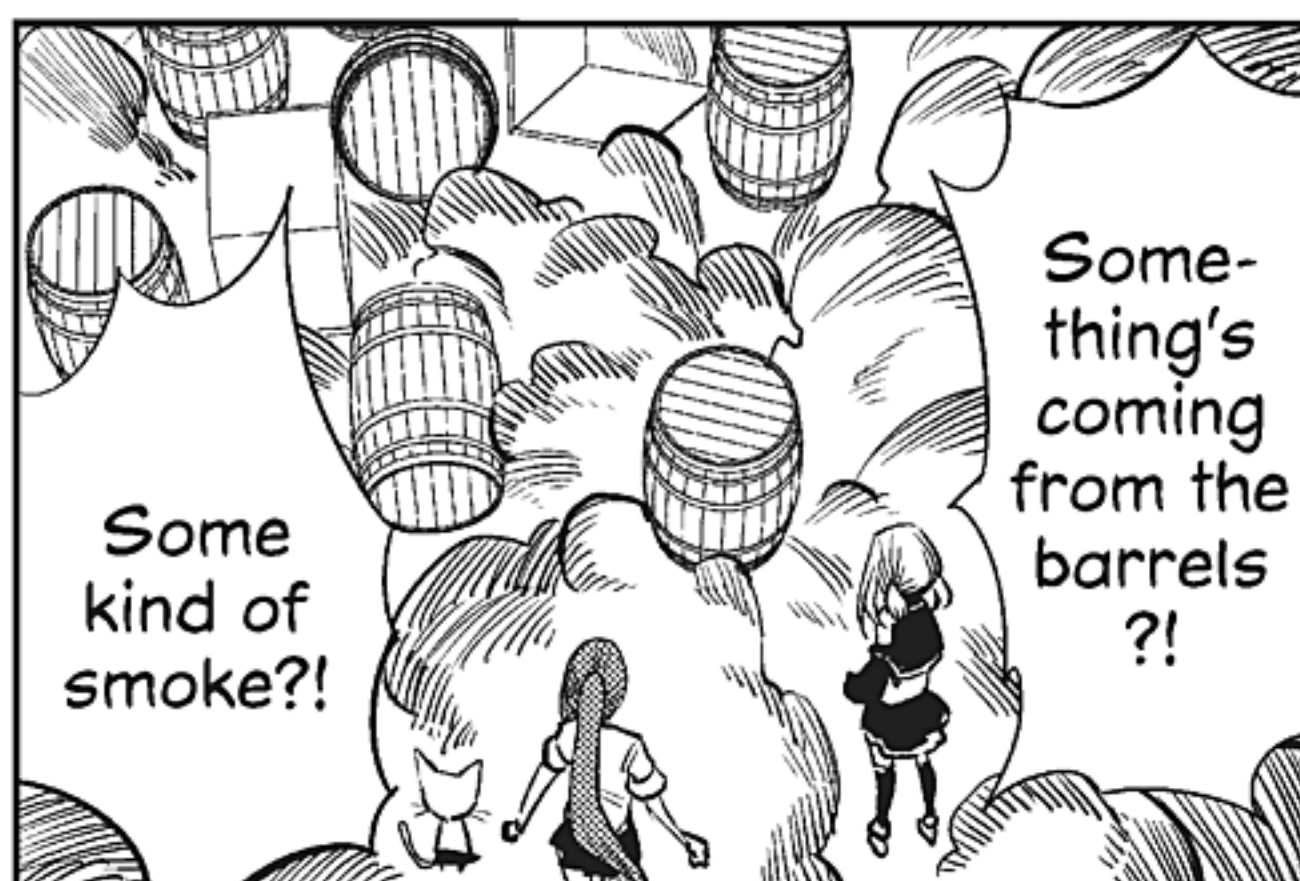

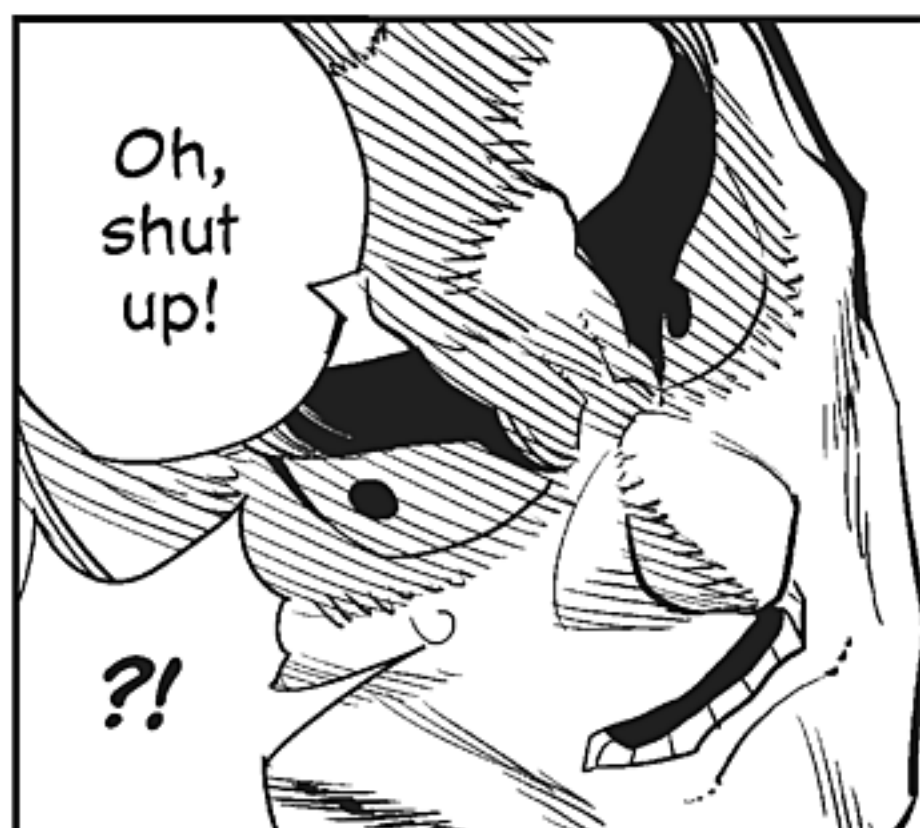

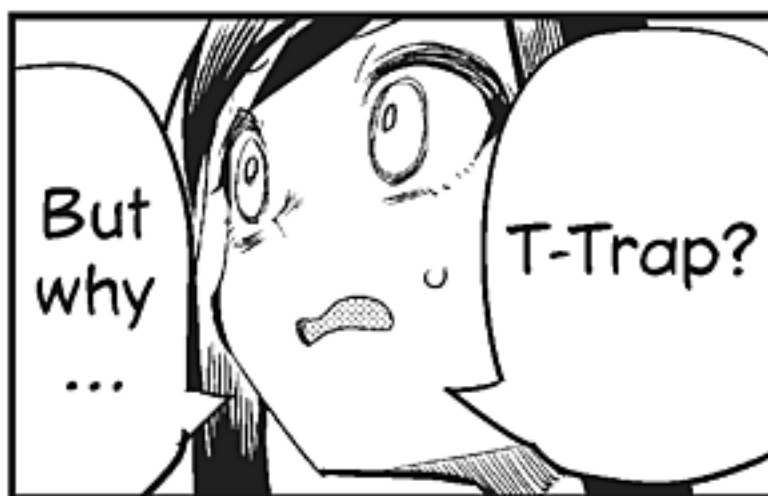

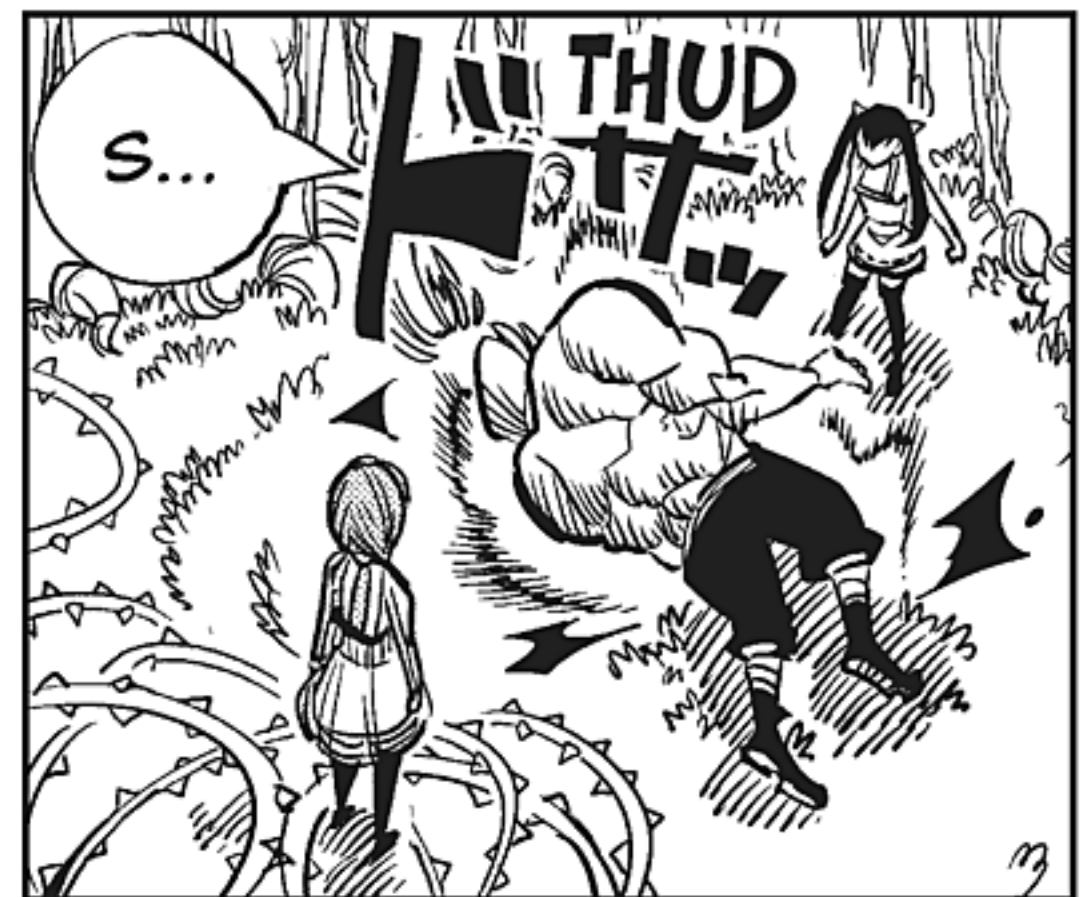

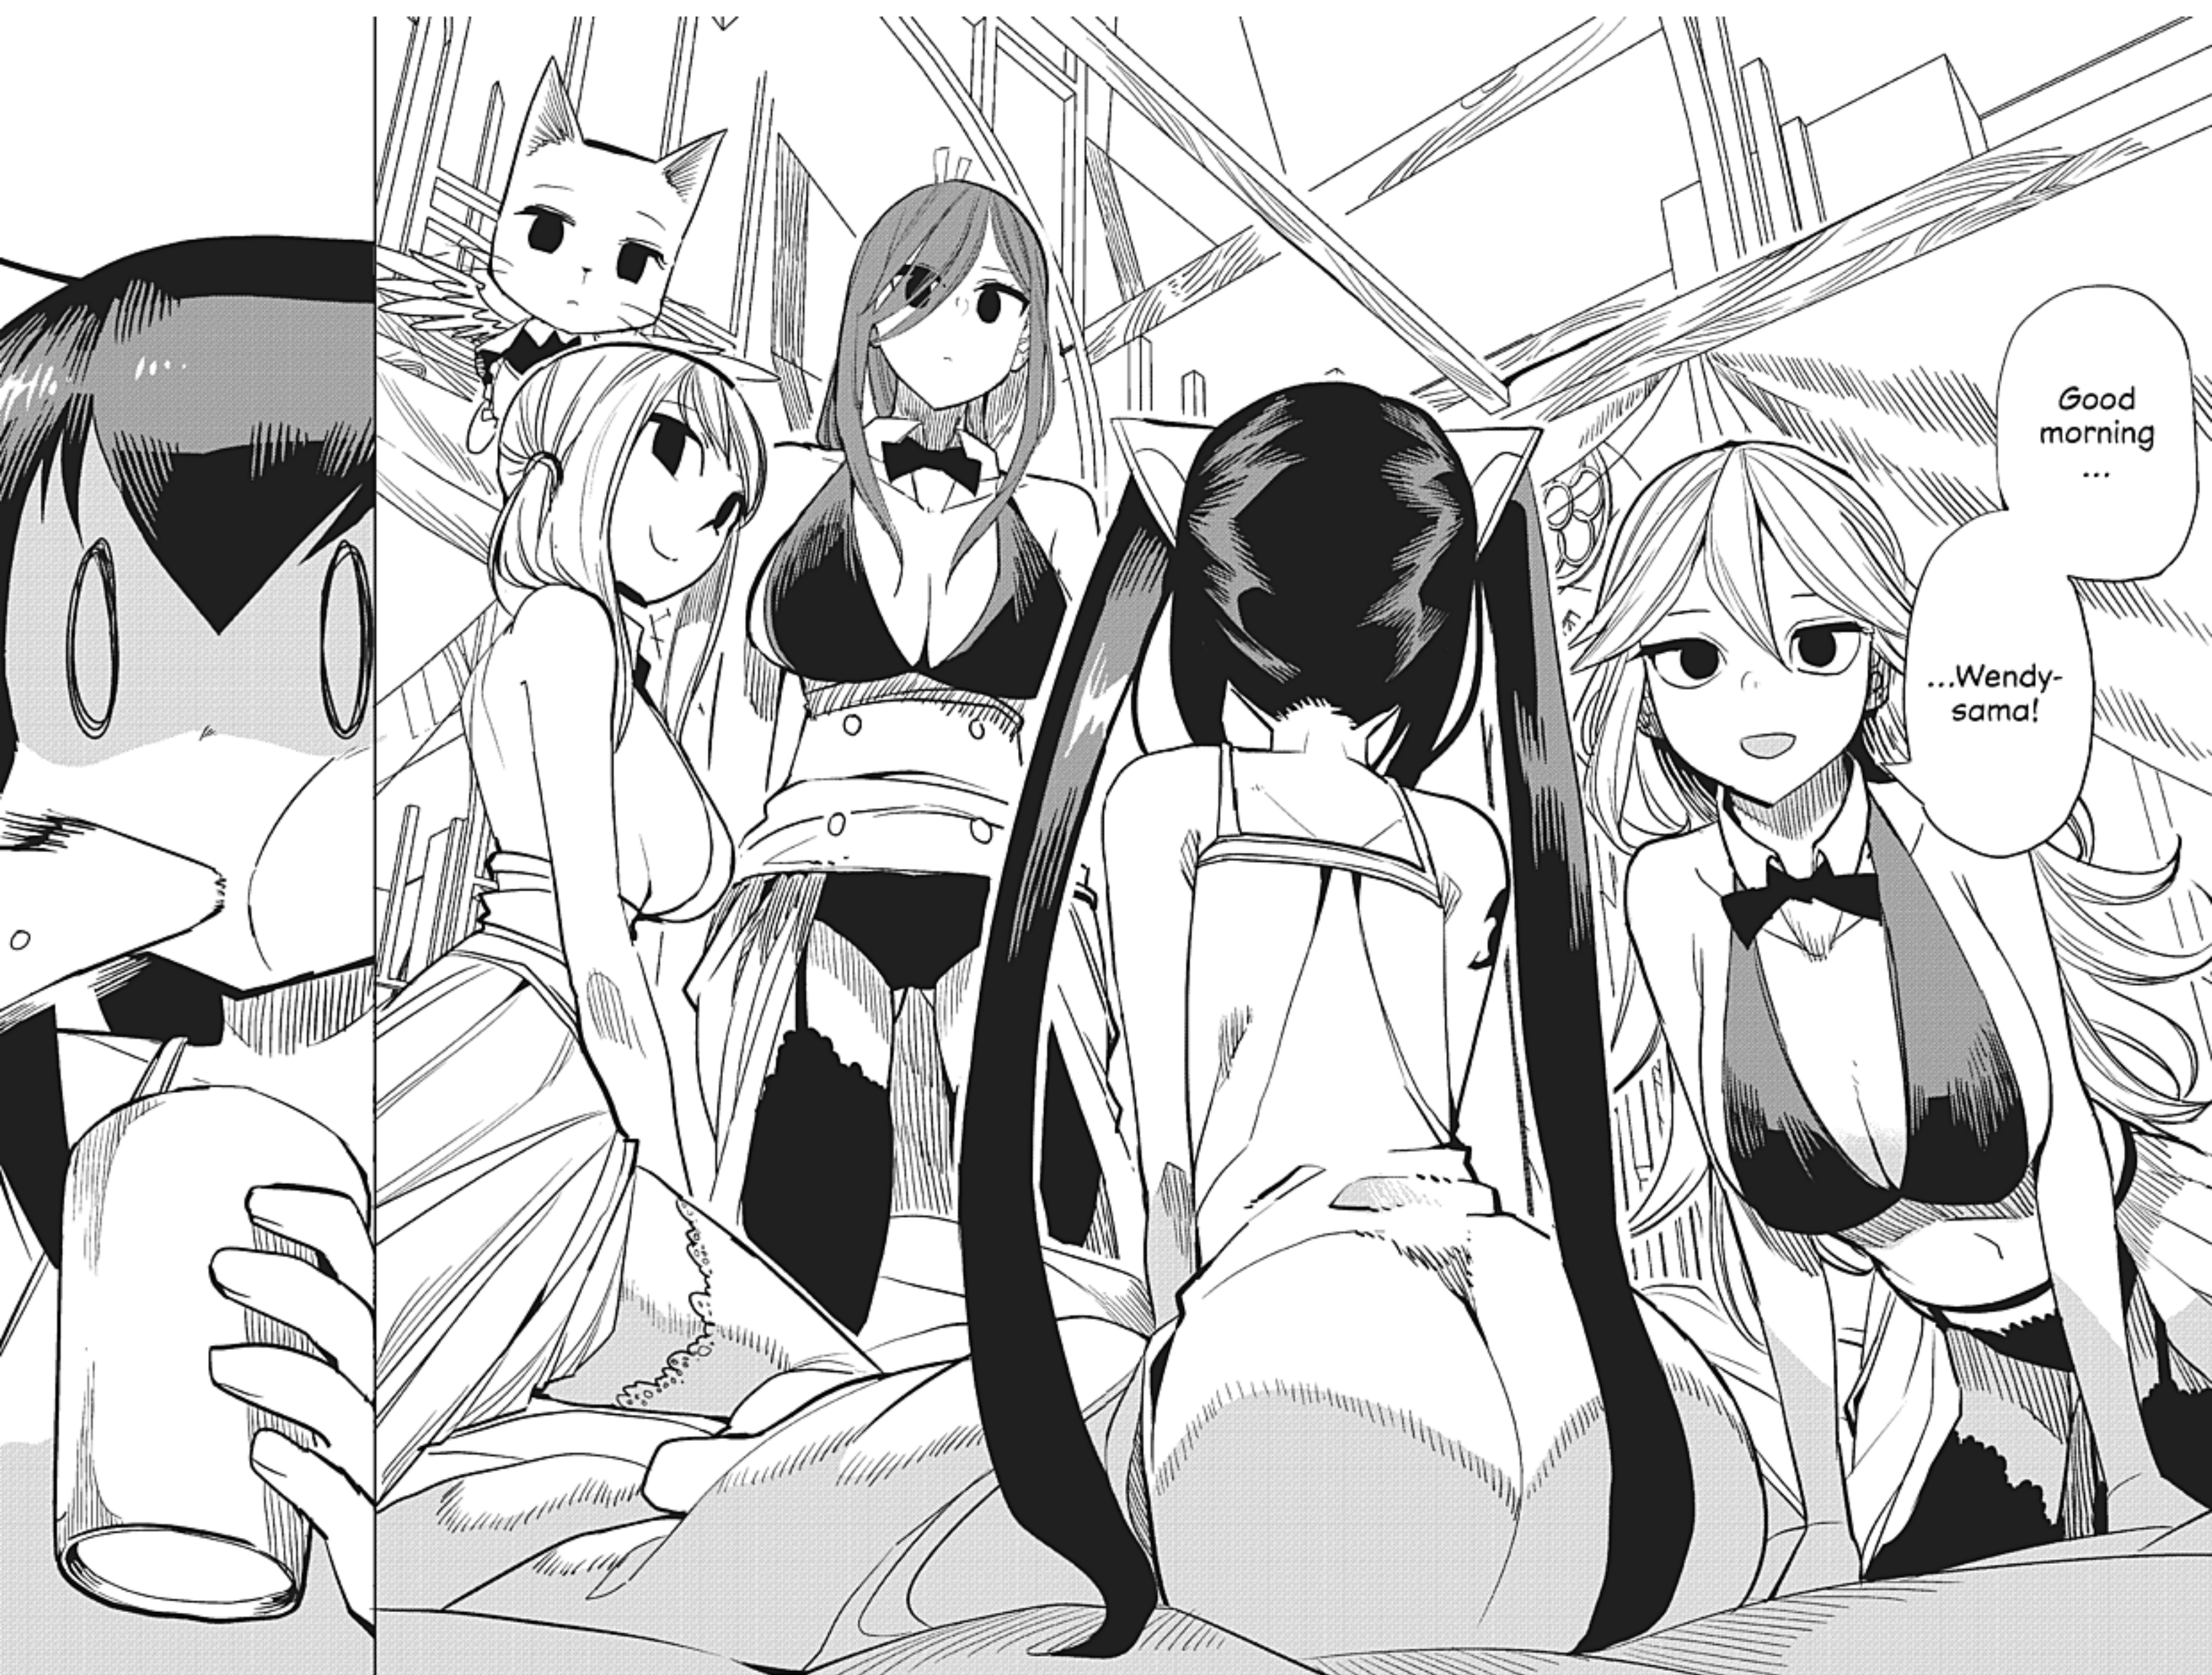

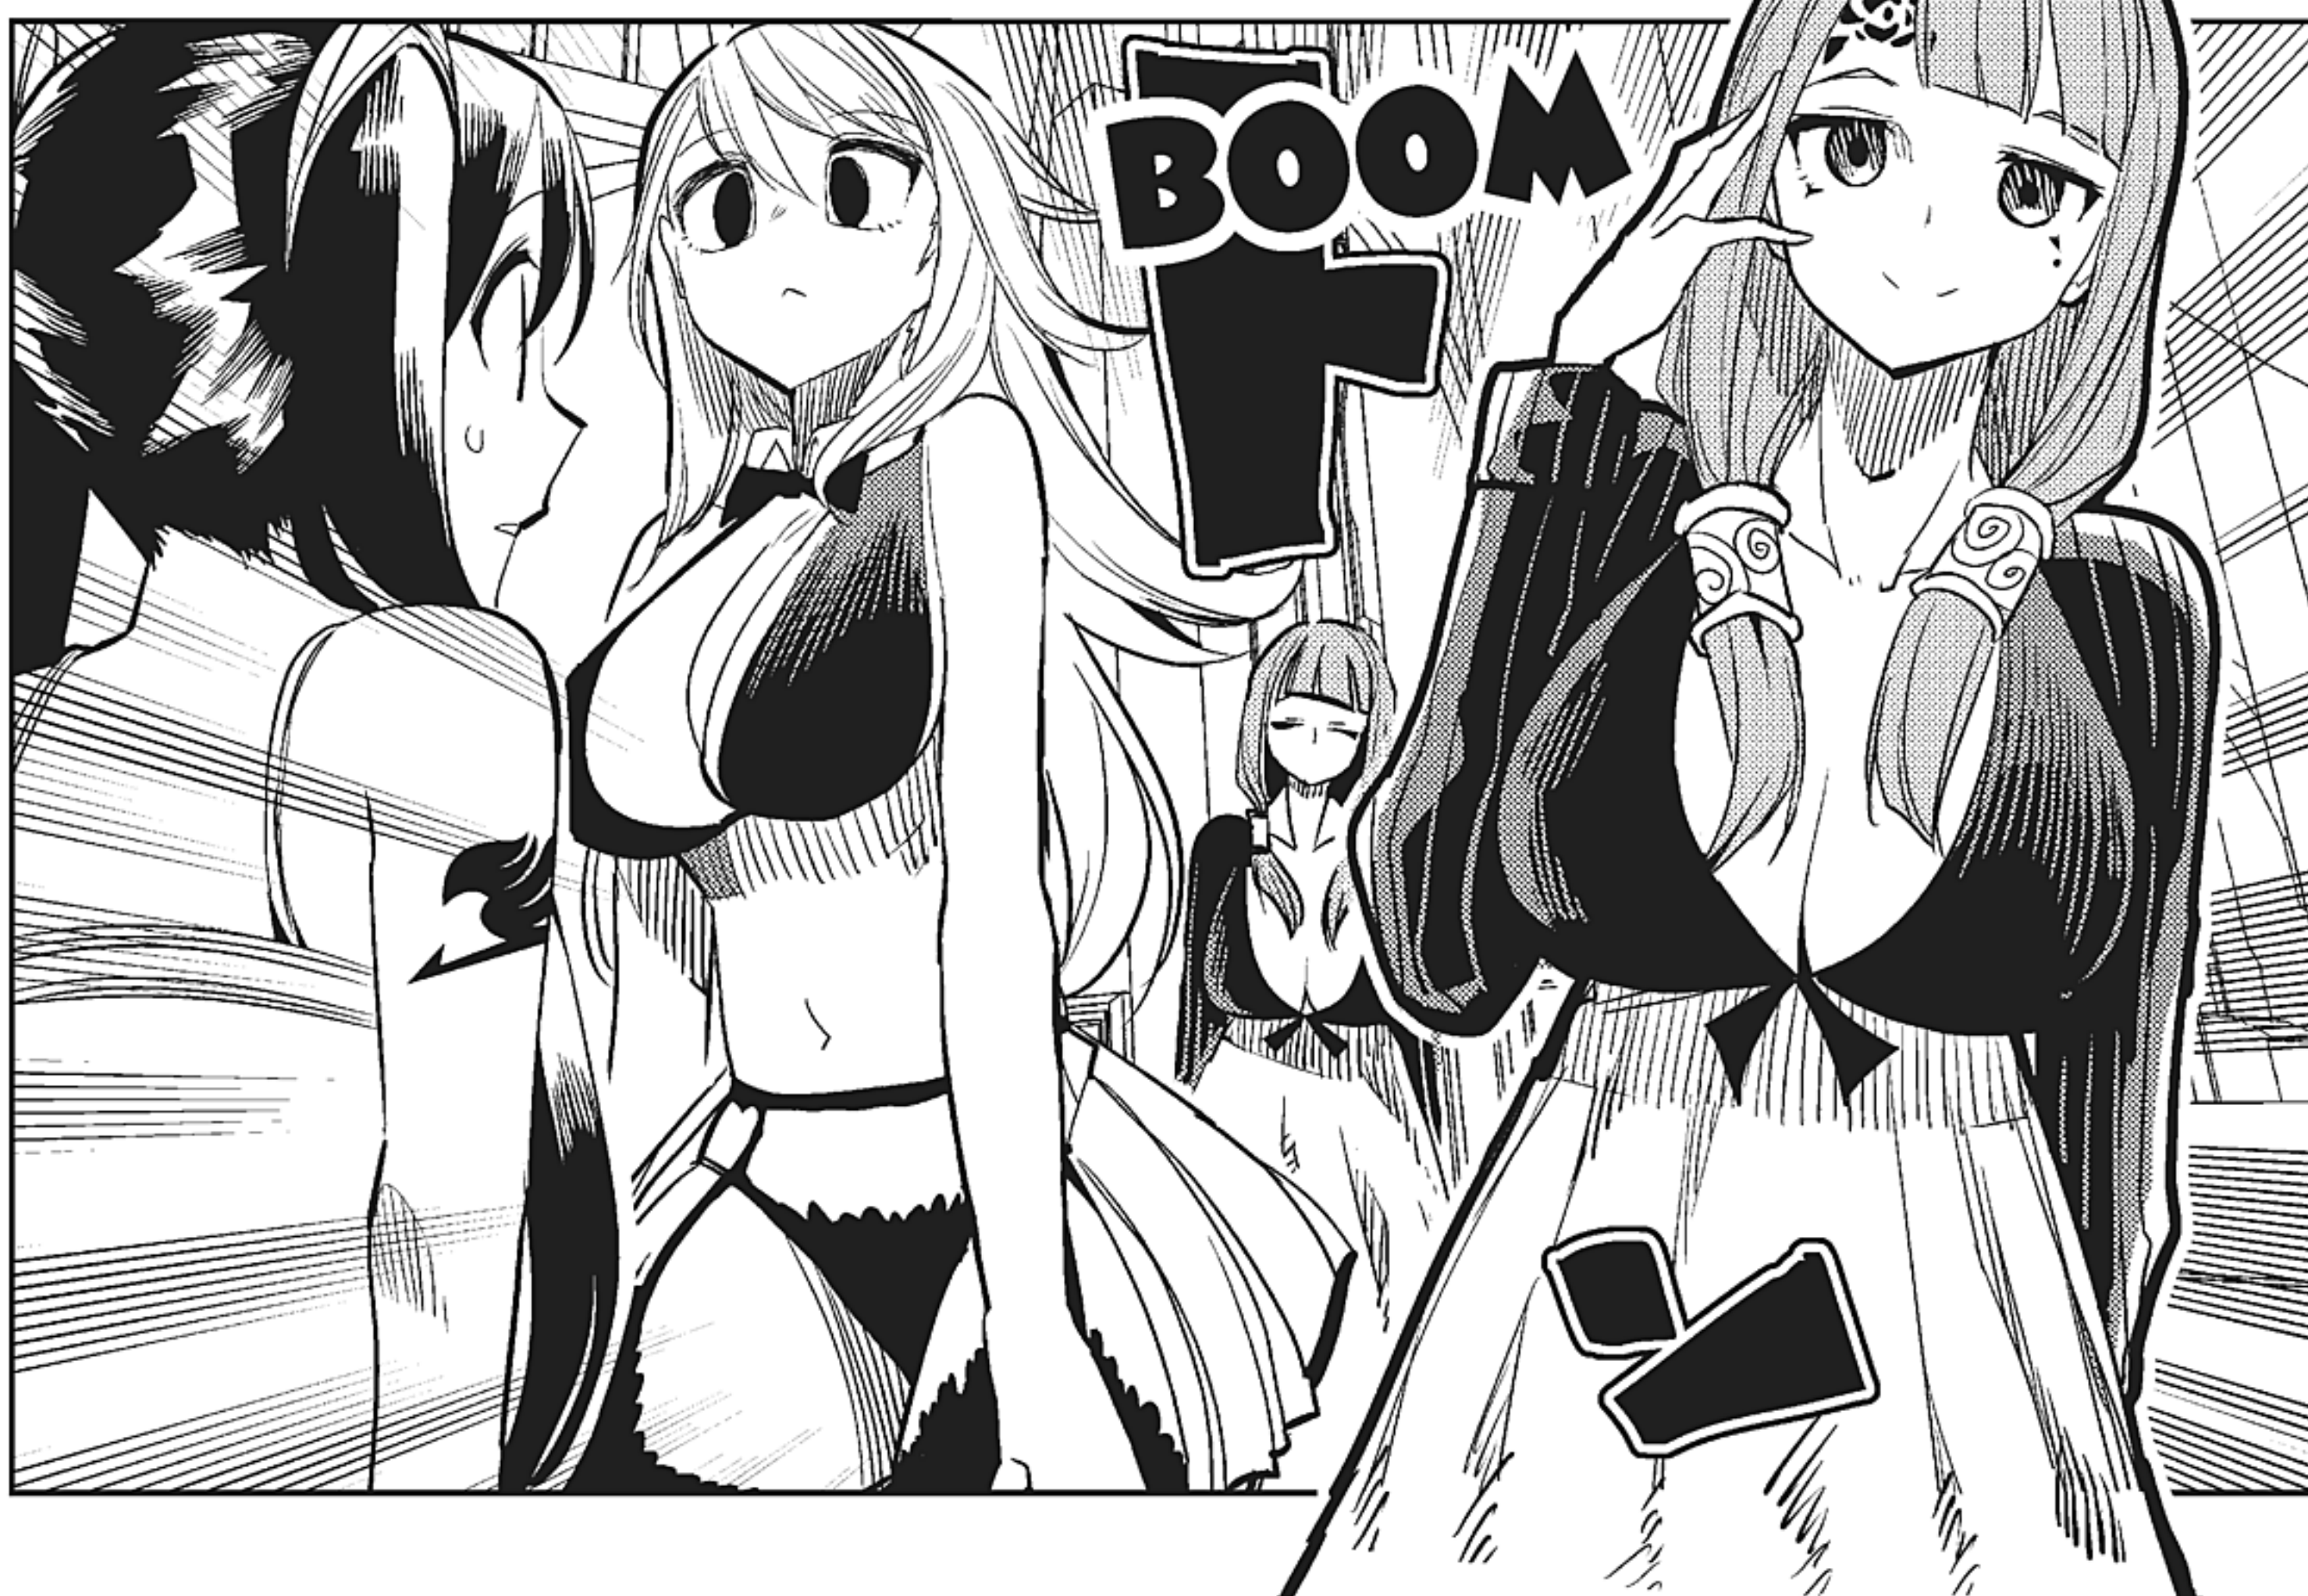

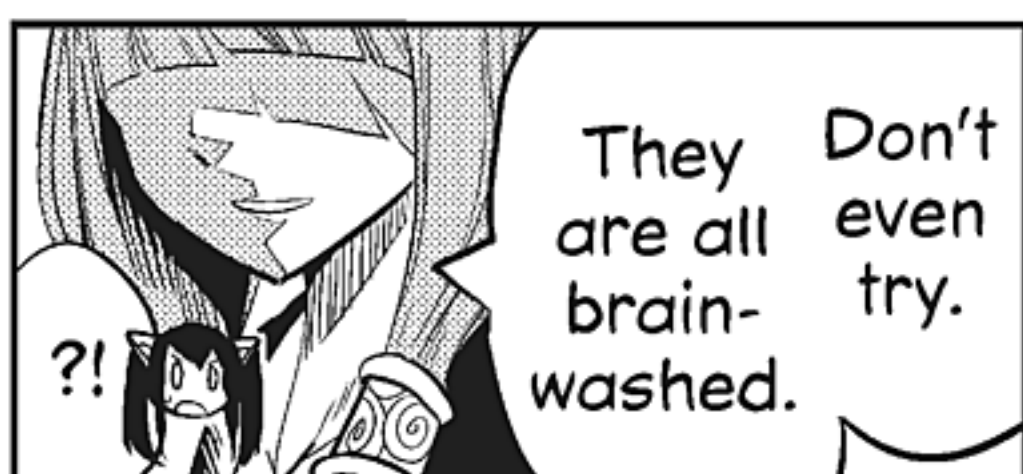

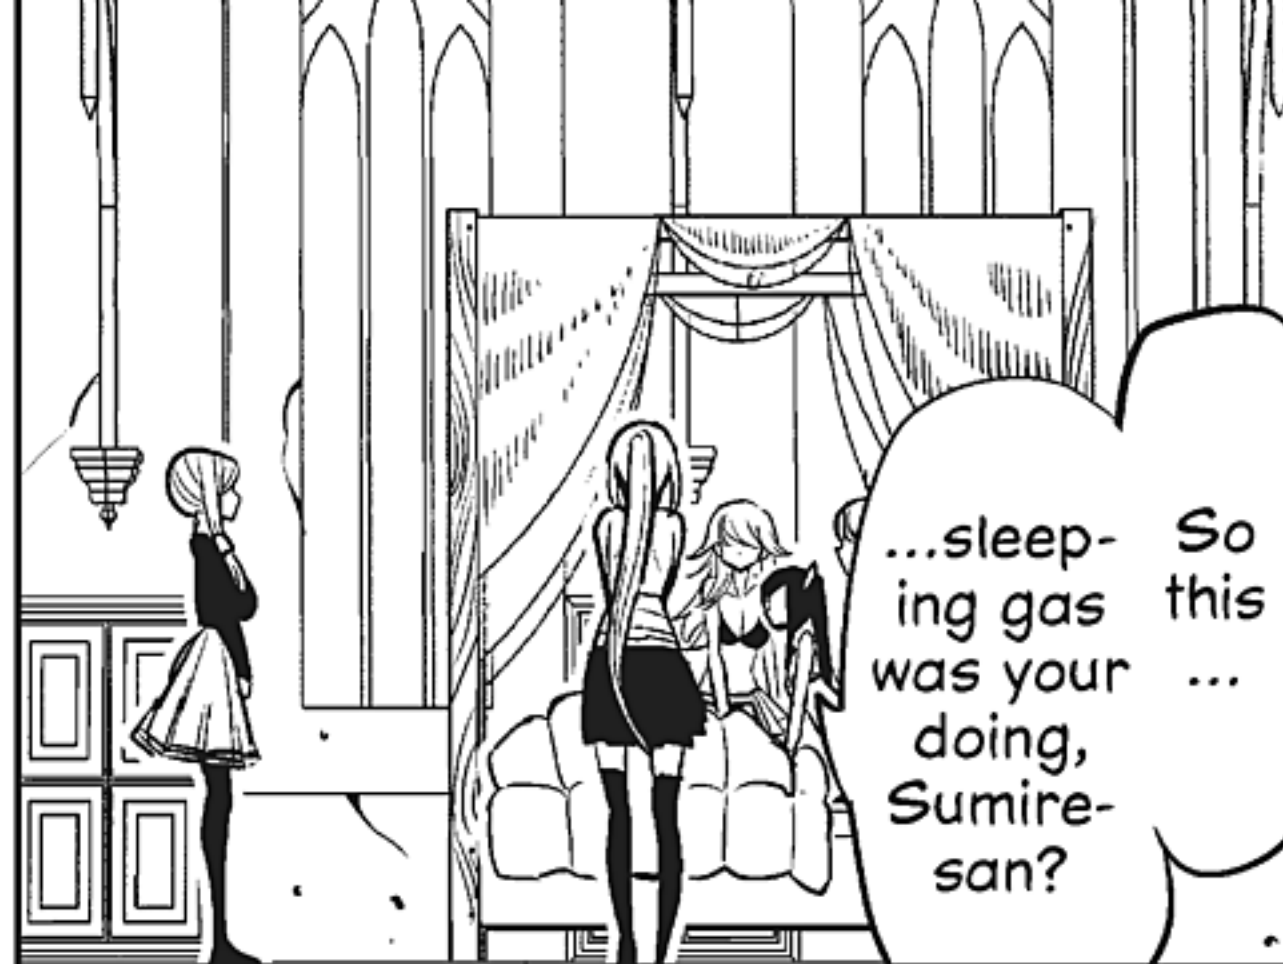

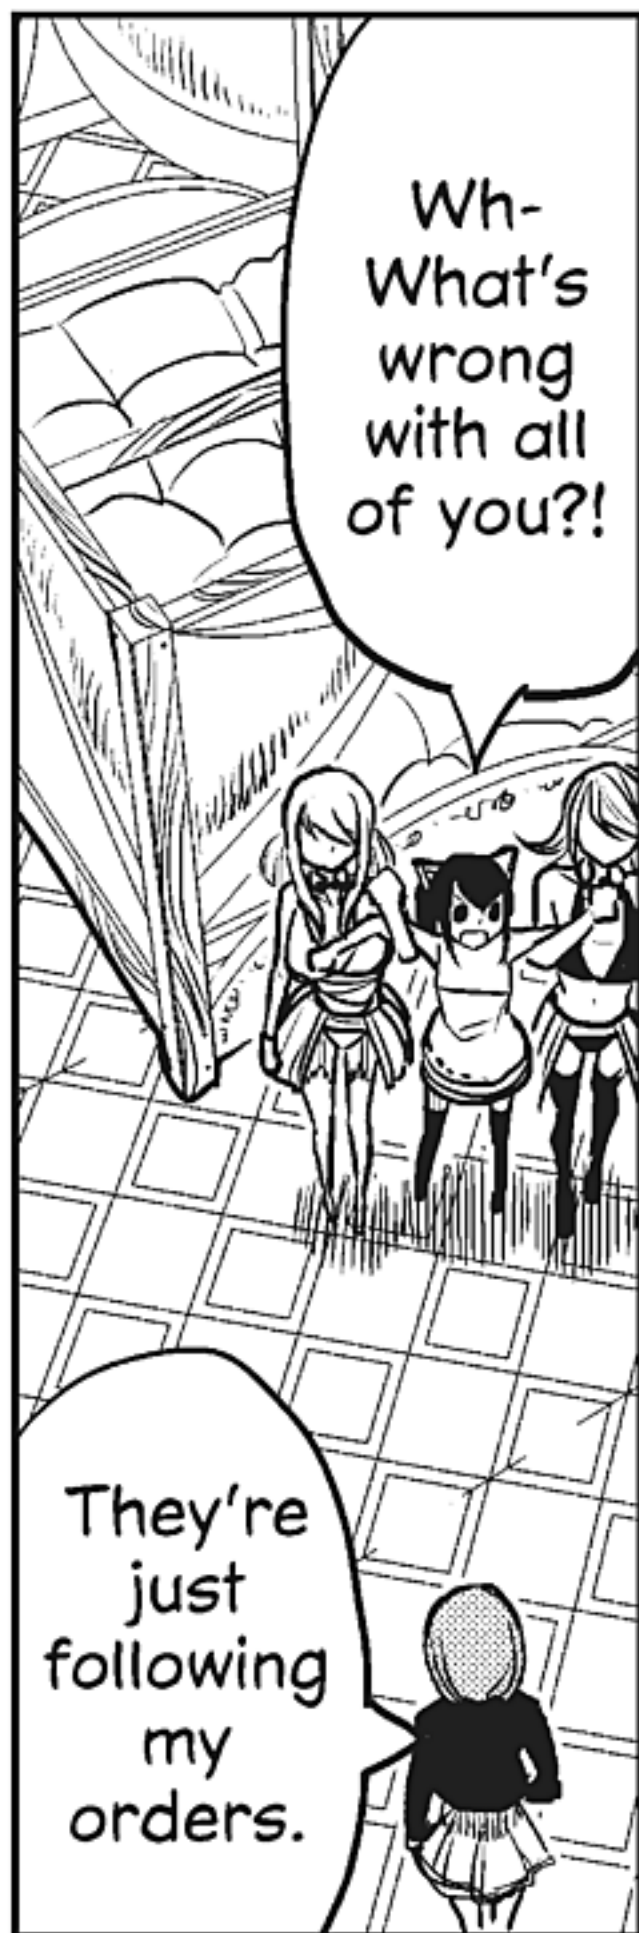

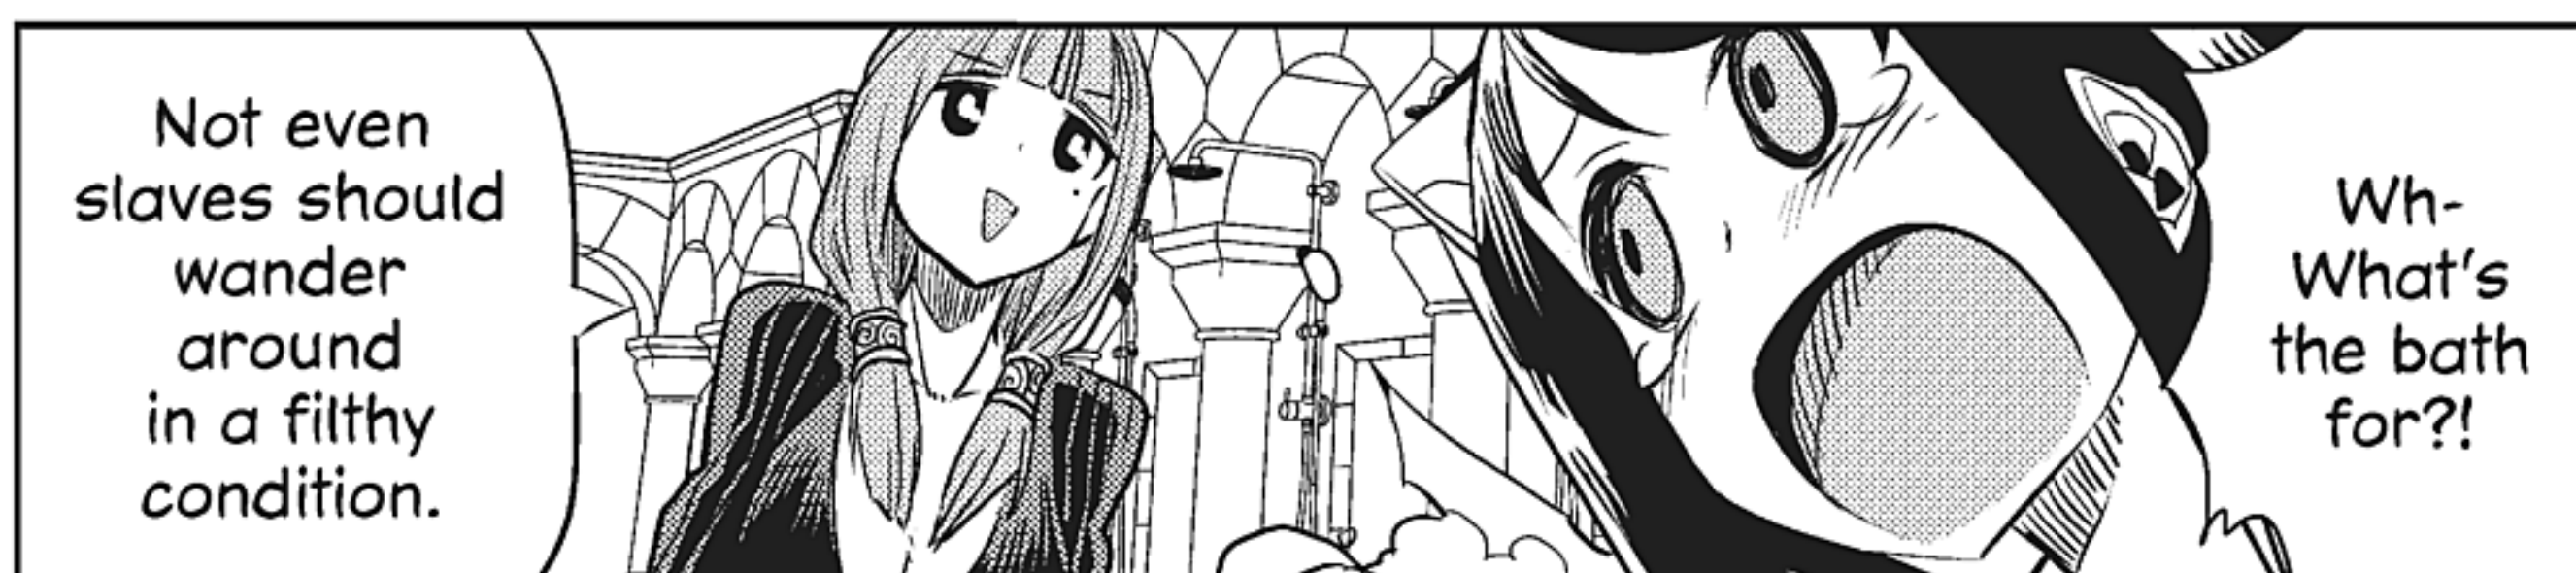

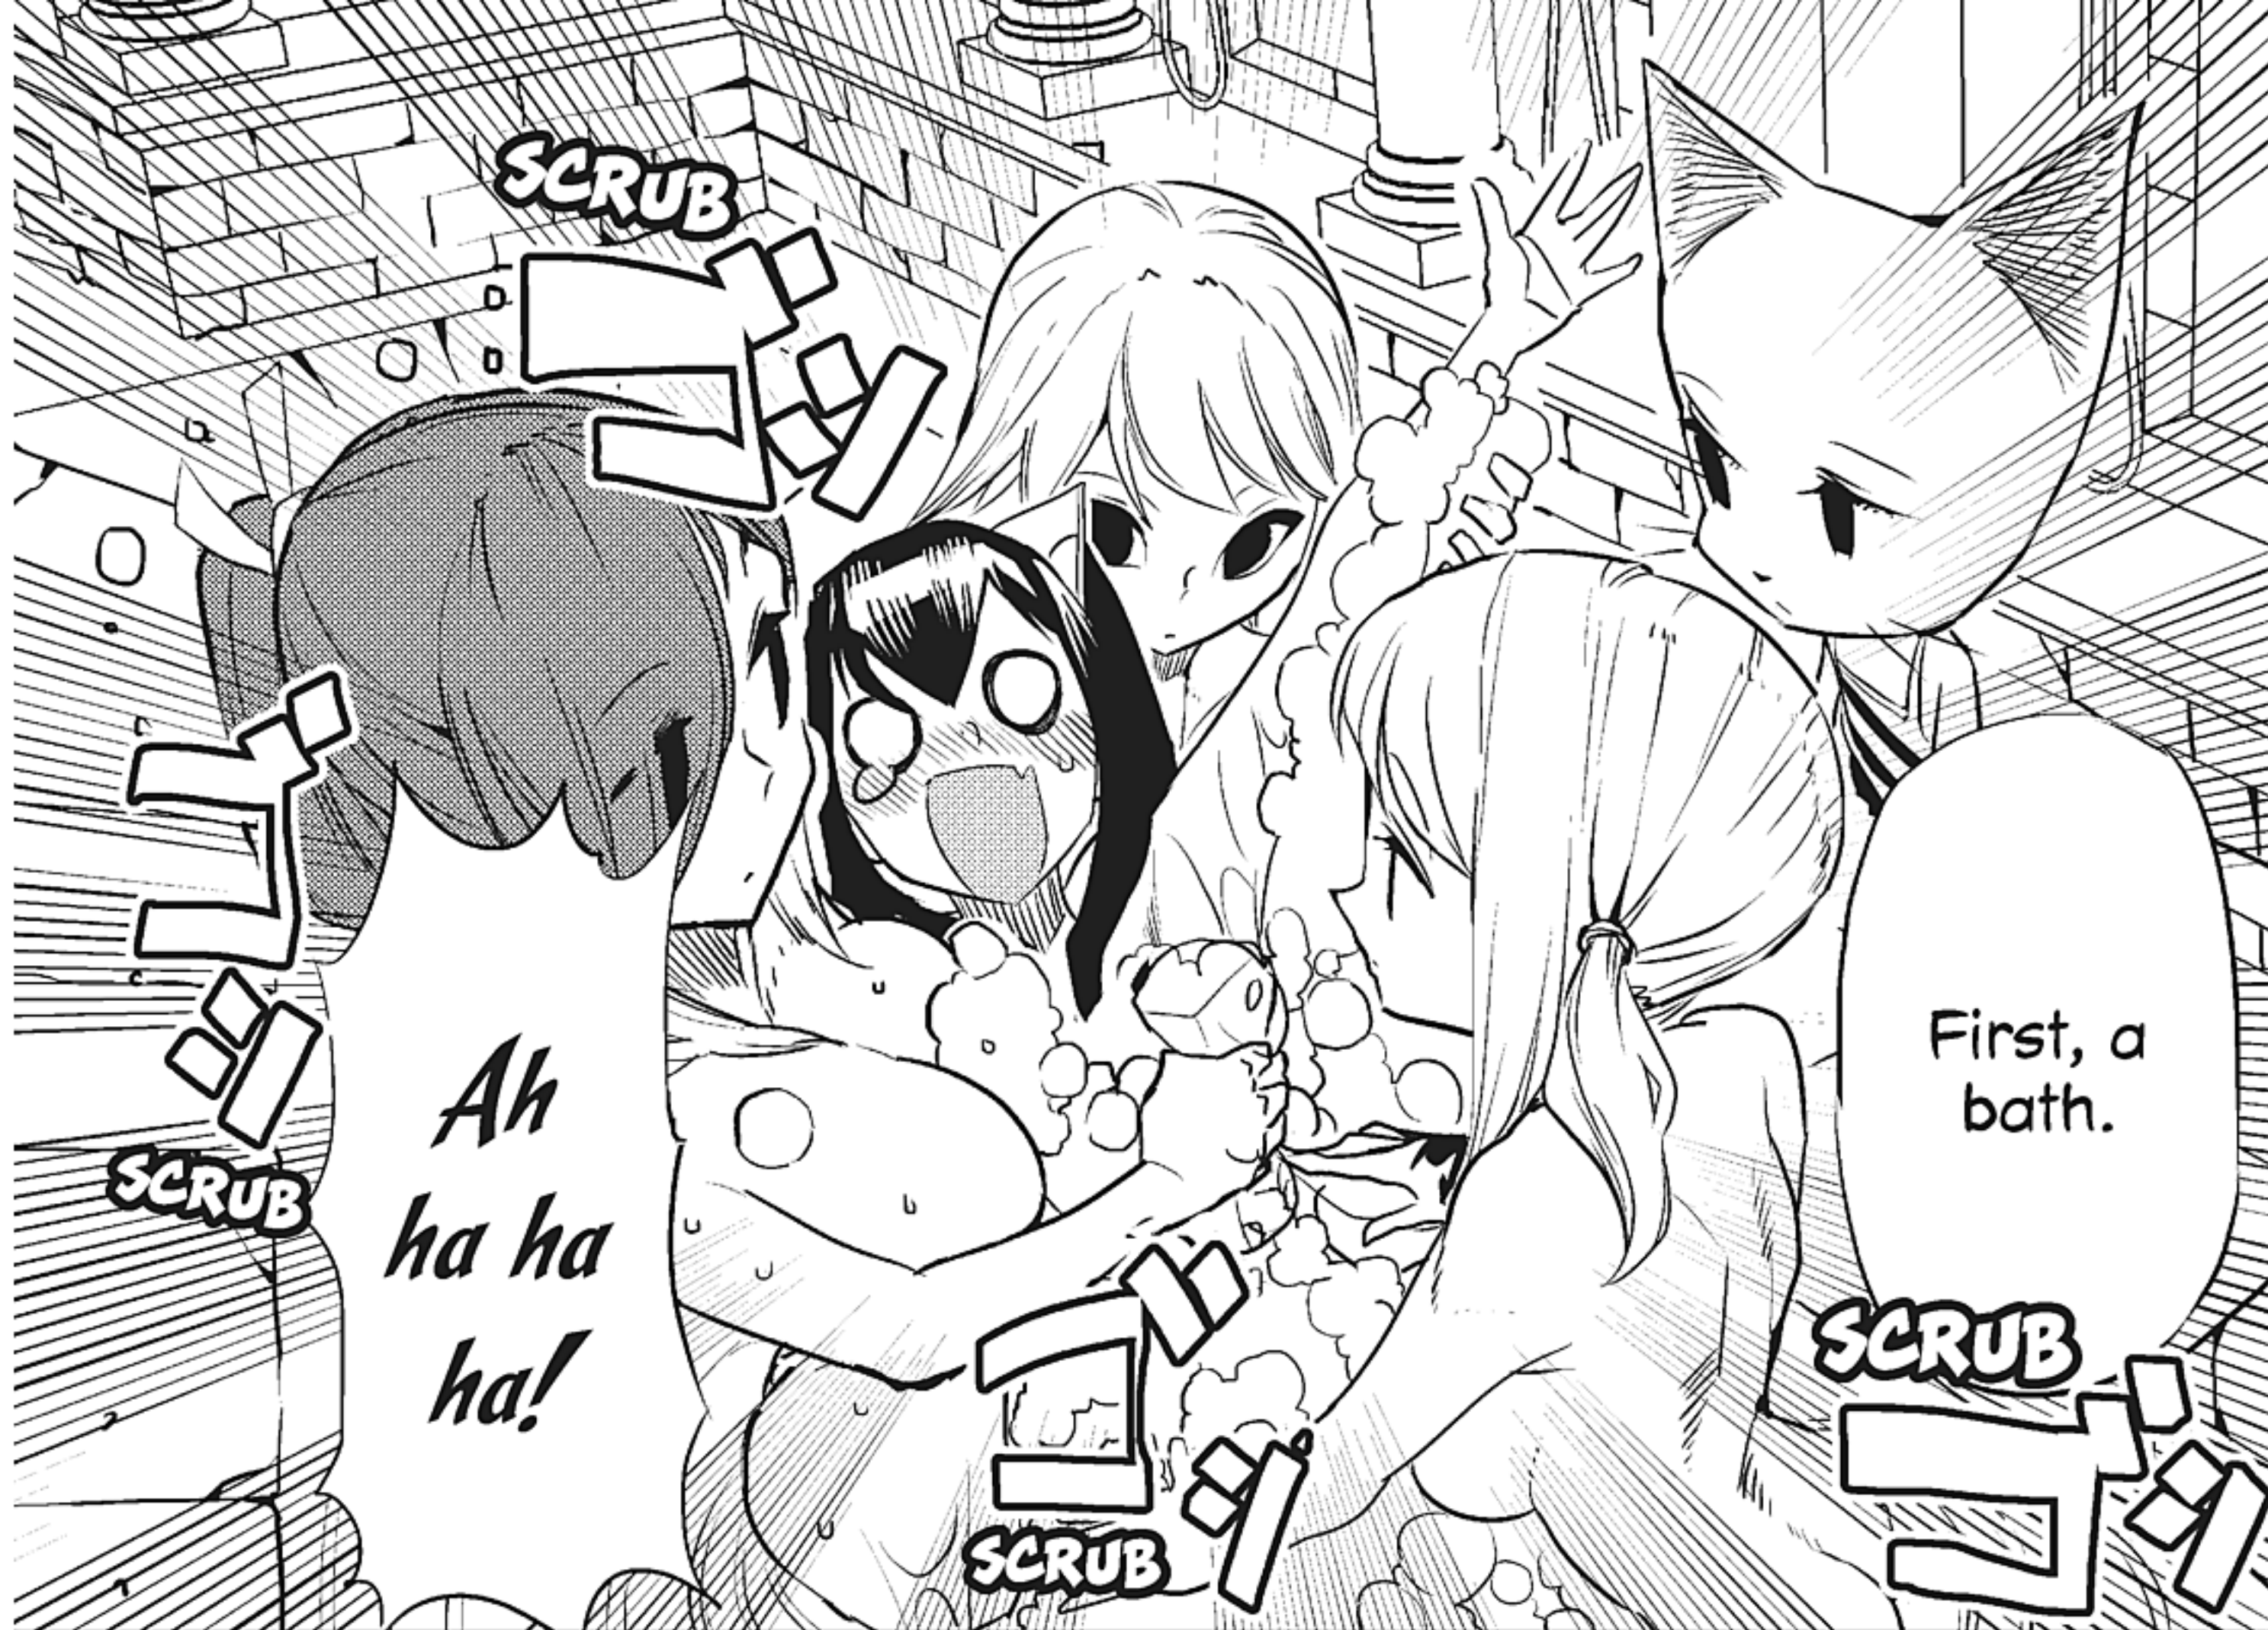

Chapter 8: With an Unbreakable Spirit...

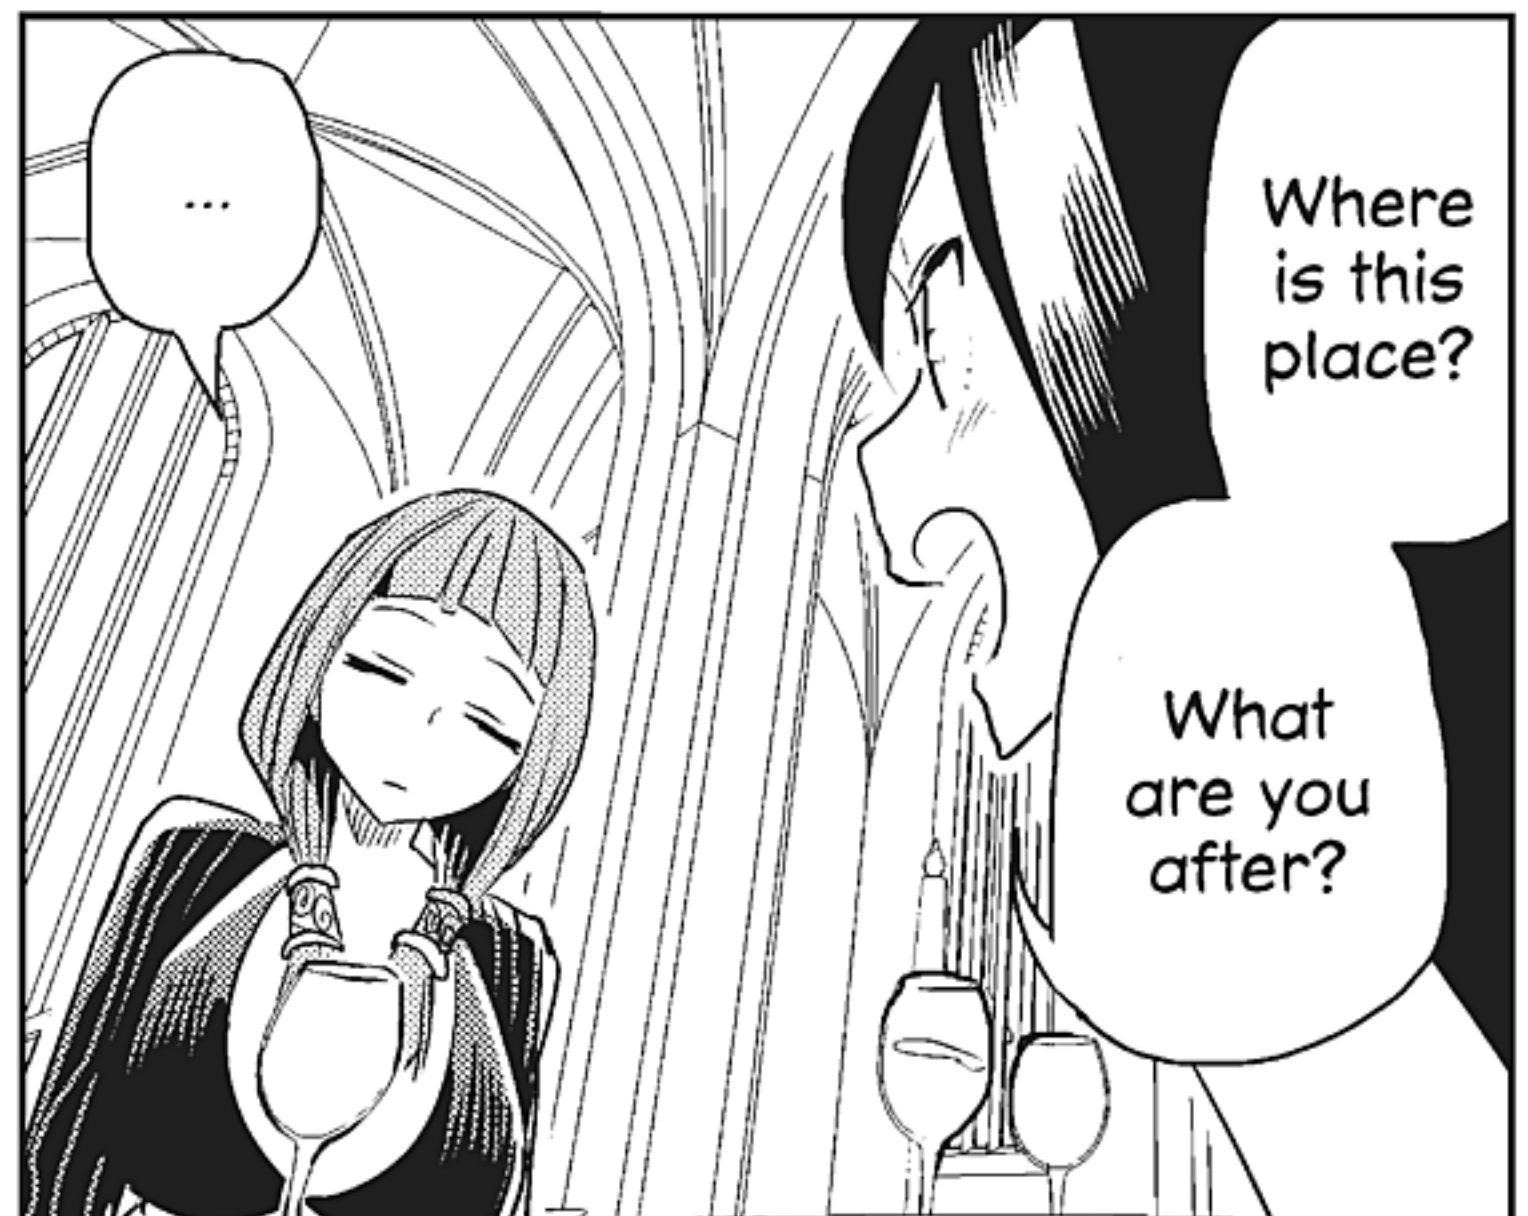

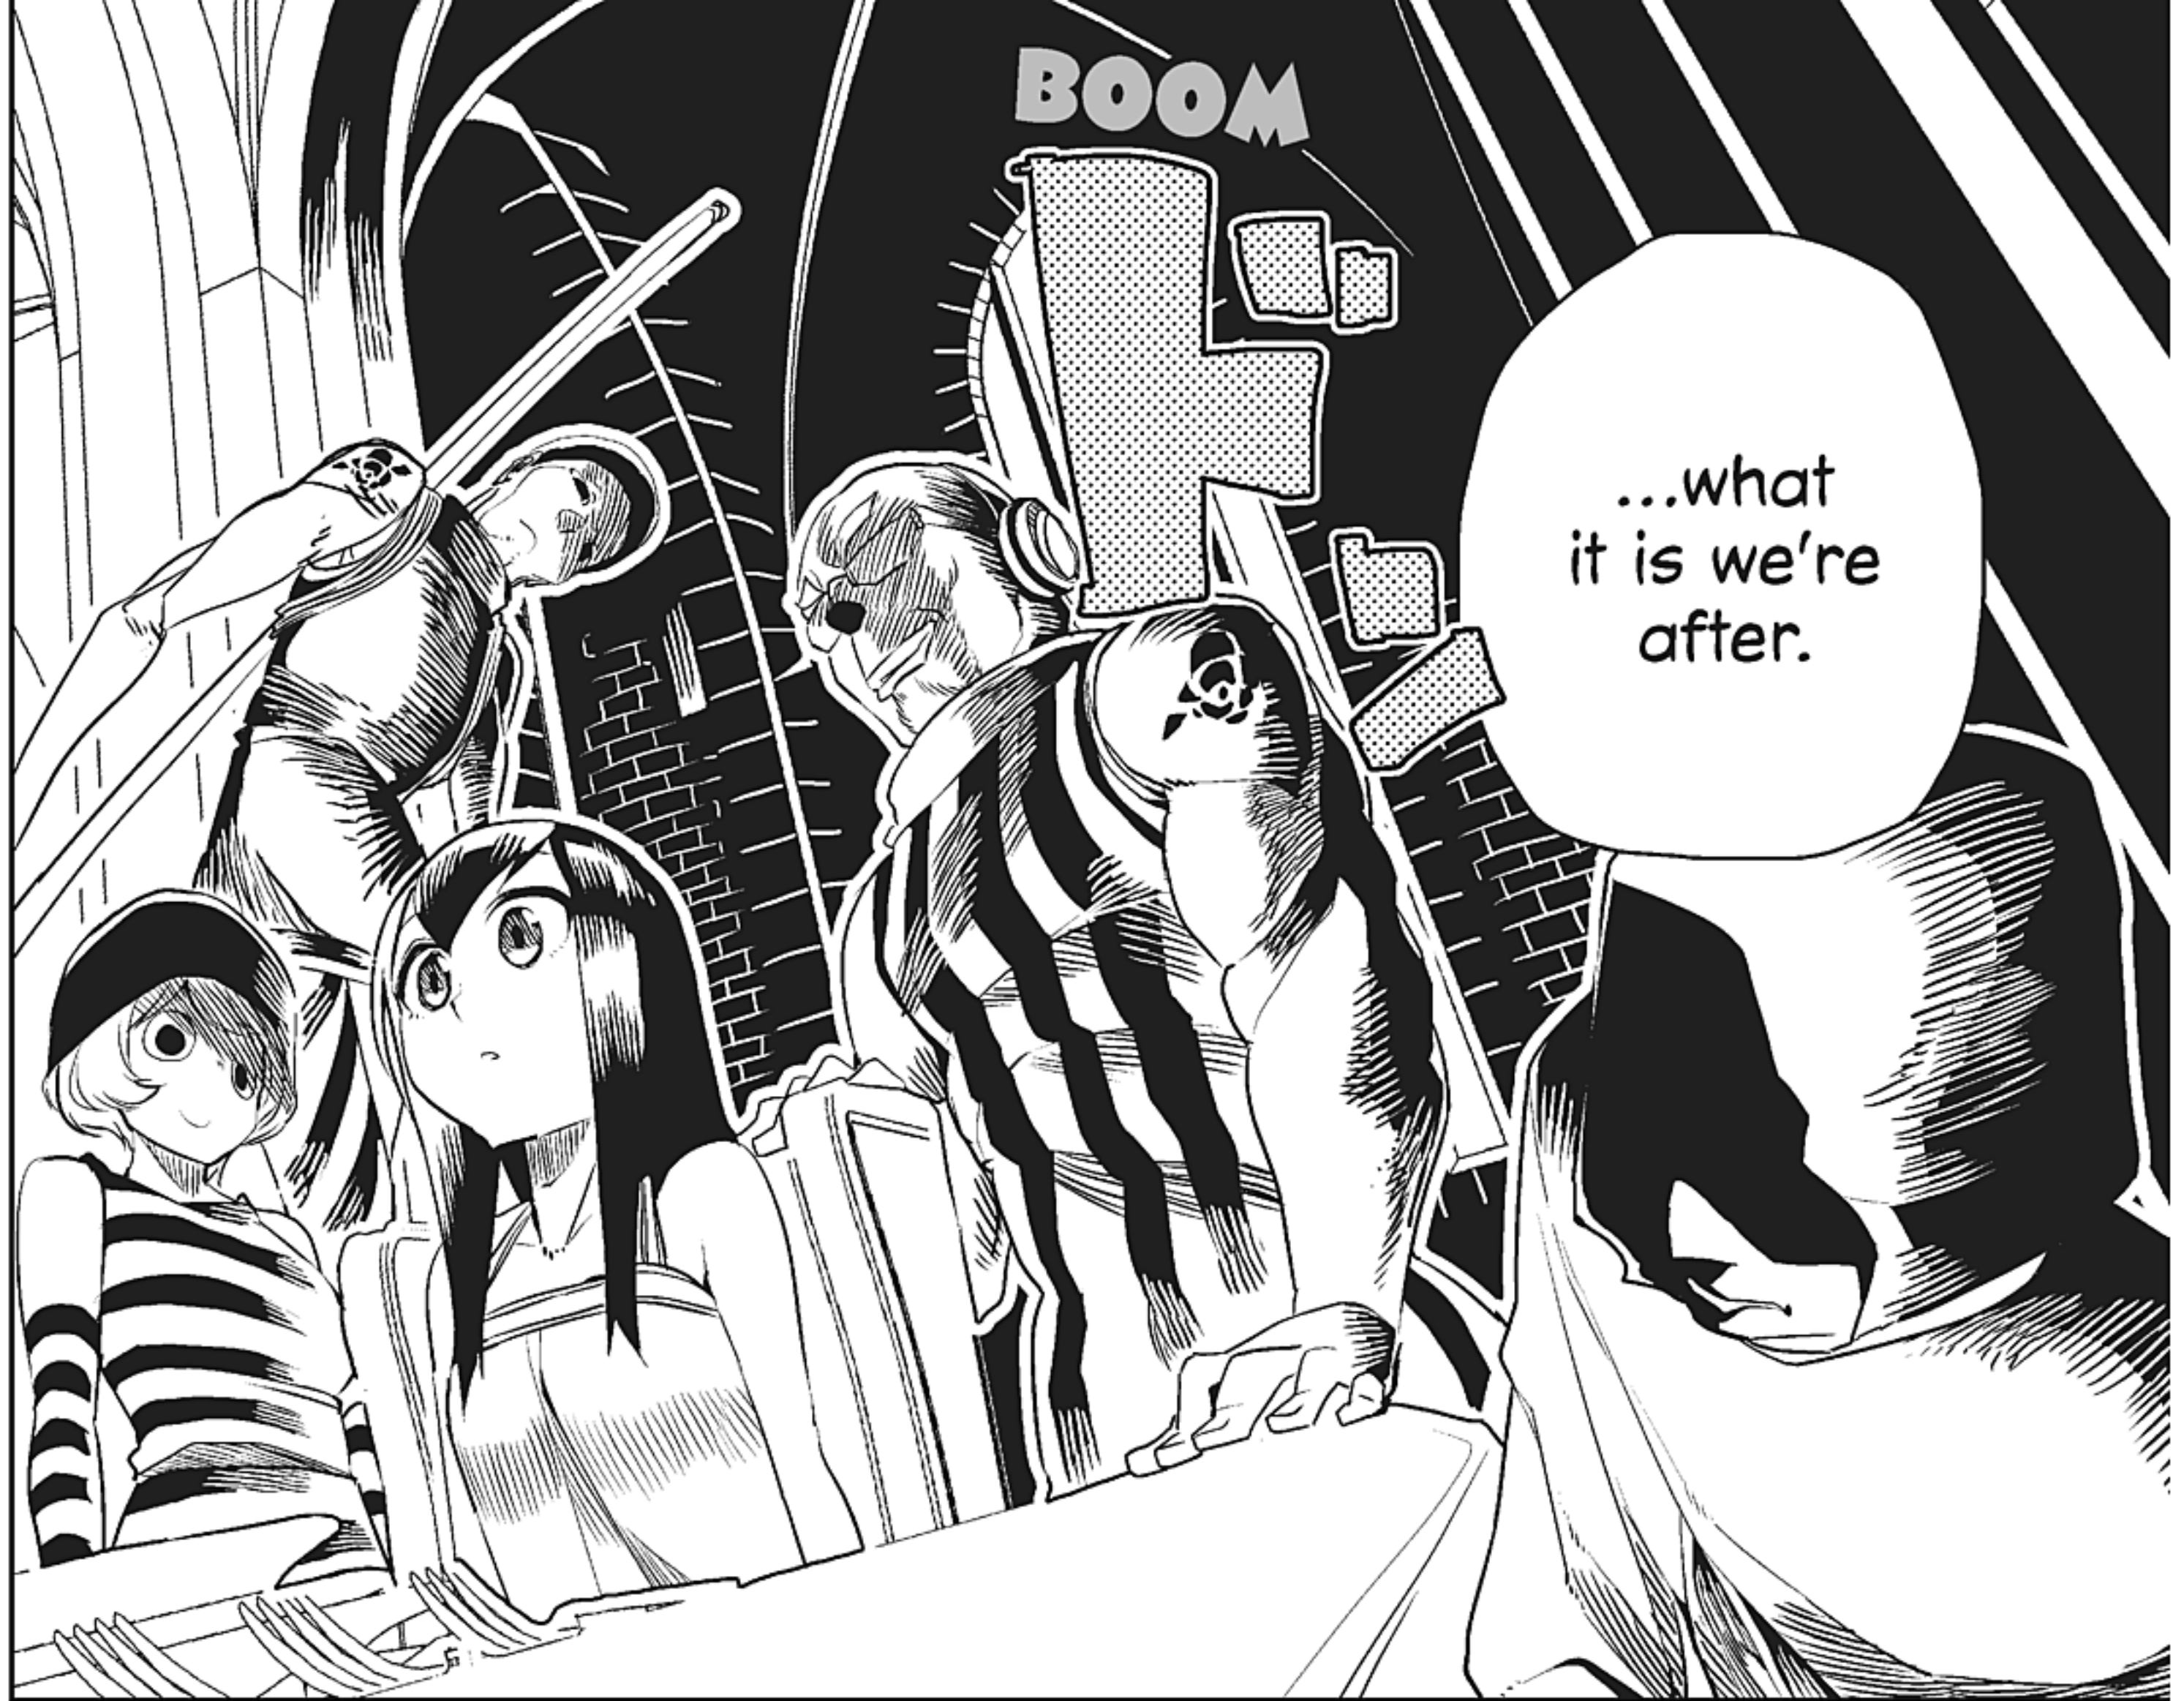

Please eat up before it gets cold!

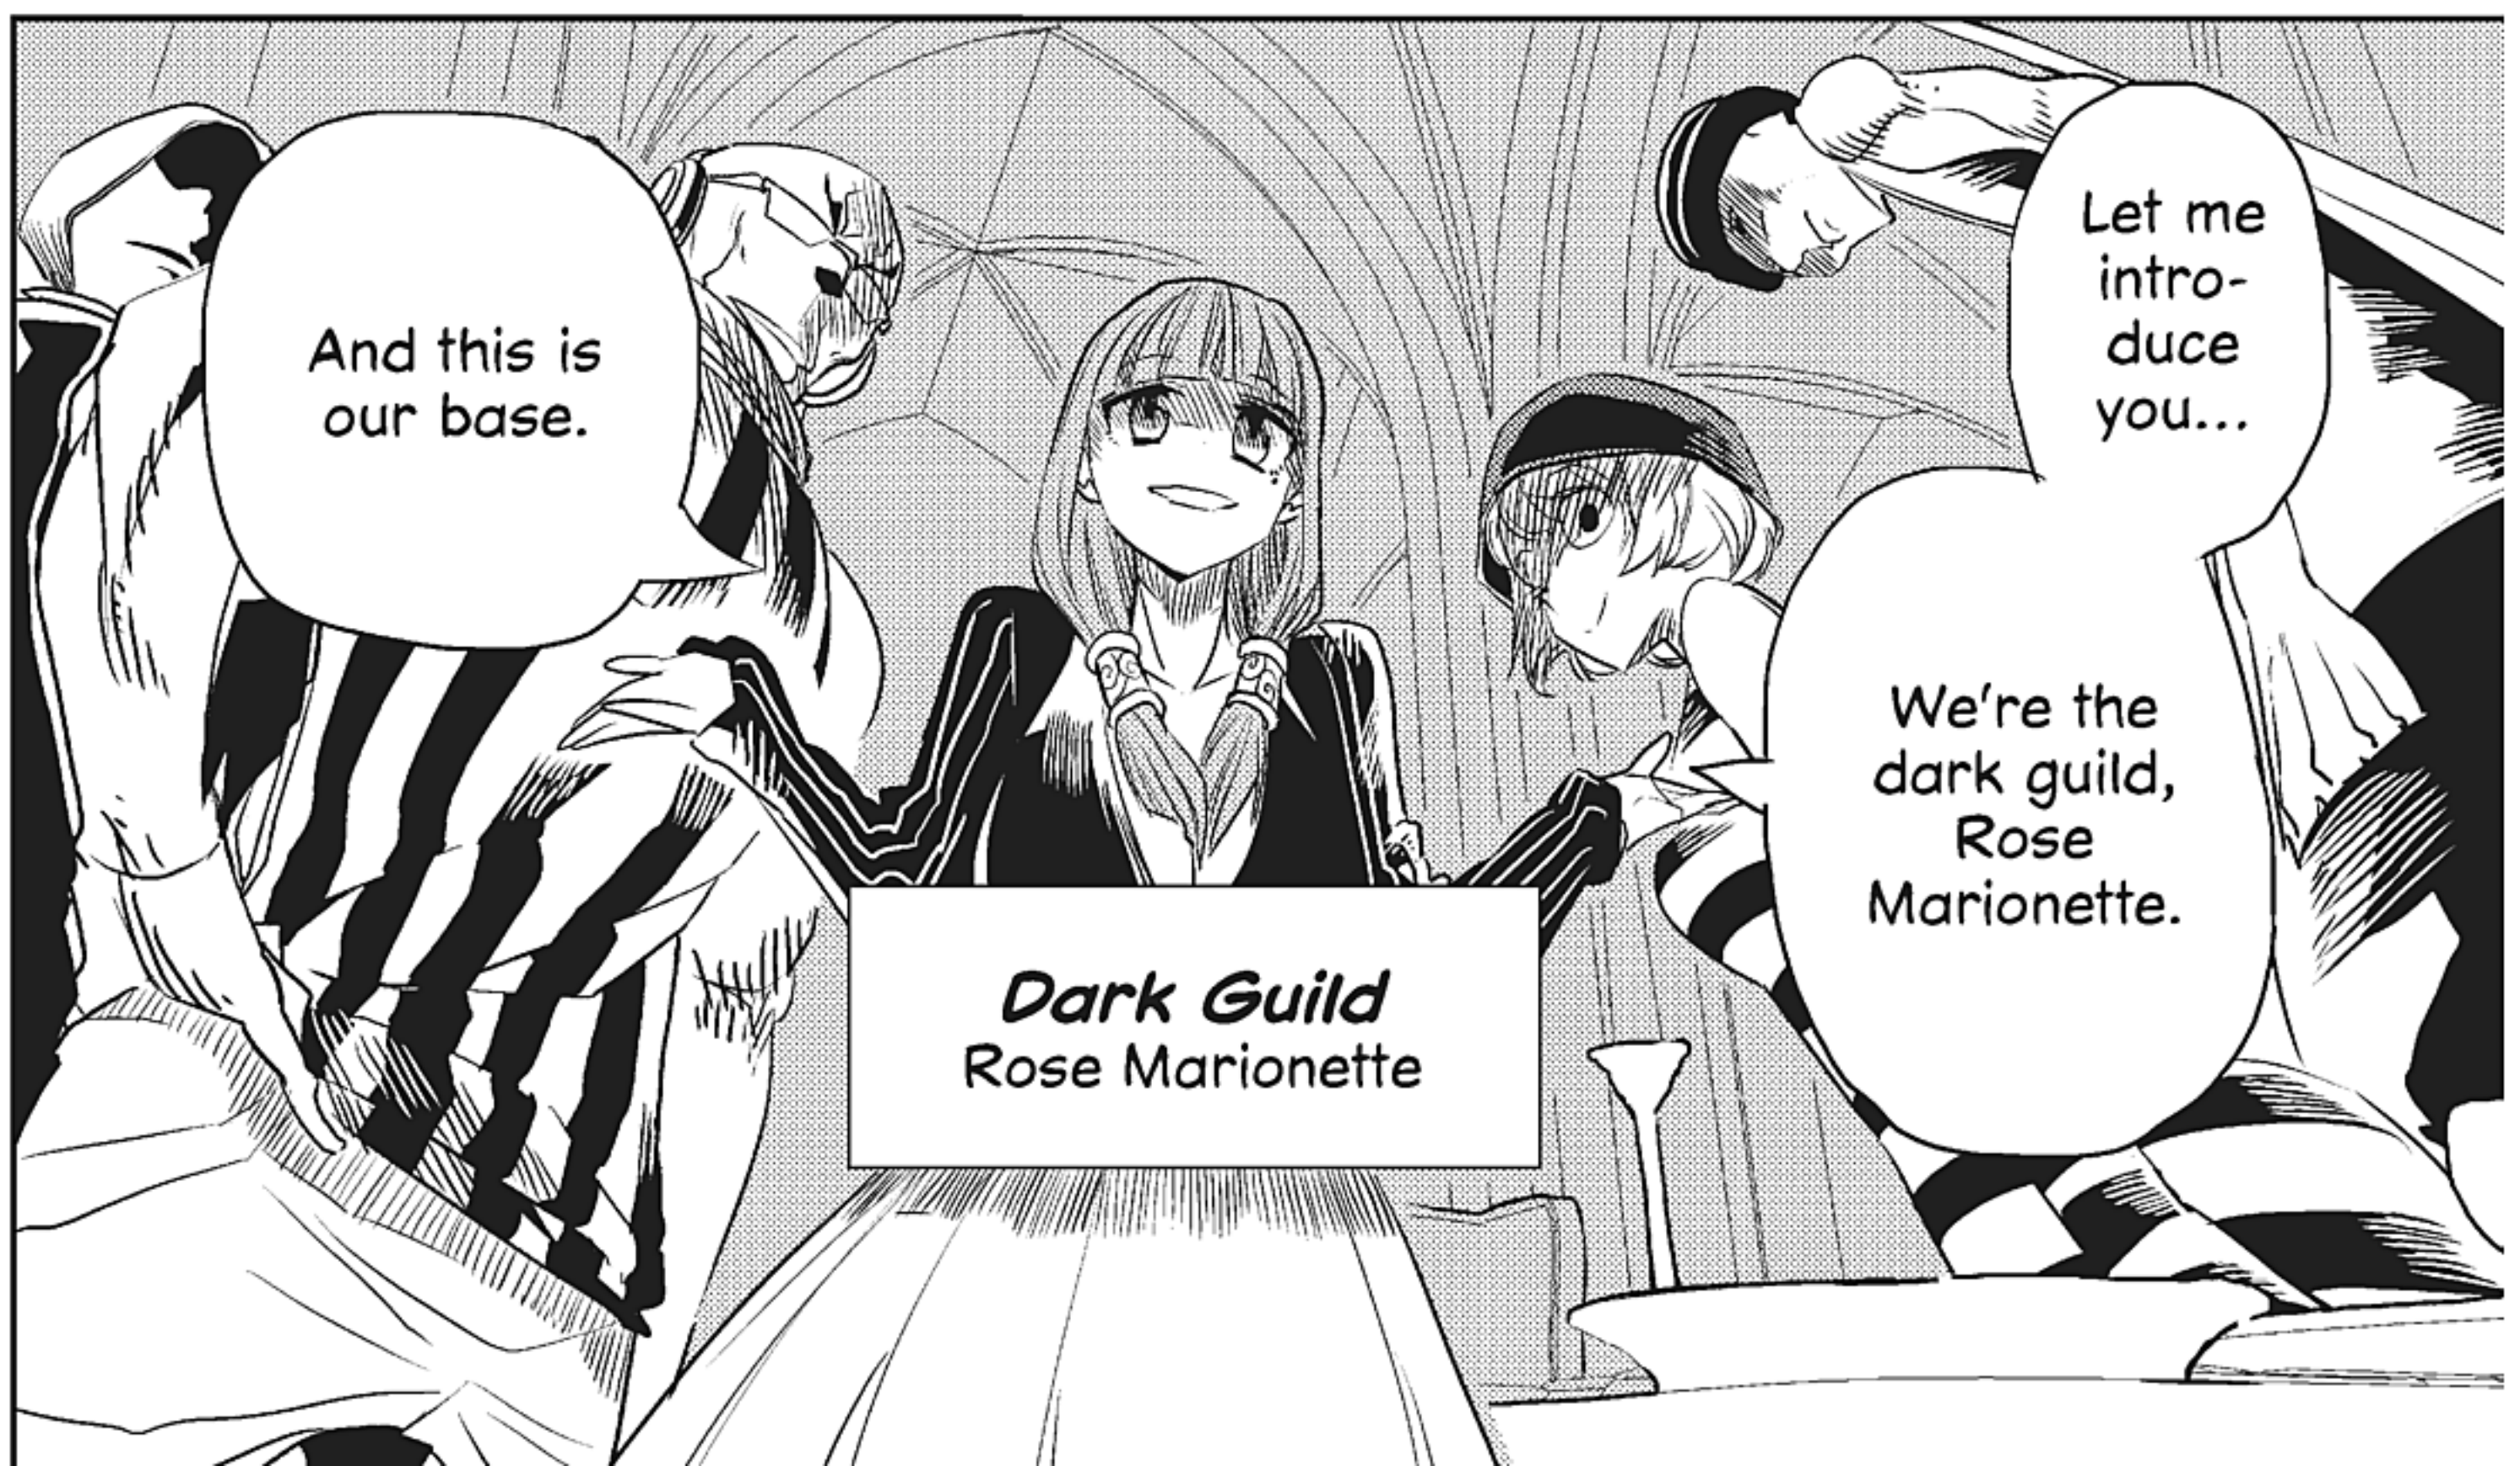

...what
it is we're
after.

When
did they
get
here?

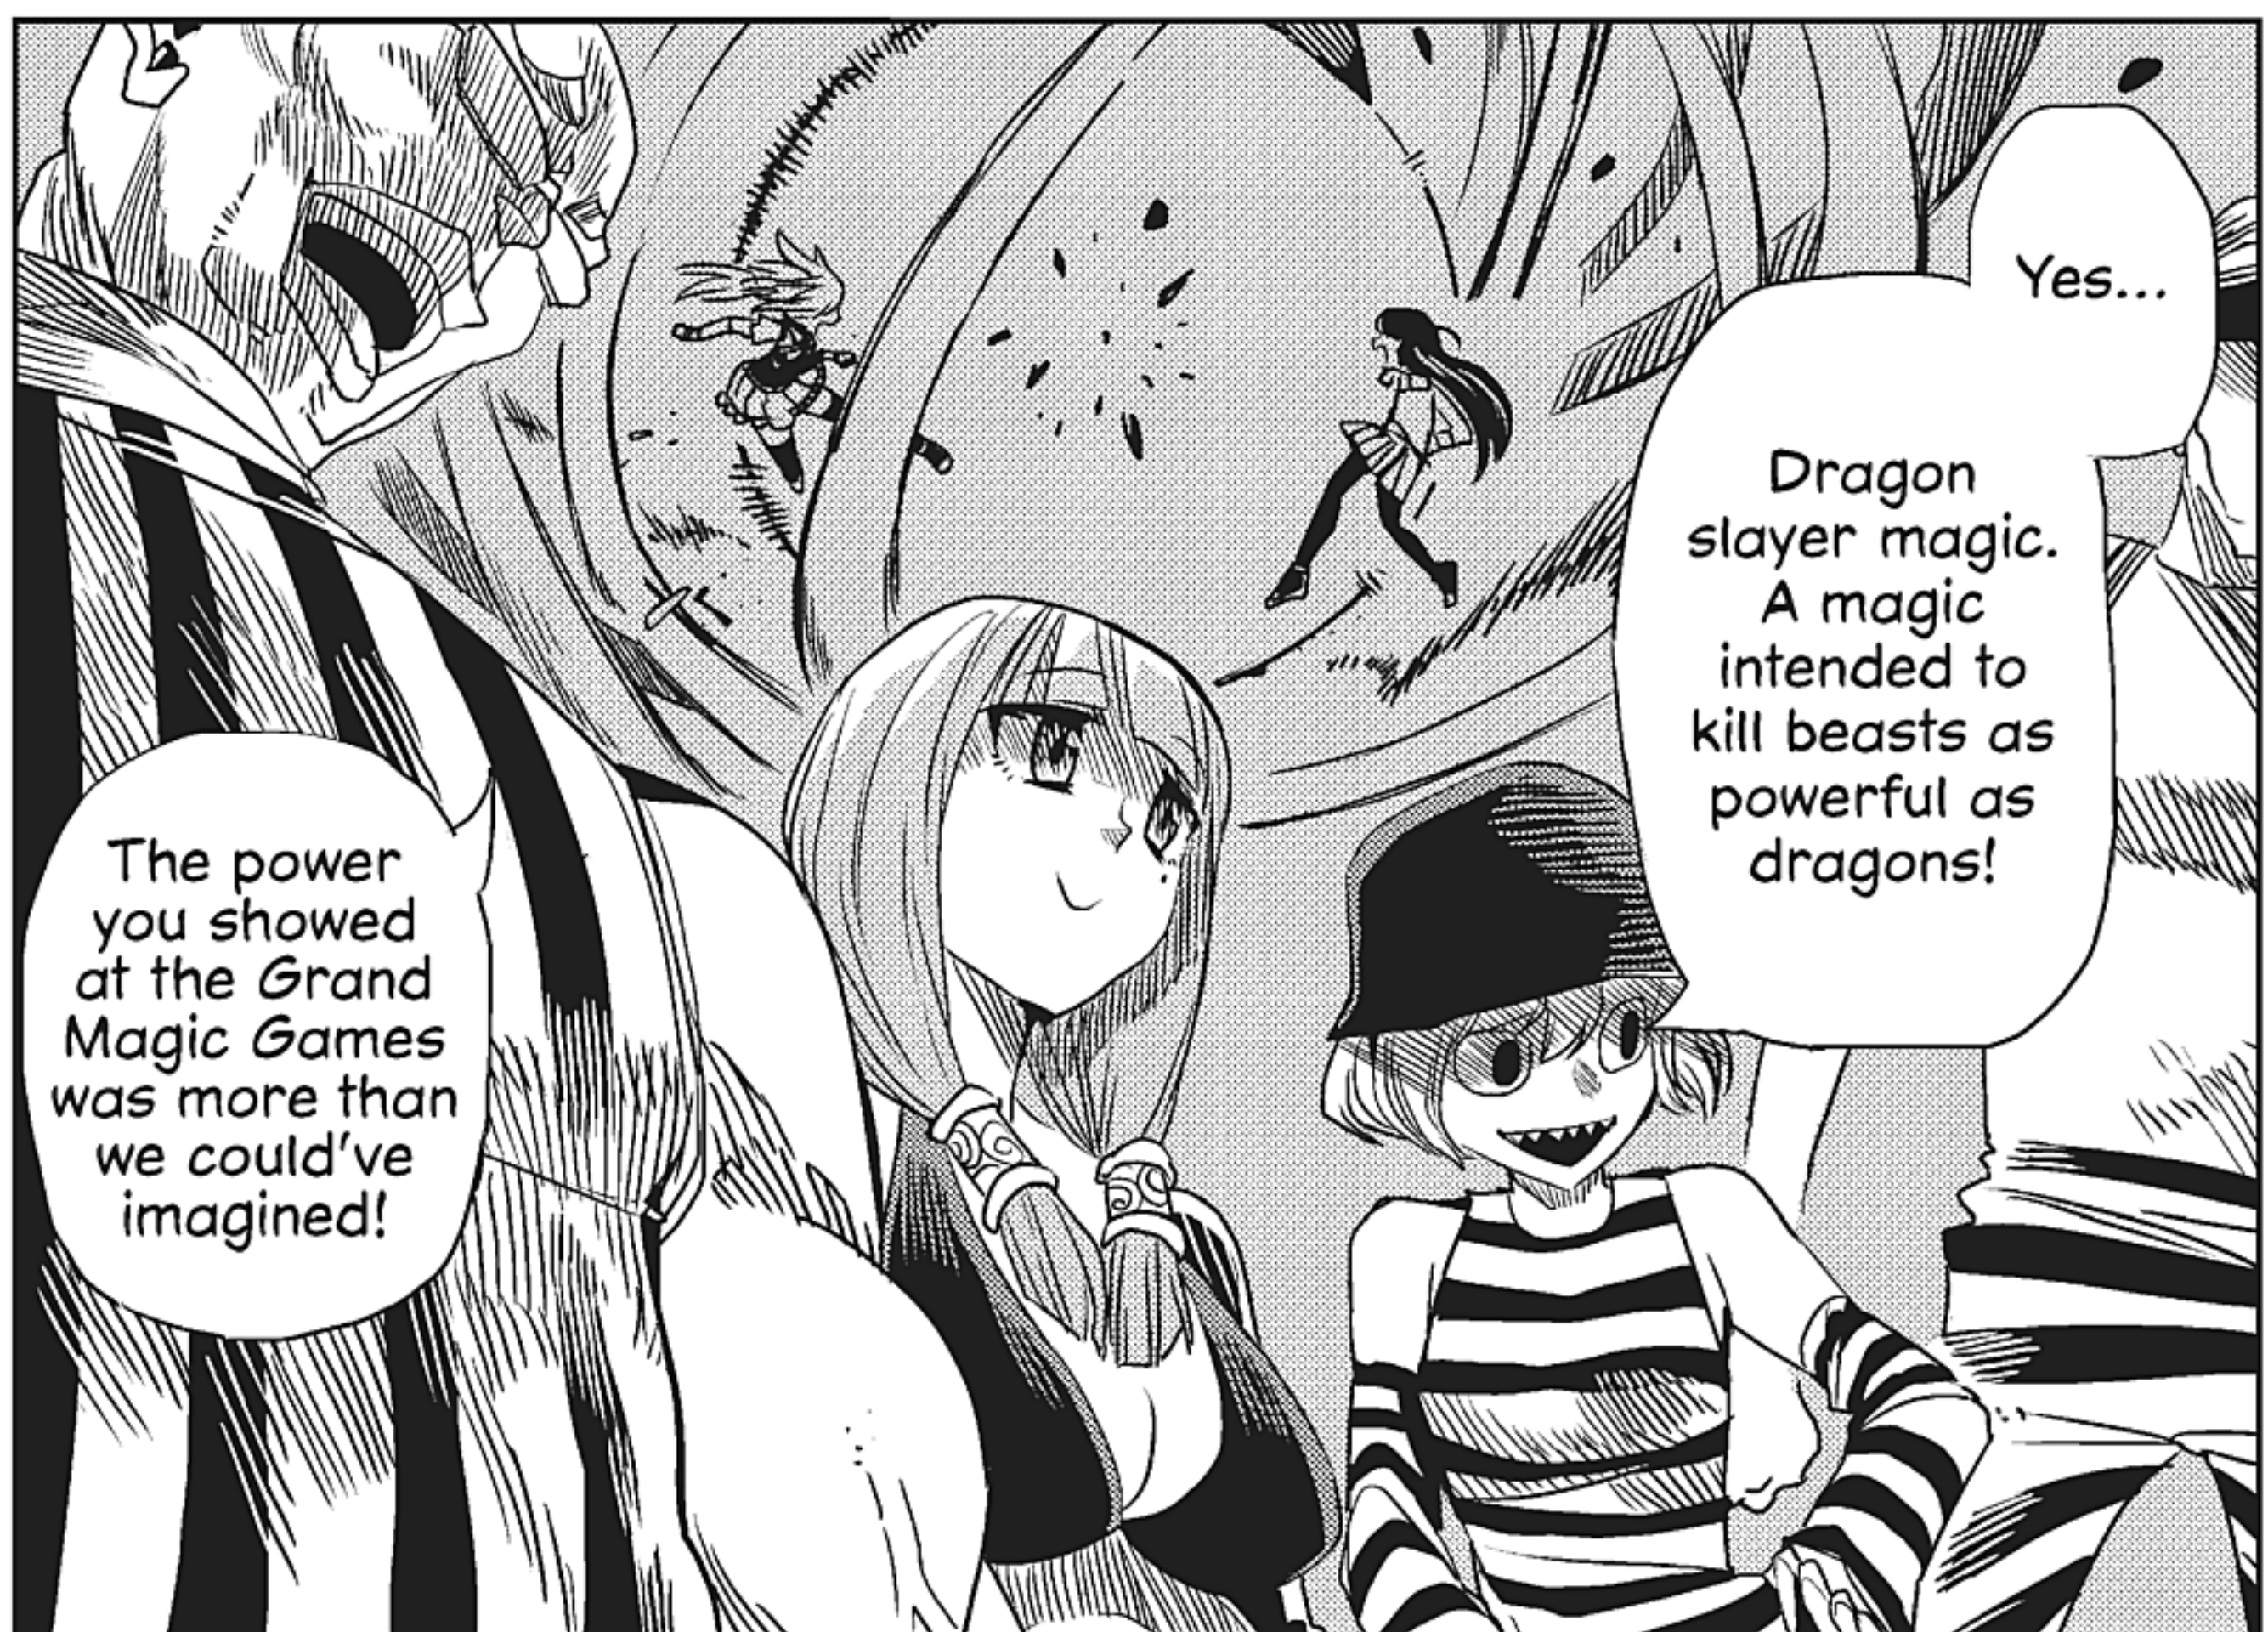

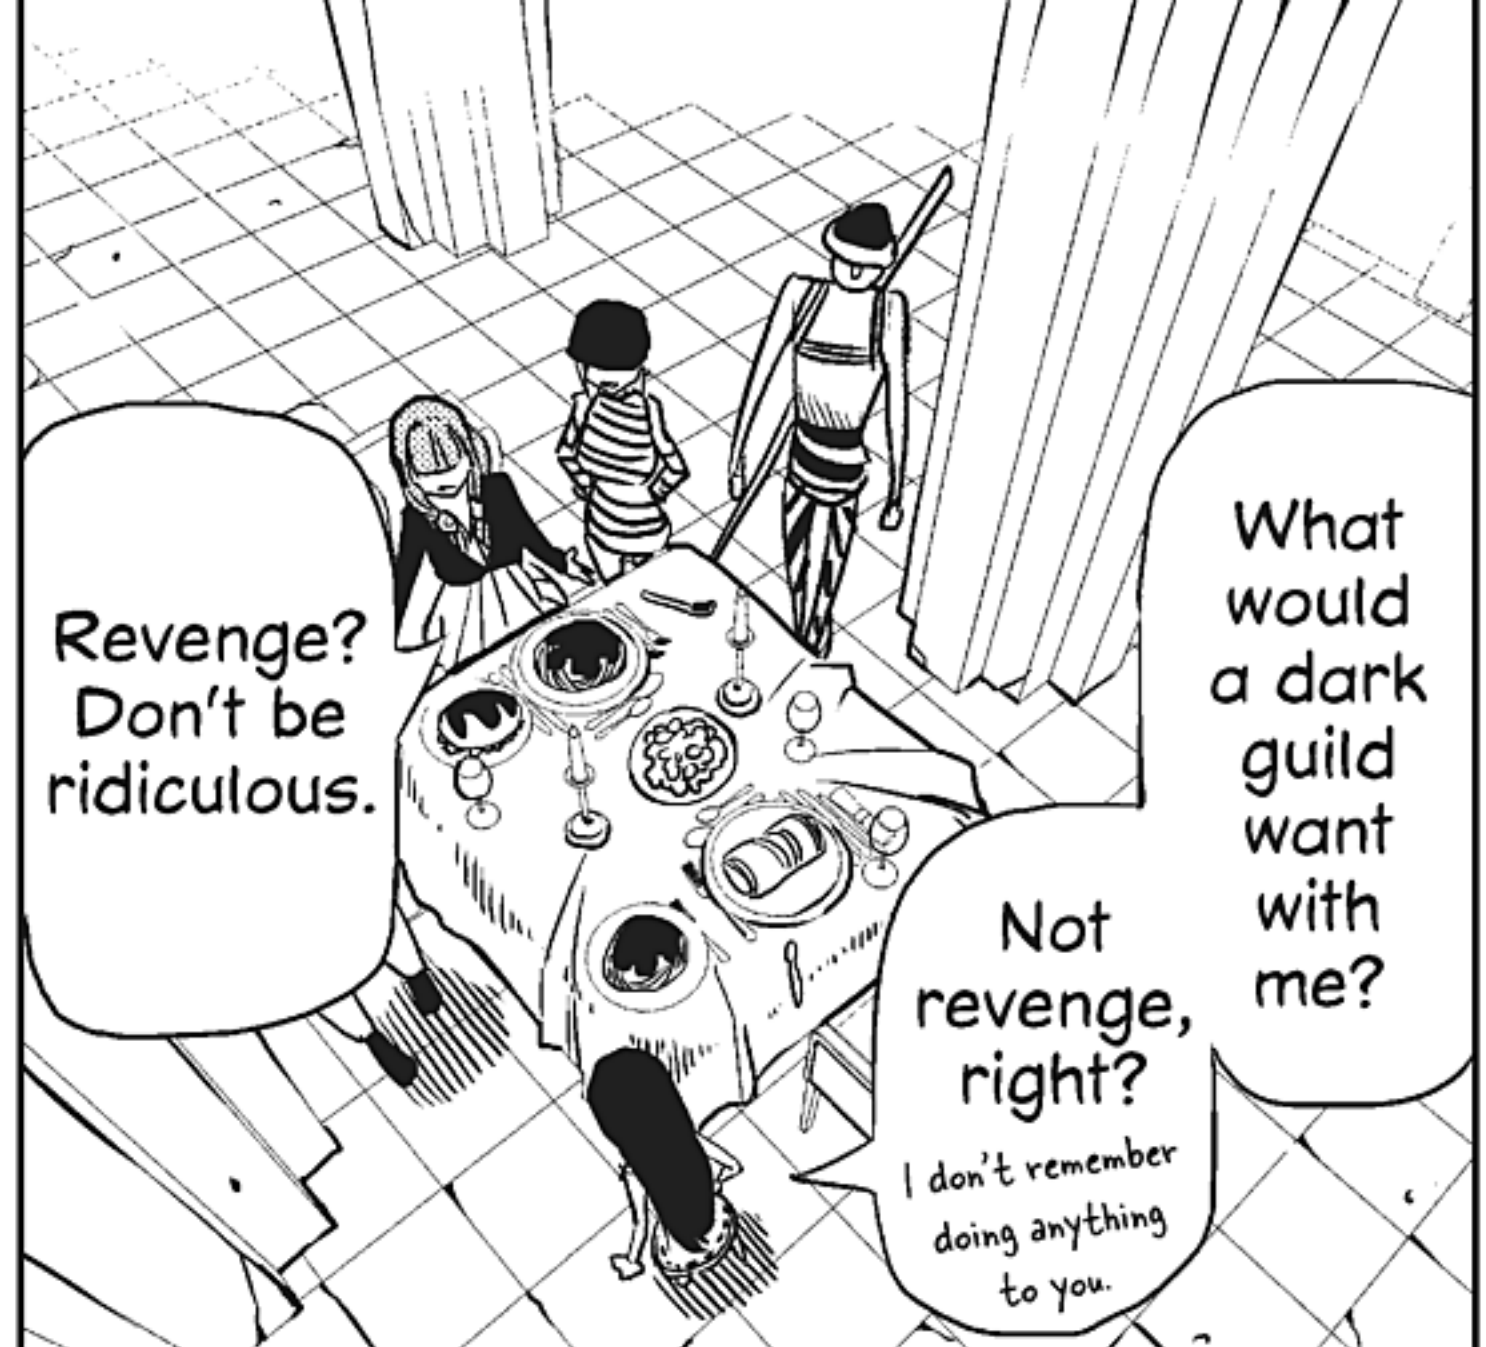

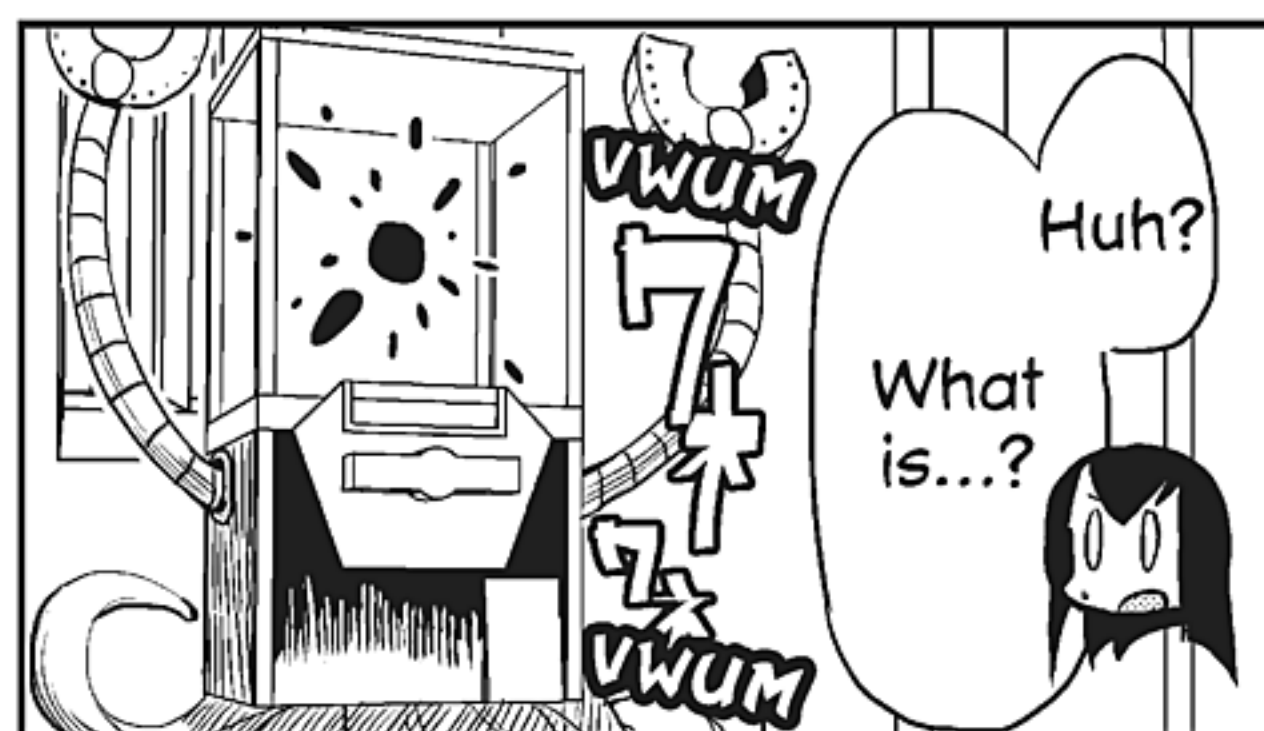

And this is
our base.

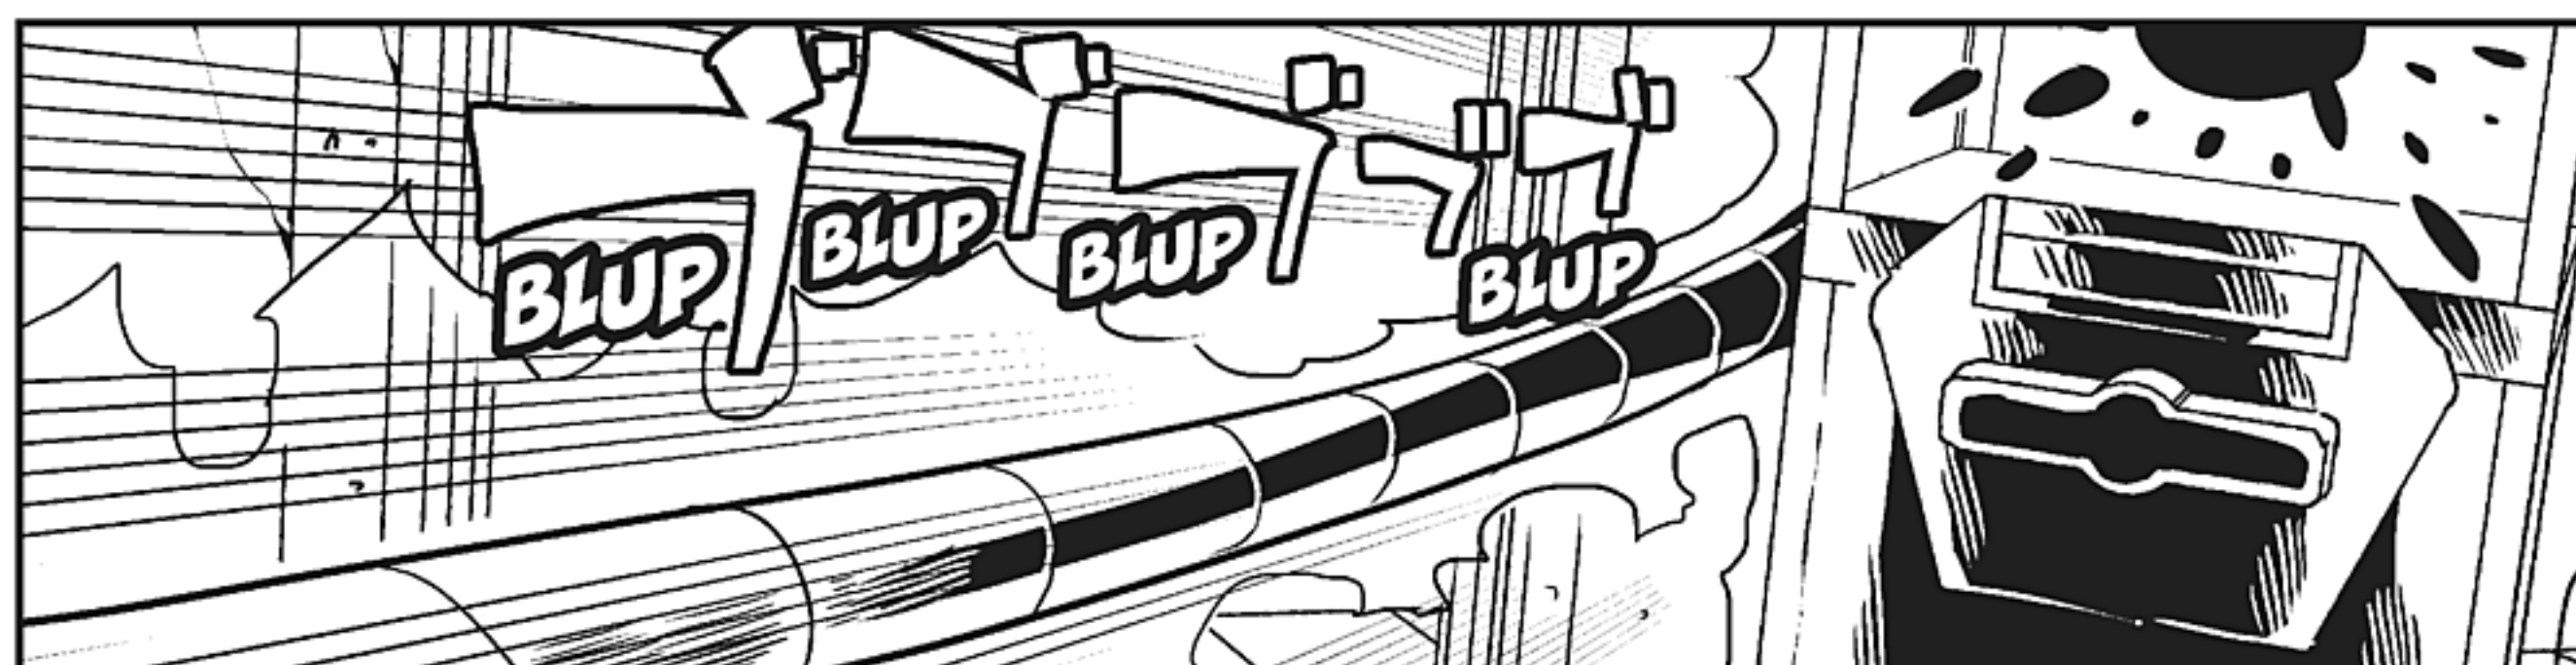

Let me
intro-
duce
you...

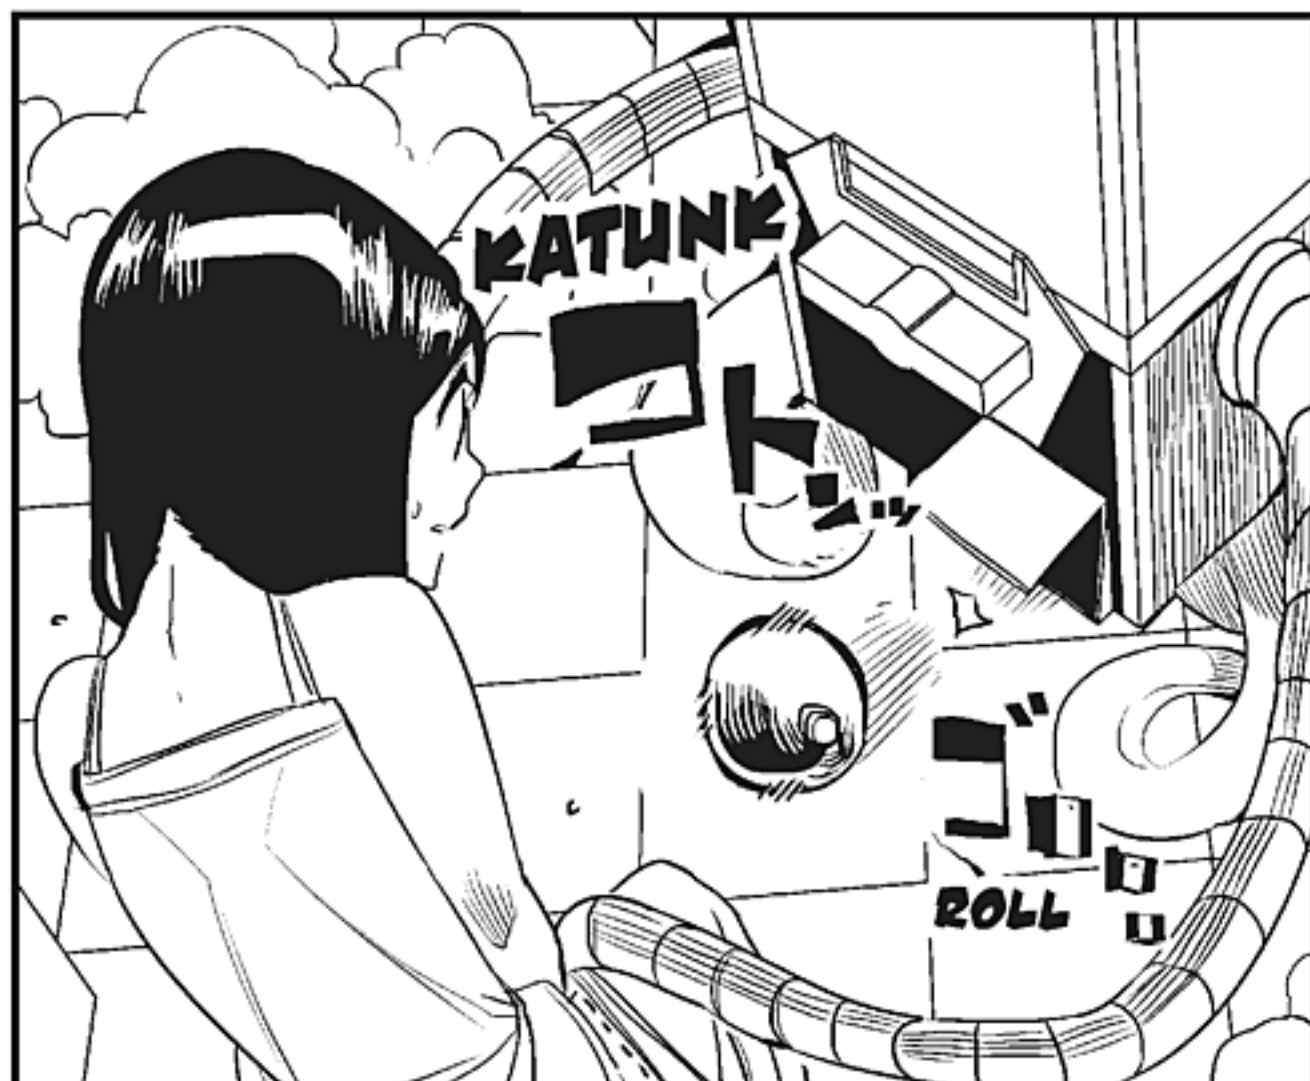

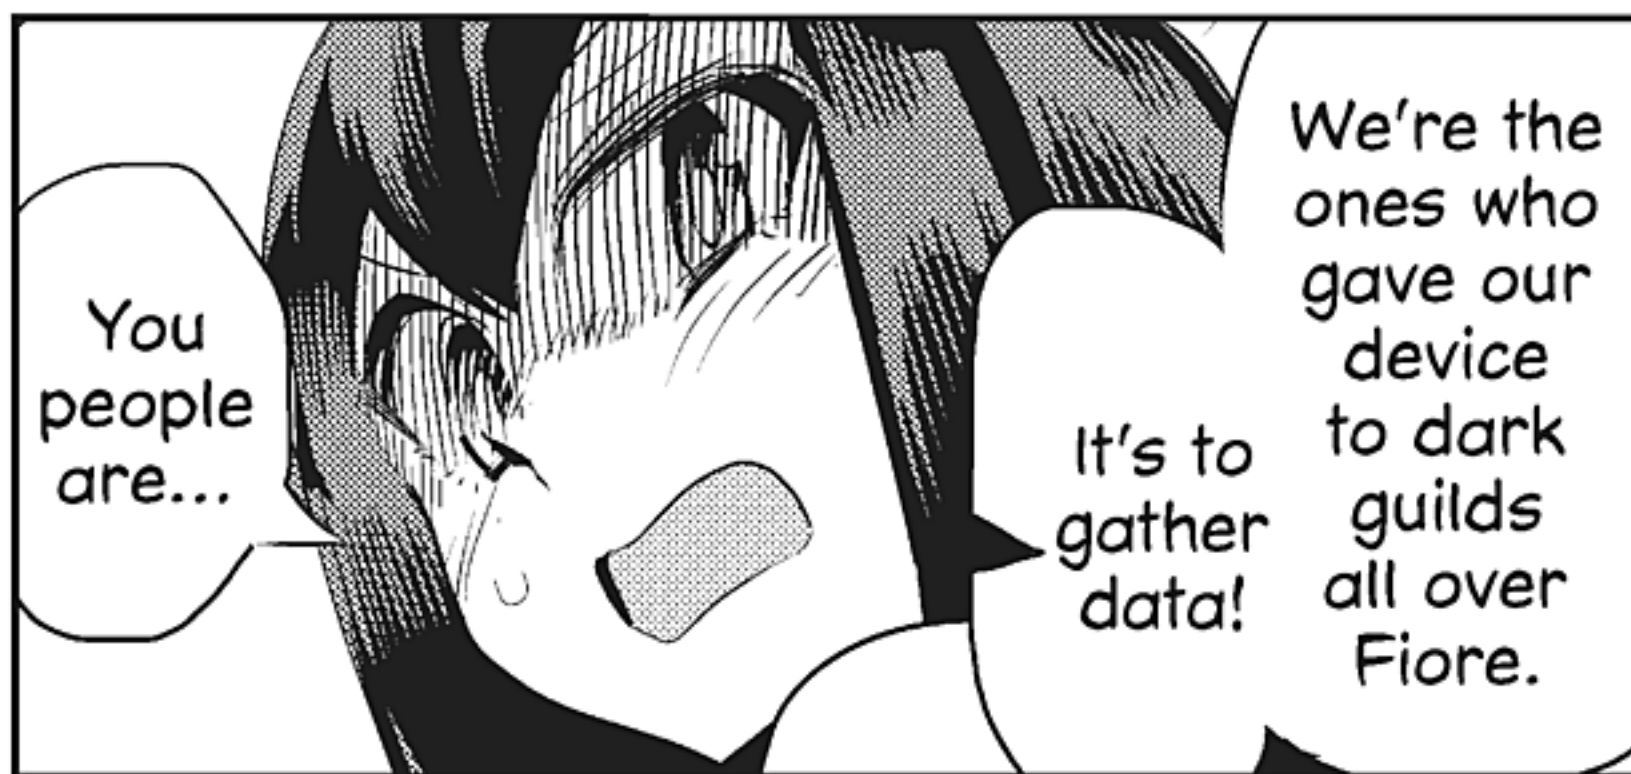

We're the
dark guild,
Rose
Marionette.

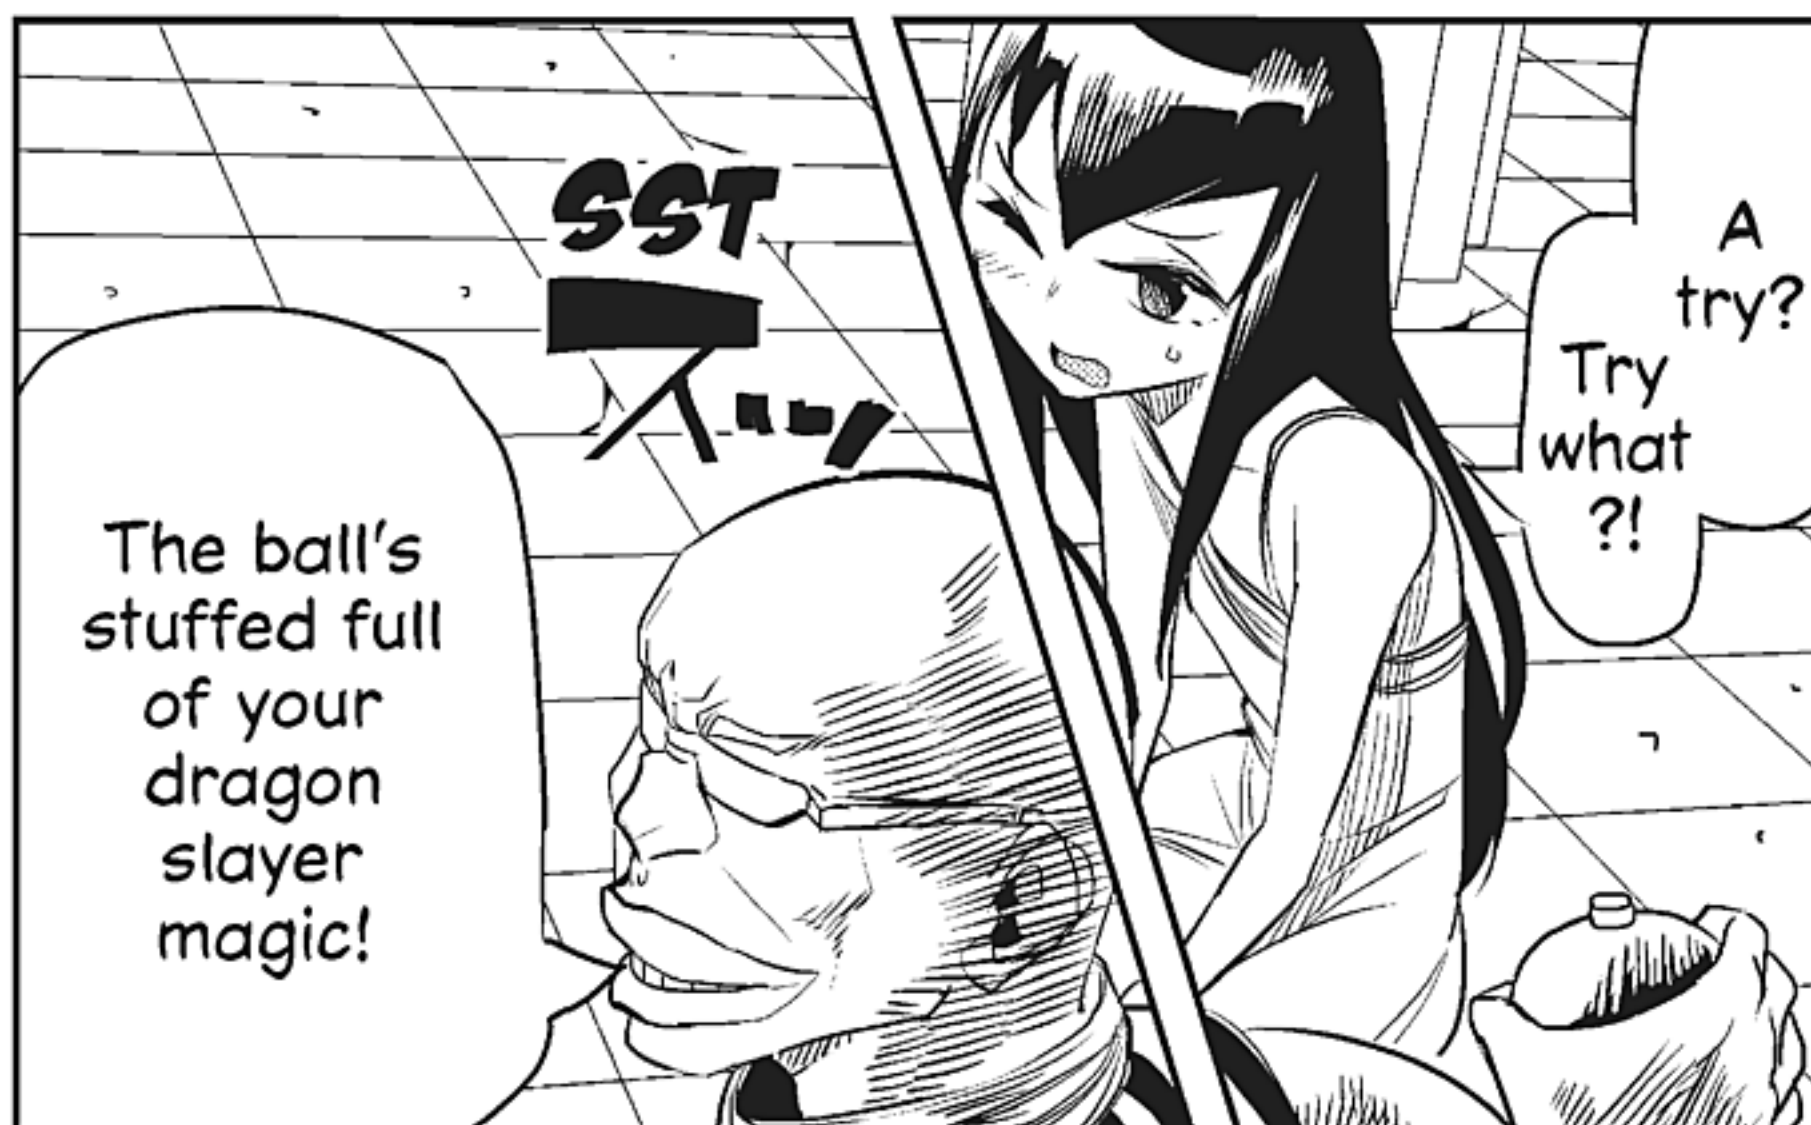

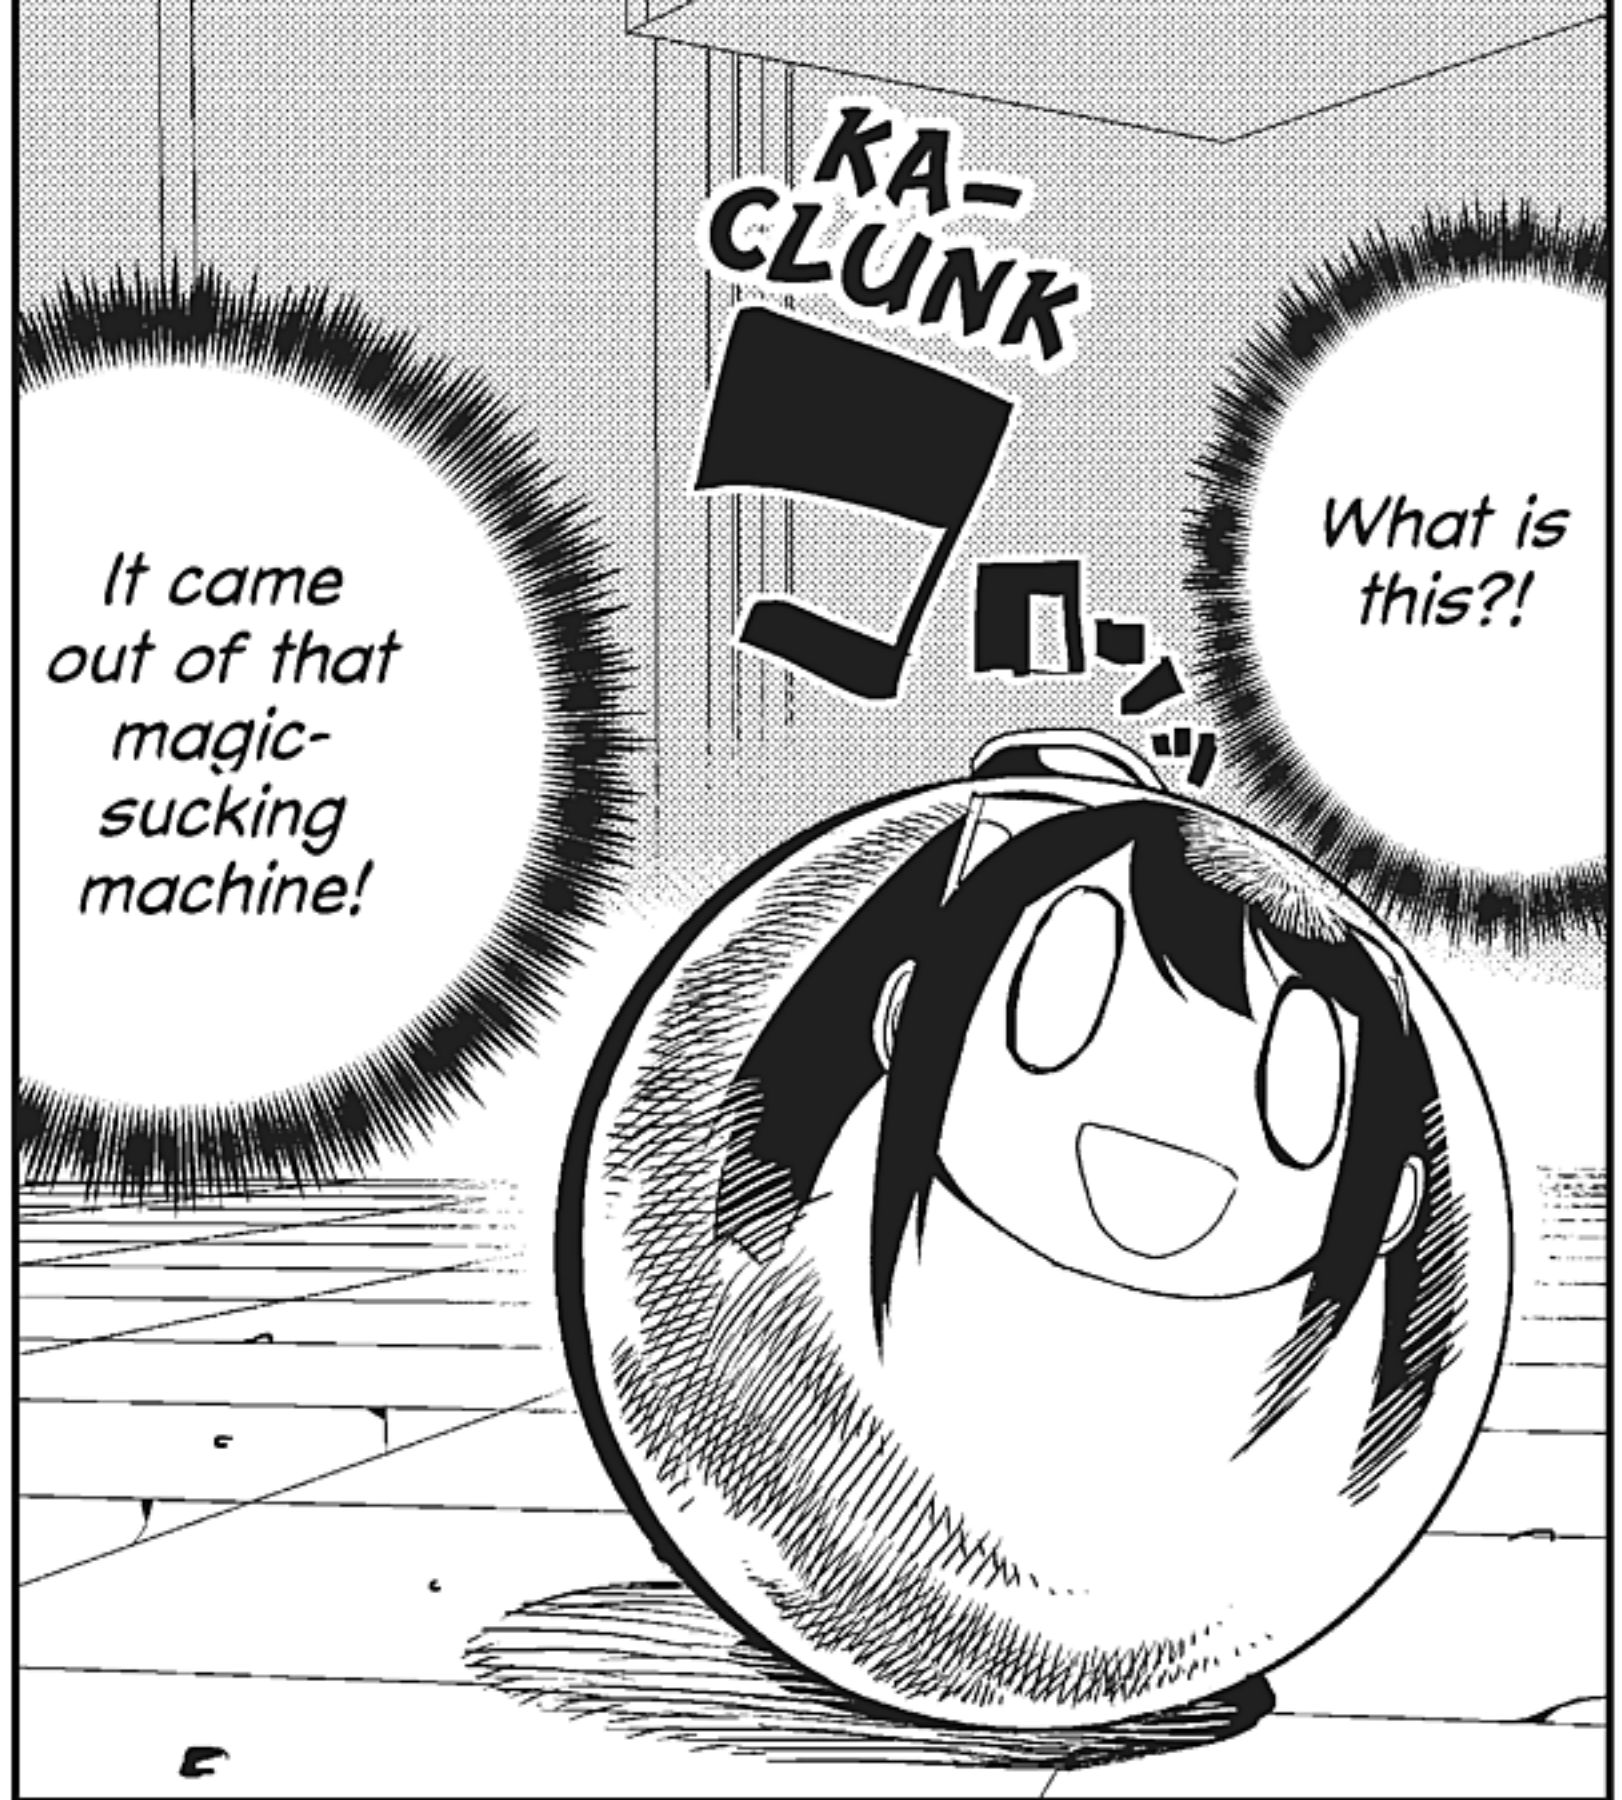

Dark Guild
Rose Marionette

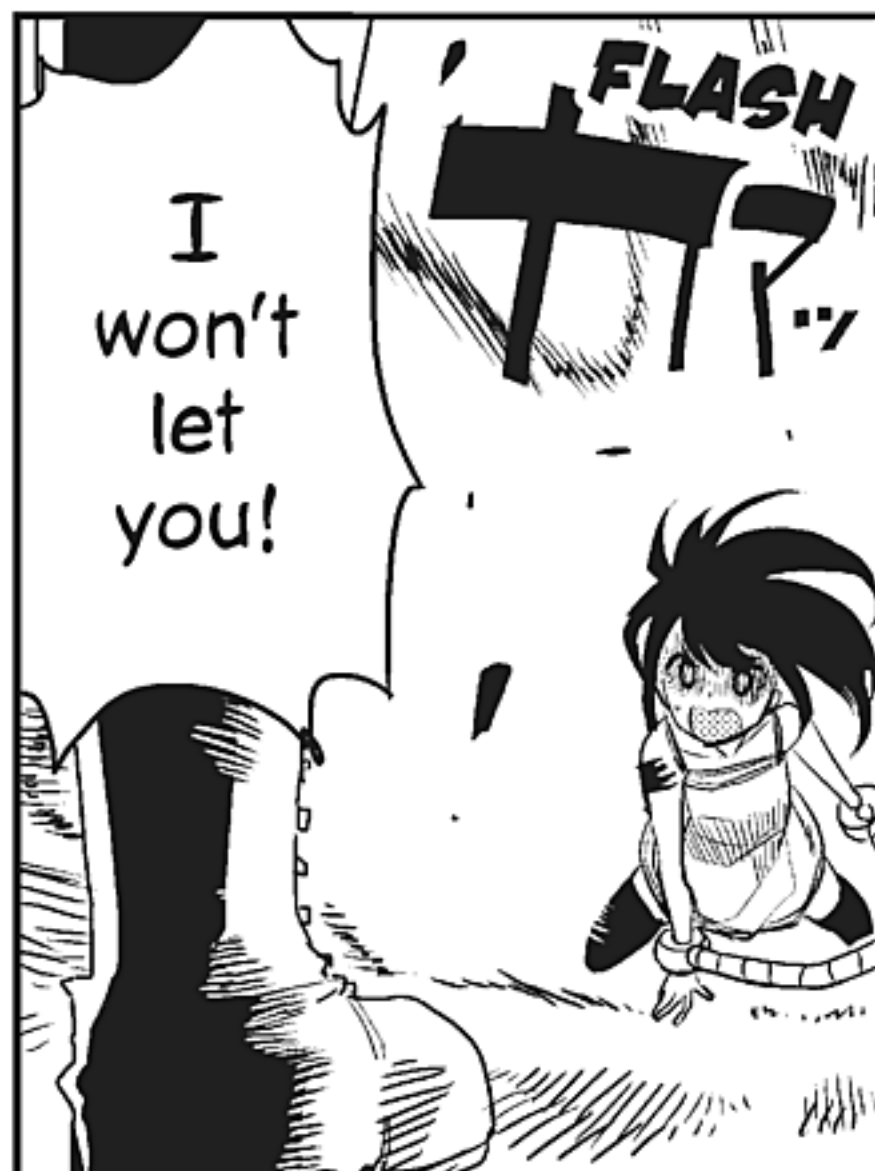

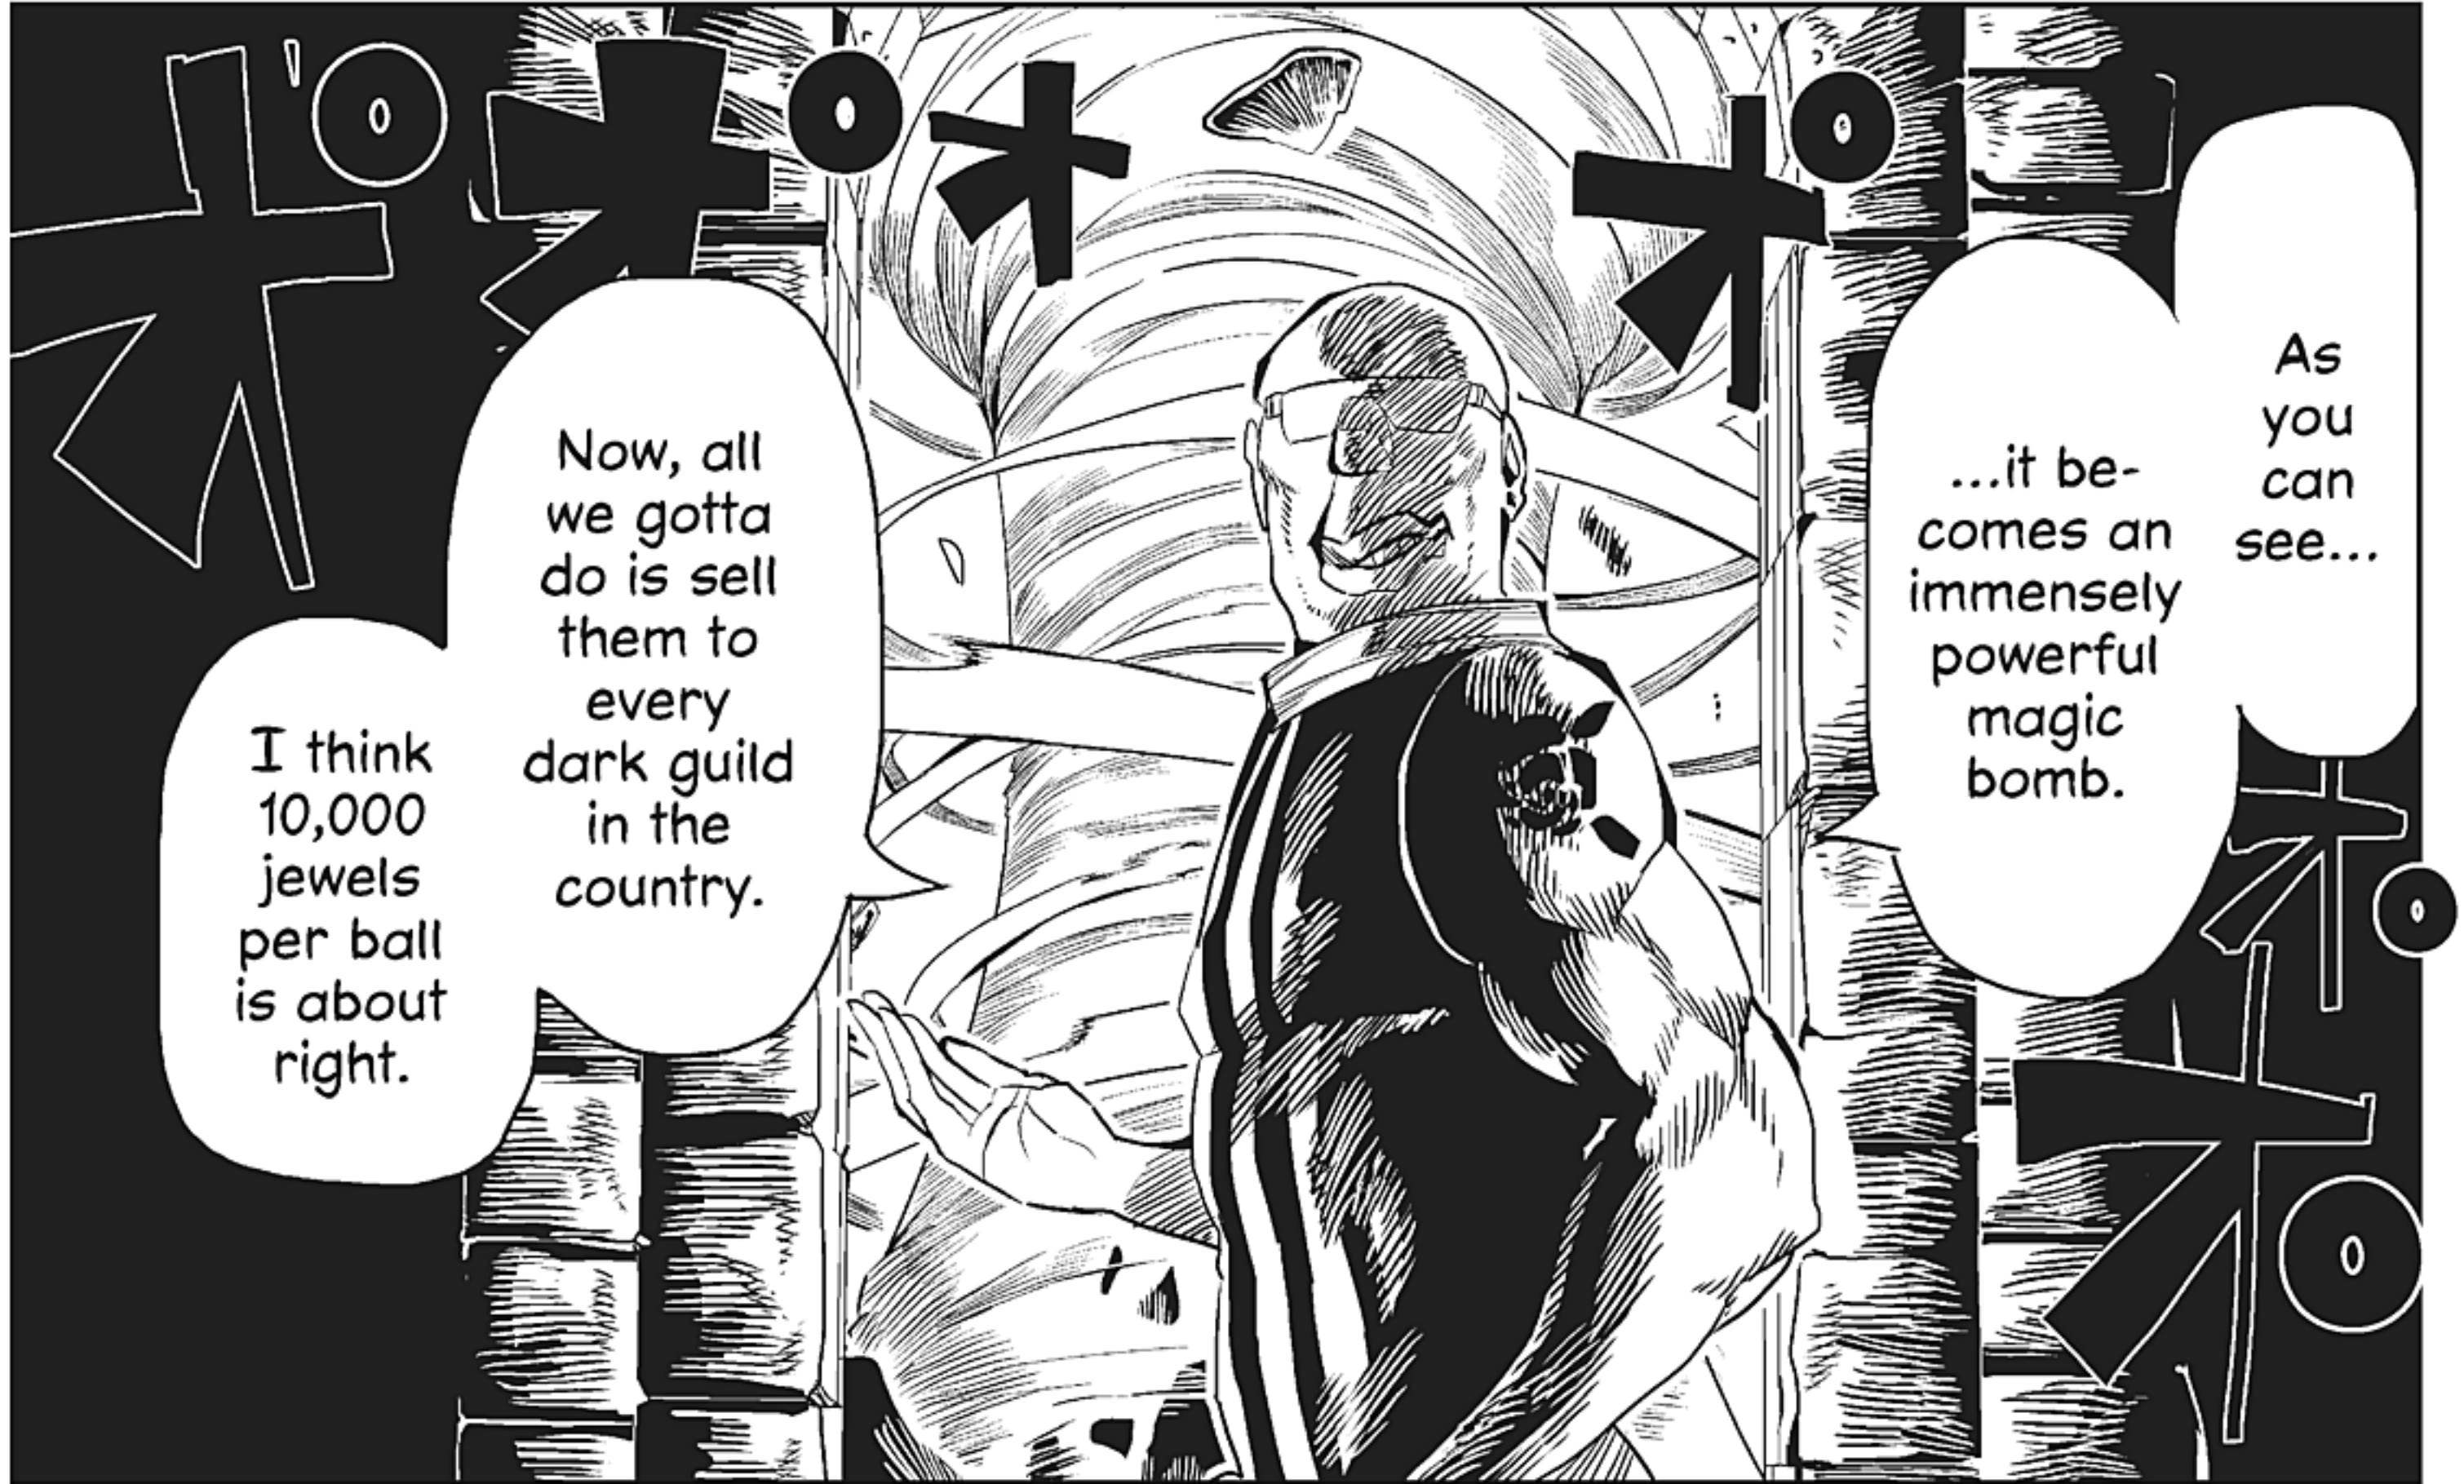

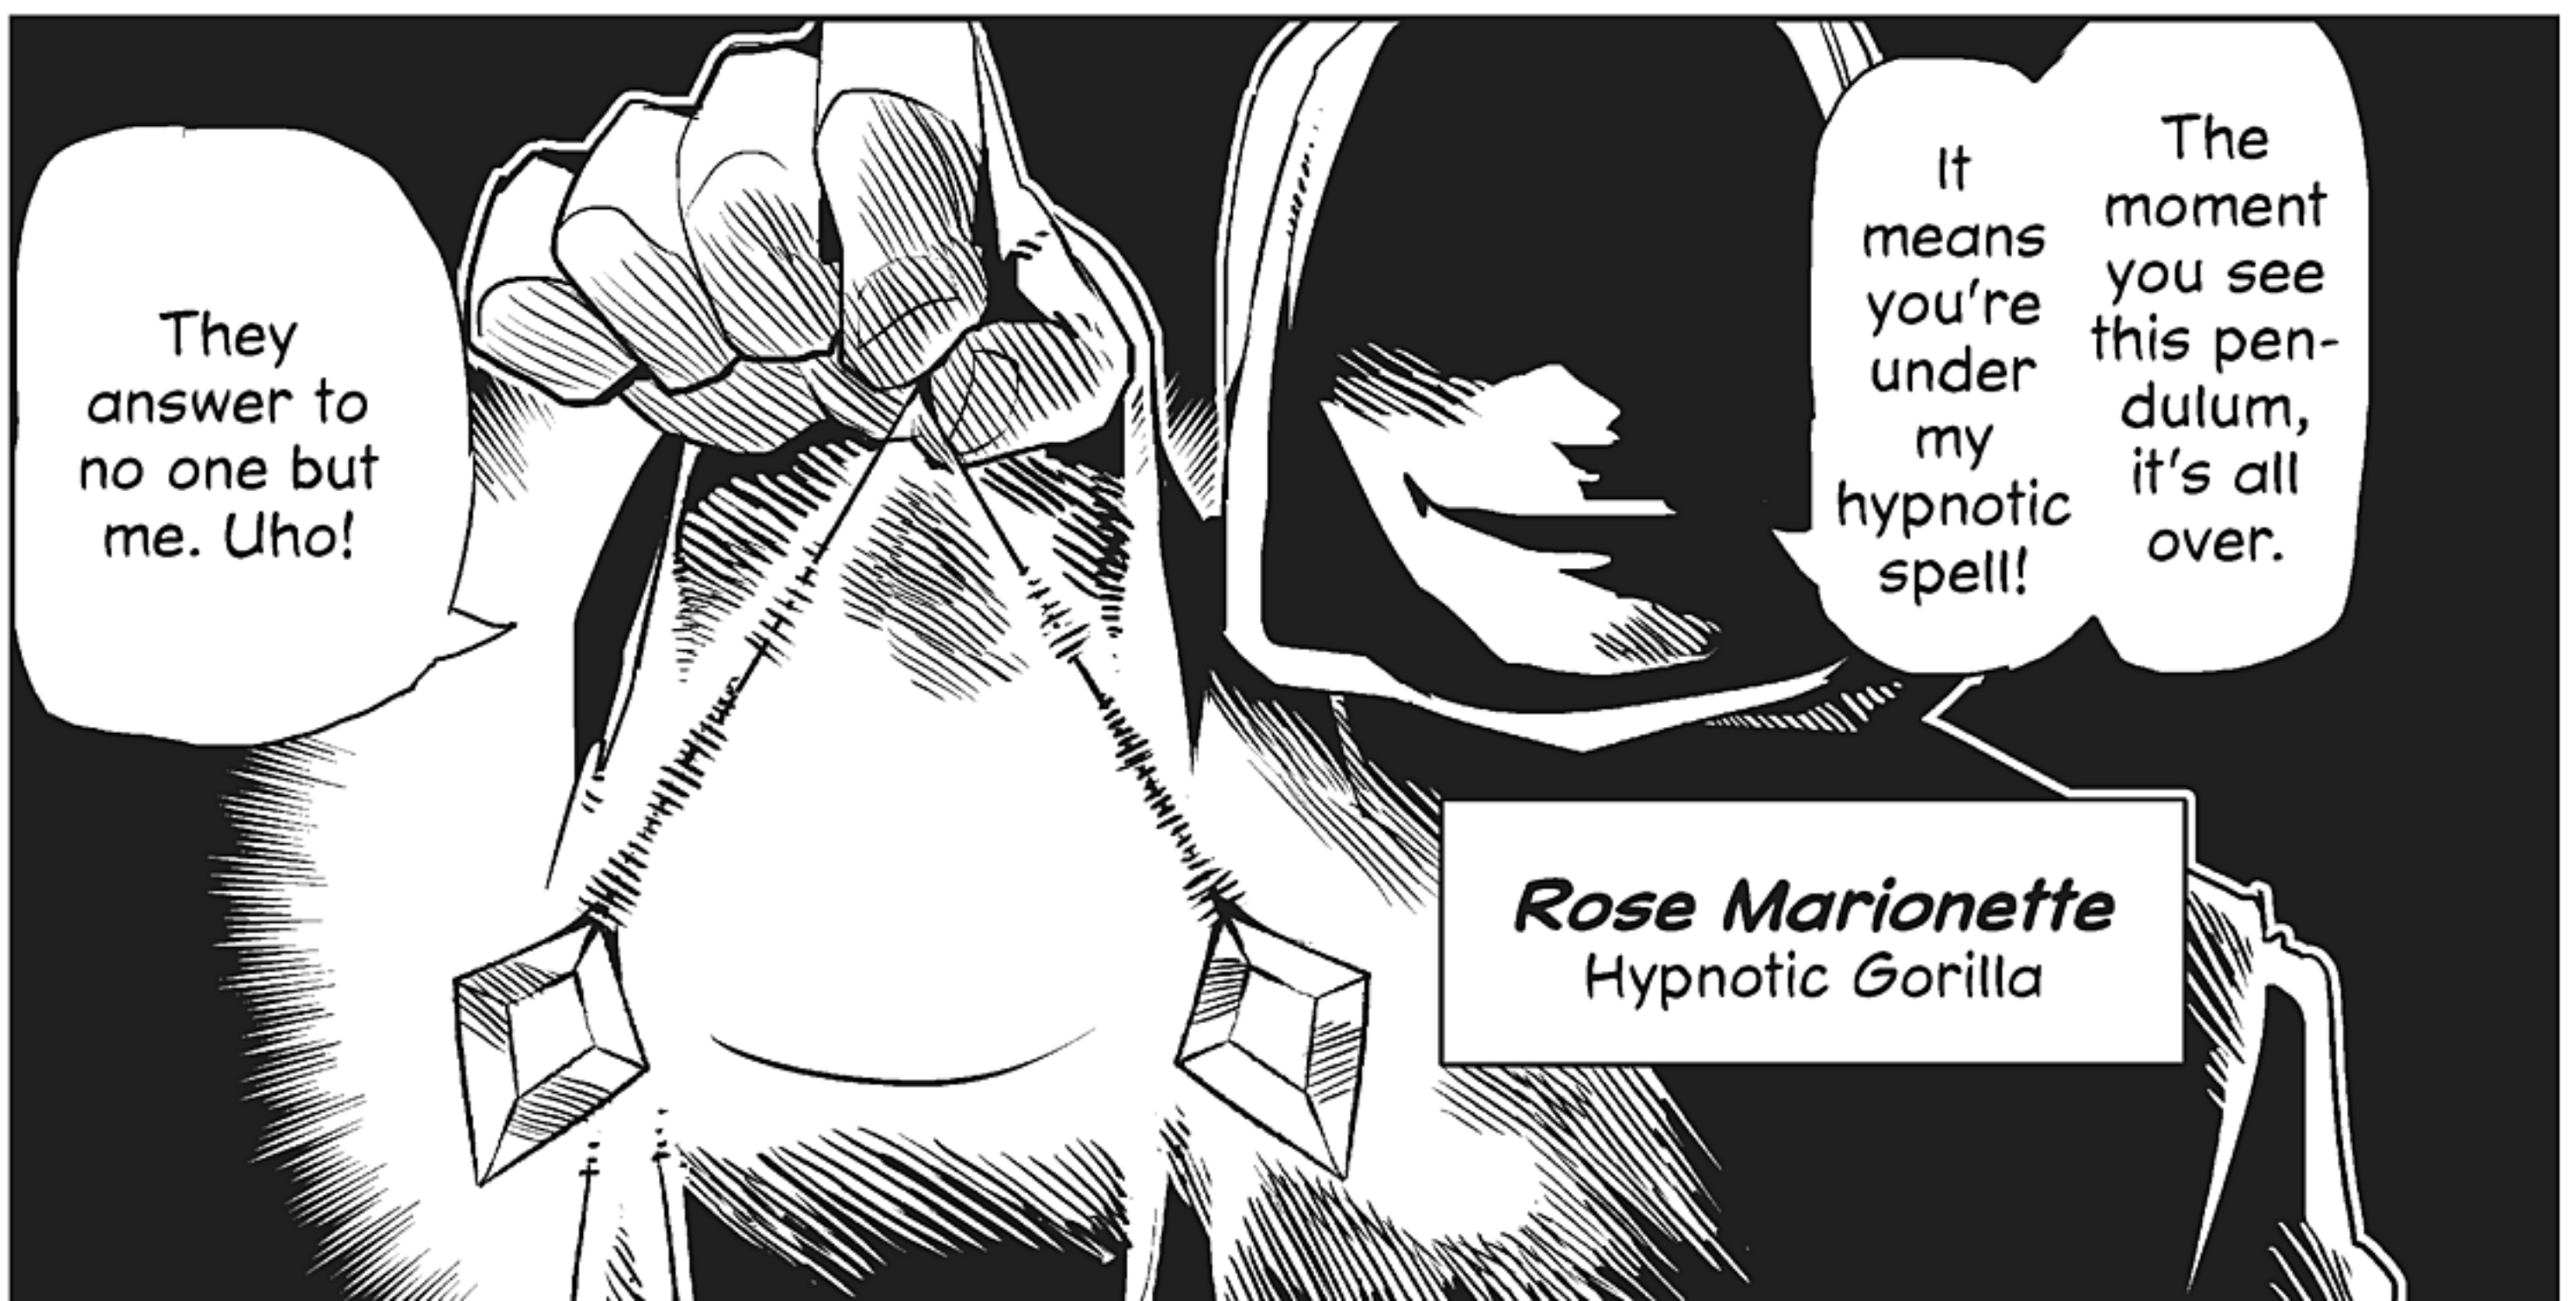

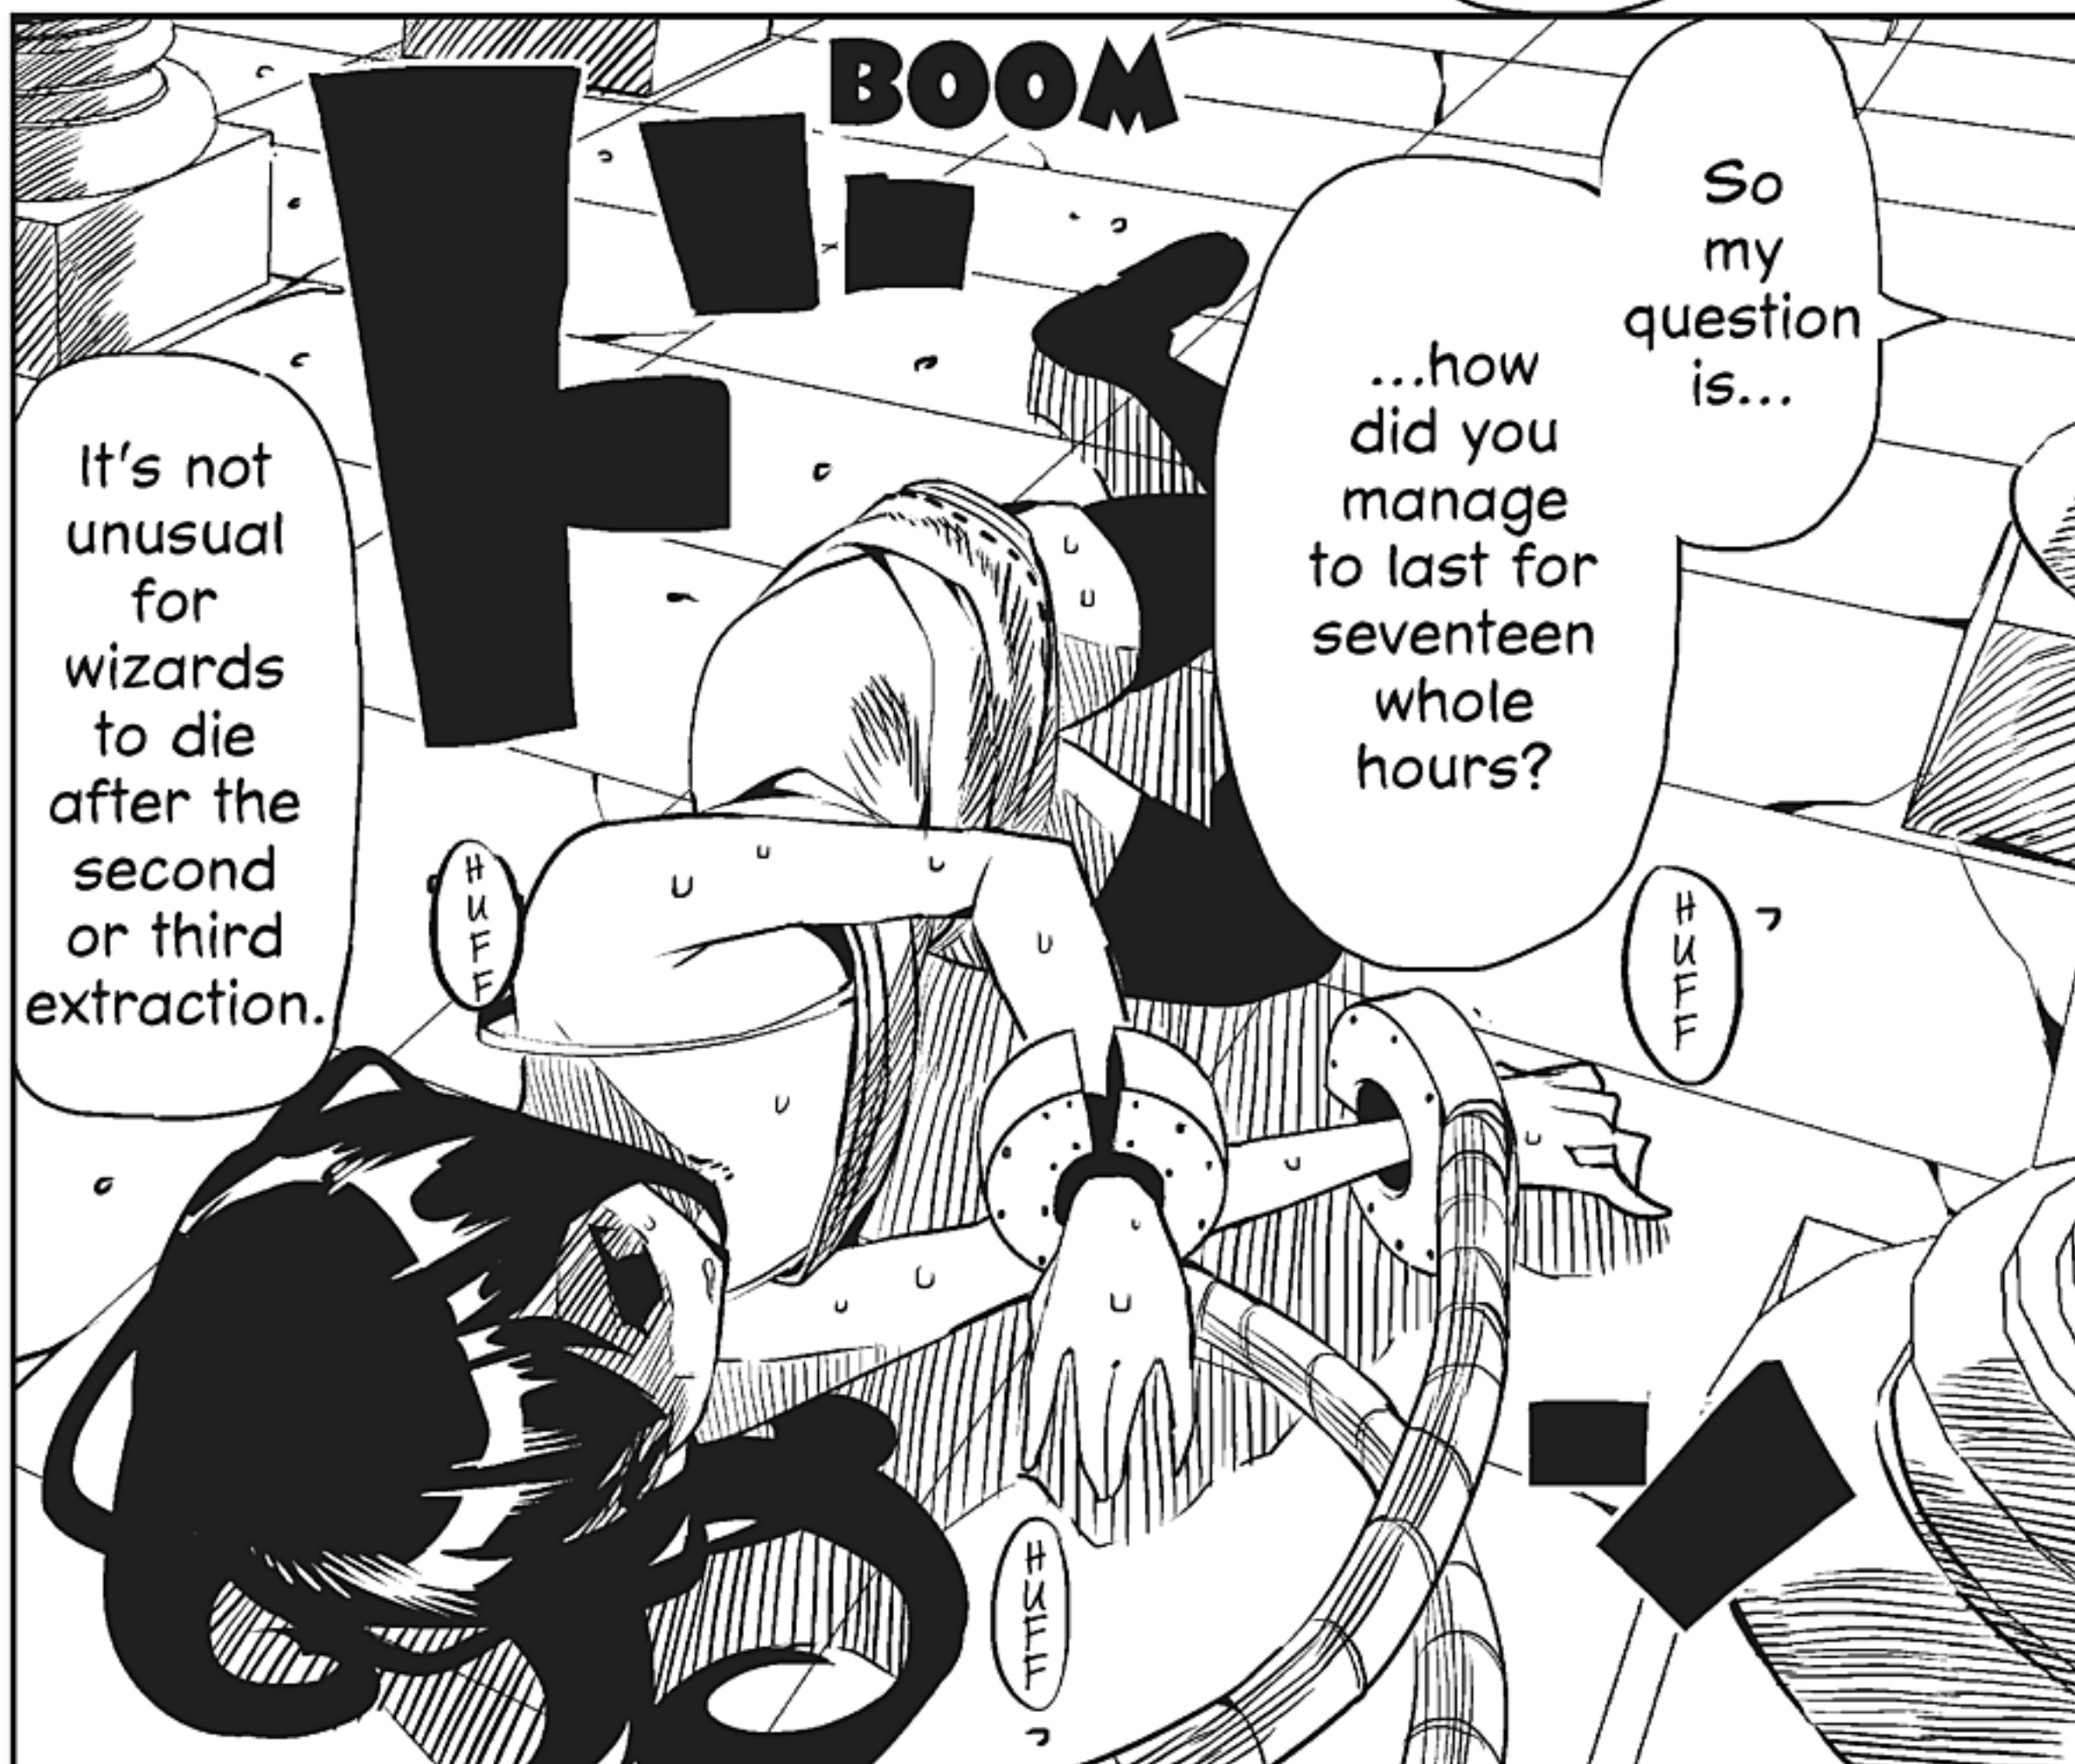

Even the strongest wizards can only last three hours before passing out...

Let's stop here for now.

But, I guess even you have your limits.

PACHIK

BOOM

It's not unusual for wizards to die after the second or third extraction.

...how did you manage to last for seventeen whole hours?

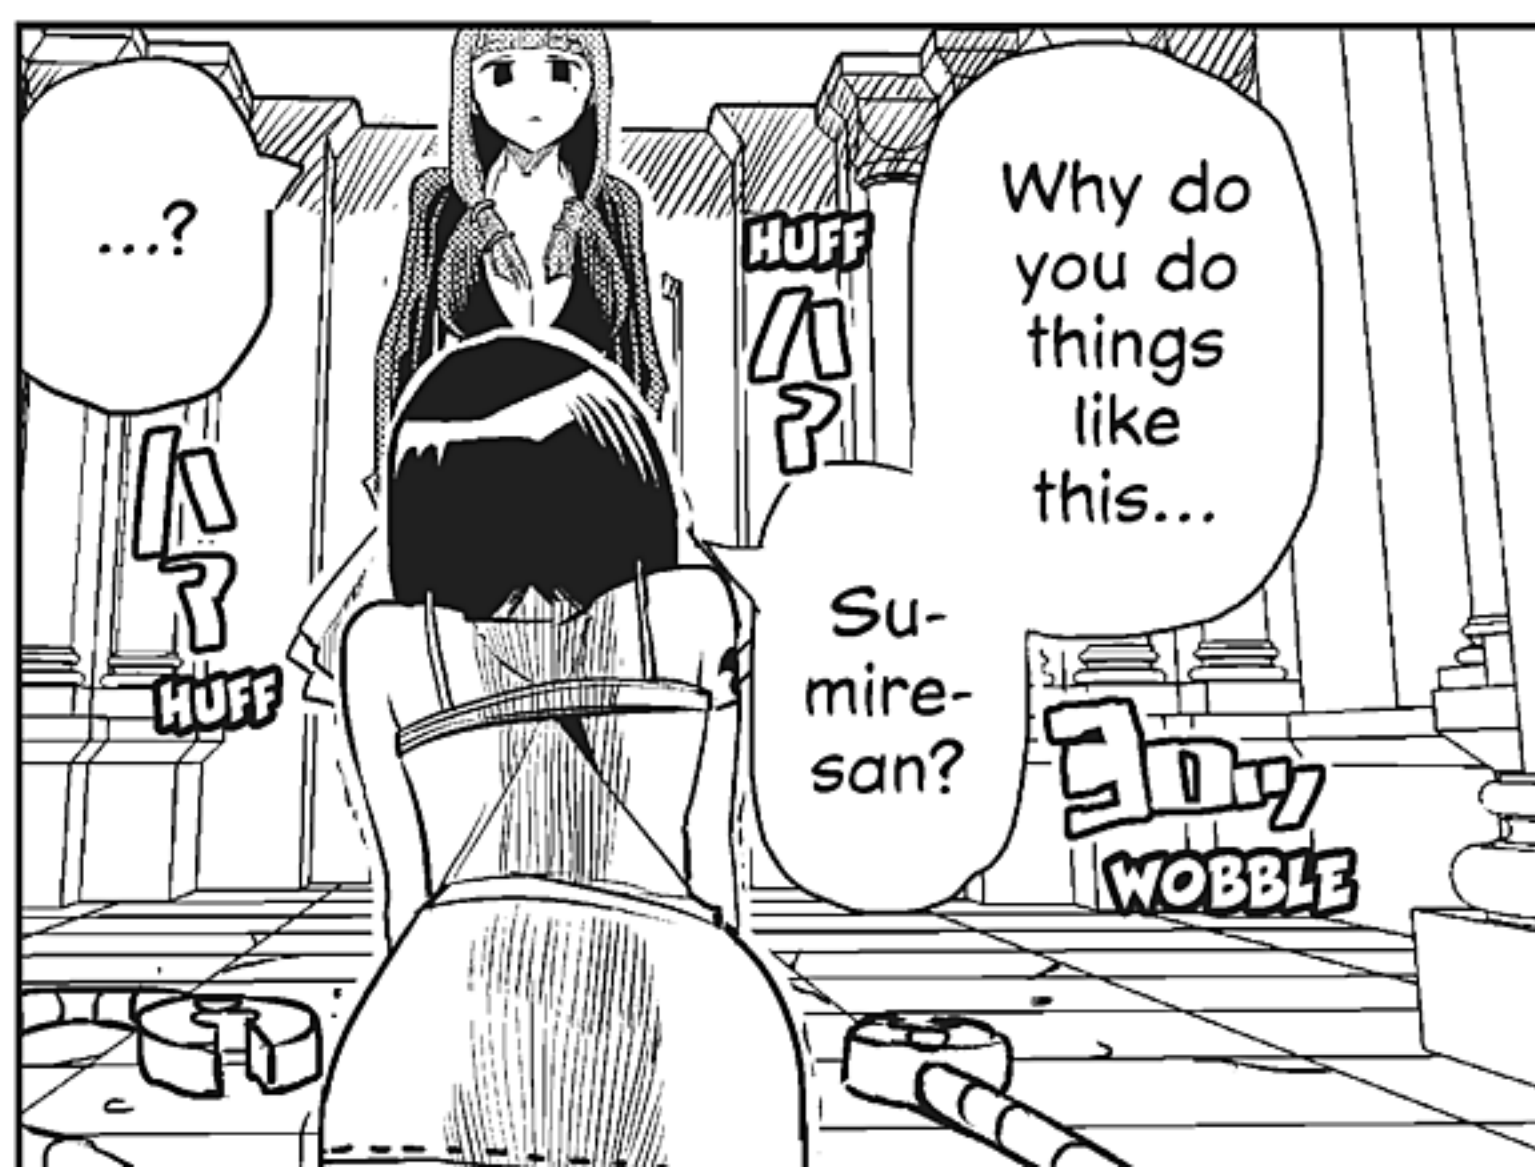

So my question is...

We need the money.

I want as much as I can get.

Didn't I already tell you?

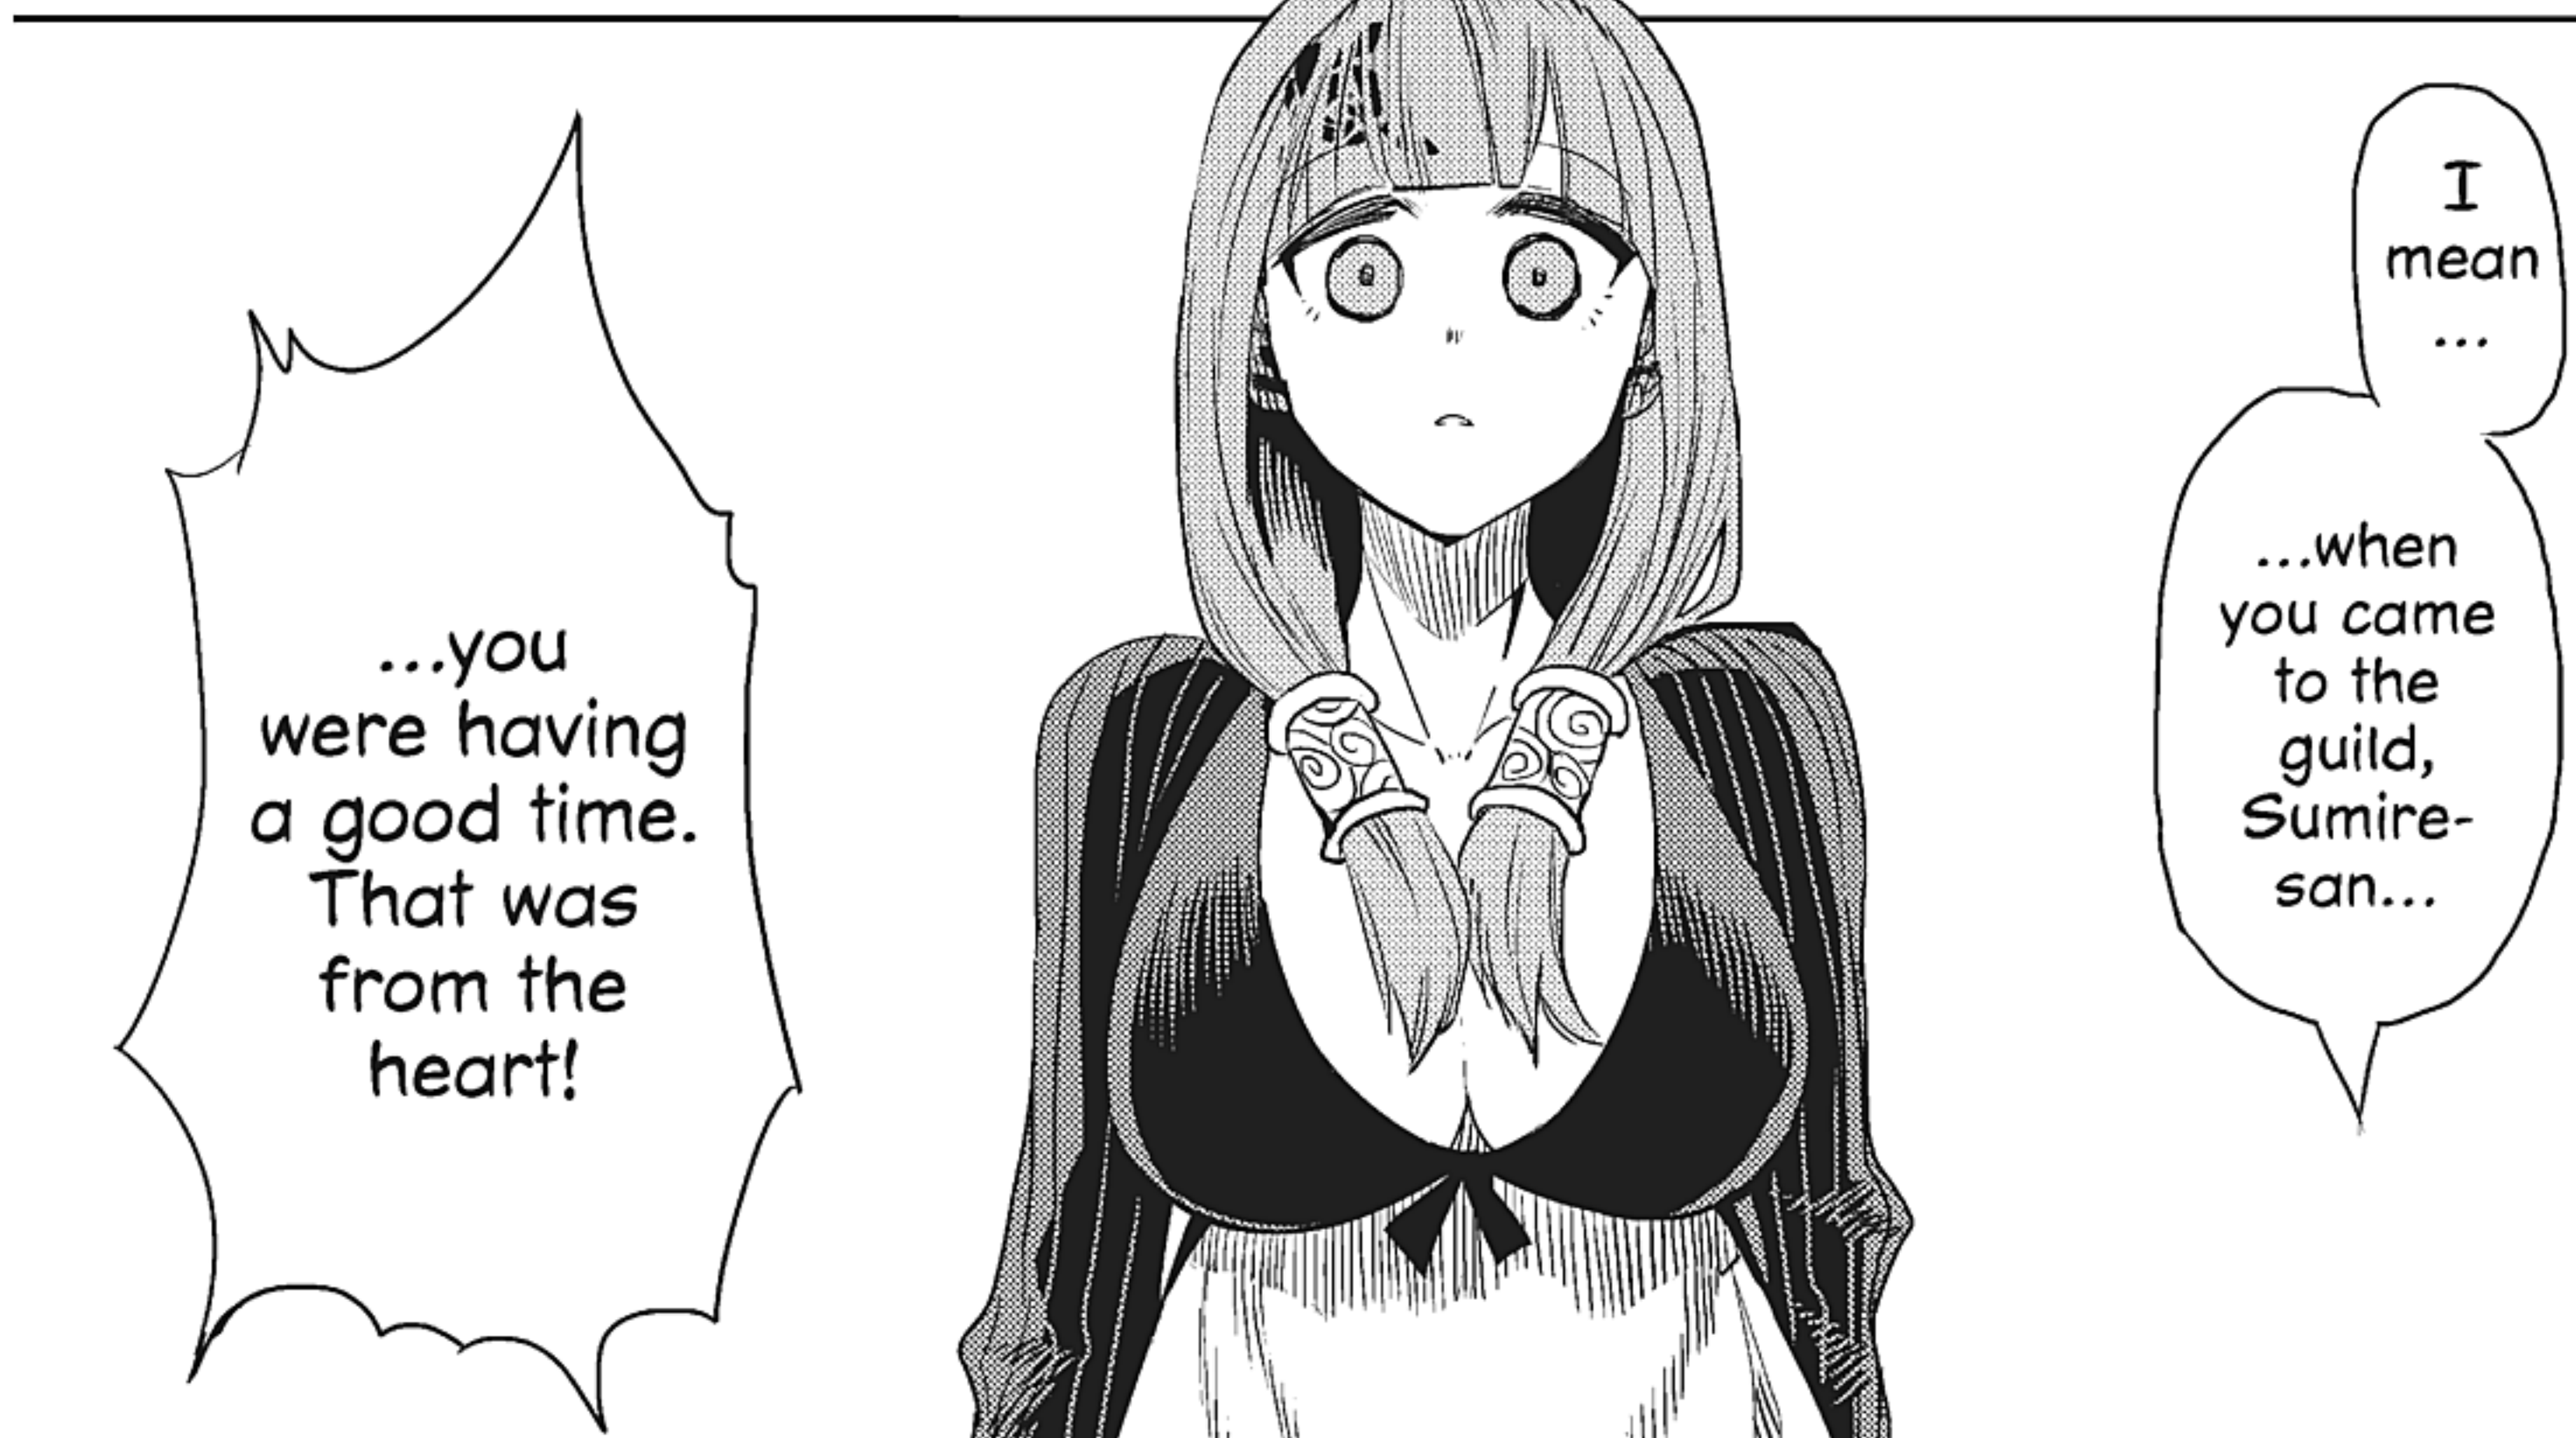

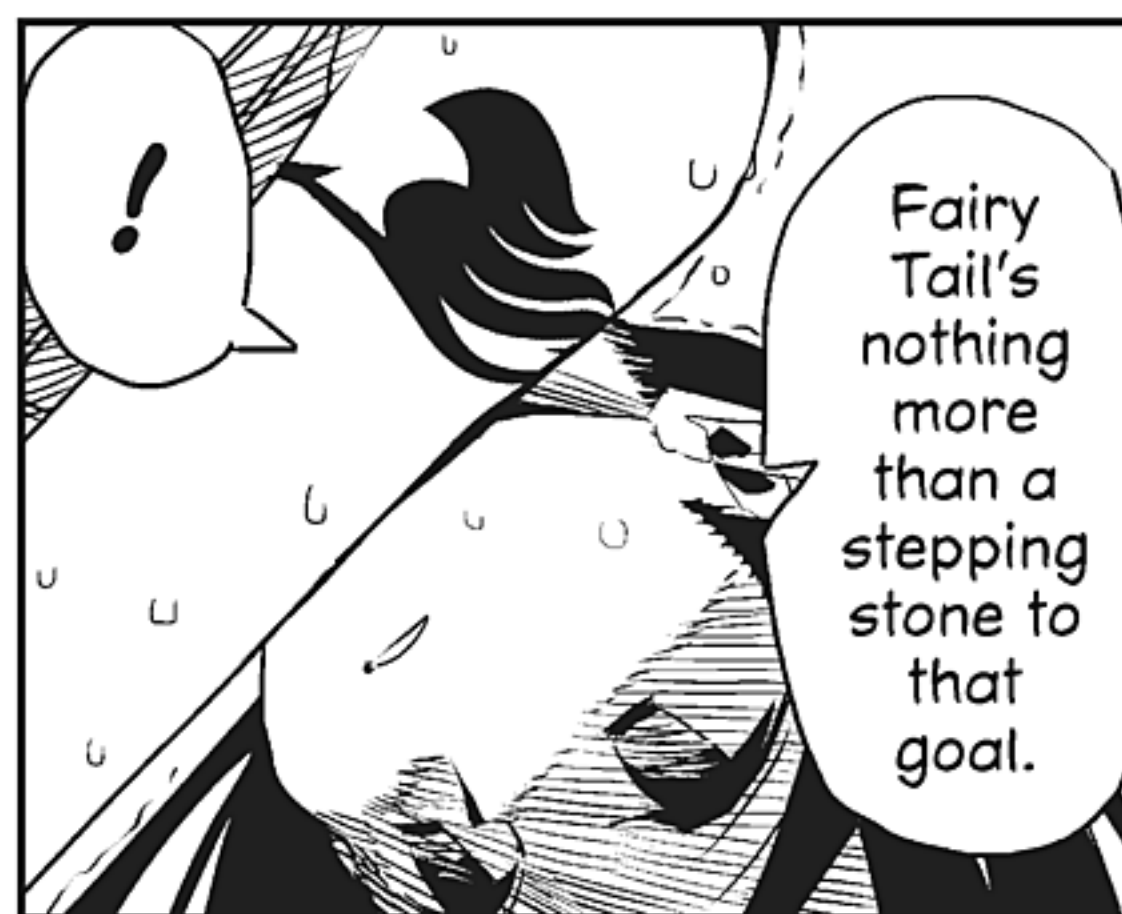

...?

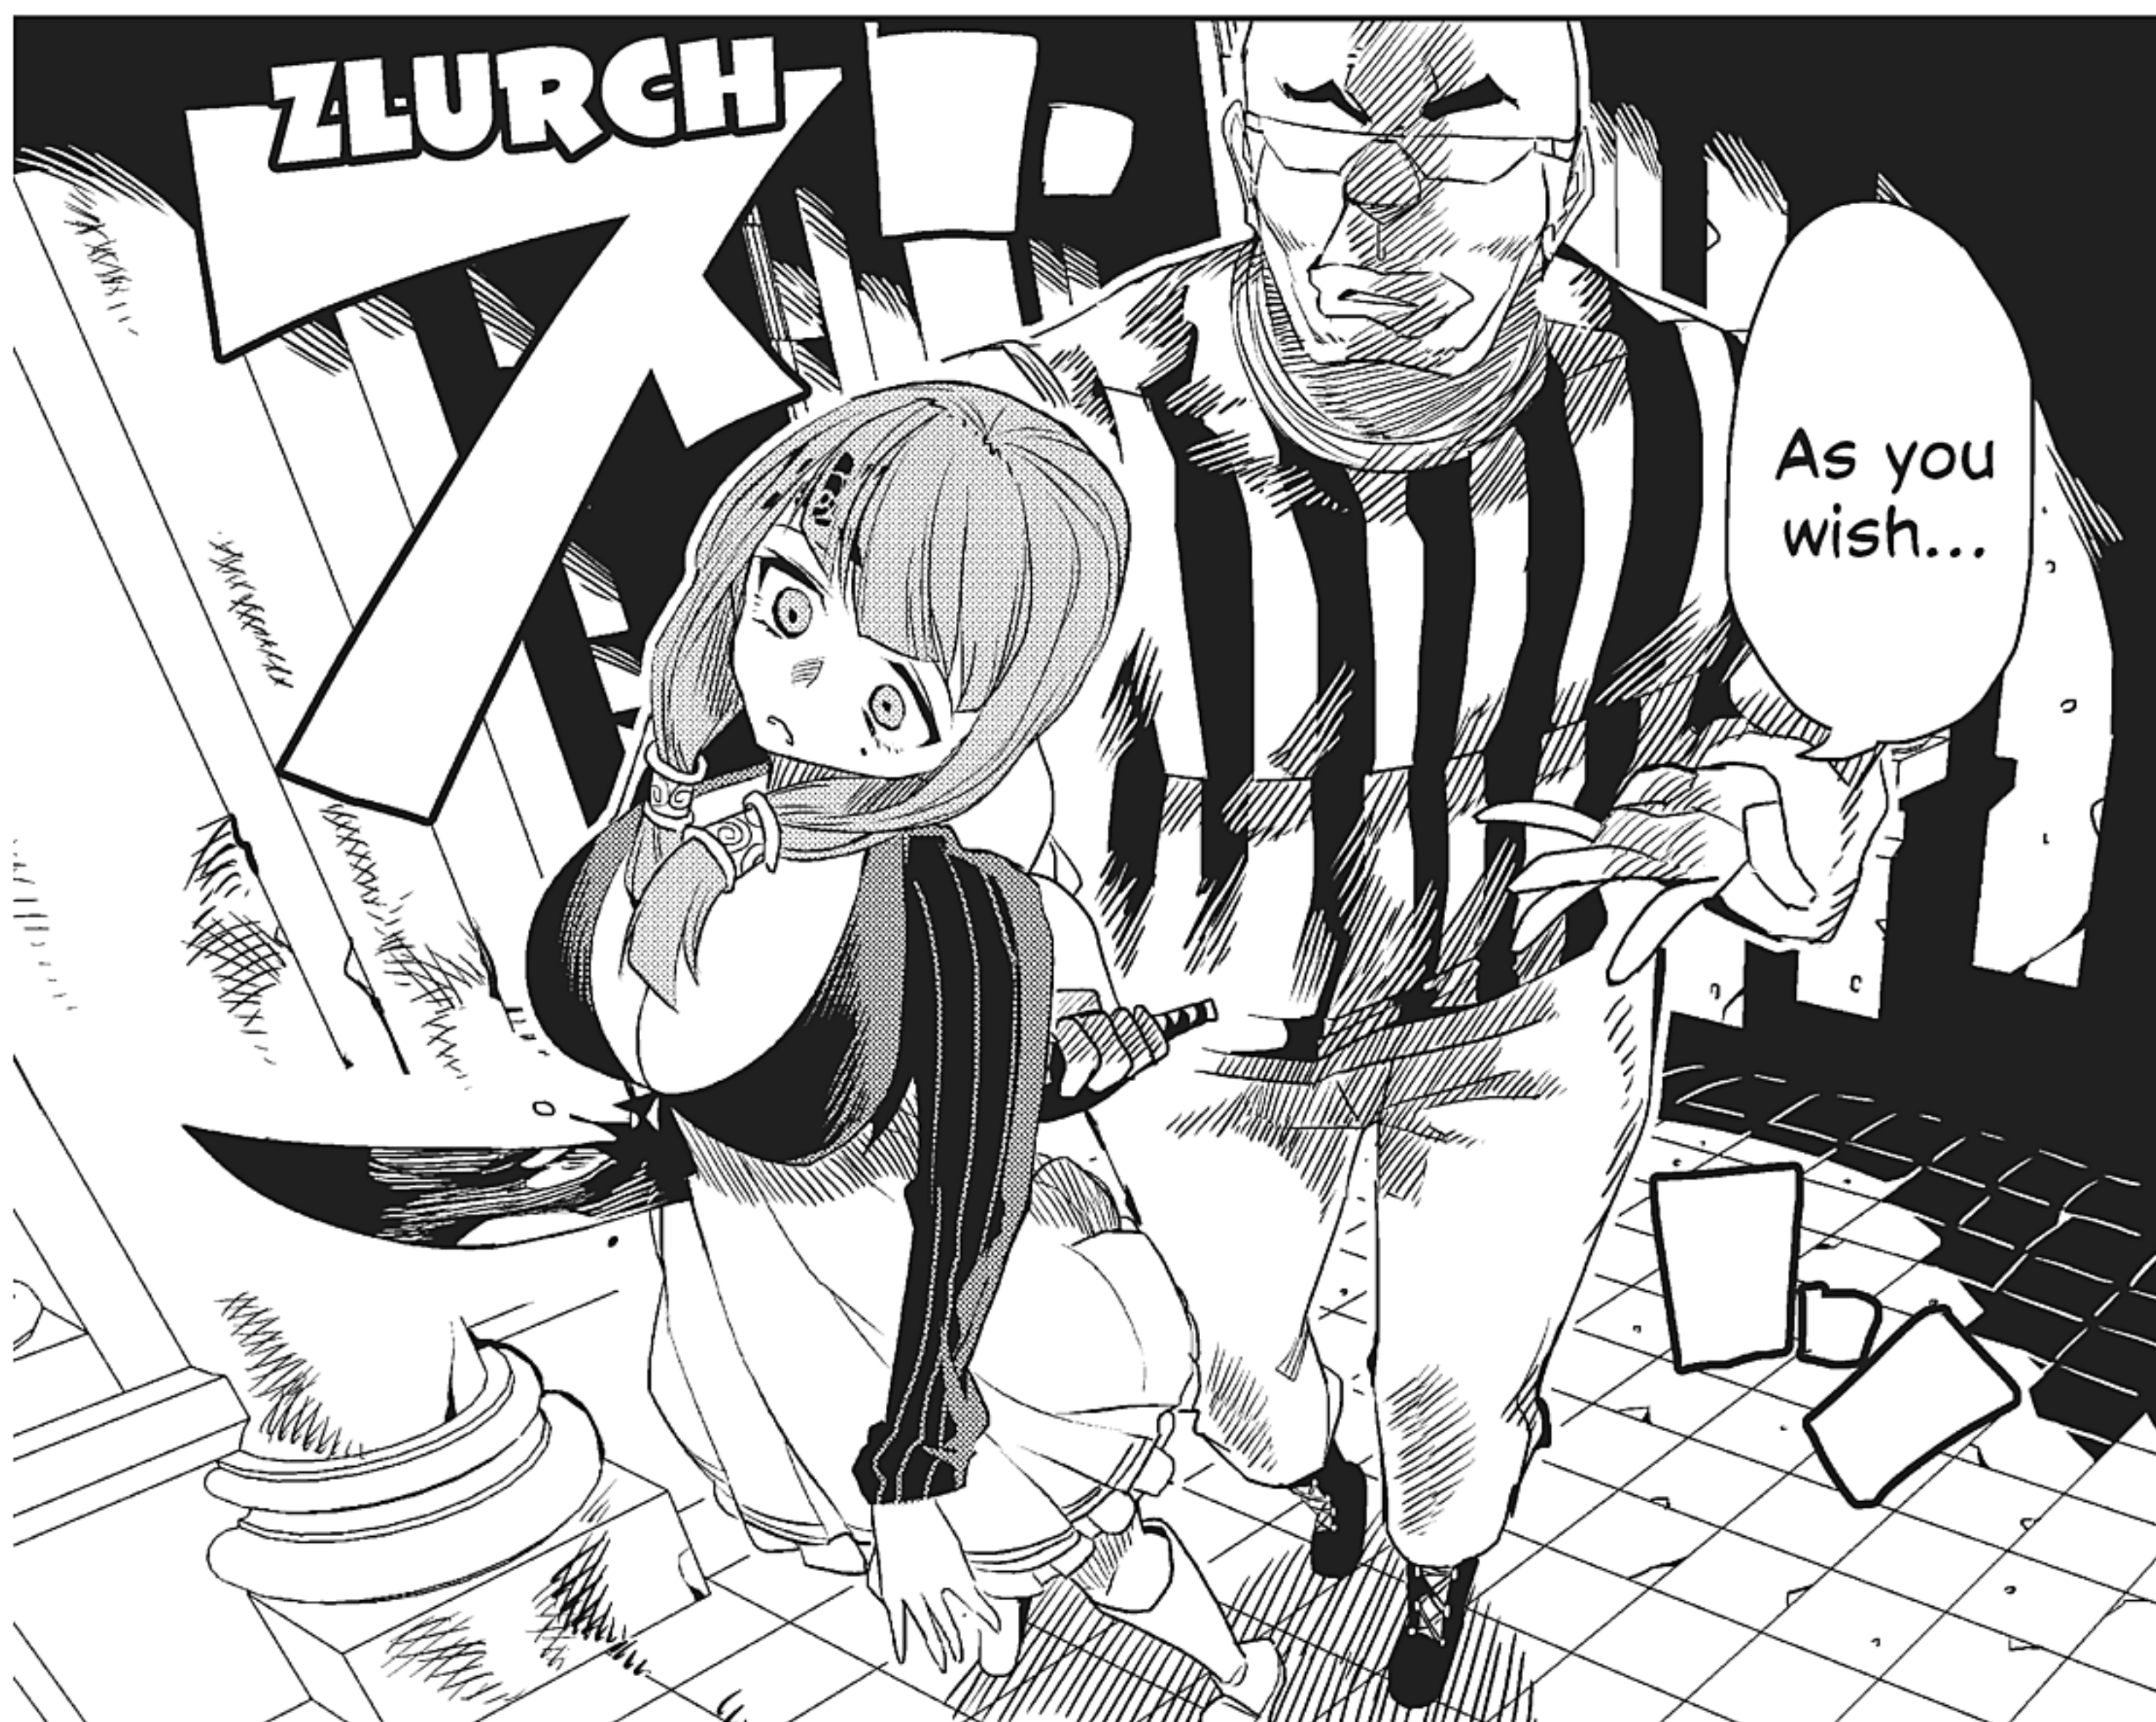

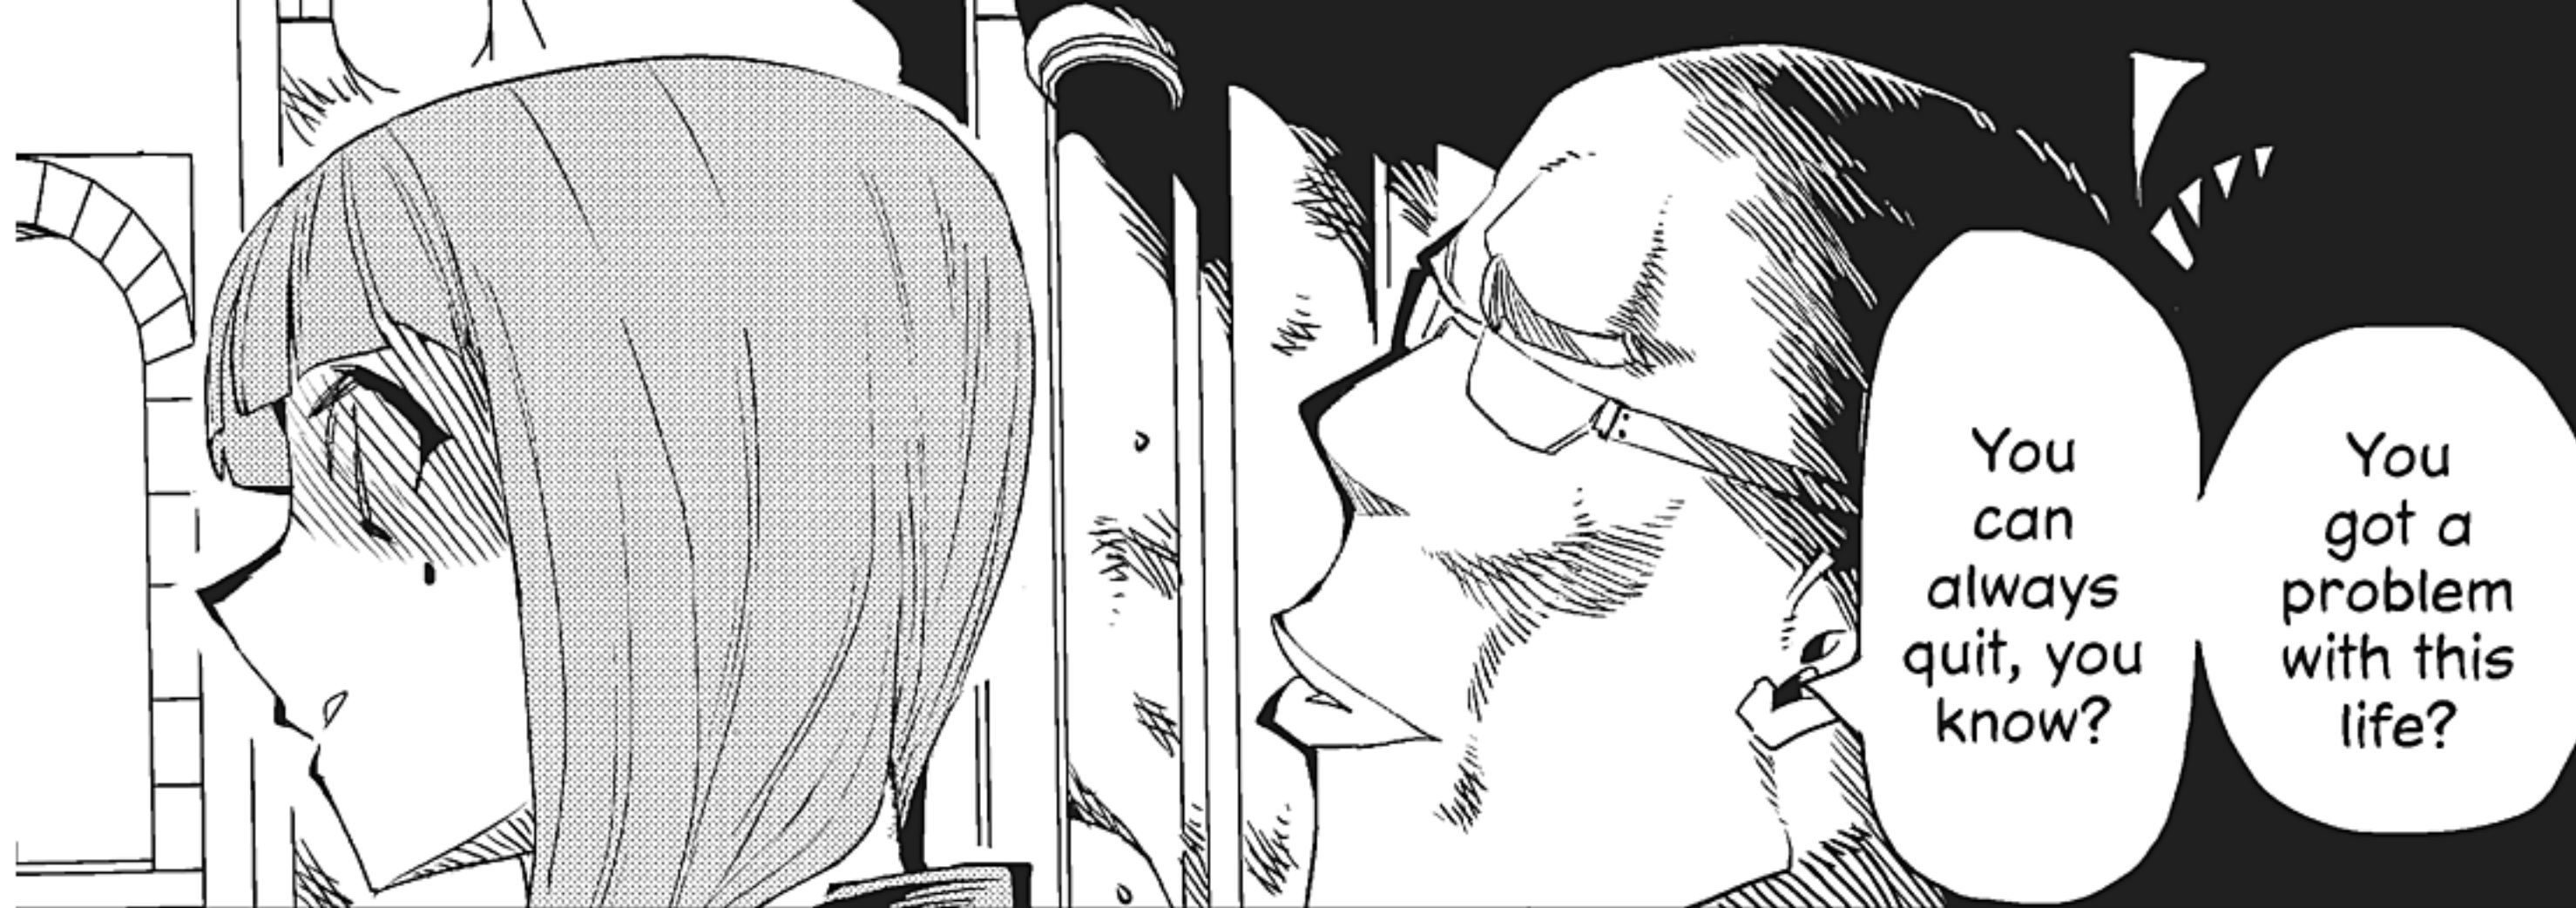

Why do you do things like this...

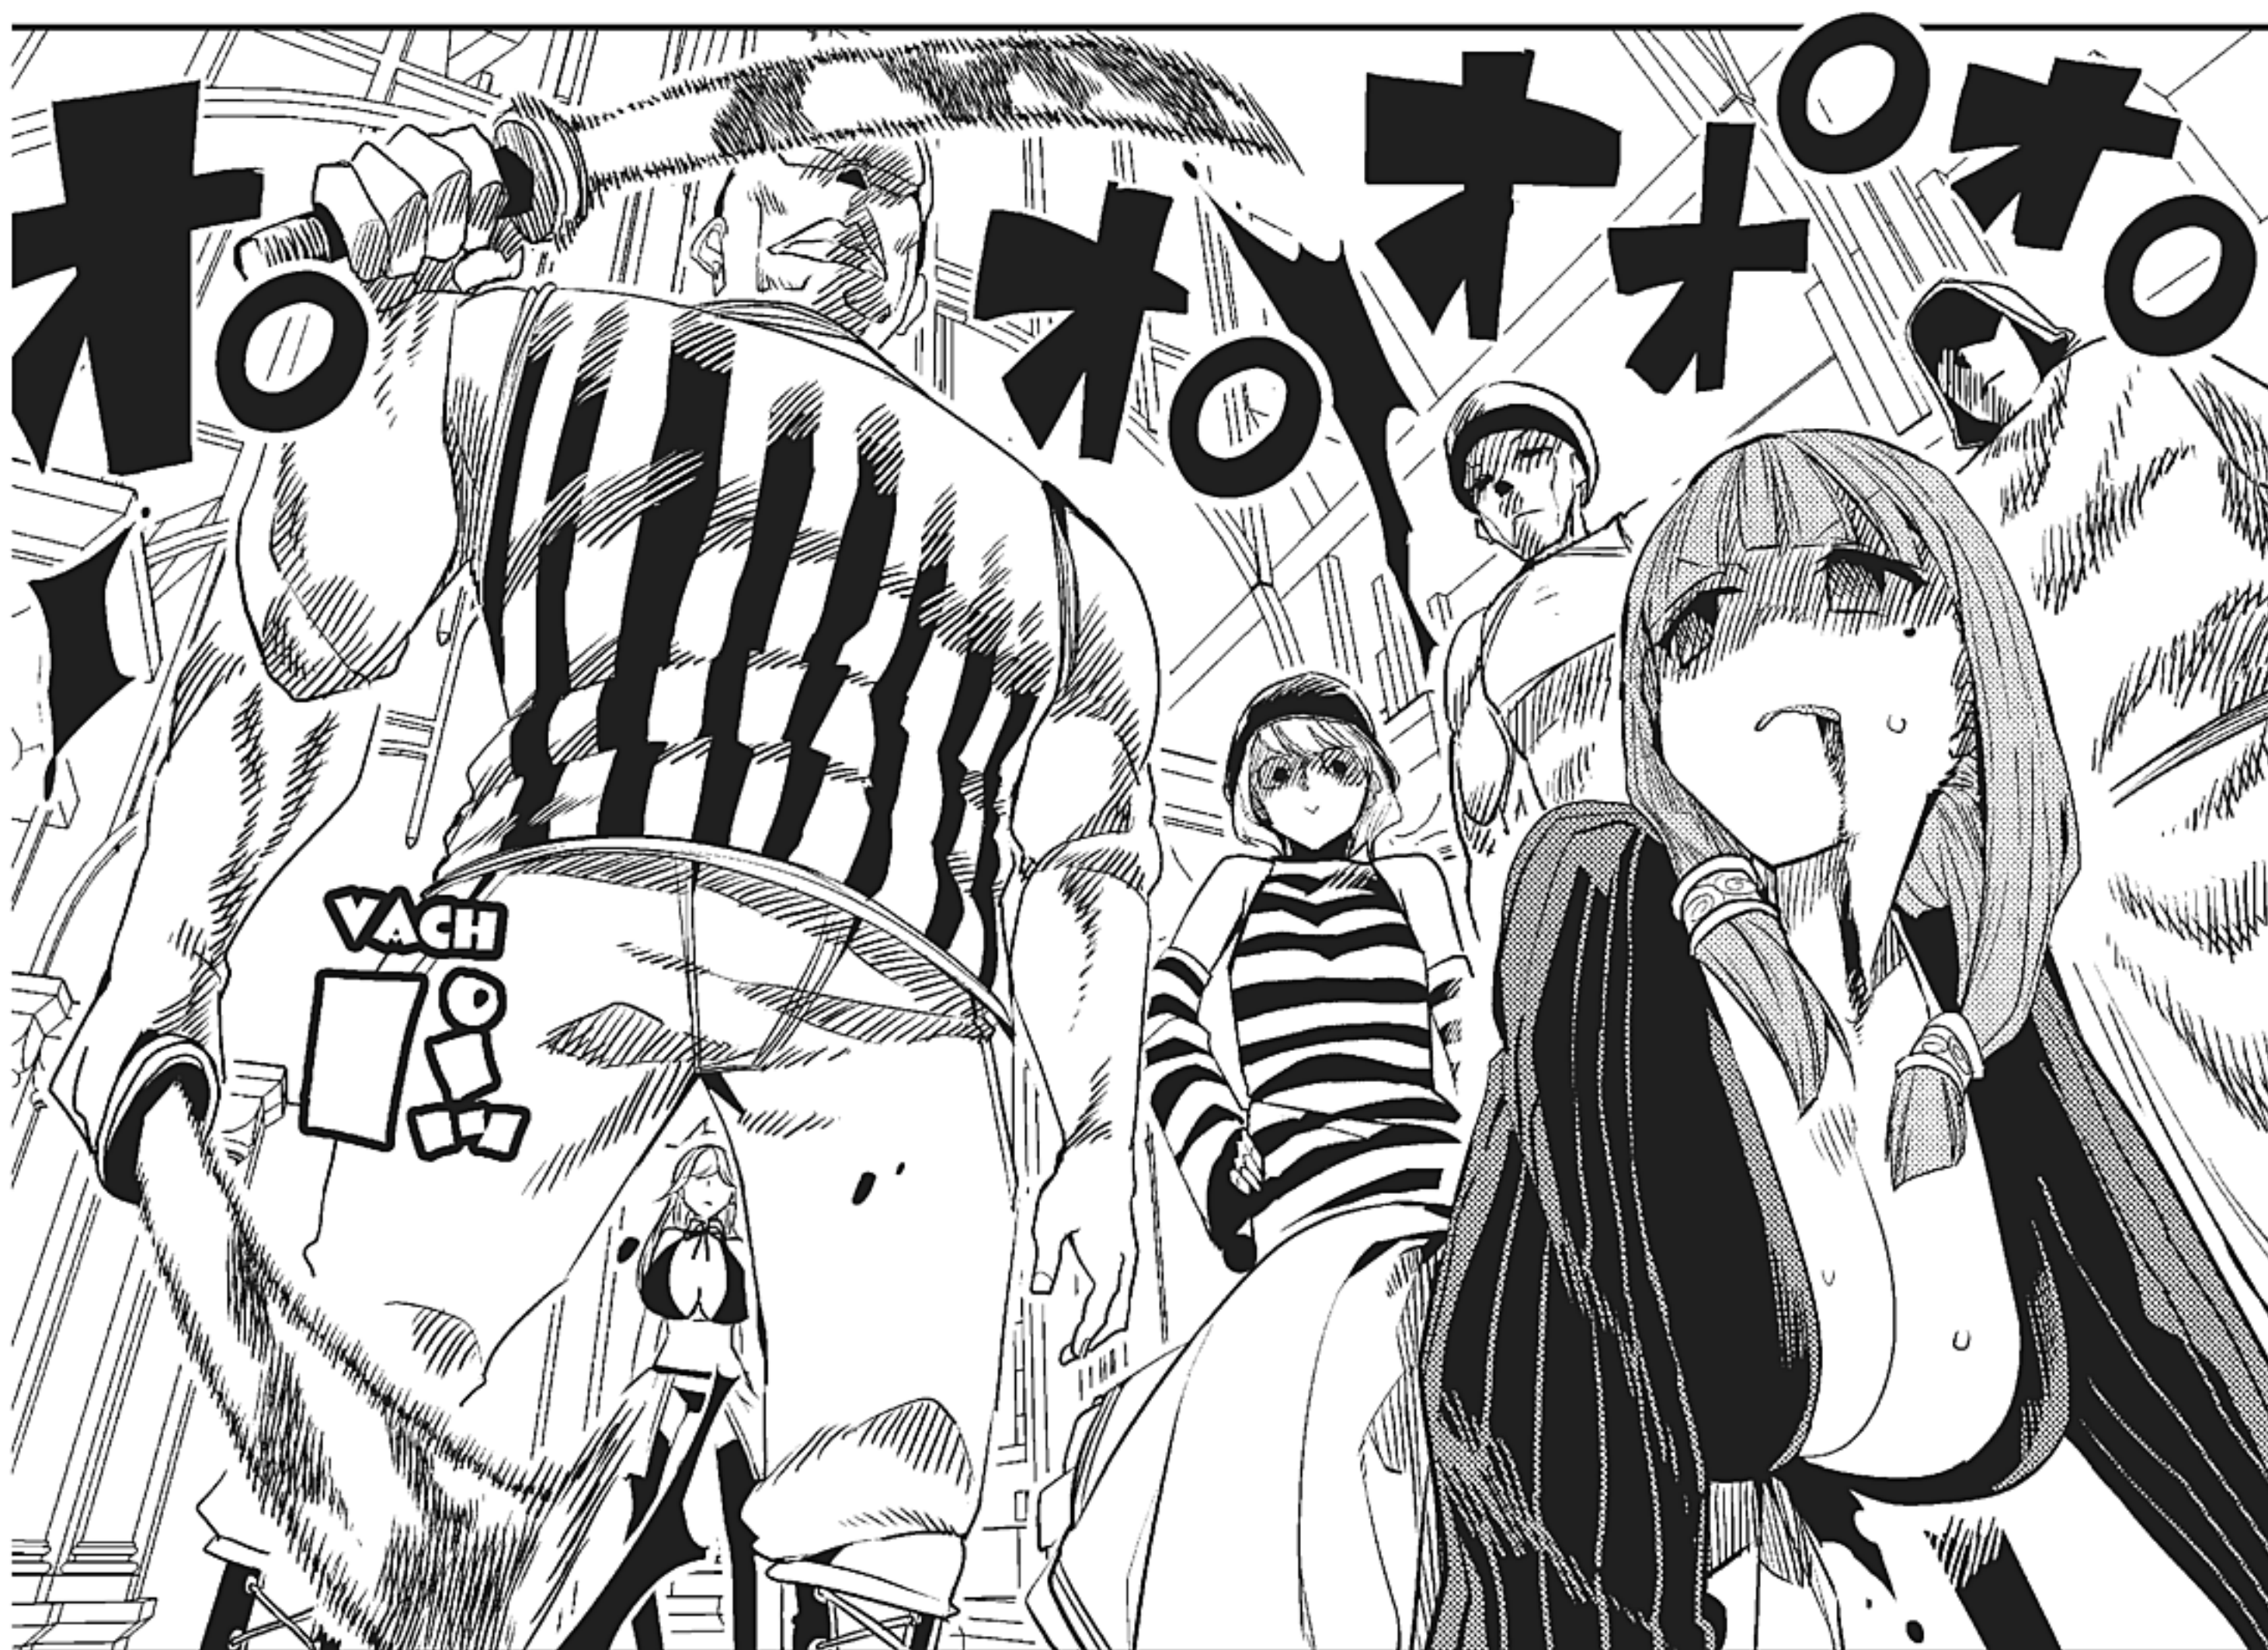

Su-mire-san?

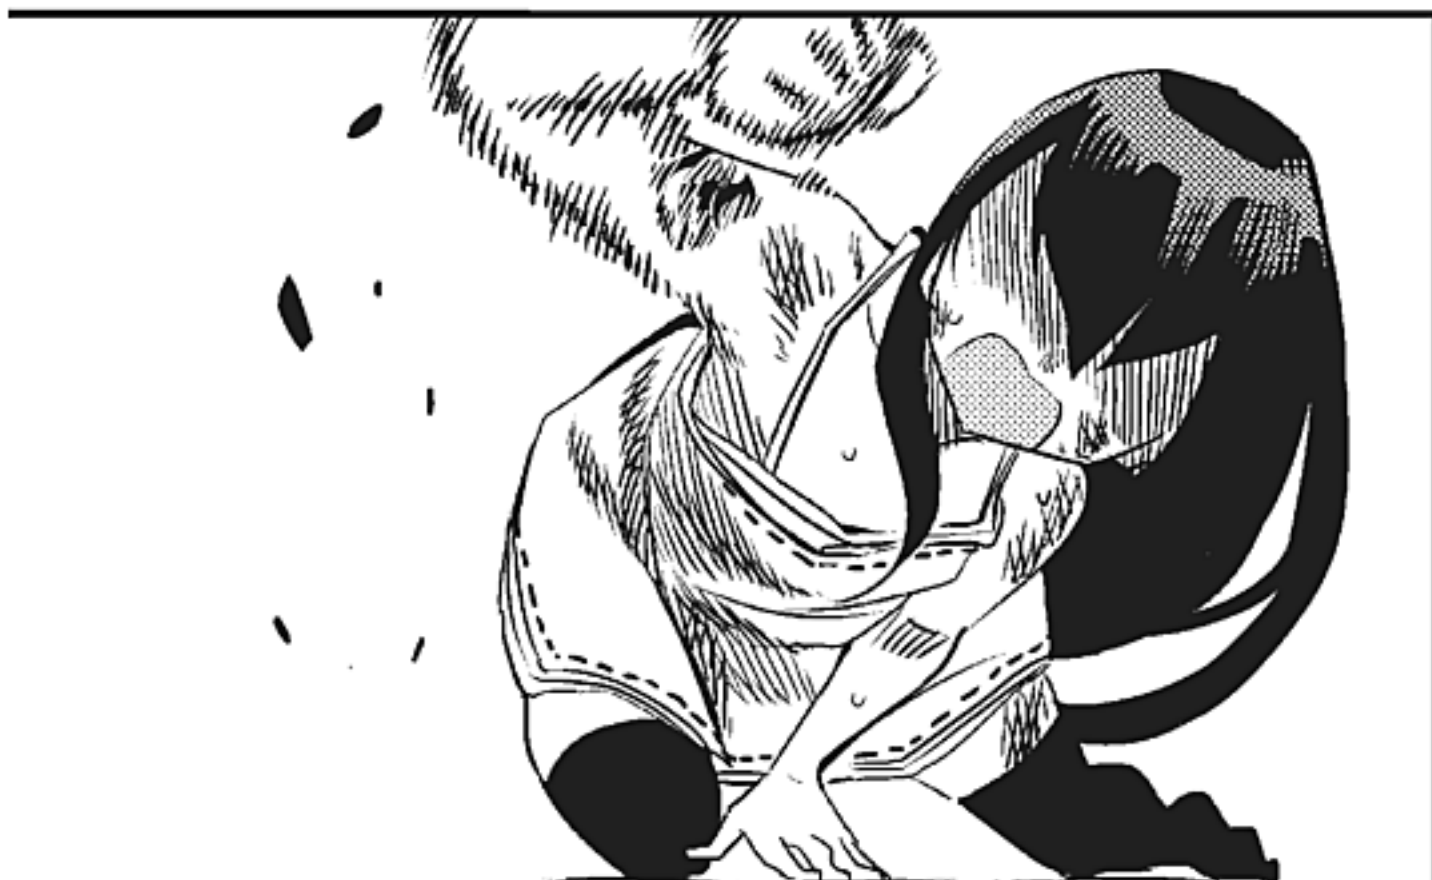

WOBBLE

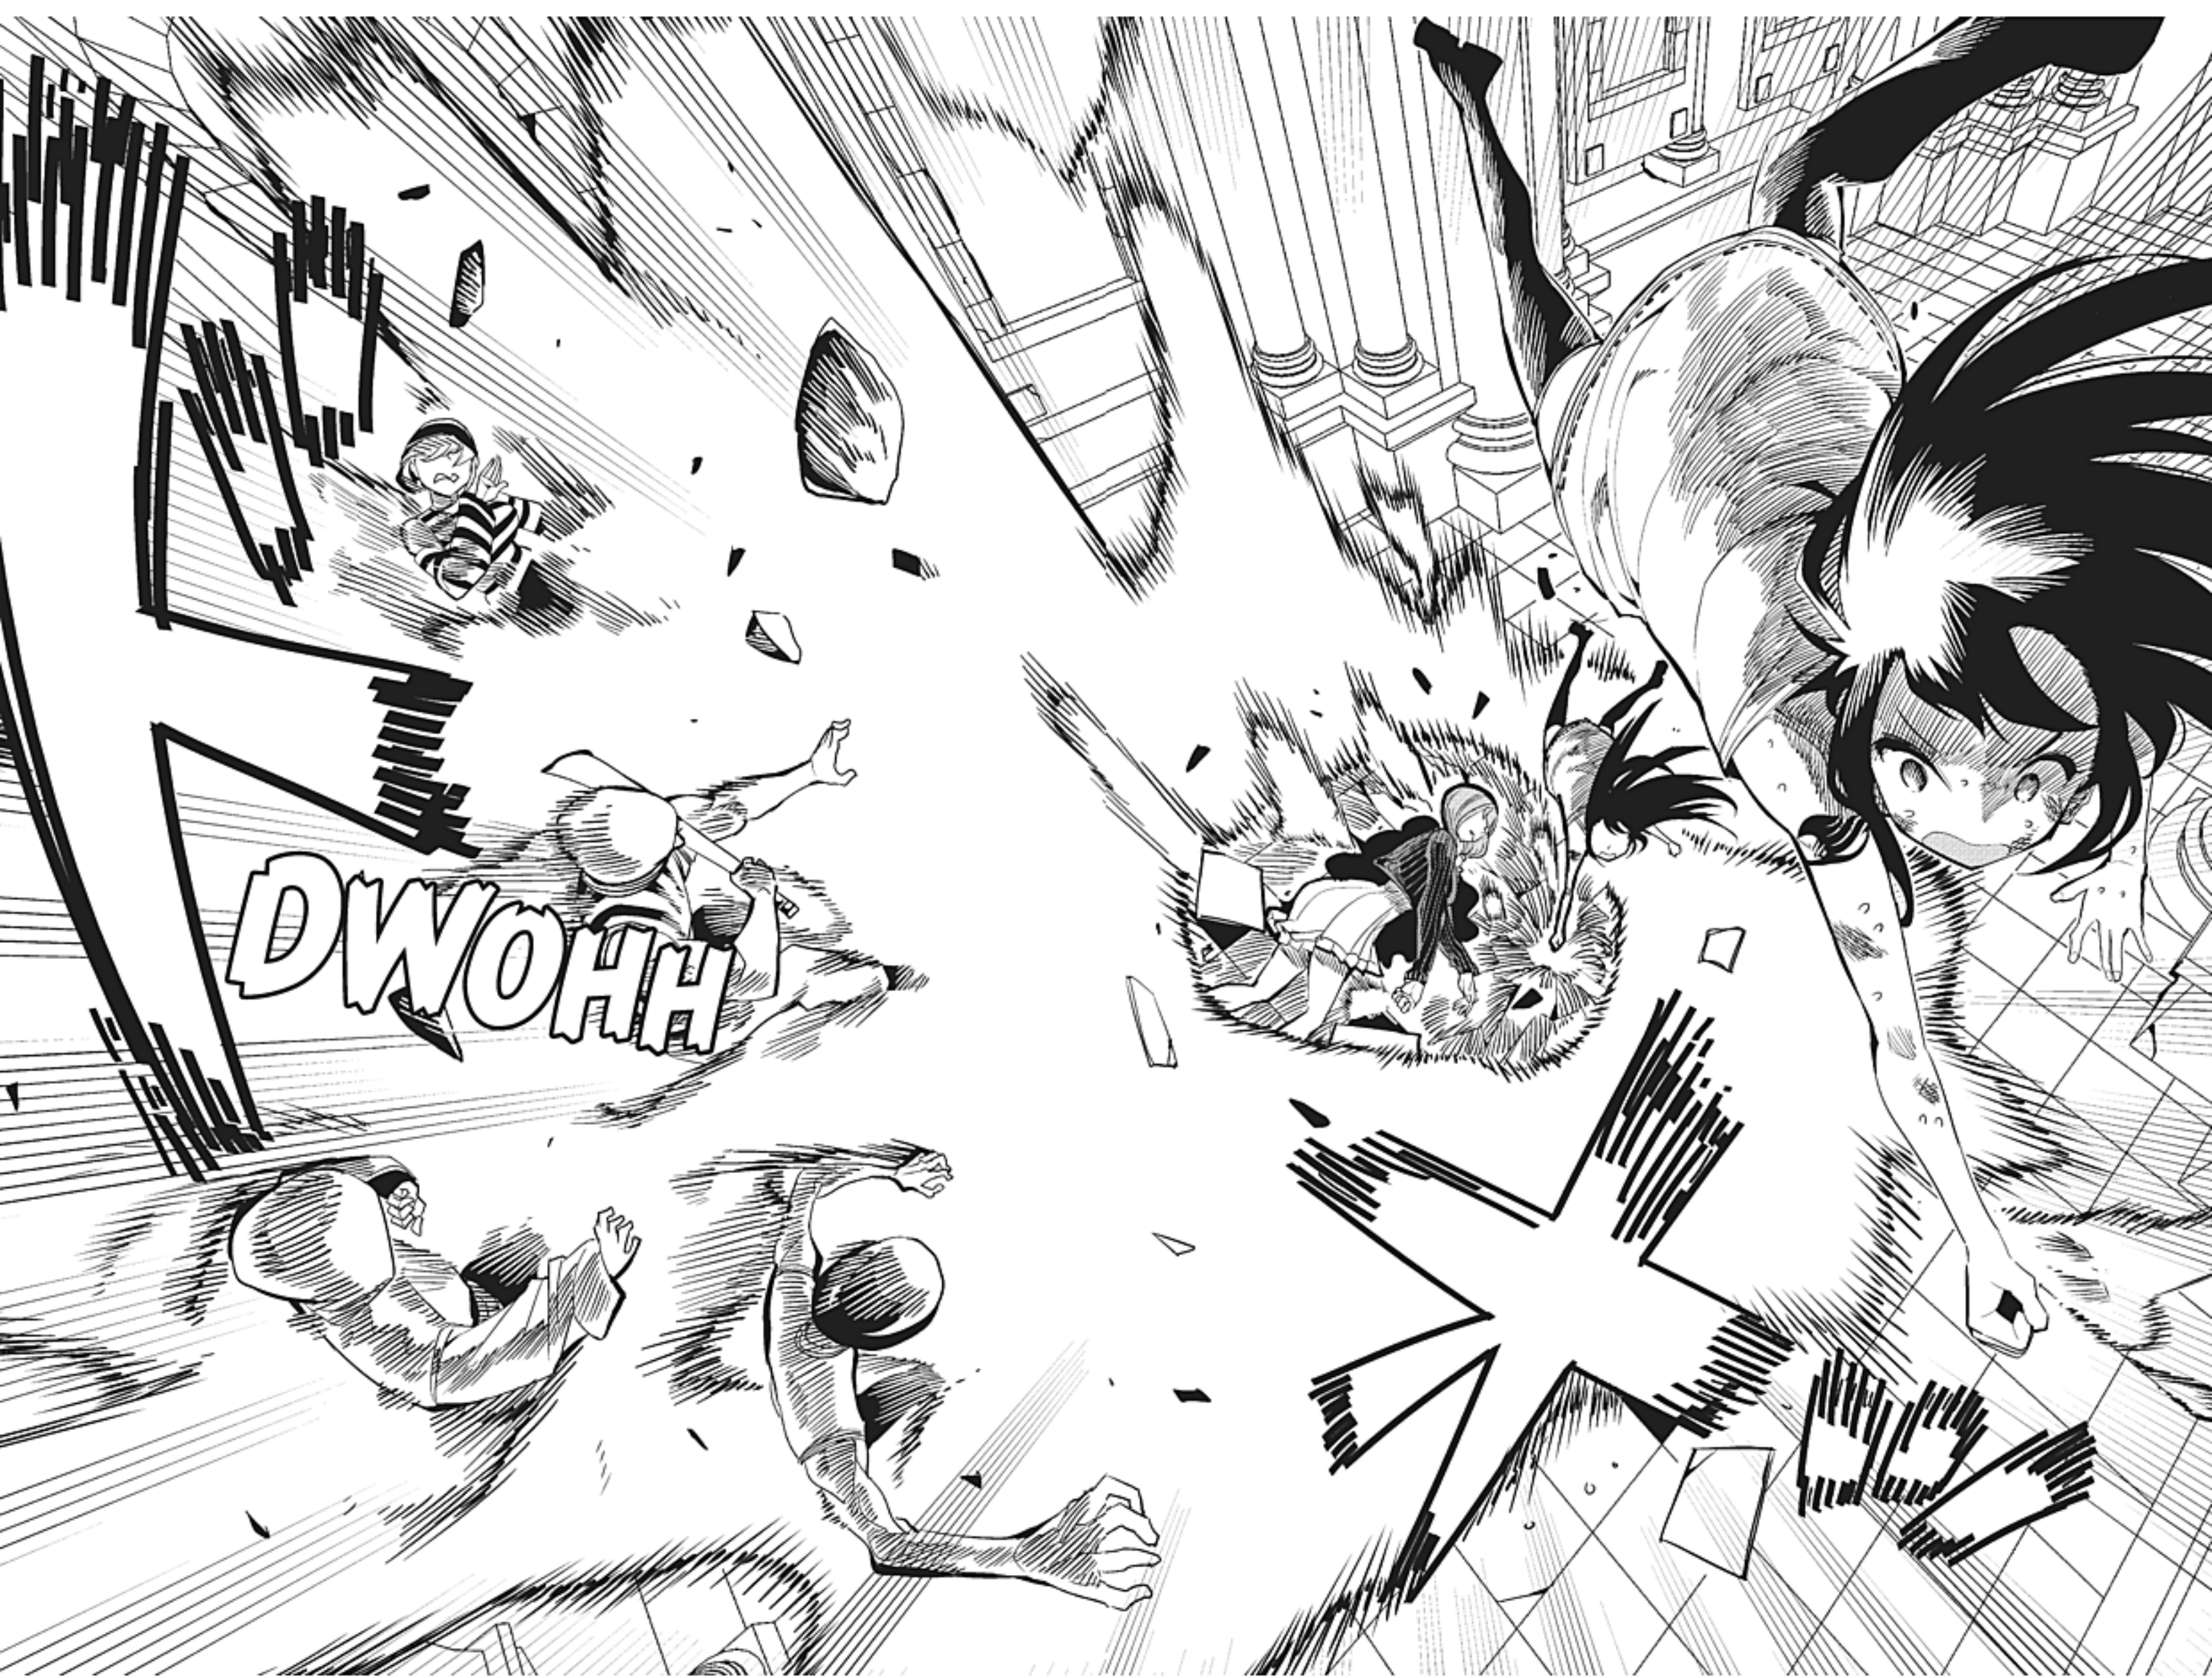

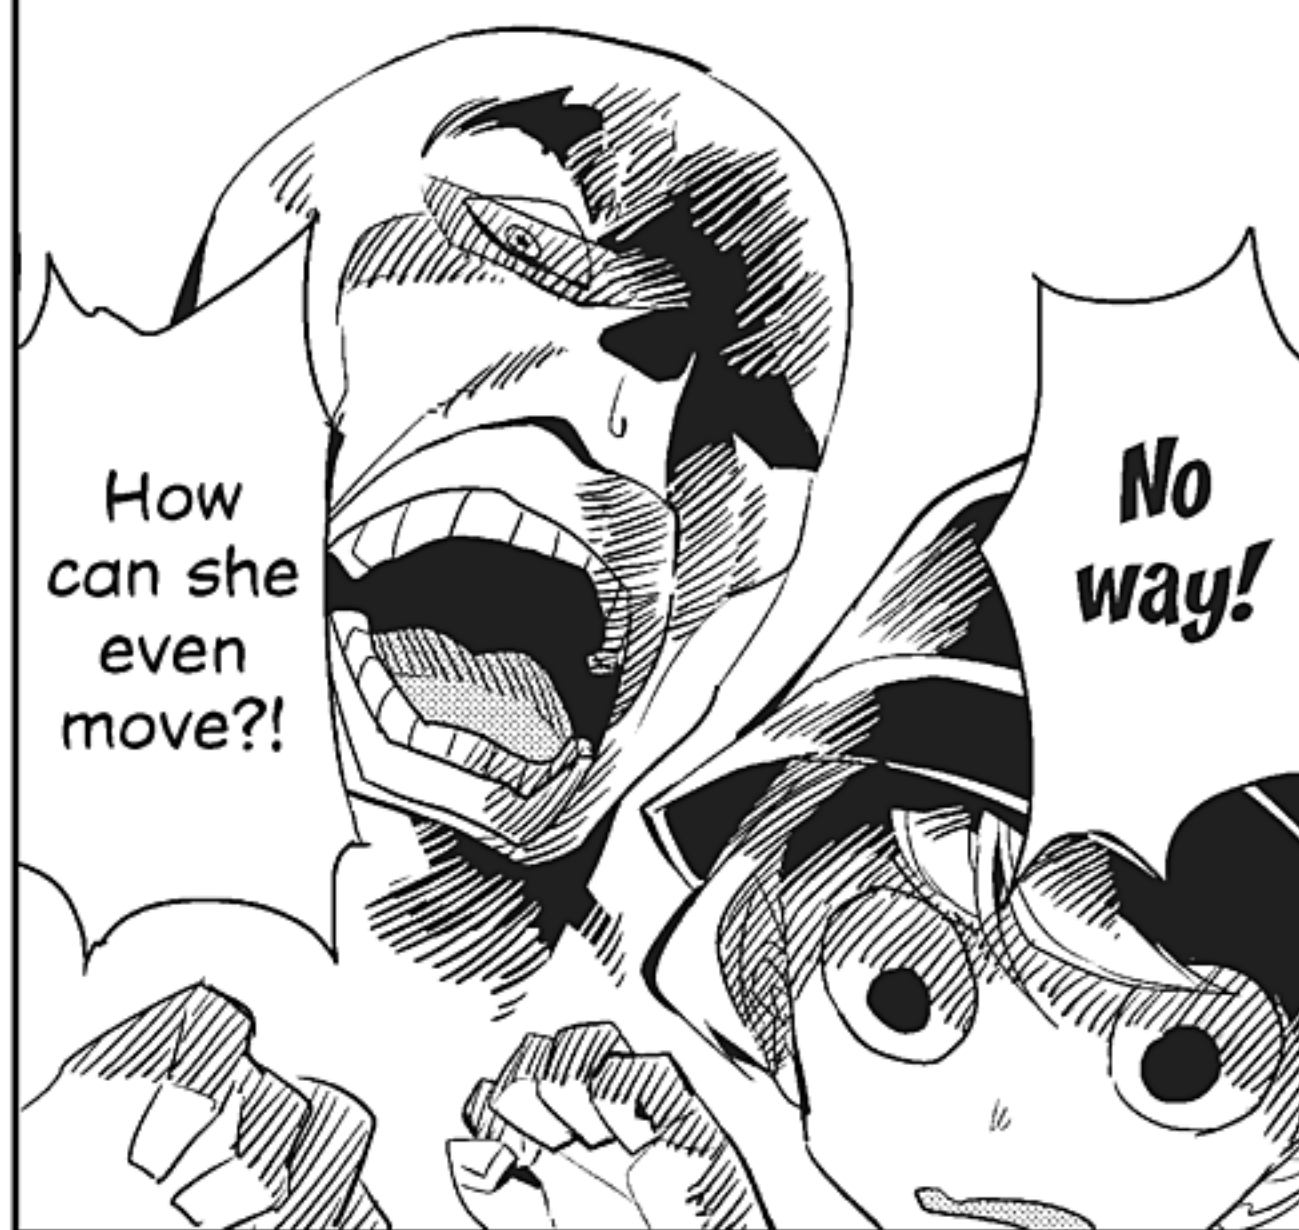

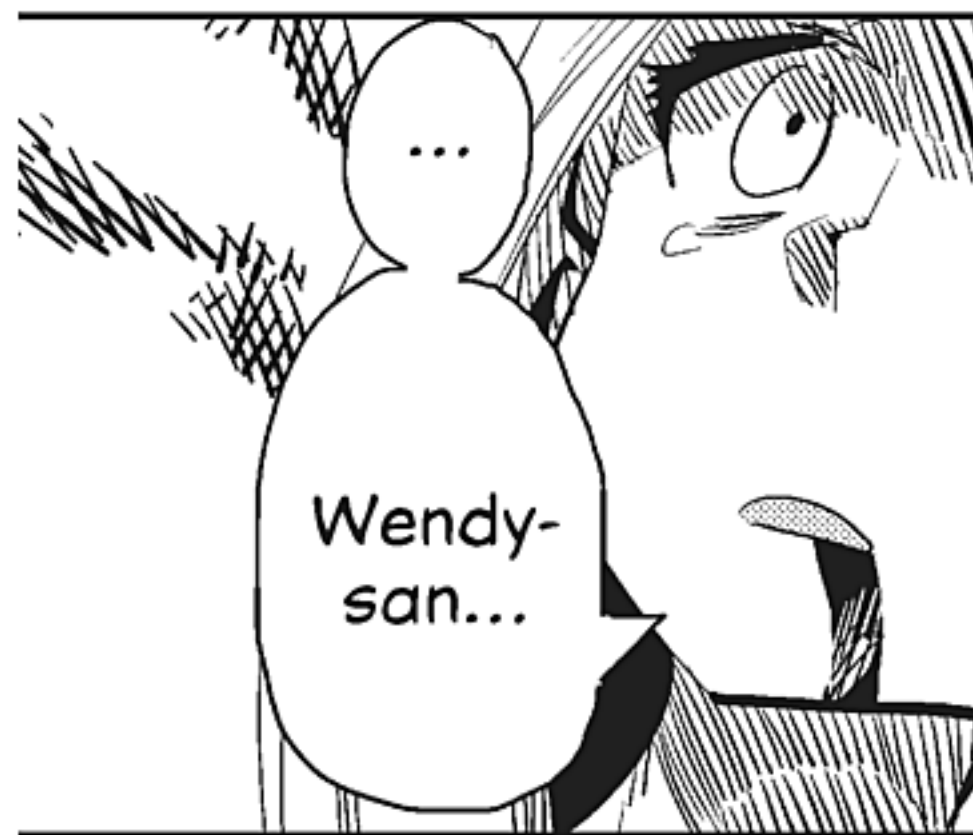

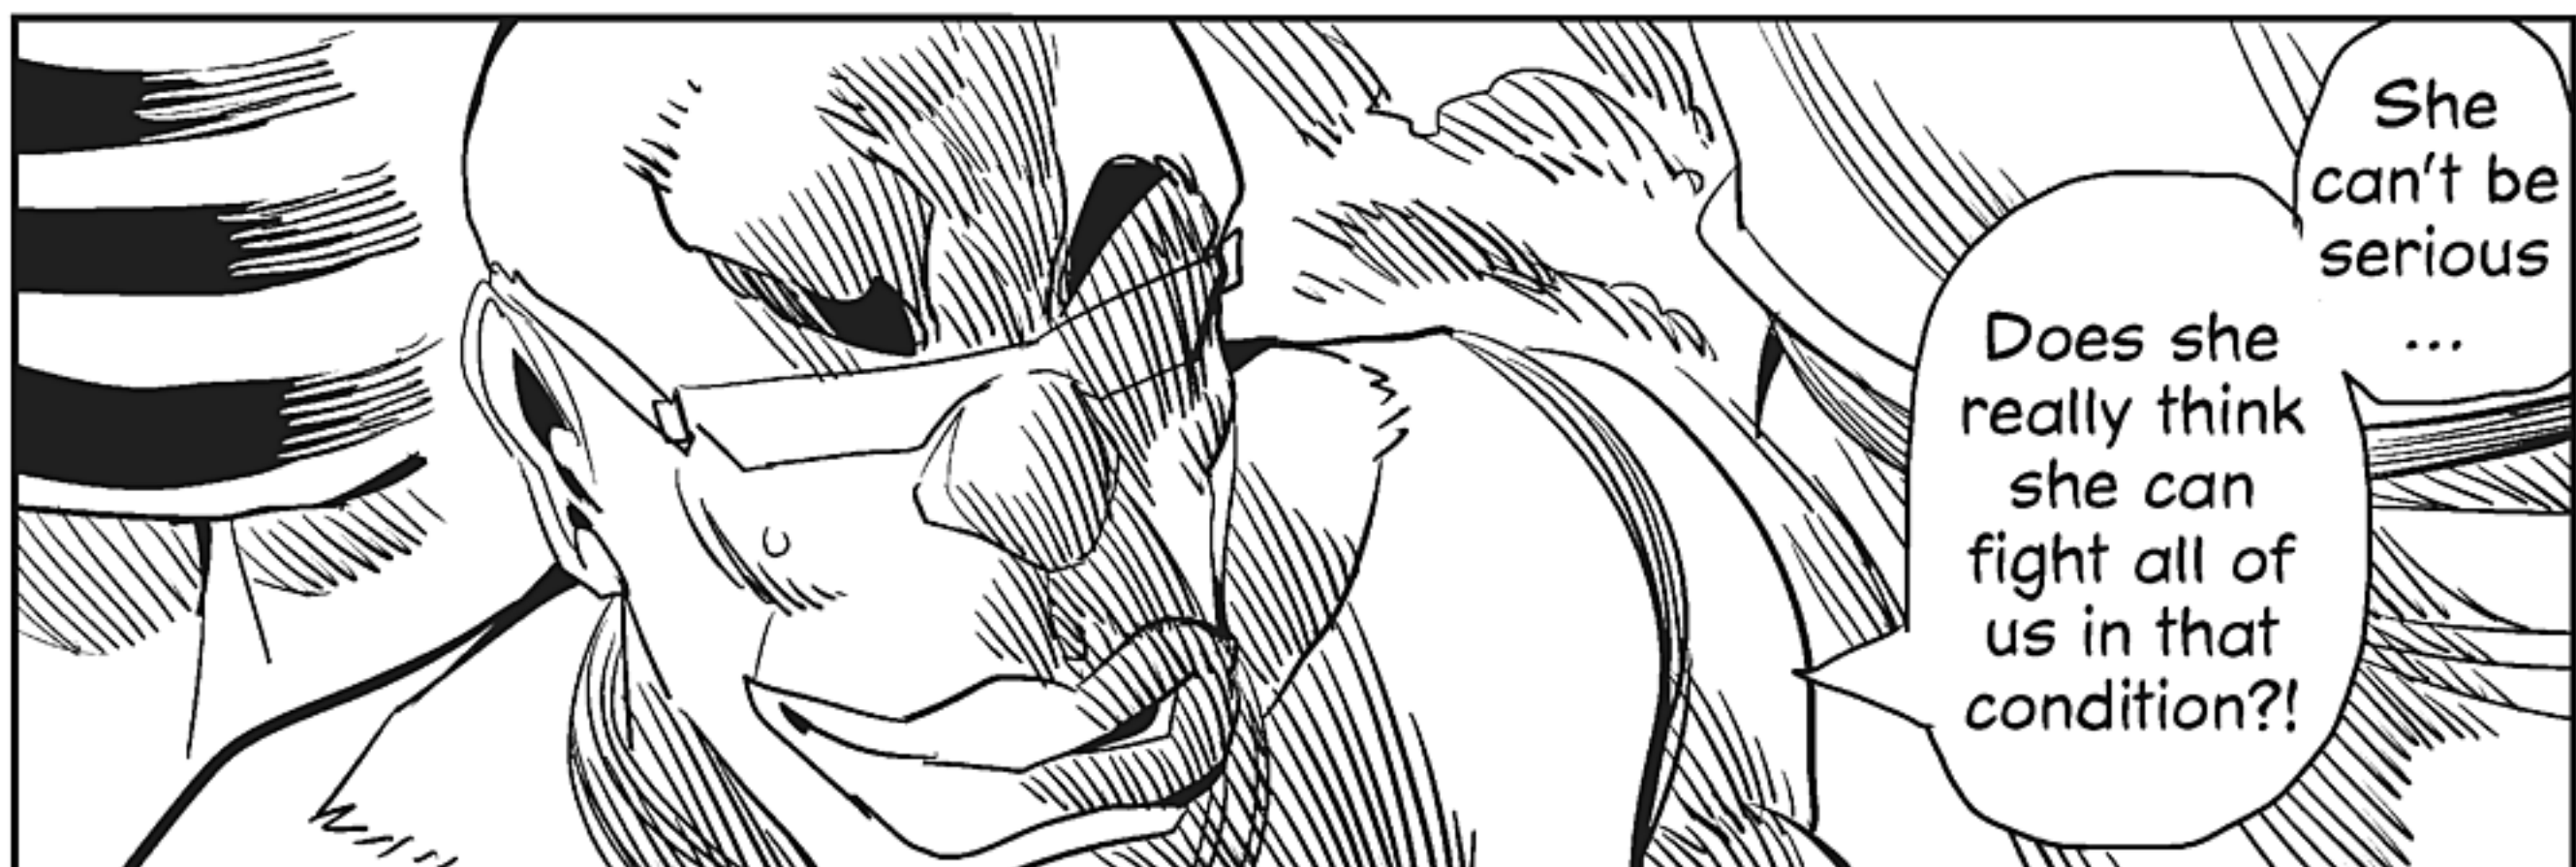

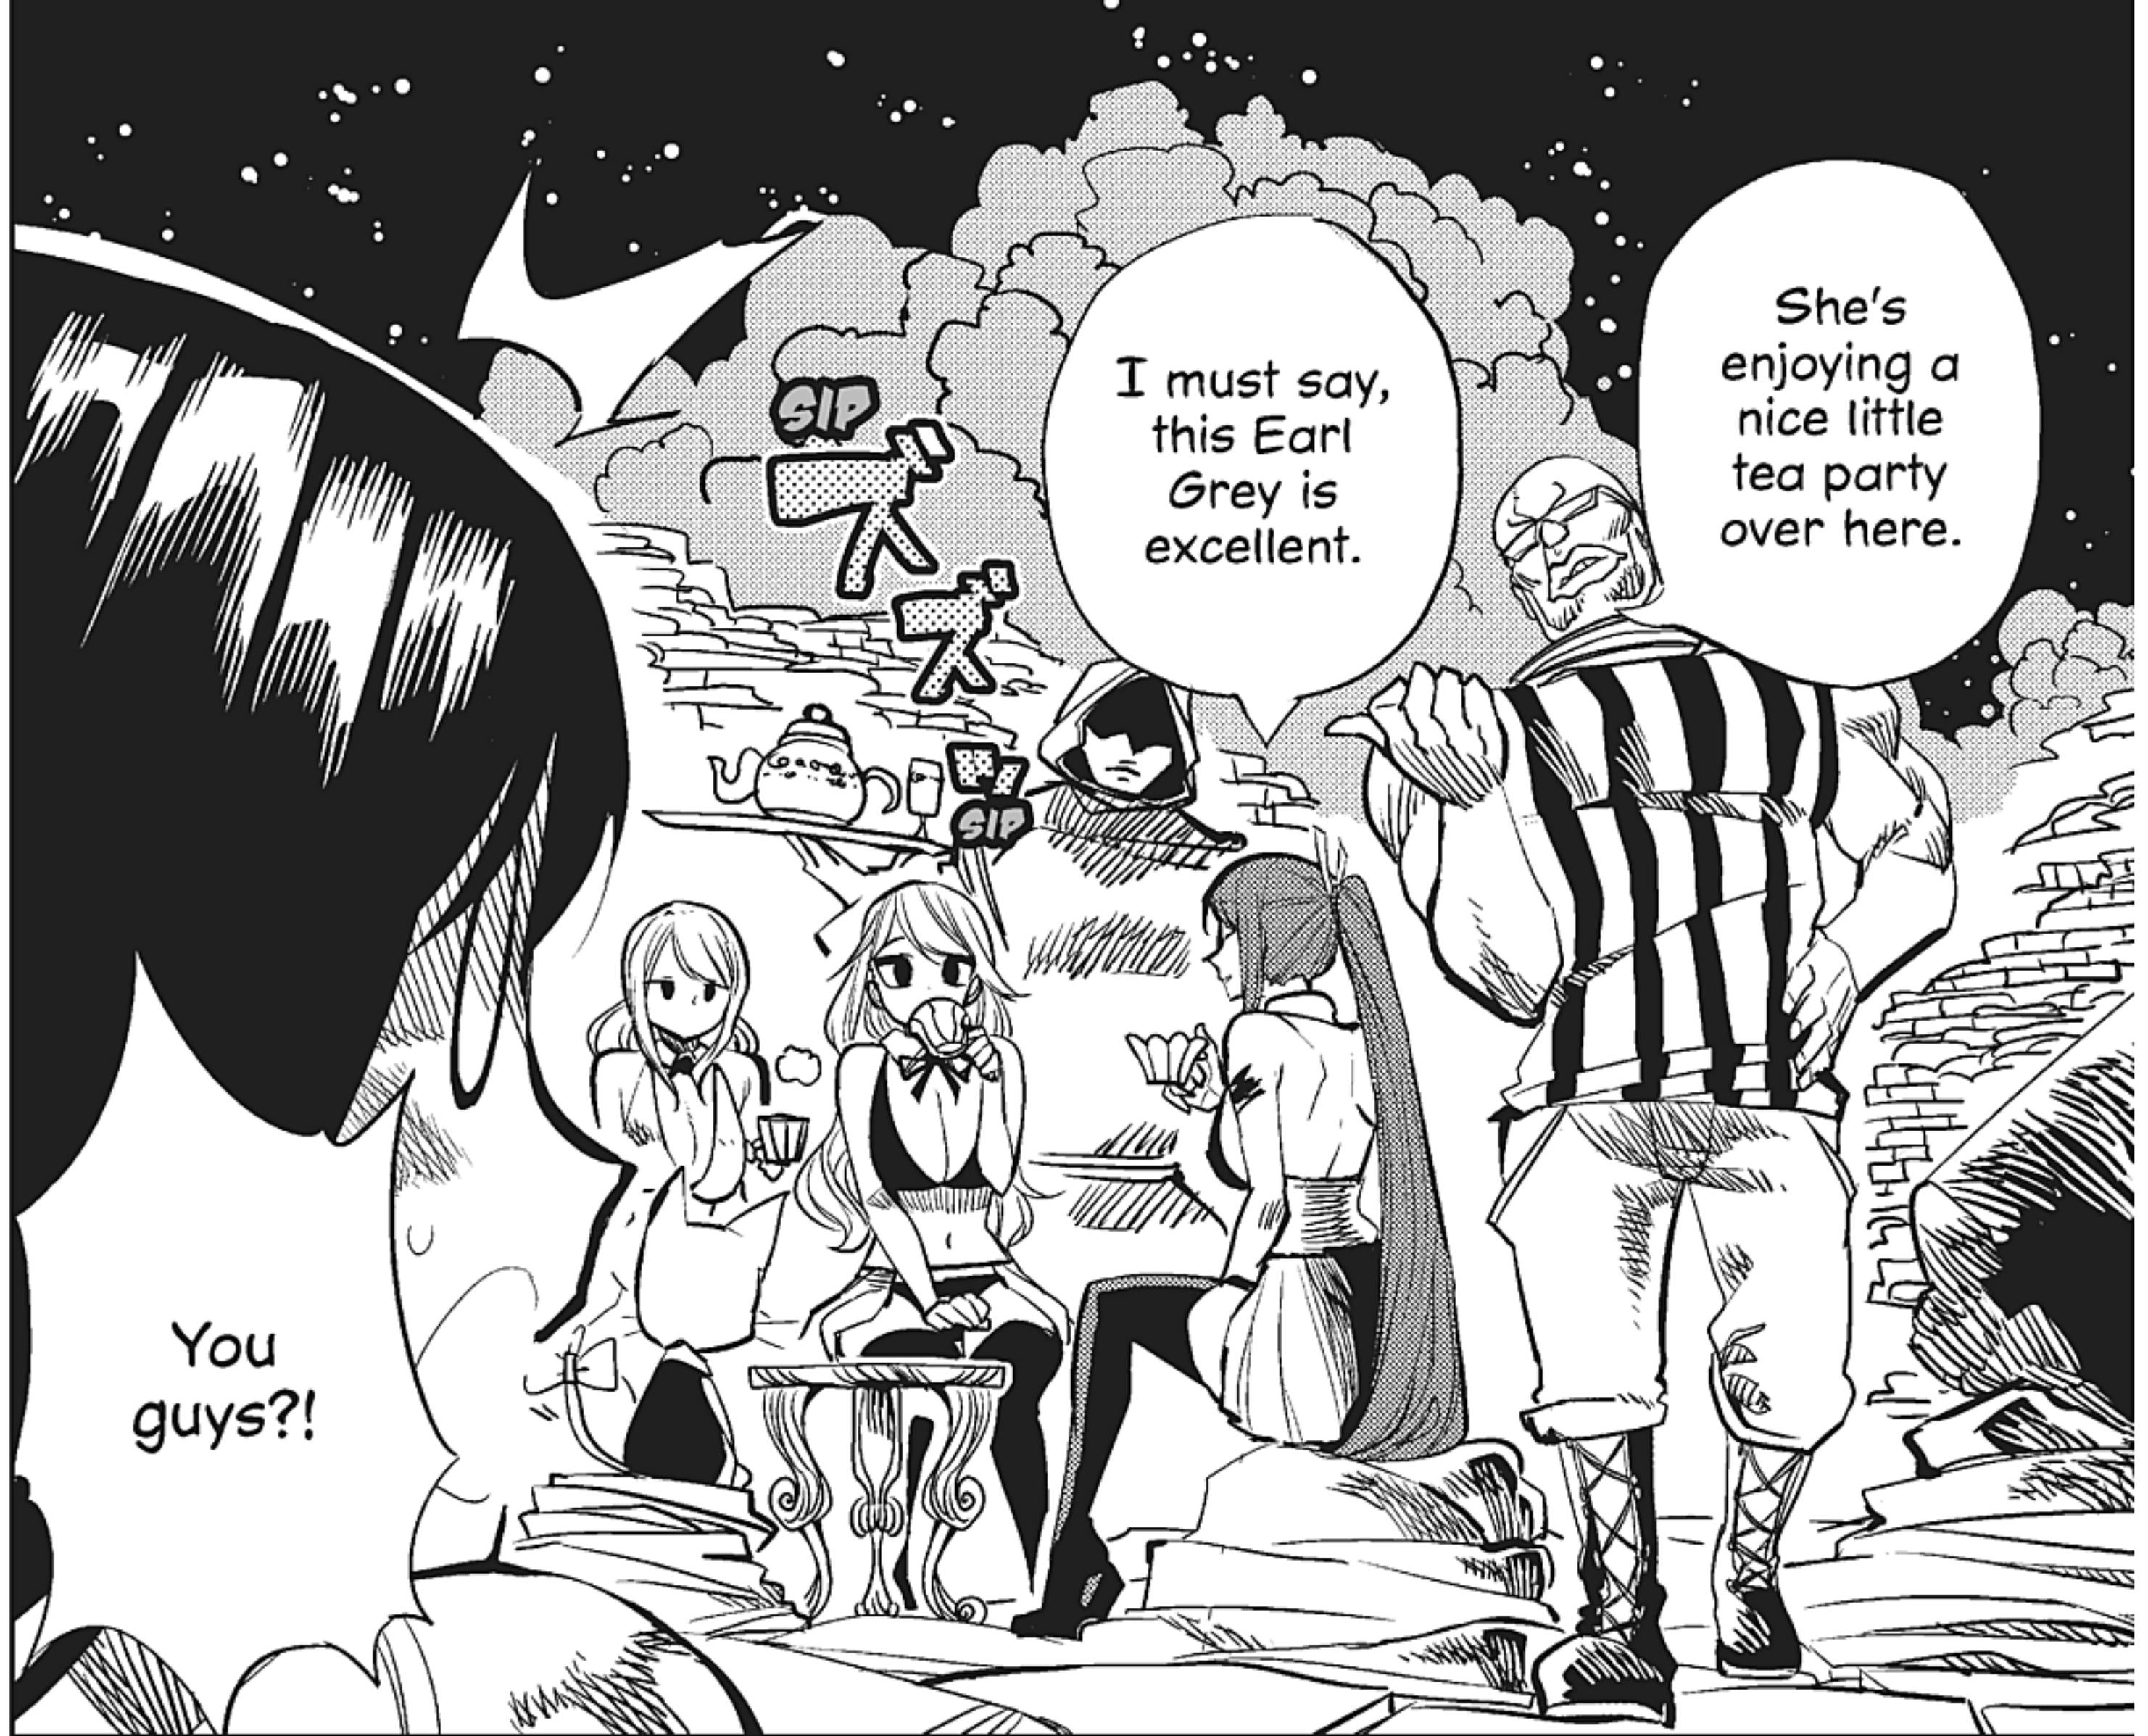

Chapter 9:
Light that Pierces the Depths of the Heart

I must say,
this Earl
Grey is
excellent.

She's
enjoying a
nice little
tea party
over here.

You
guys?!

And if
things go
too far,
you'll die,
and we'll
lose the
money for
our bombs!

You
see how
this will
turn out,
right?

Let's
just stop
there.

They're under
the illusion that
they're at some
enjoyable tea
party thanks
to my hypnotic
spell! Uho!

N-No
way...

And
what
about
Sumire?

But if
you go
along with
it, we'll
guaran-
tee their
safety.

Then
no
thanks!

Can't
change
that.

She
knows the
guild's
secrets.

...I
refuse.

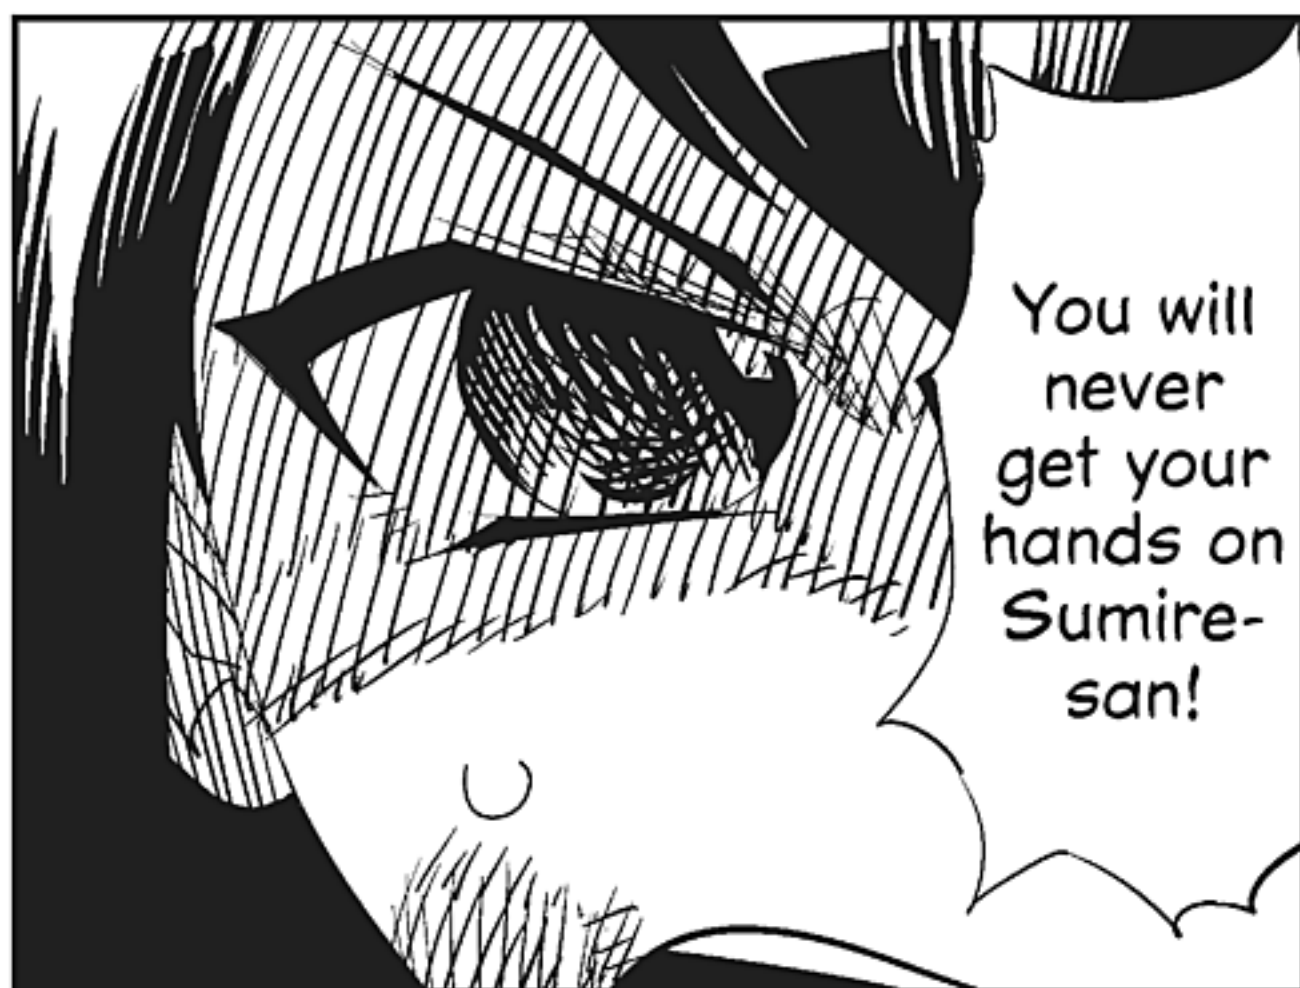

Even
so...

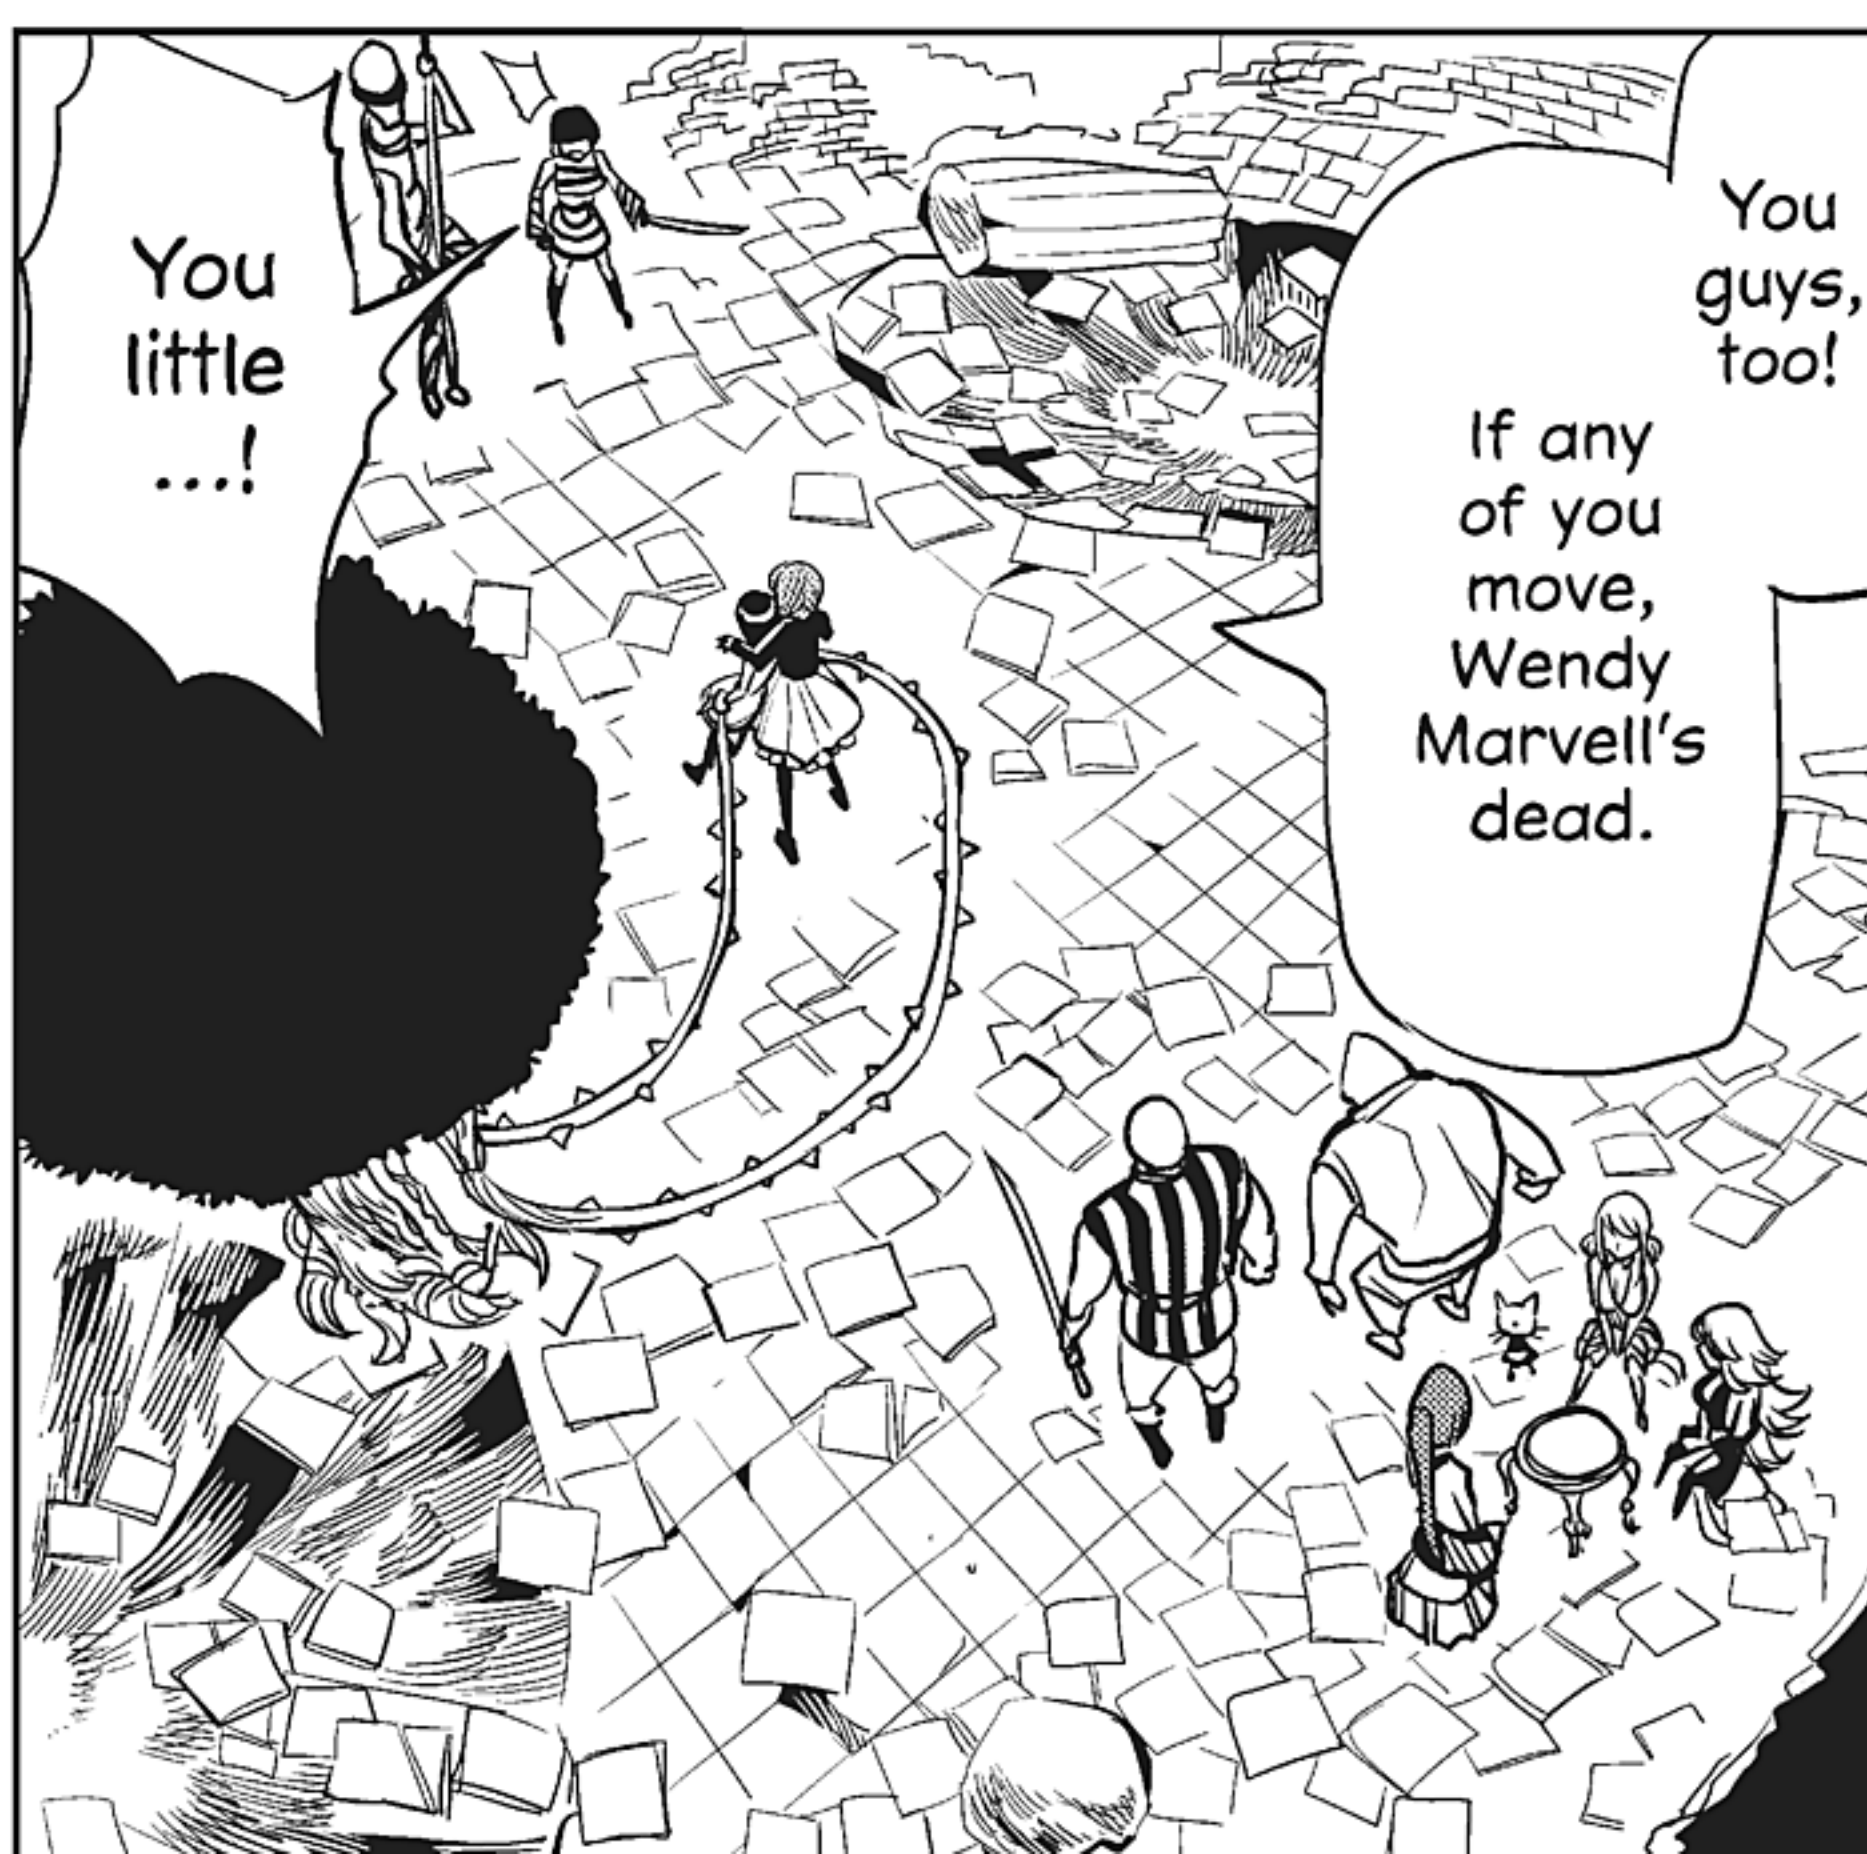

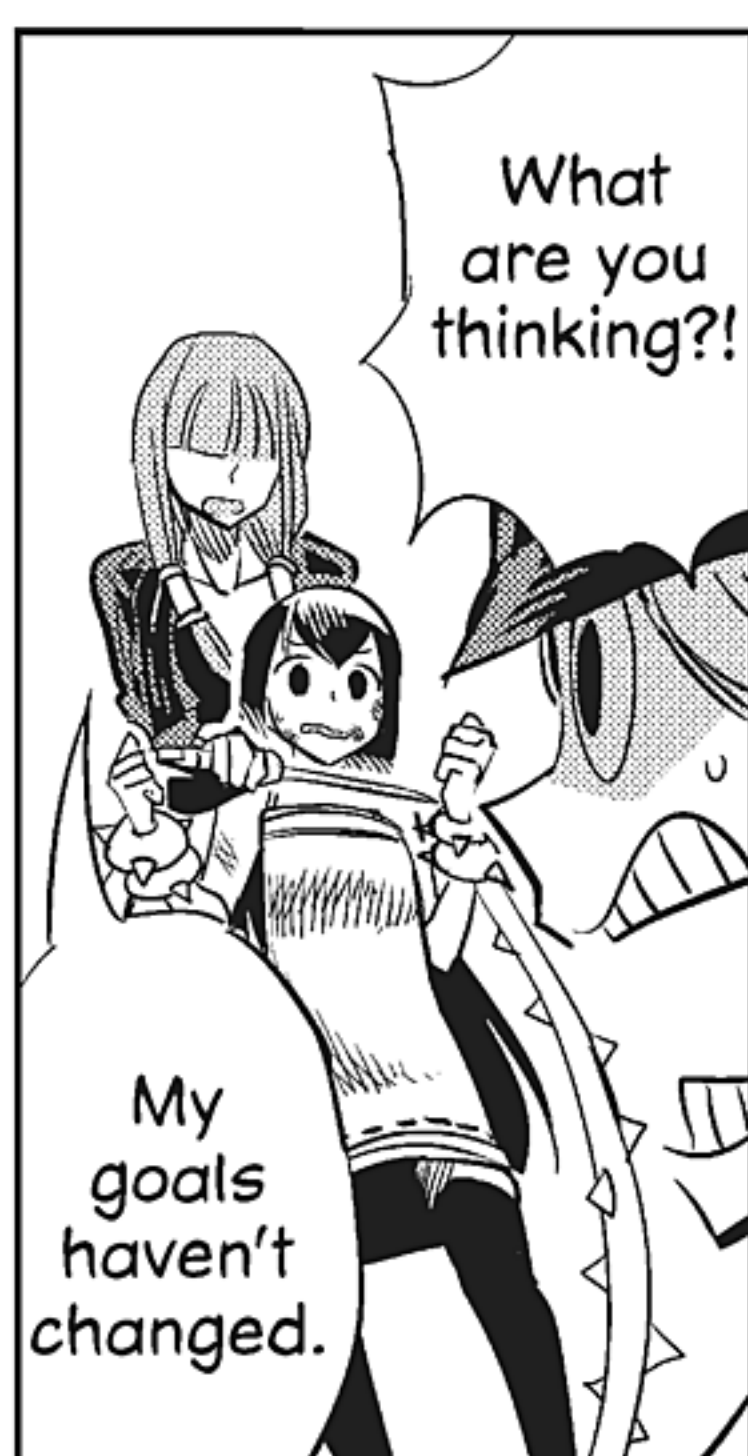

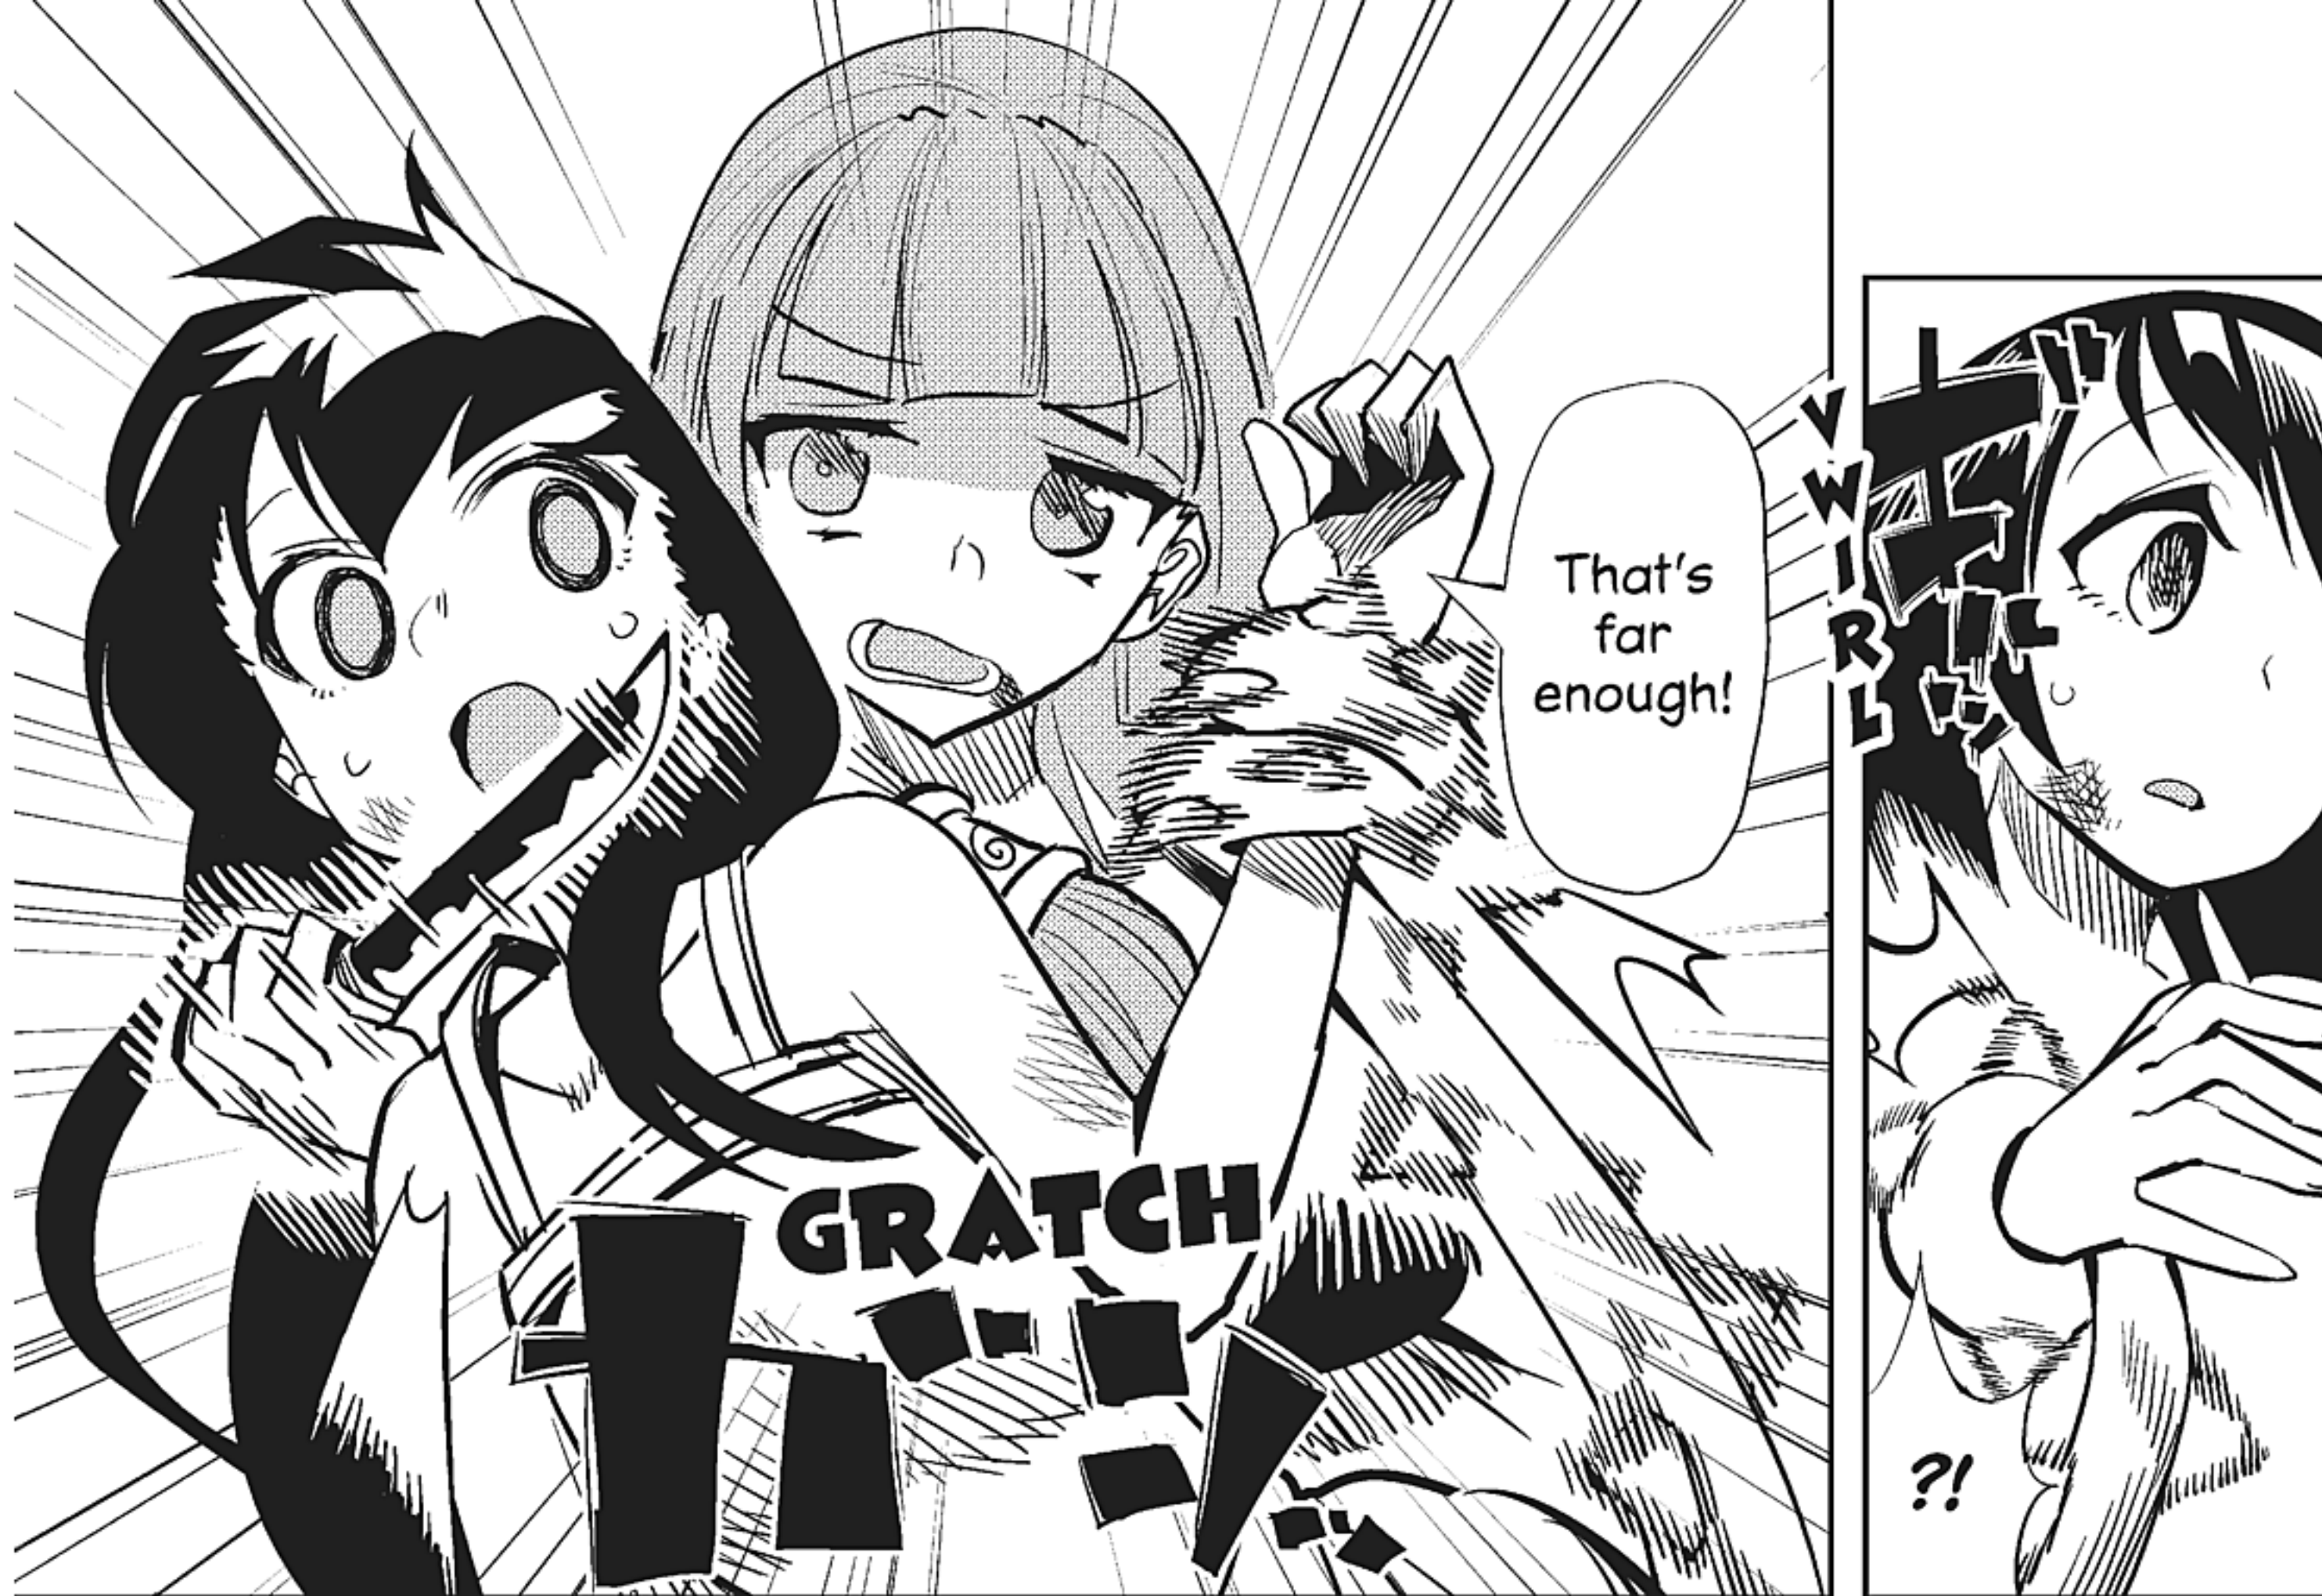

And
your
friends will
be held as
hostages.

You're
on the
verge
of
death.

I don't
think you
get your
position.

Once
I have that,
you can have
Wendy!

I want all
the cash
I'm owed
in this, and
guarantees
that I won't
be harmed!

S-
Sumire-
san...

After I get
it, you can
boil her, bake
her, whatever
you want!

No,
that's not
enough!

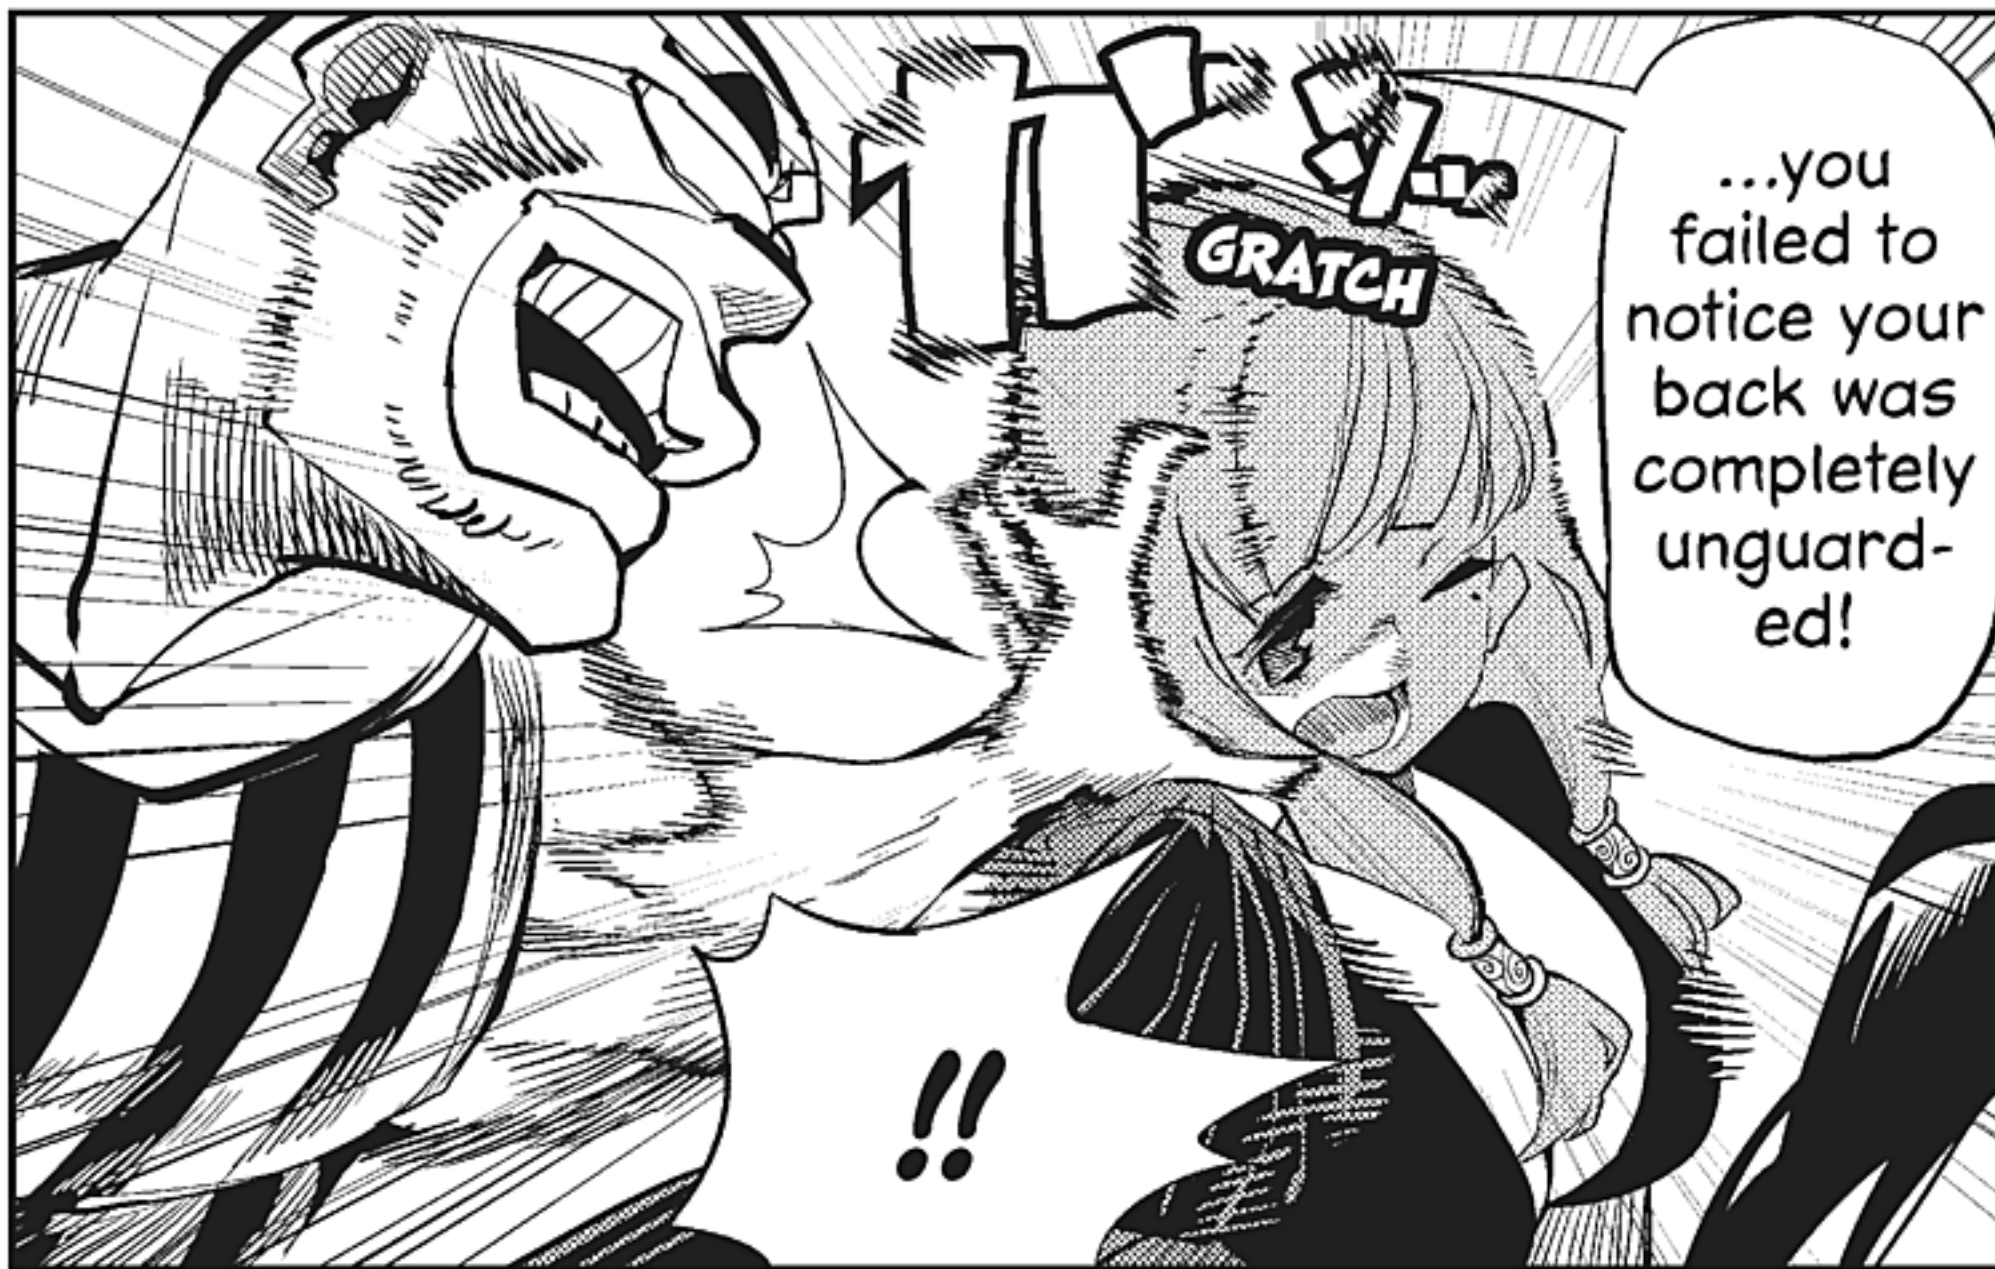

Haul out
all the
money you
have right
now!

But it looks
like I need
the money
after all.

Hey,
thanks for
saving me,
Wendy-san.

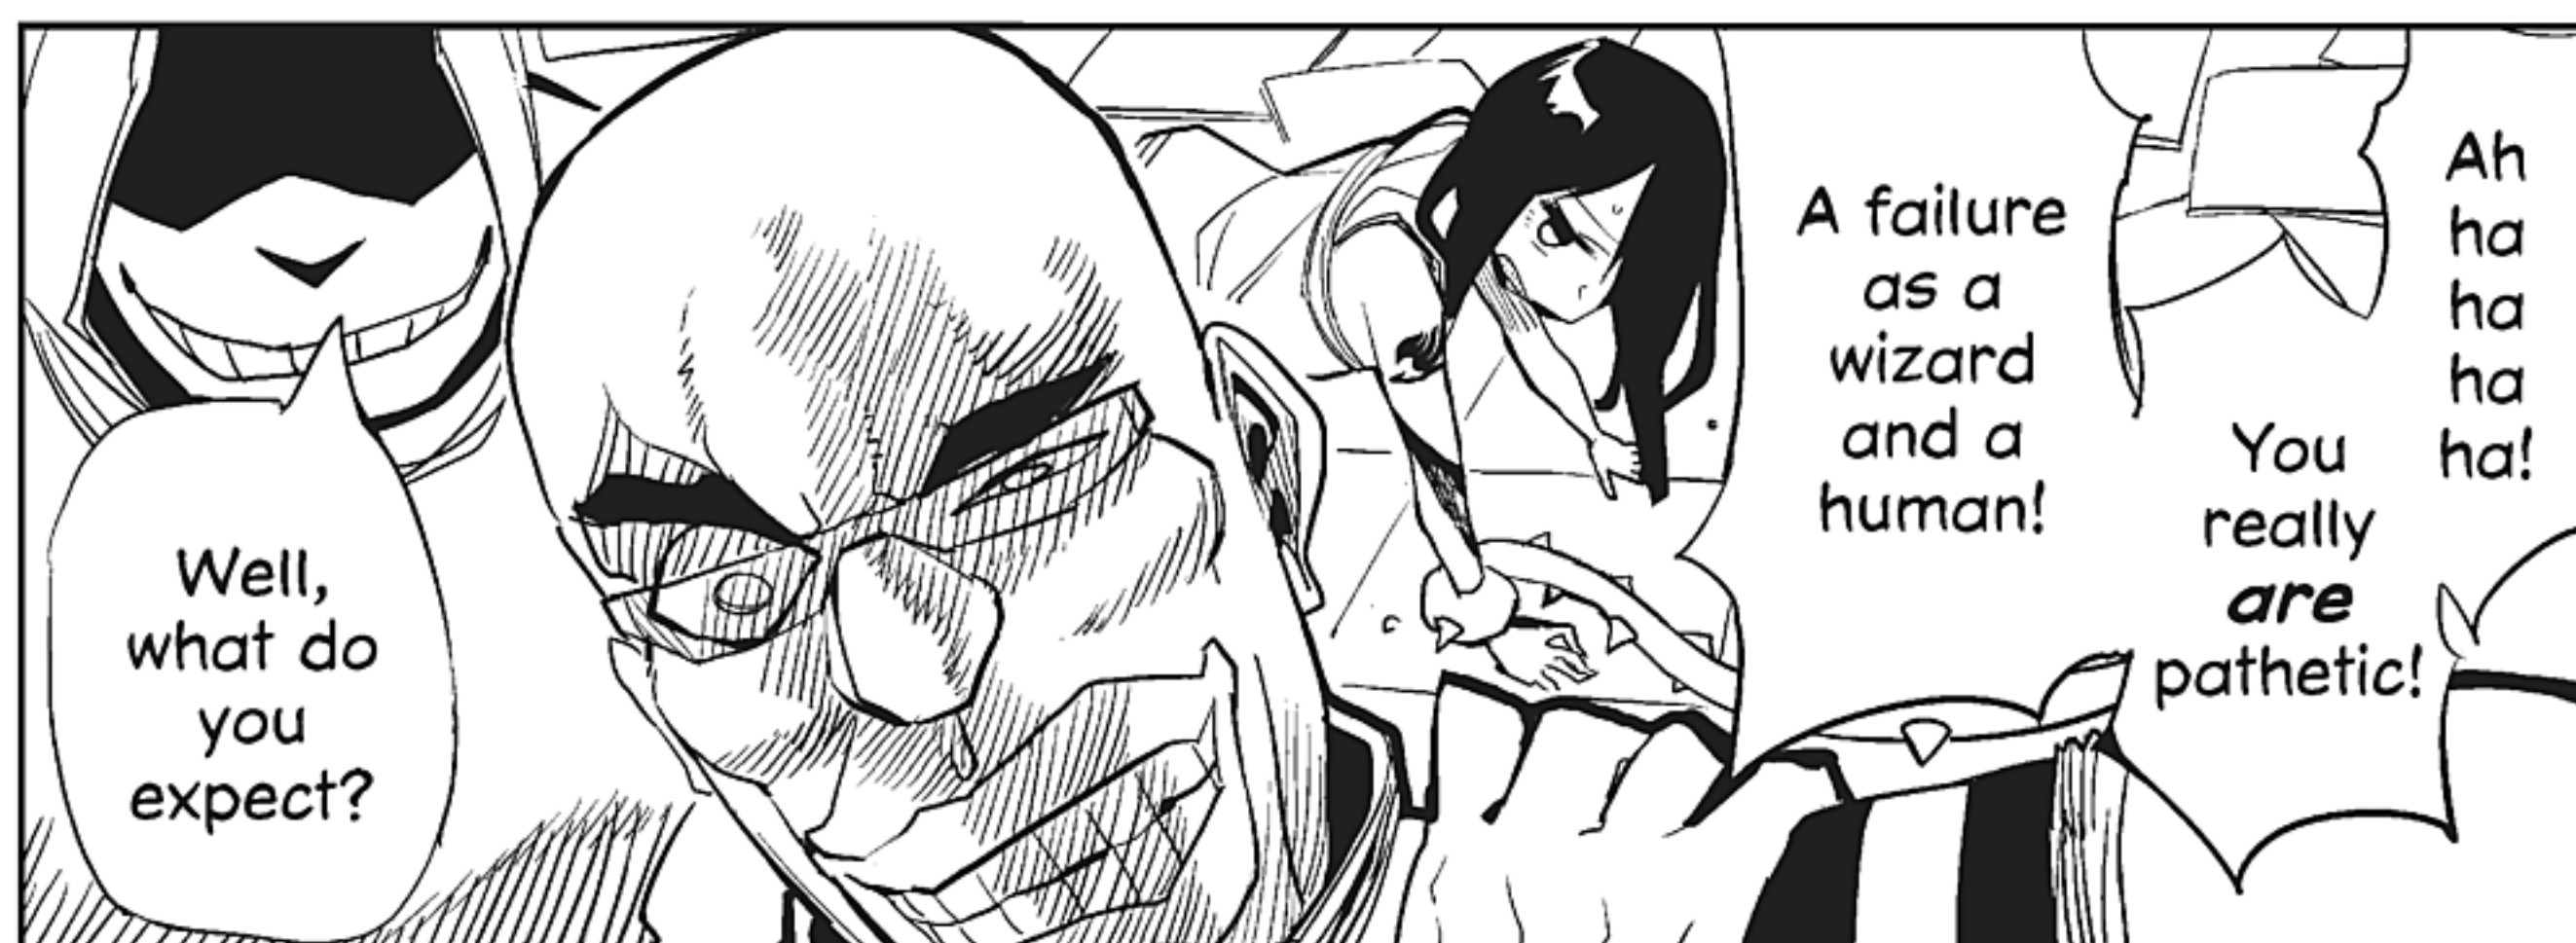

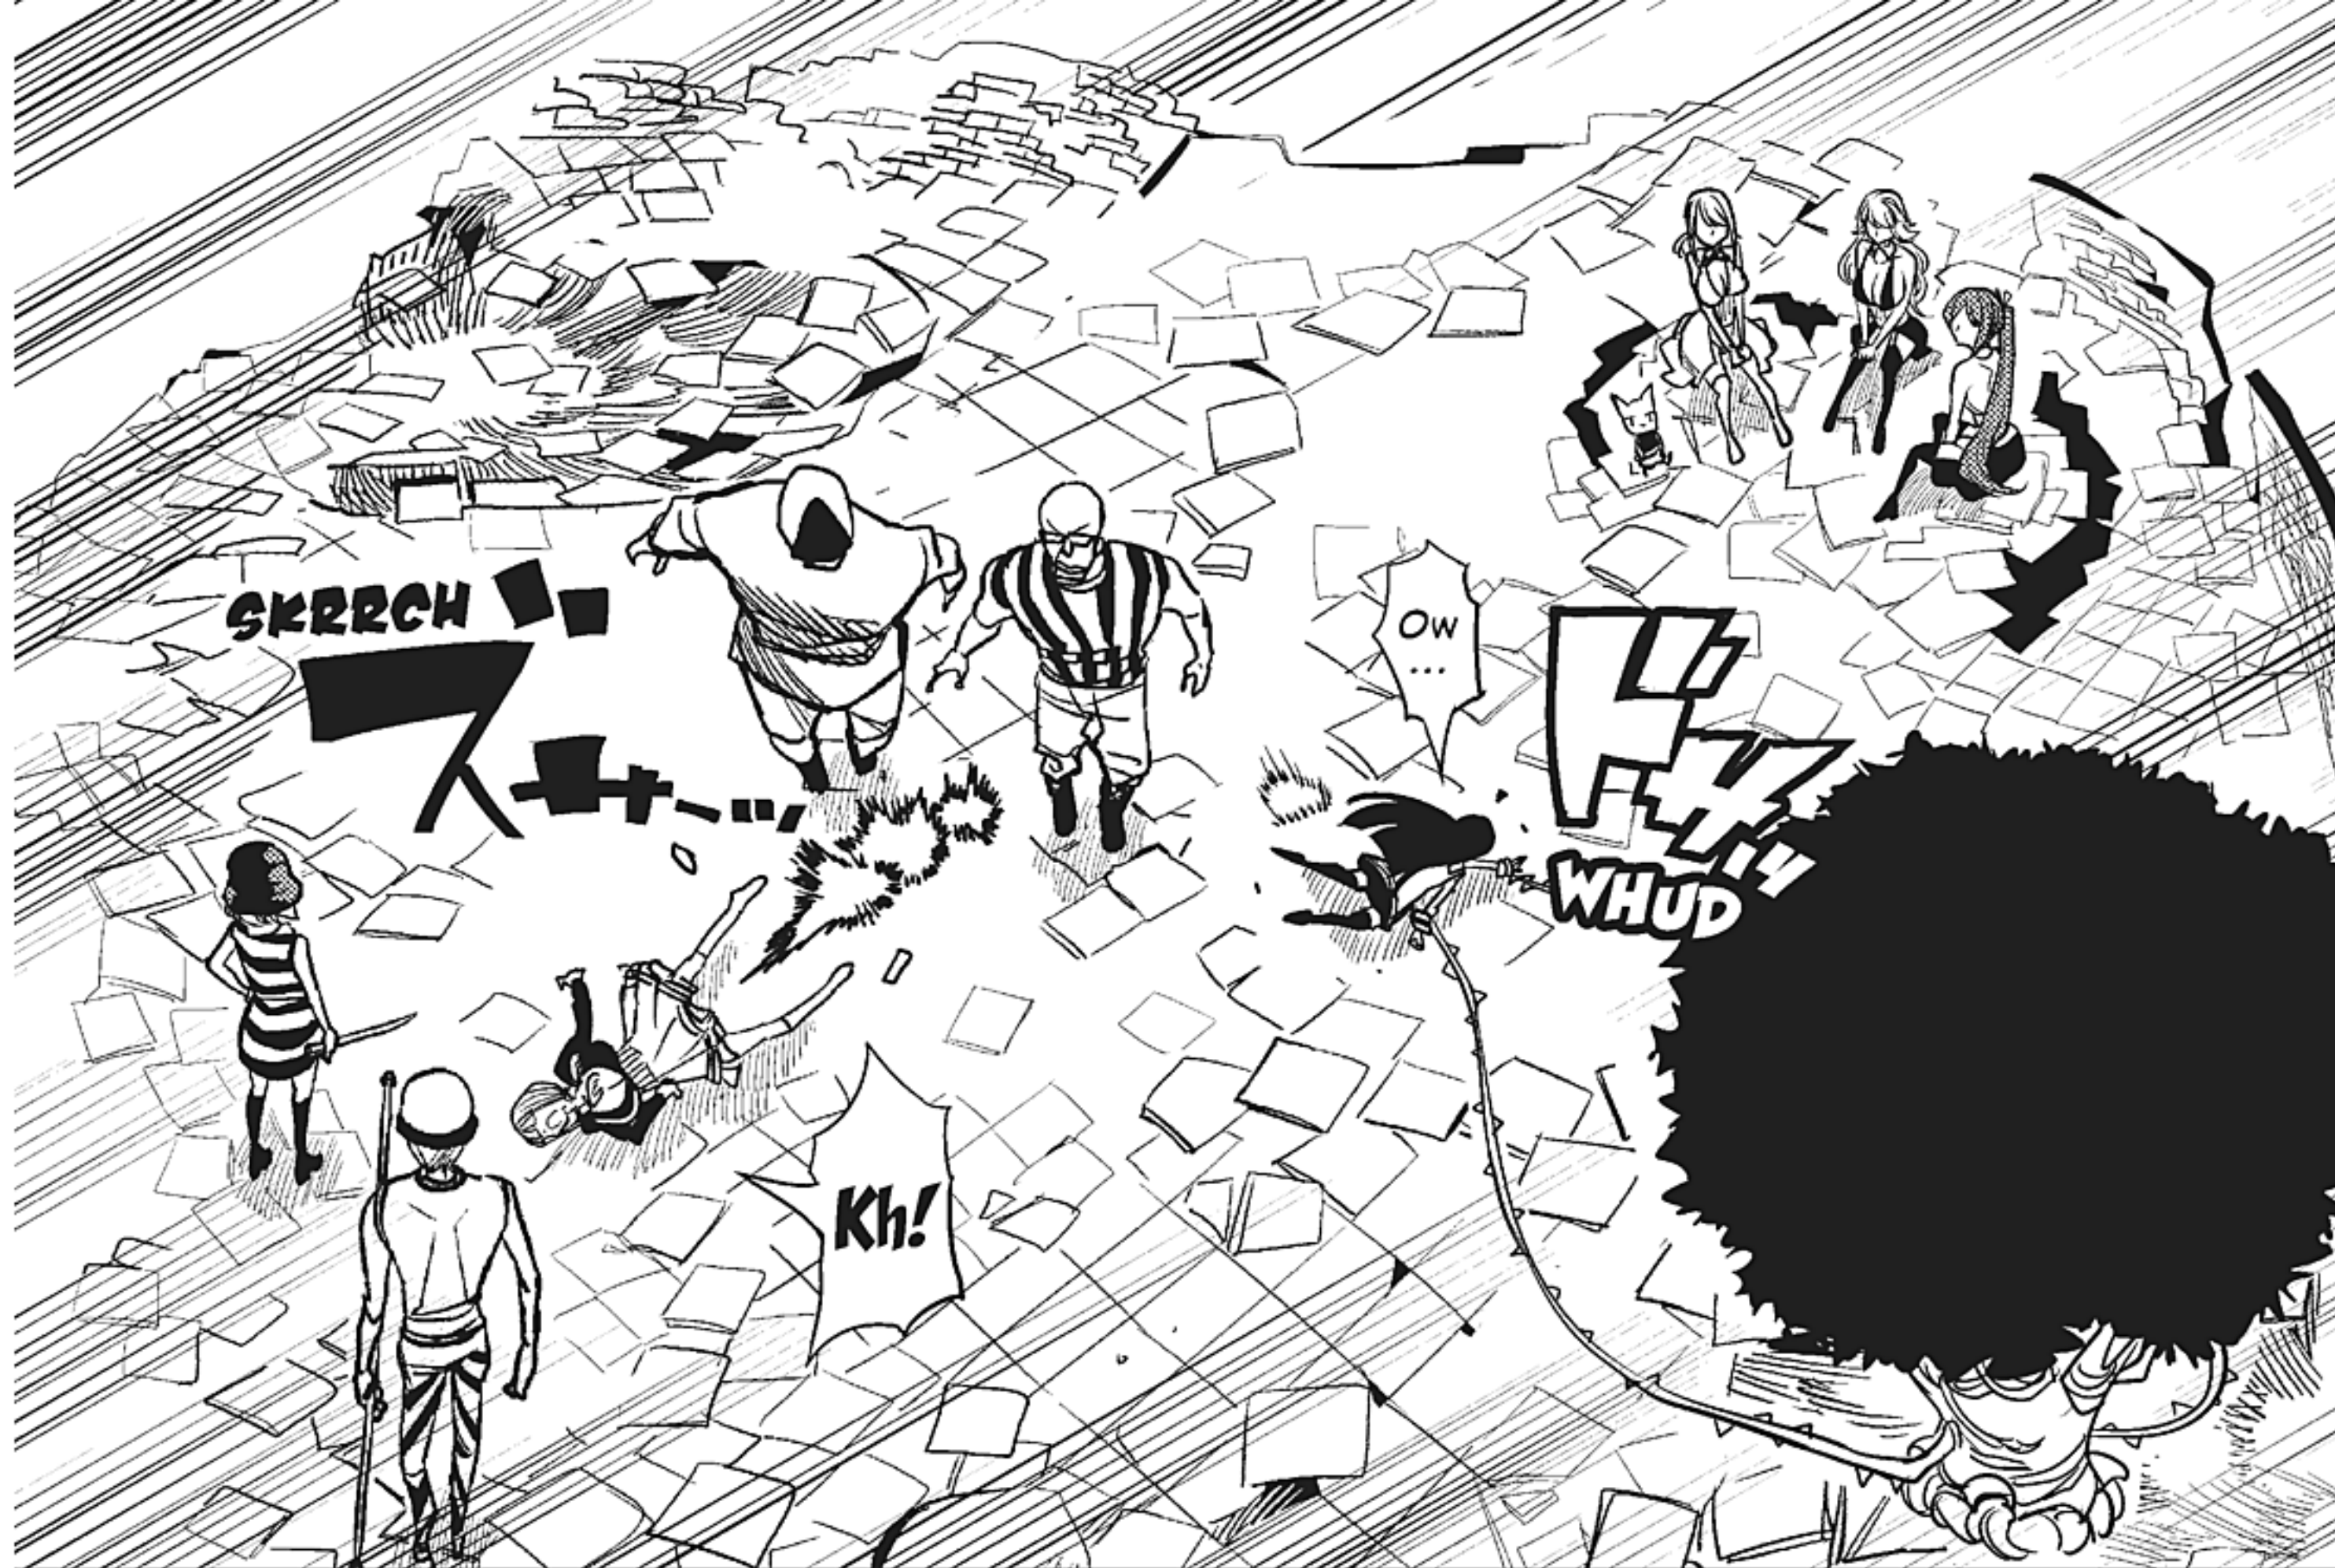

...you failed to notice your back was completely unguarded!

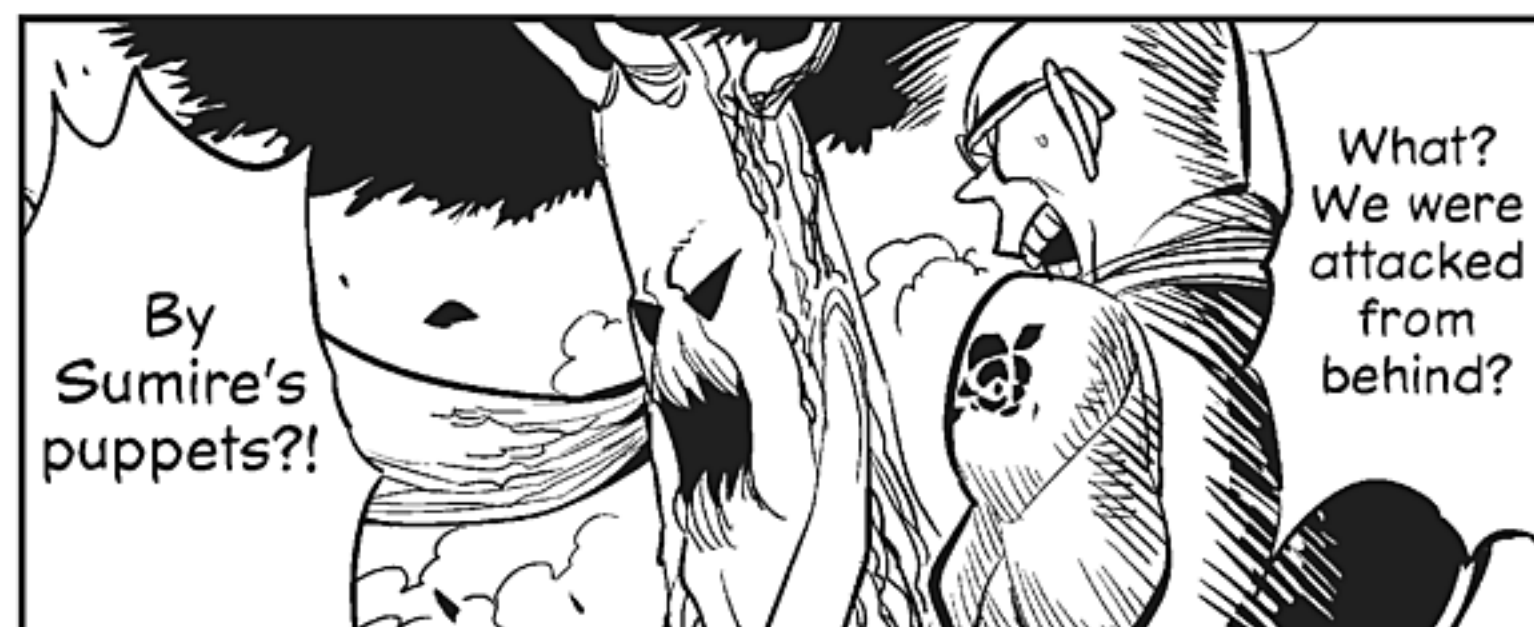

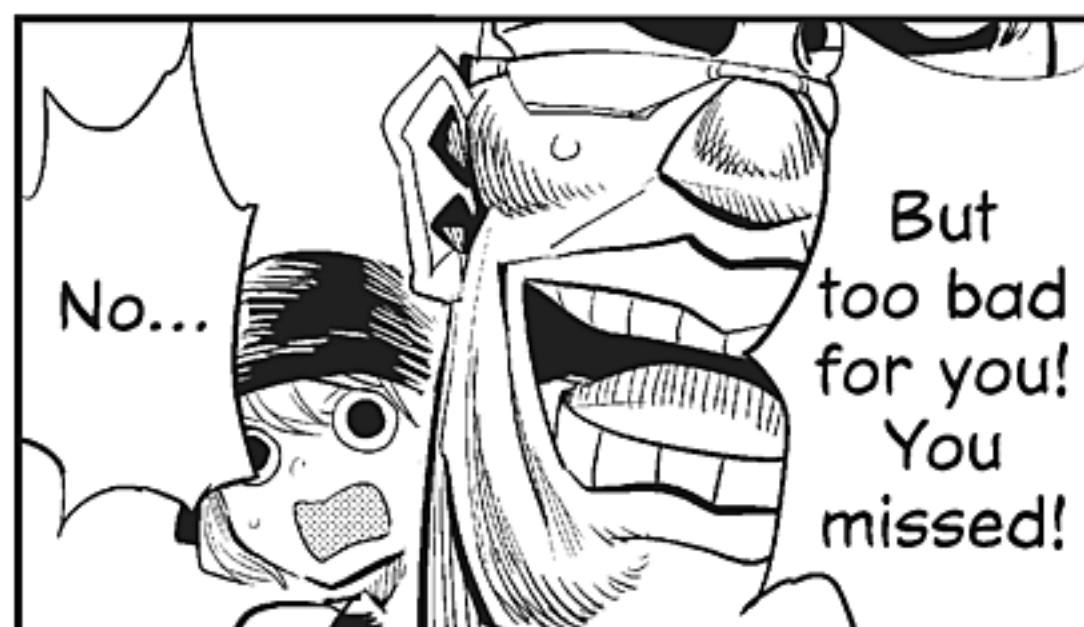

You were so distracted by the money ...

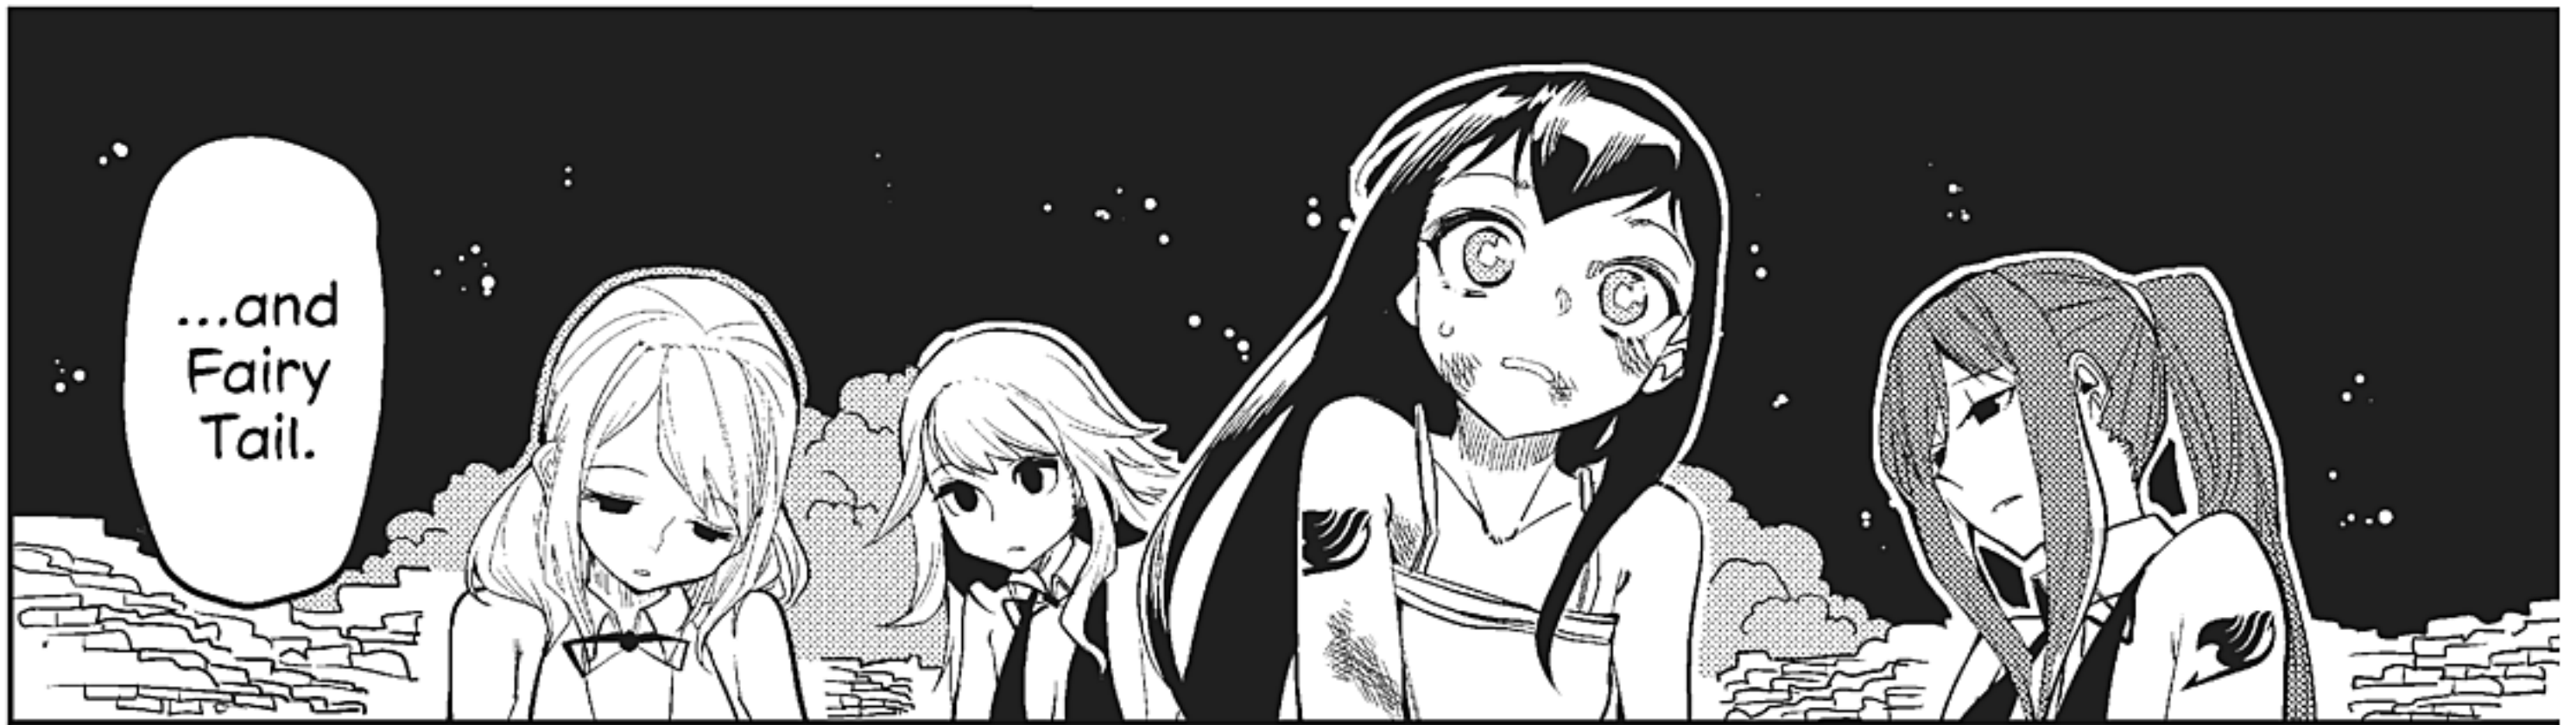

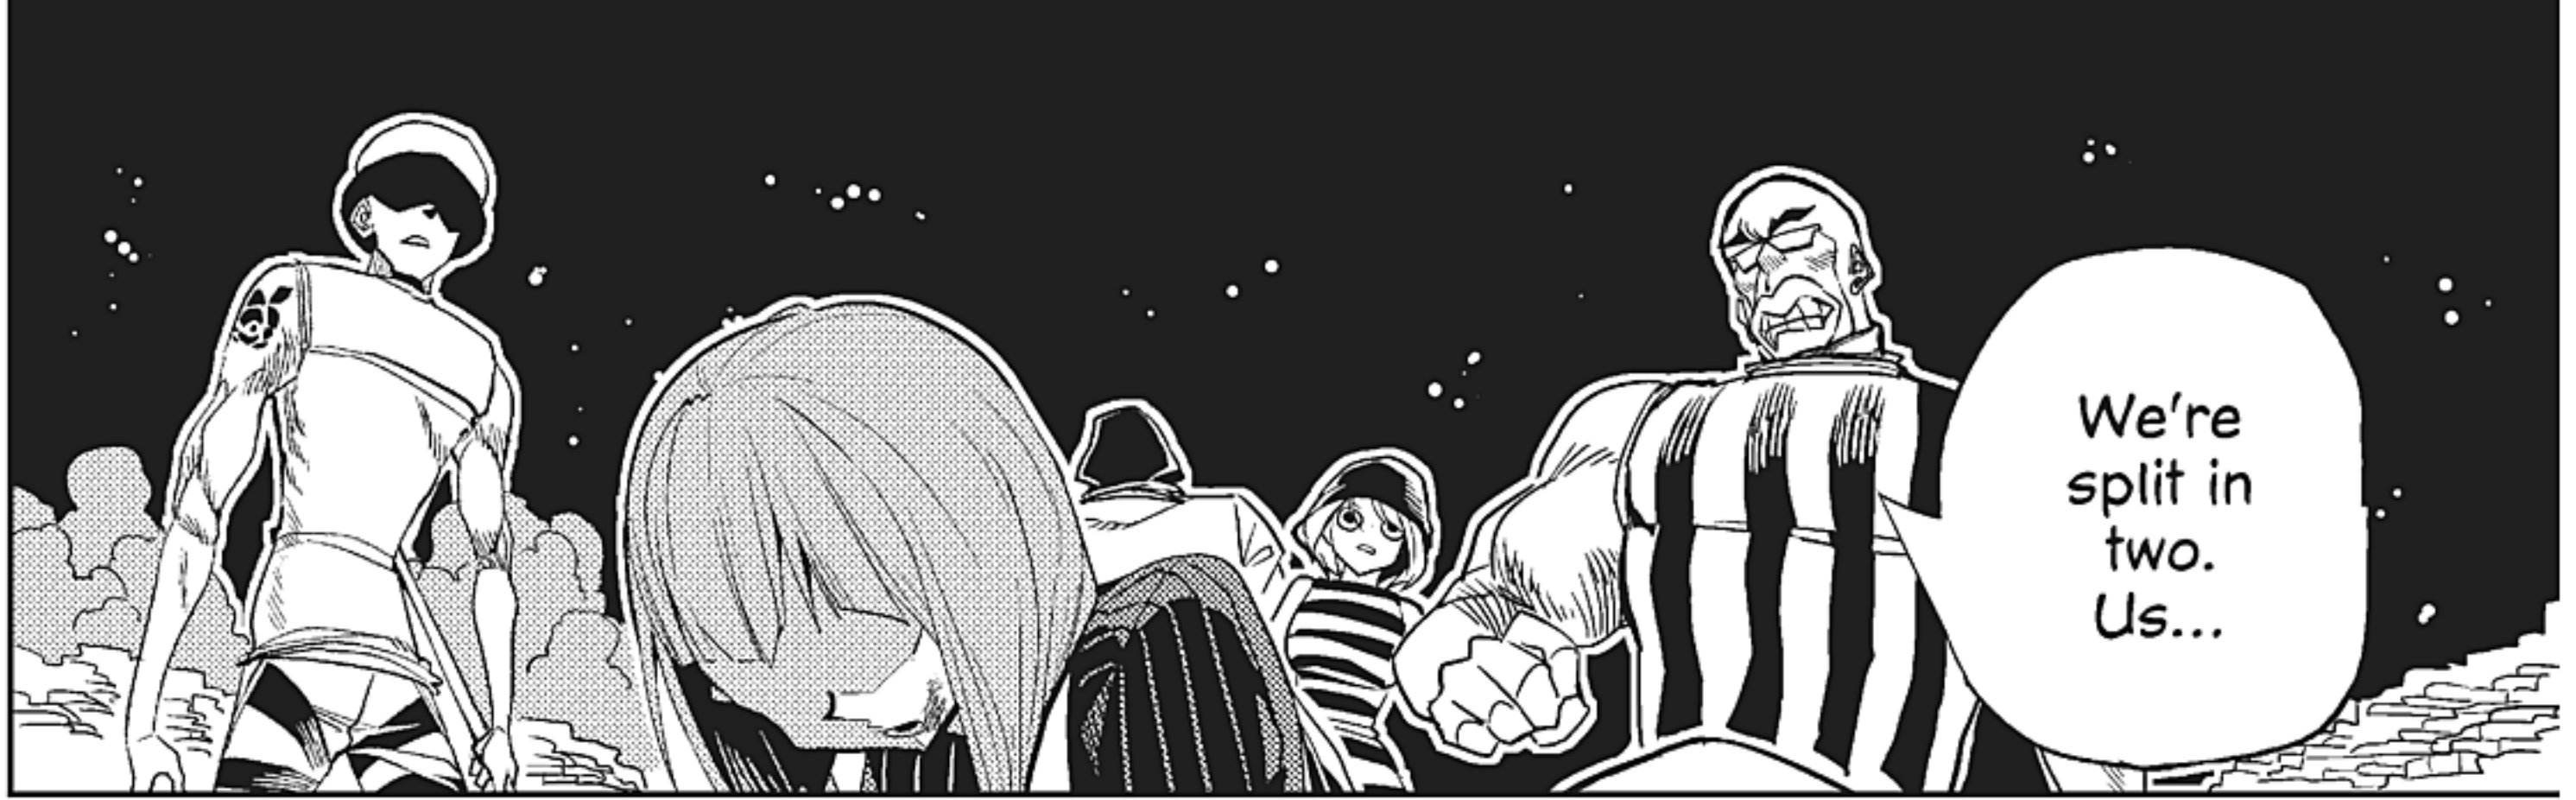

Just kidding!

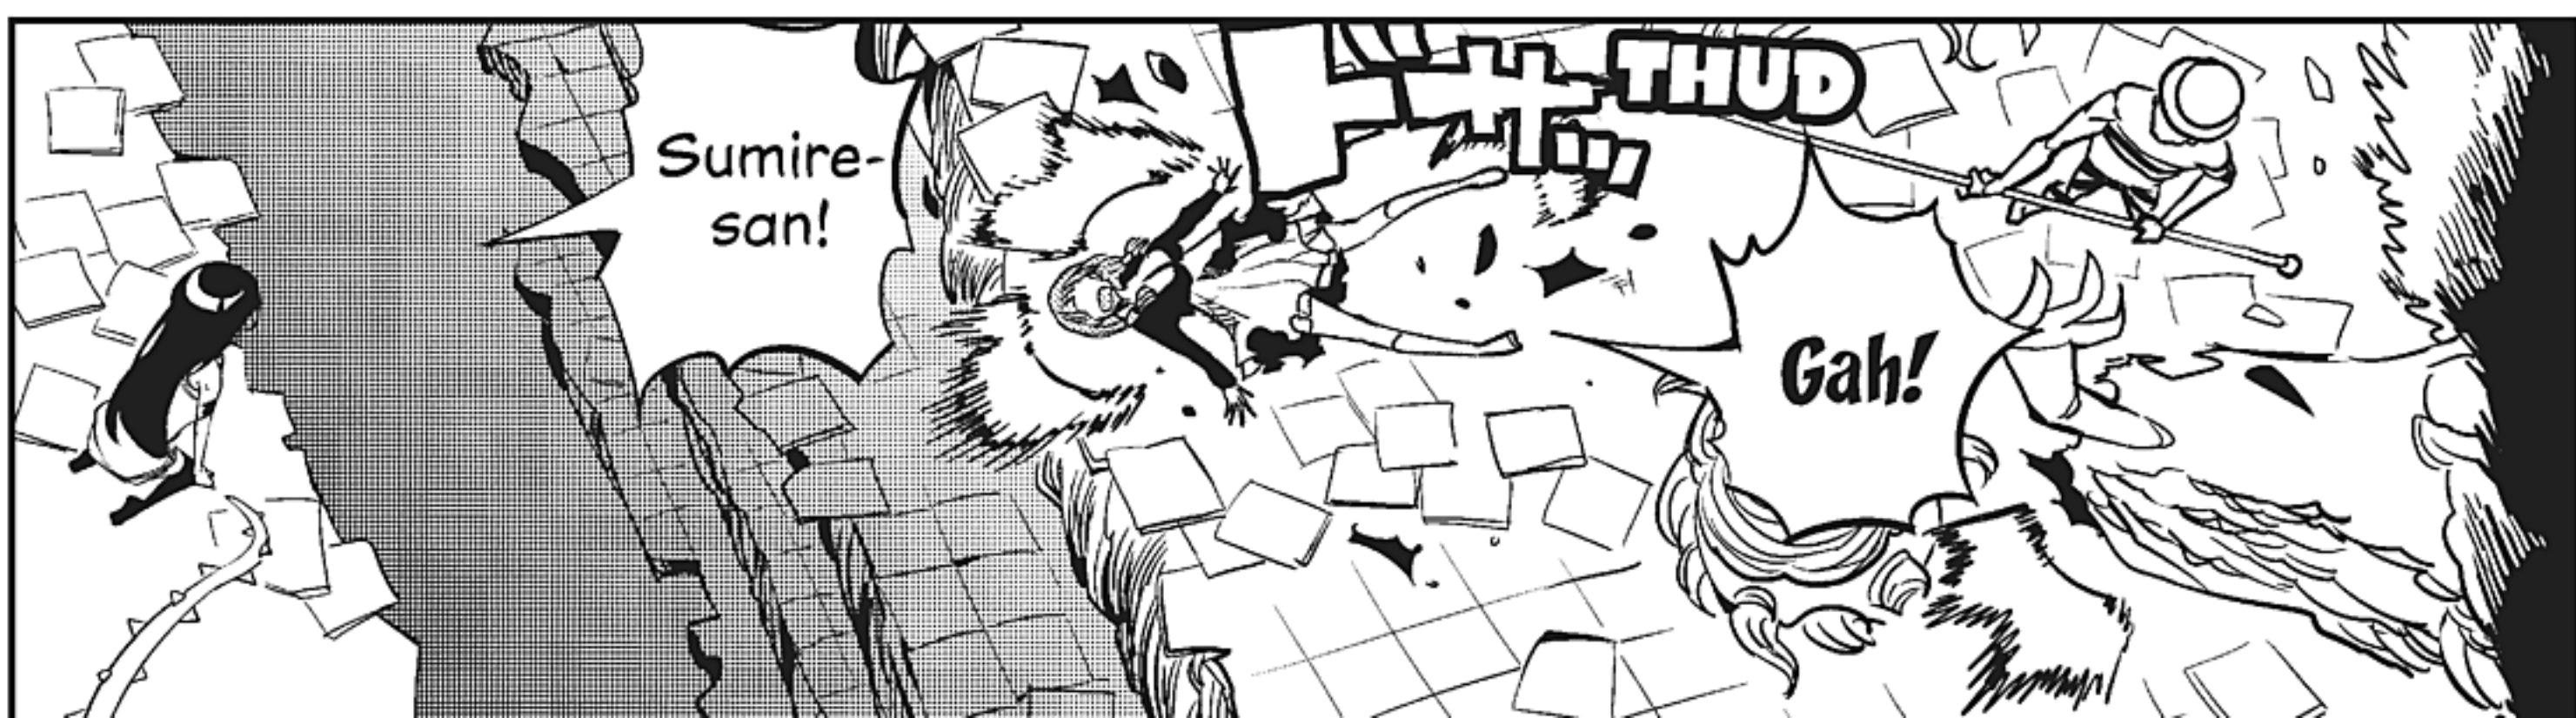

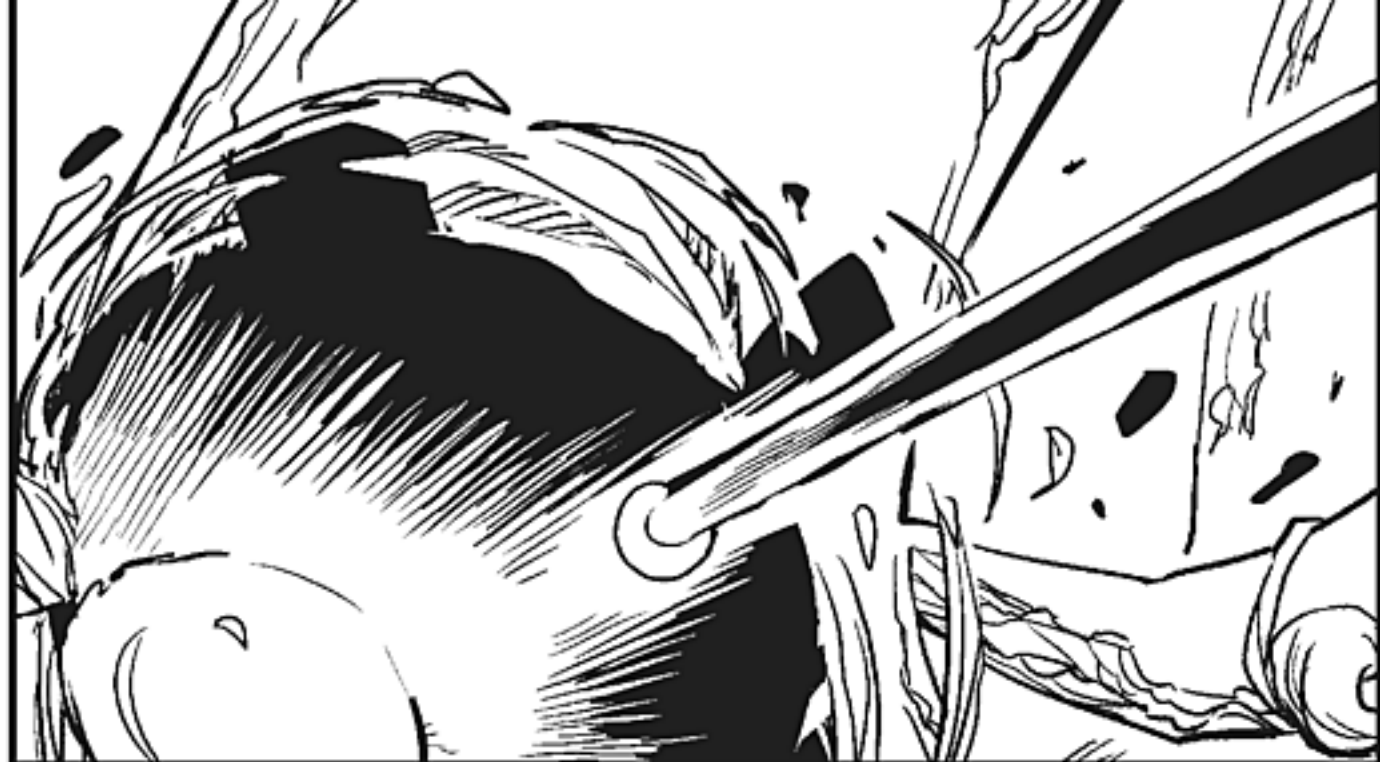

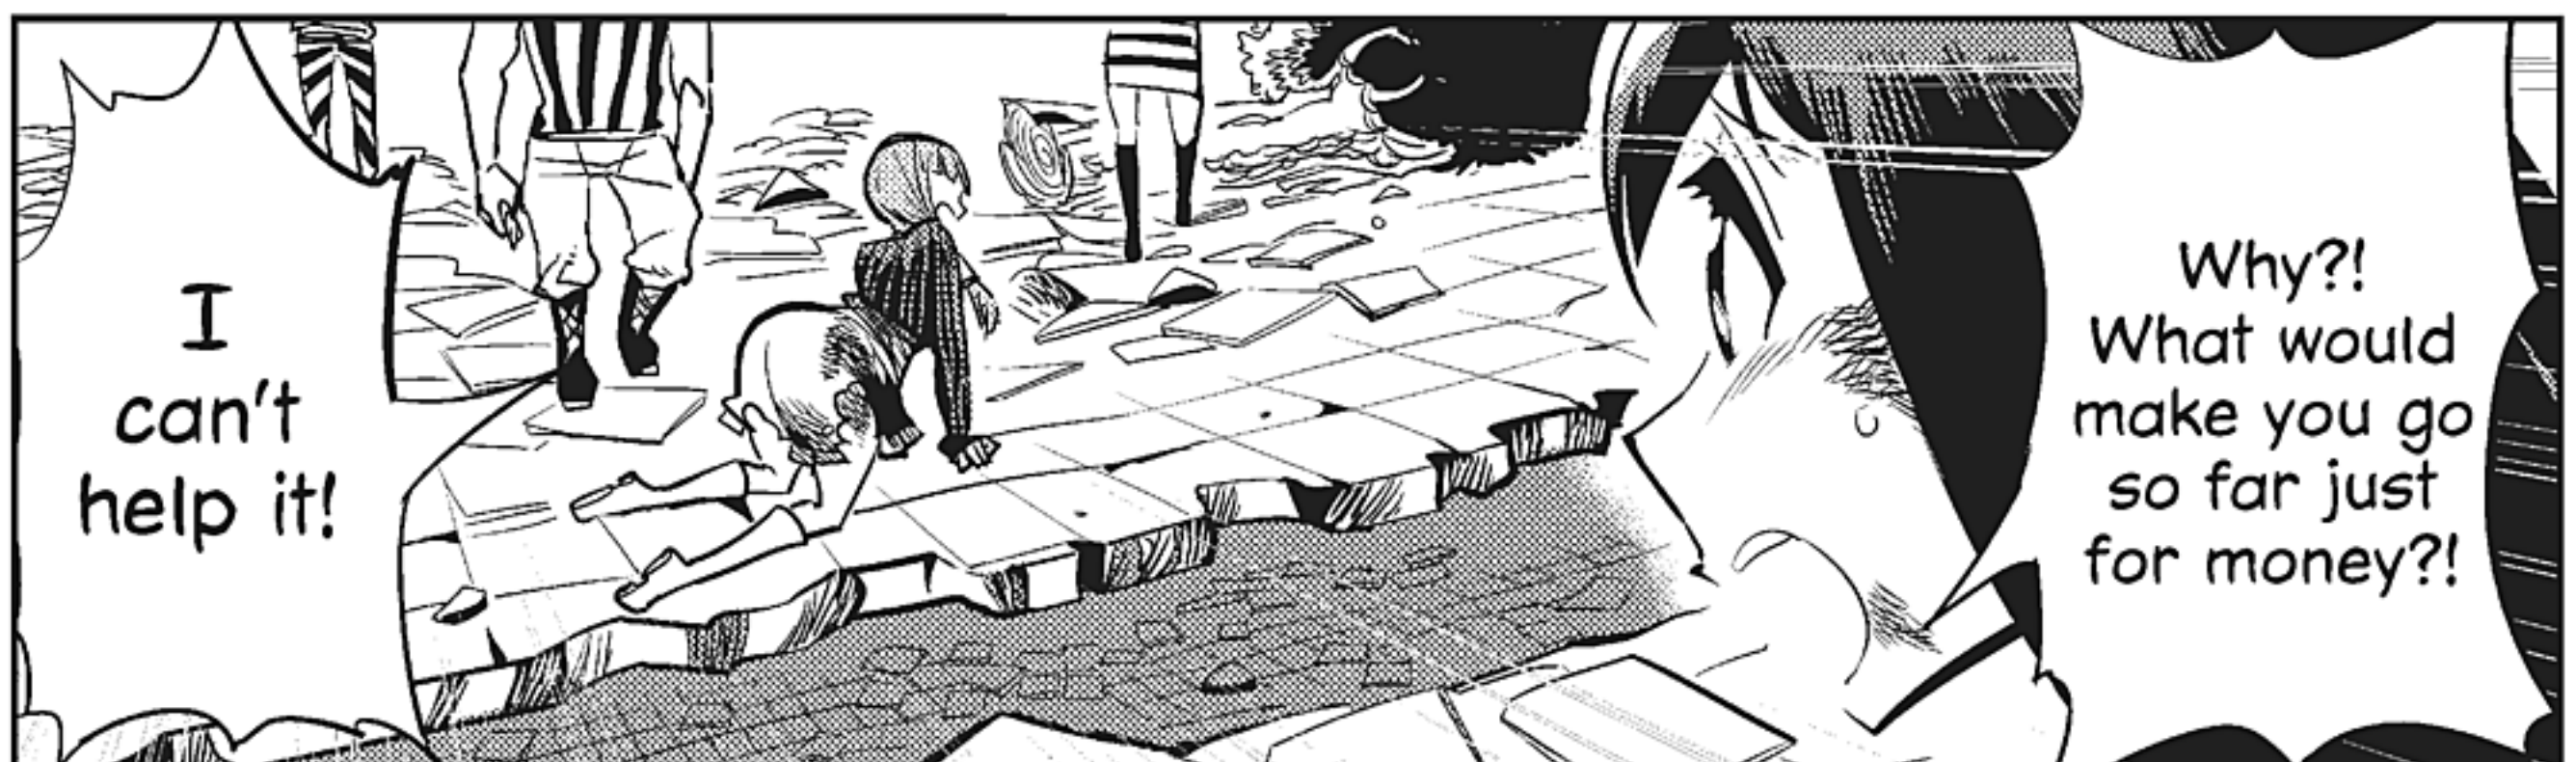

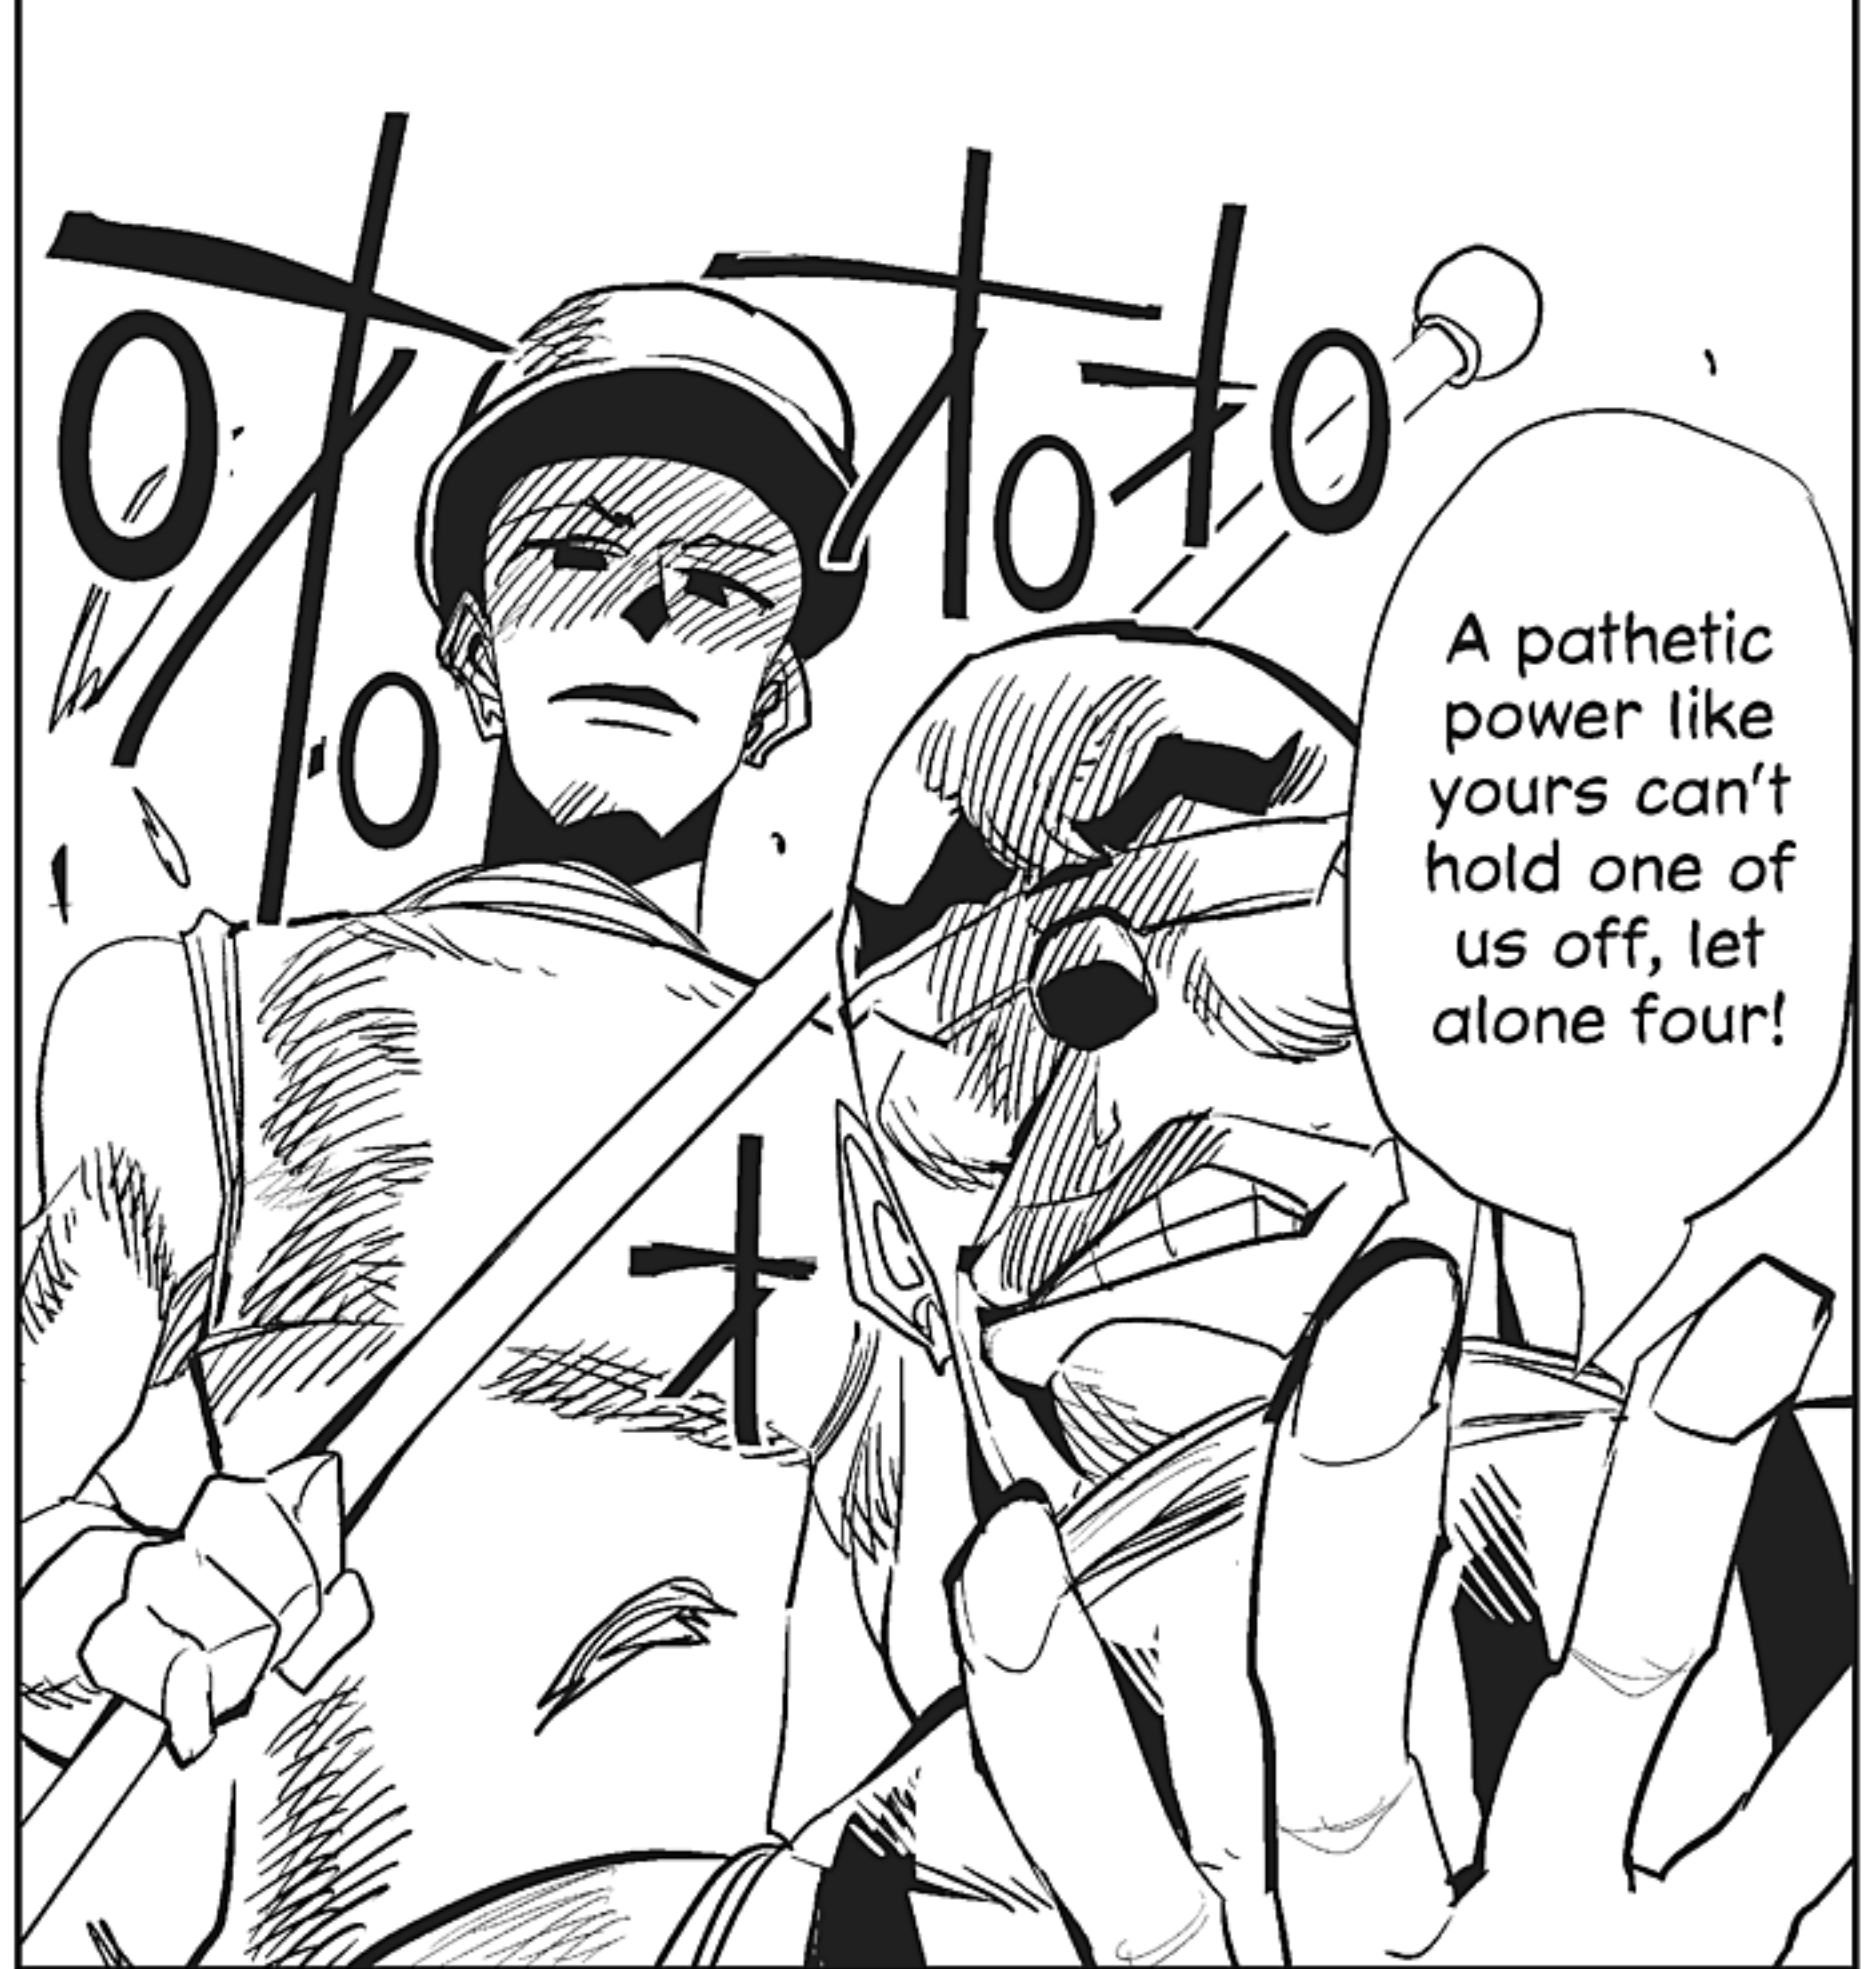

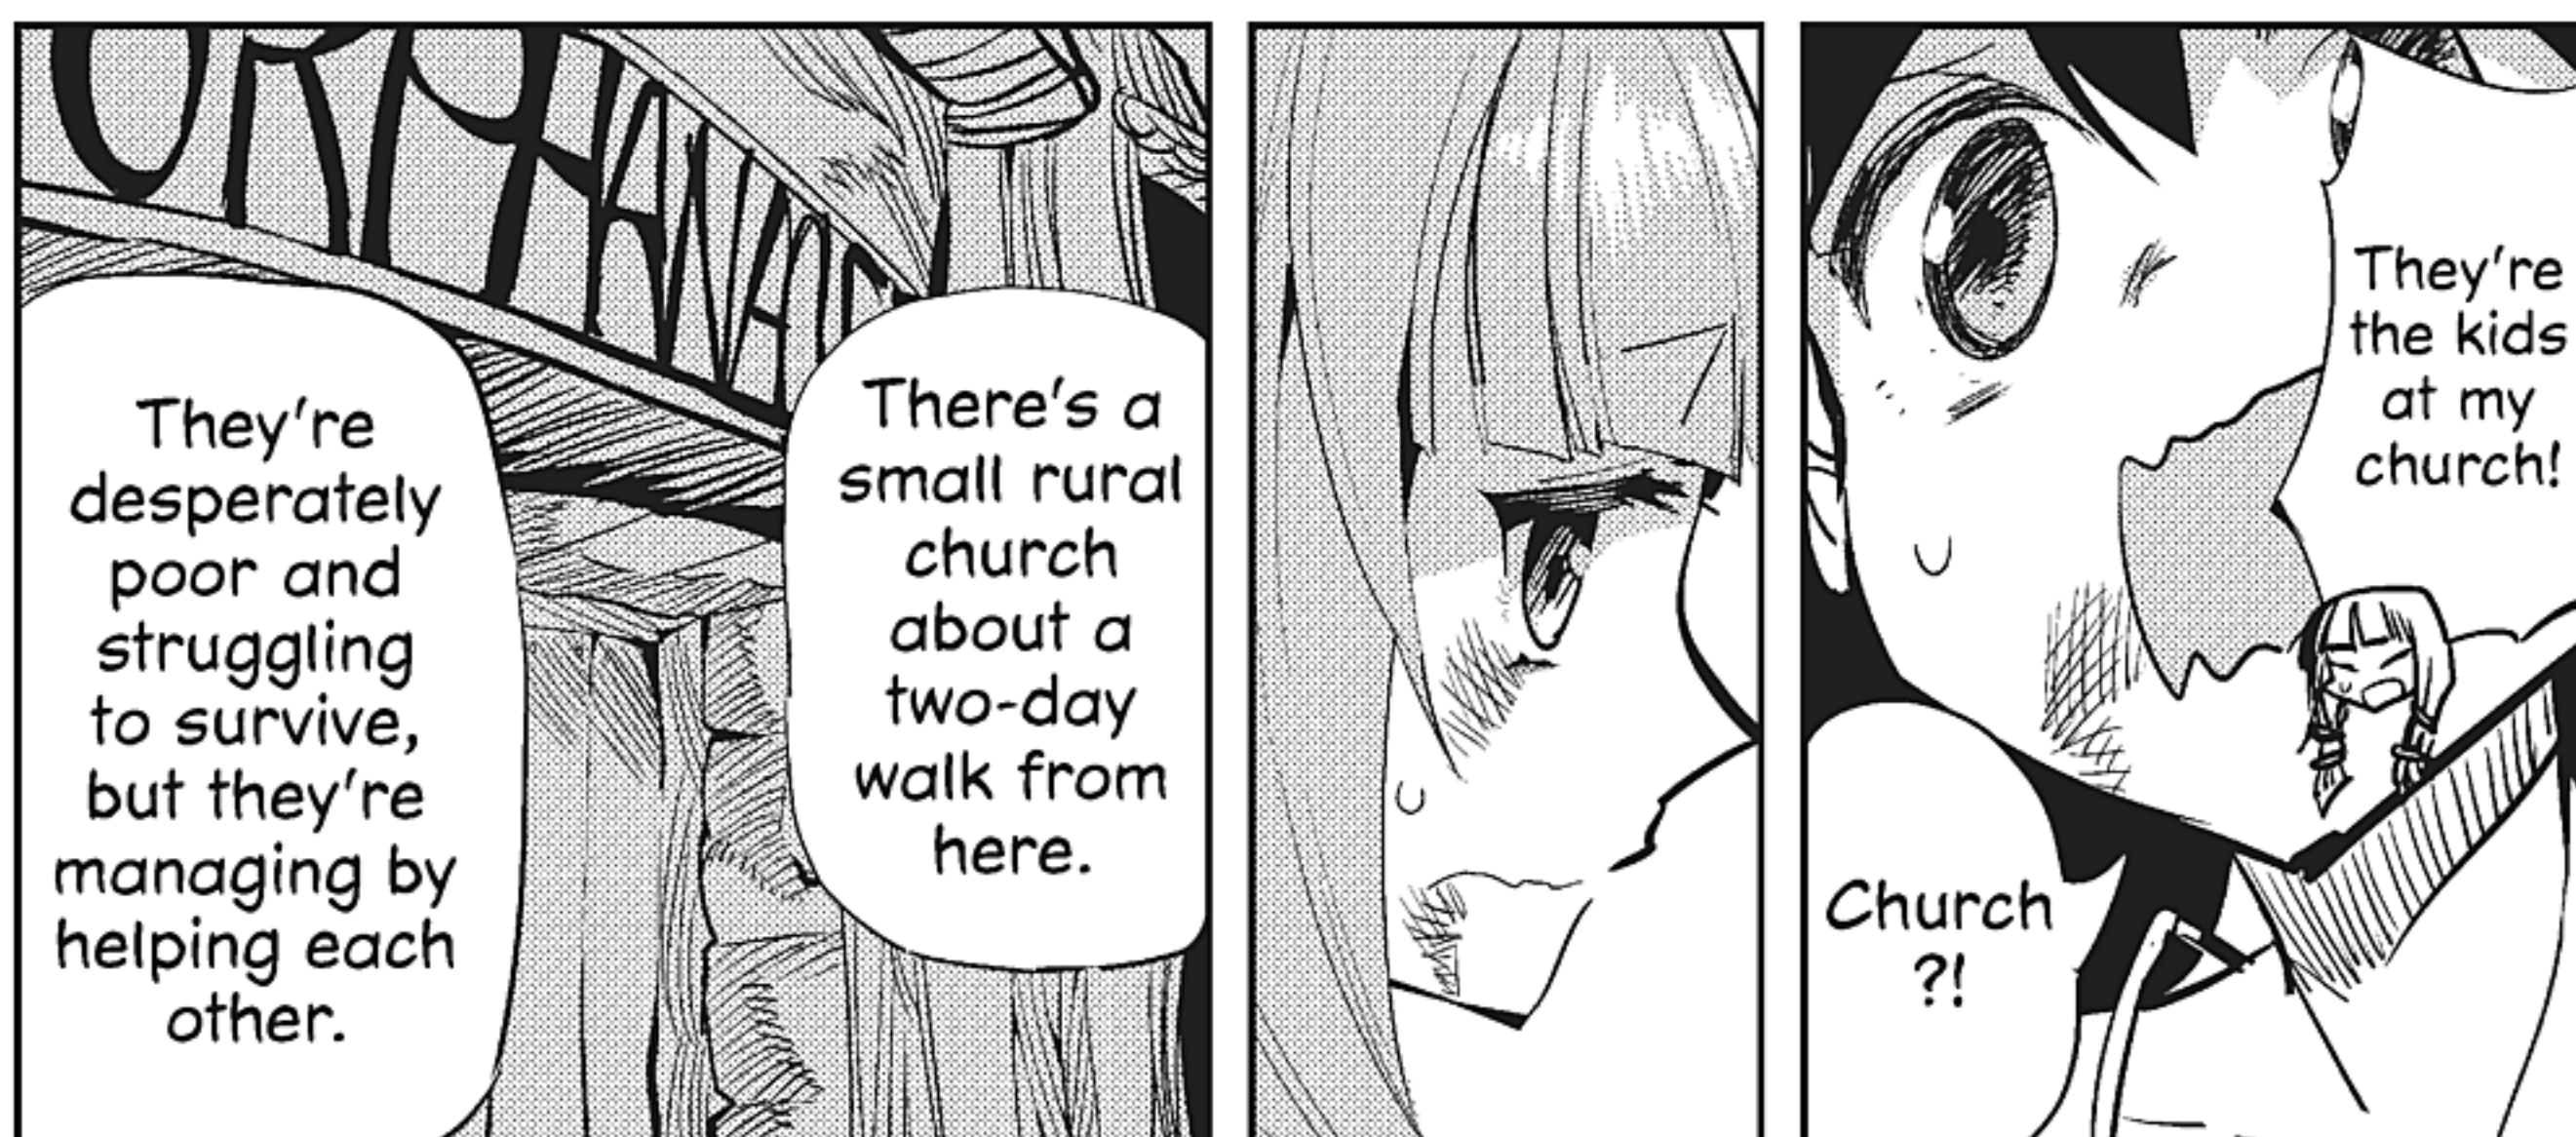

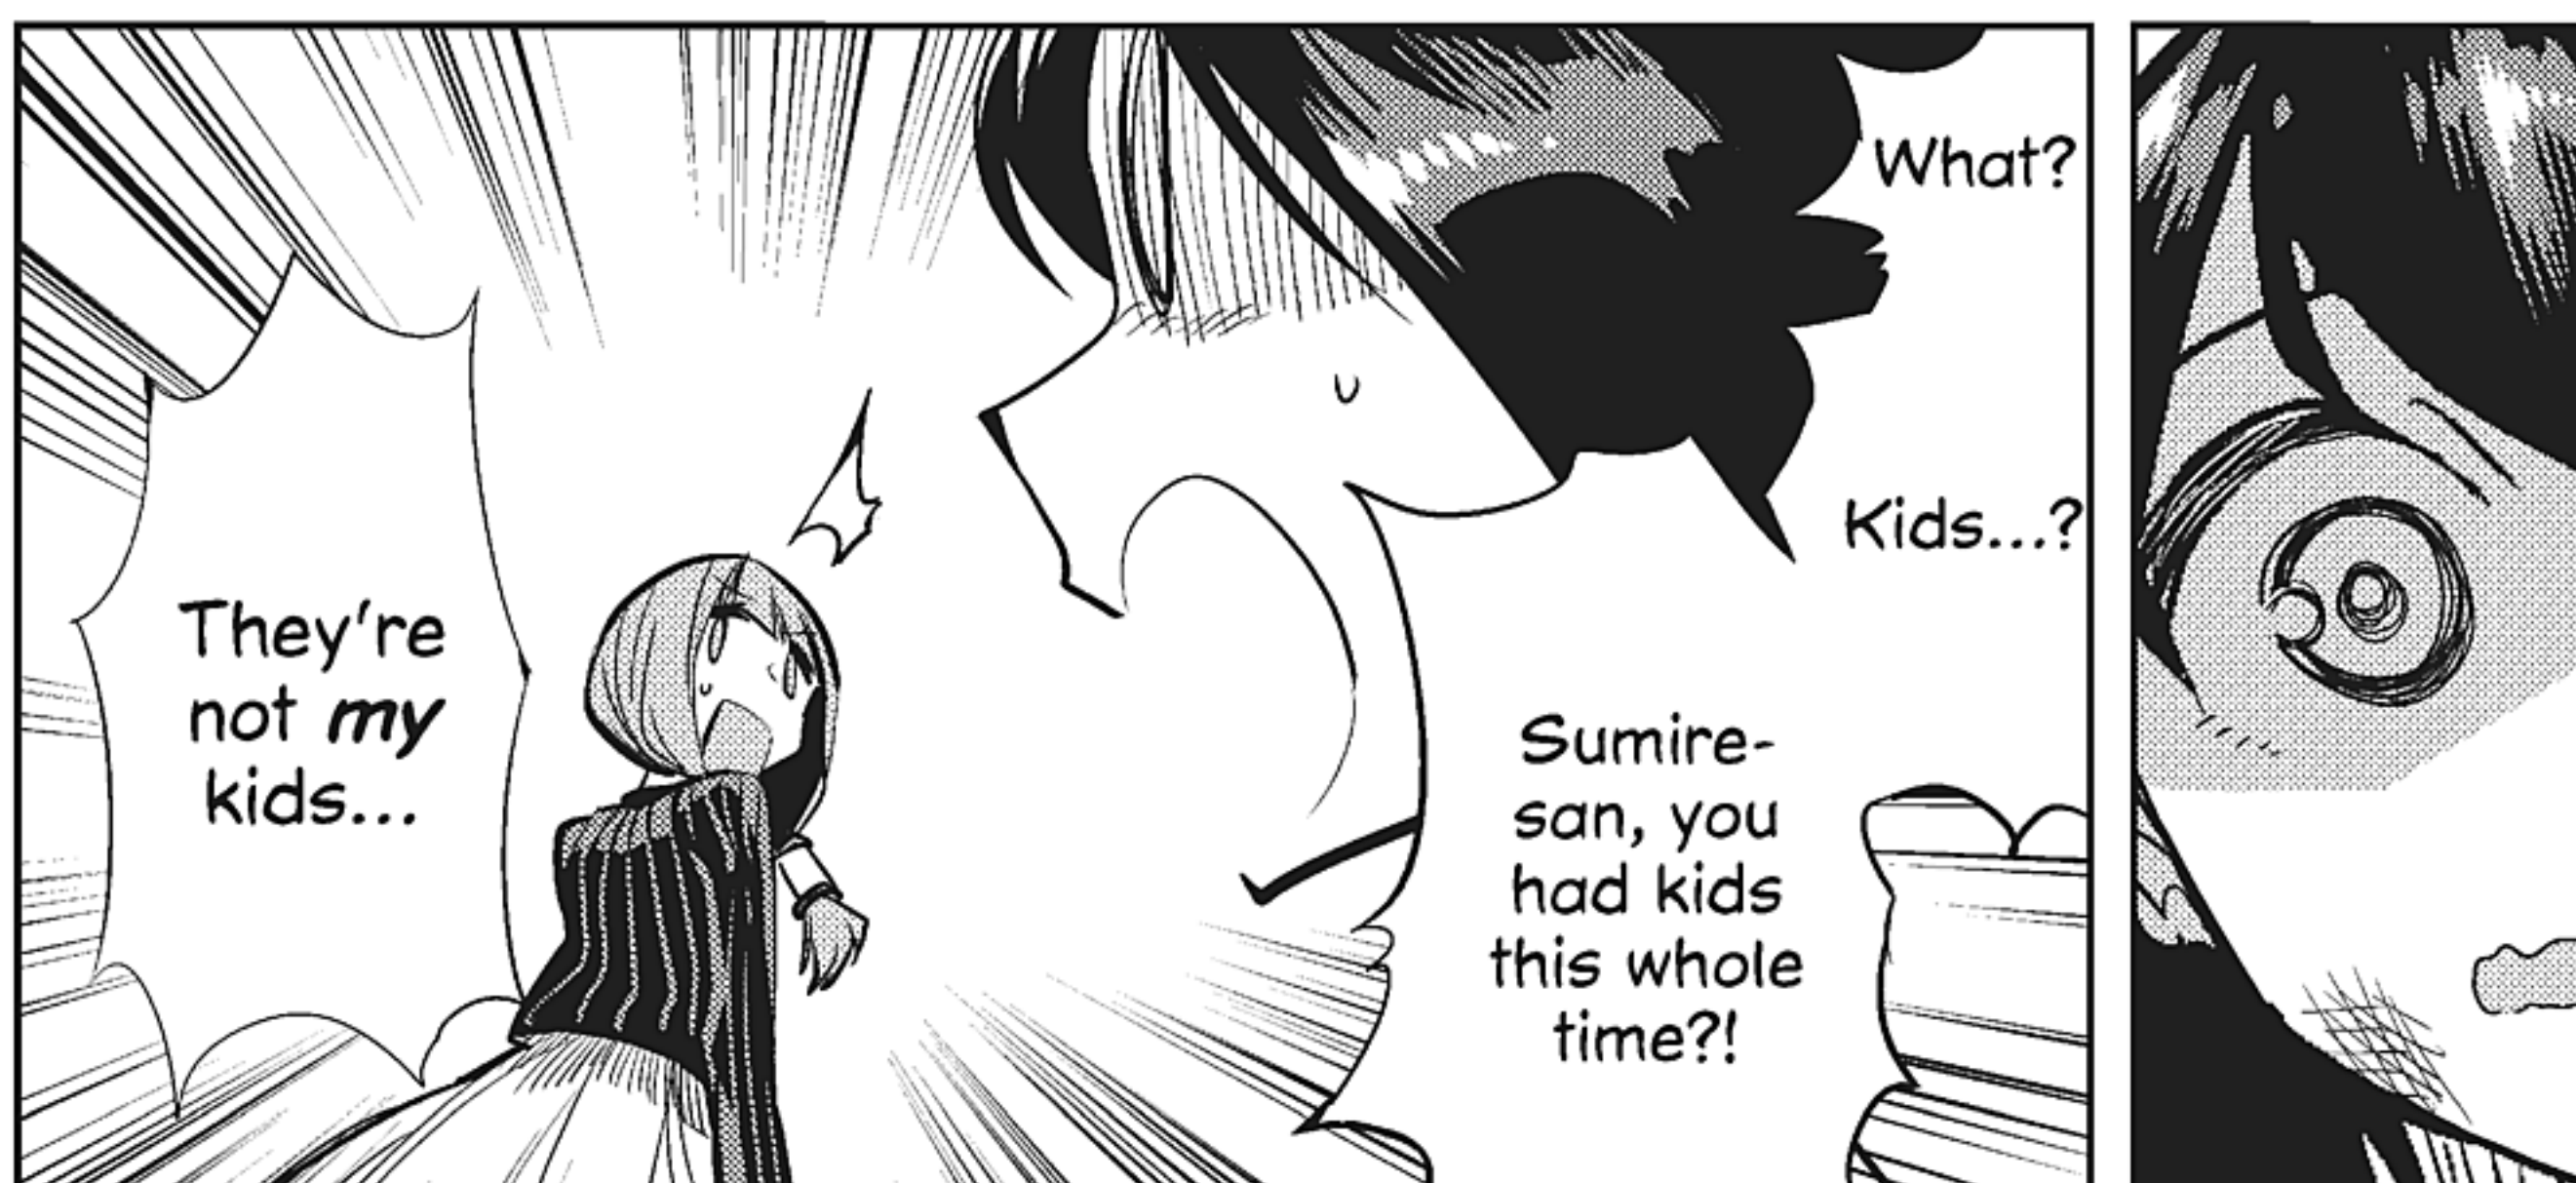

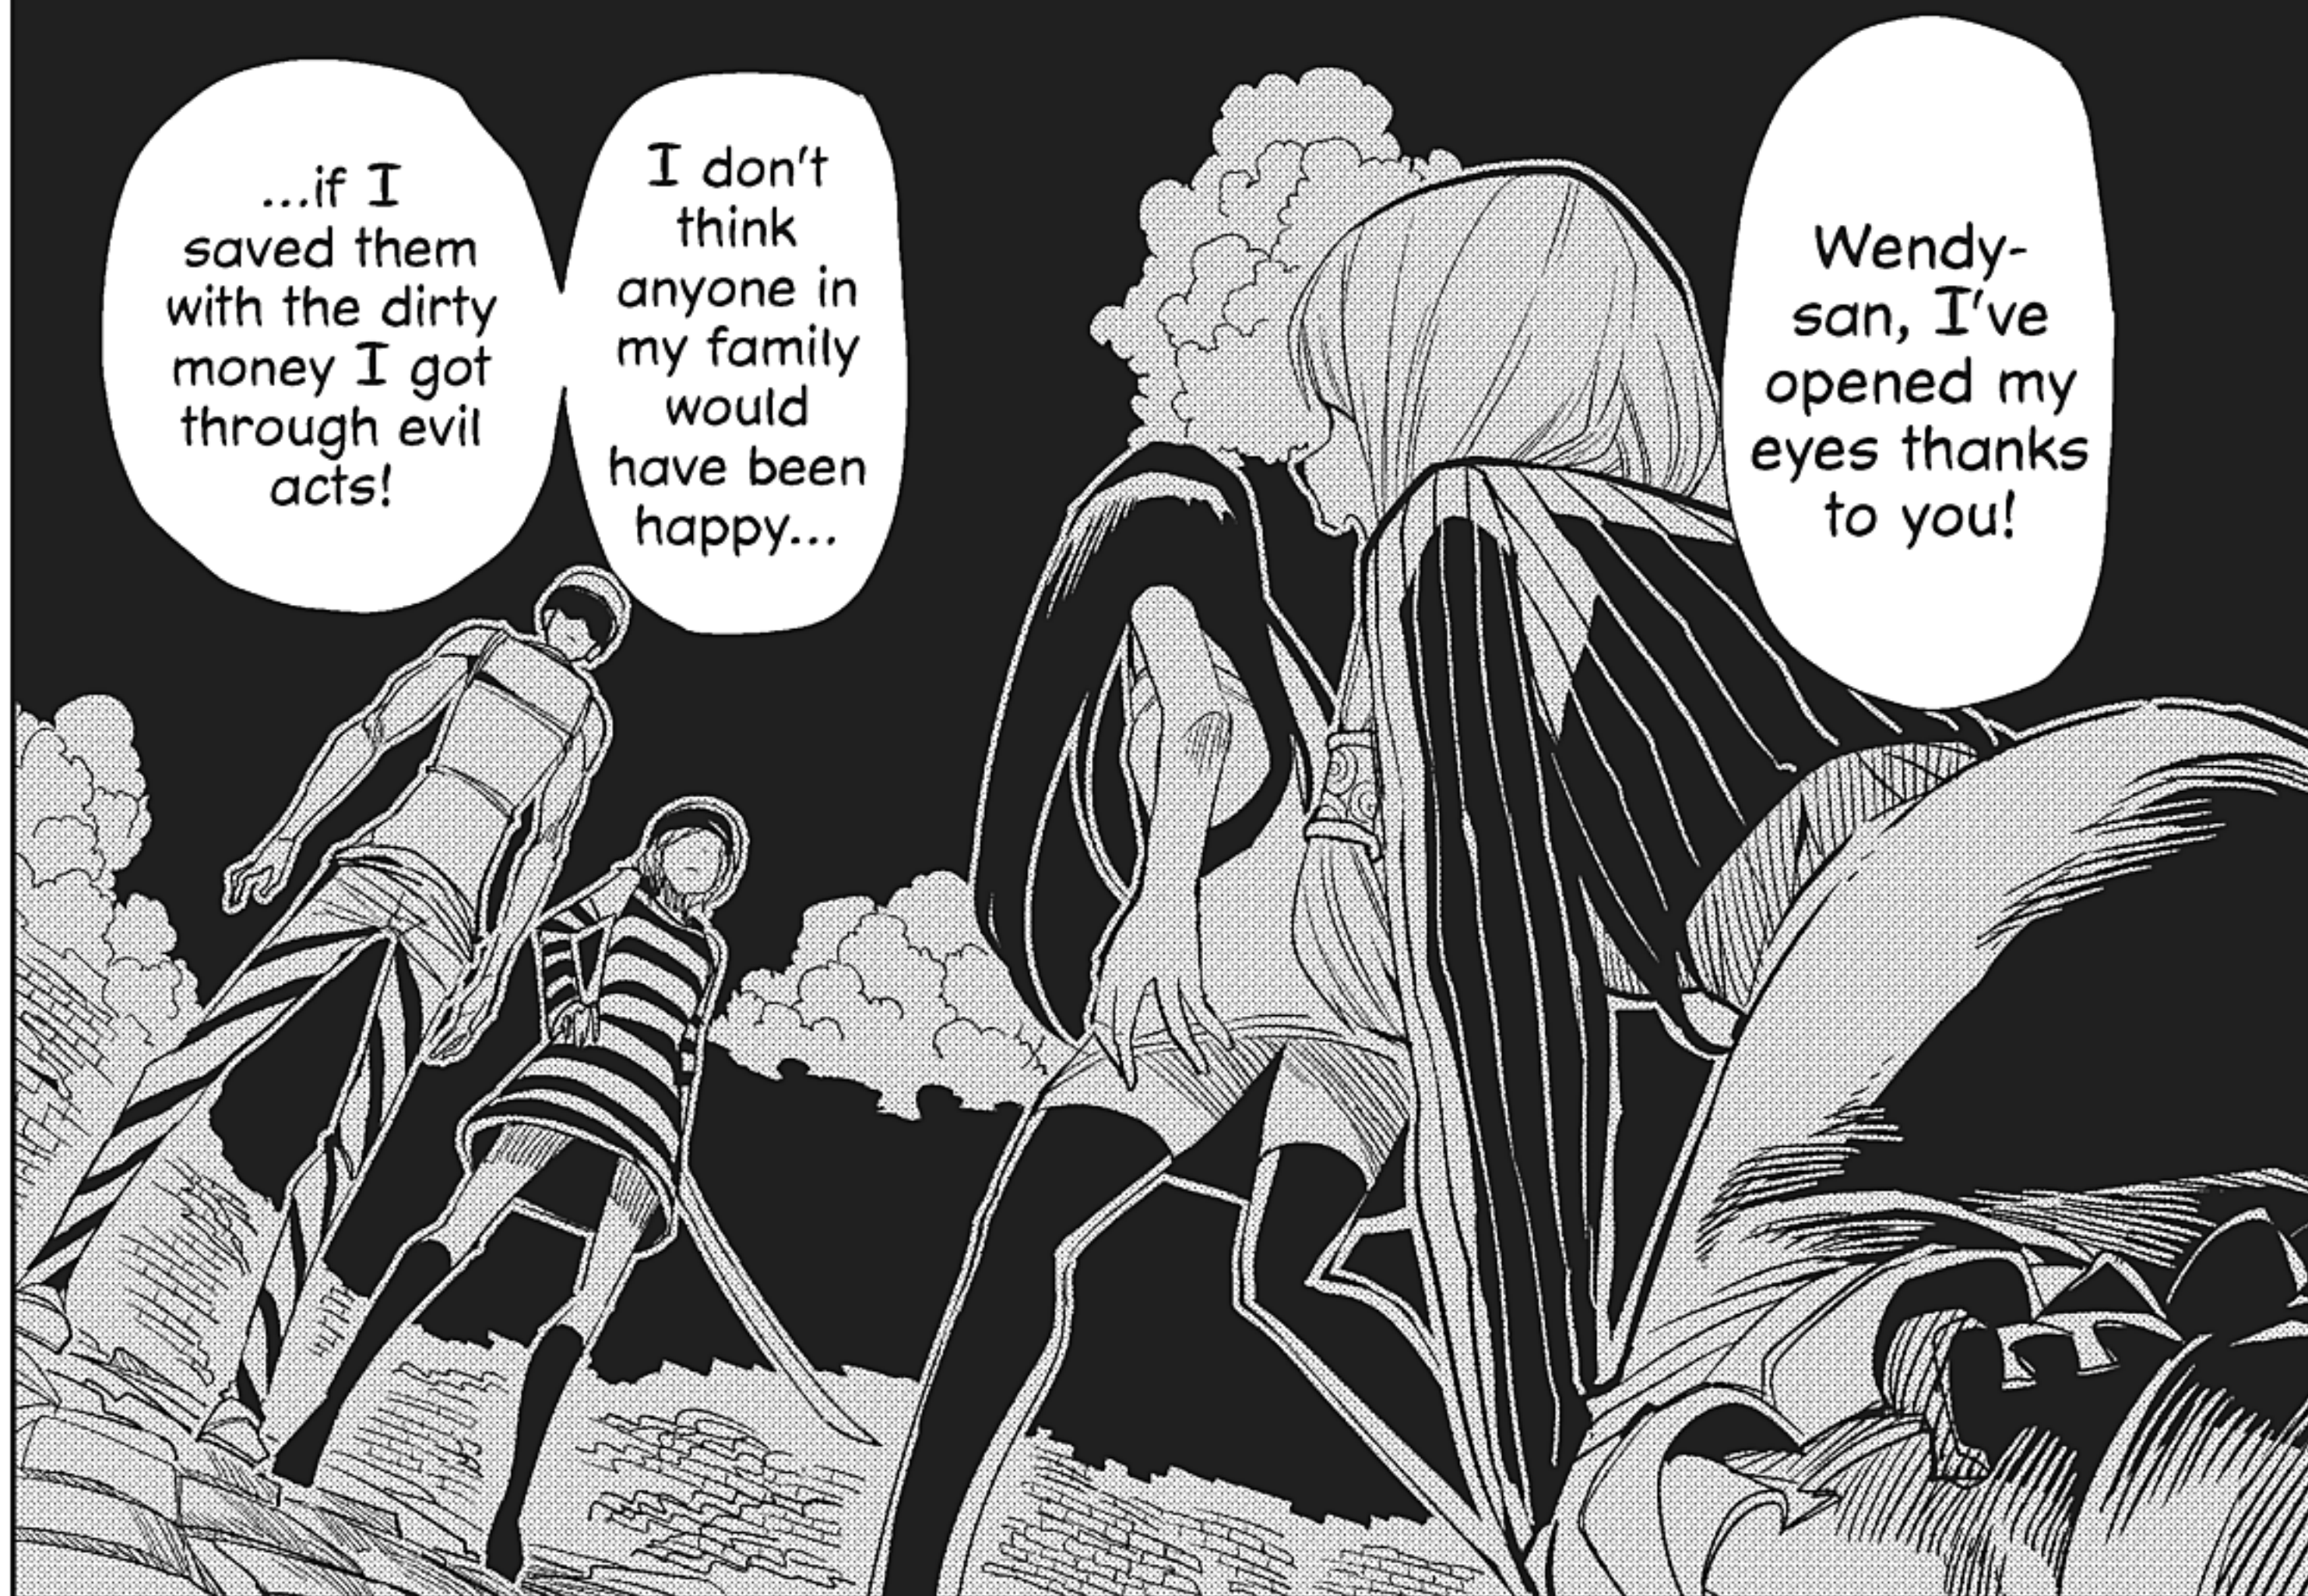

...if I saved them with the dirty money I got through evil acts!

I don't think anyone in my family would have been happy...

Wendy-san, I've opened my eyes thanks to you!

Sumire-san...

...

I don't know why I didn't think of it before...

I can't run away leaving you behind!

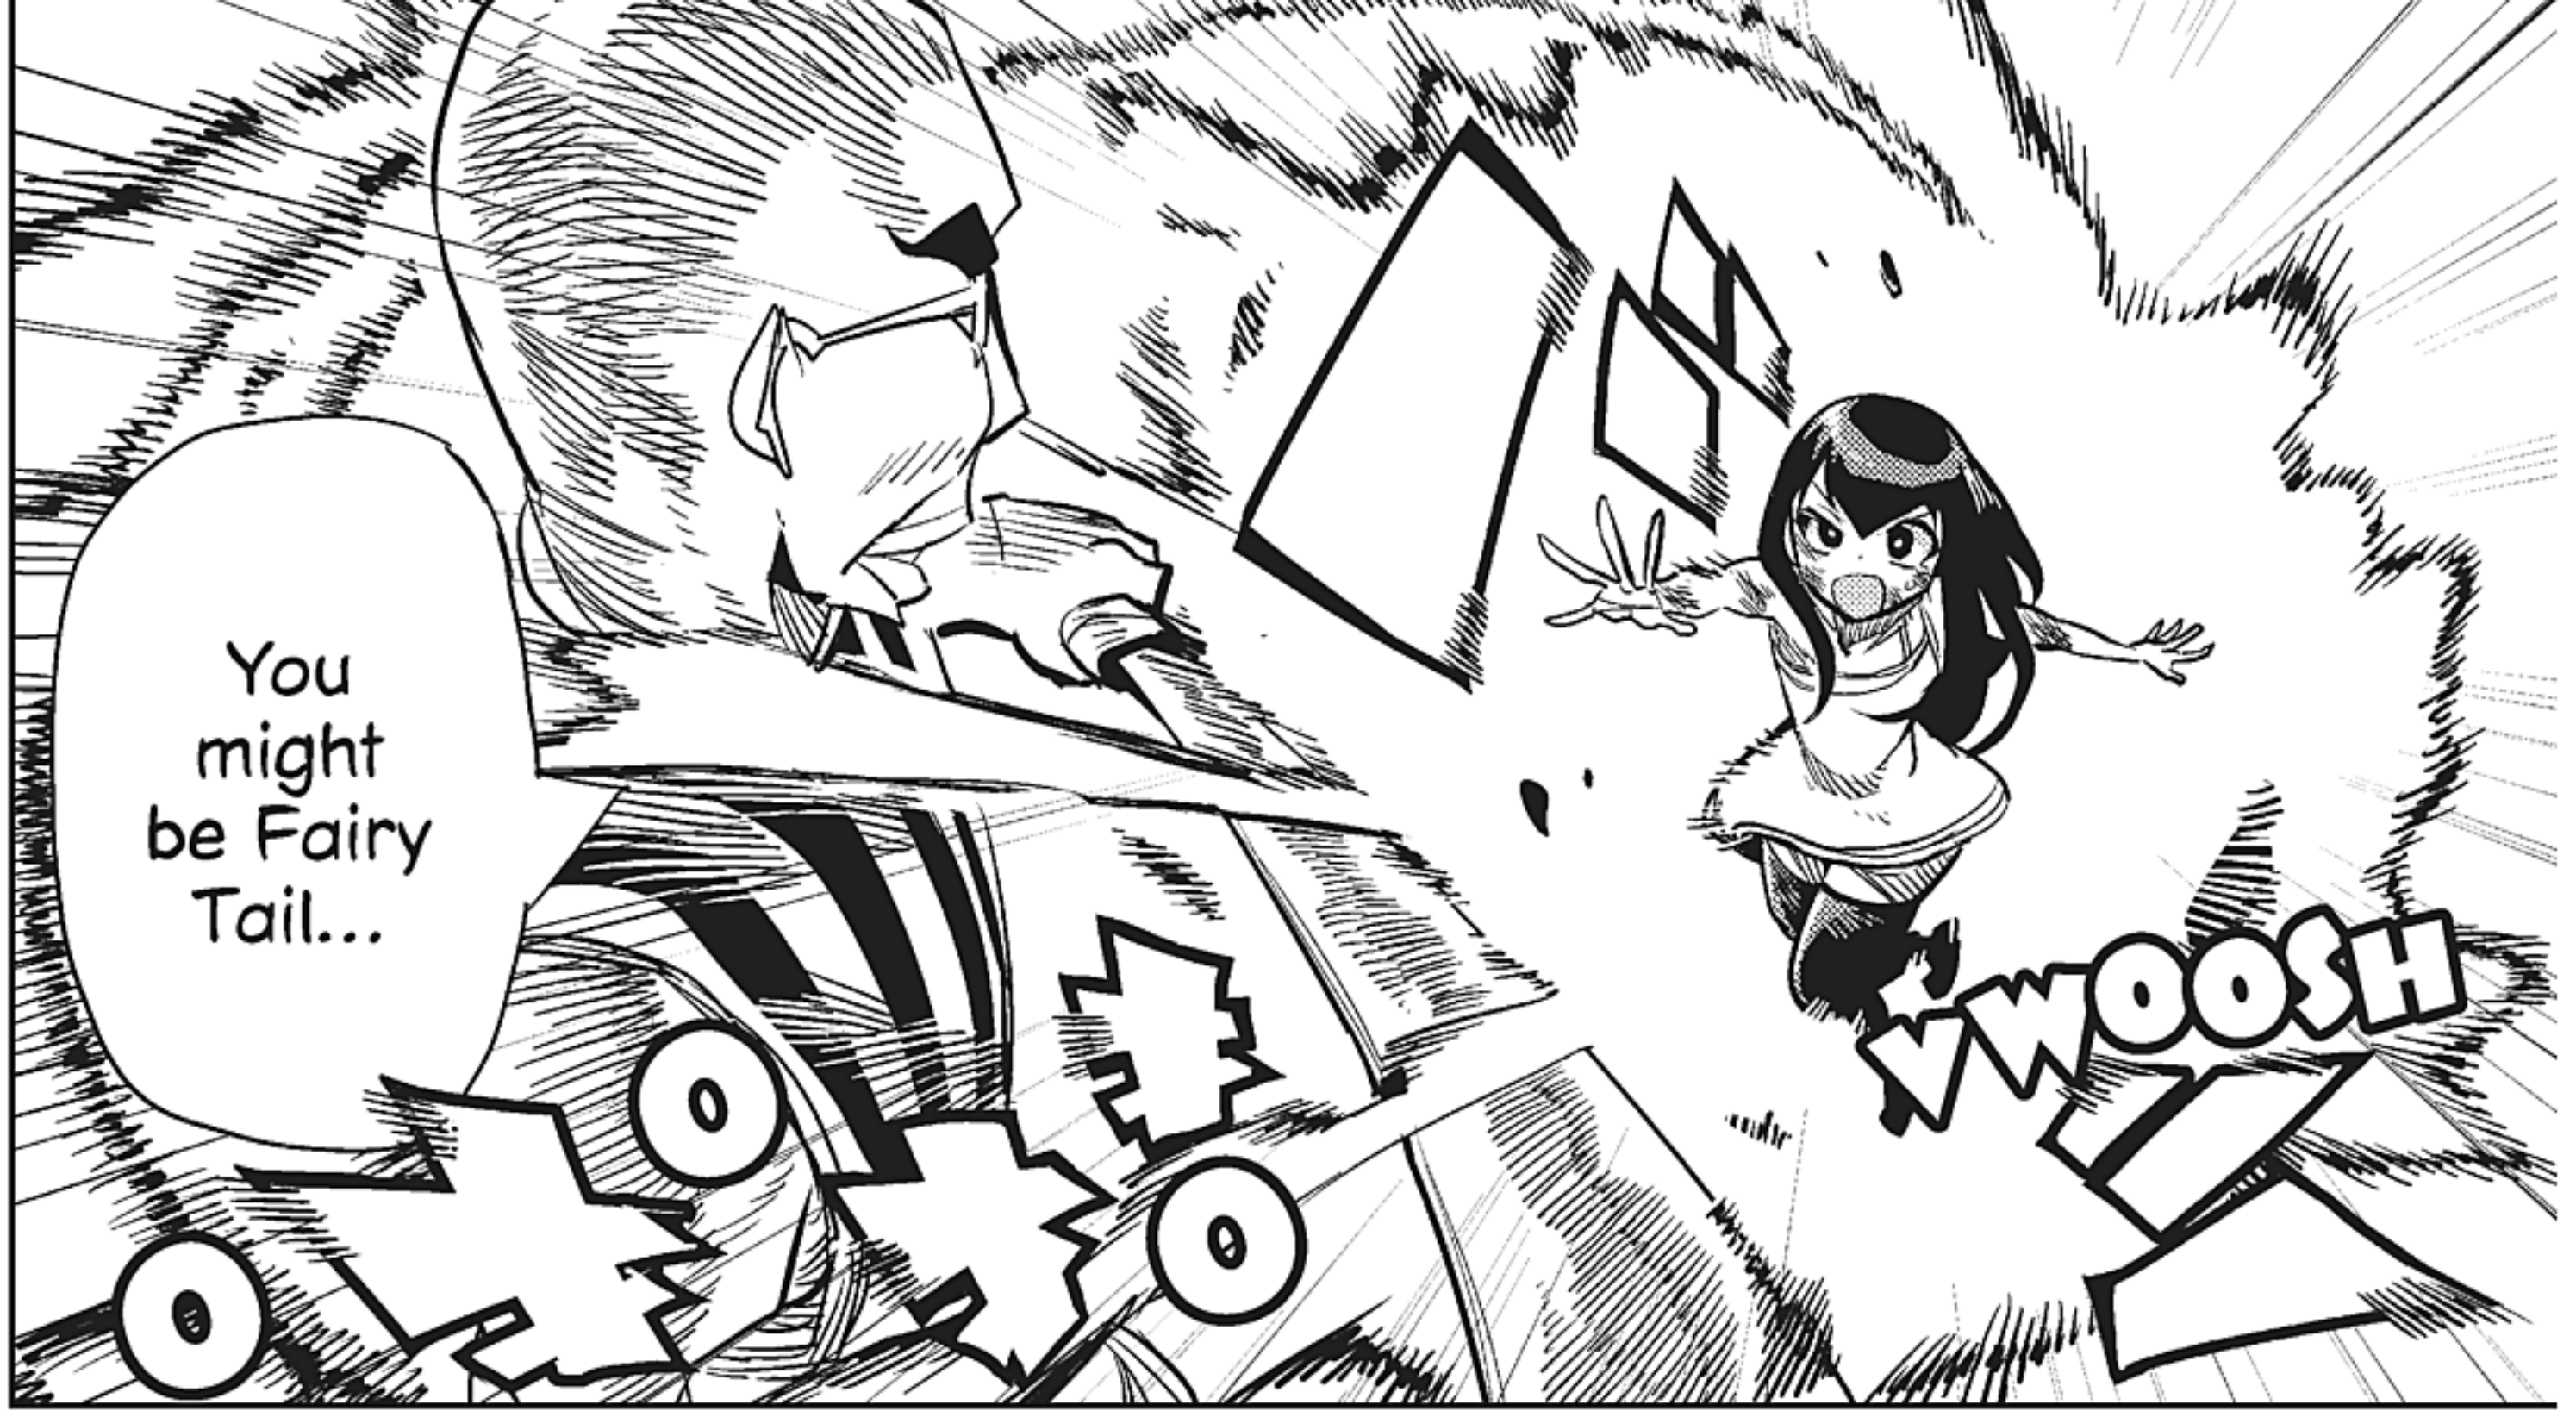

Get everyone out of here while I hold them off!

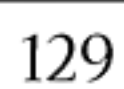

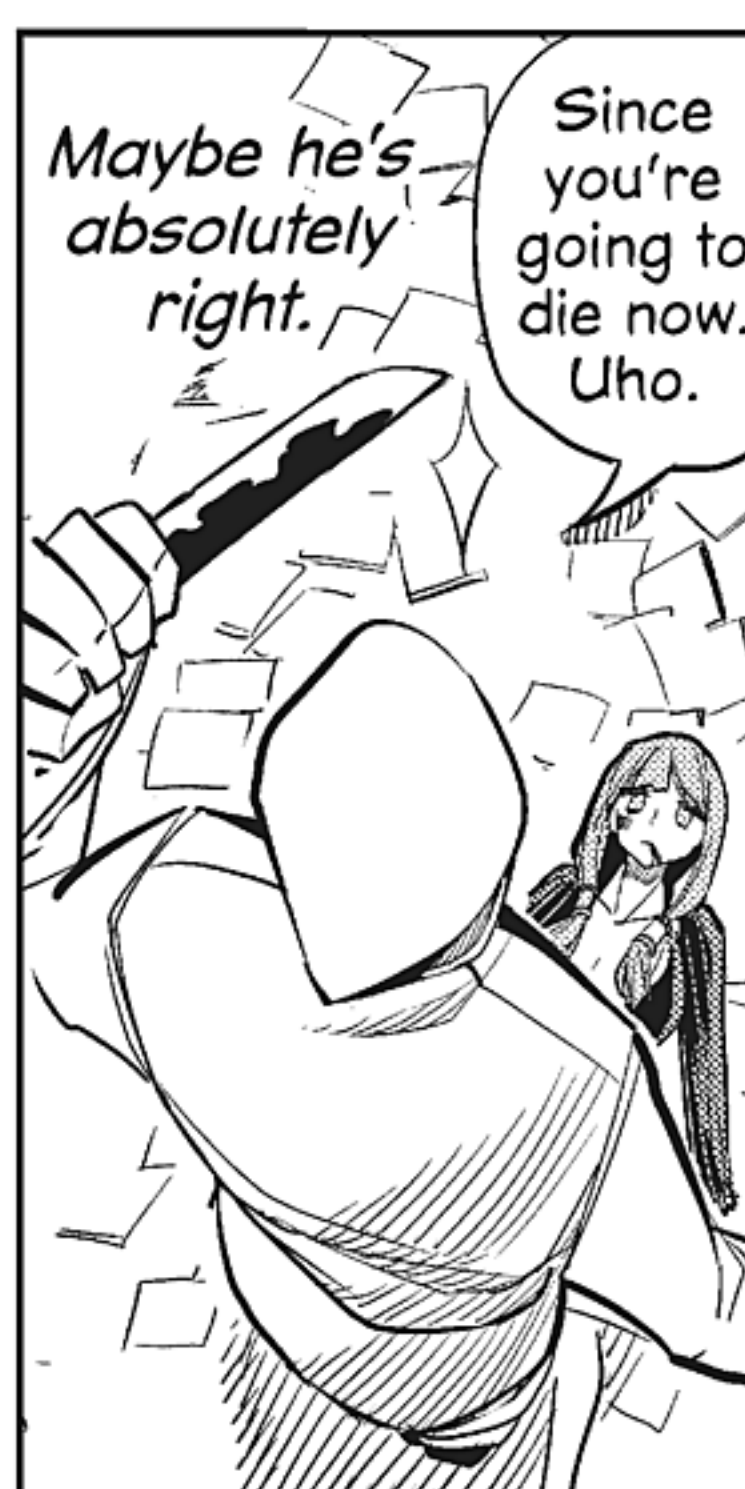

It isn't too late!

I-I can't!

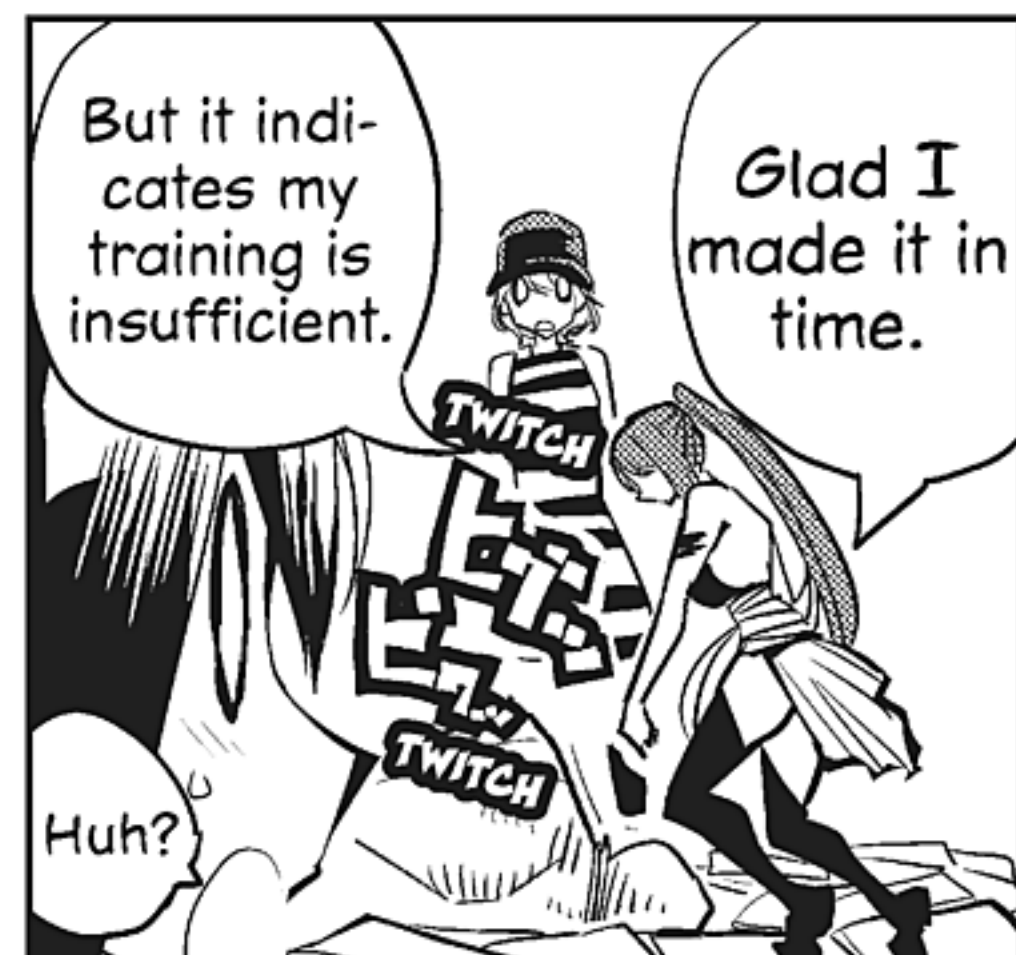

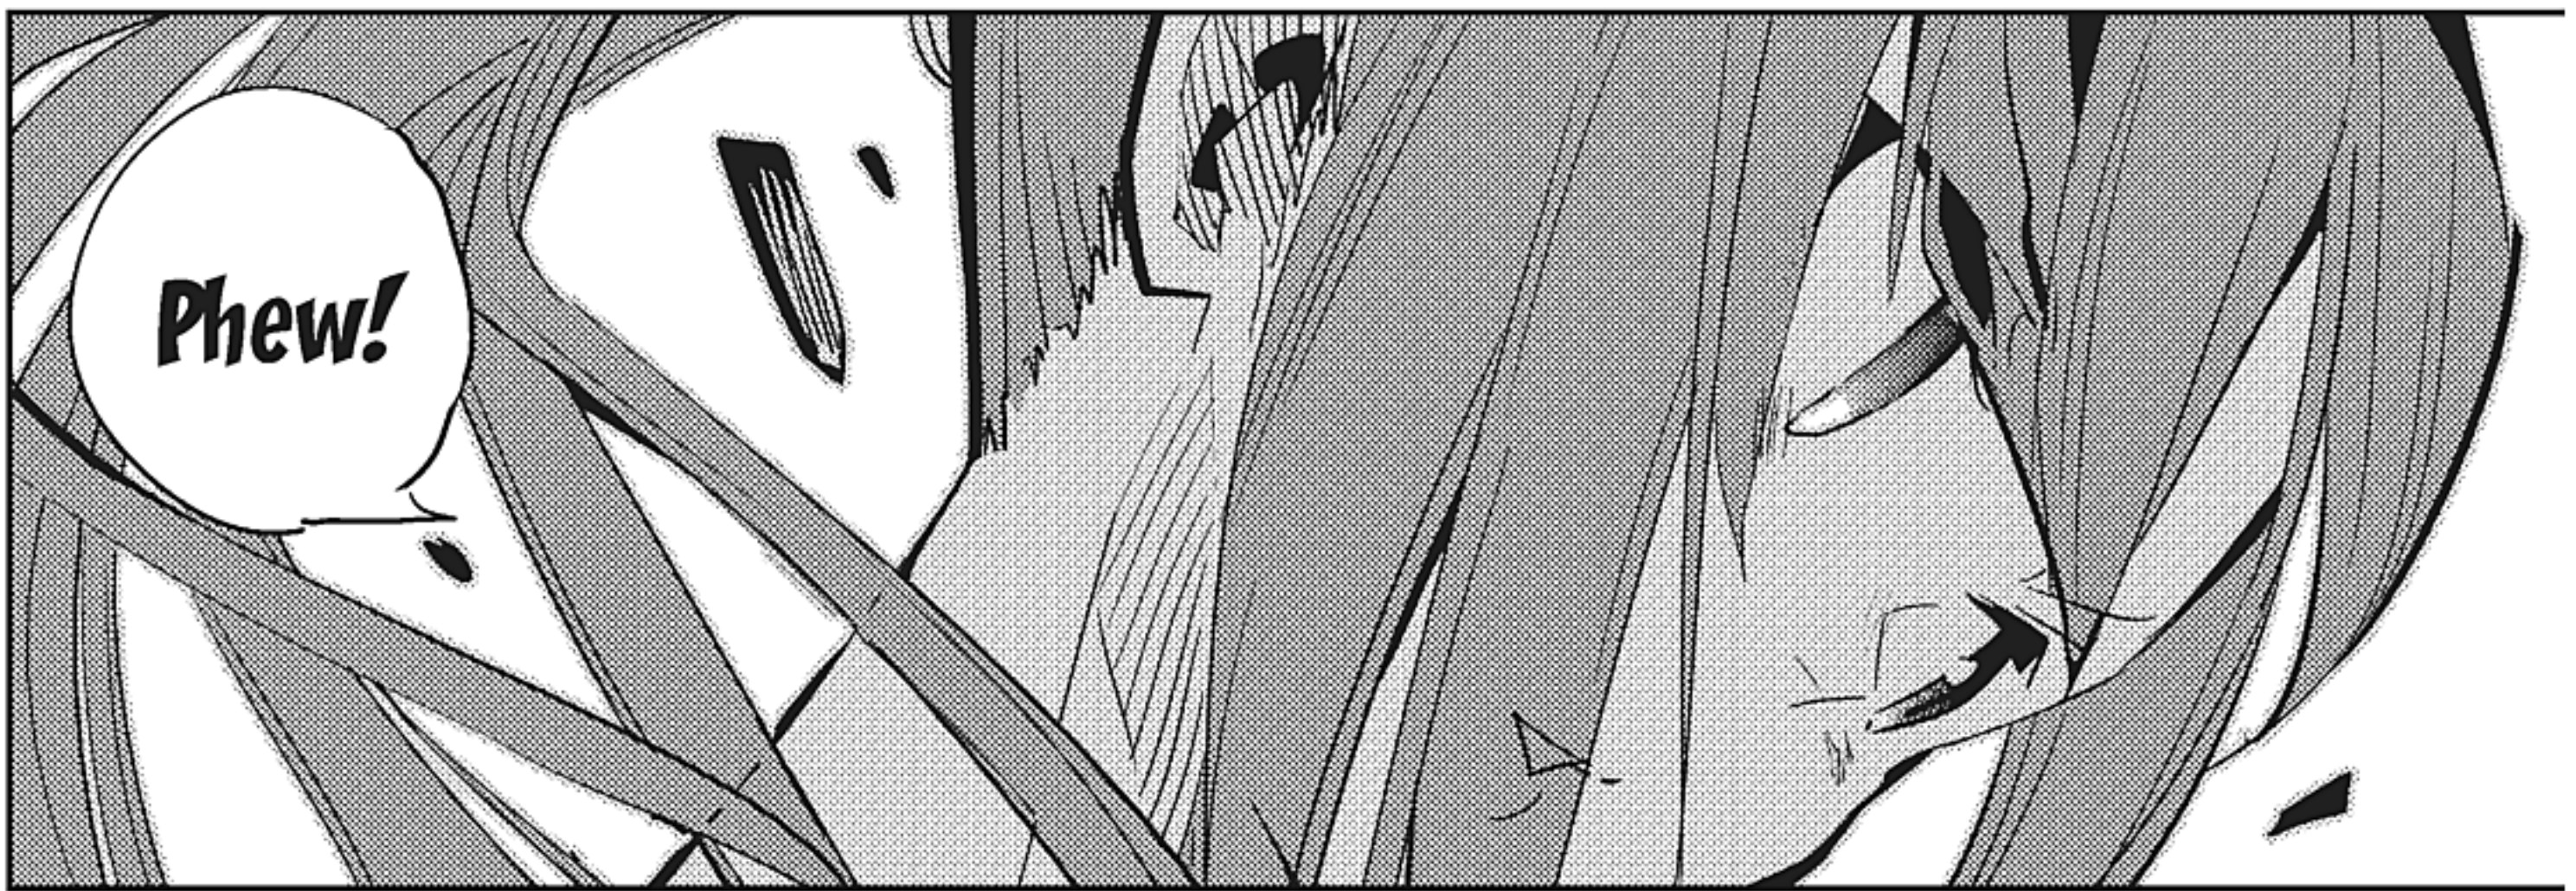

Now!

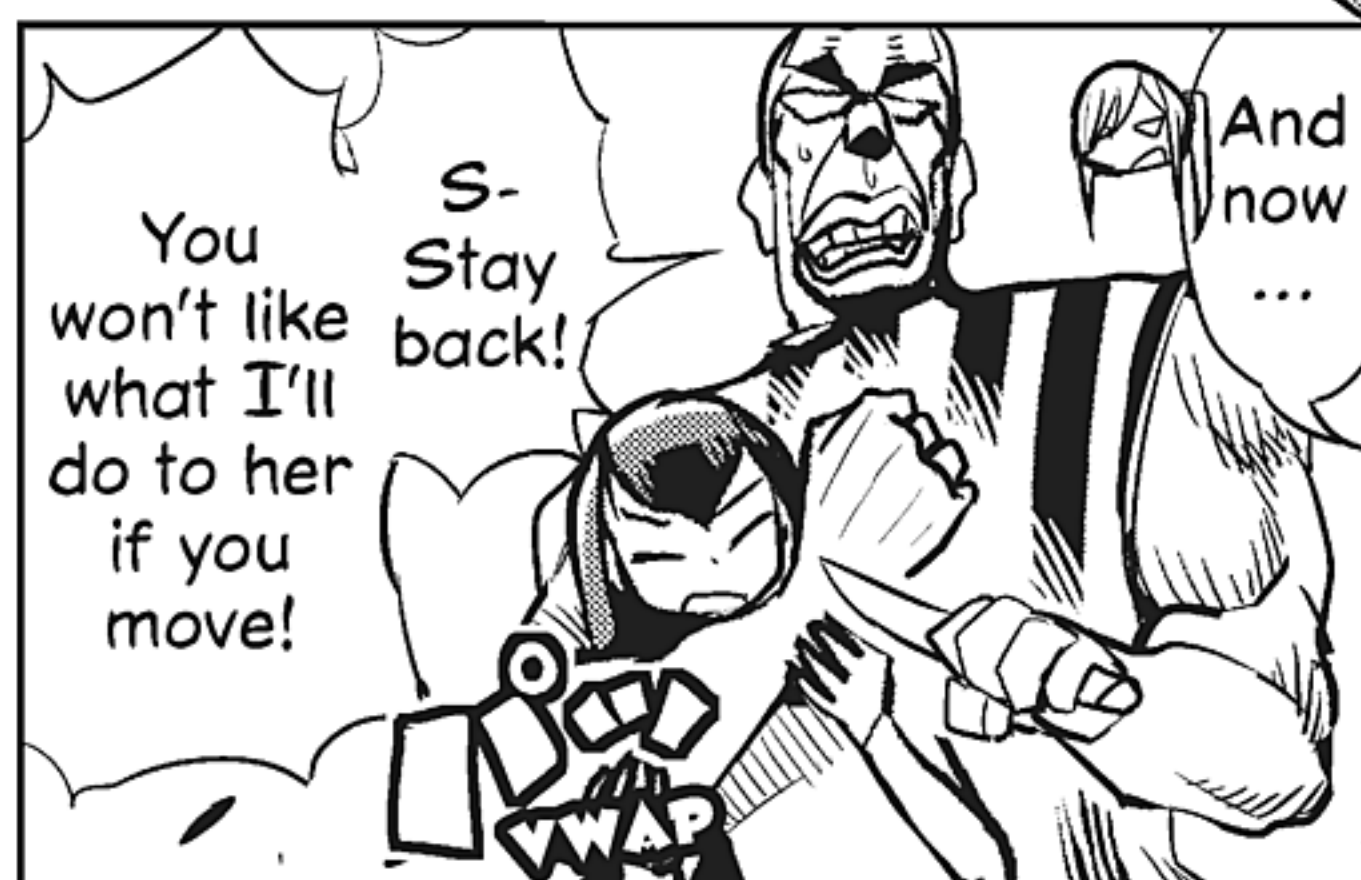

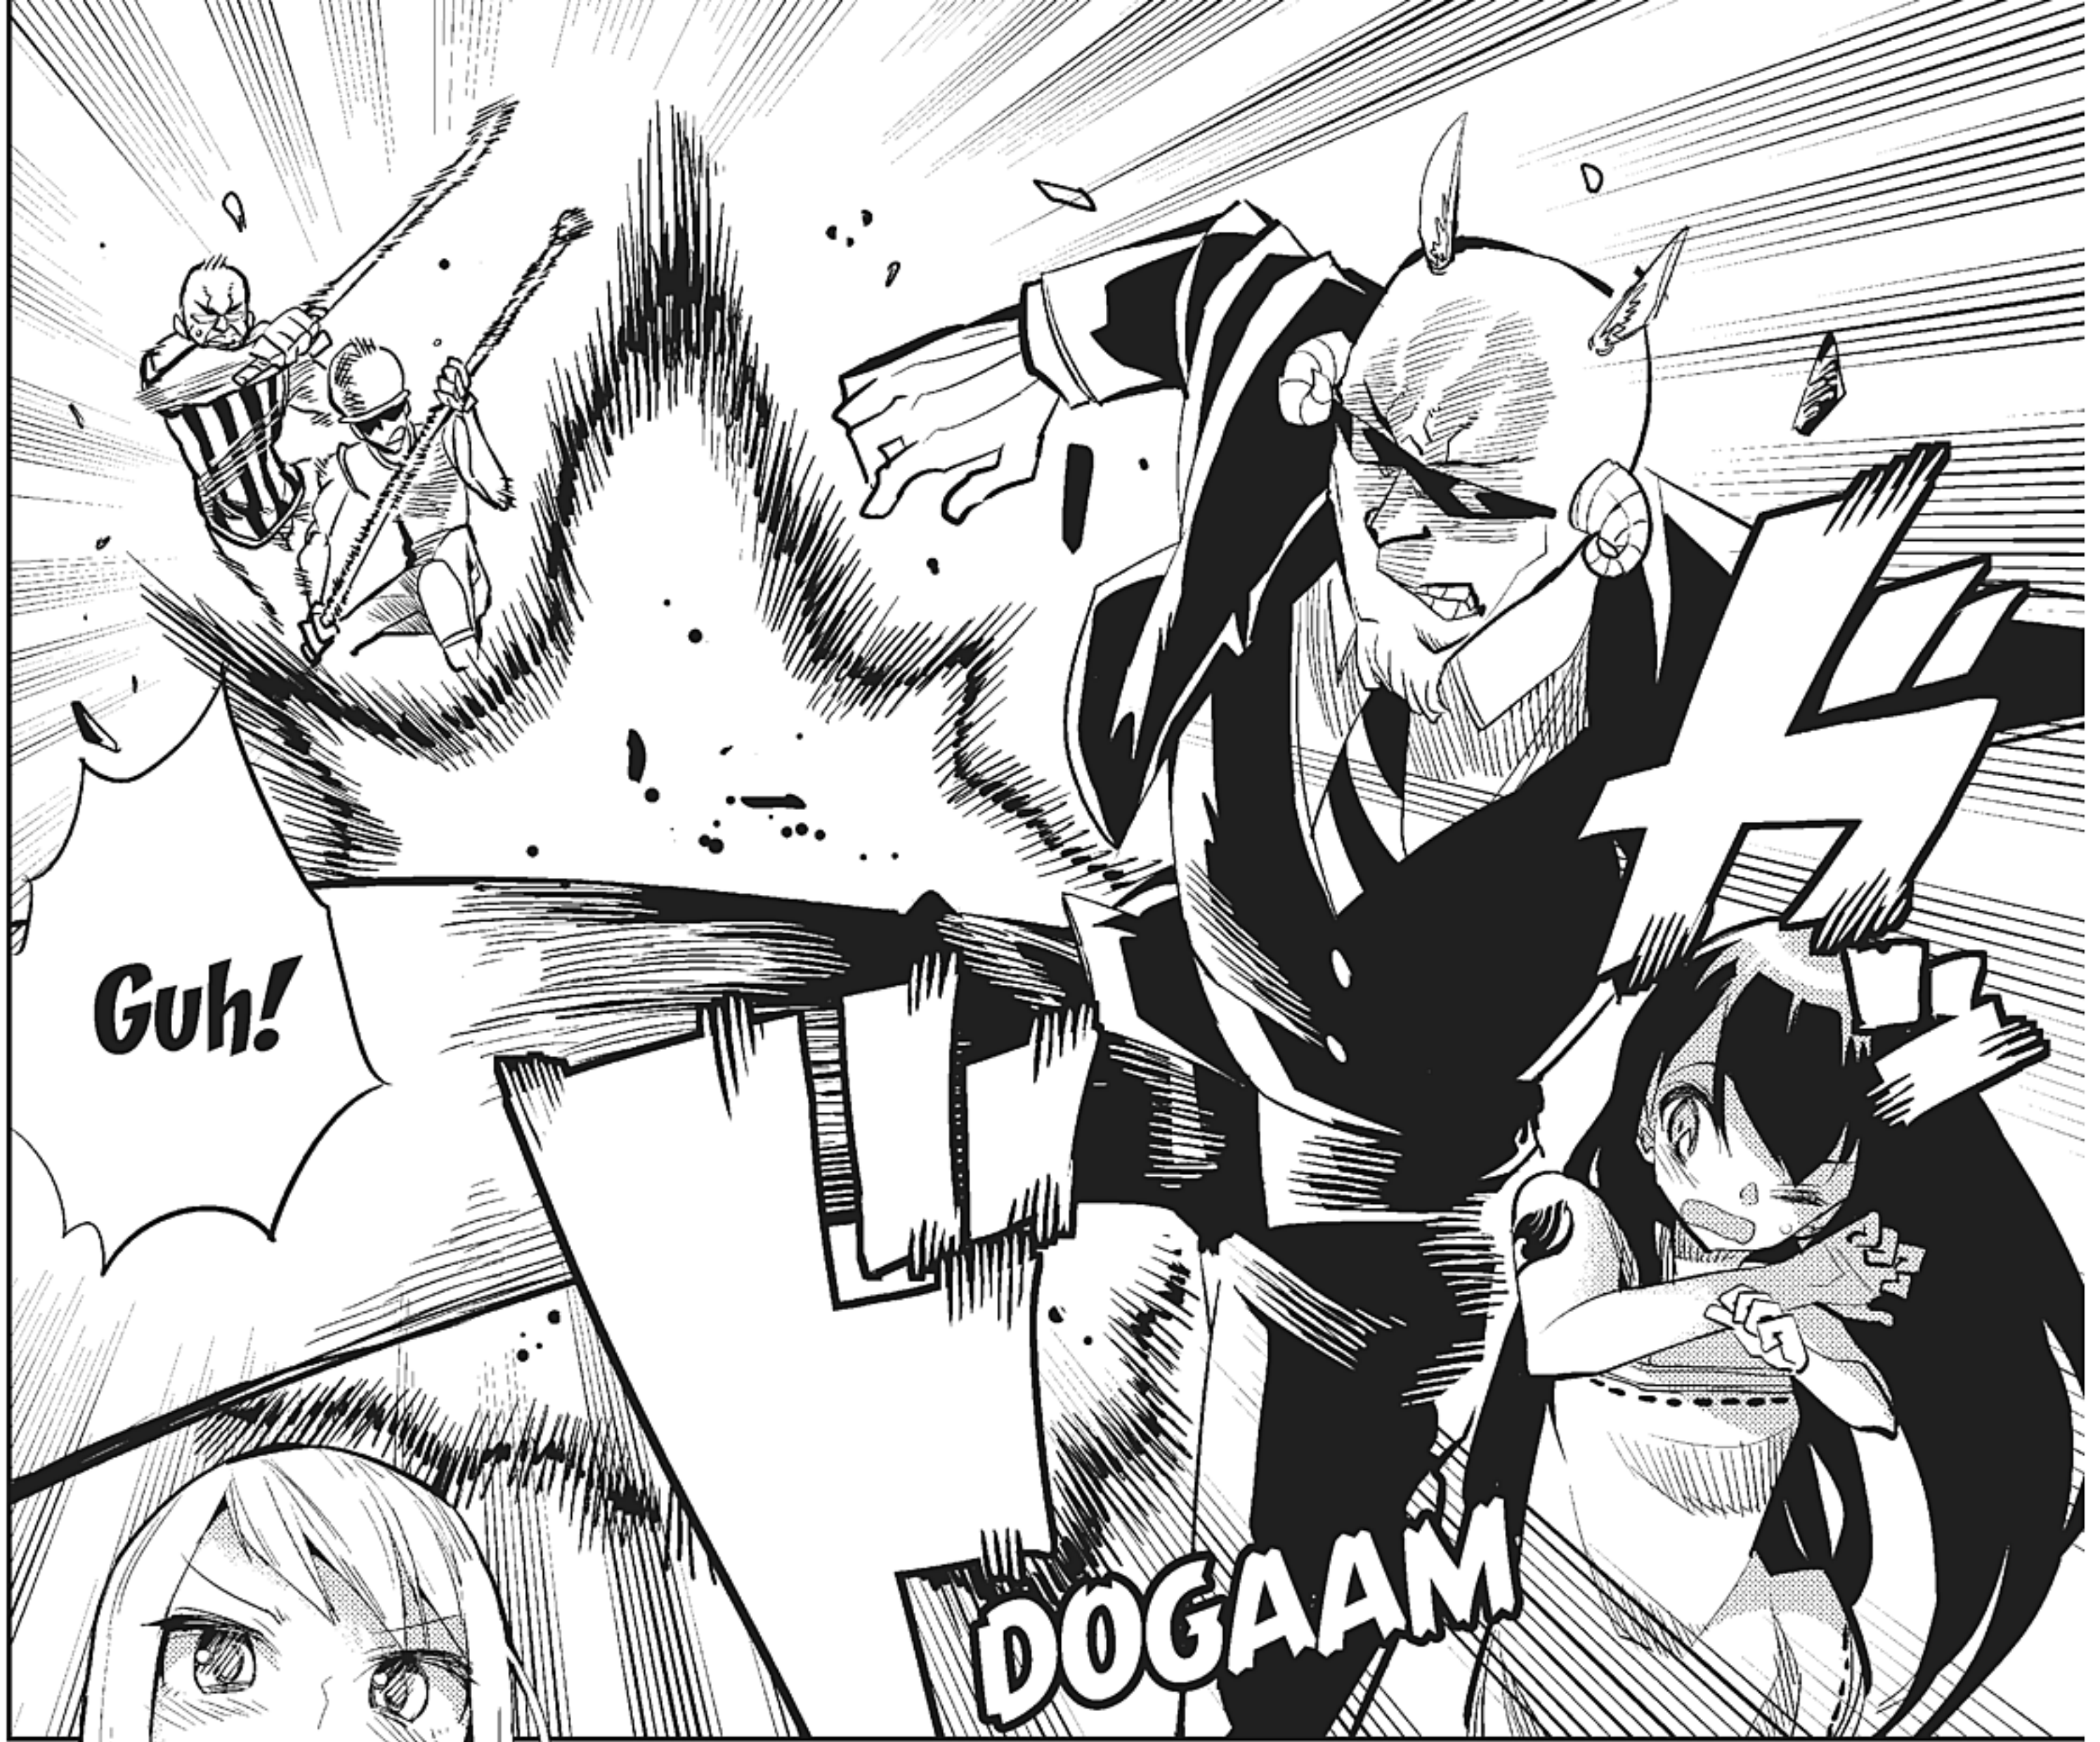

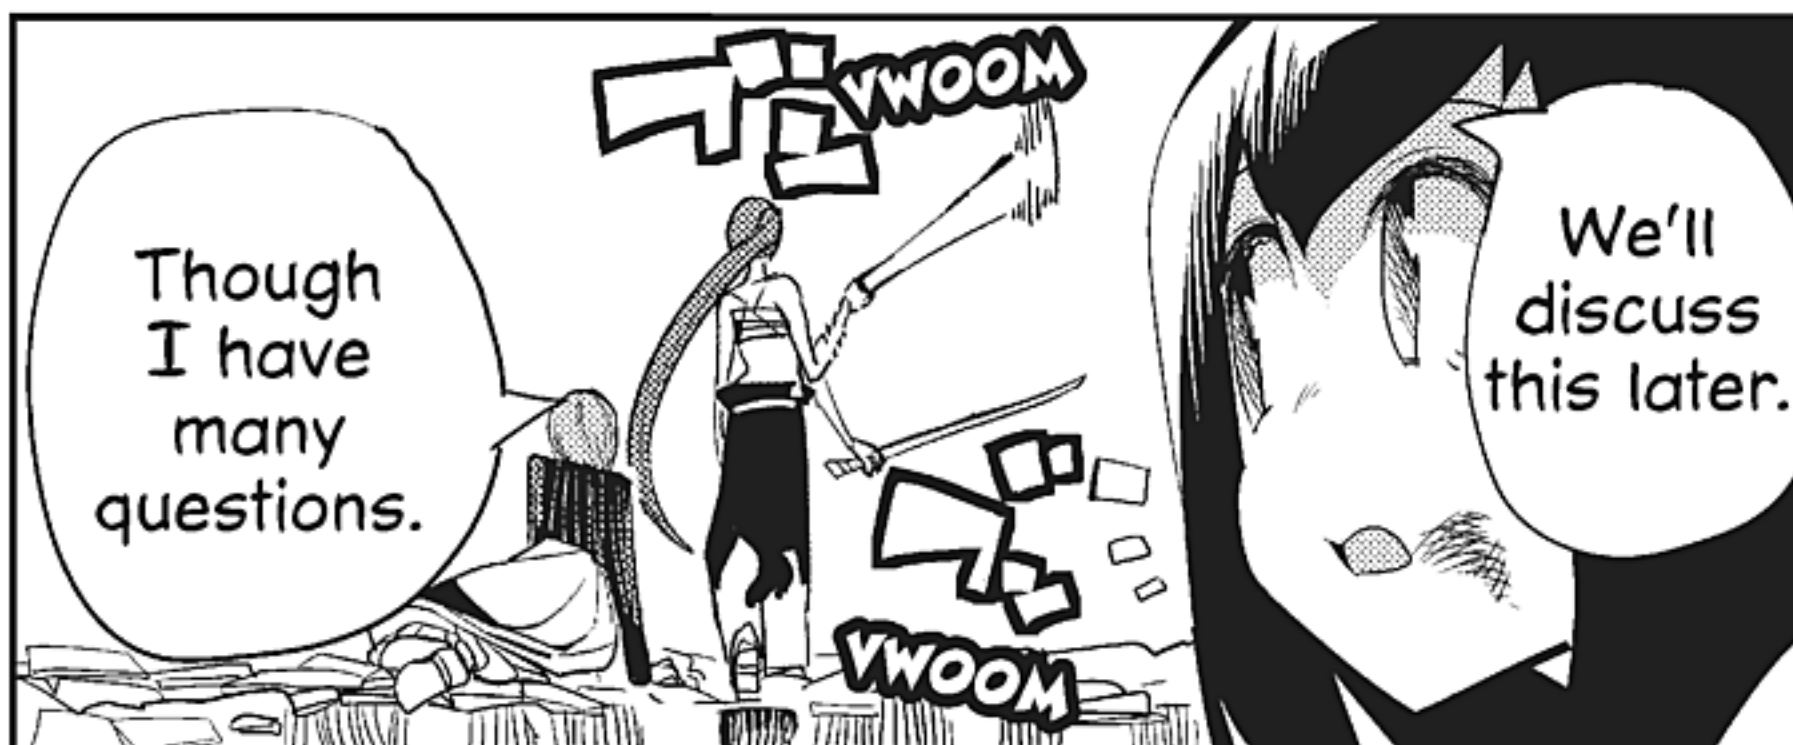

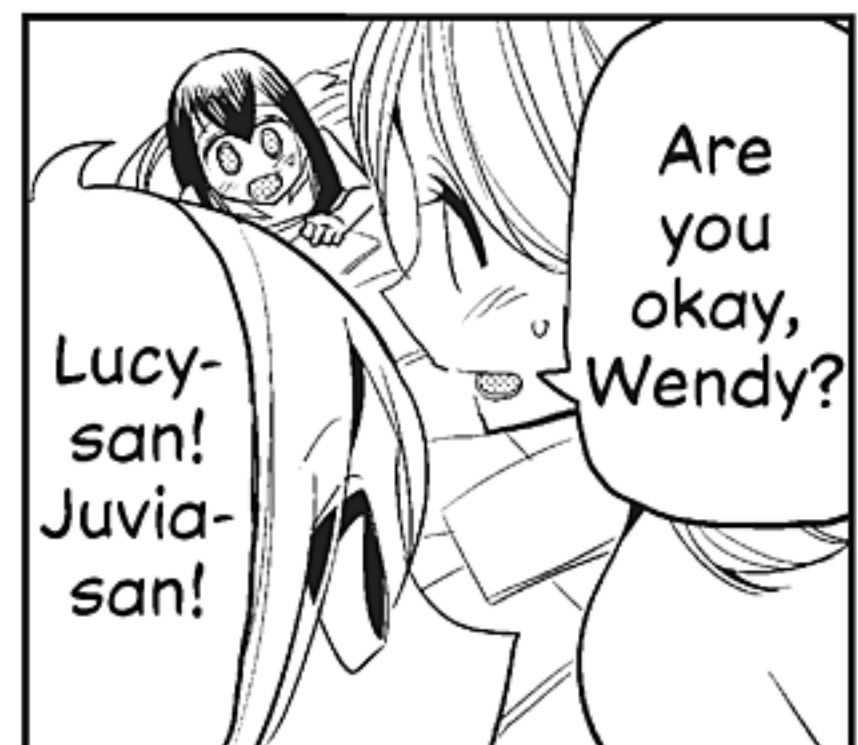

The minute the hypnotic wizard was taken out, it broke the spell, huh?

Now I see!

Though I have many questions.

We'll discuss this later.

Lucy-san! Juvia-san!

Are you okay, Wendy?

We'll handle the rest.

You bore it well.

I'm Lauren, of Rose Marionette!

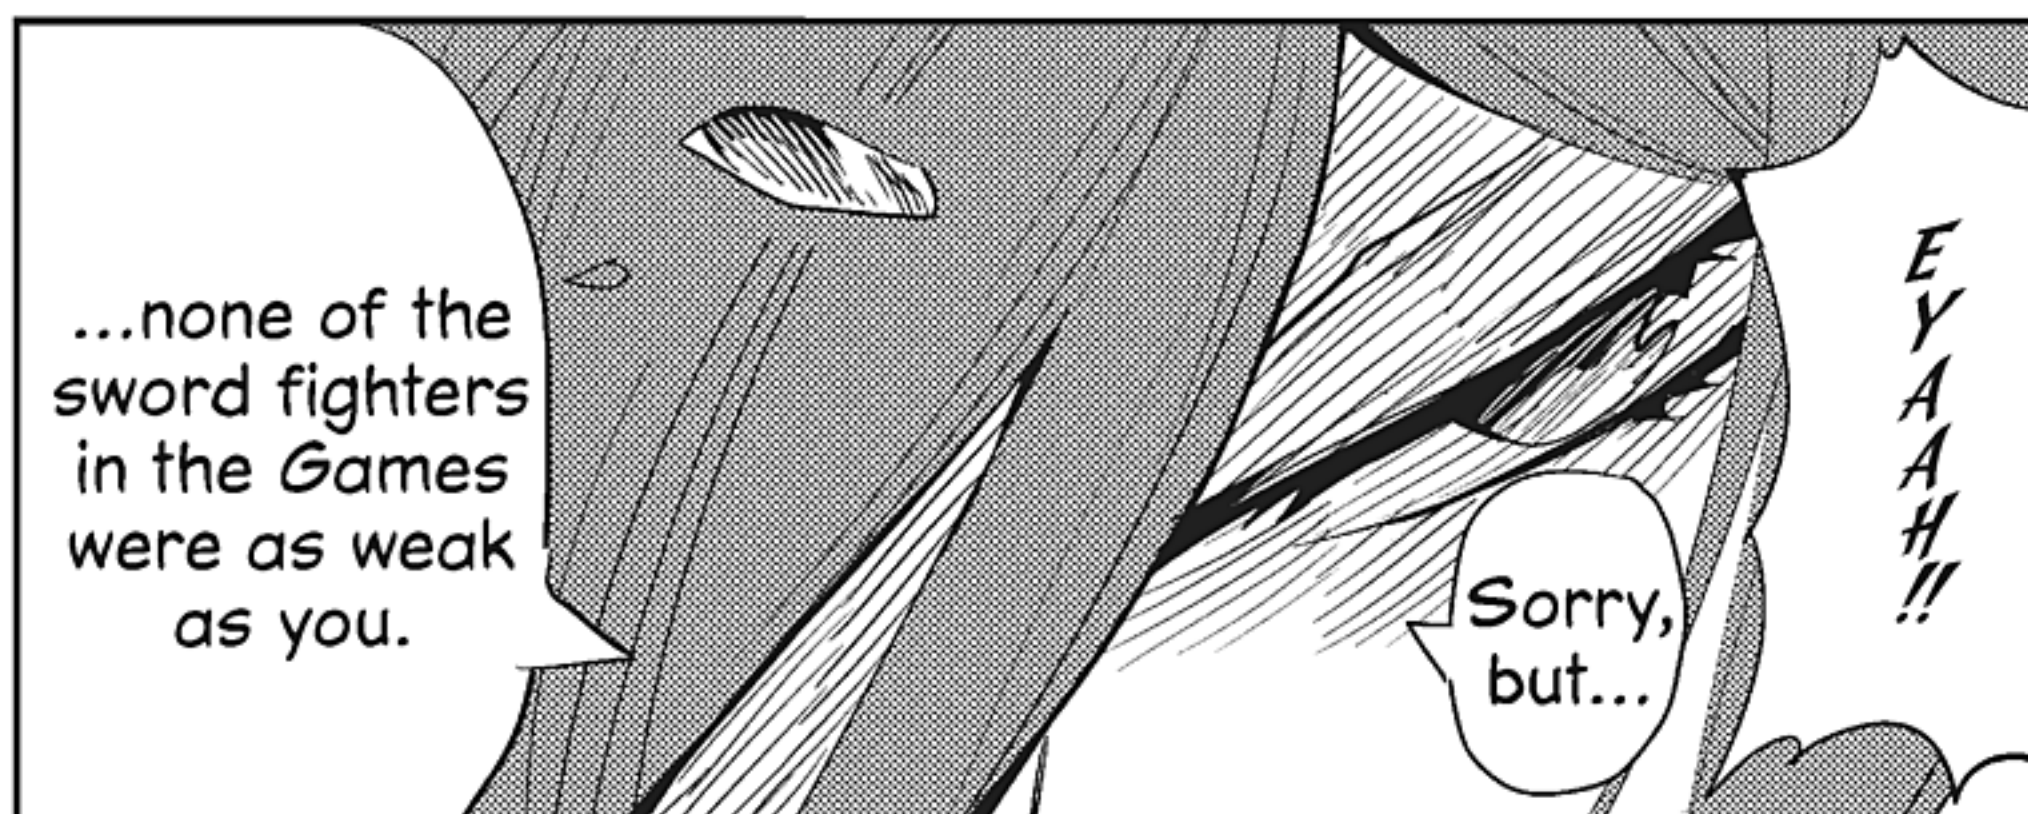

I've wanted to fight you ever since I saw you in the Grand Magic Games, Erza Scarlet!

I think this is perfect!

We'll face off and find out who the best swordswoman in the kingdom is!

ZWAT

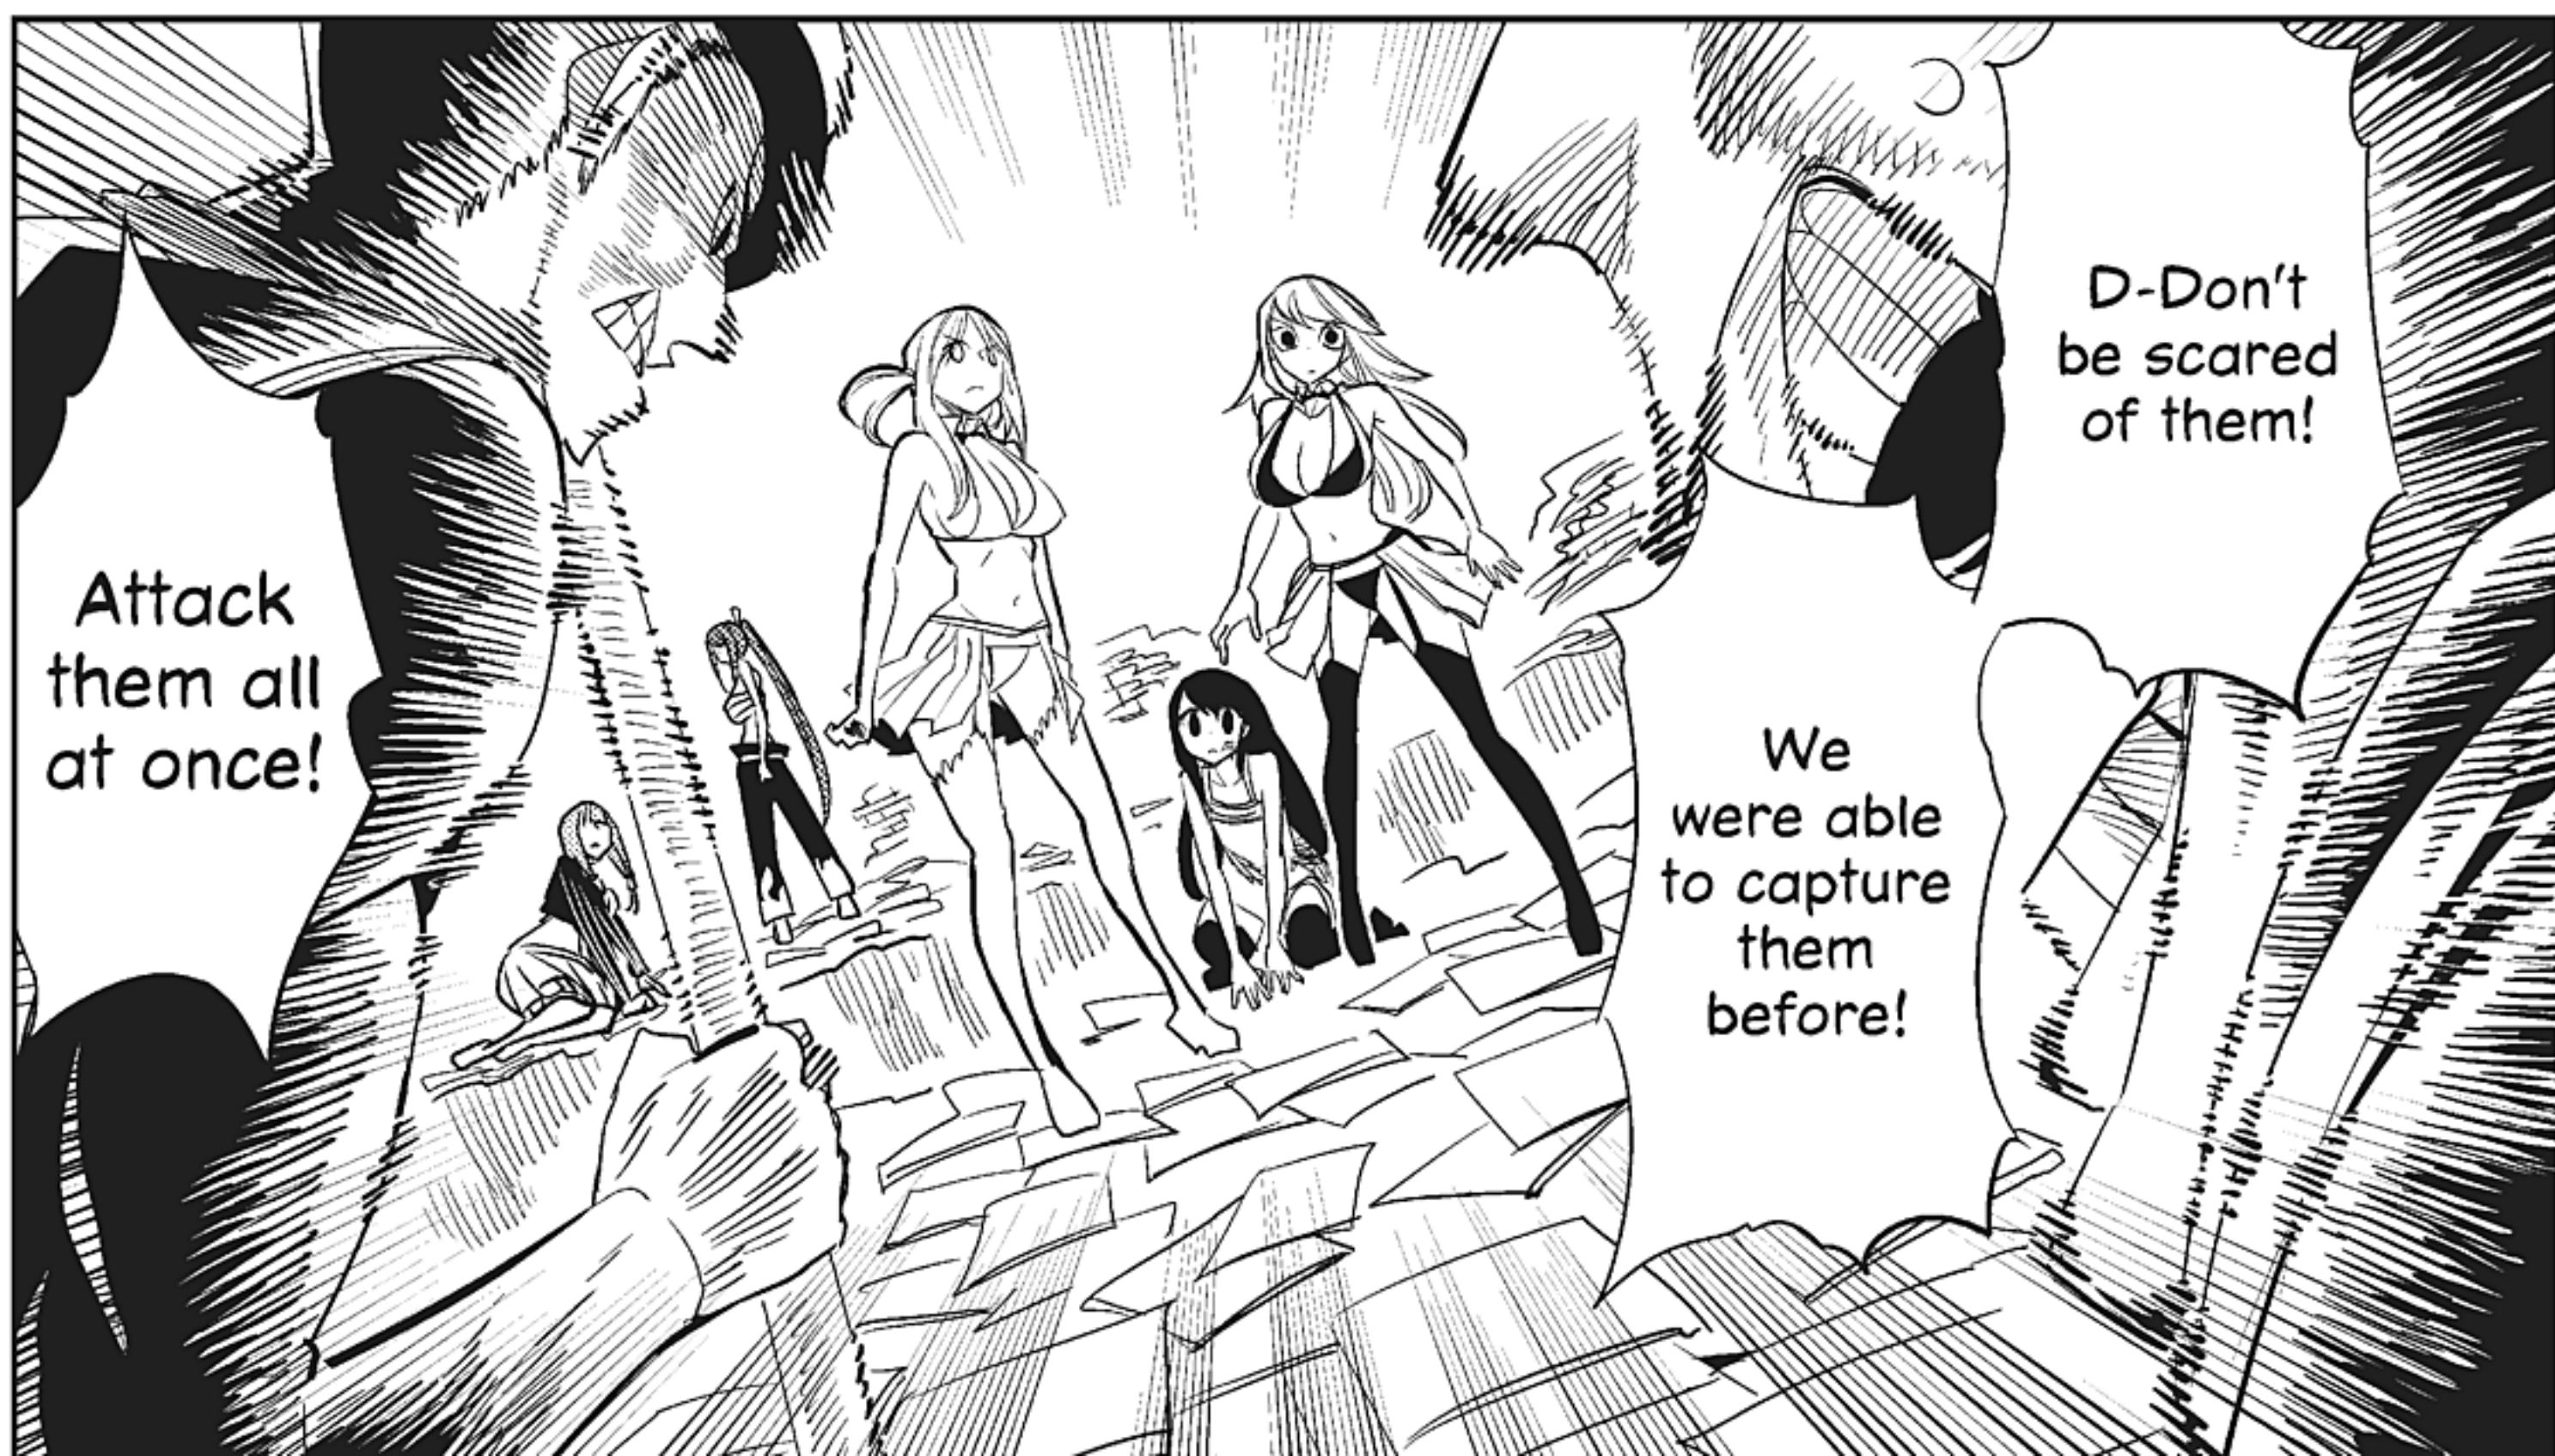

...none of the sword fighters in the Games were as weak as you.

Sorry, but...

EYAAH!!

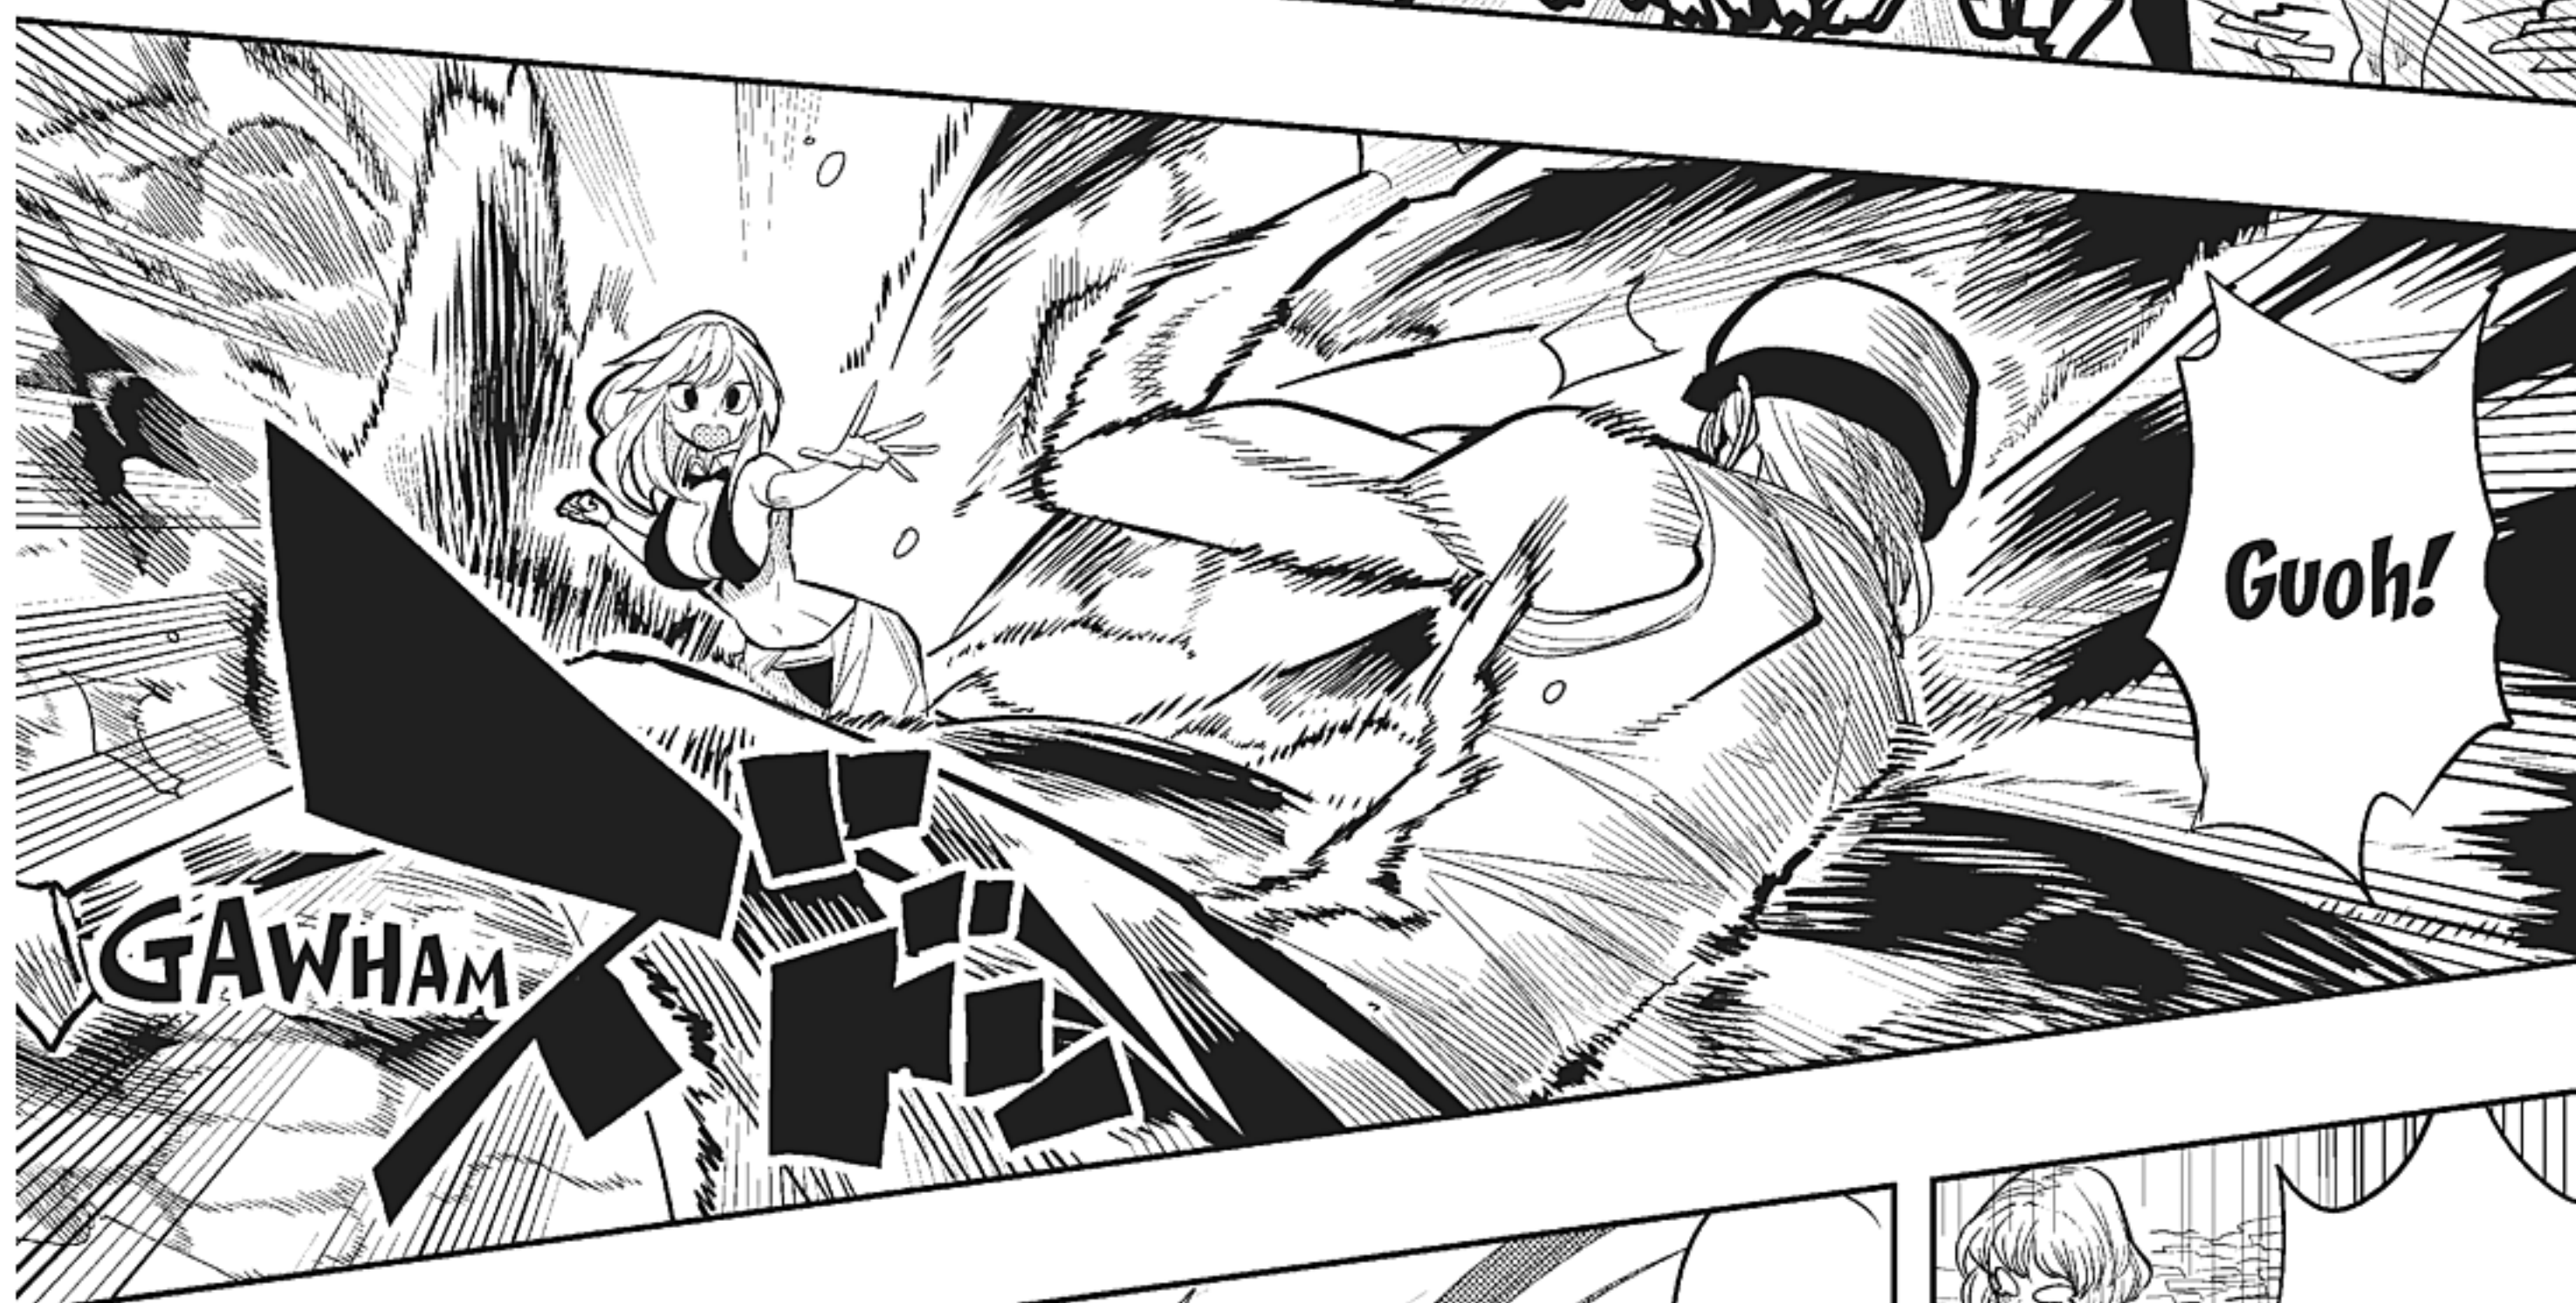

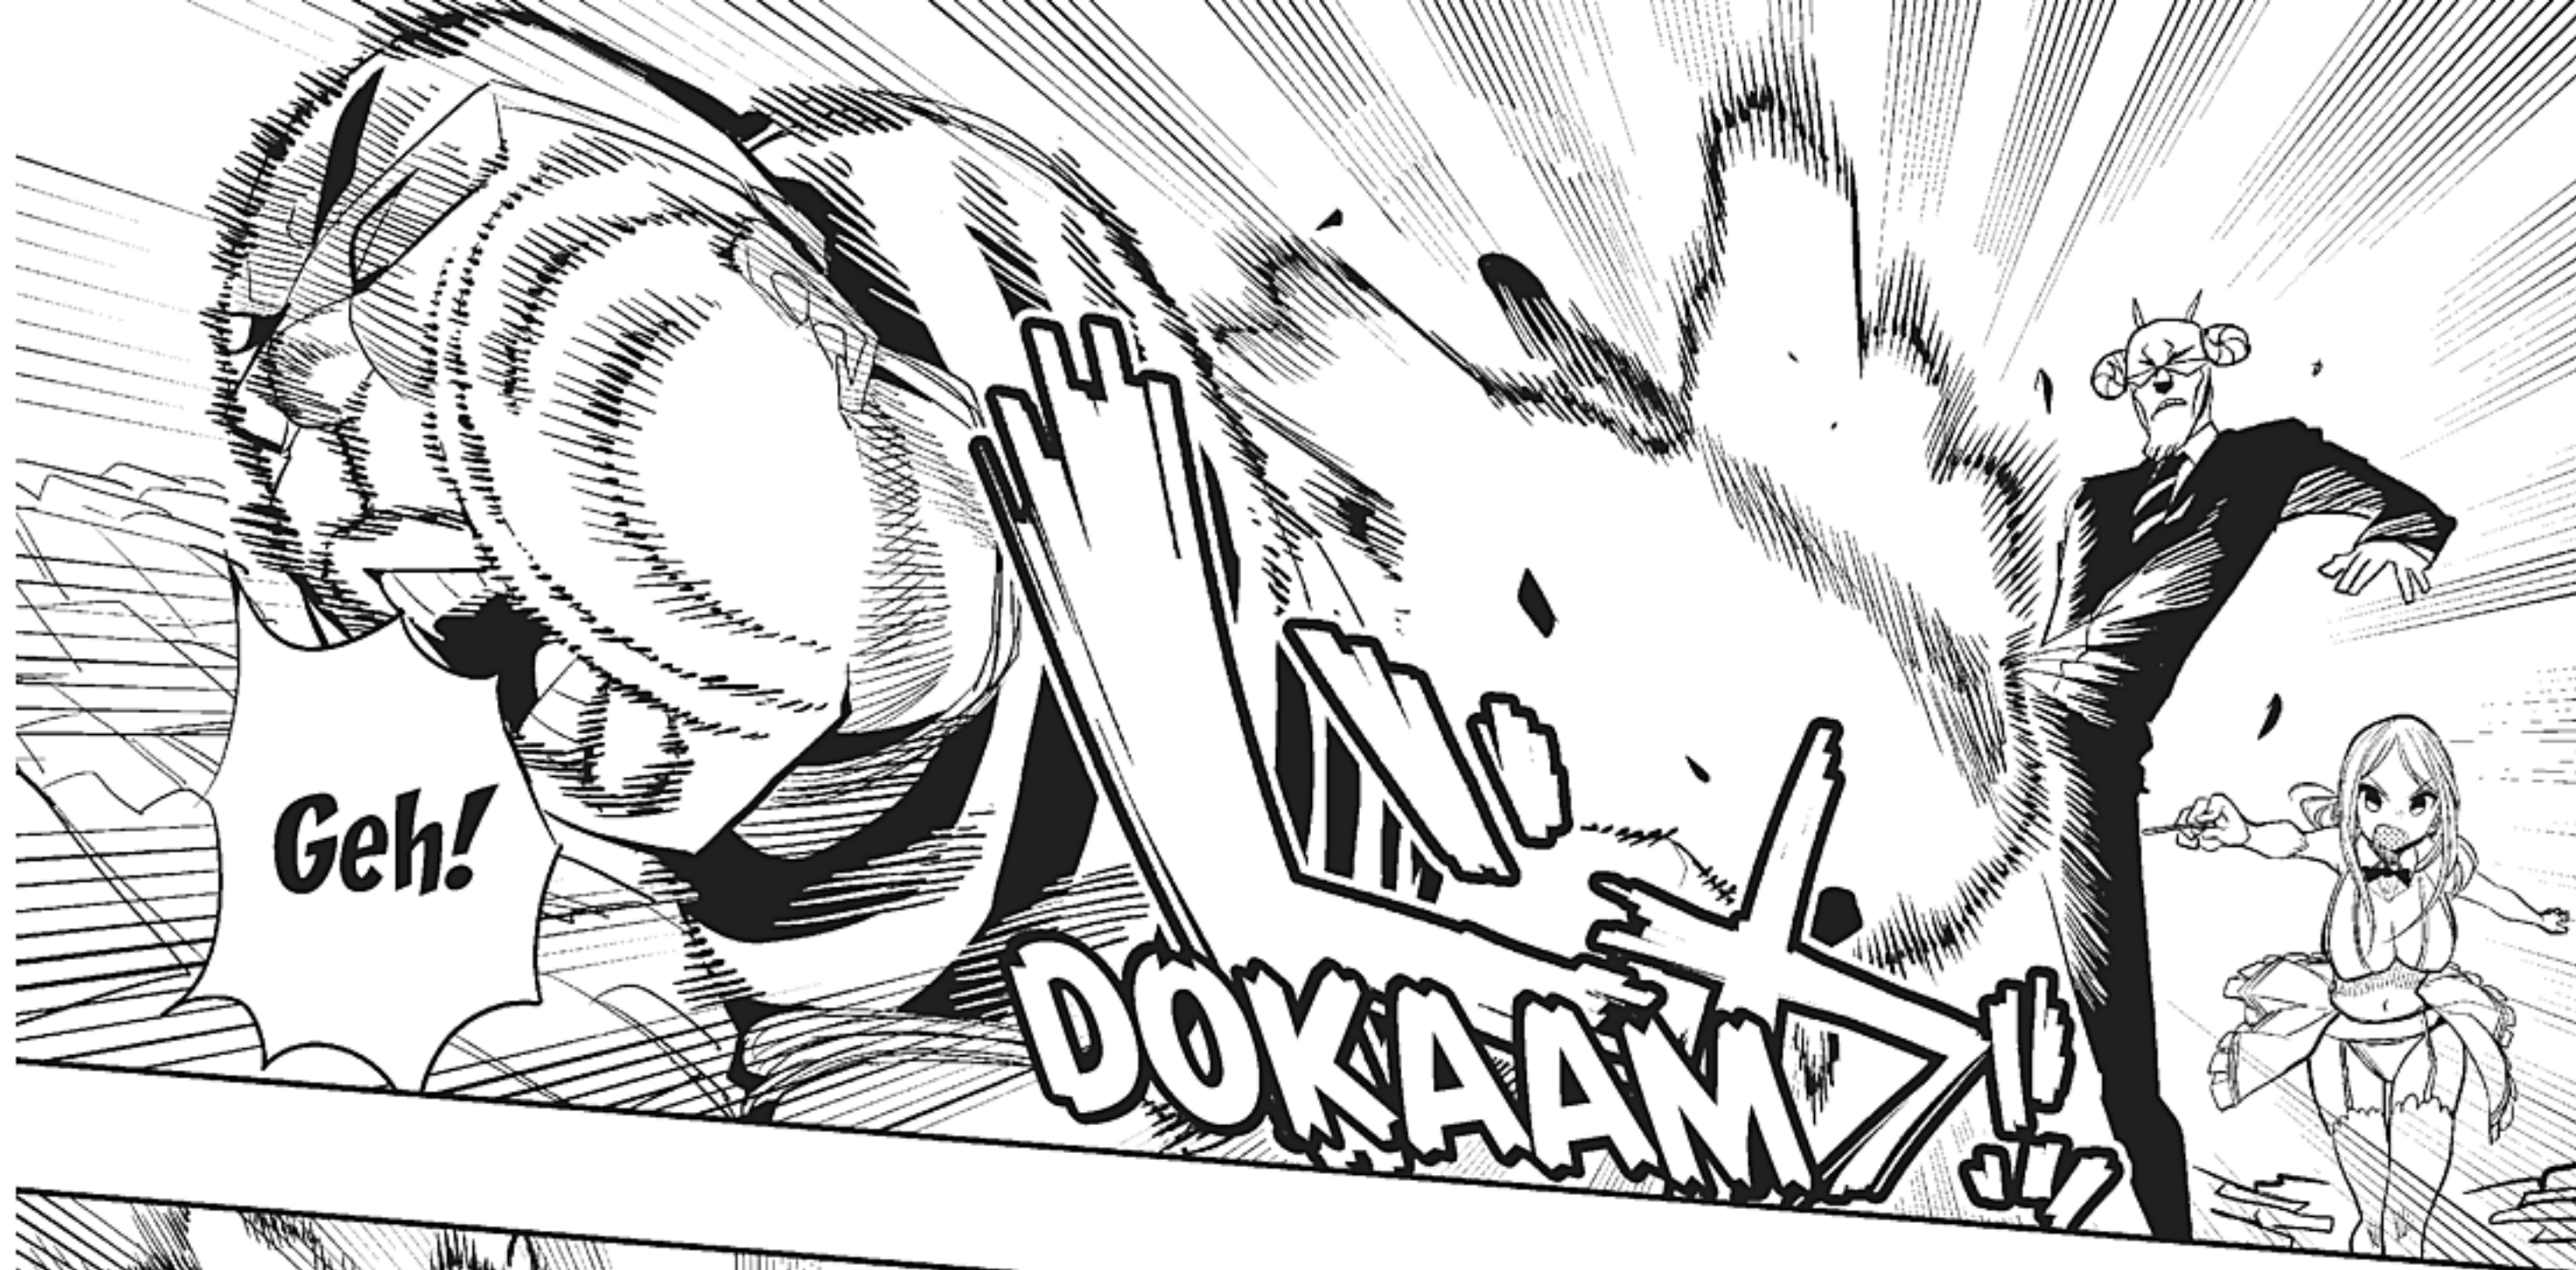

Huh?!

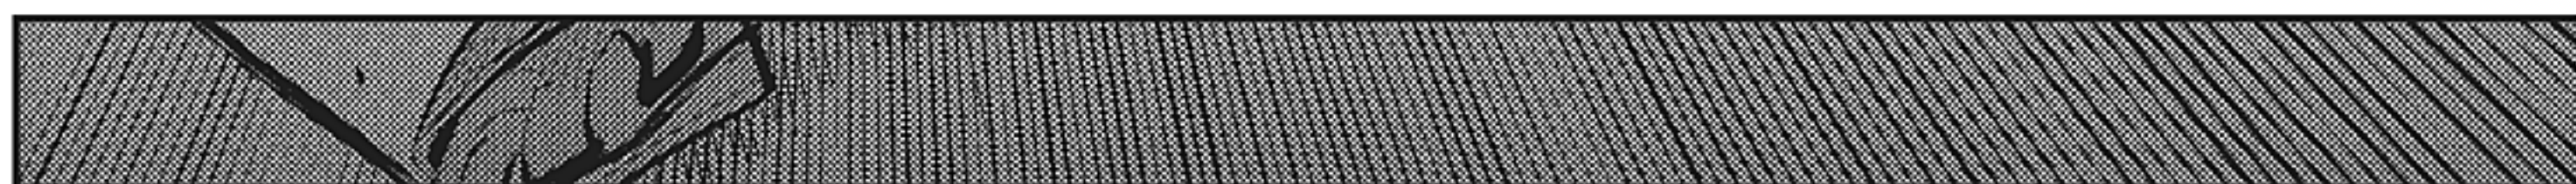

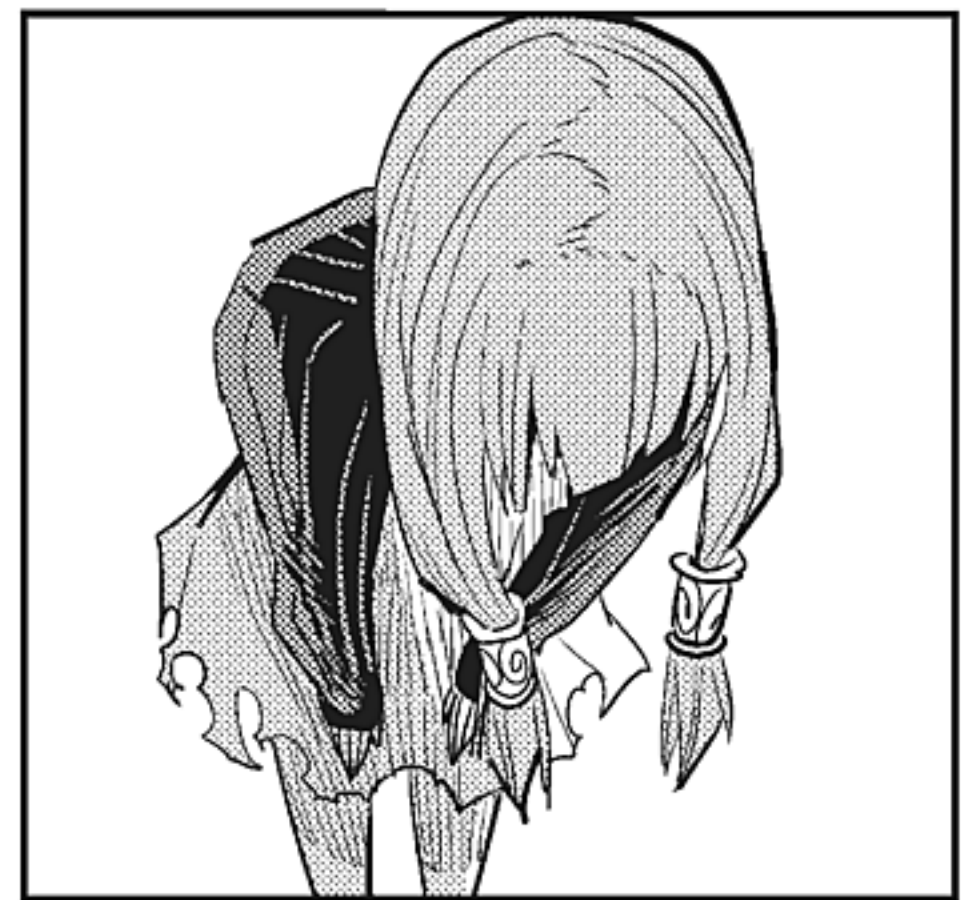

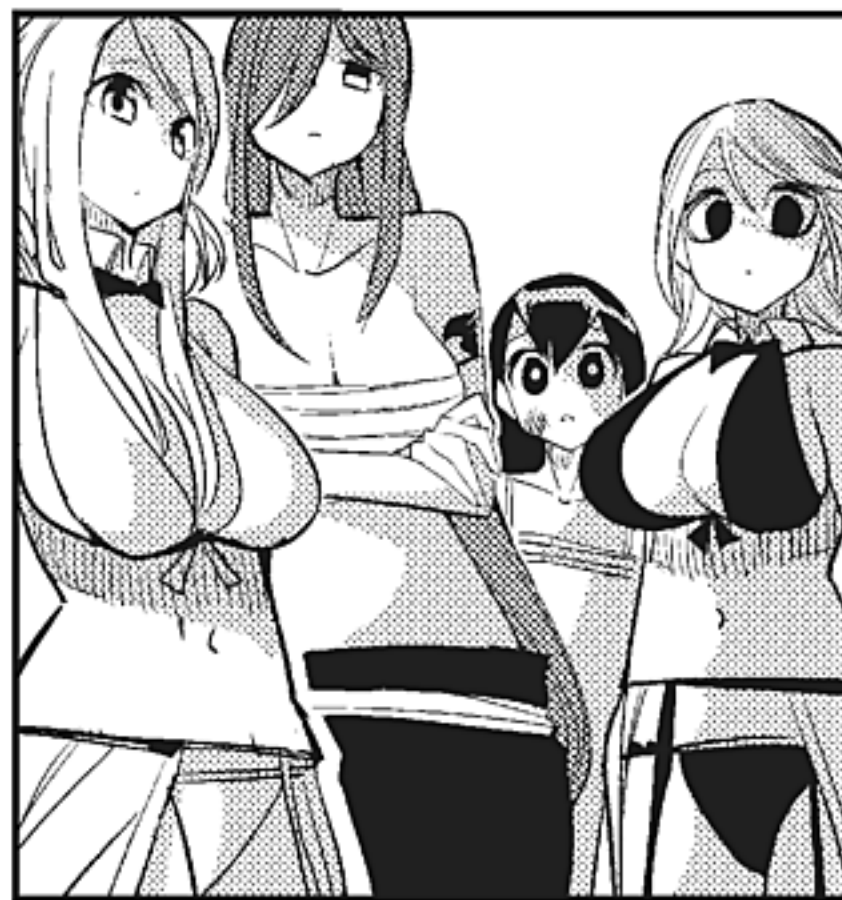

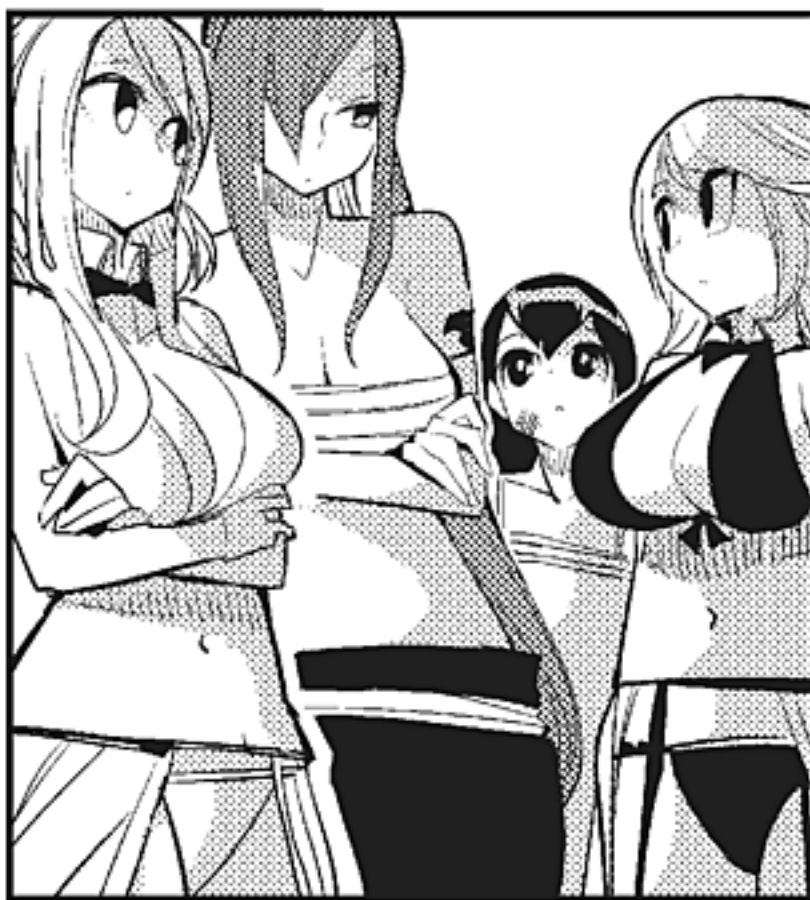

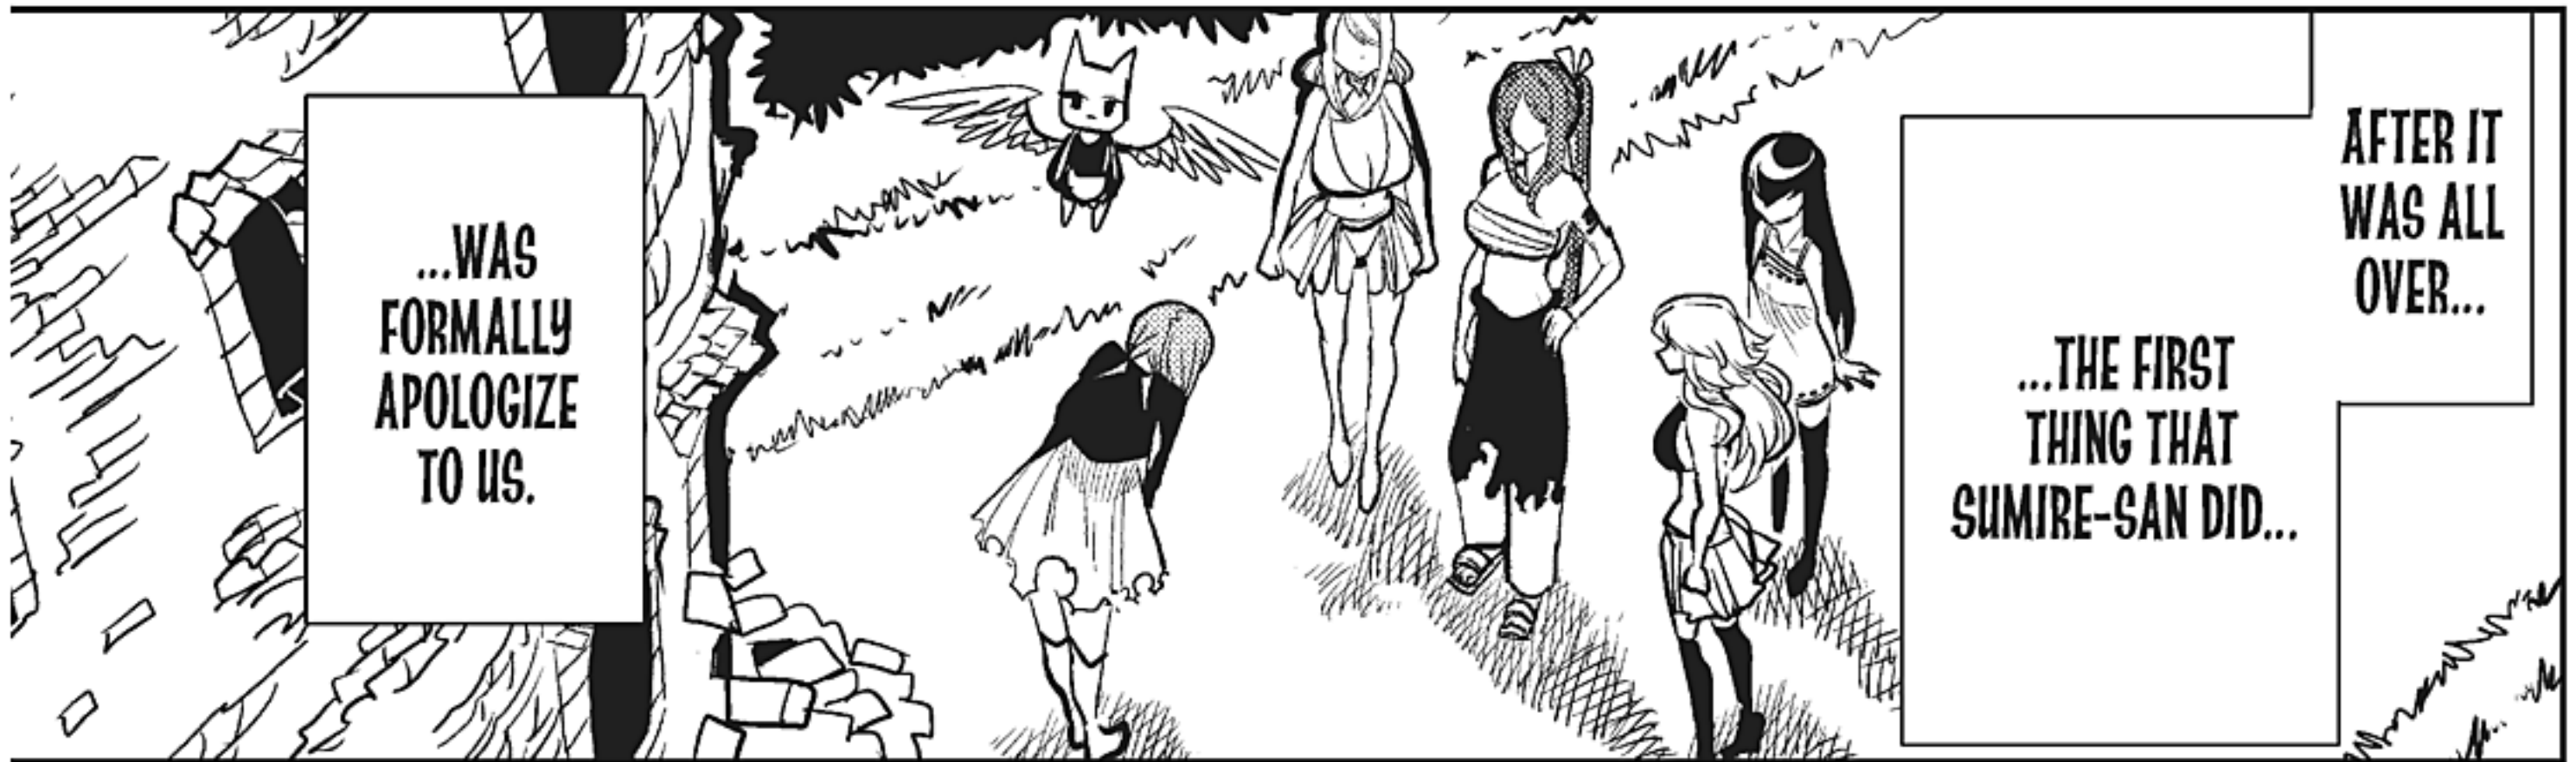

Attack them all at once!

D-Don't be scared of them!

We were able to capture them before!

What
?!

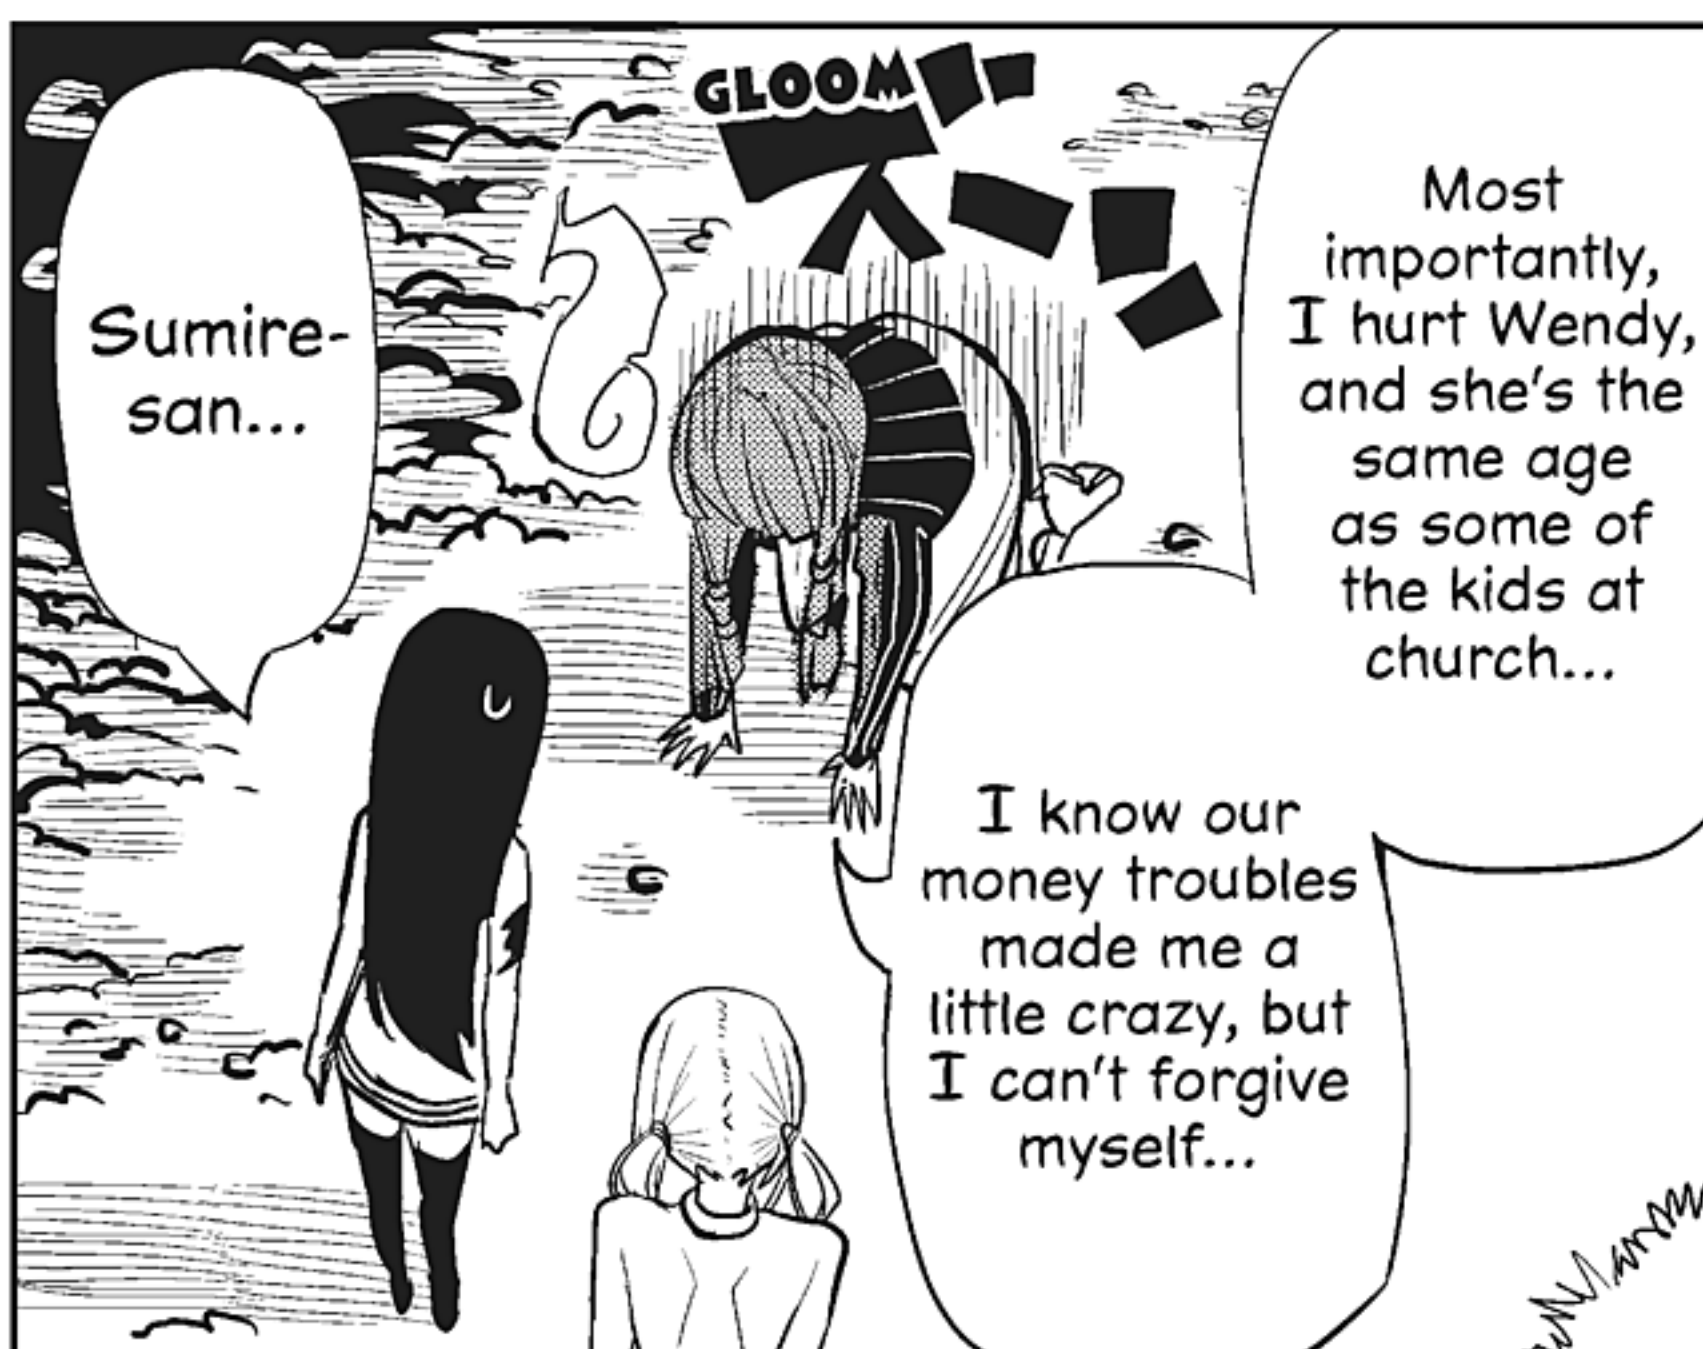

...I can't
go back
with you.

Forgive
me,
but...

I don't think
someone with a
sinful past like
me belongs in
Fairy Tail.

Why
not?!

Sumire-
san...

GLOOM

Most
importantly,
I hurt Wendy,
and she's the
same age
as some of
the kids at
church...

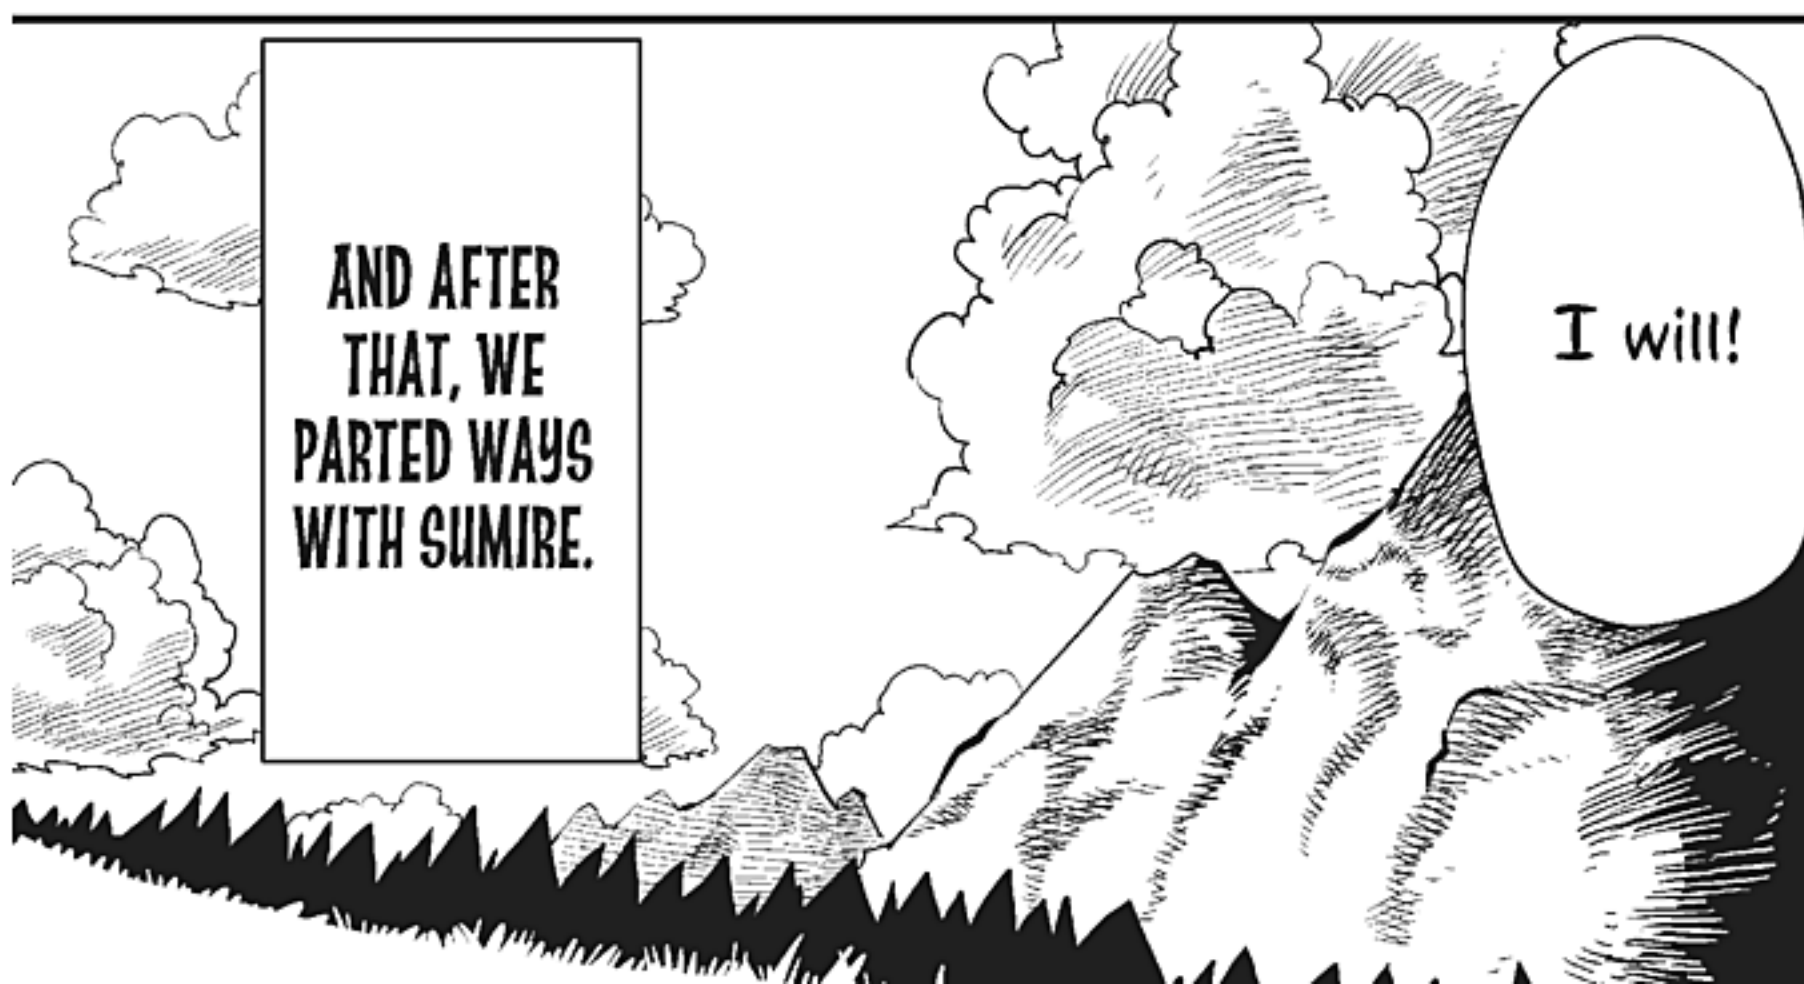

I know our
money troubles
made me a
little crazy, but
I can't forgive
myself...

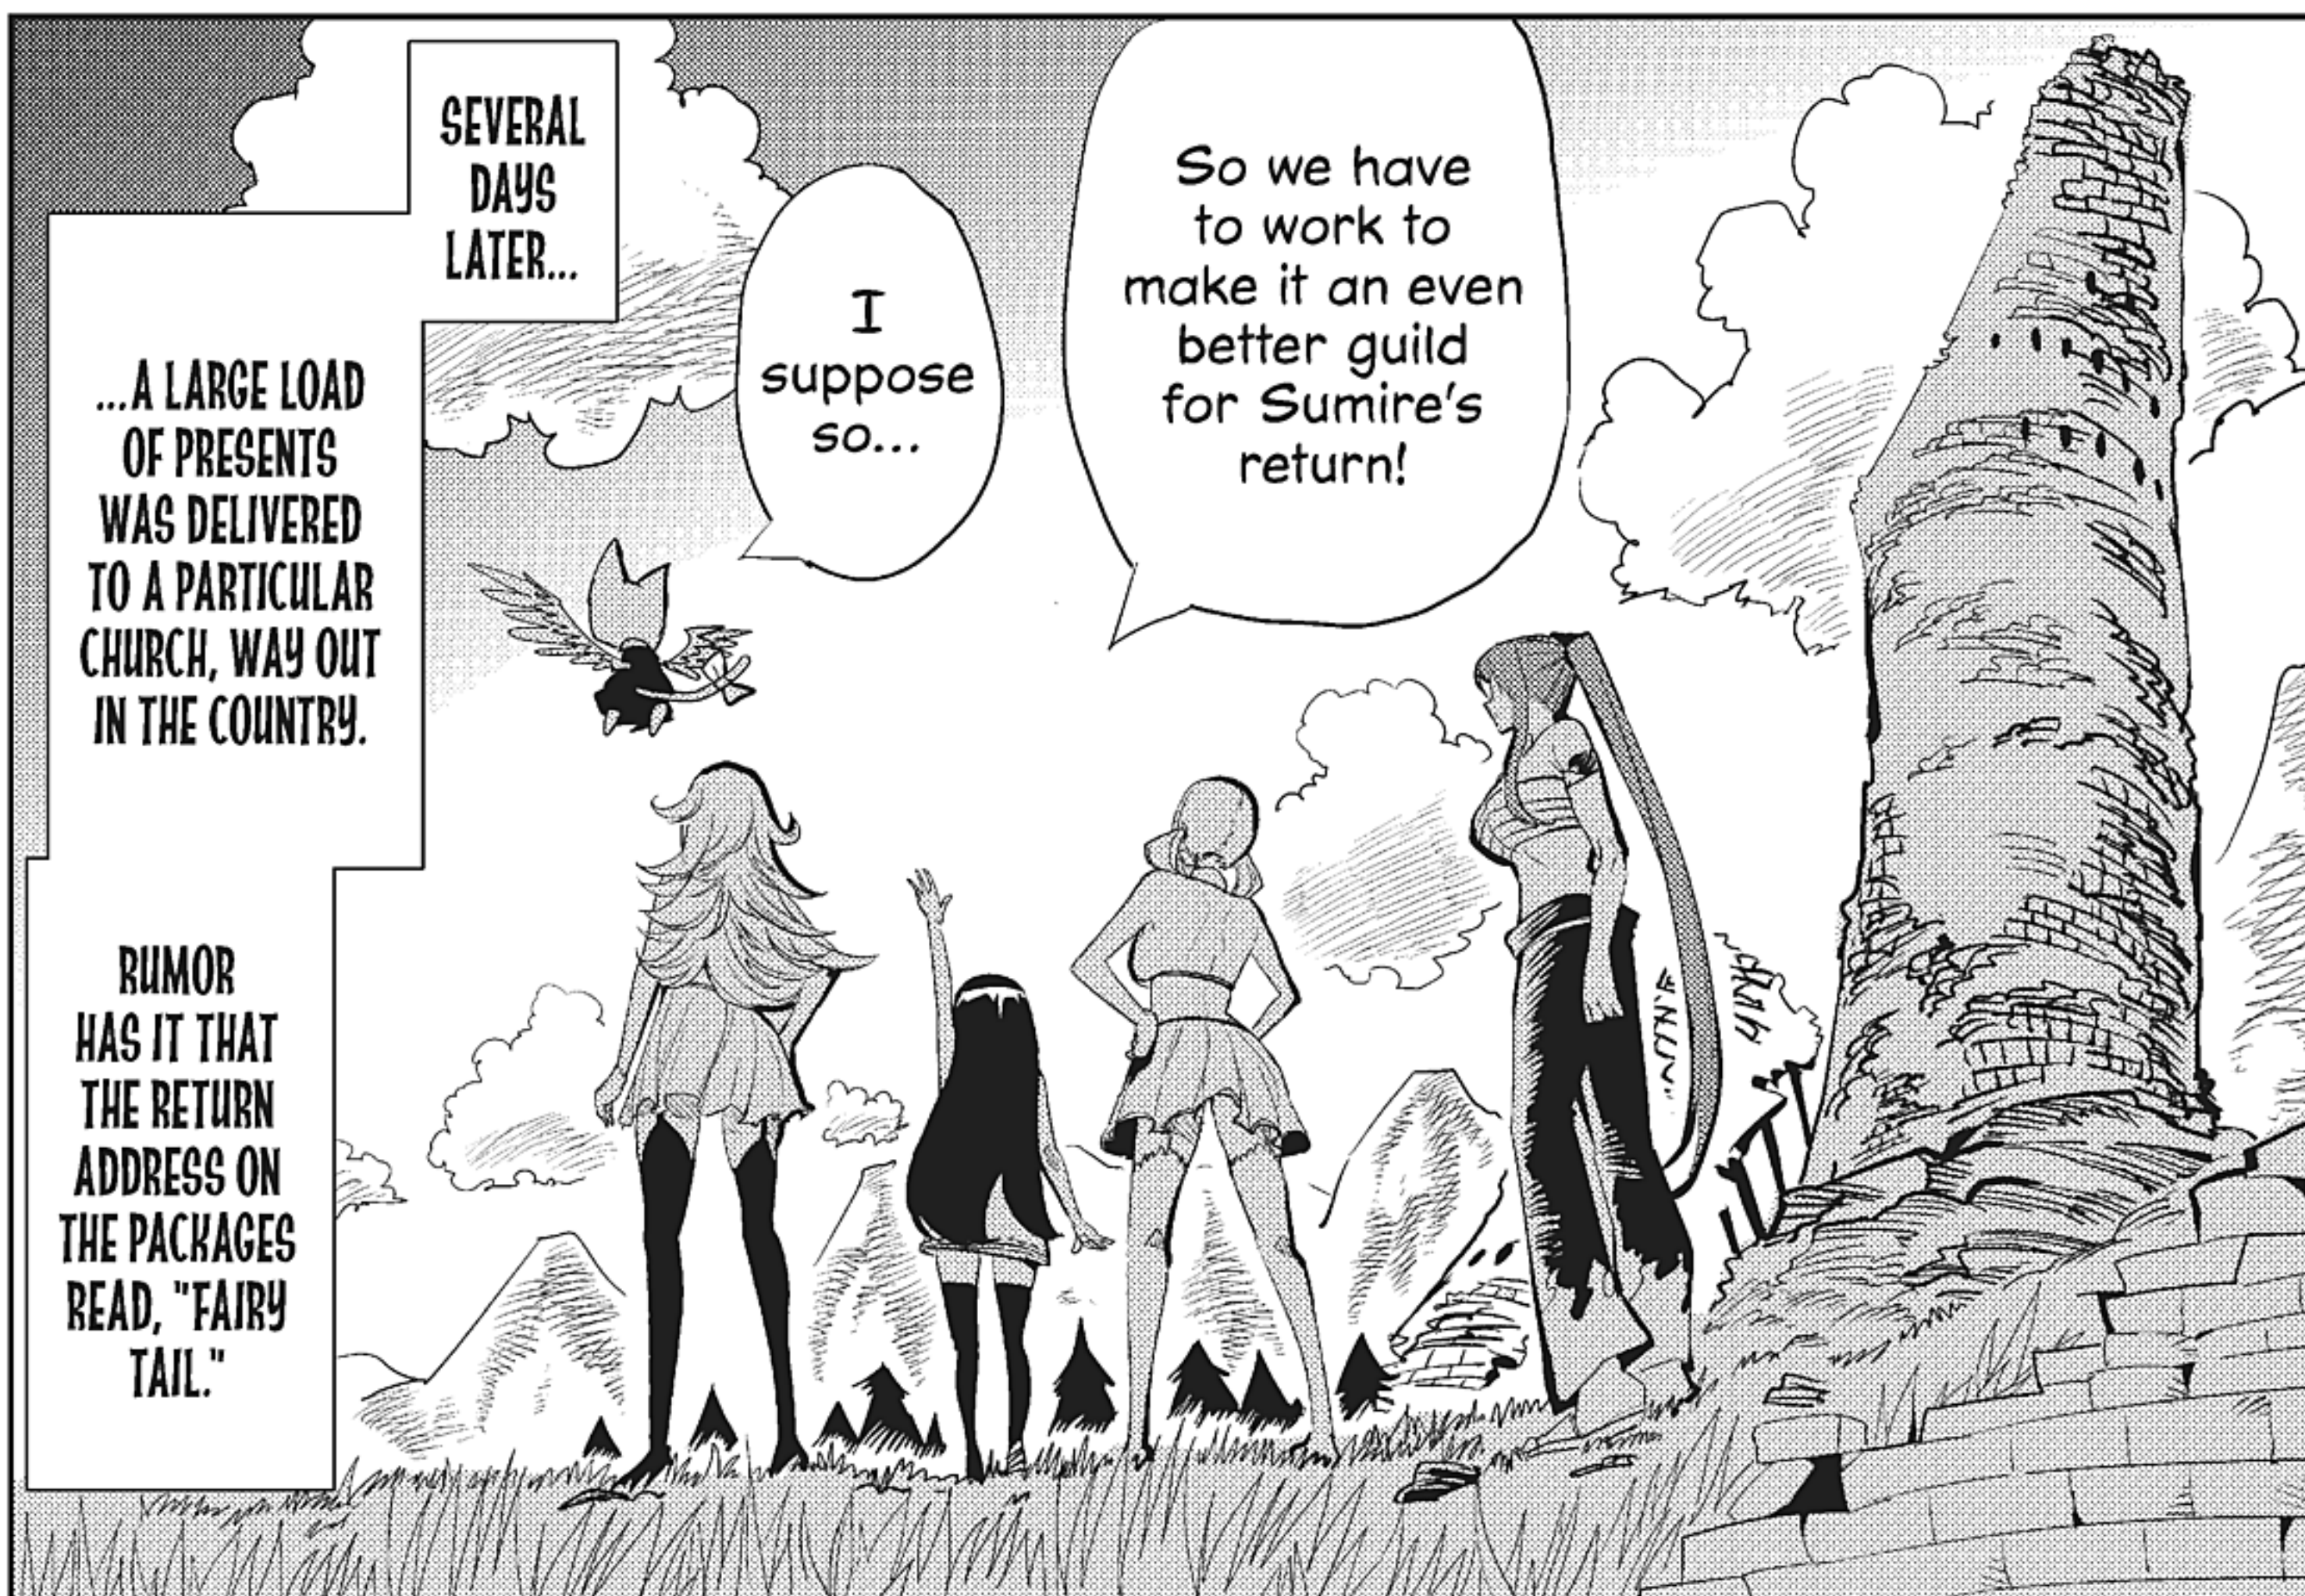

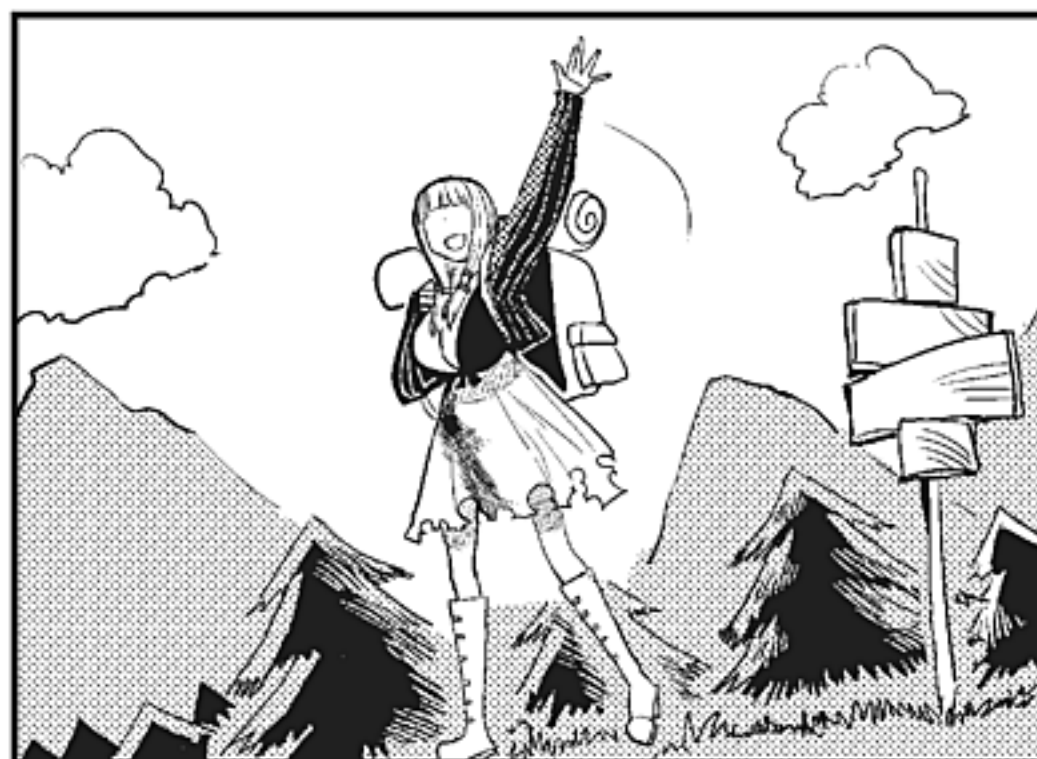

The
wording
is harsh,
but it's
true.

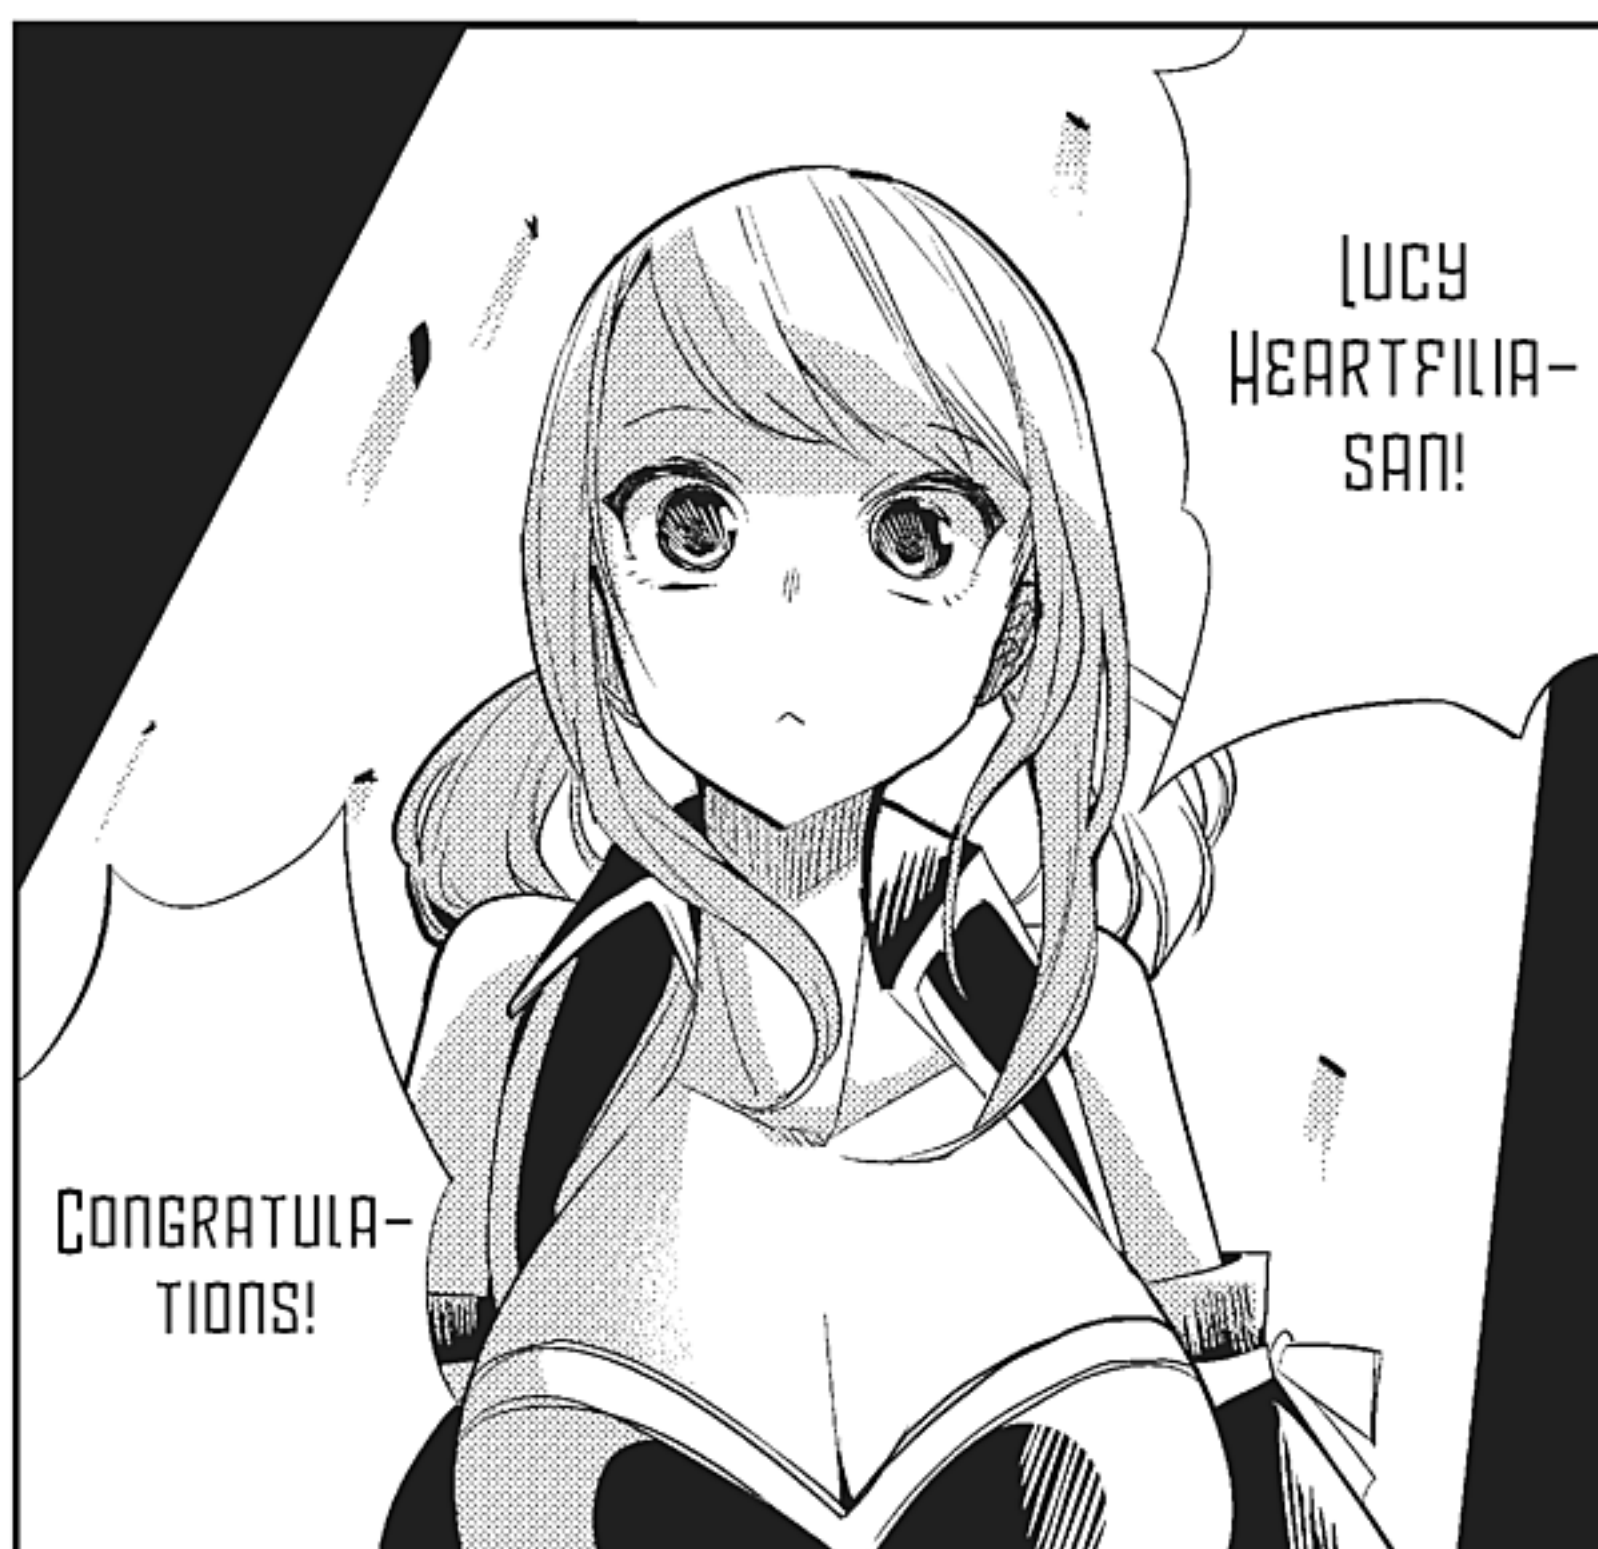

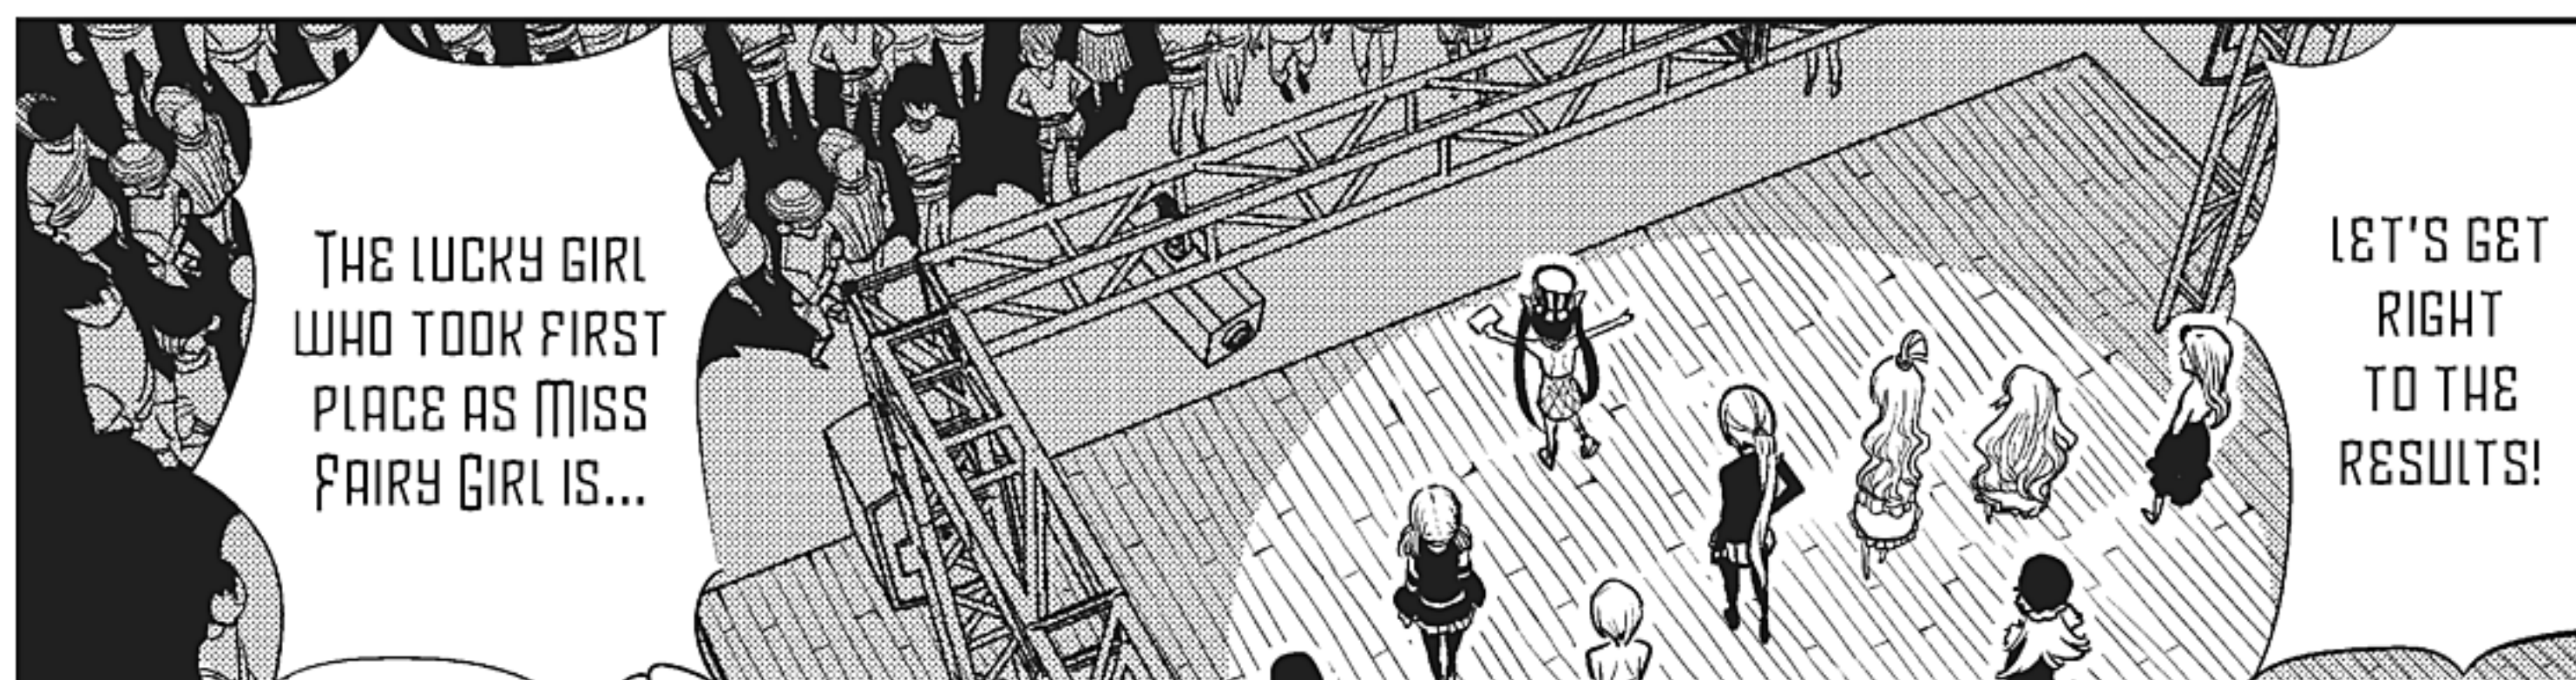

Don't
worry!

There are
plenty of
criminal-like
folks!

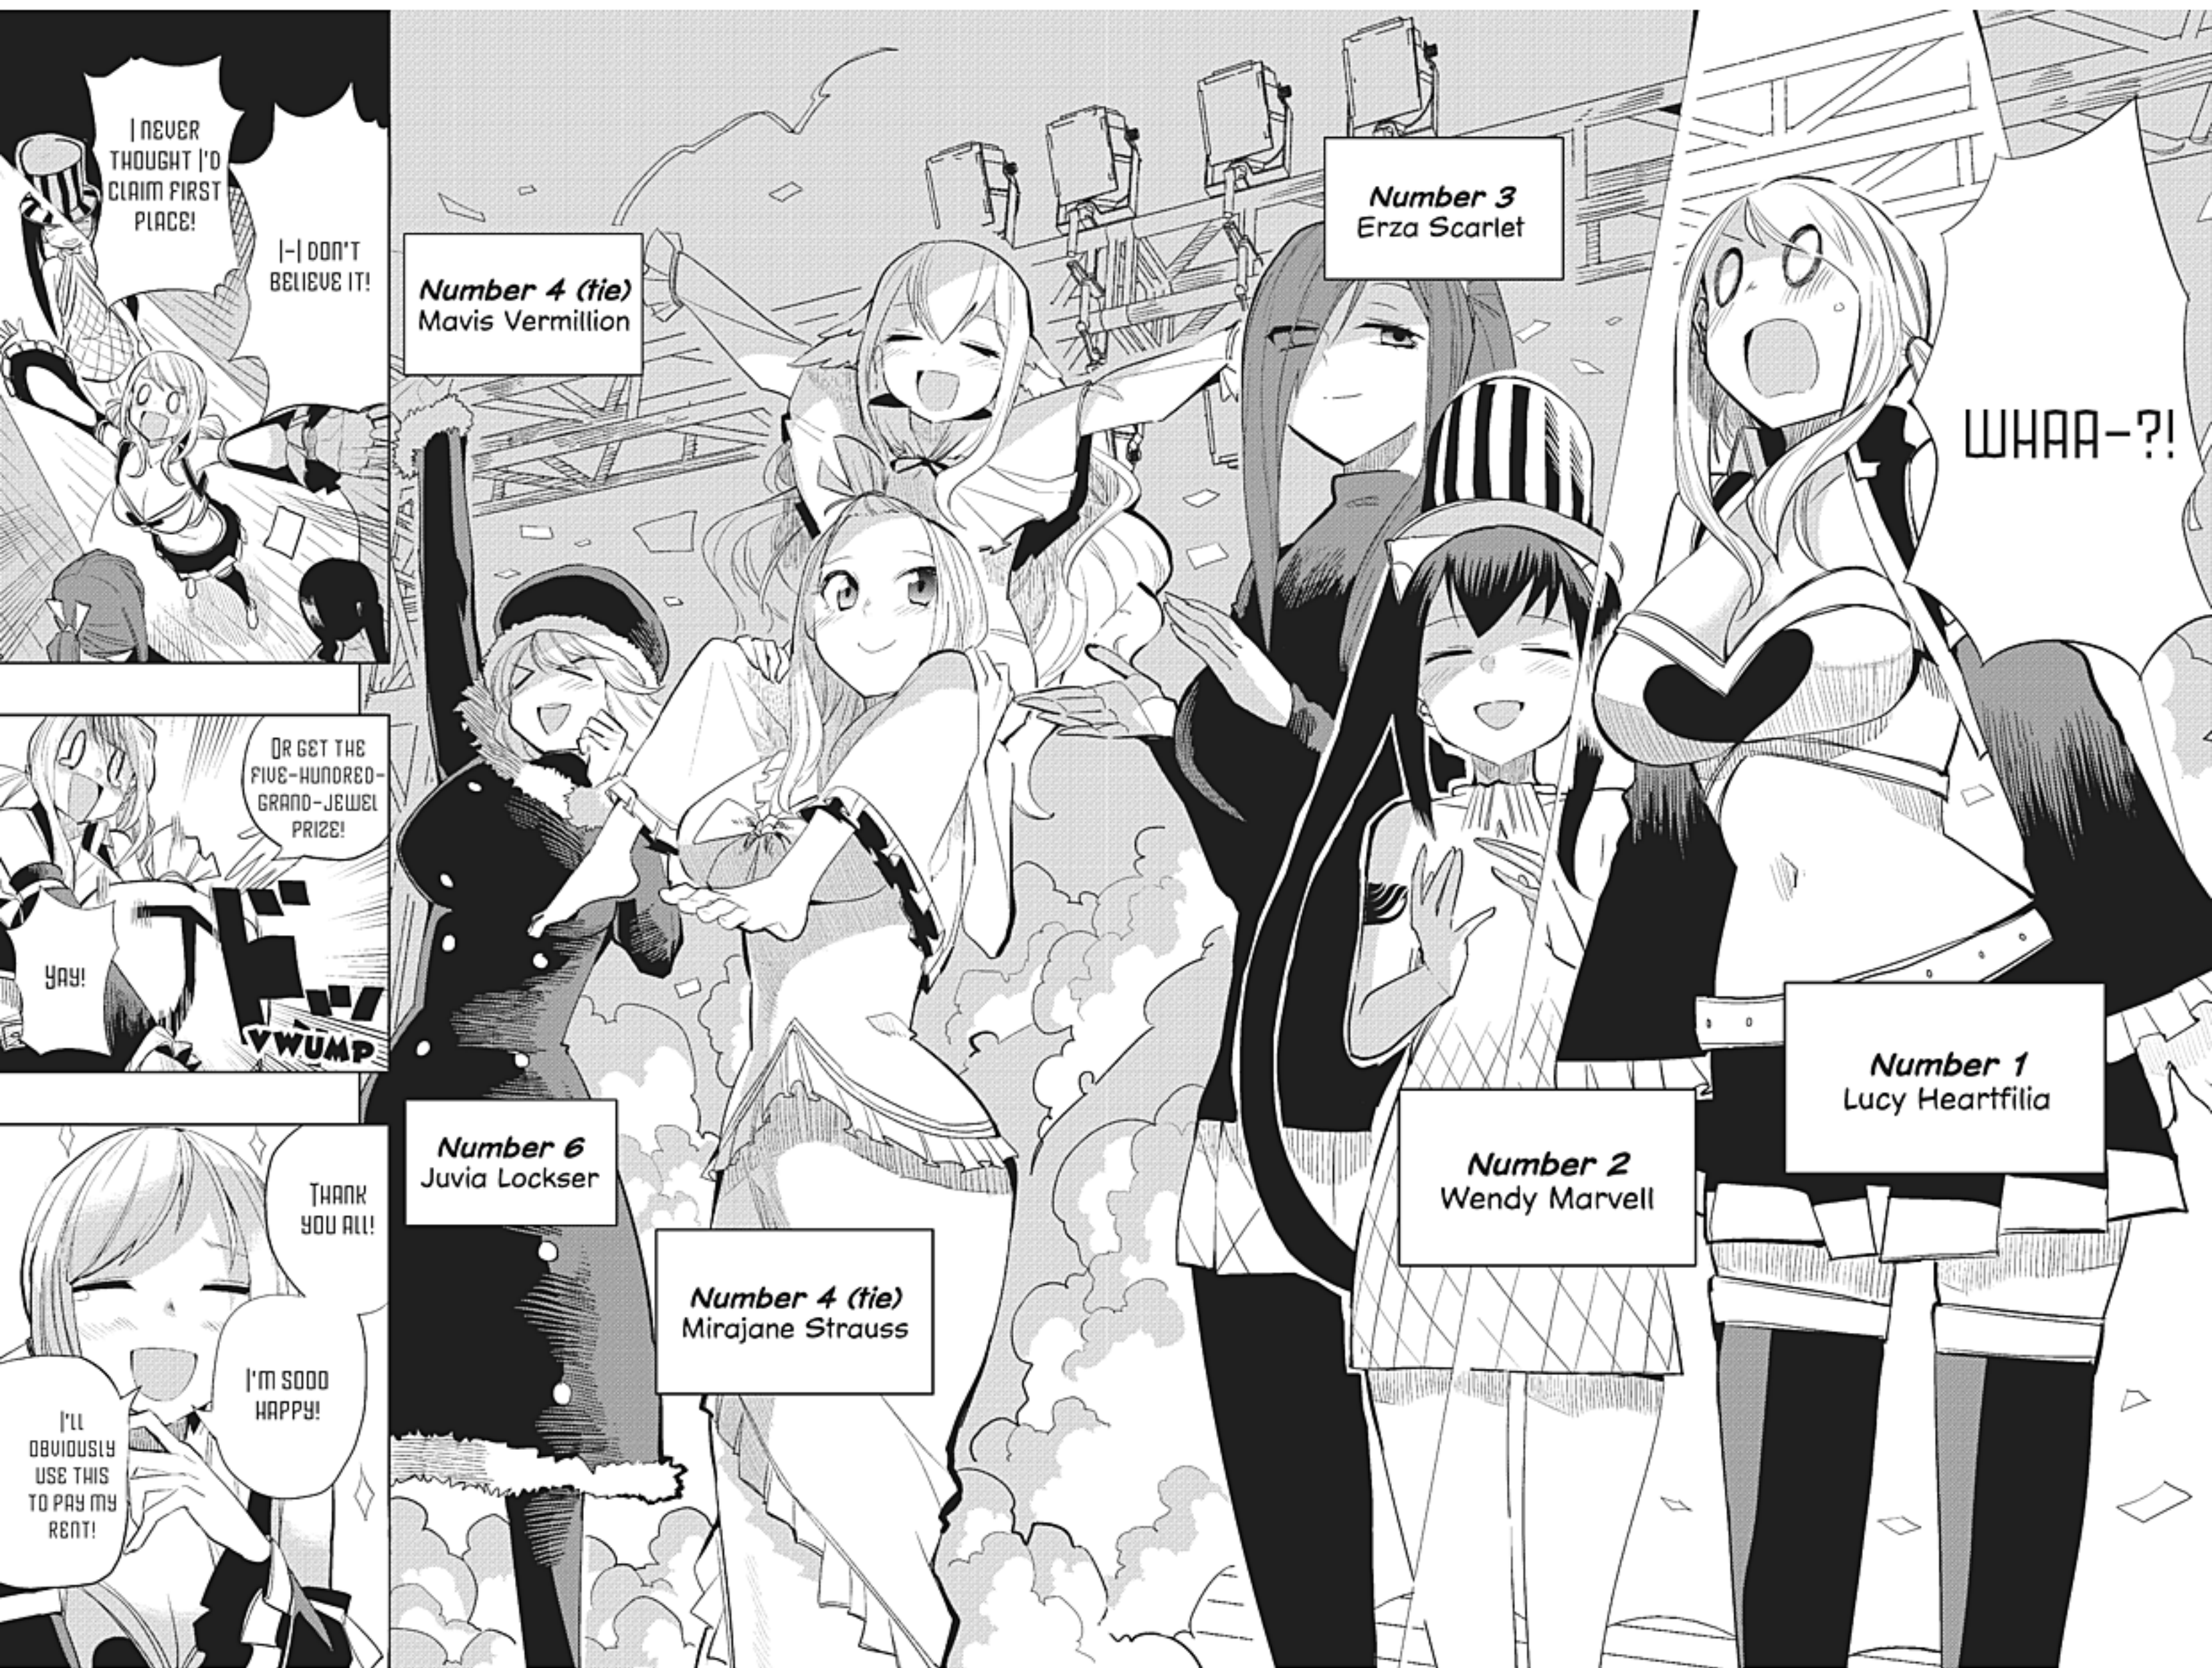

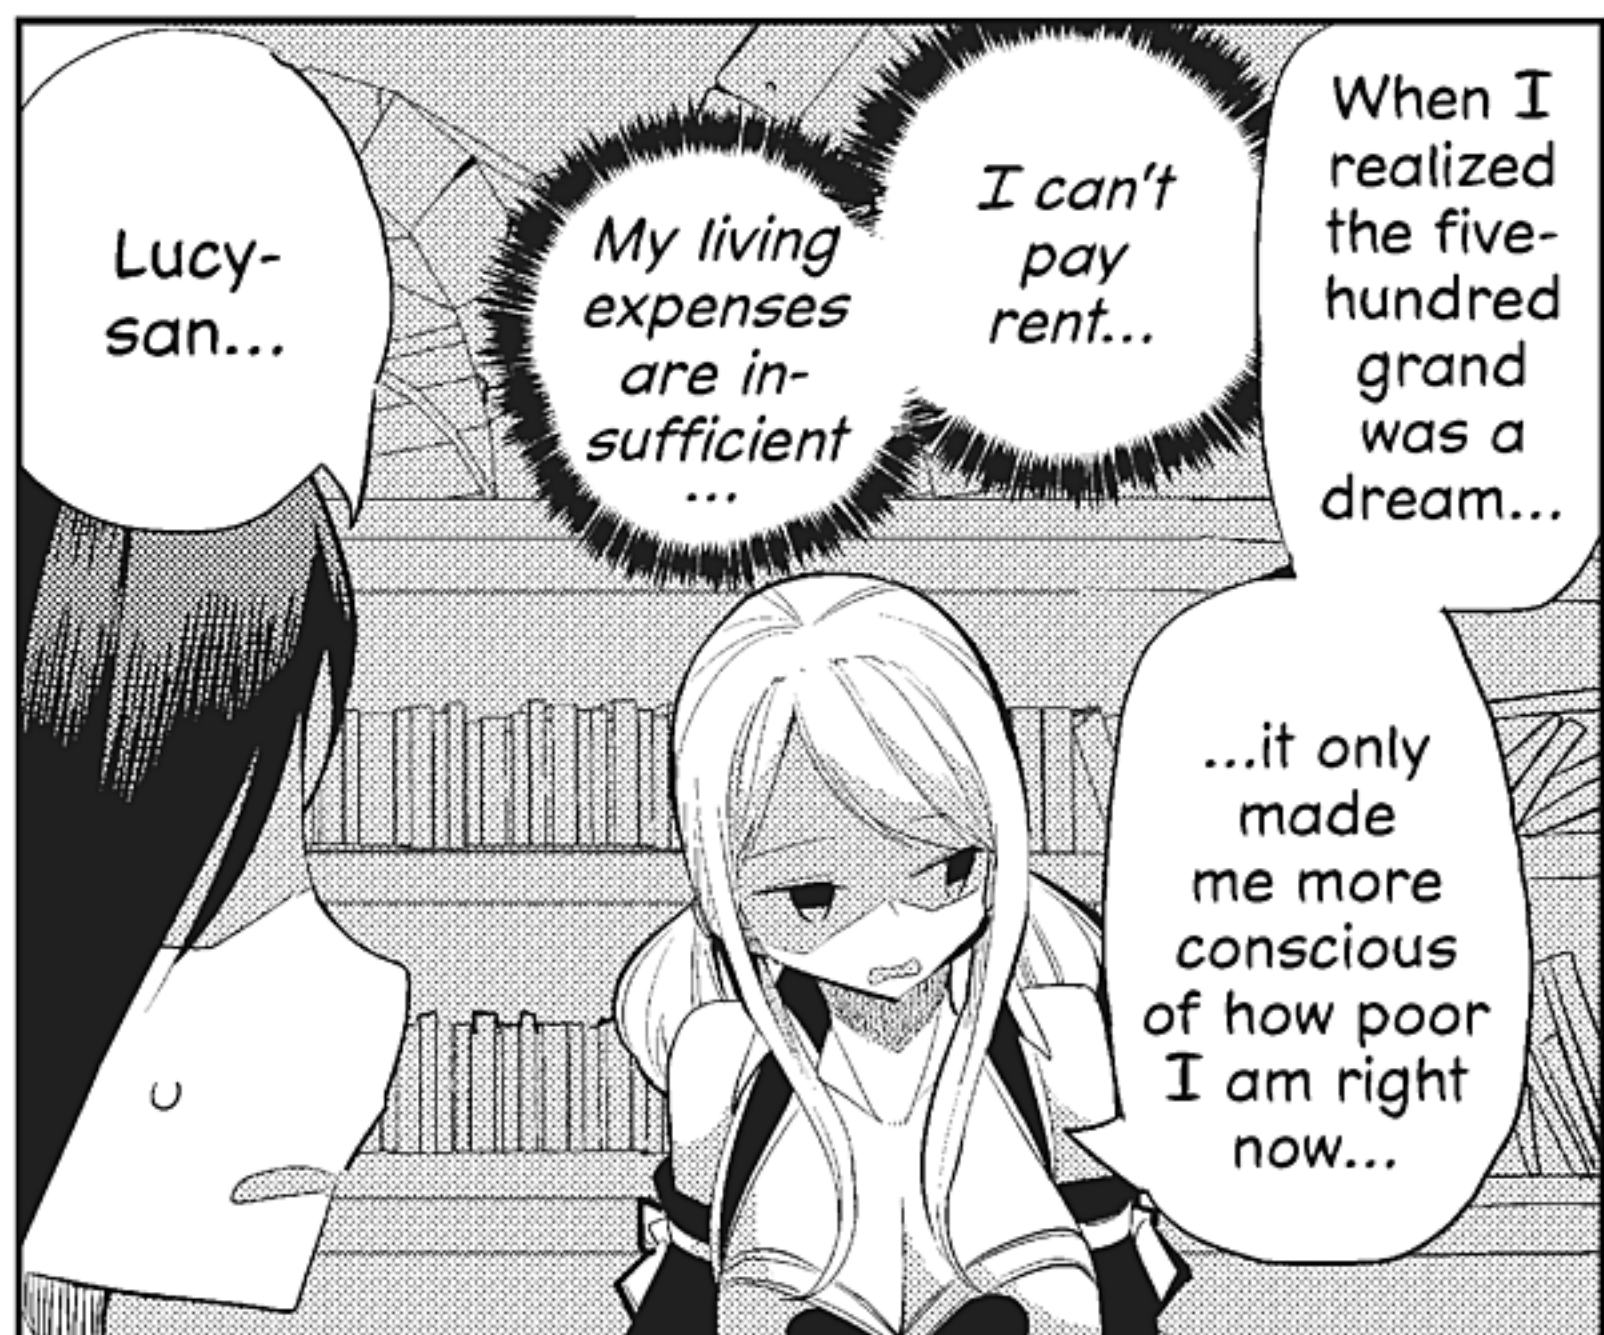

AND AFTER
THAT, WE
PARTED WAYS
WITH SUMIRE.

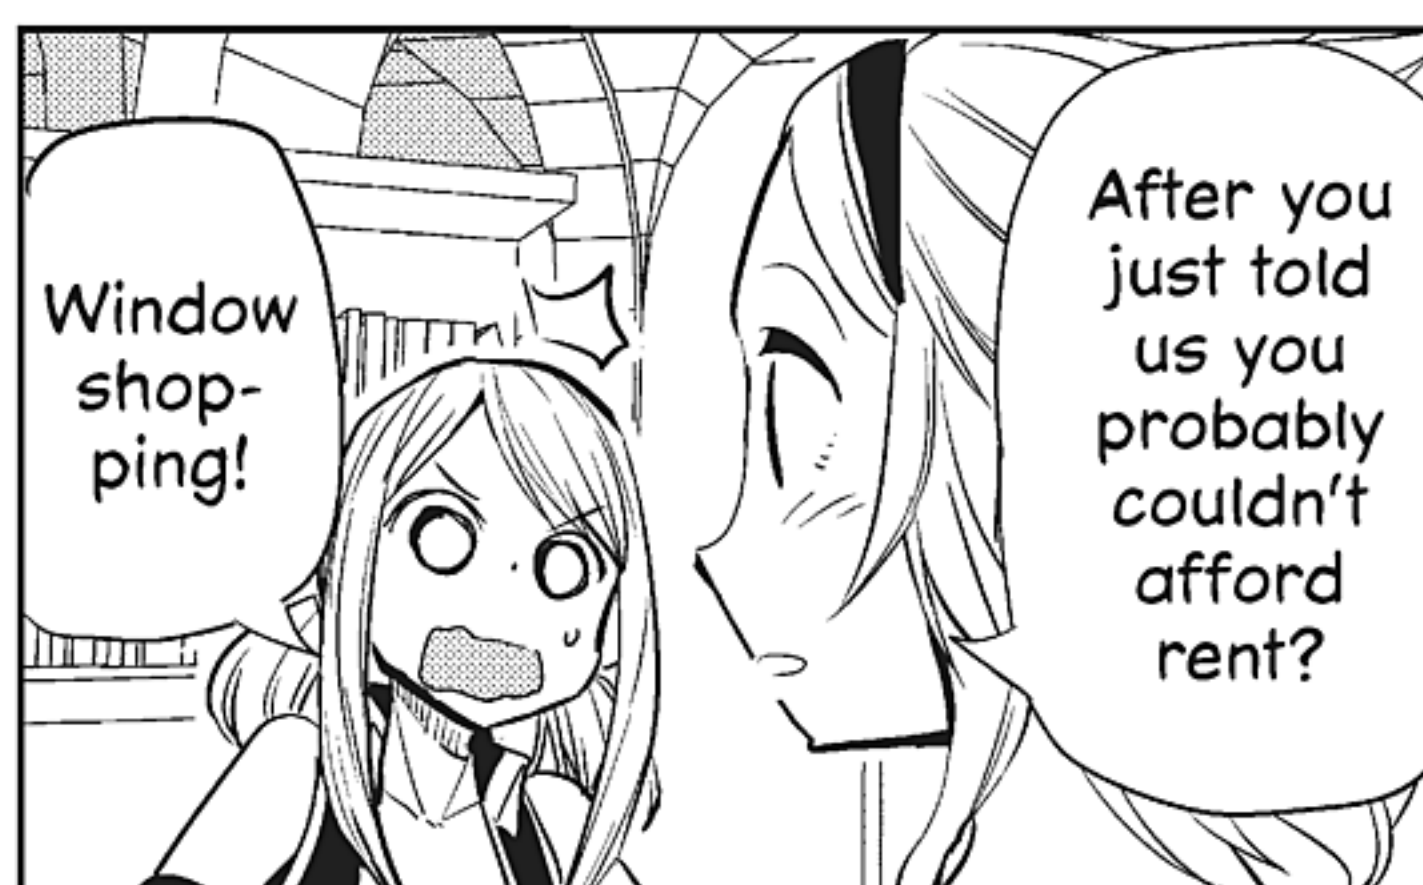

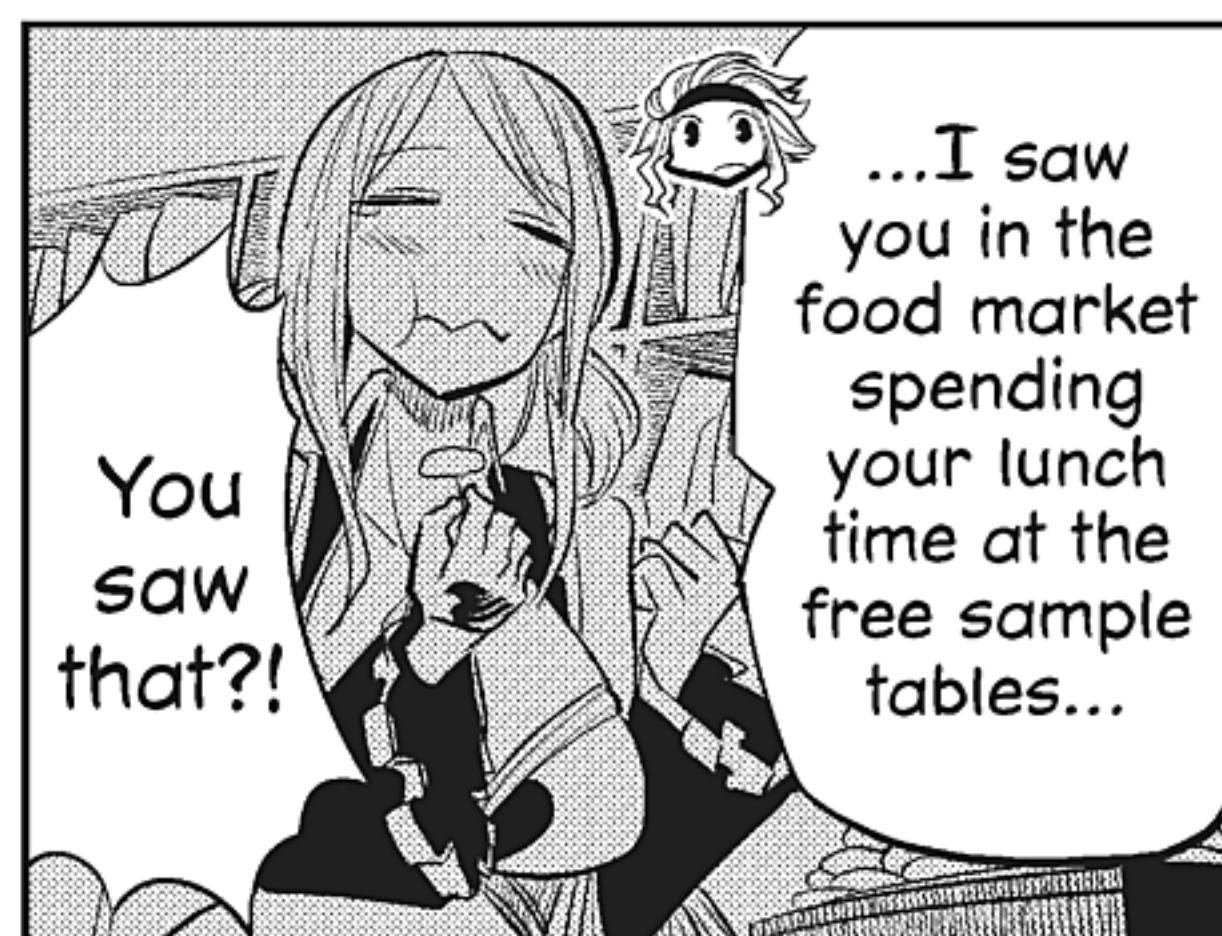

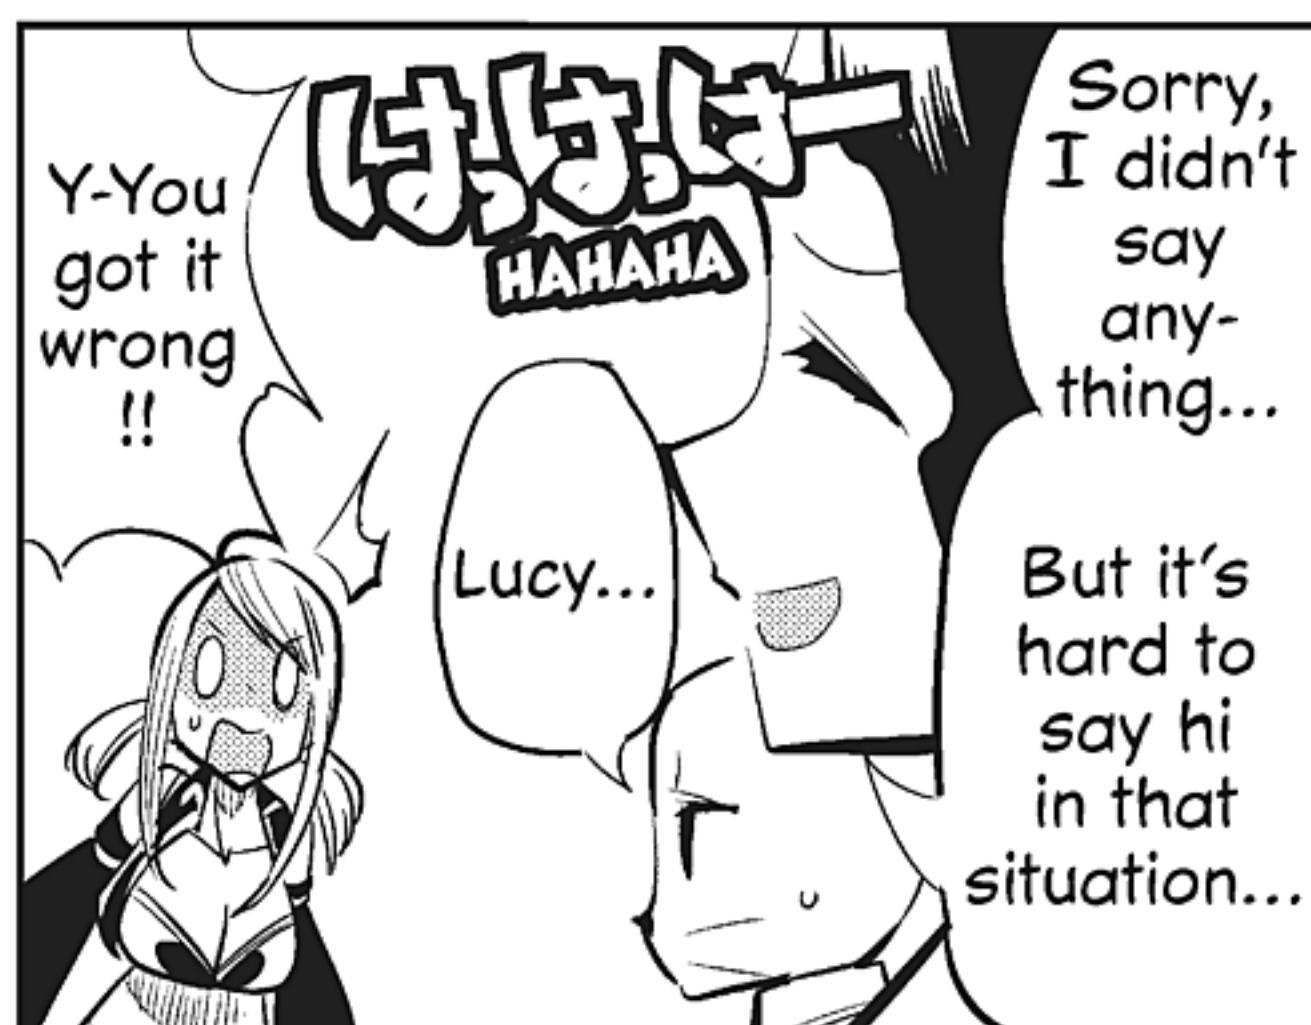

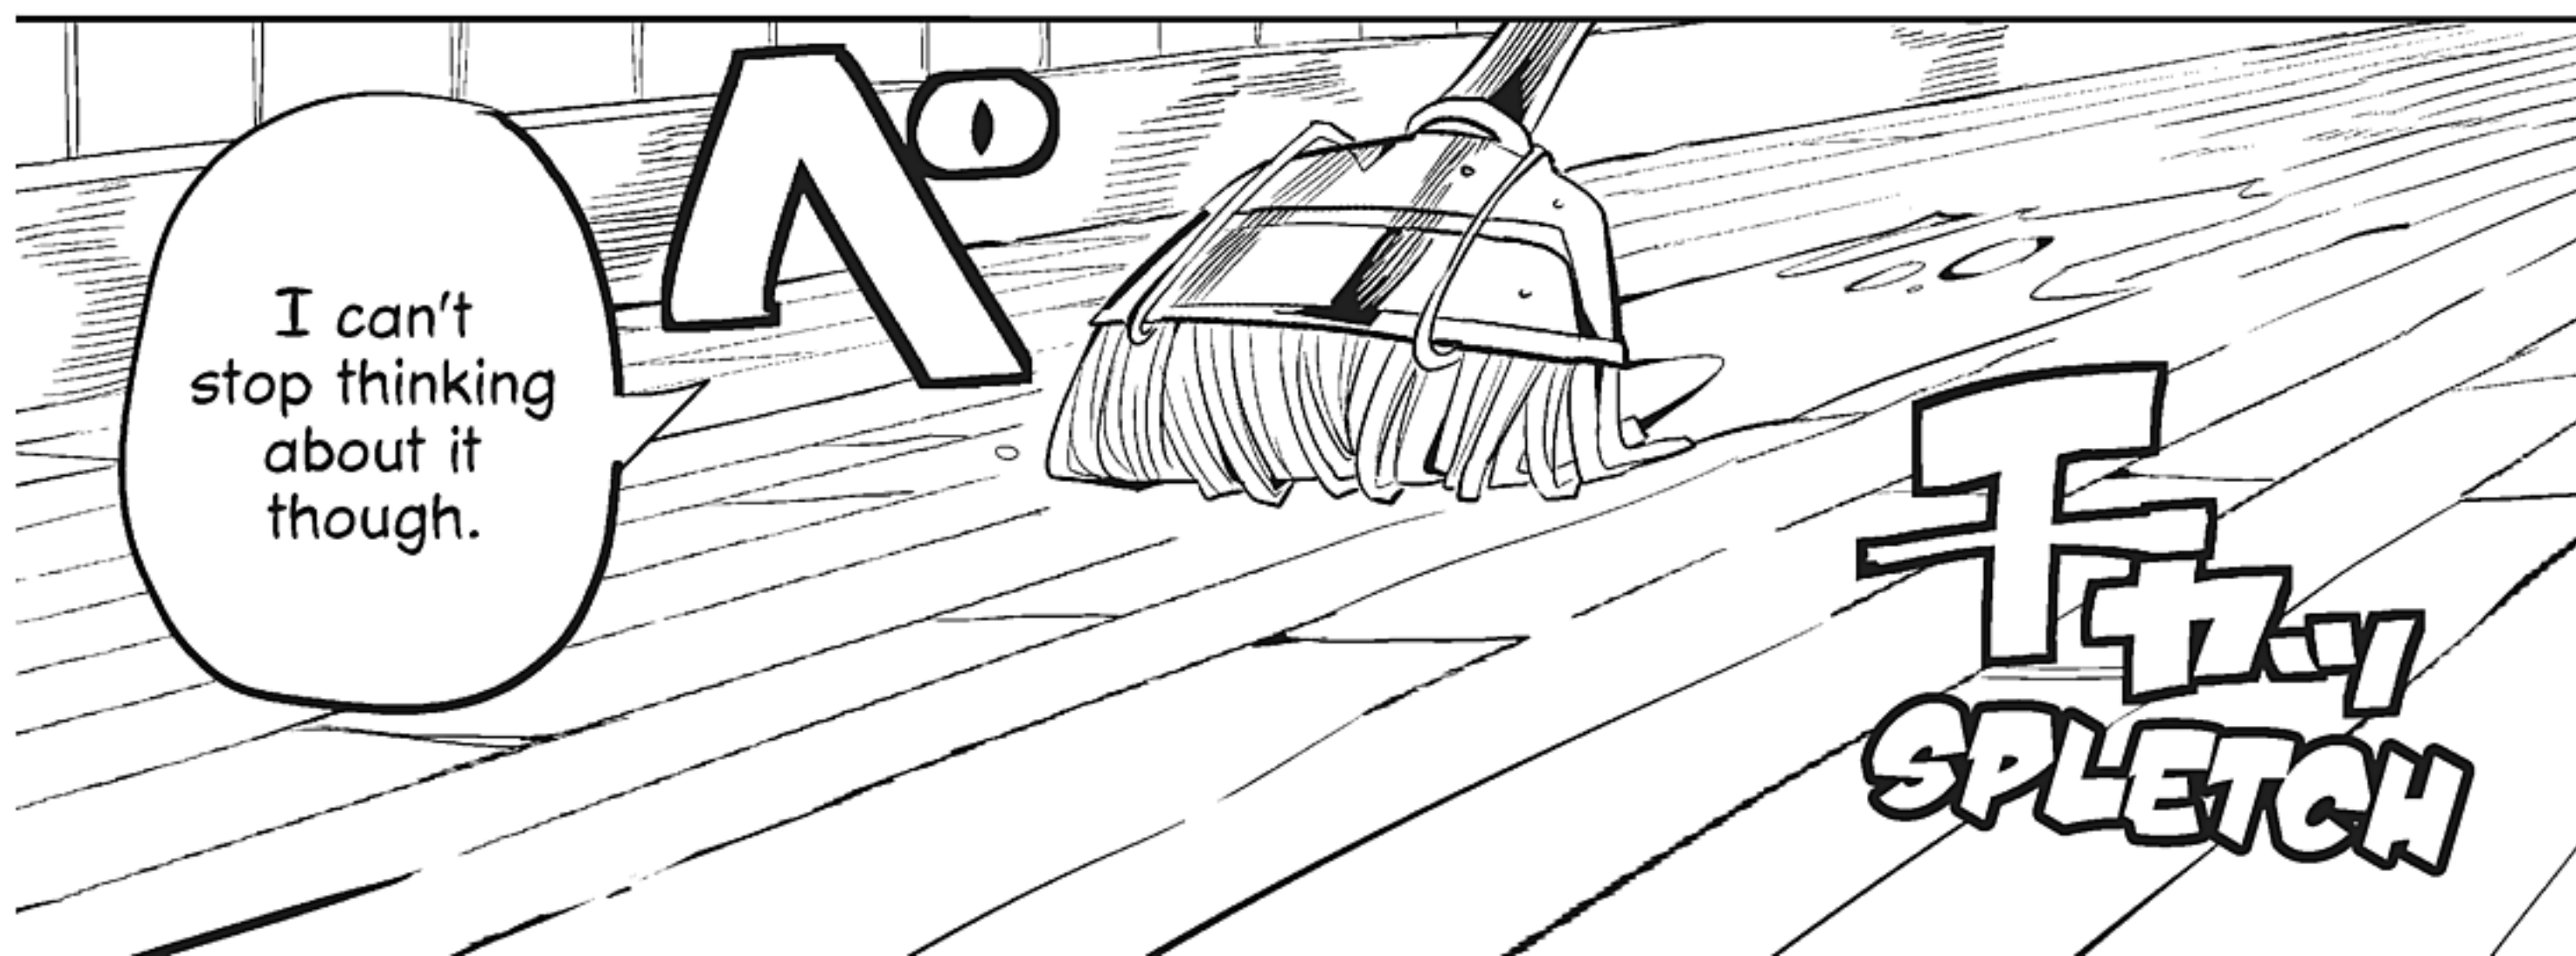

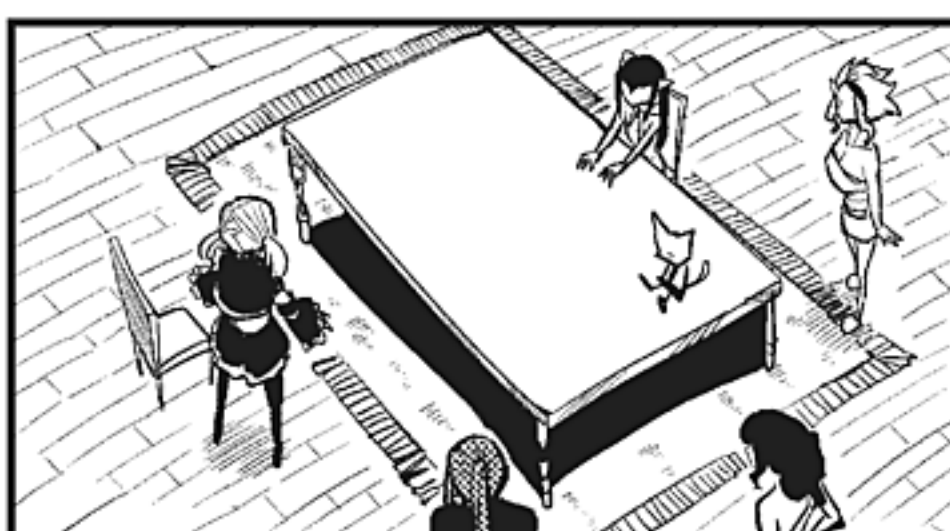

Chapter 10: The Ultimate Girl Power

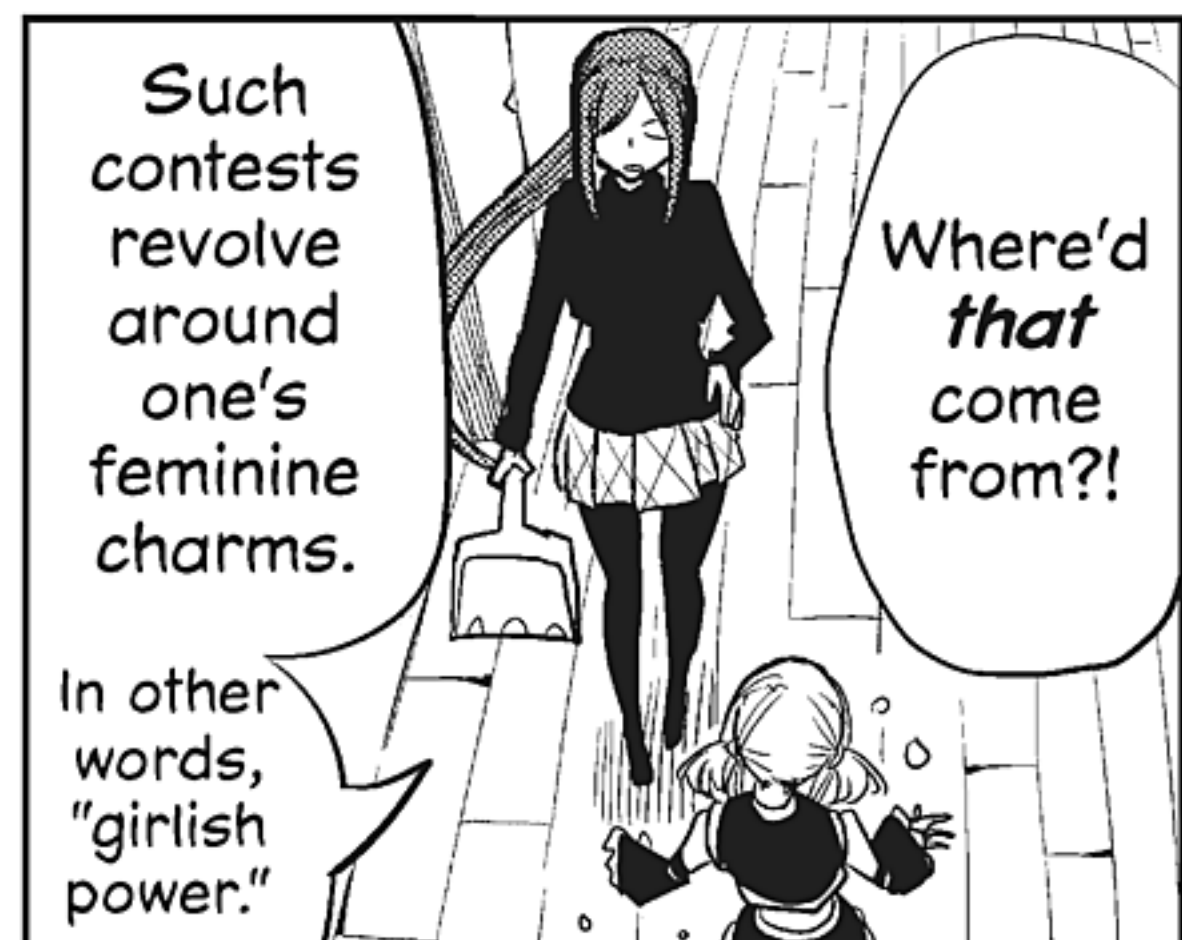

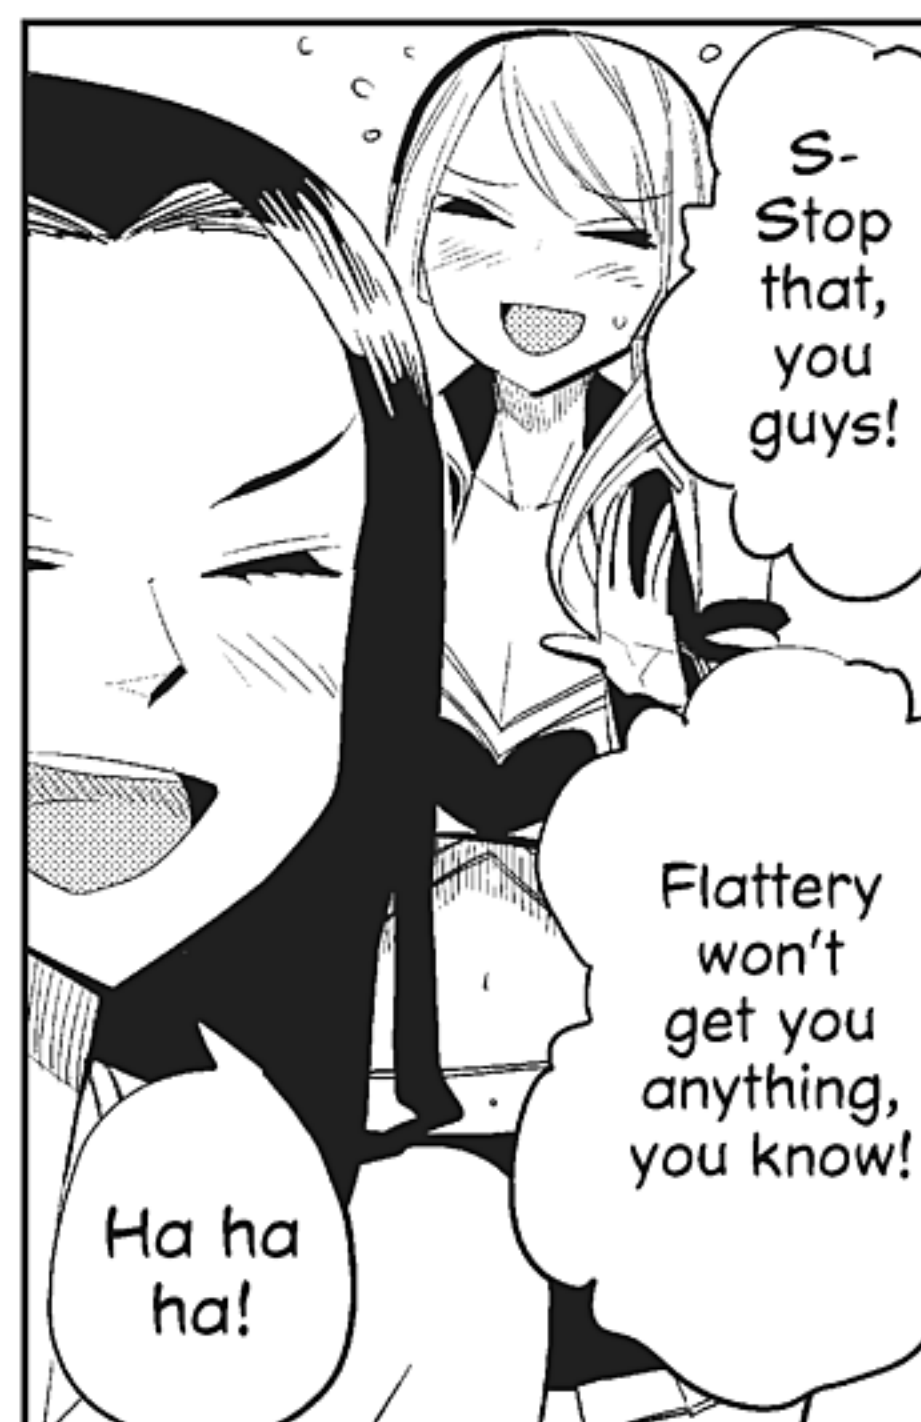

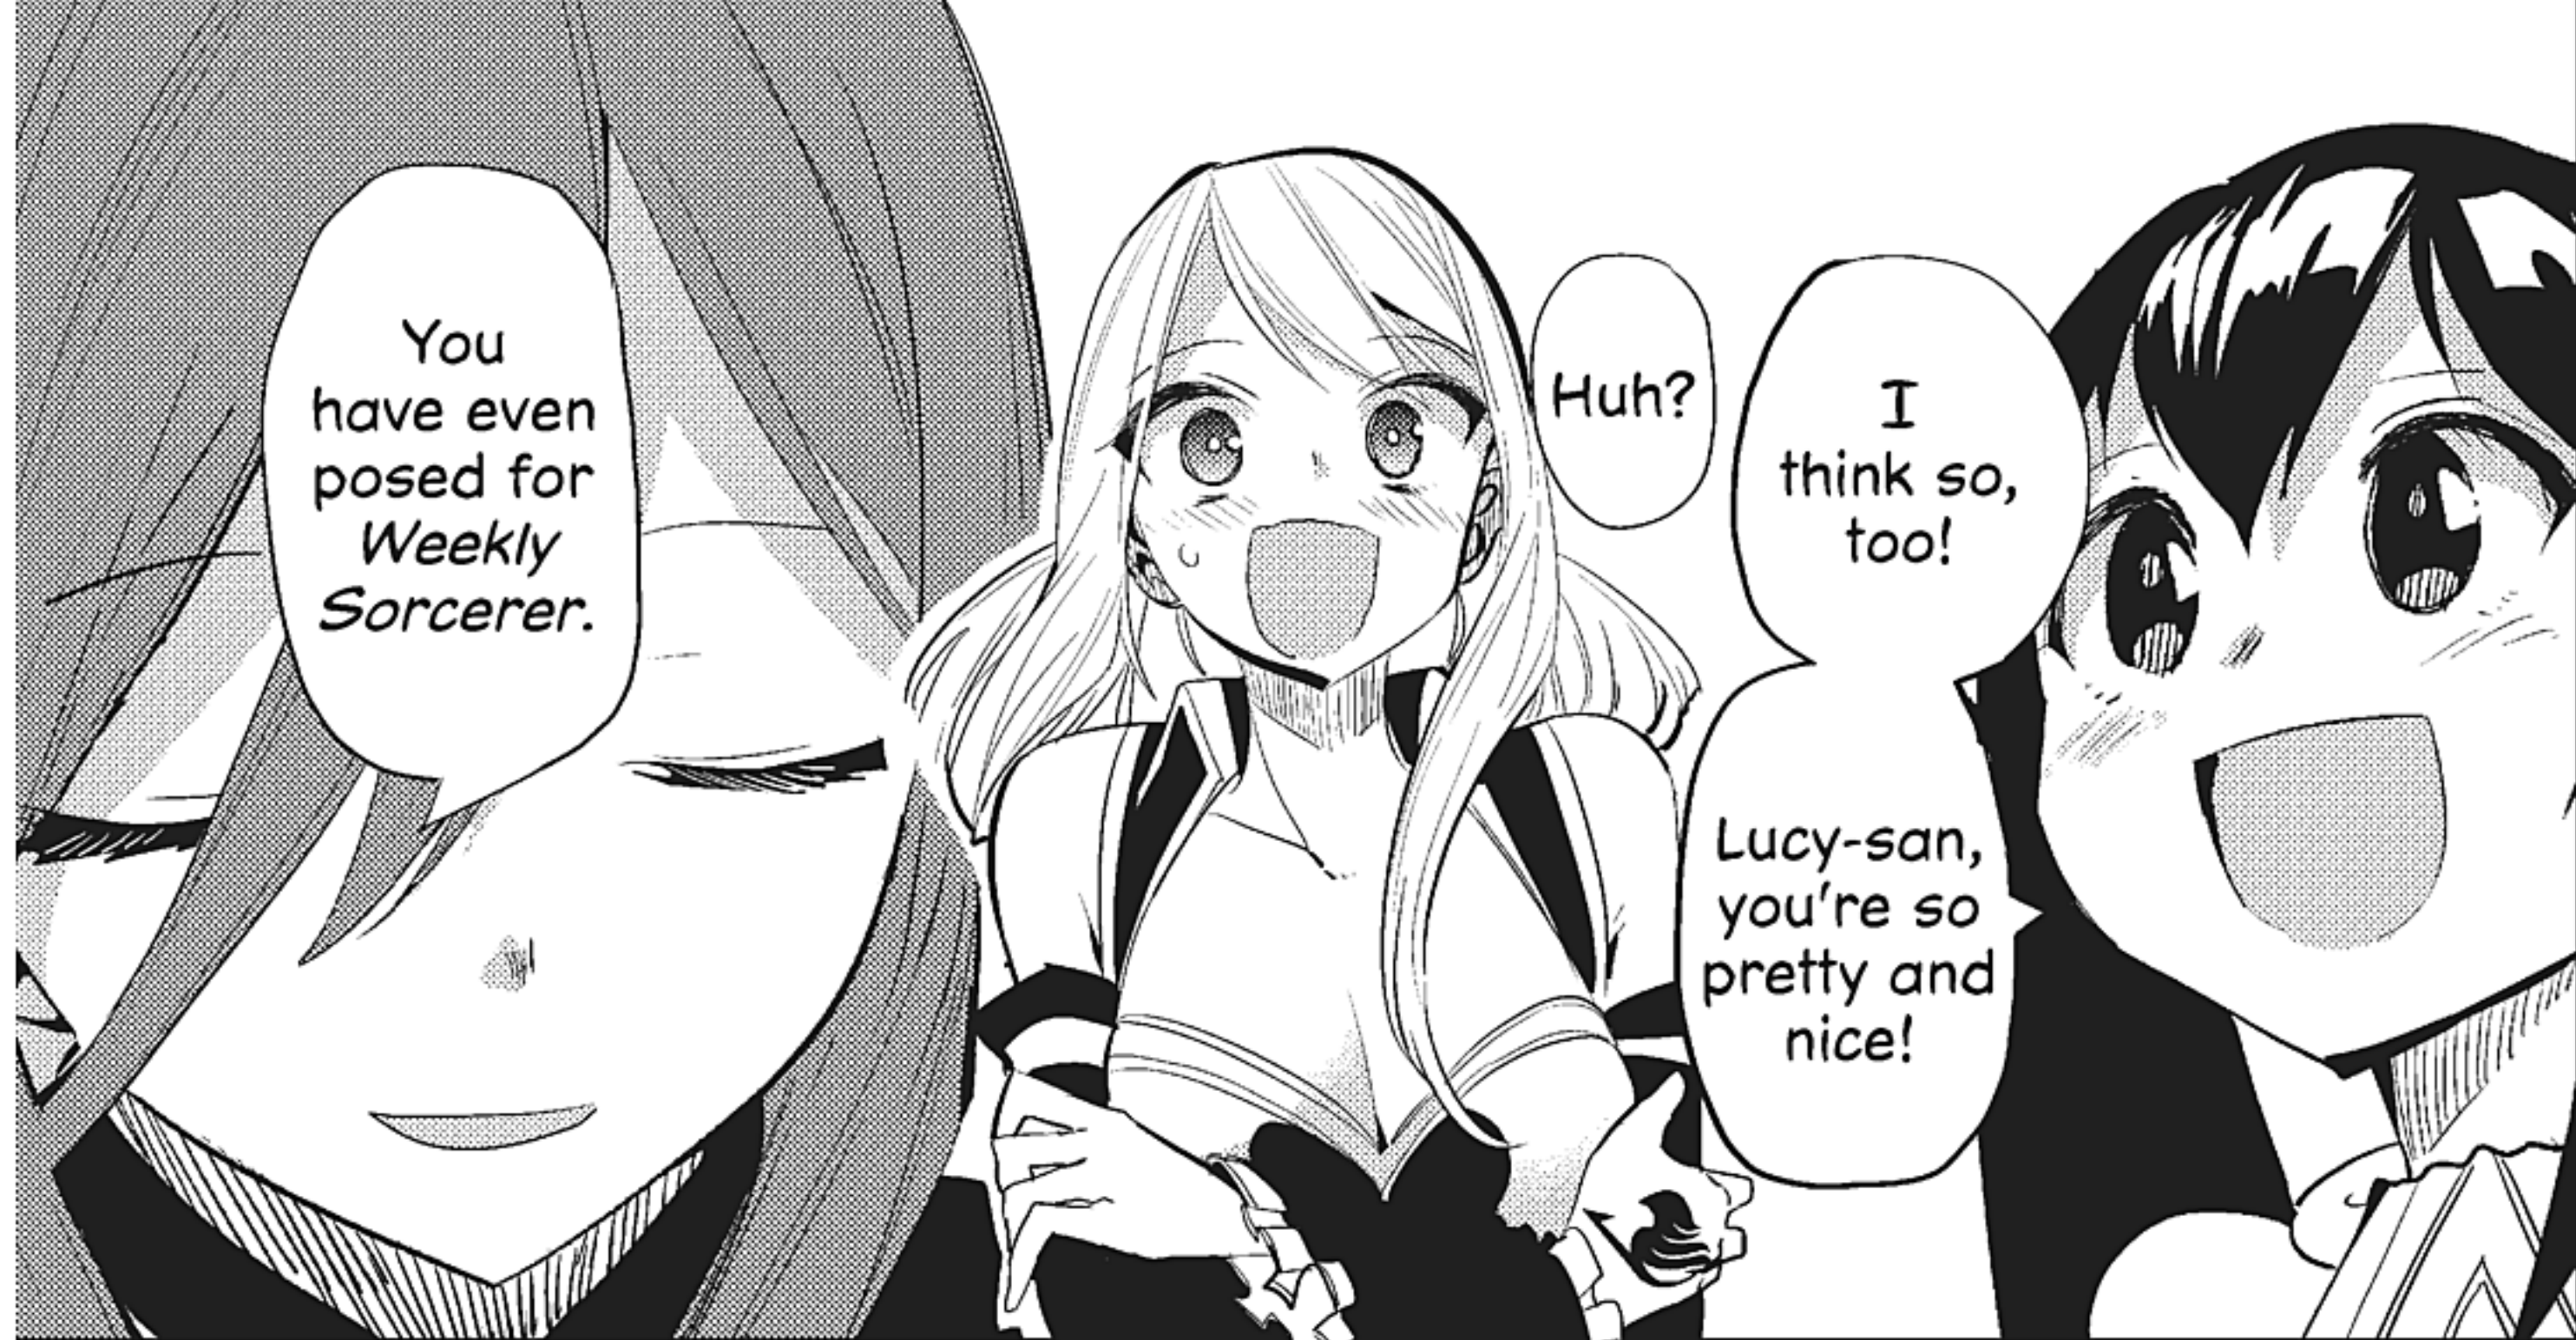

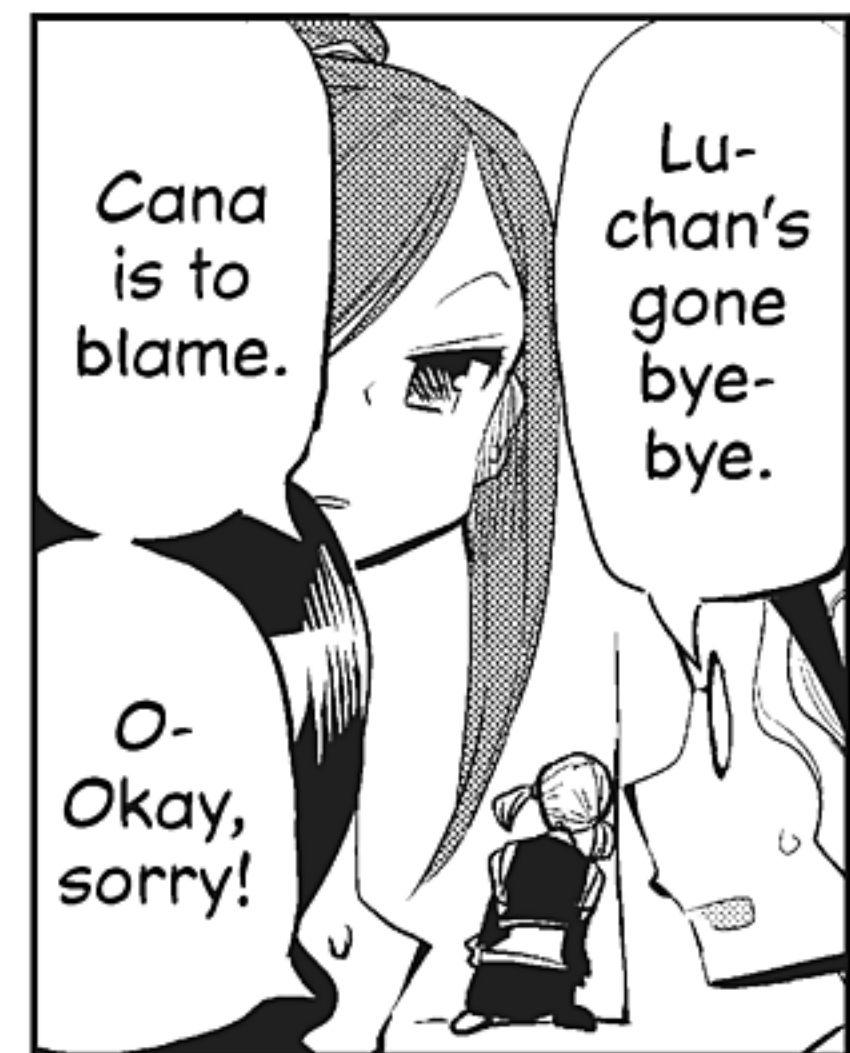

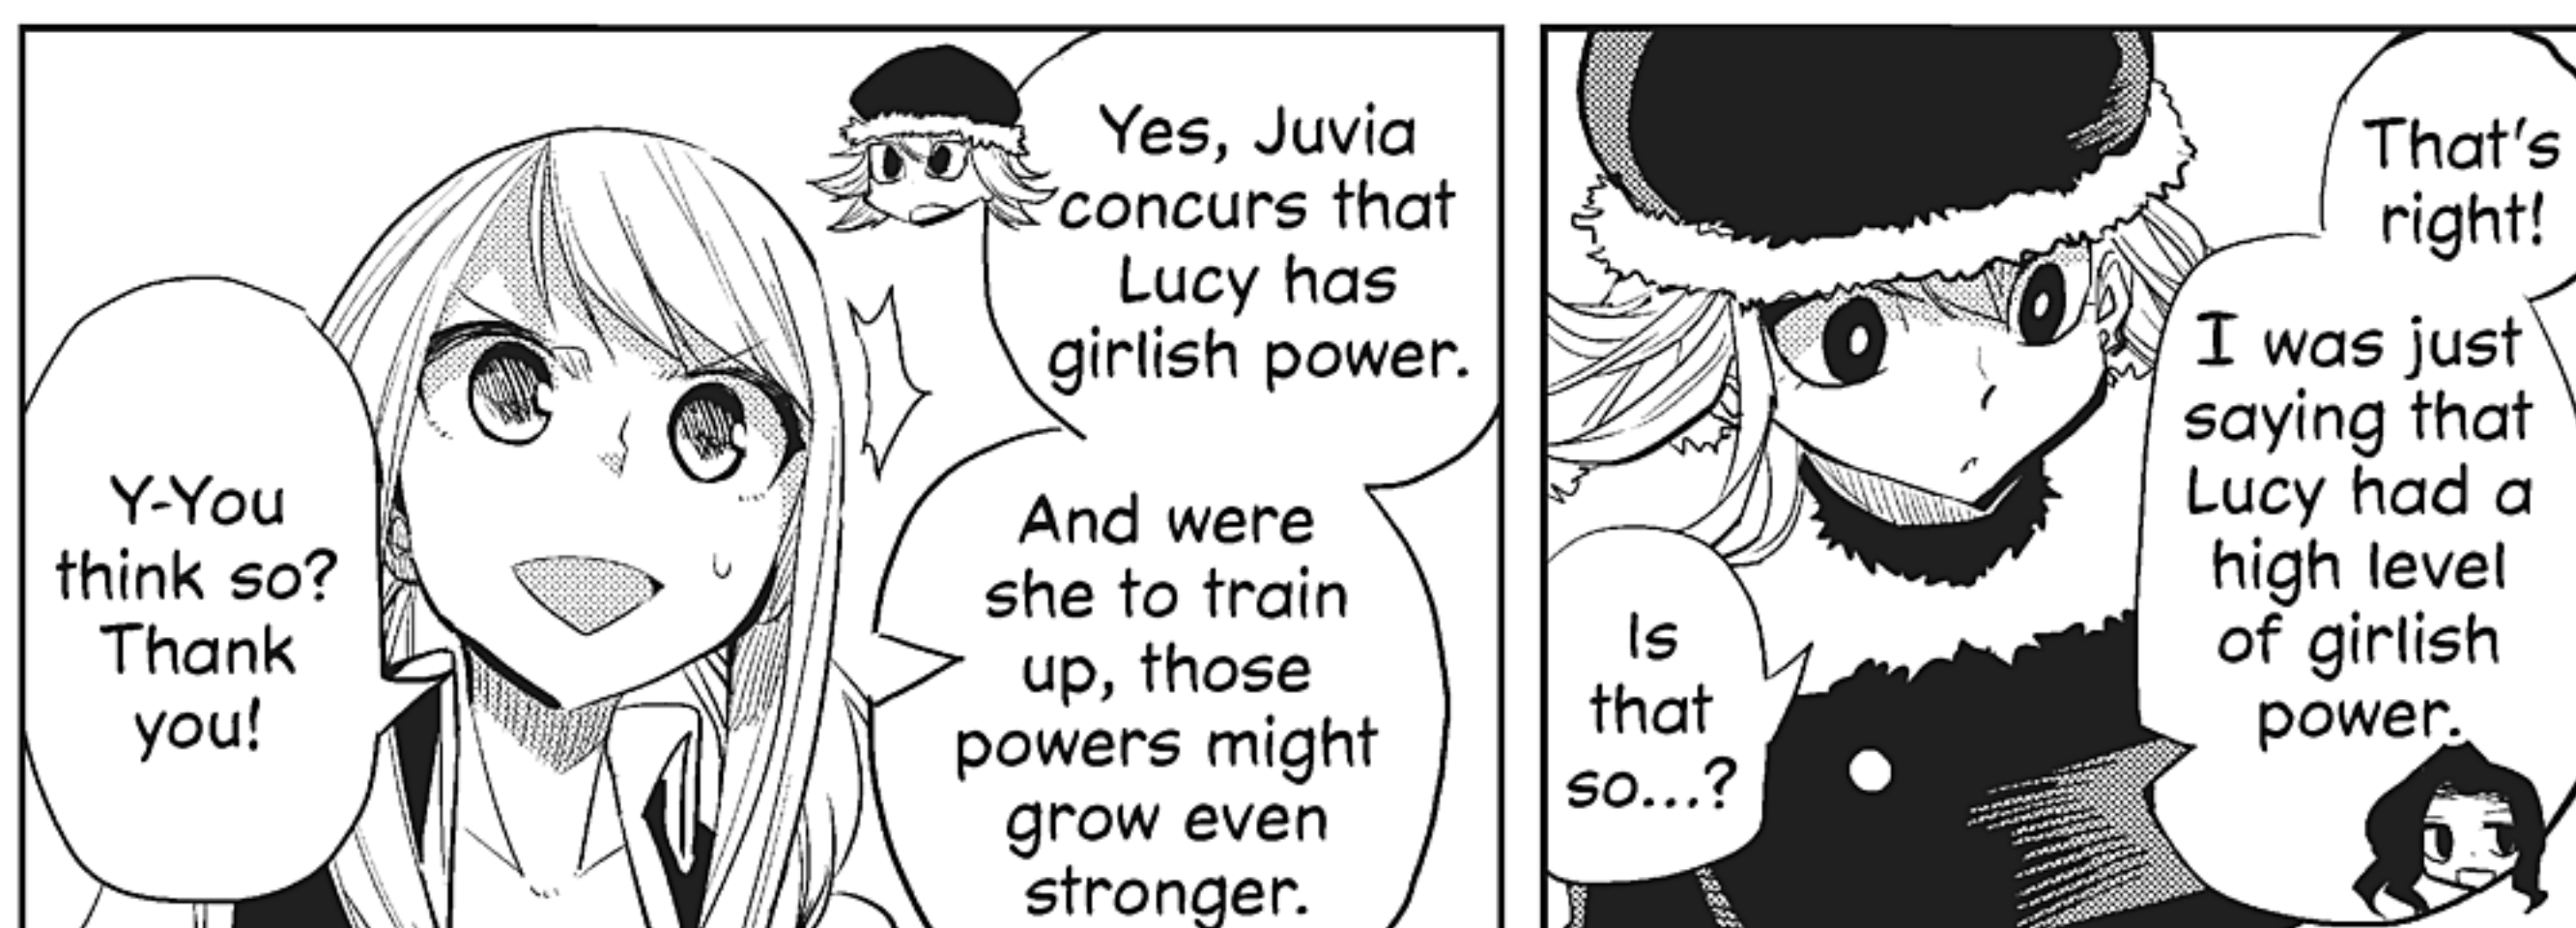

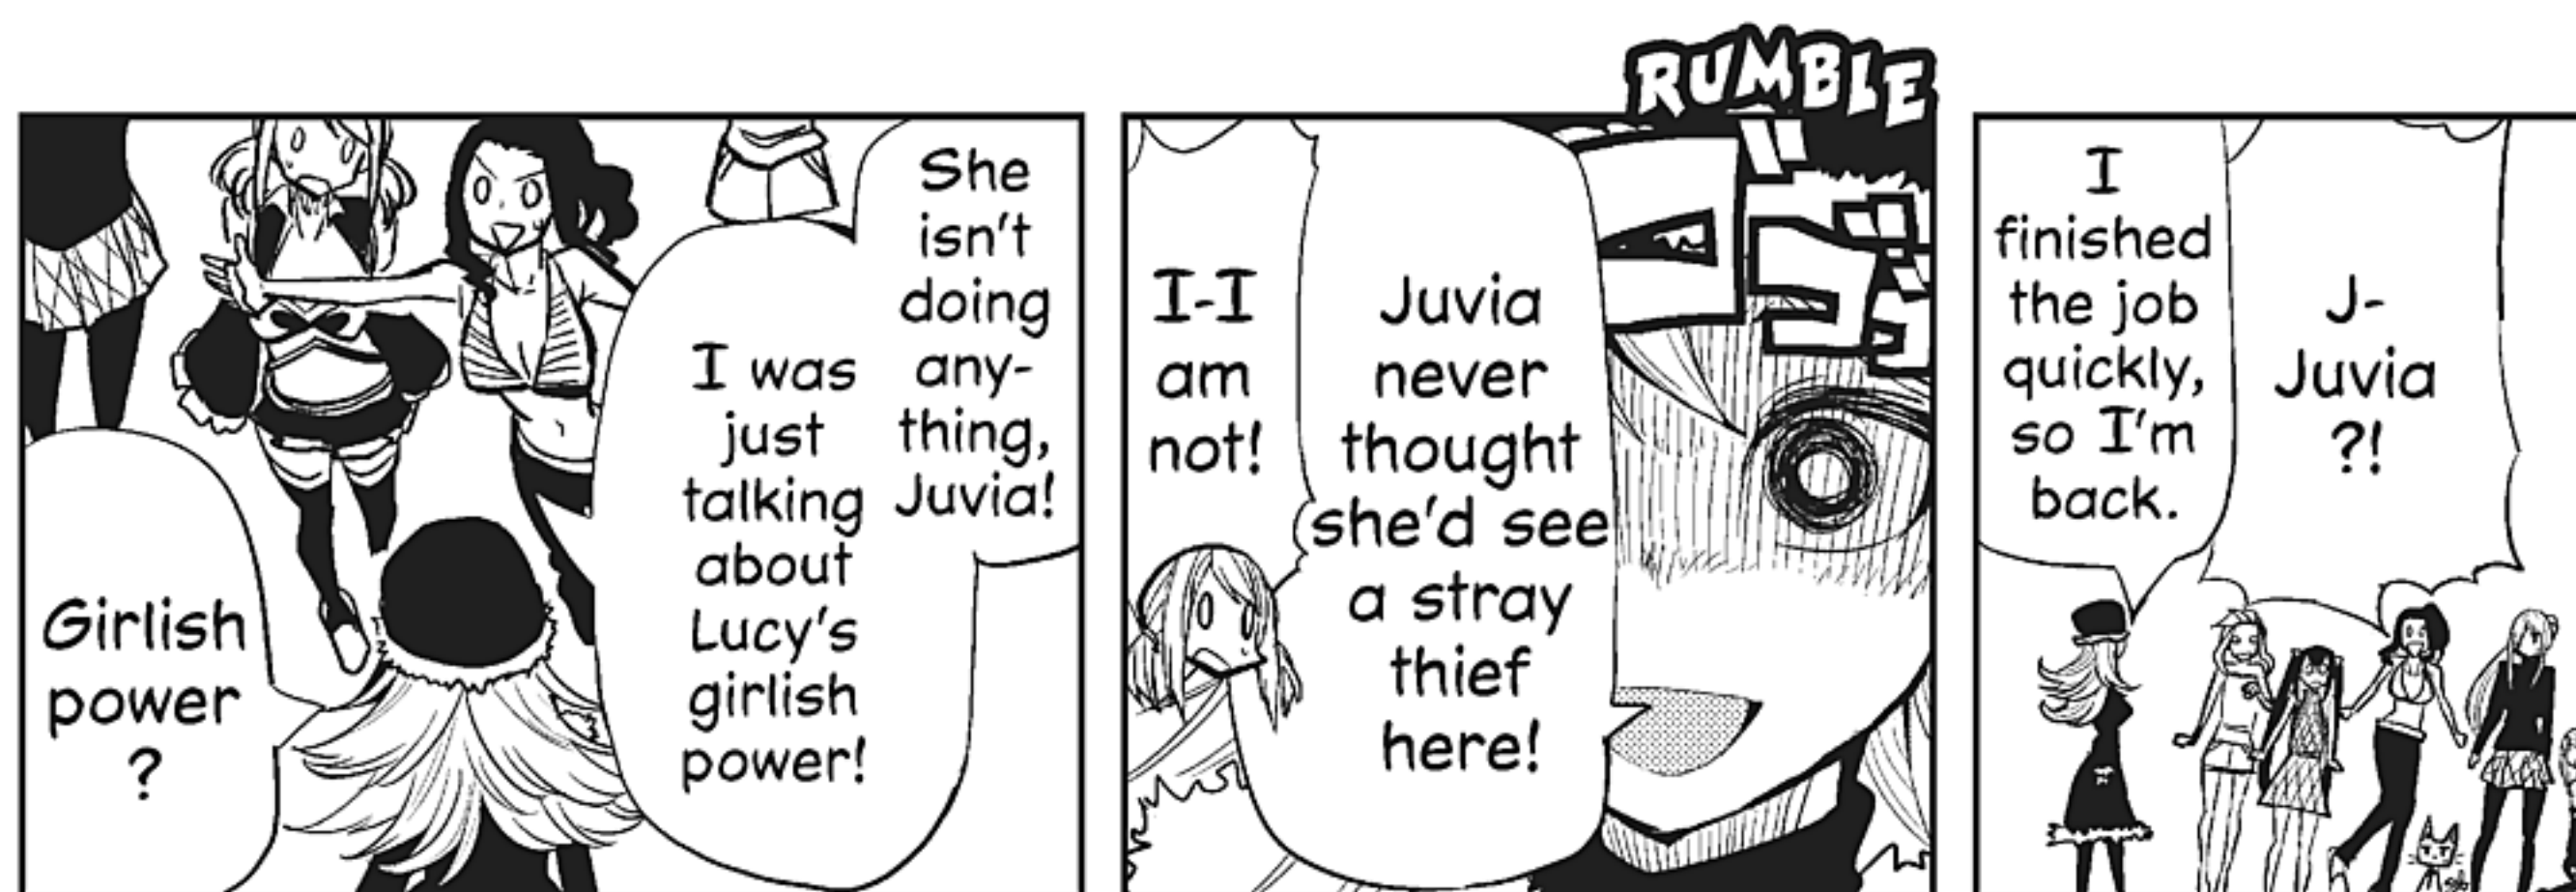

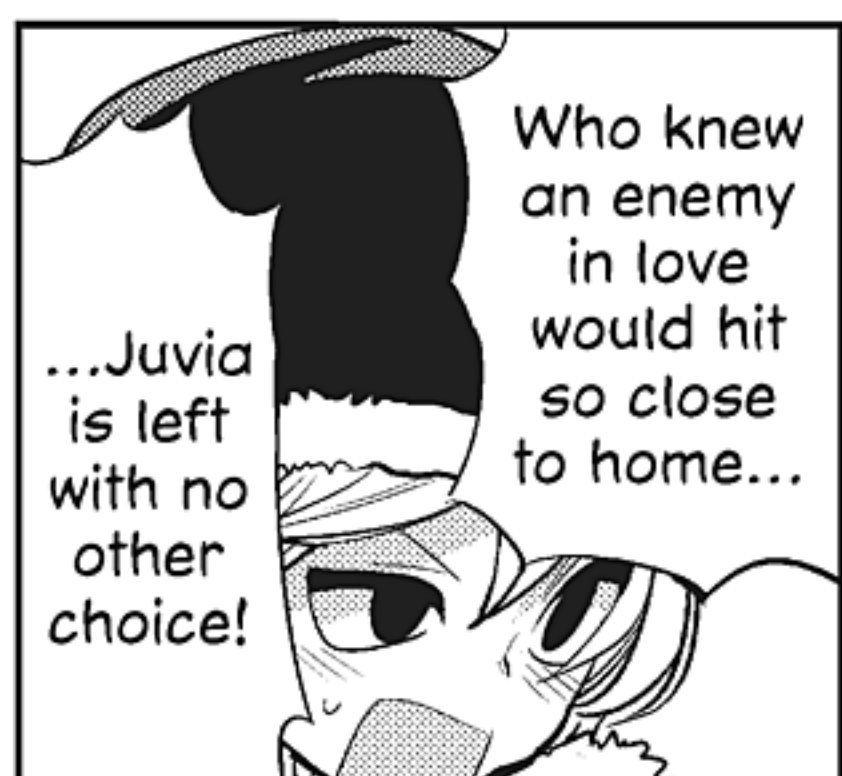

Because Gray-sama is the coolest man in the world!

What are you even talking about?!

...Juvia is left with no other choice!

Who knew an enemy in love would hit so close to home...

AND NOW YOU'RE GOING TO STEAL GRAY-SAMA WHEN I'M NOT LOOKING?!

Why is that always your conclusion?!

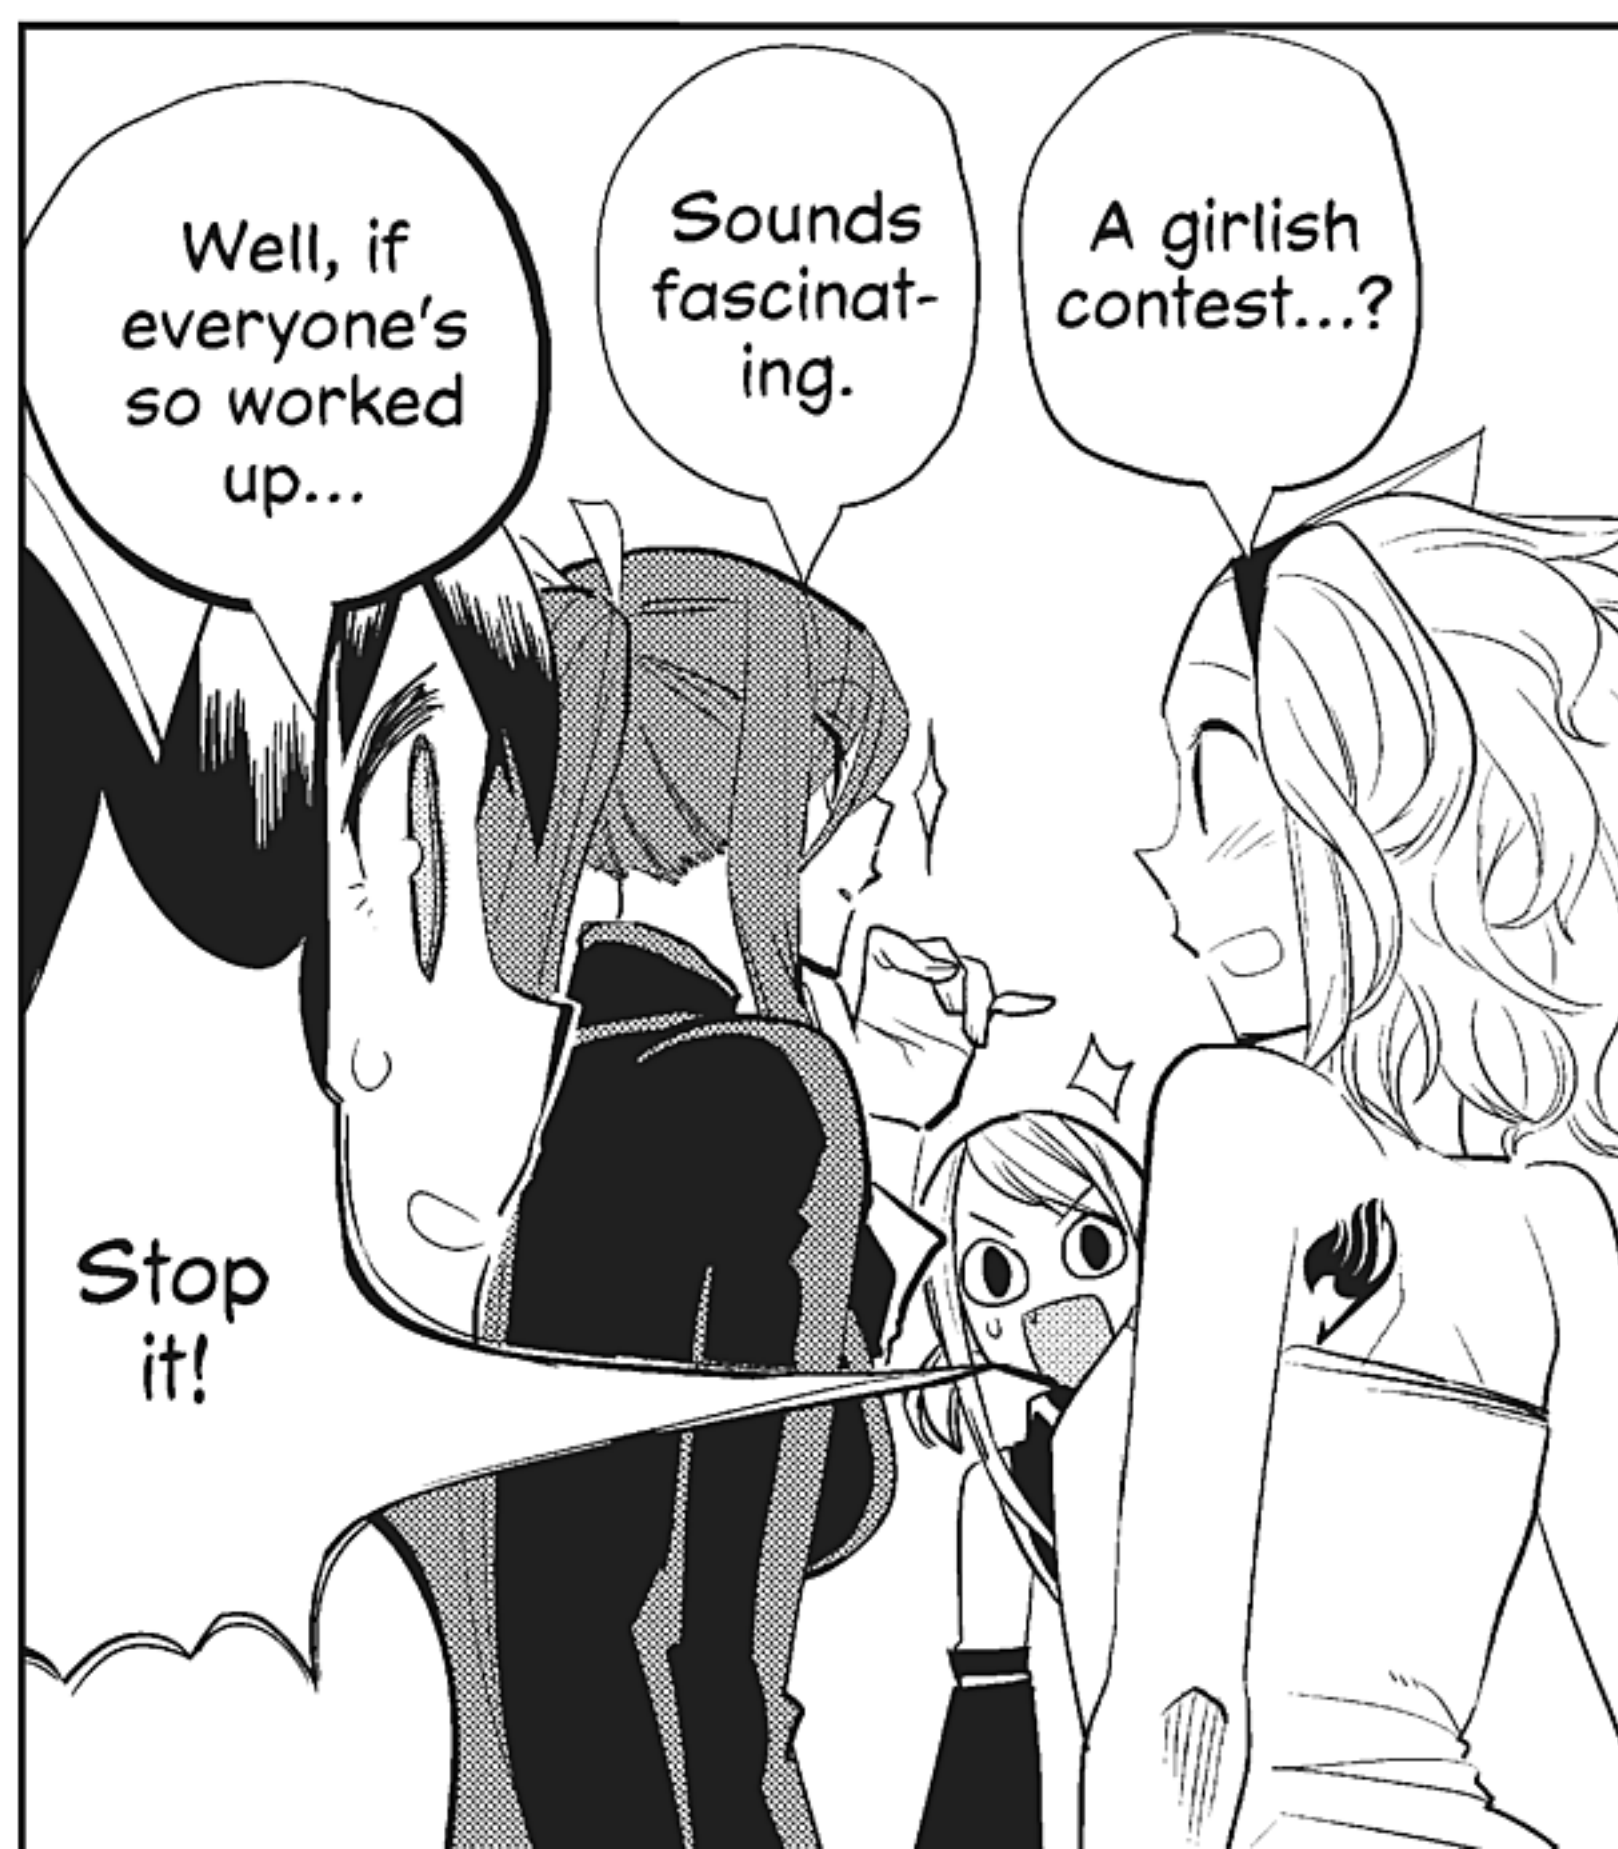

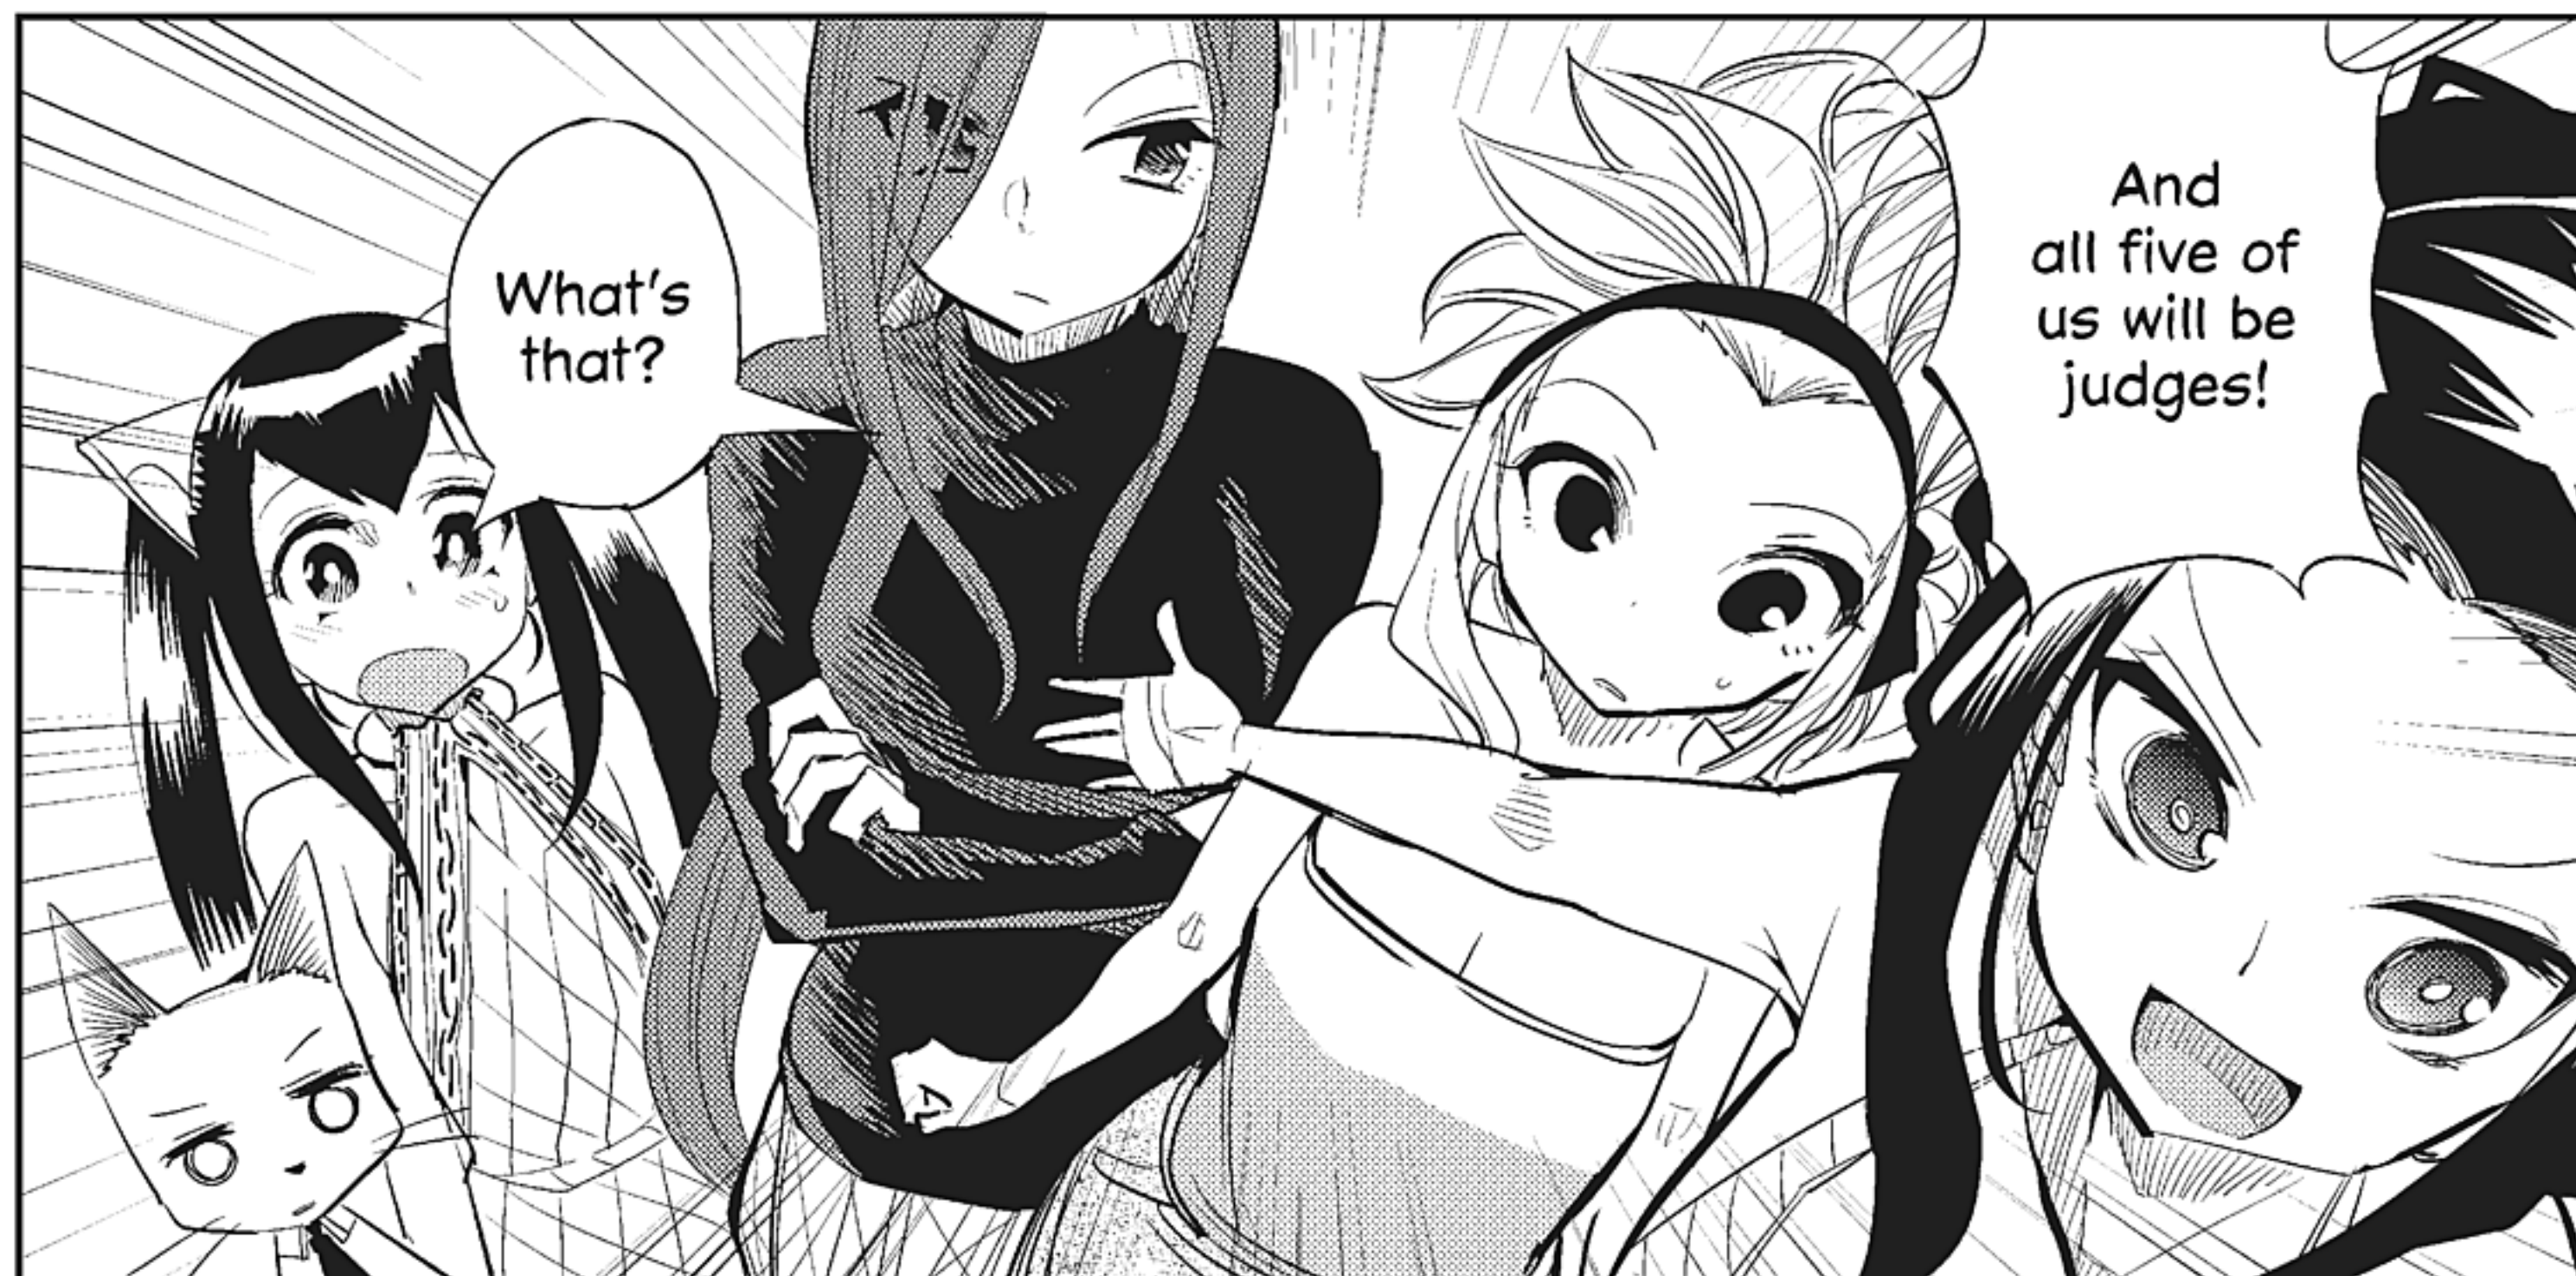

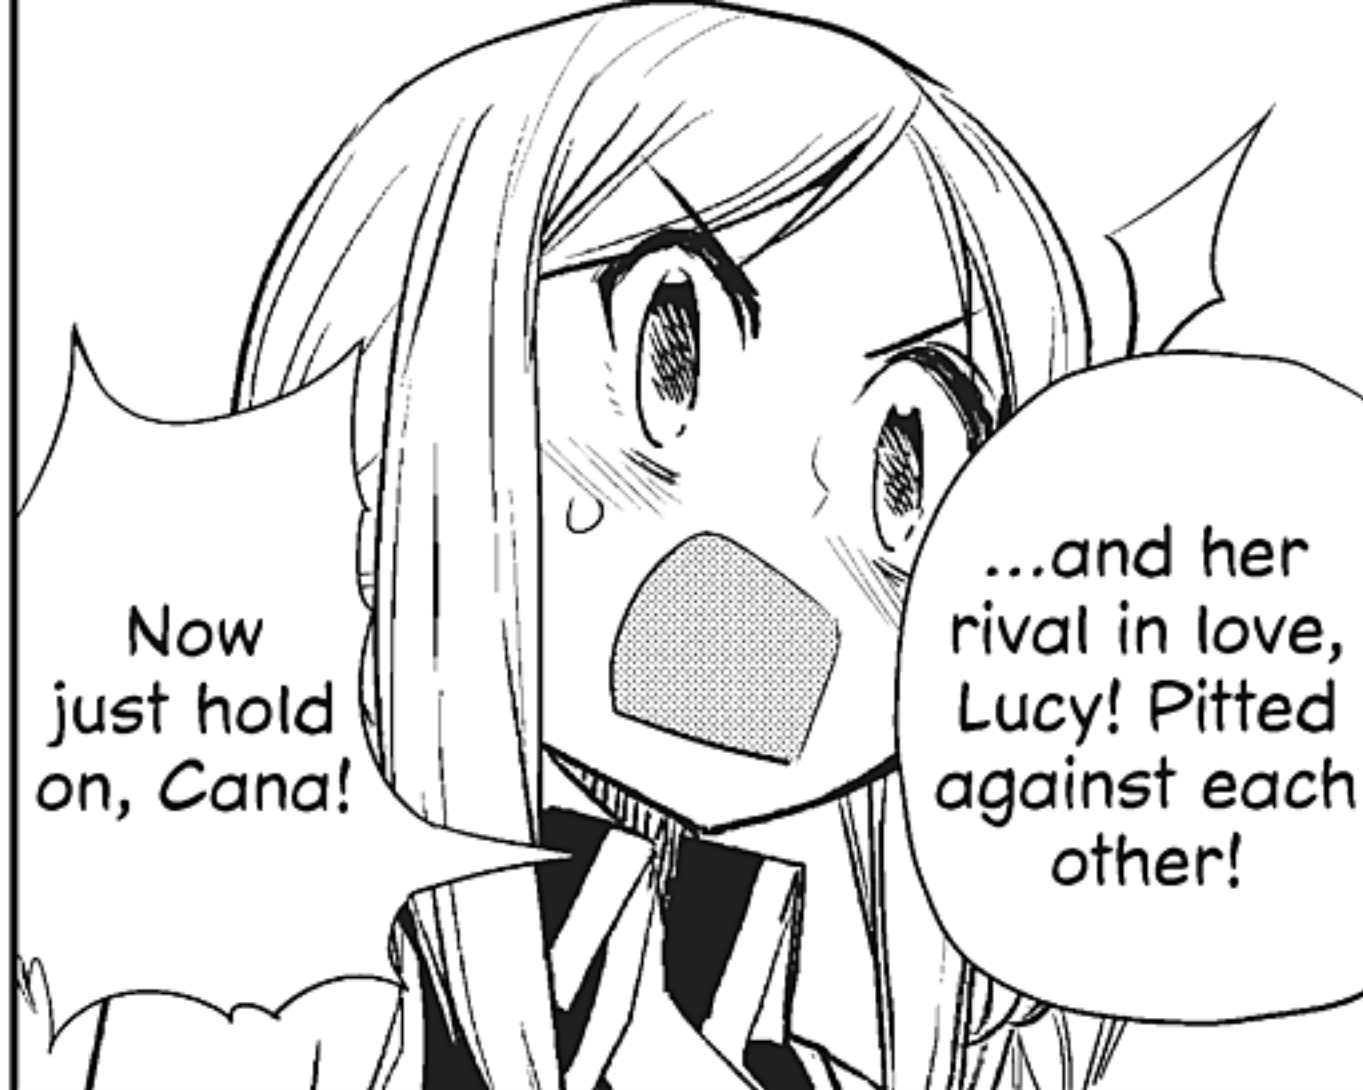

Huh?!

Lucy! Juvia challenges you to a contest of girlish power!

And the loser must remove all claims to Gray-sama!!

BAM!

I guess I'll go along with this for a bit.

Fine.

Then let the contest begin!

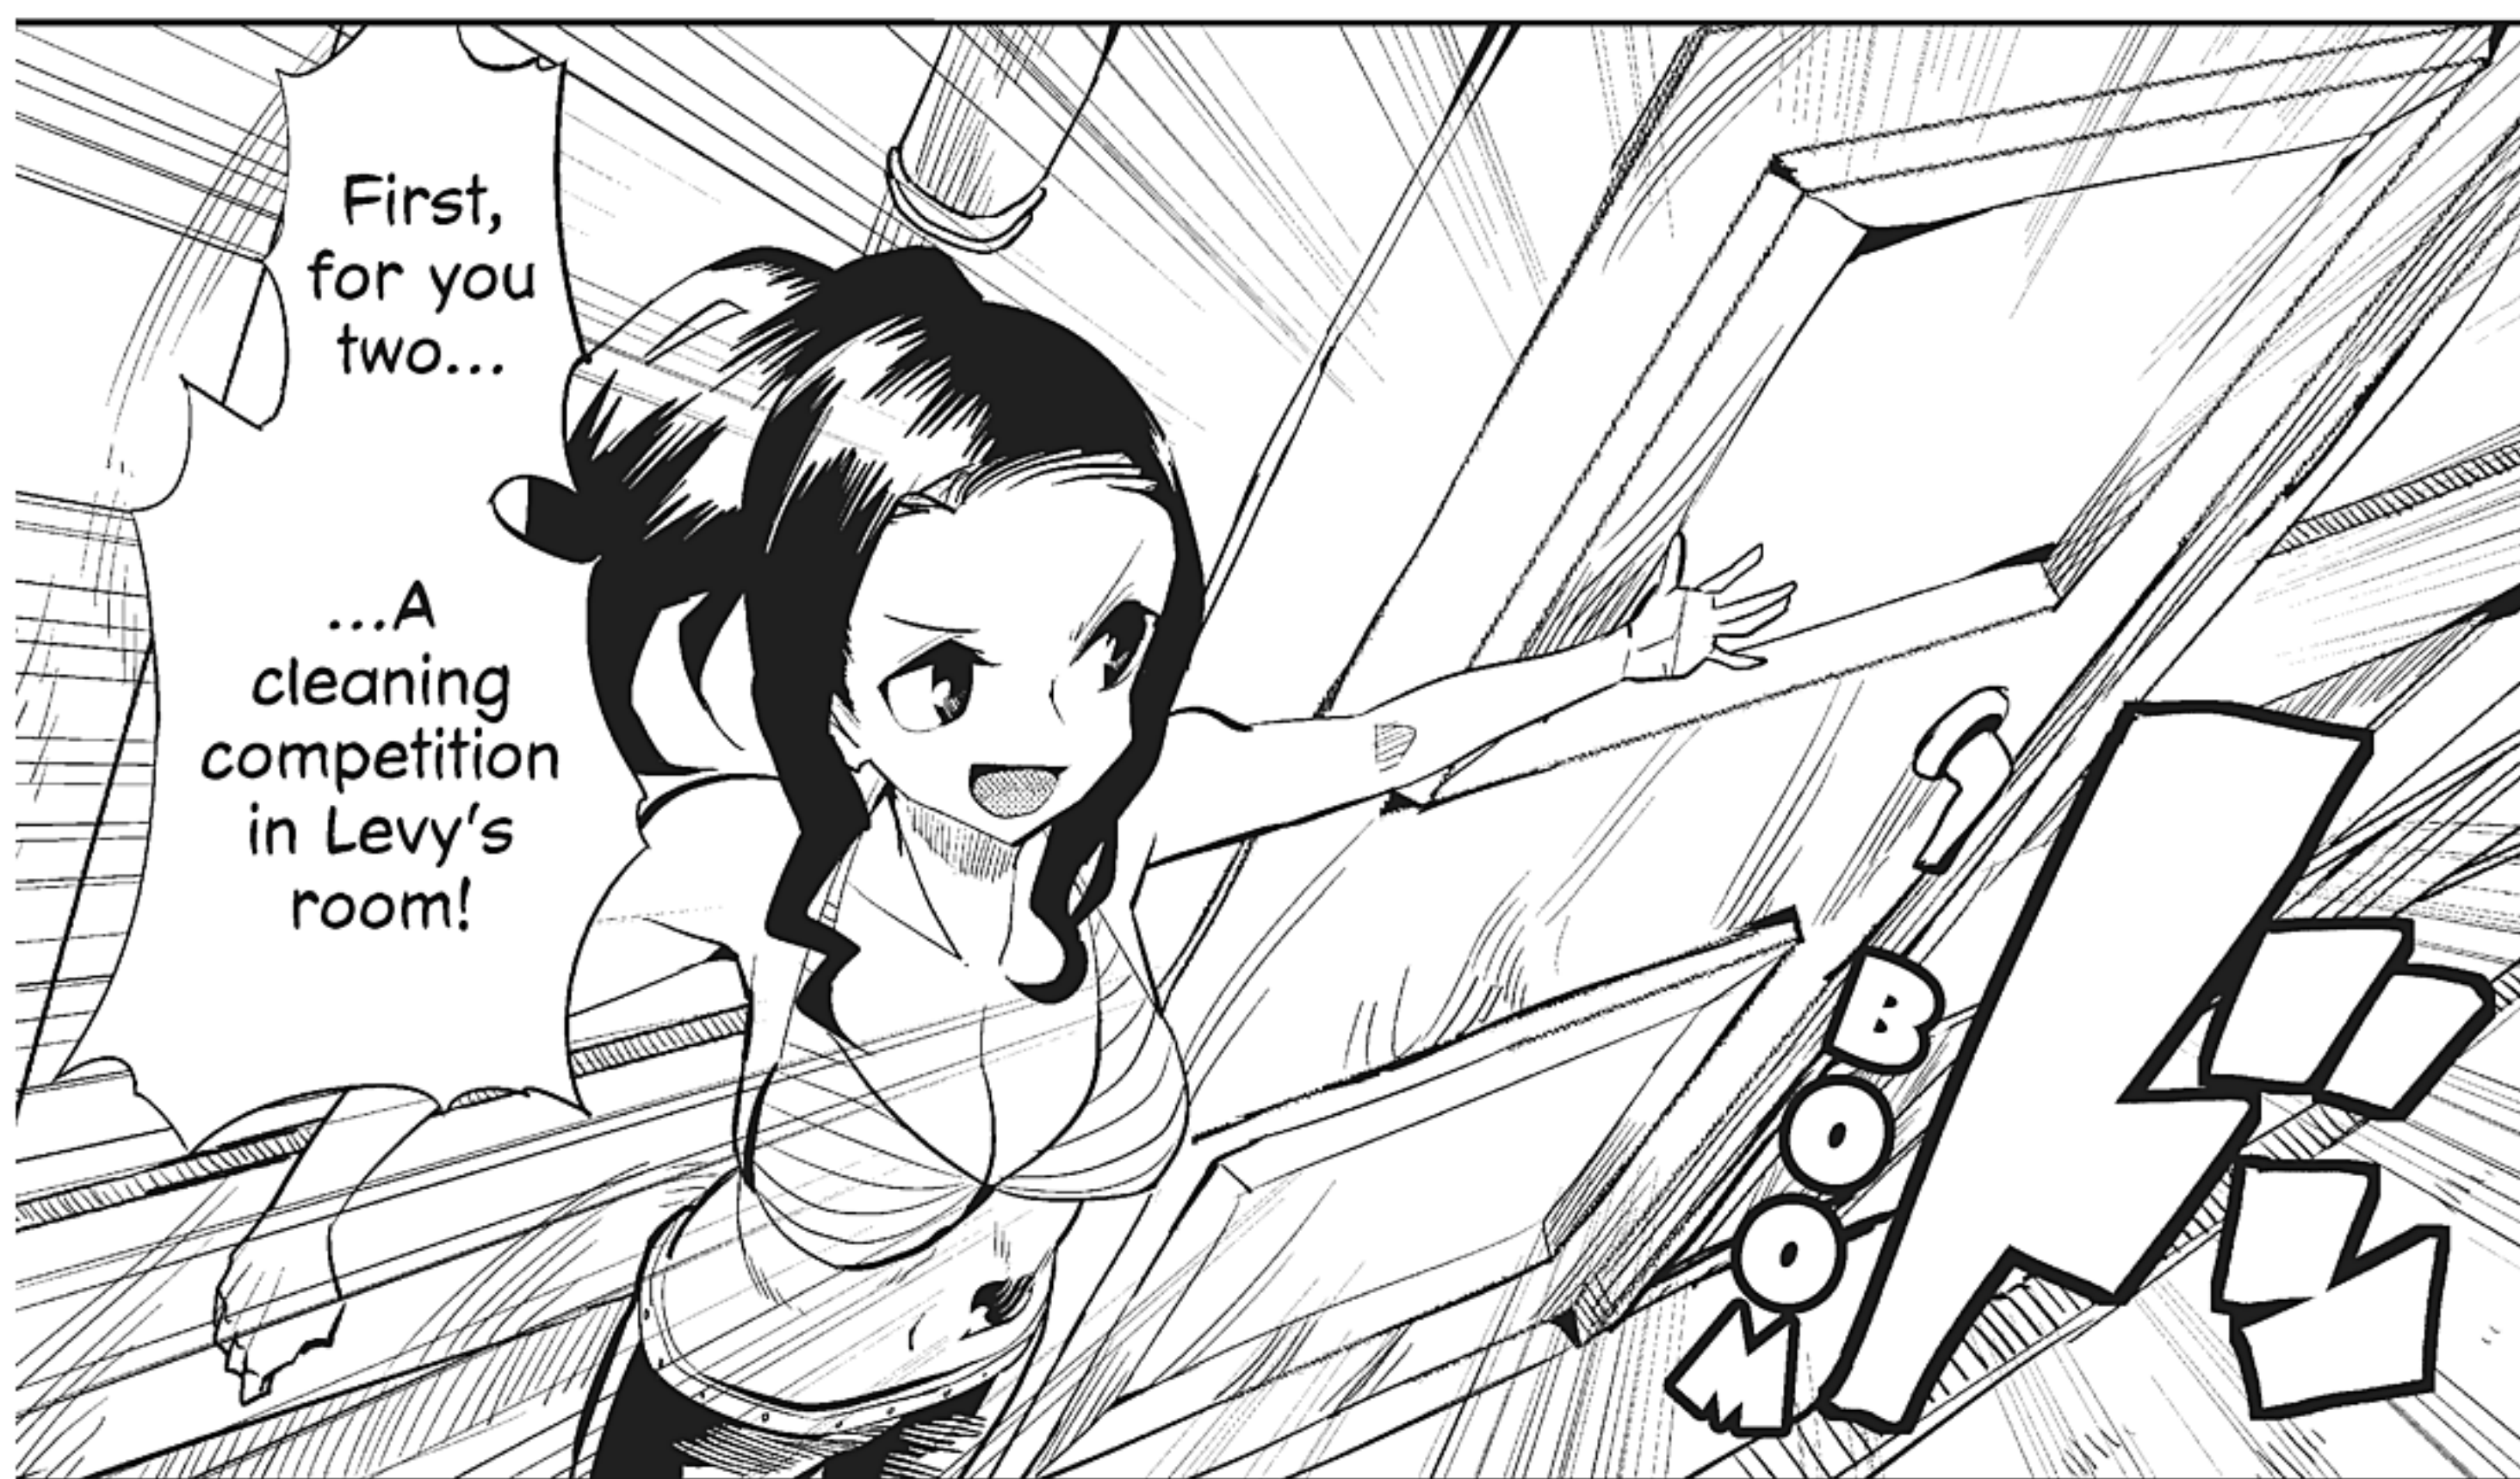

HEHE

HEHE

No worries!

You can trust my judgment!

There is no judgment more impaired than hers!

First, for you two...

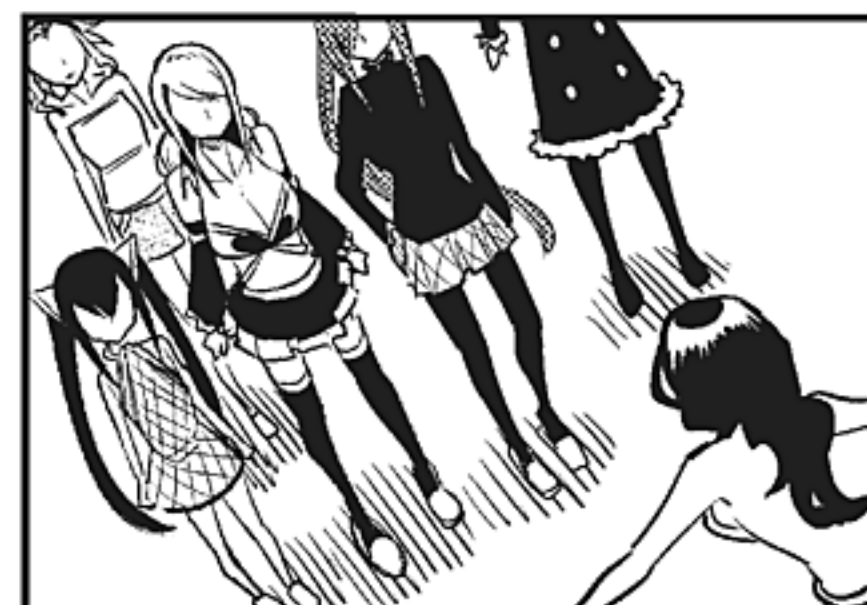

...A cleaning competition in Levy's room!

BOOR

It's fundamental for a lady to always keep her space tidy.

Cleaning competition?! My room?!

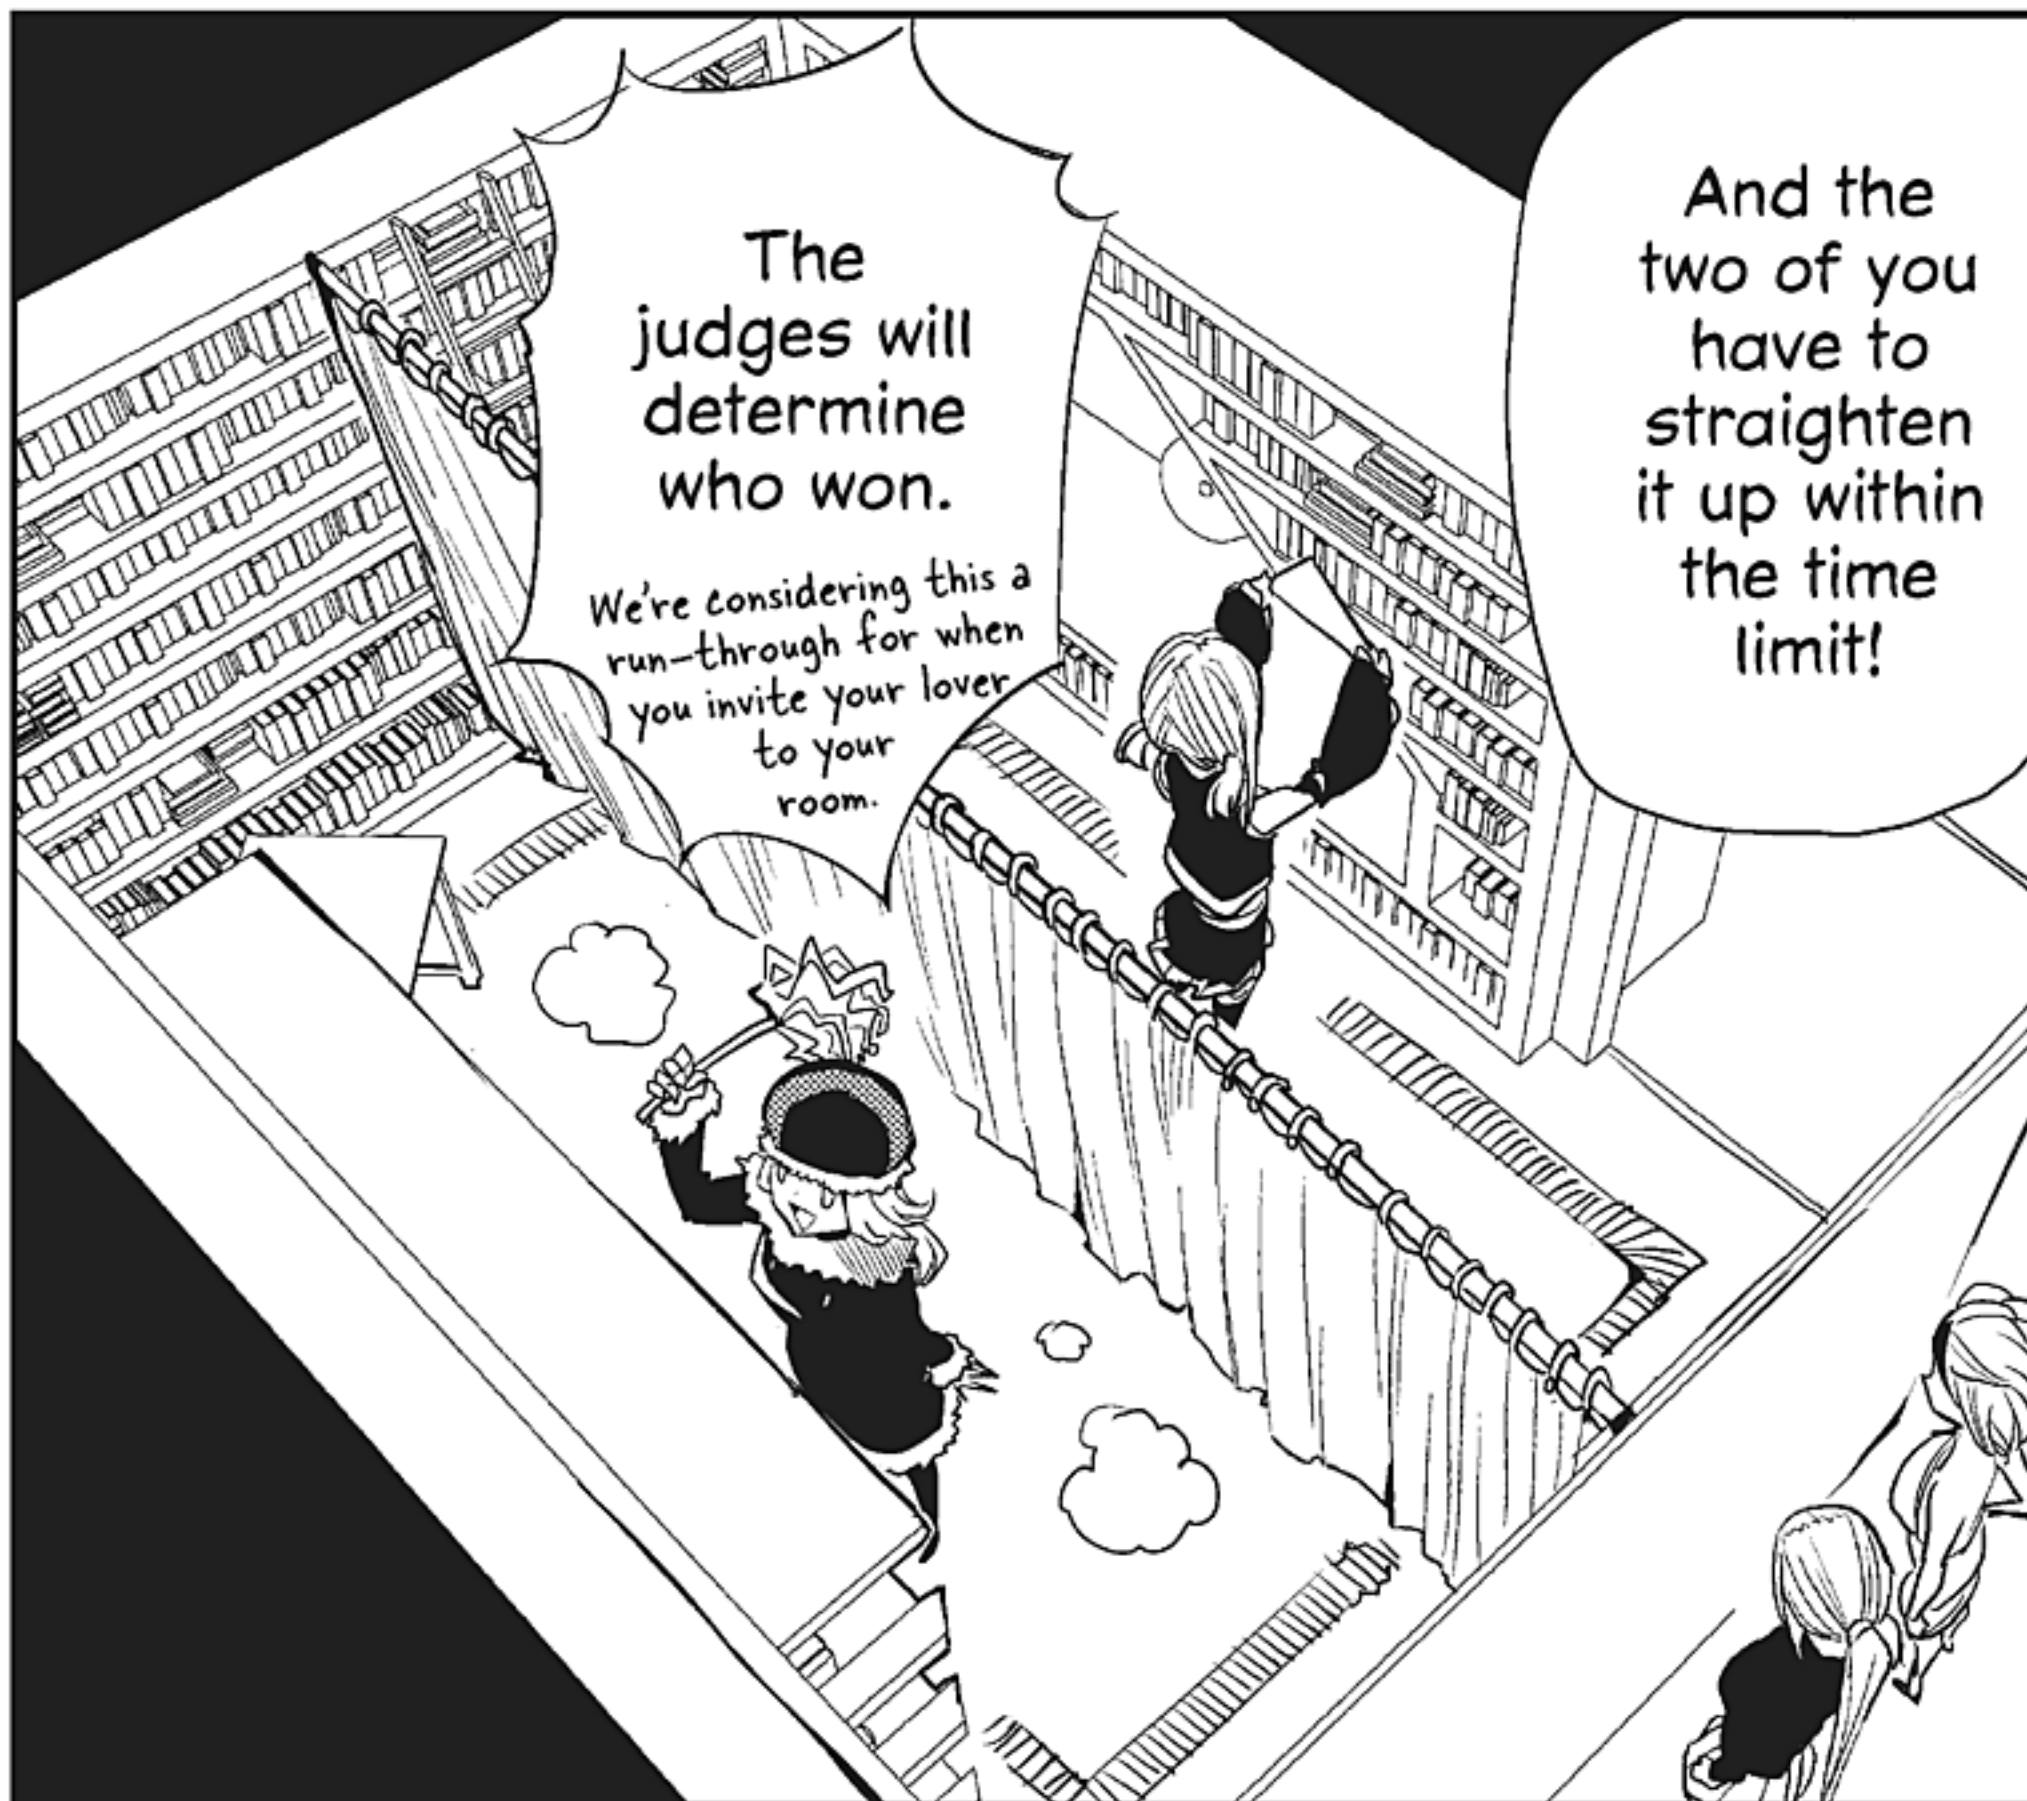

What a rotten thing to do, Cana!

For the purposes of this challenge ...

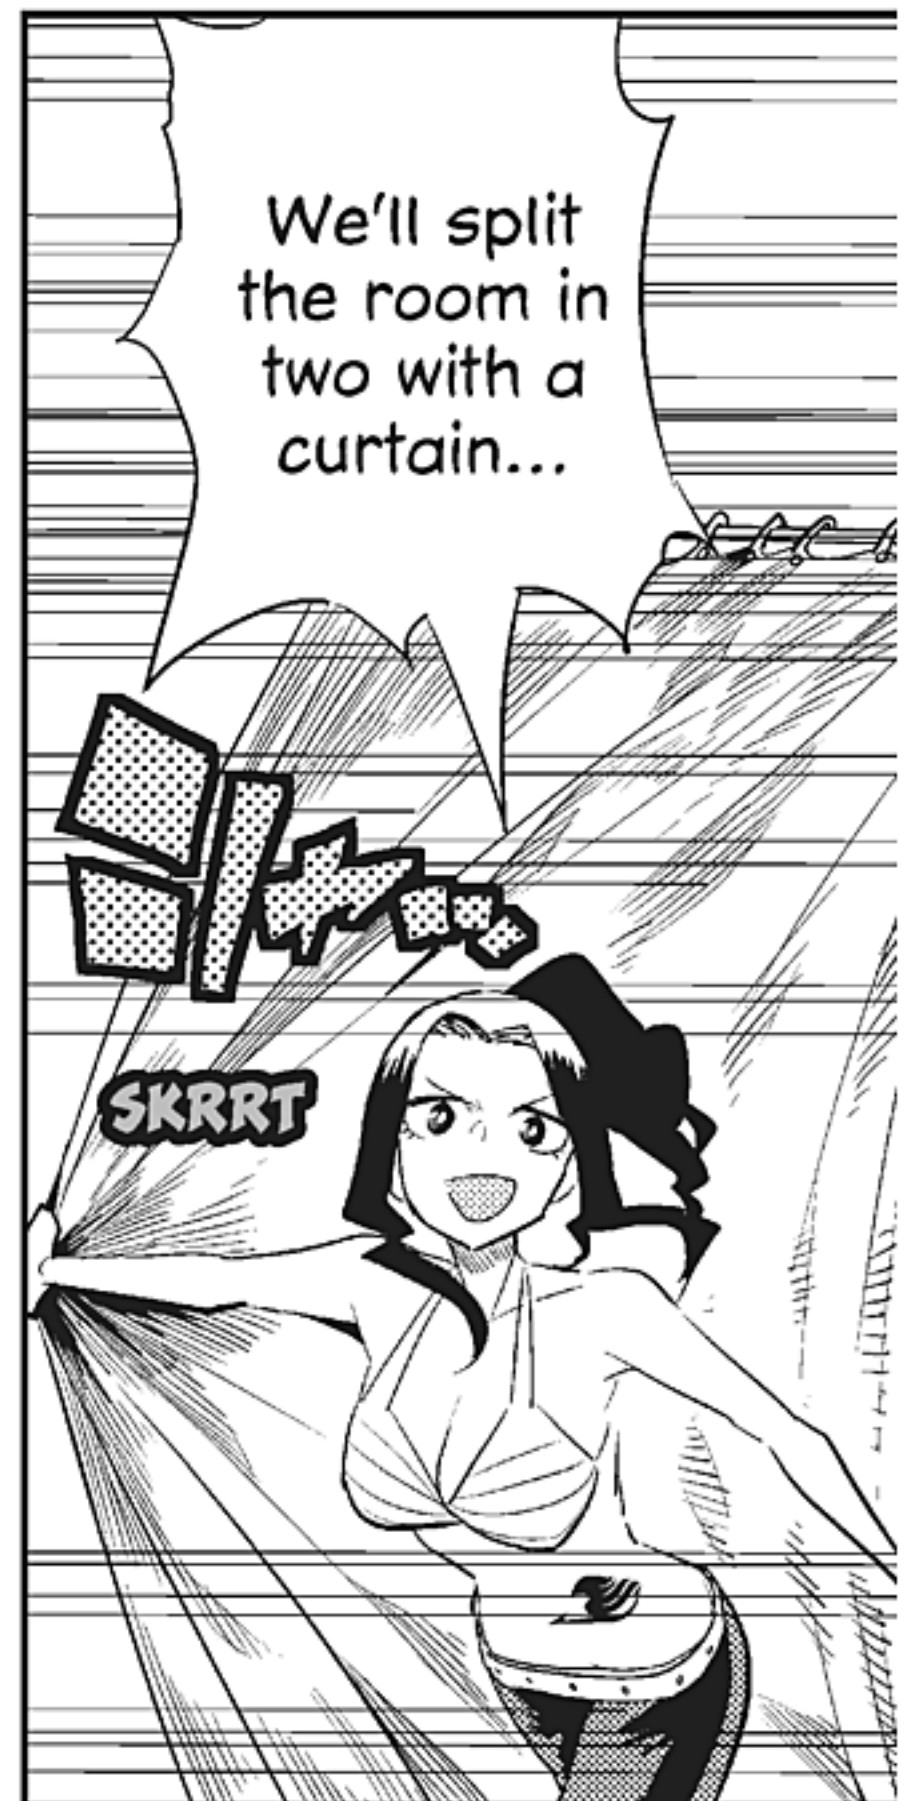

...I've pushed over all of Levy's stacks of books!

The judges will determine who won.

We're considering this a run-through for when you invite your lover to your room.

And the two of you have to straighten it up within the time limit!

We'll split the room in two with a curtain...

Well, whatever. Let's just get this over with.

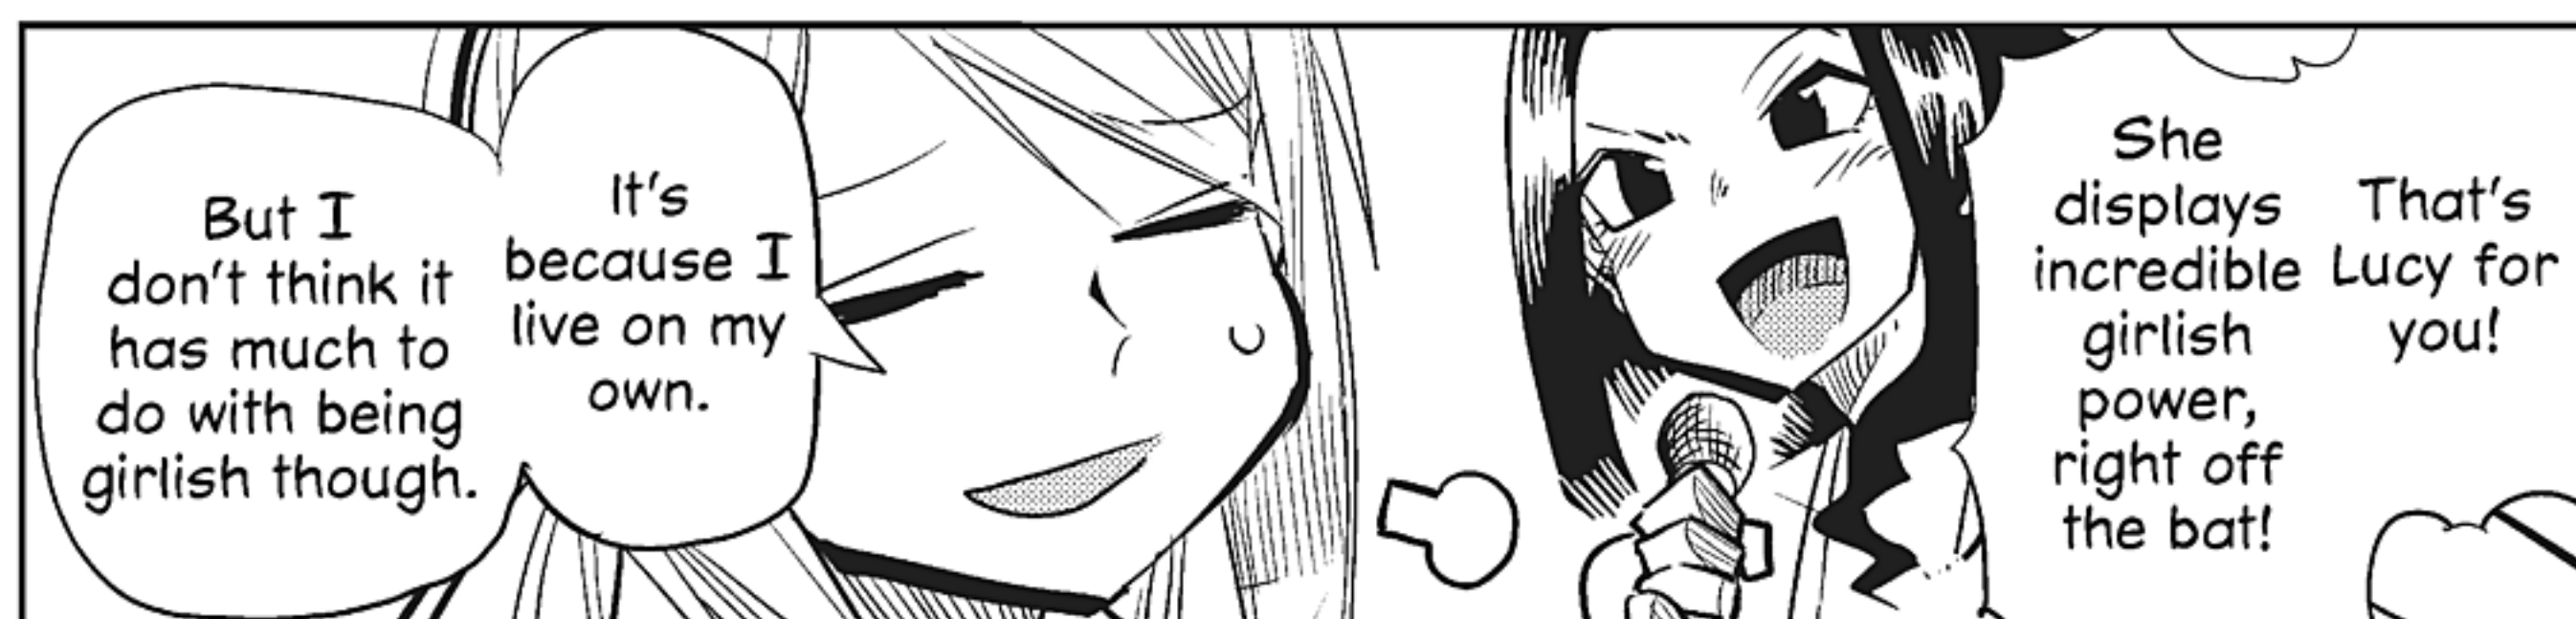

I only came here because they promised me dinner after we clean, so why am I doing this?

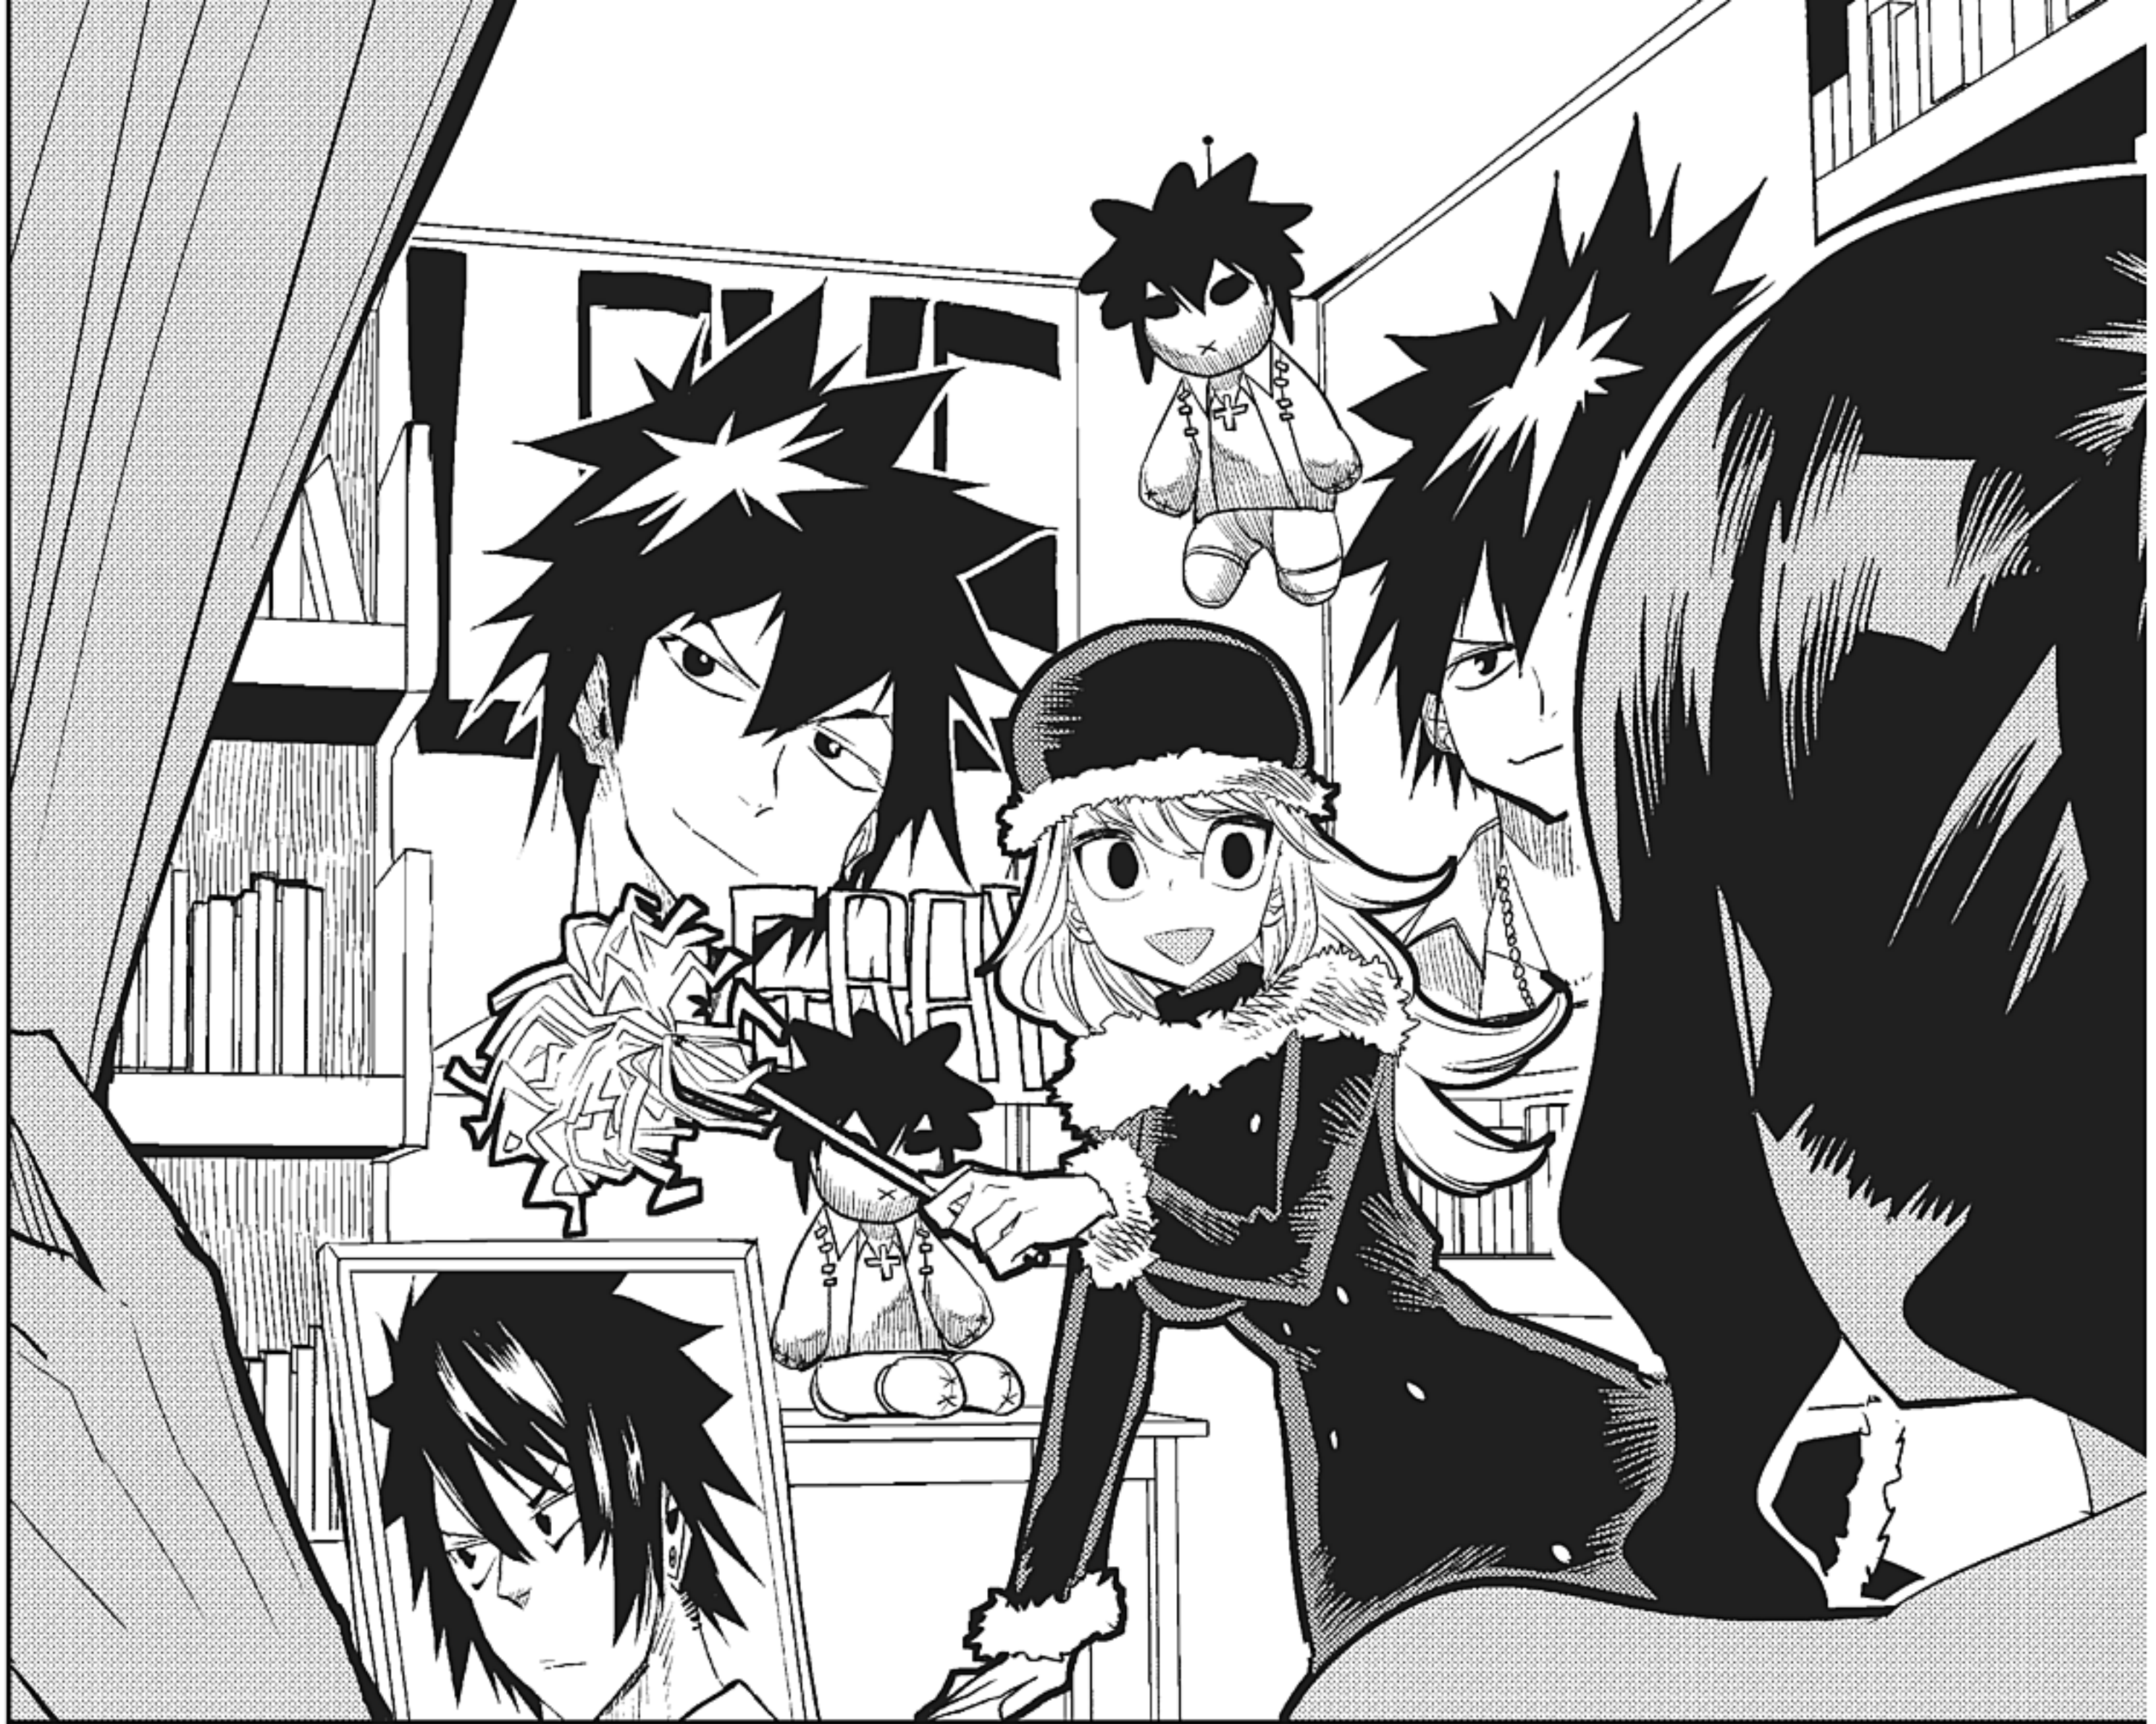

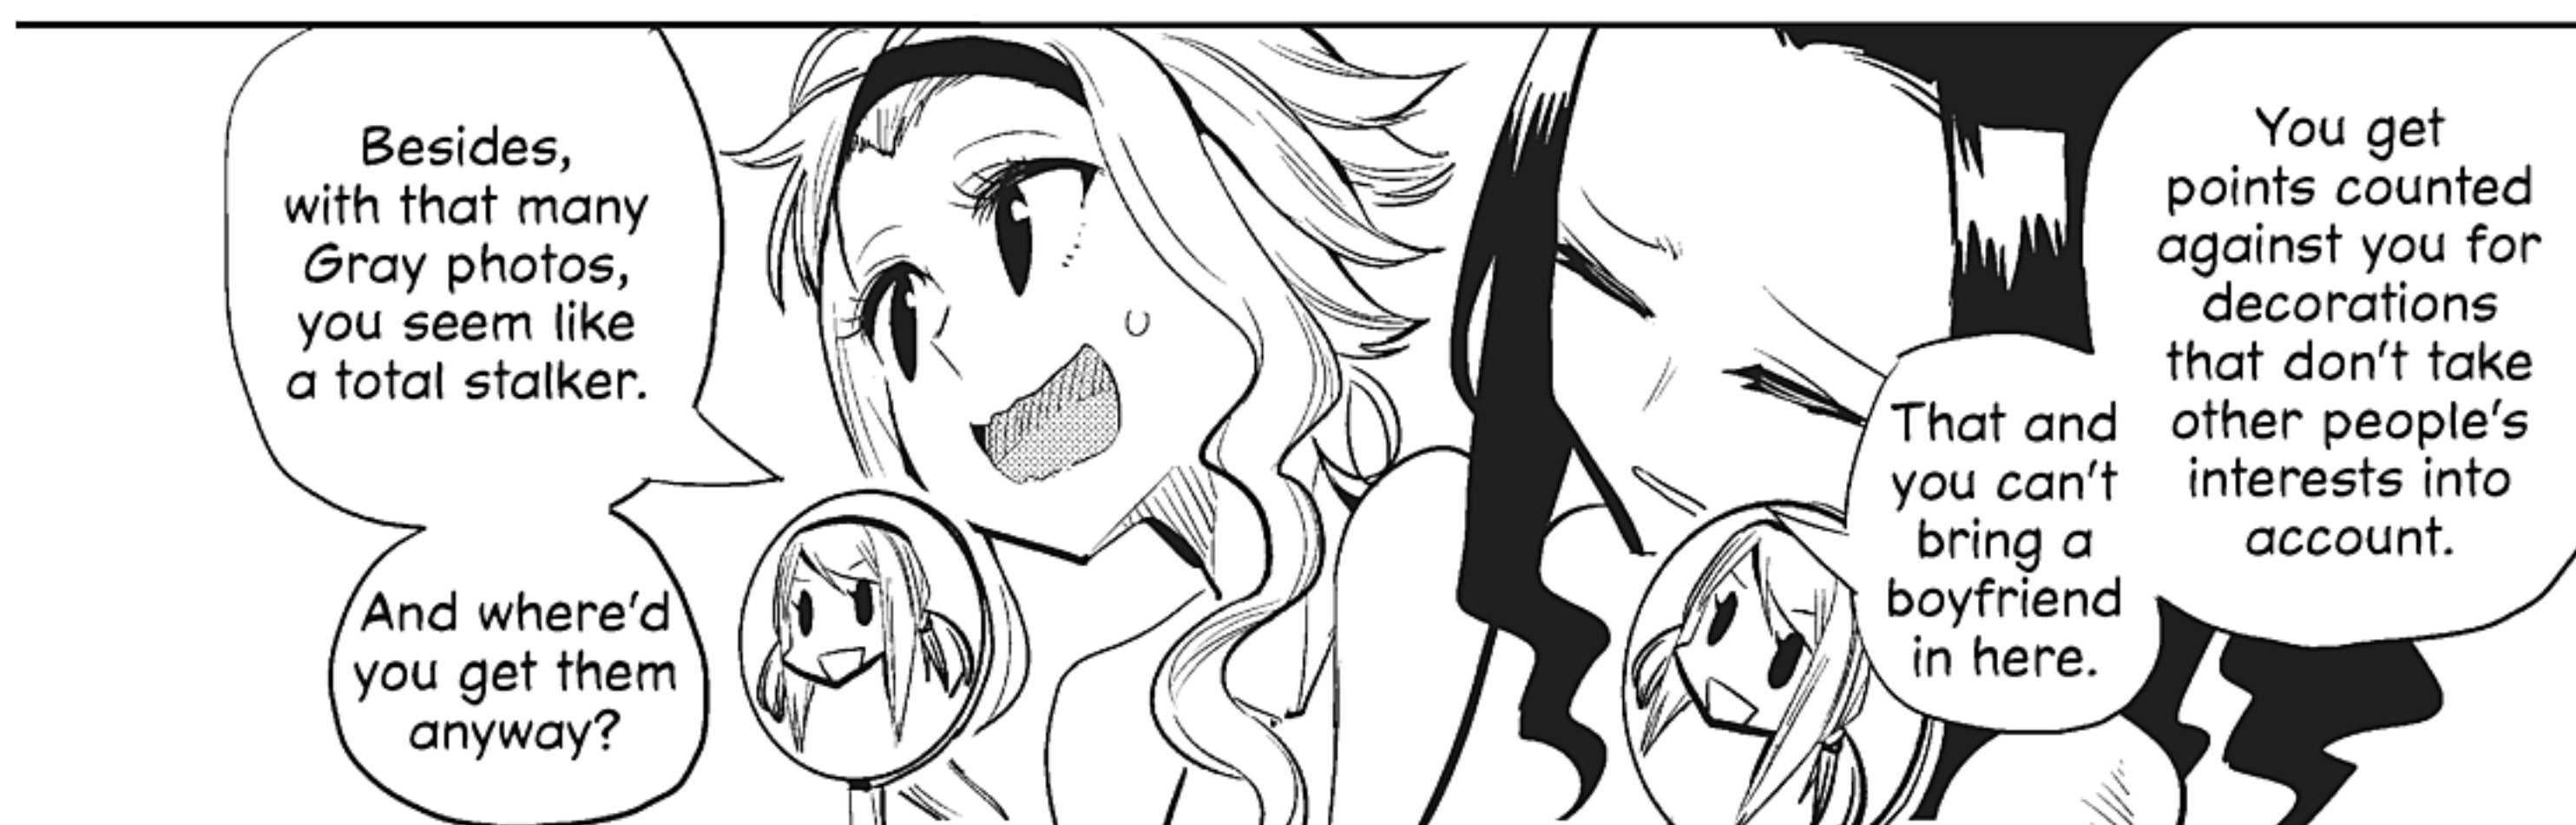

Honestly ...

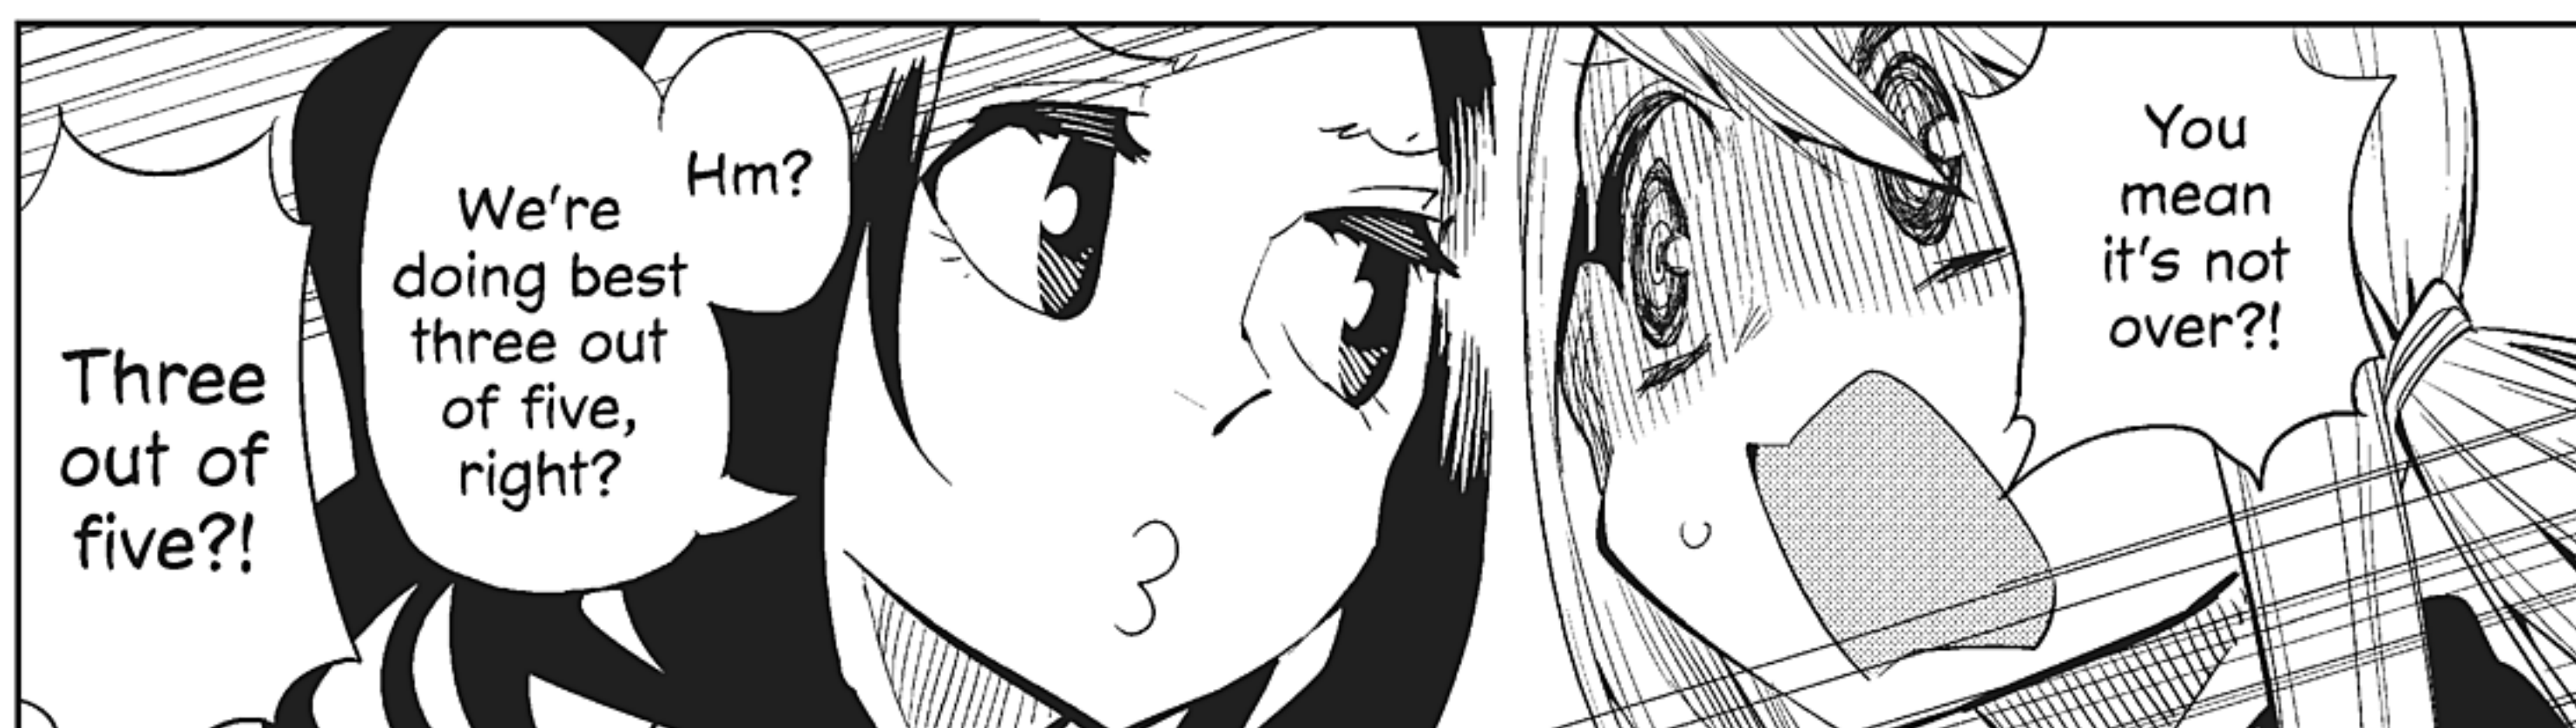

Ready? Start!

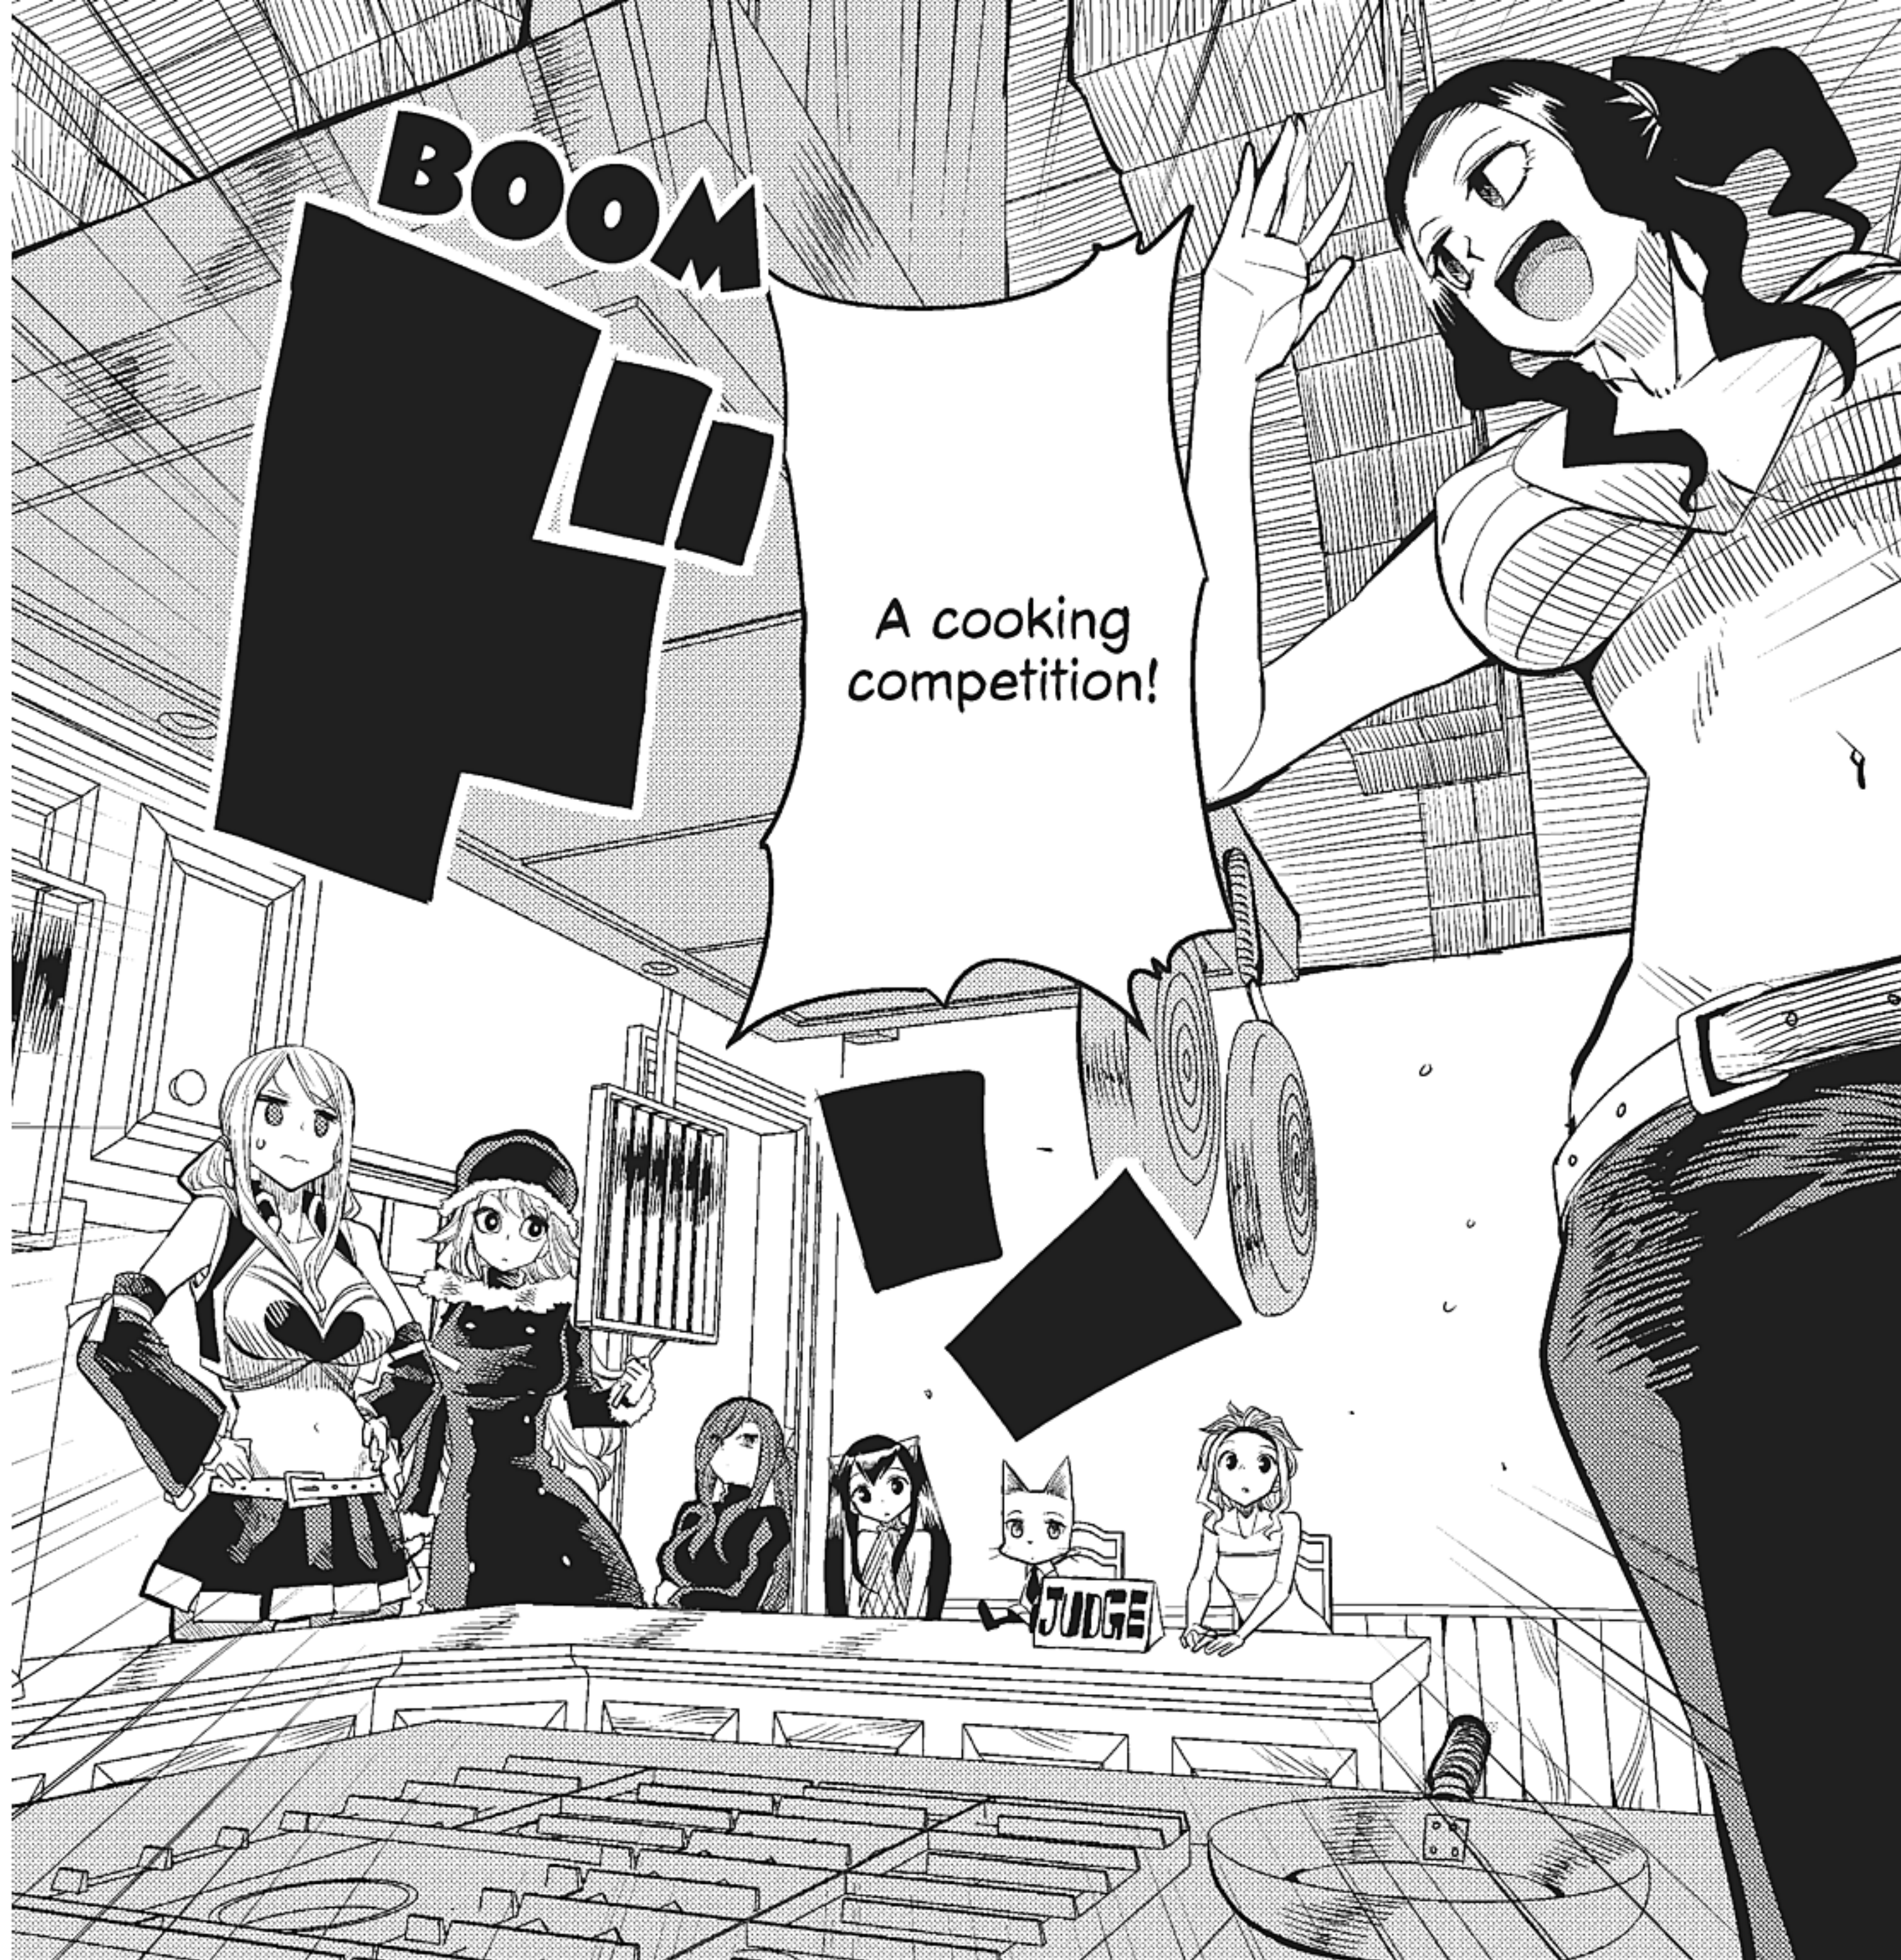

Here Juvia goes!

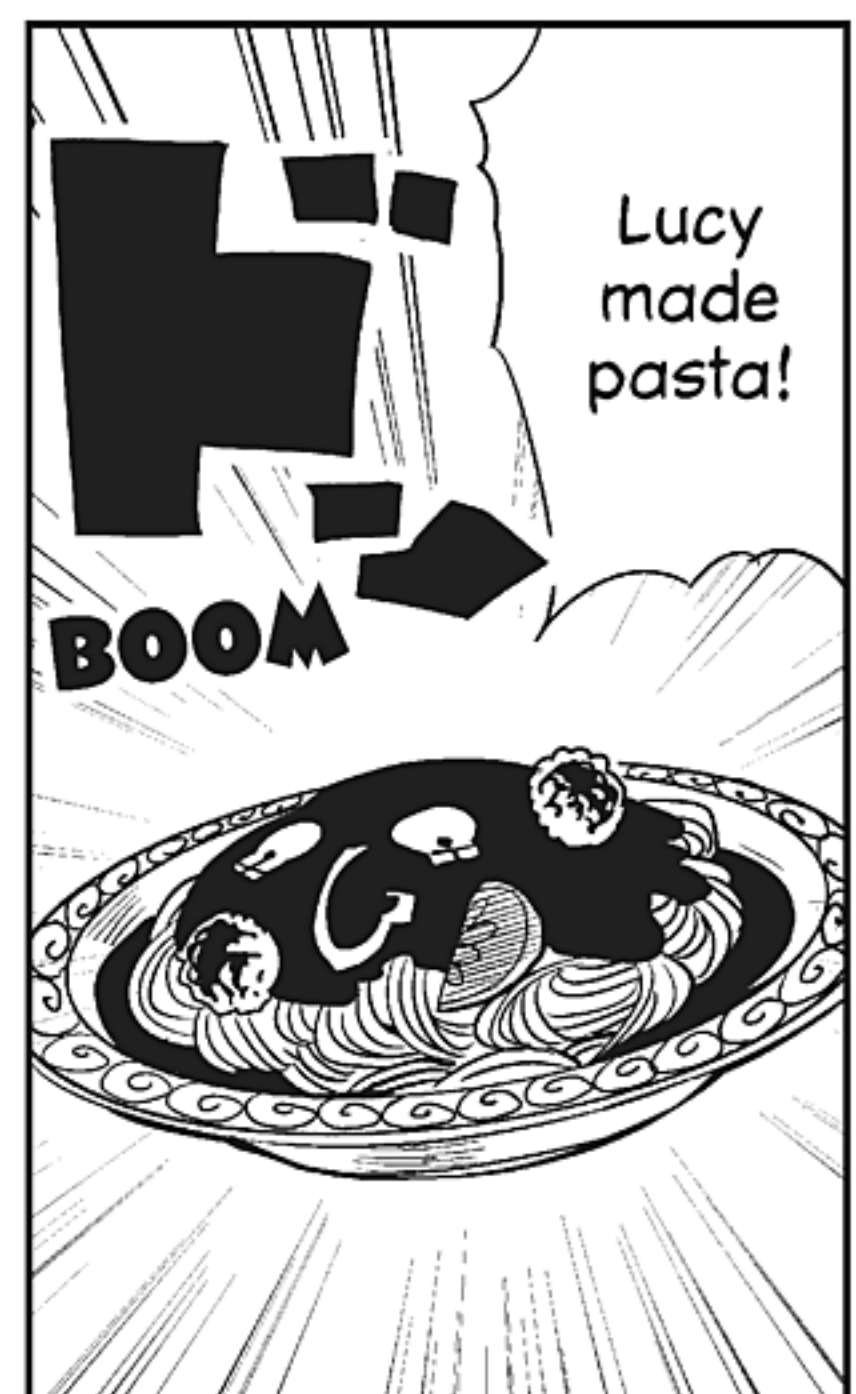

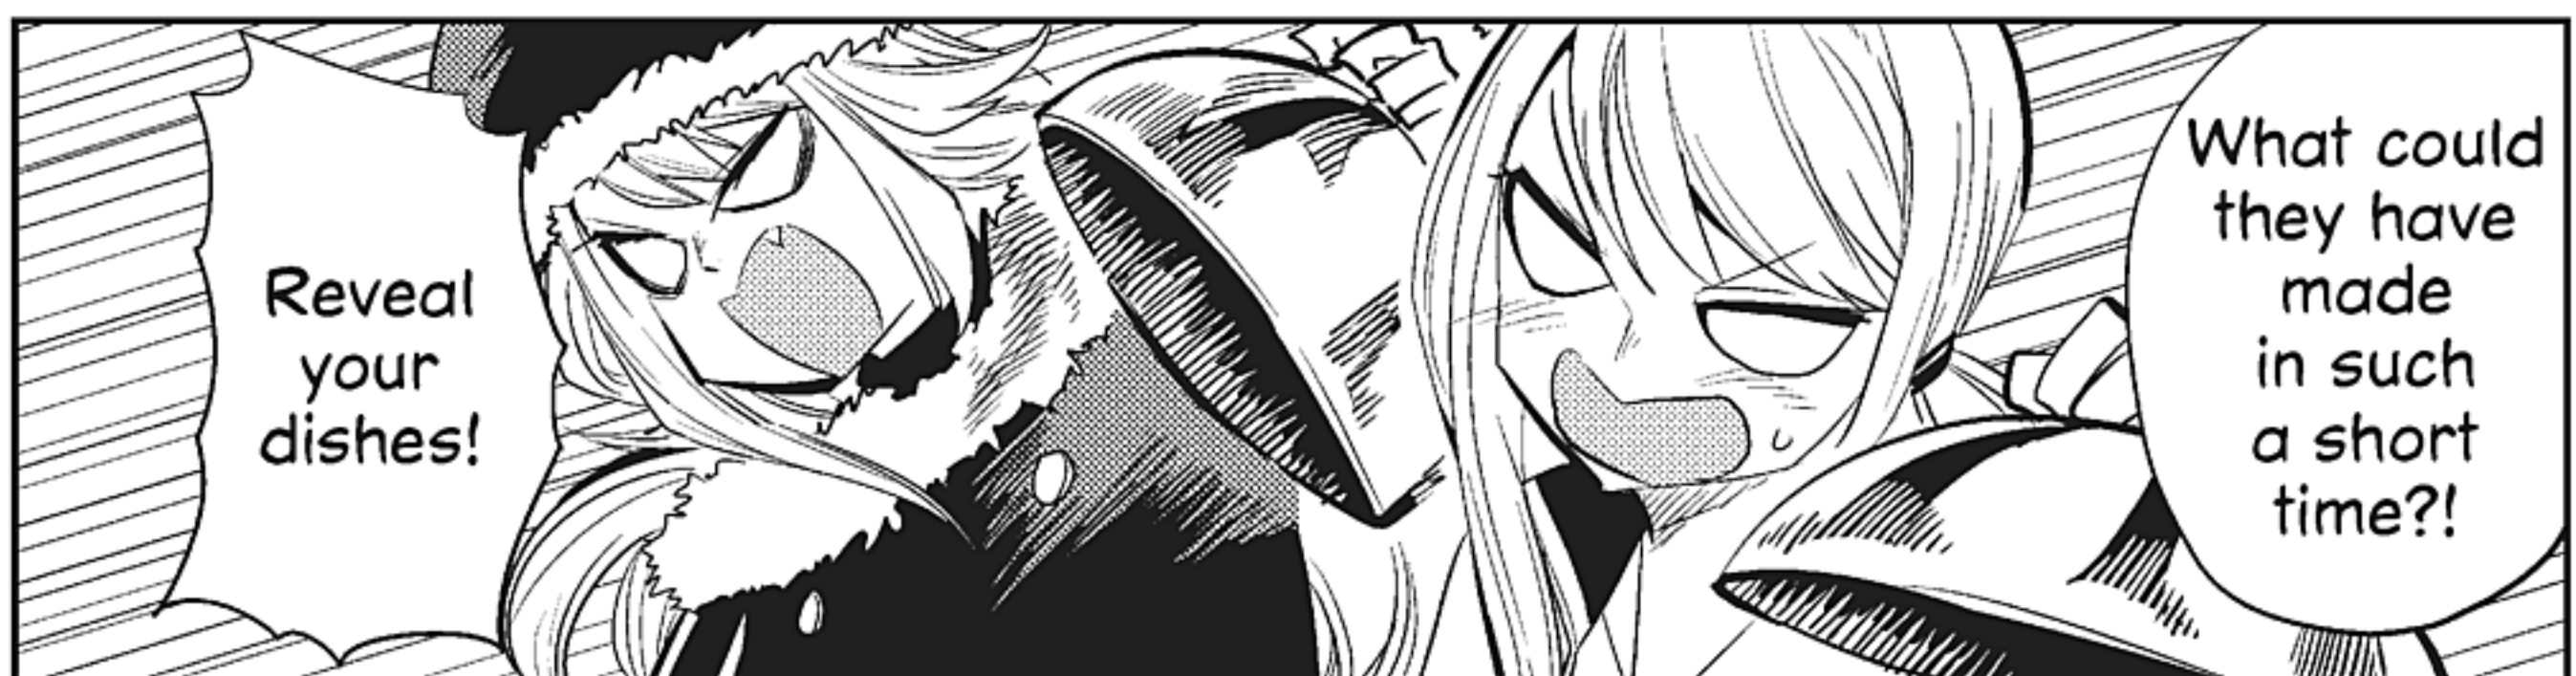

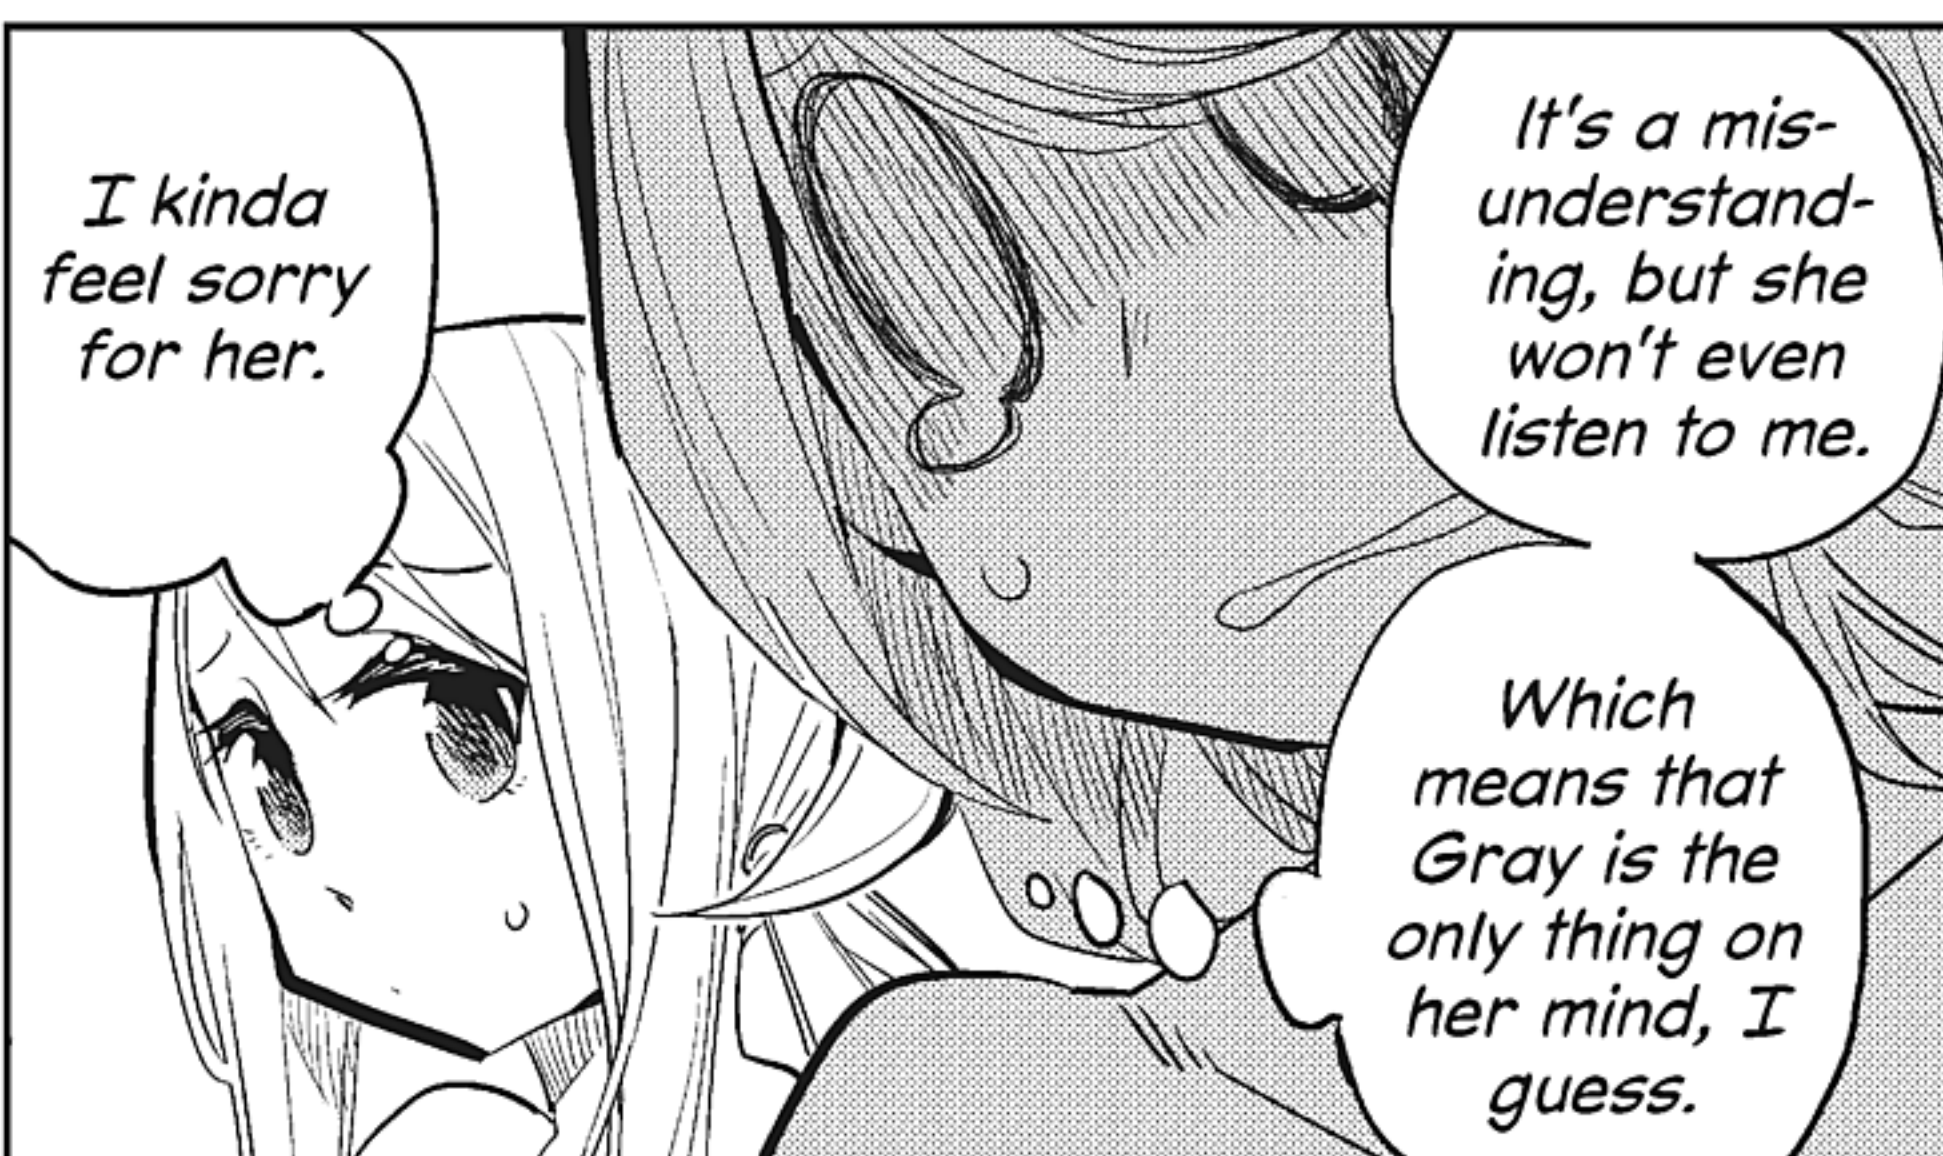

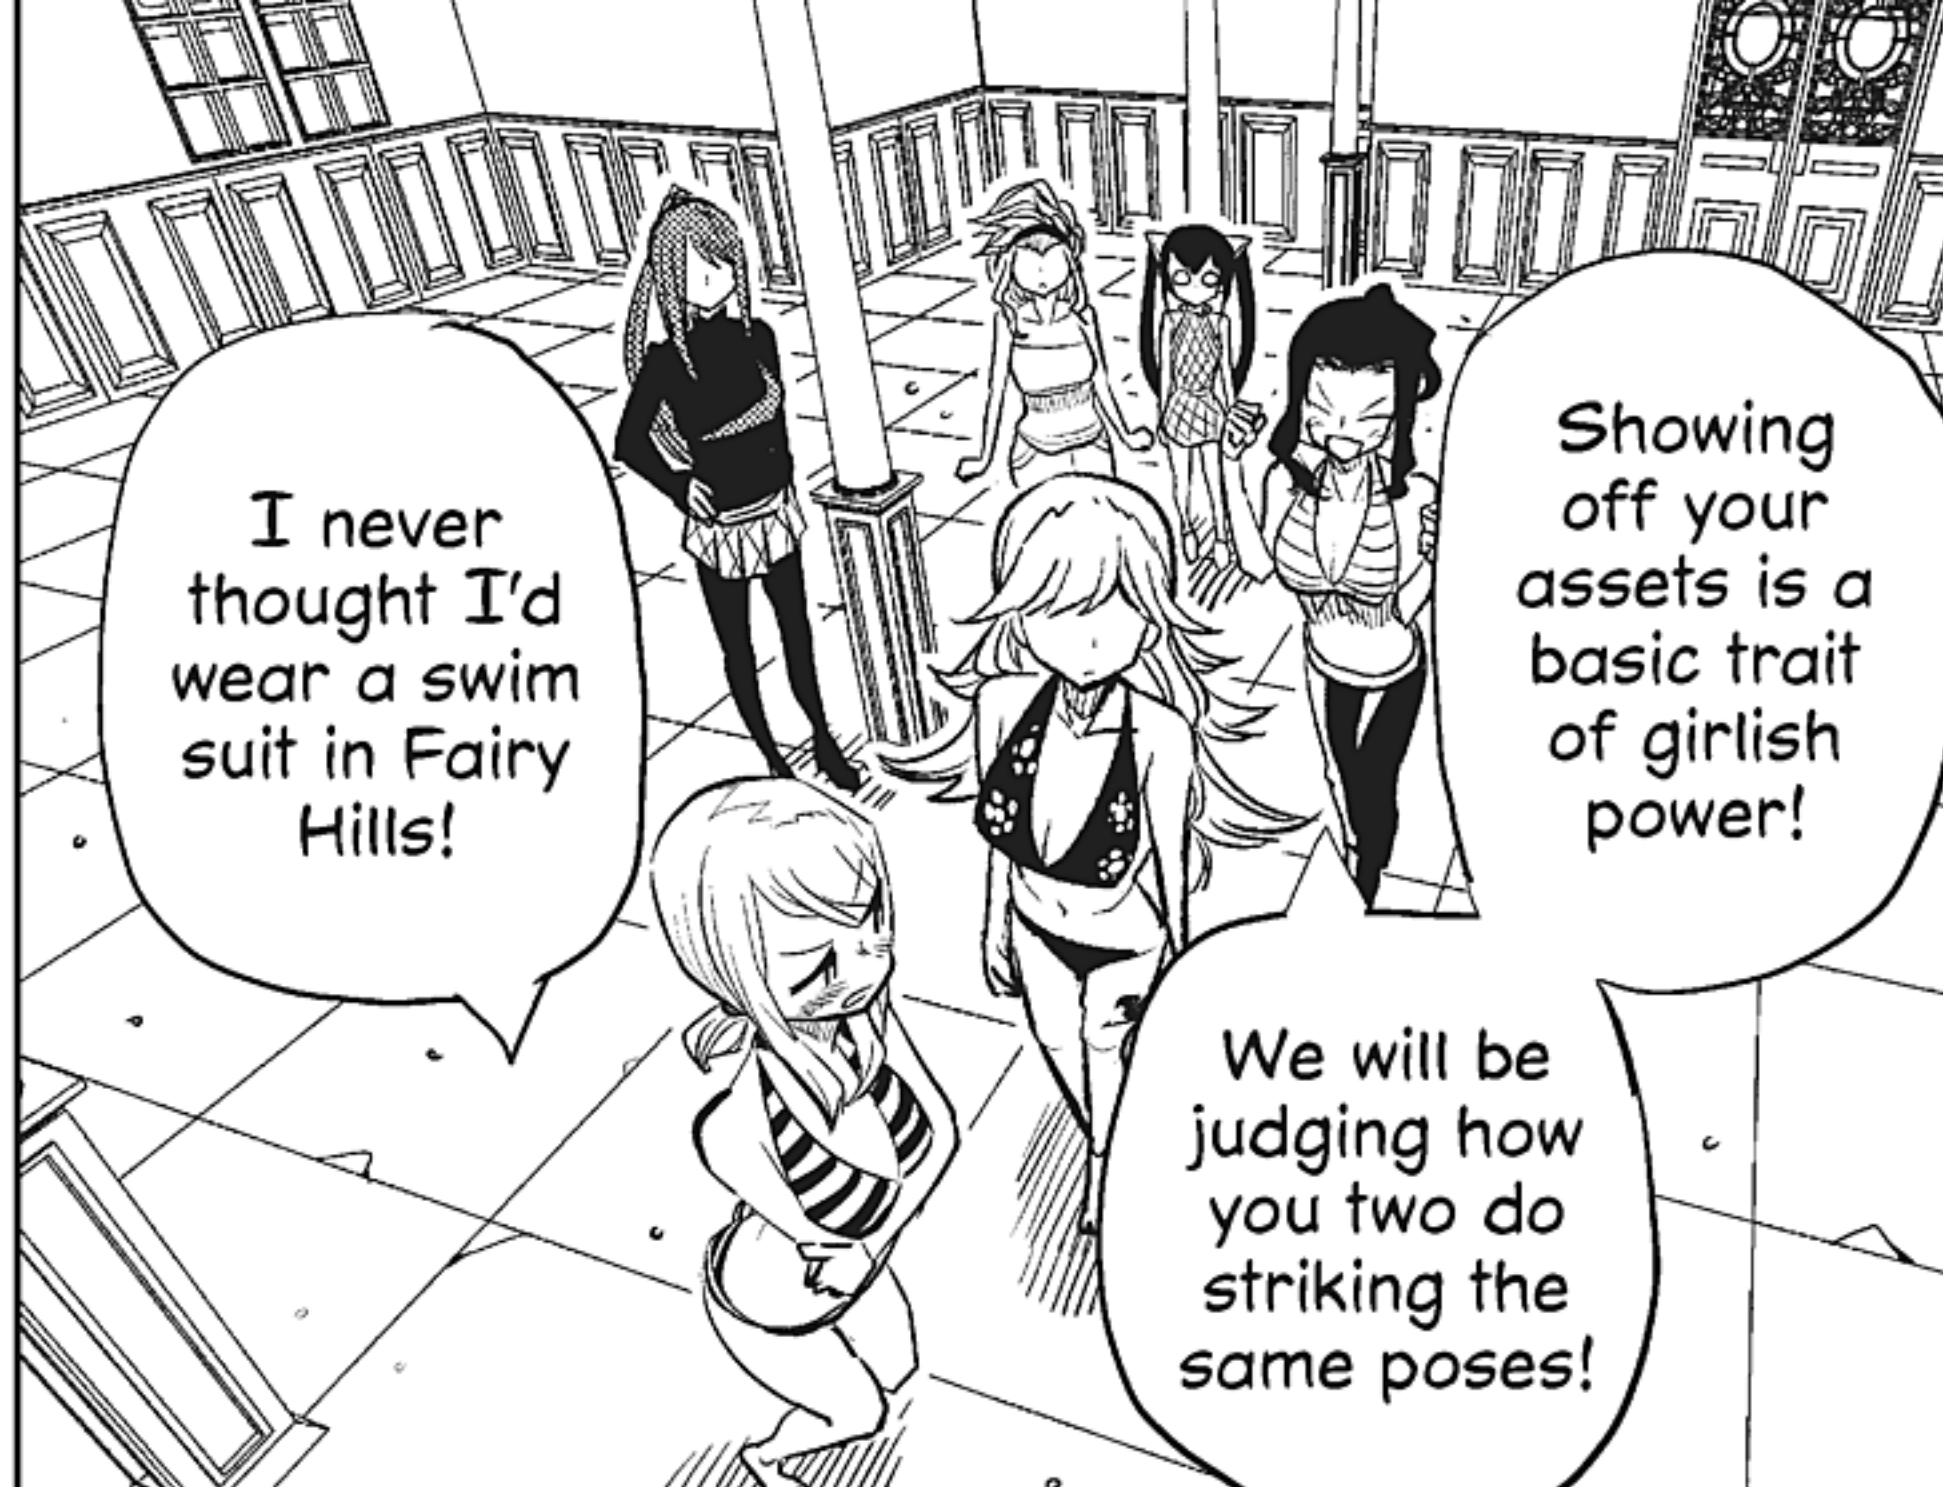

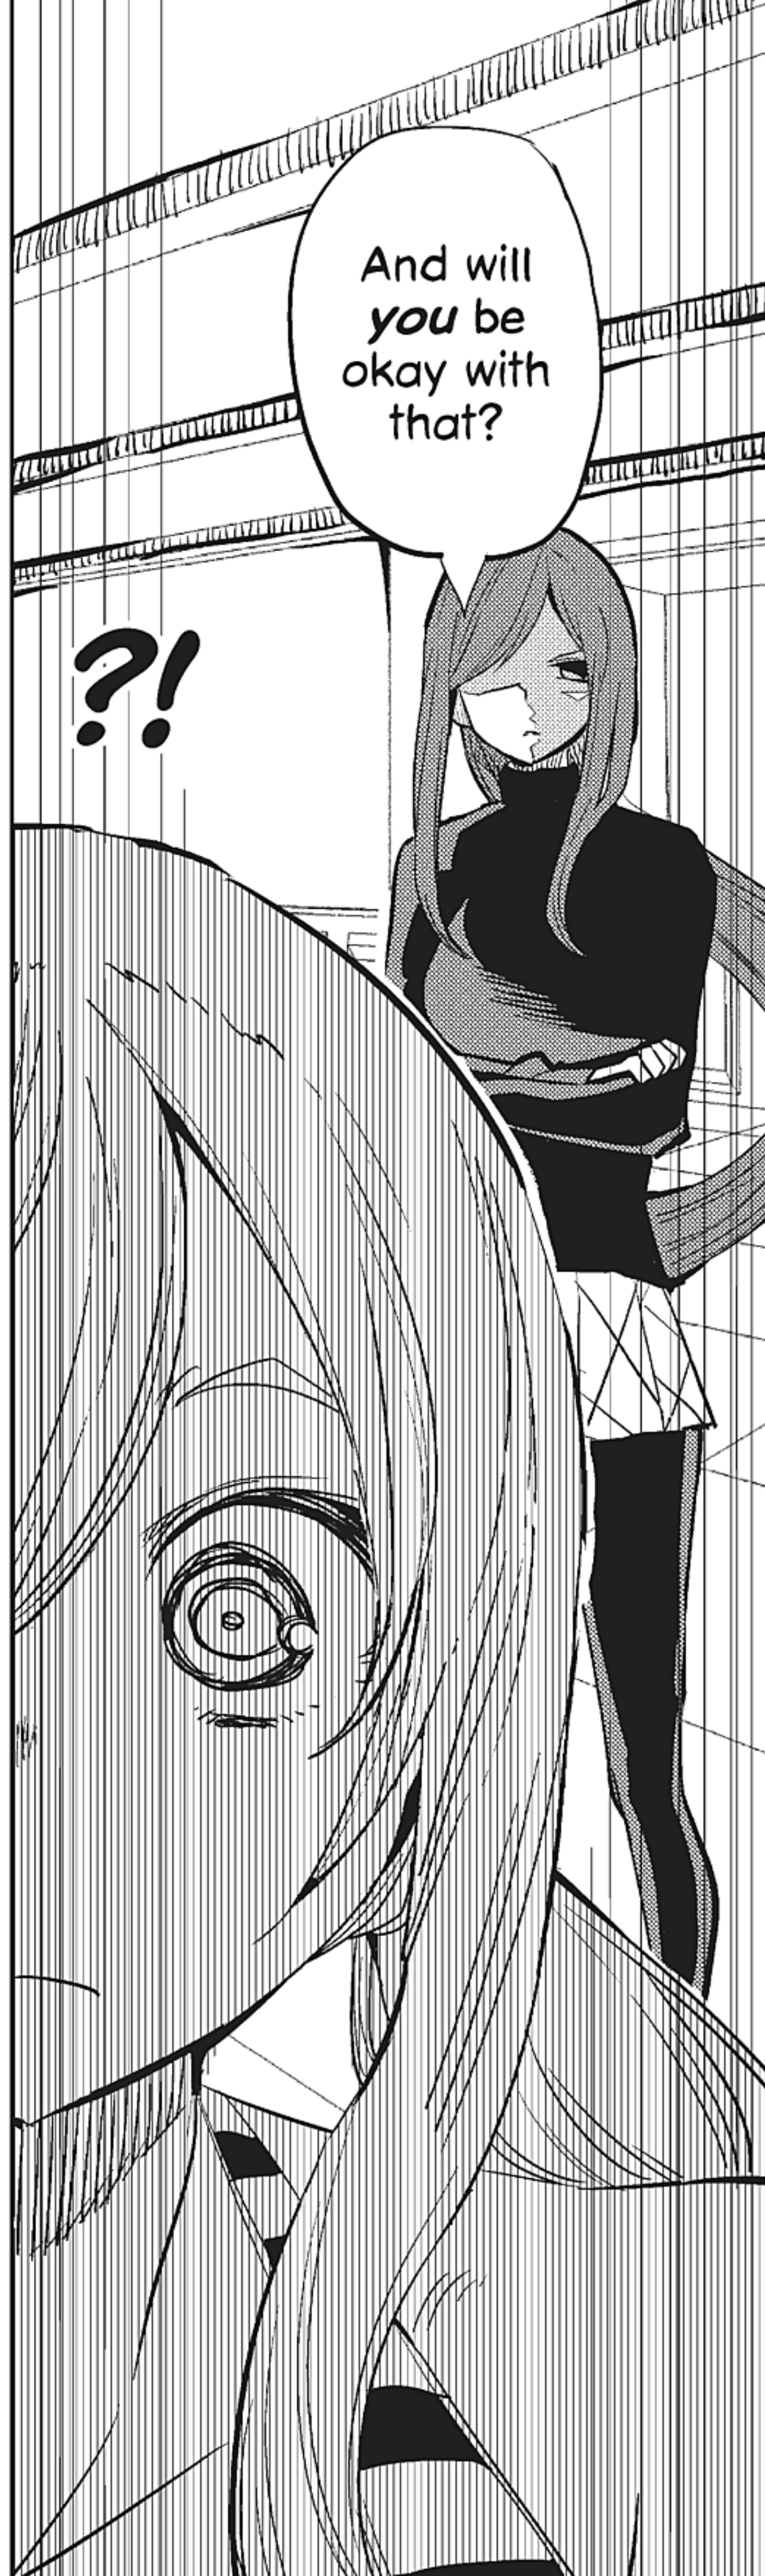

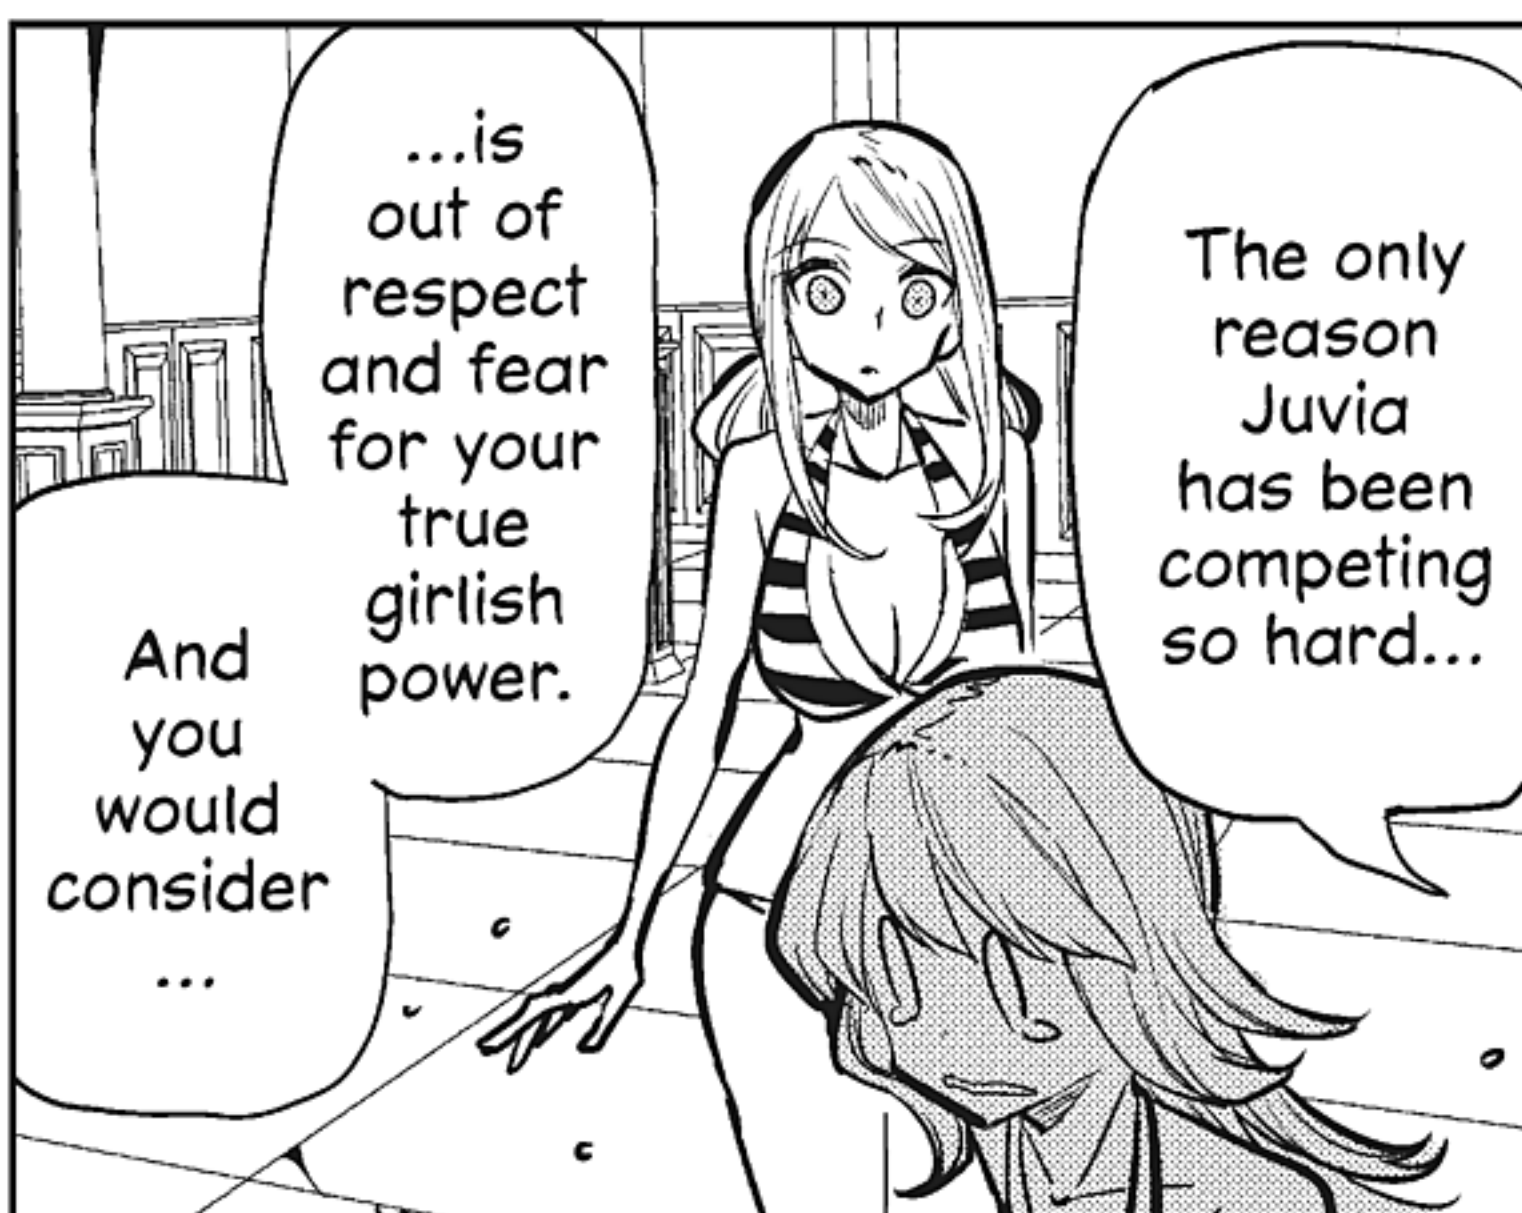

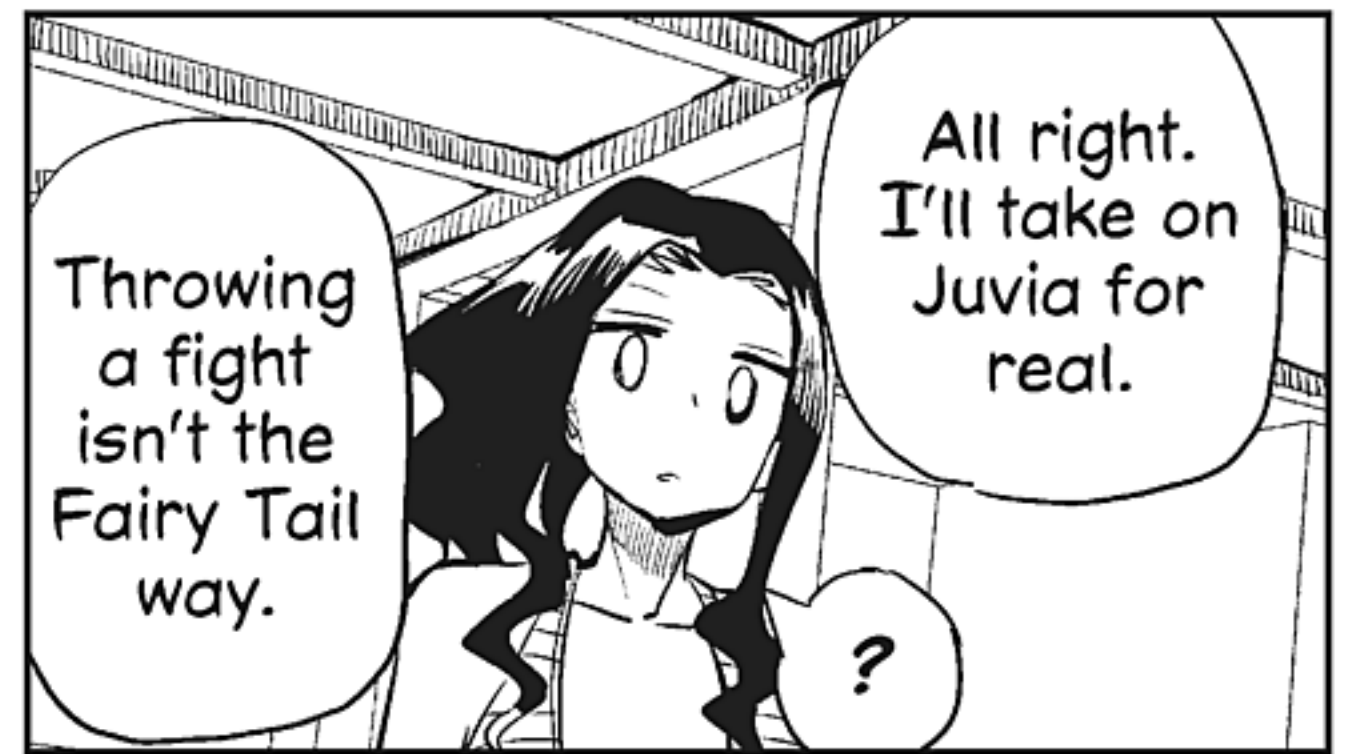

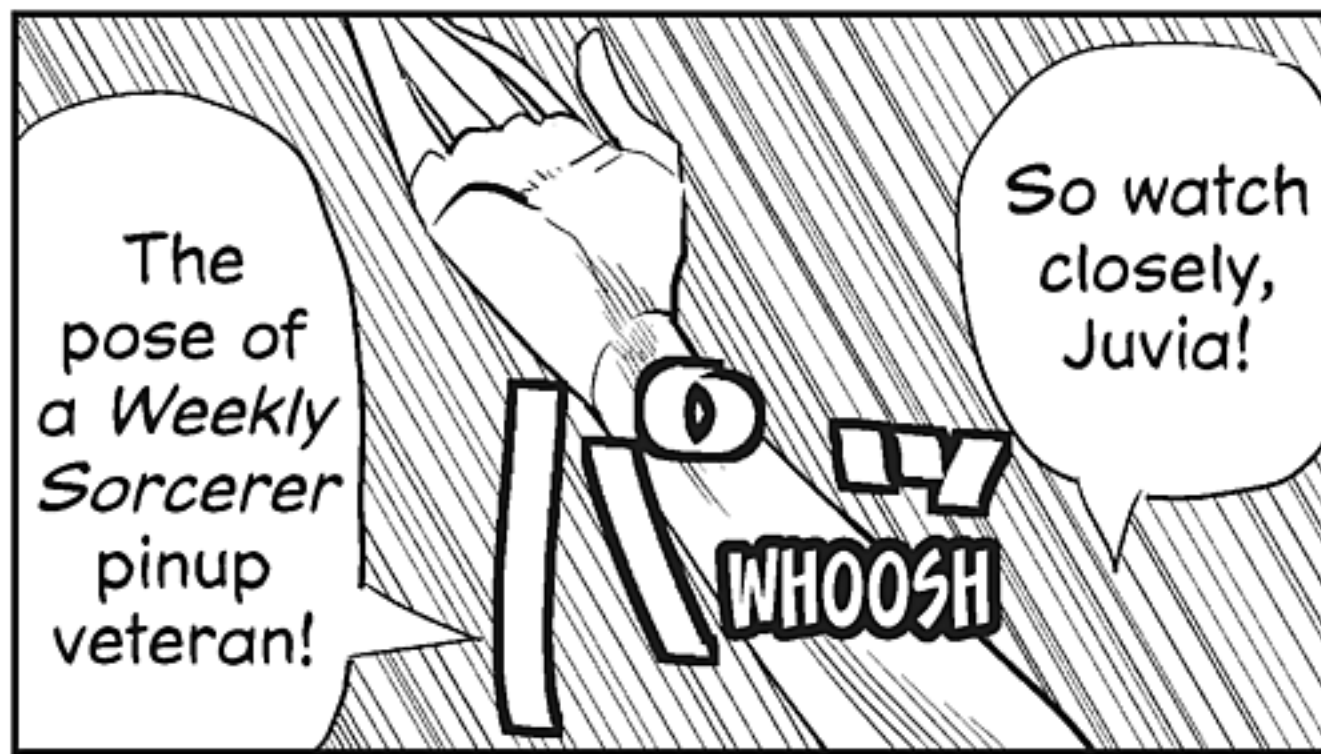

Round
three!

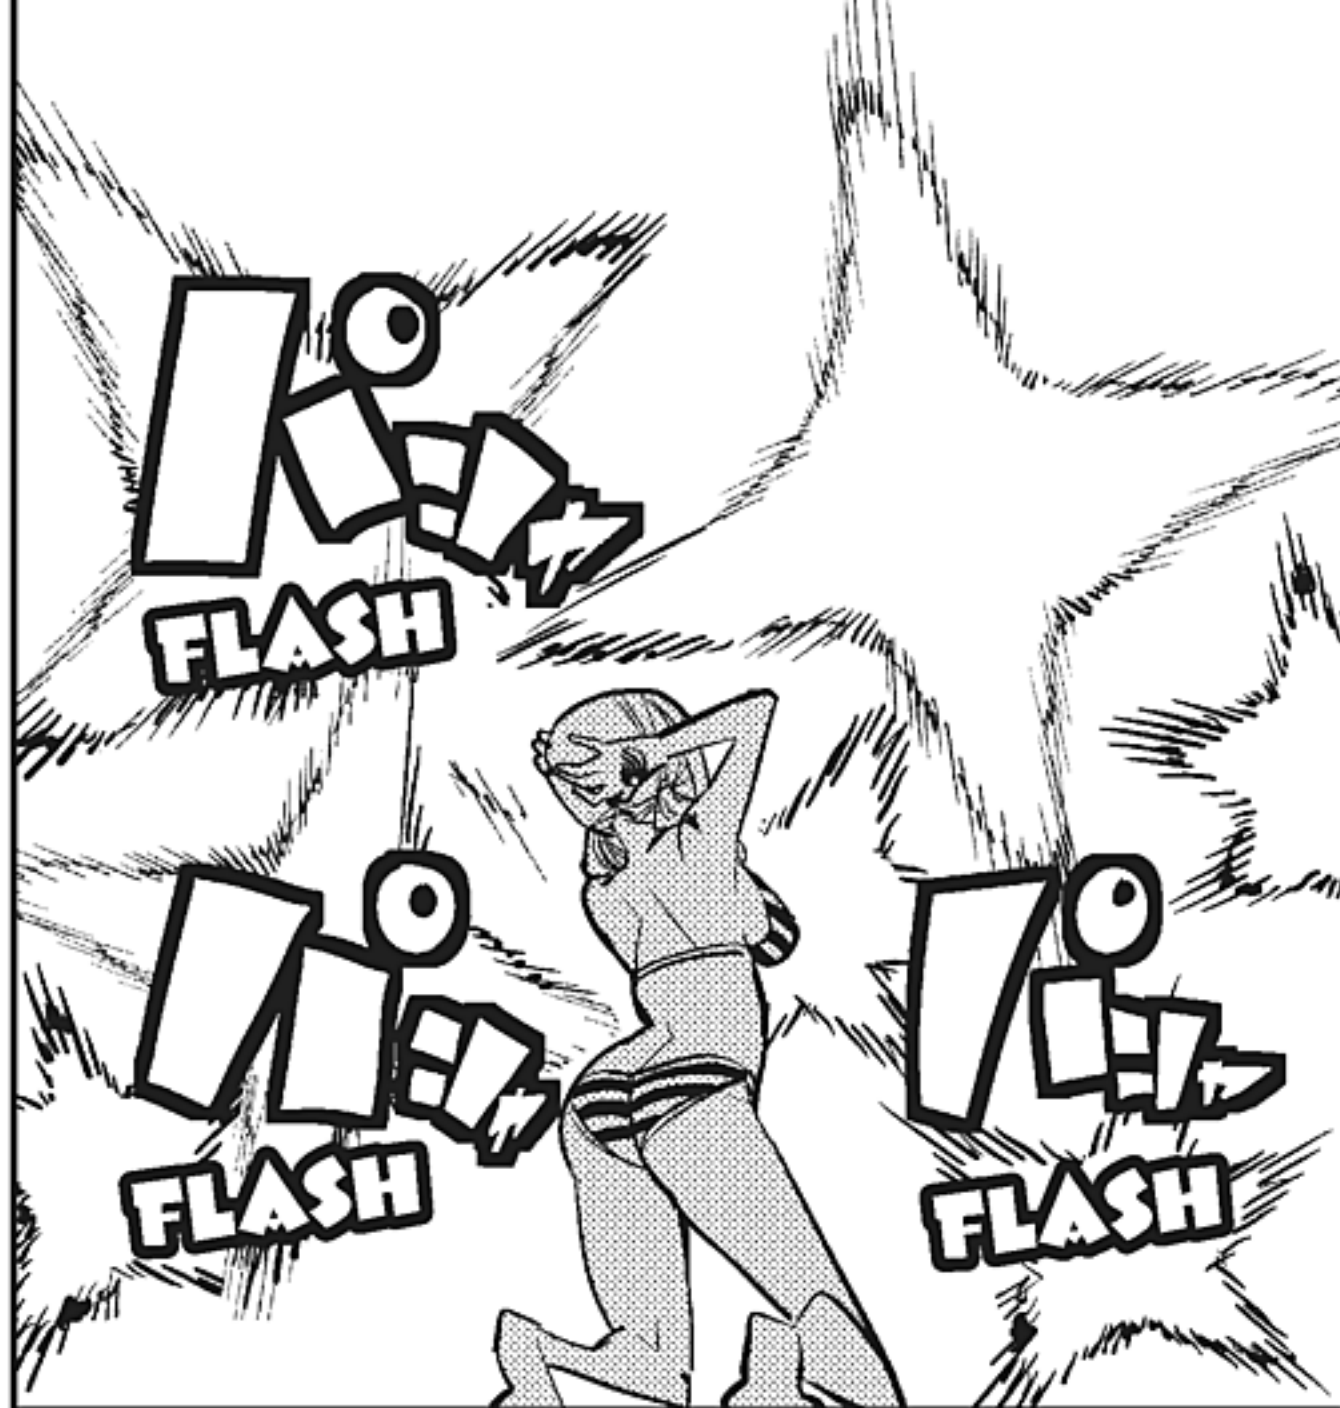

The
Sexy Pose
Competition!

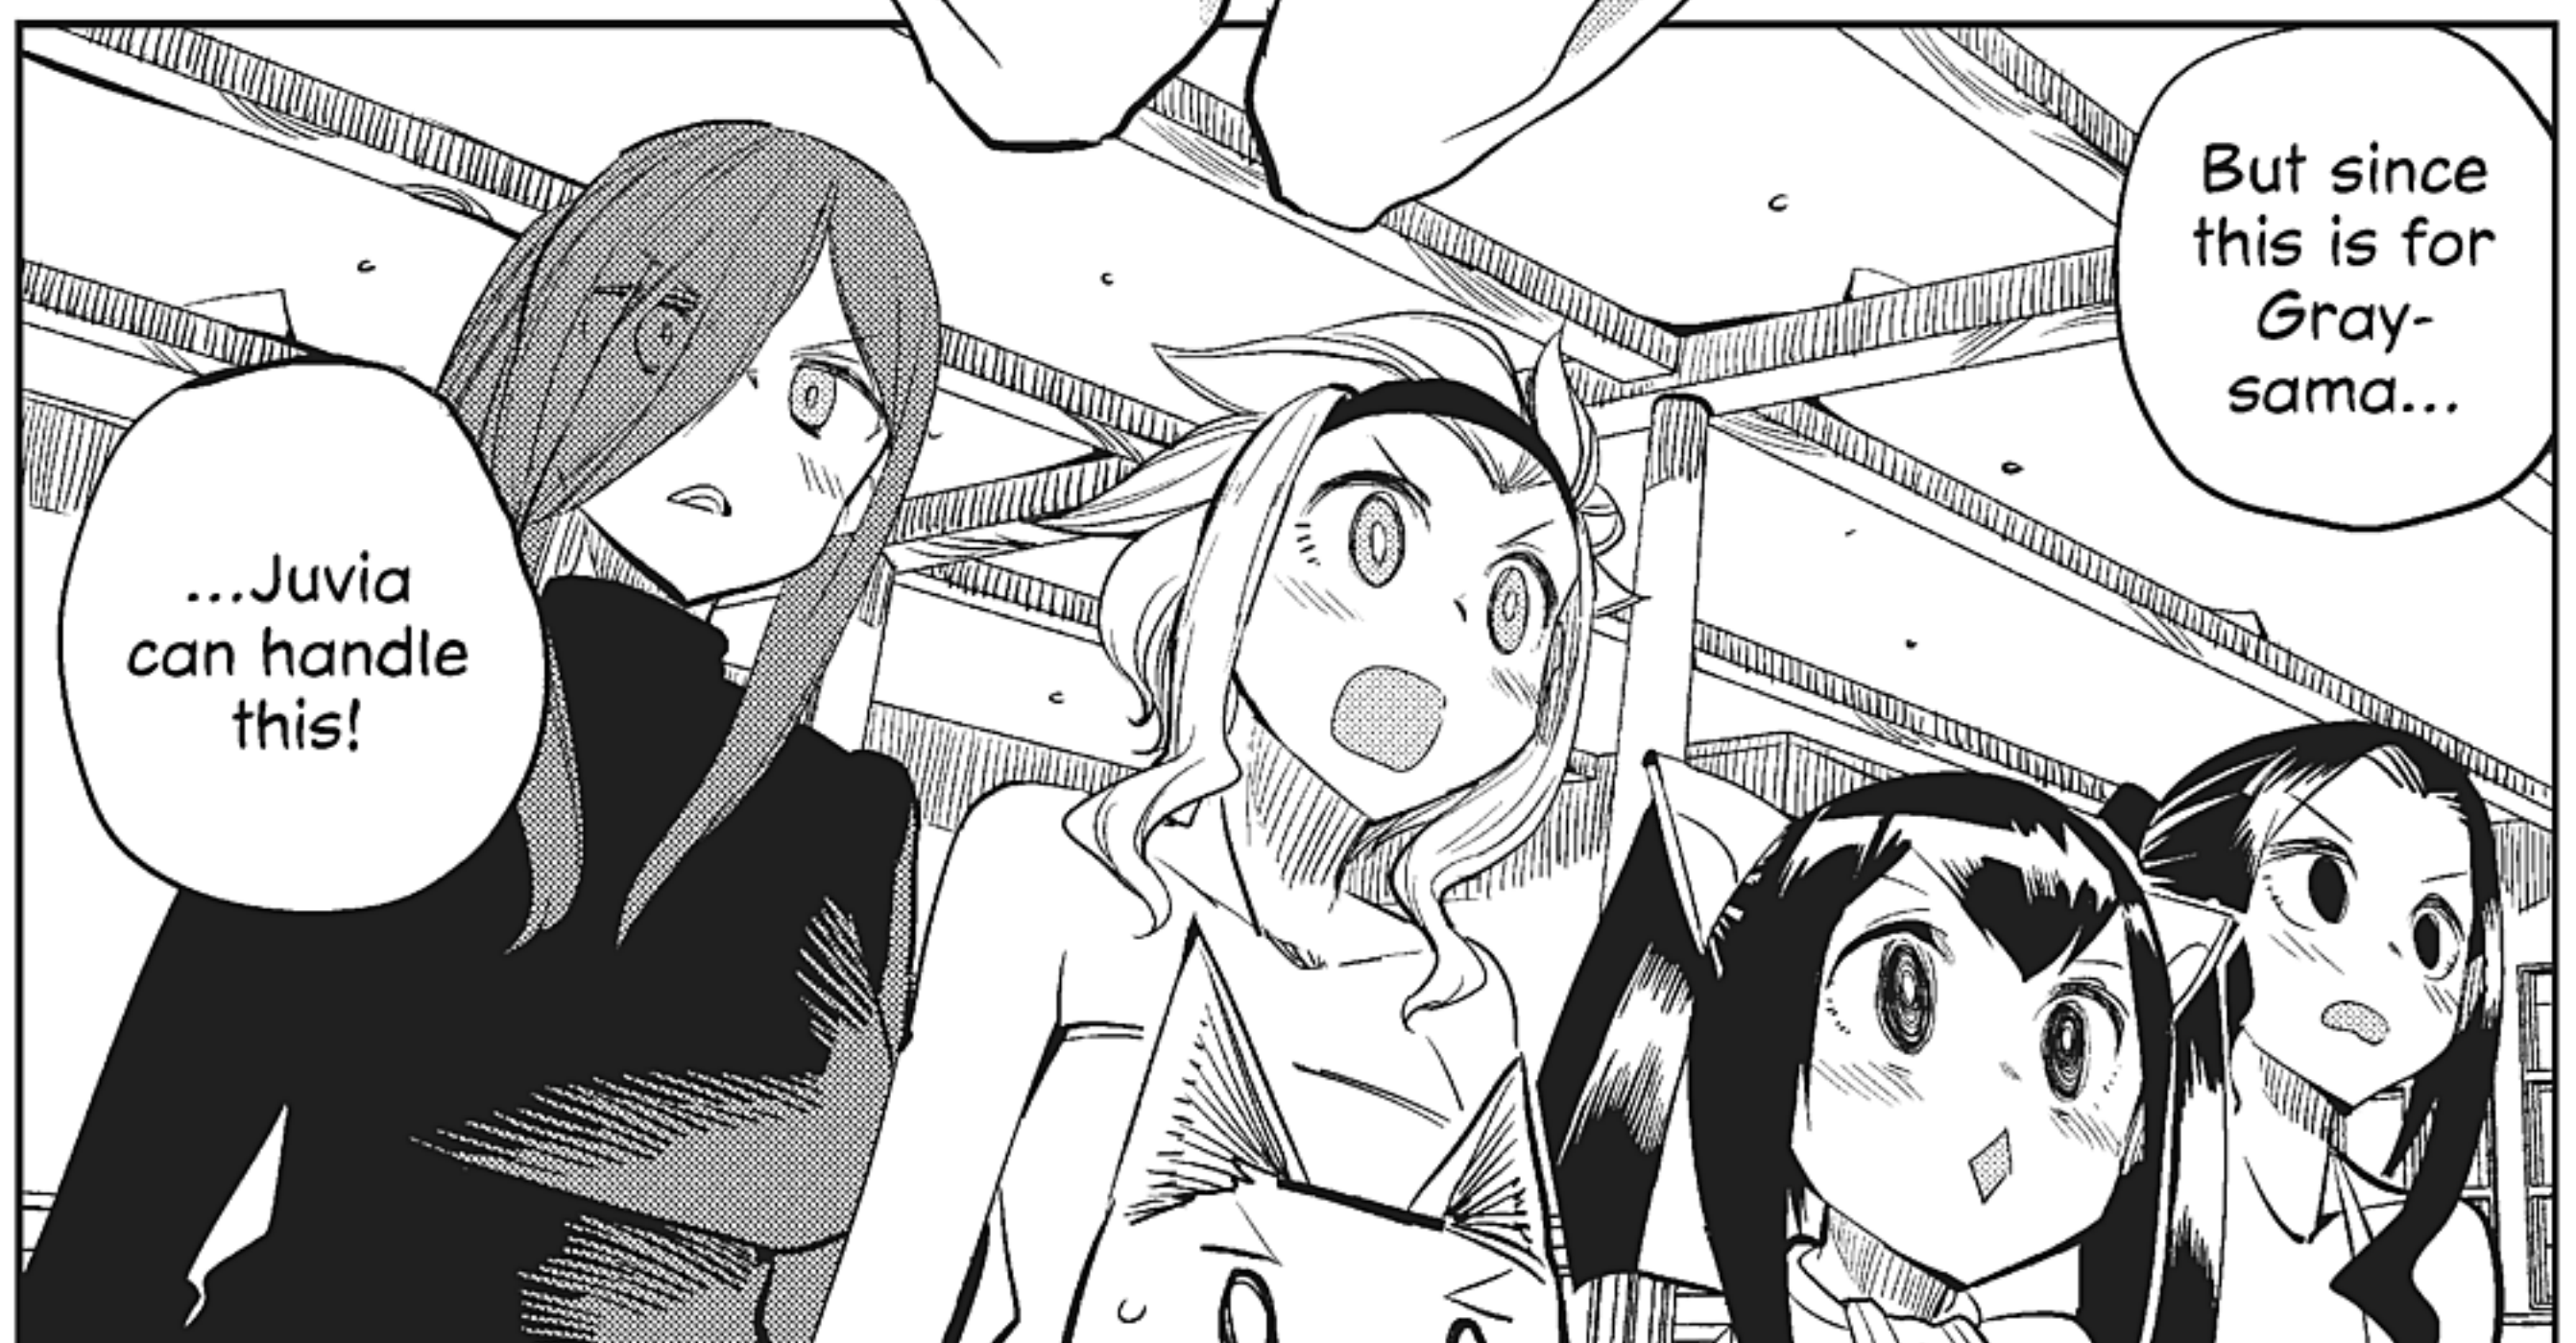

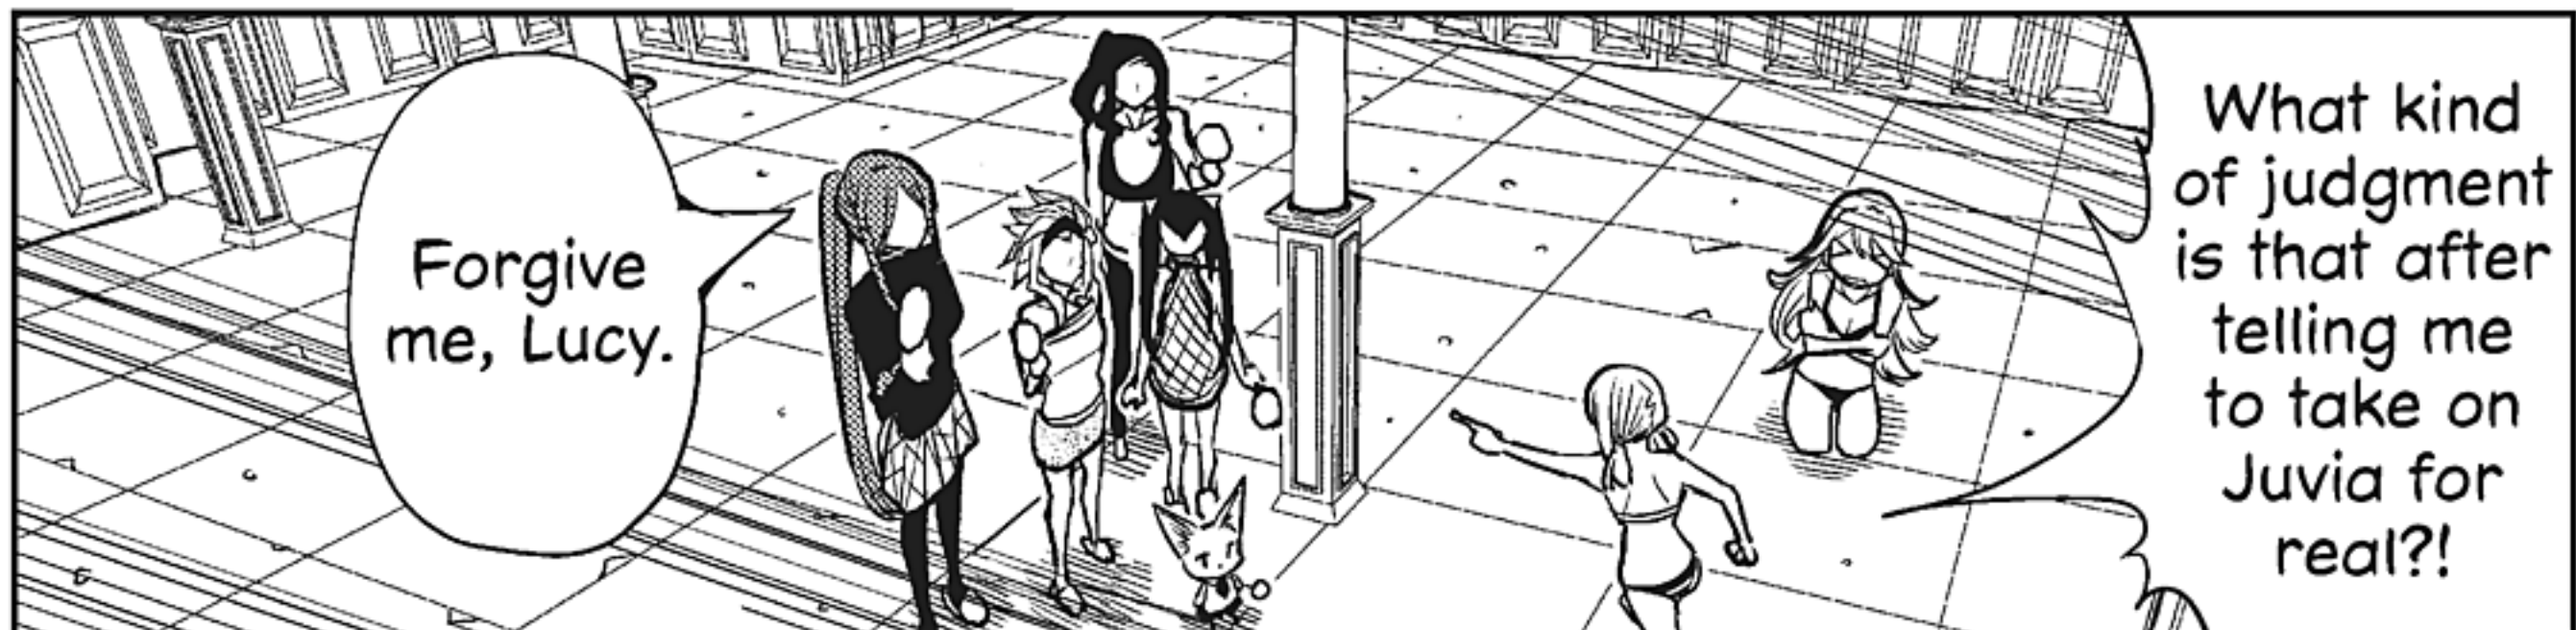

Ohh!

TA-DAH

Well, we
have a
daring
costume
here!

A white dress that indicates purity.

A dress that isn't too showy, but defines the body's contours well. A subtle sexiness.

This is truly a costume fit for a first date.

And note the perfect performance of a maiden waiting.

I hope Gray-sama gets here soon!

Gray-sama! Juvia did it!

Juvia-san, you're so cute!

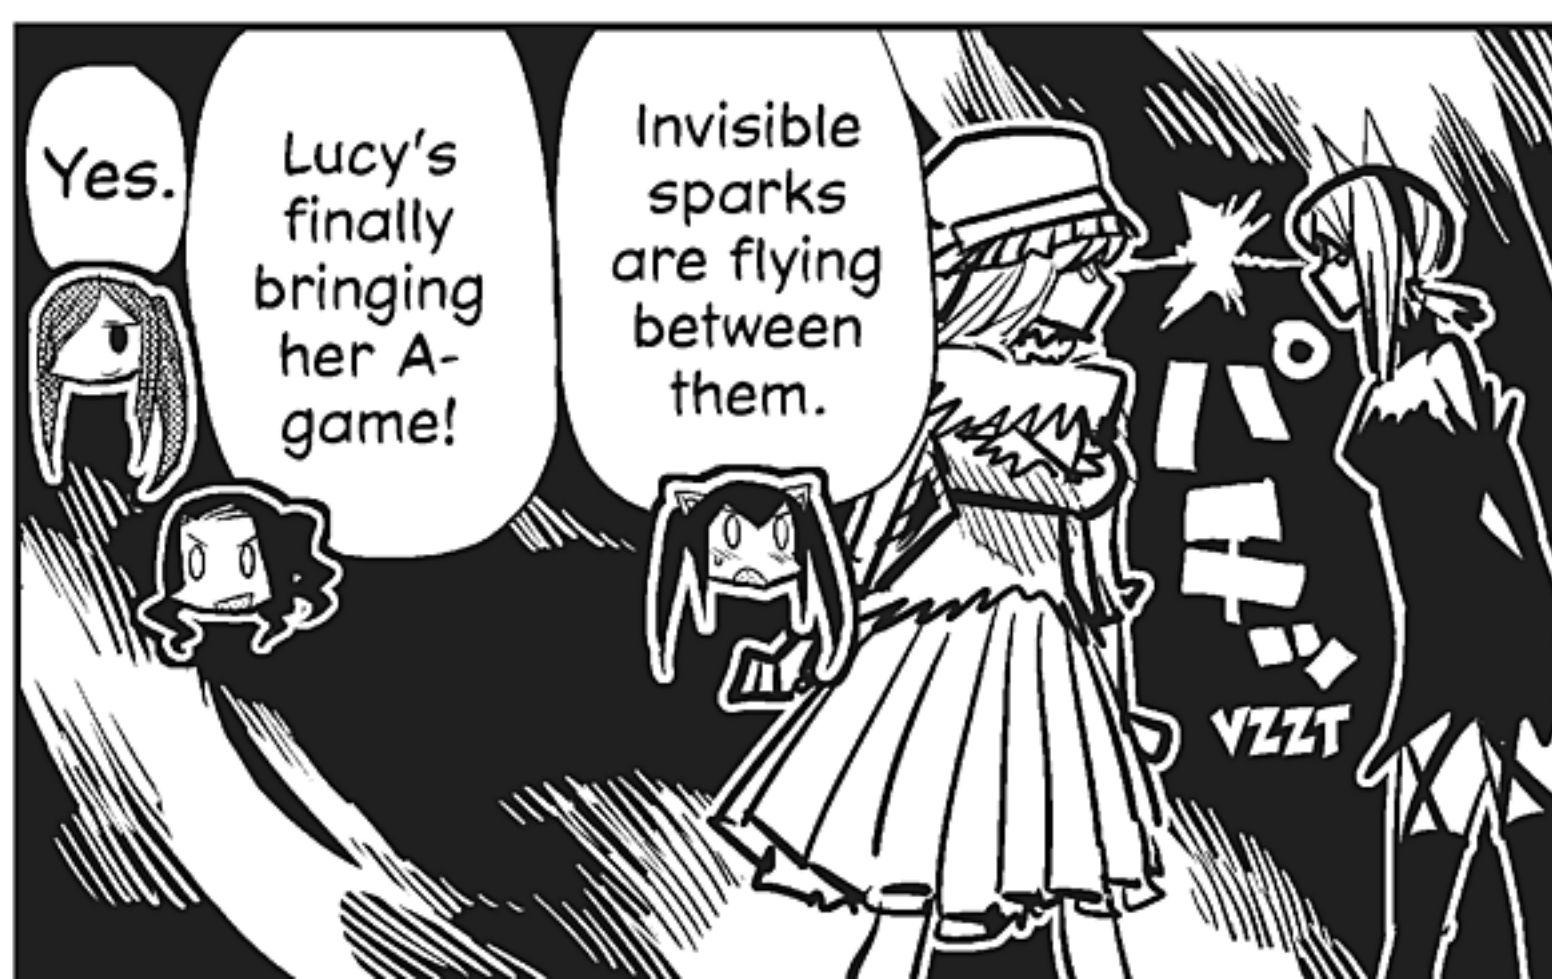

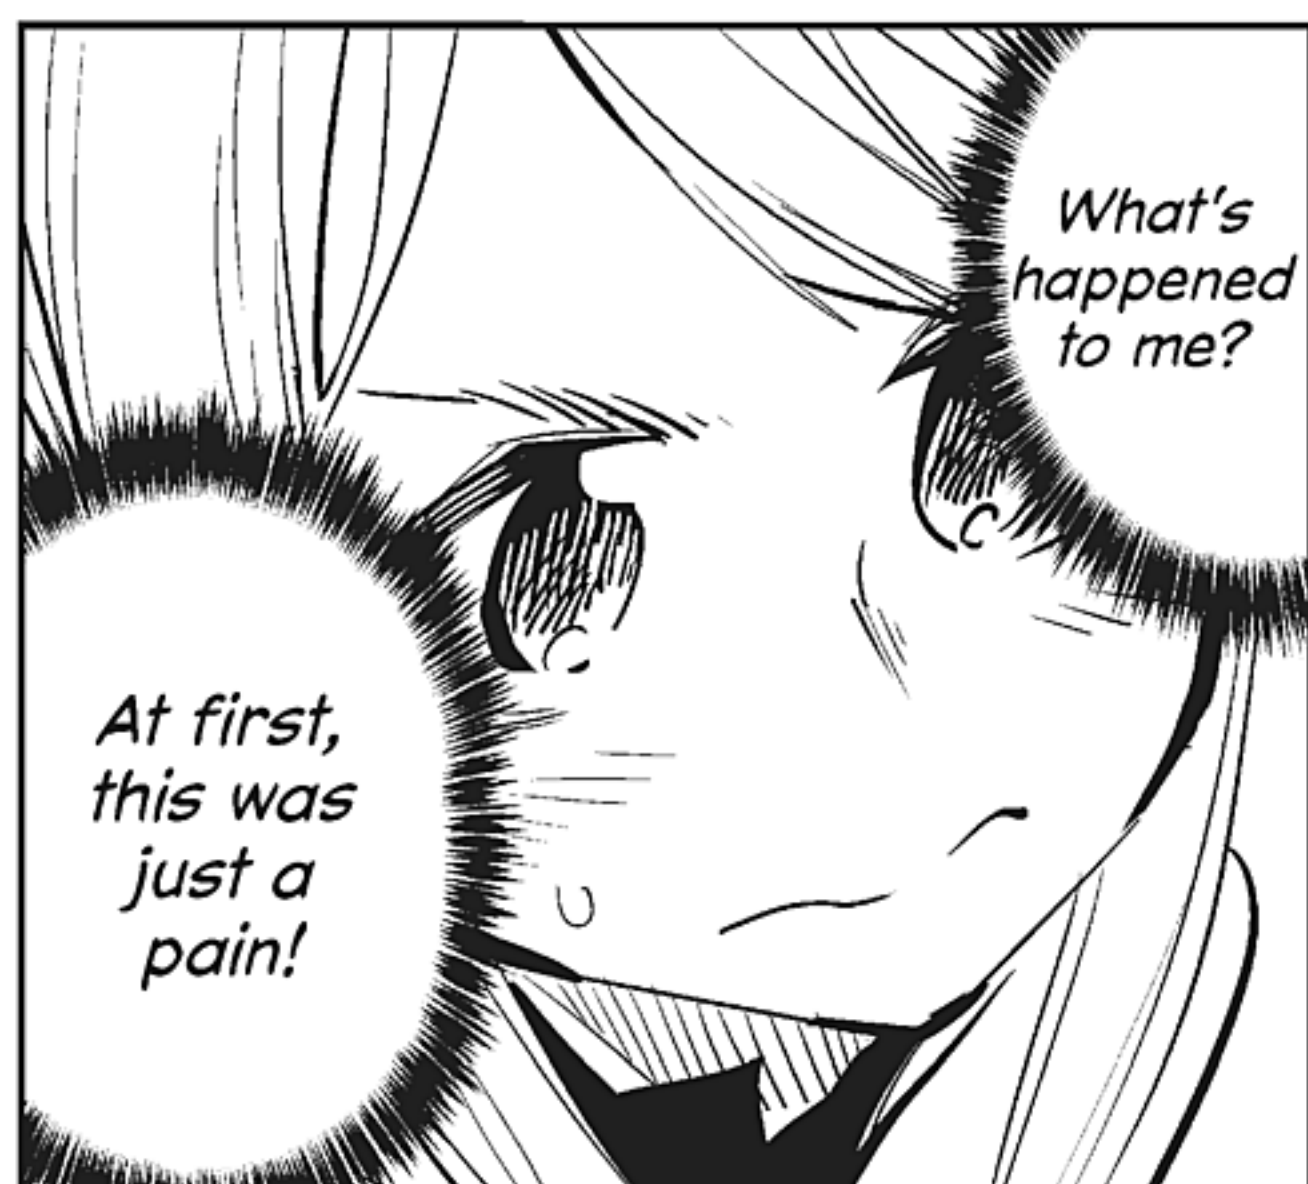

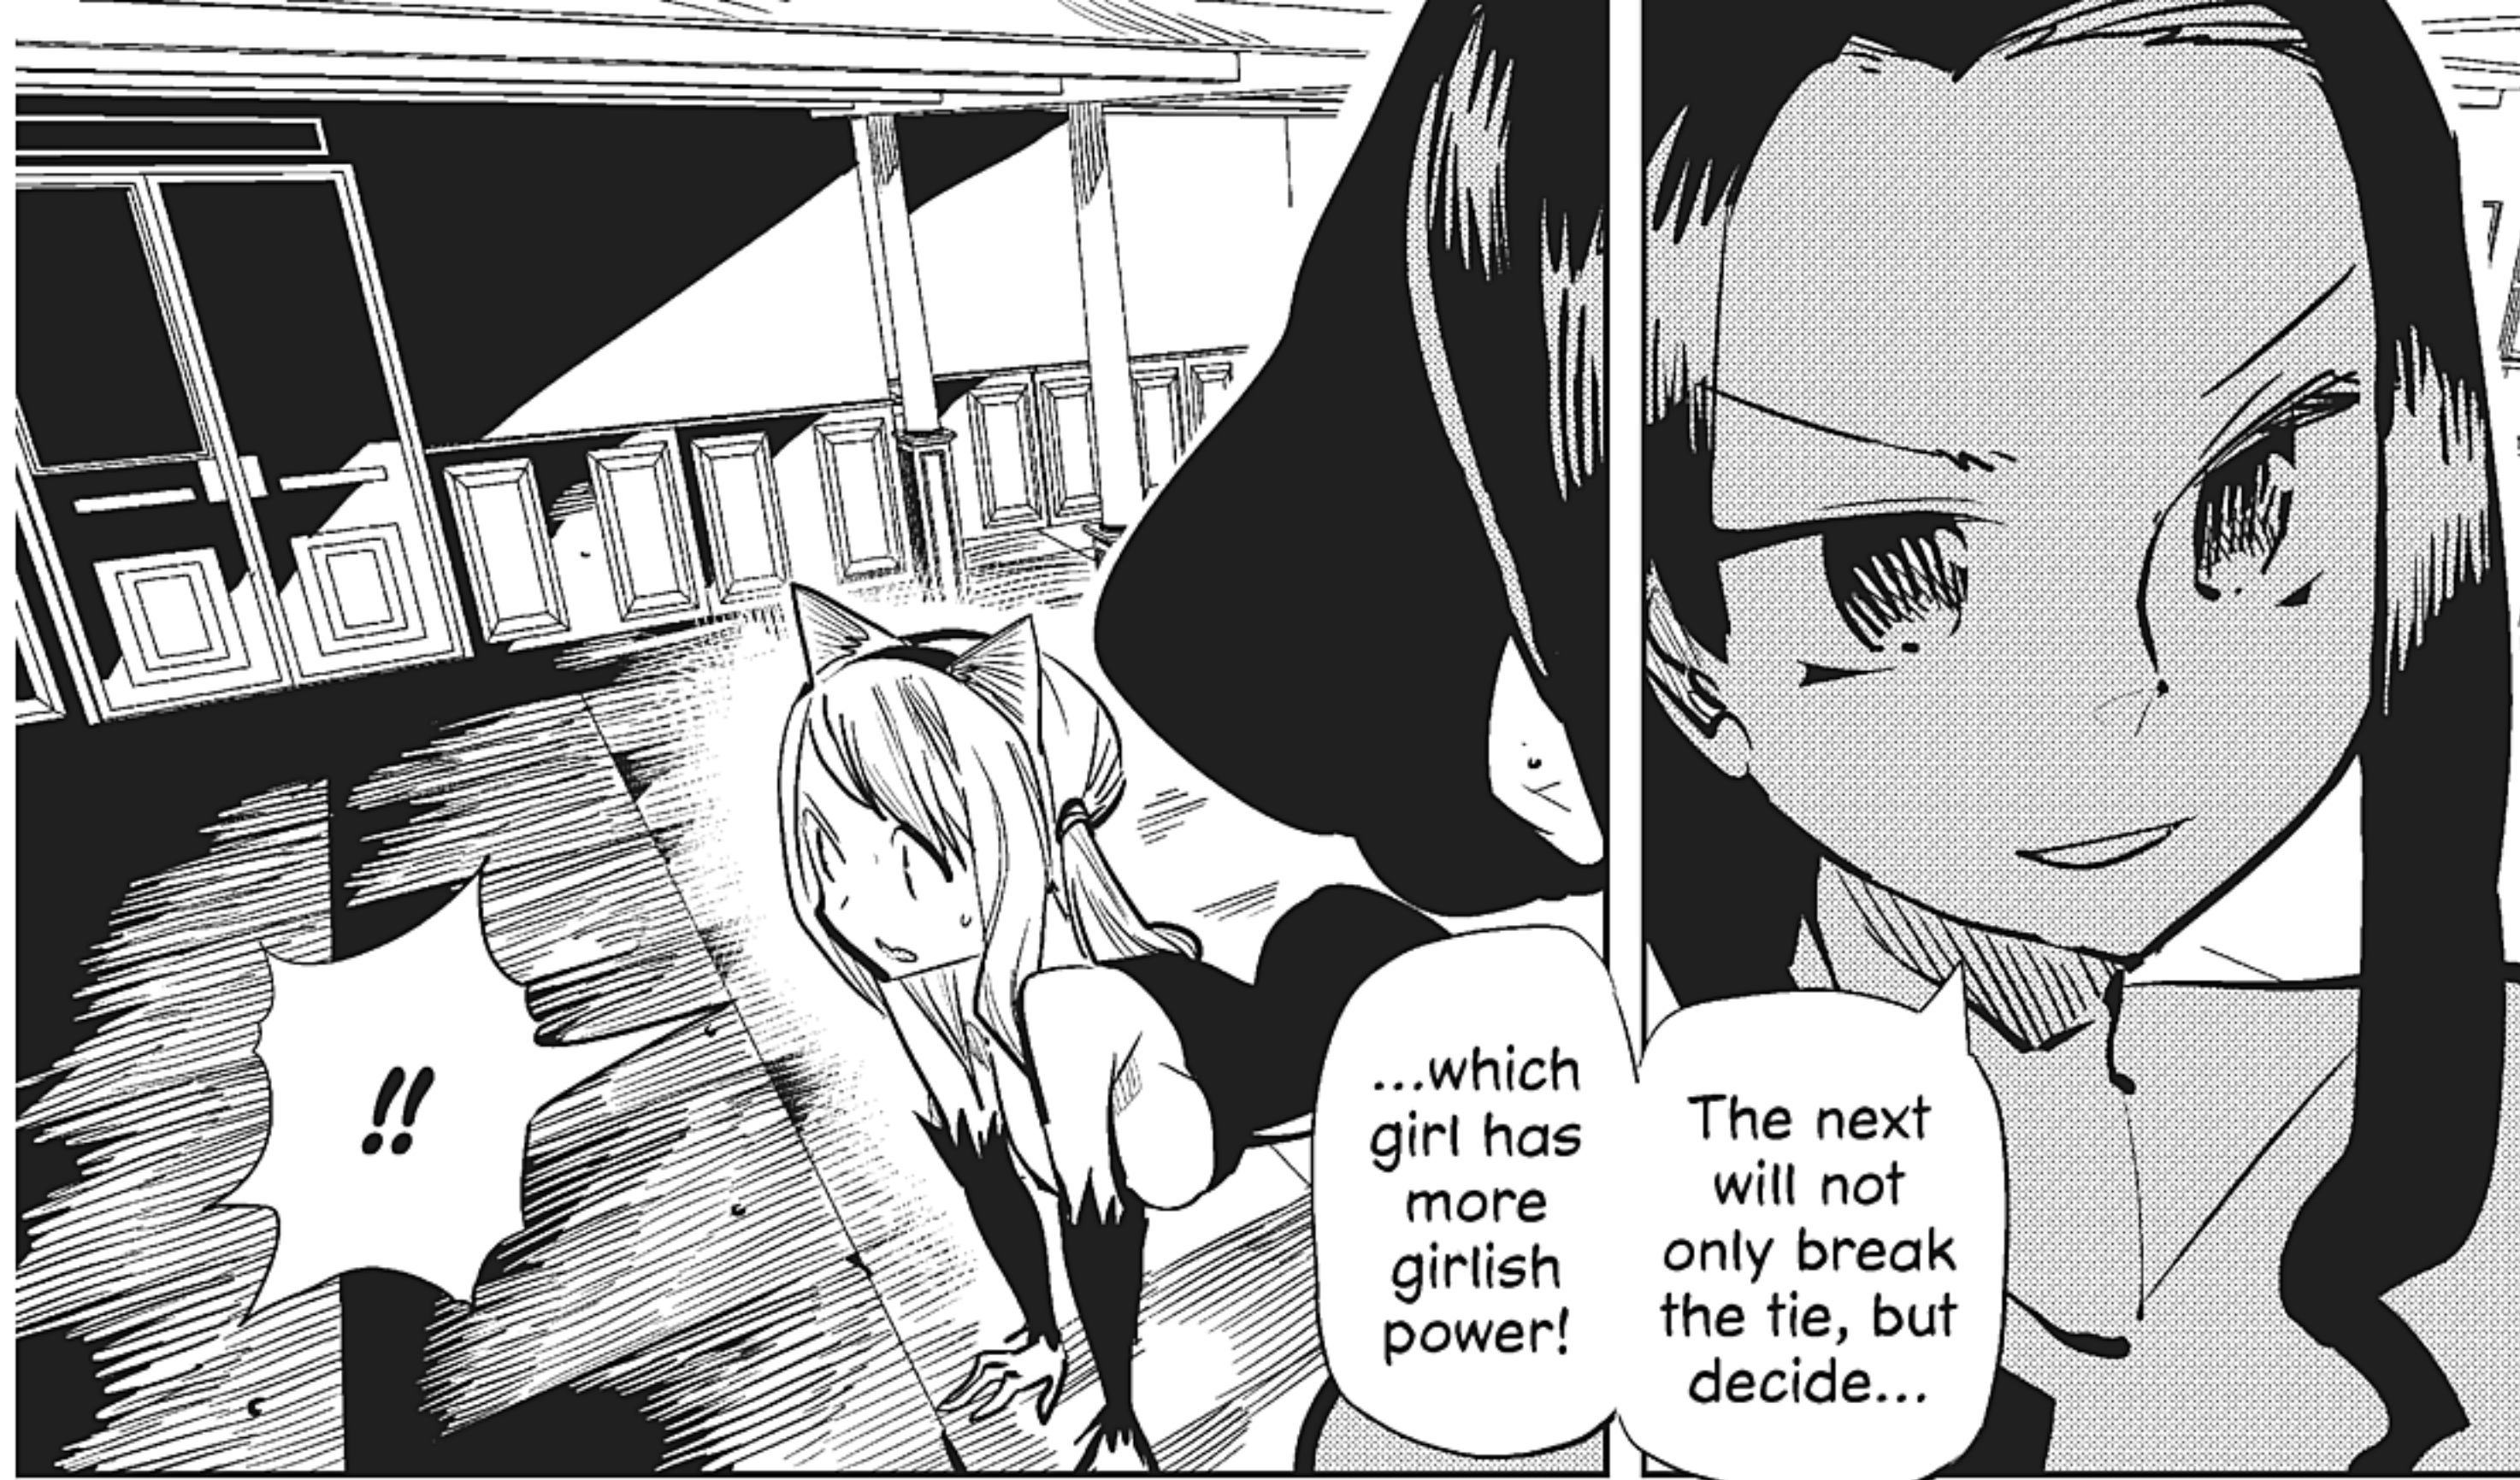

We give Juvia the win!

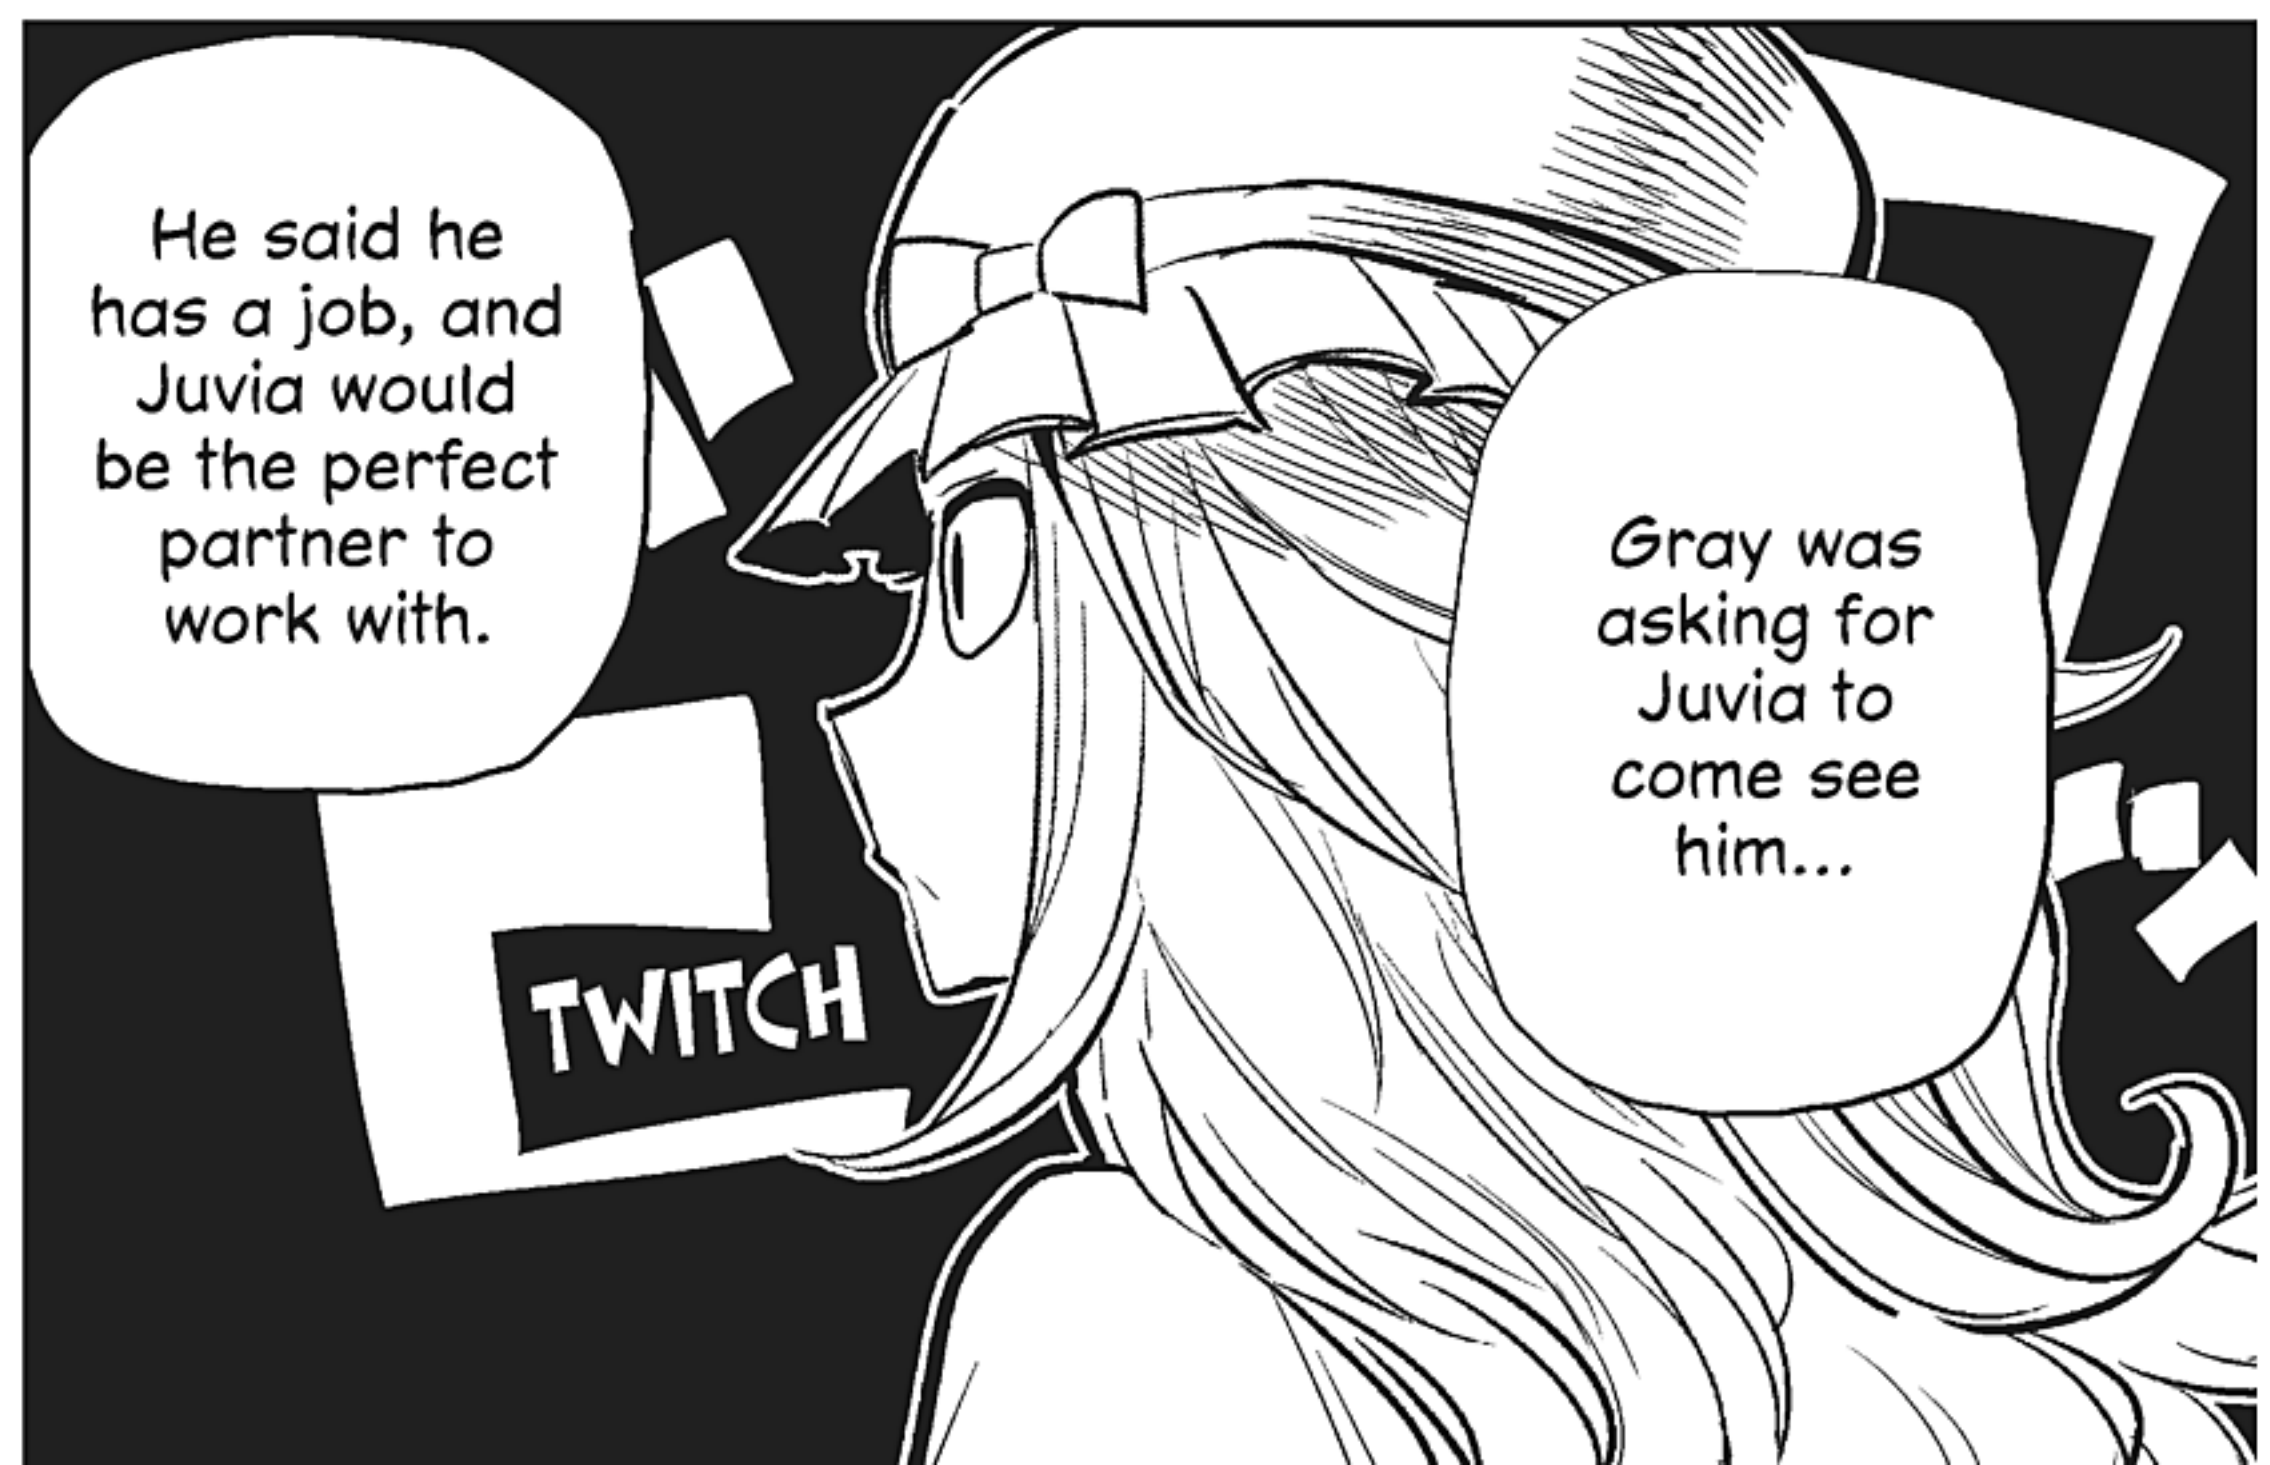

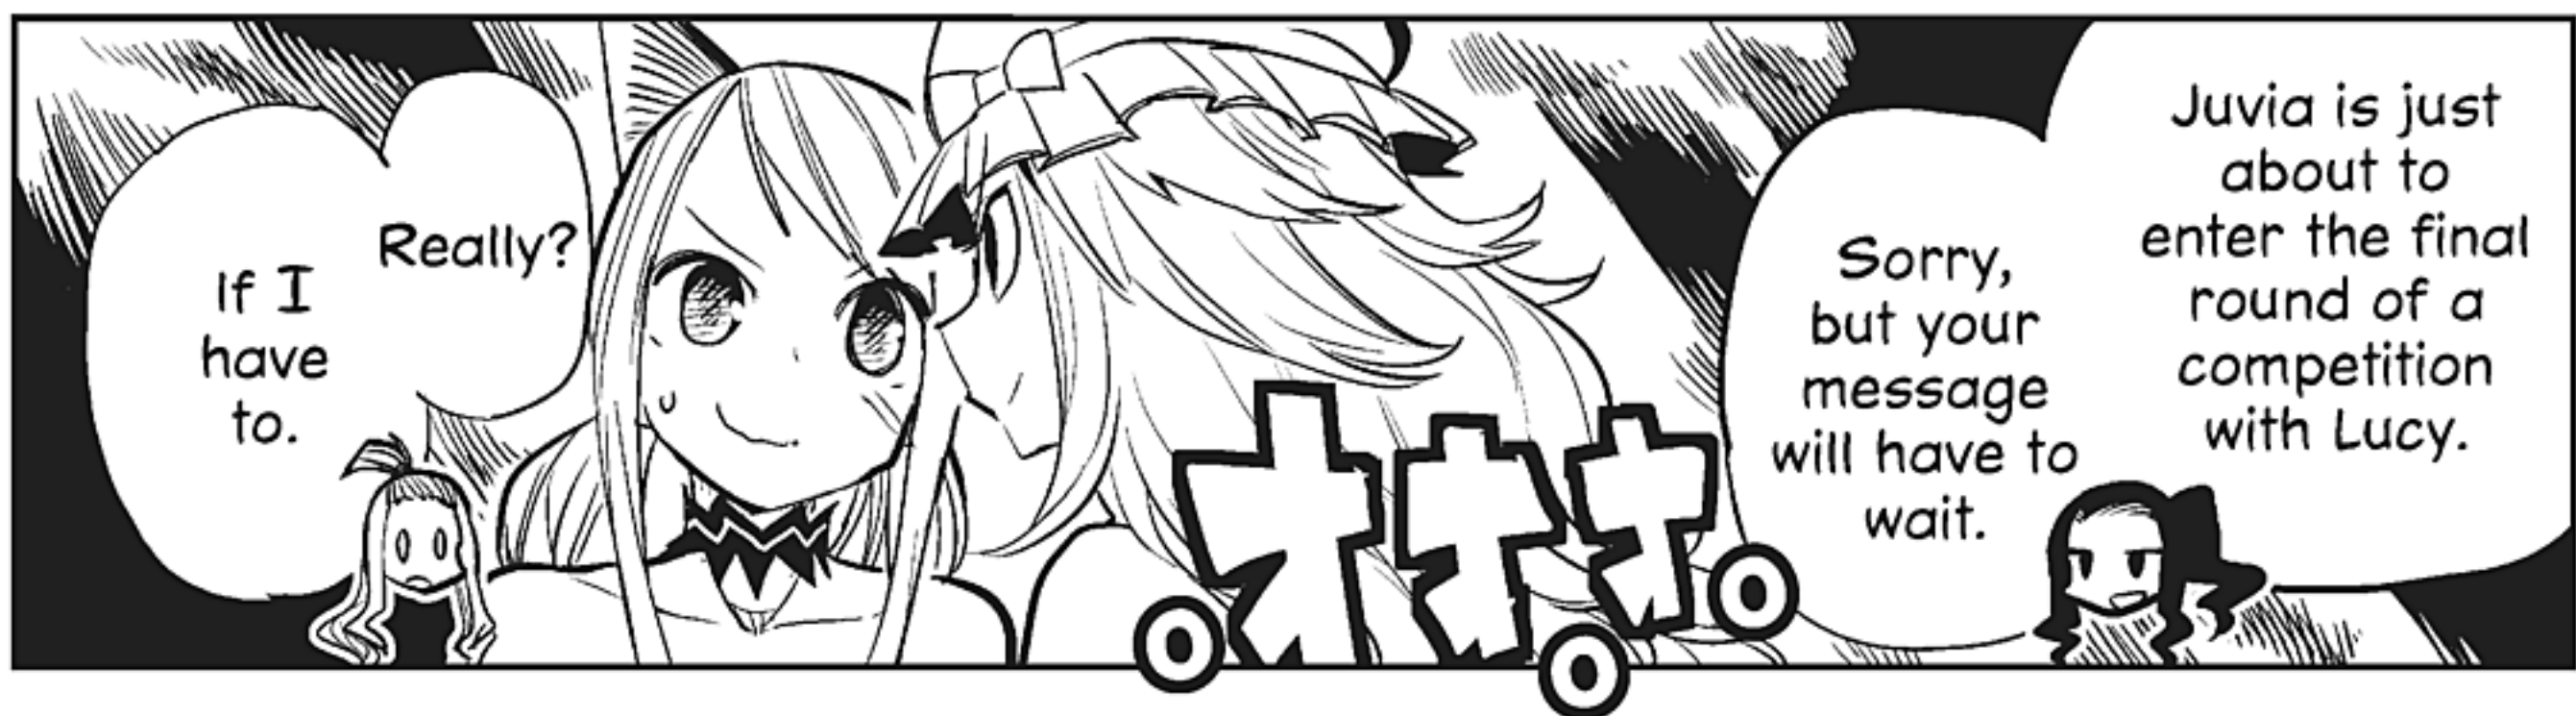

Oh, come on!

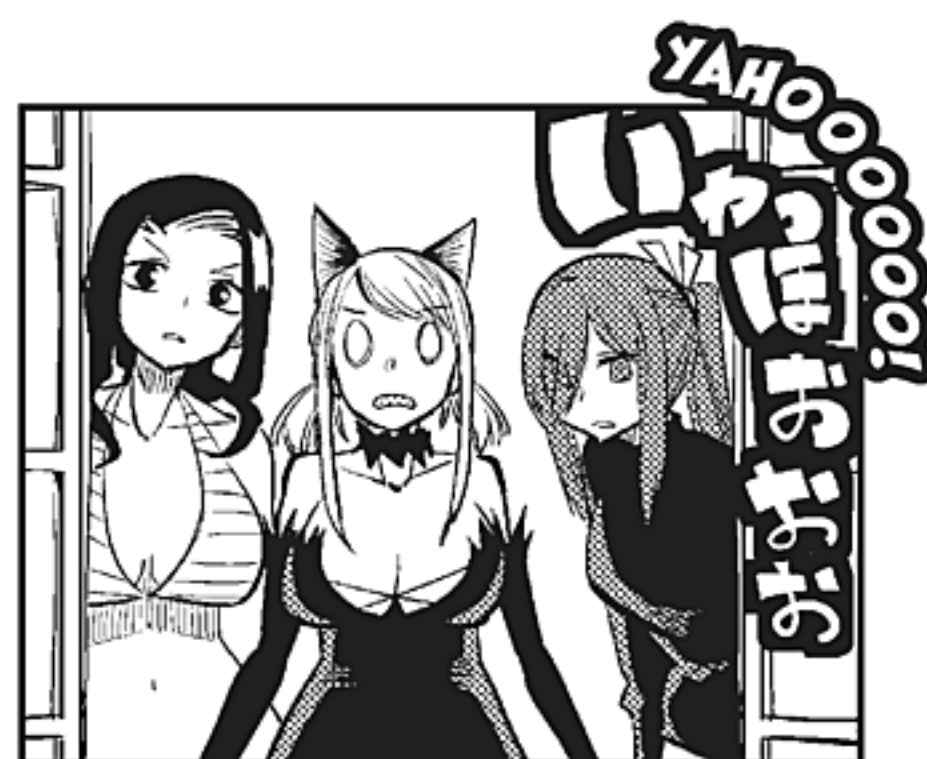

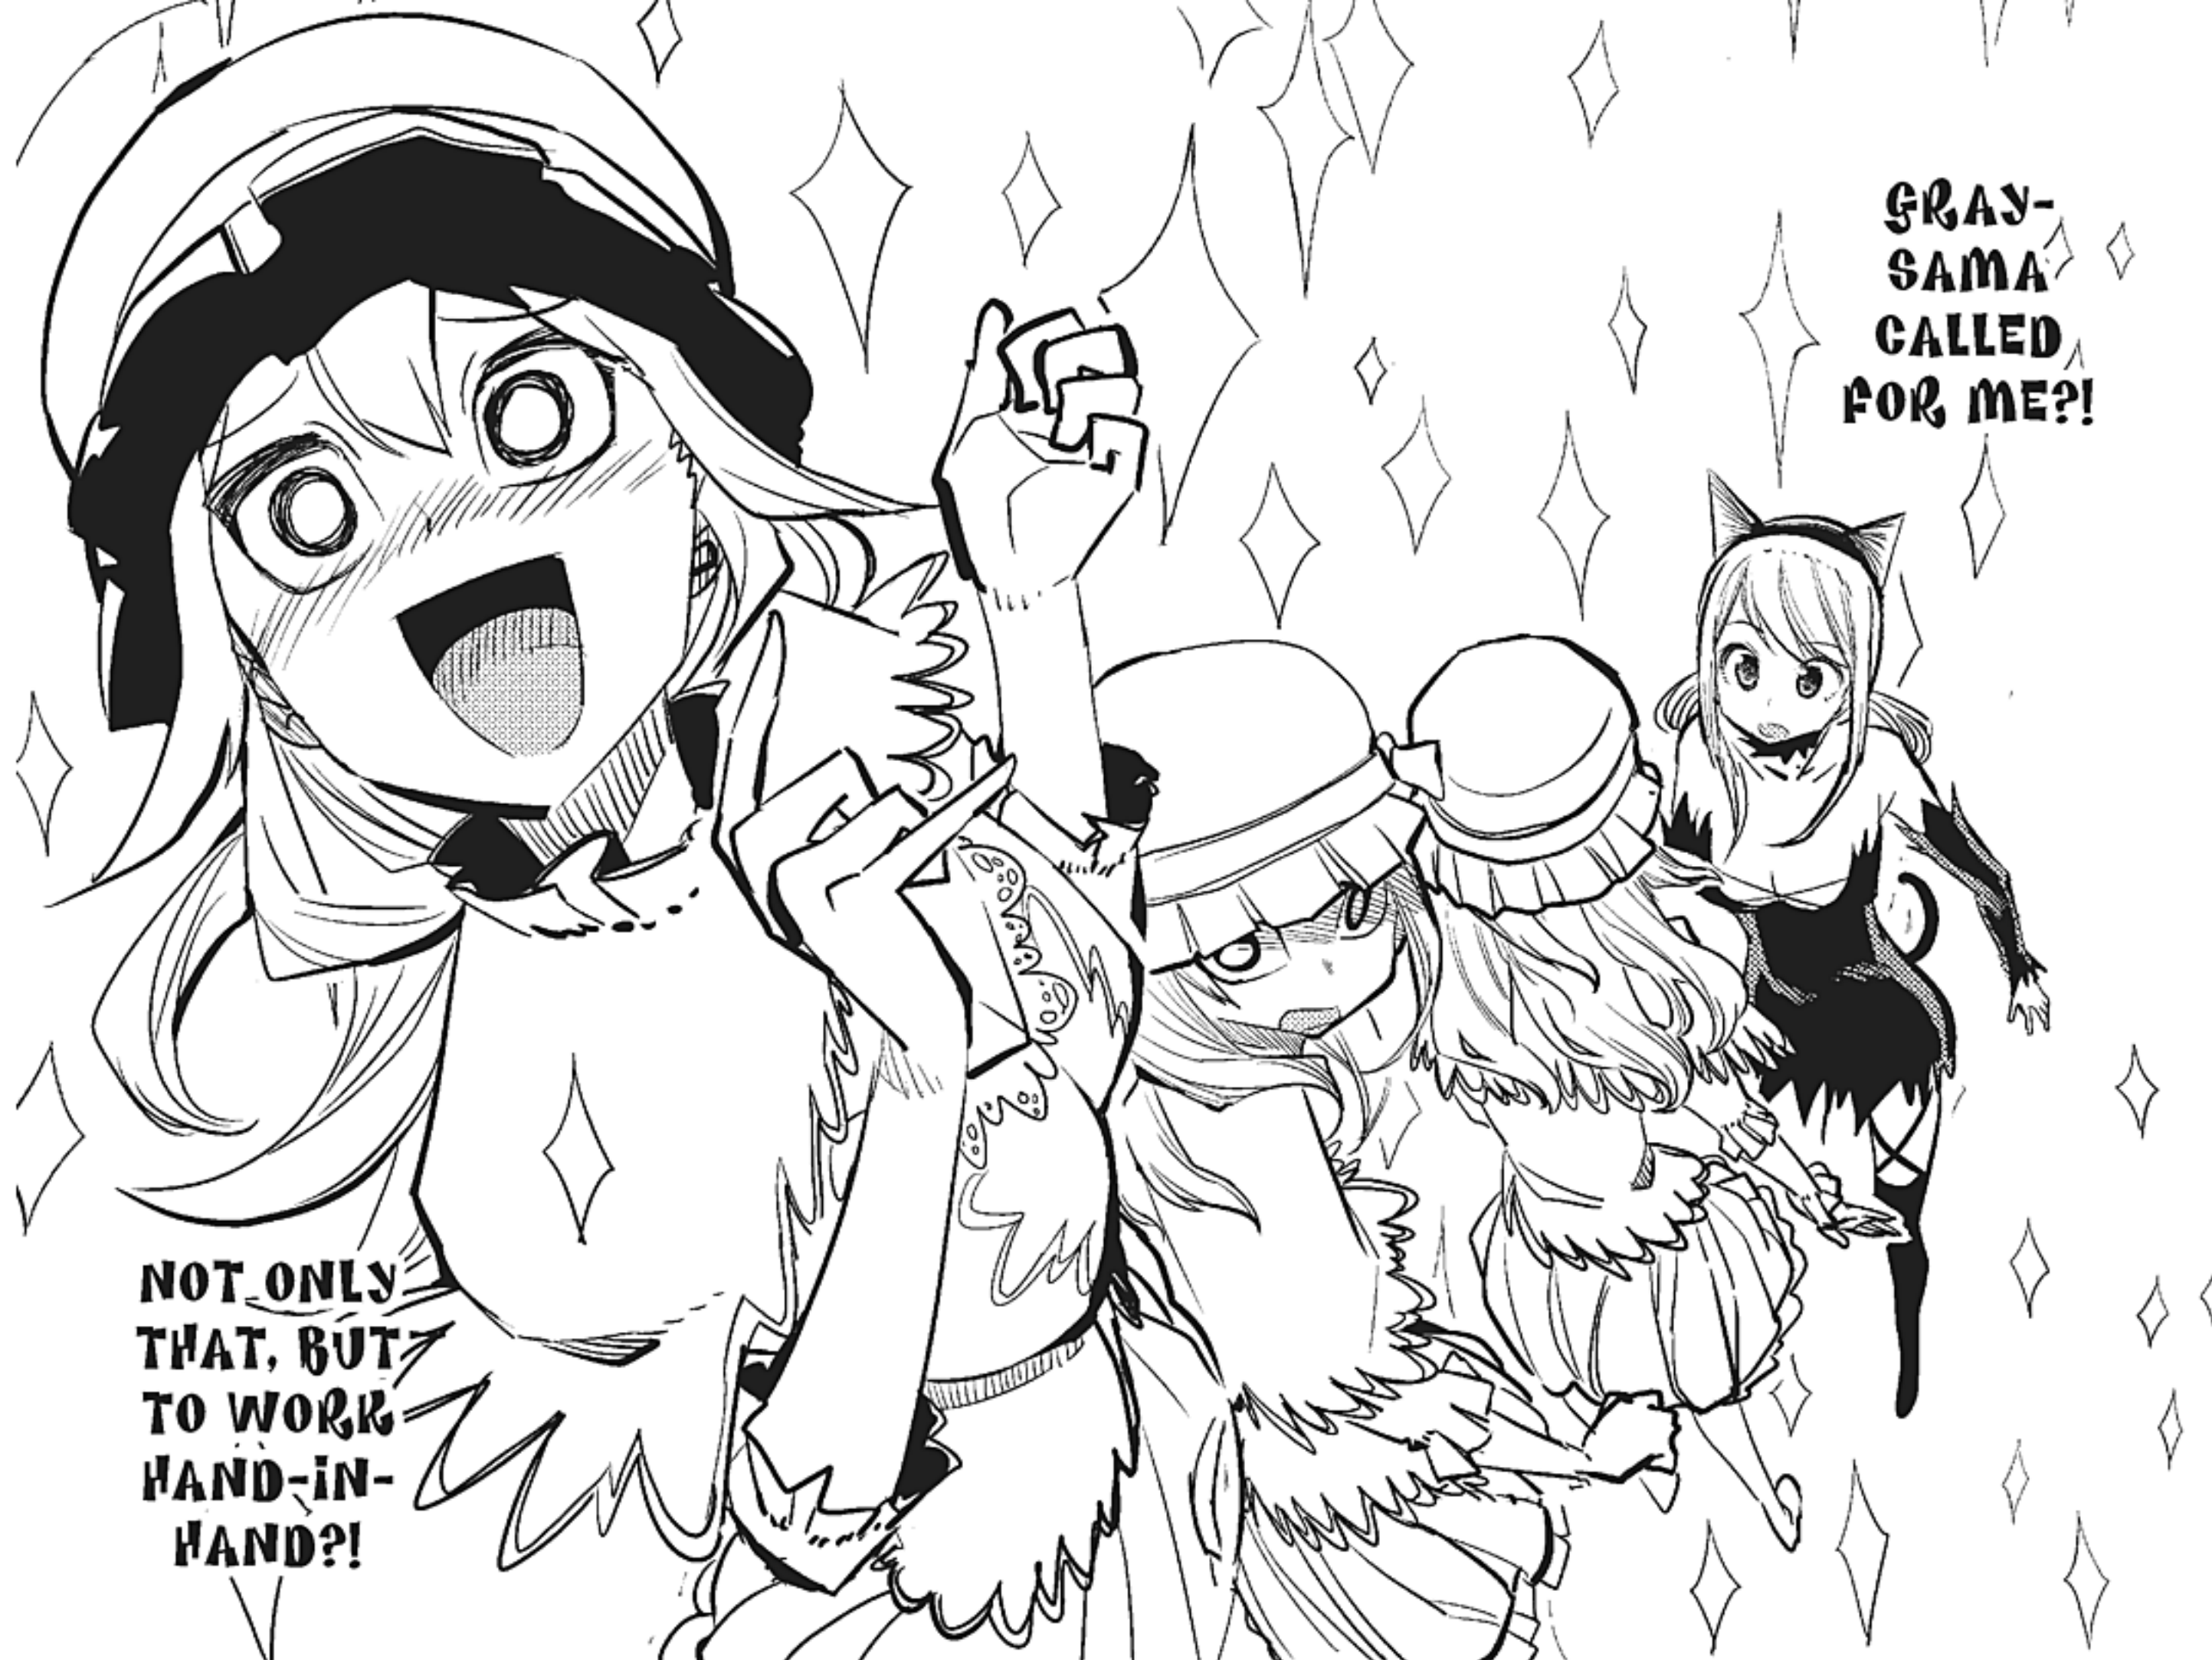

LUCY VS. JUVIA

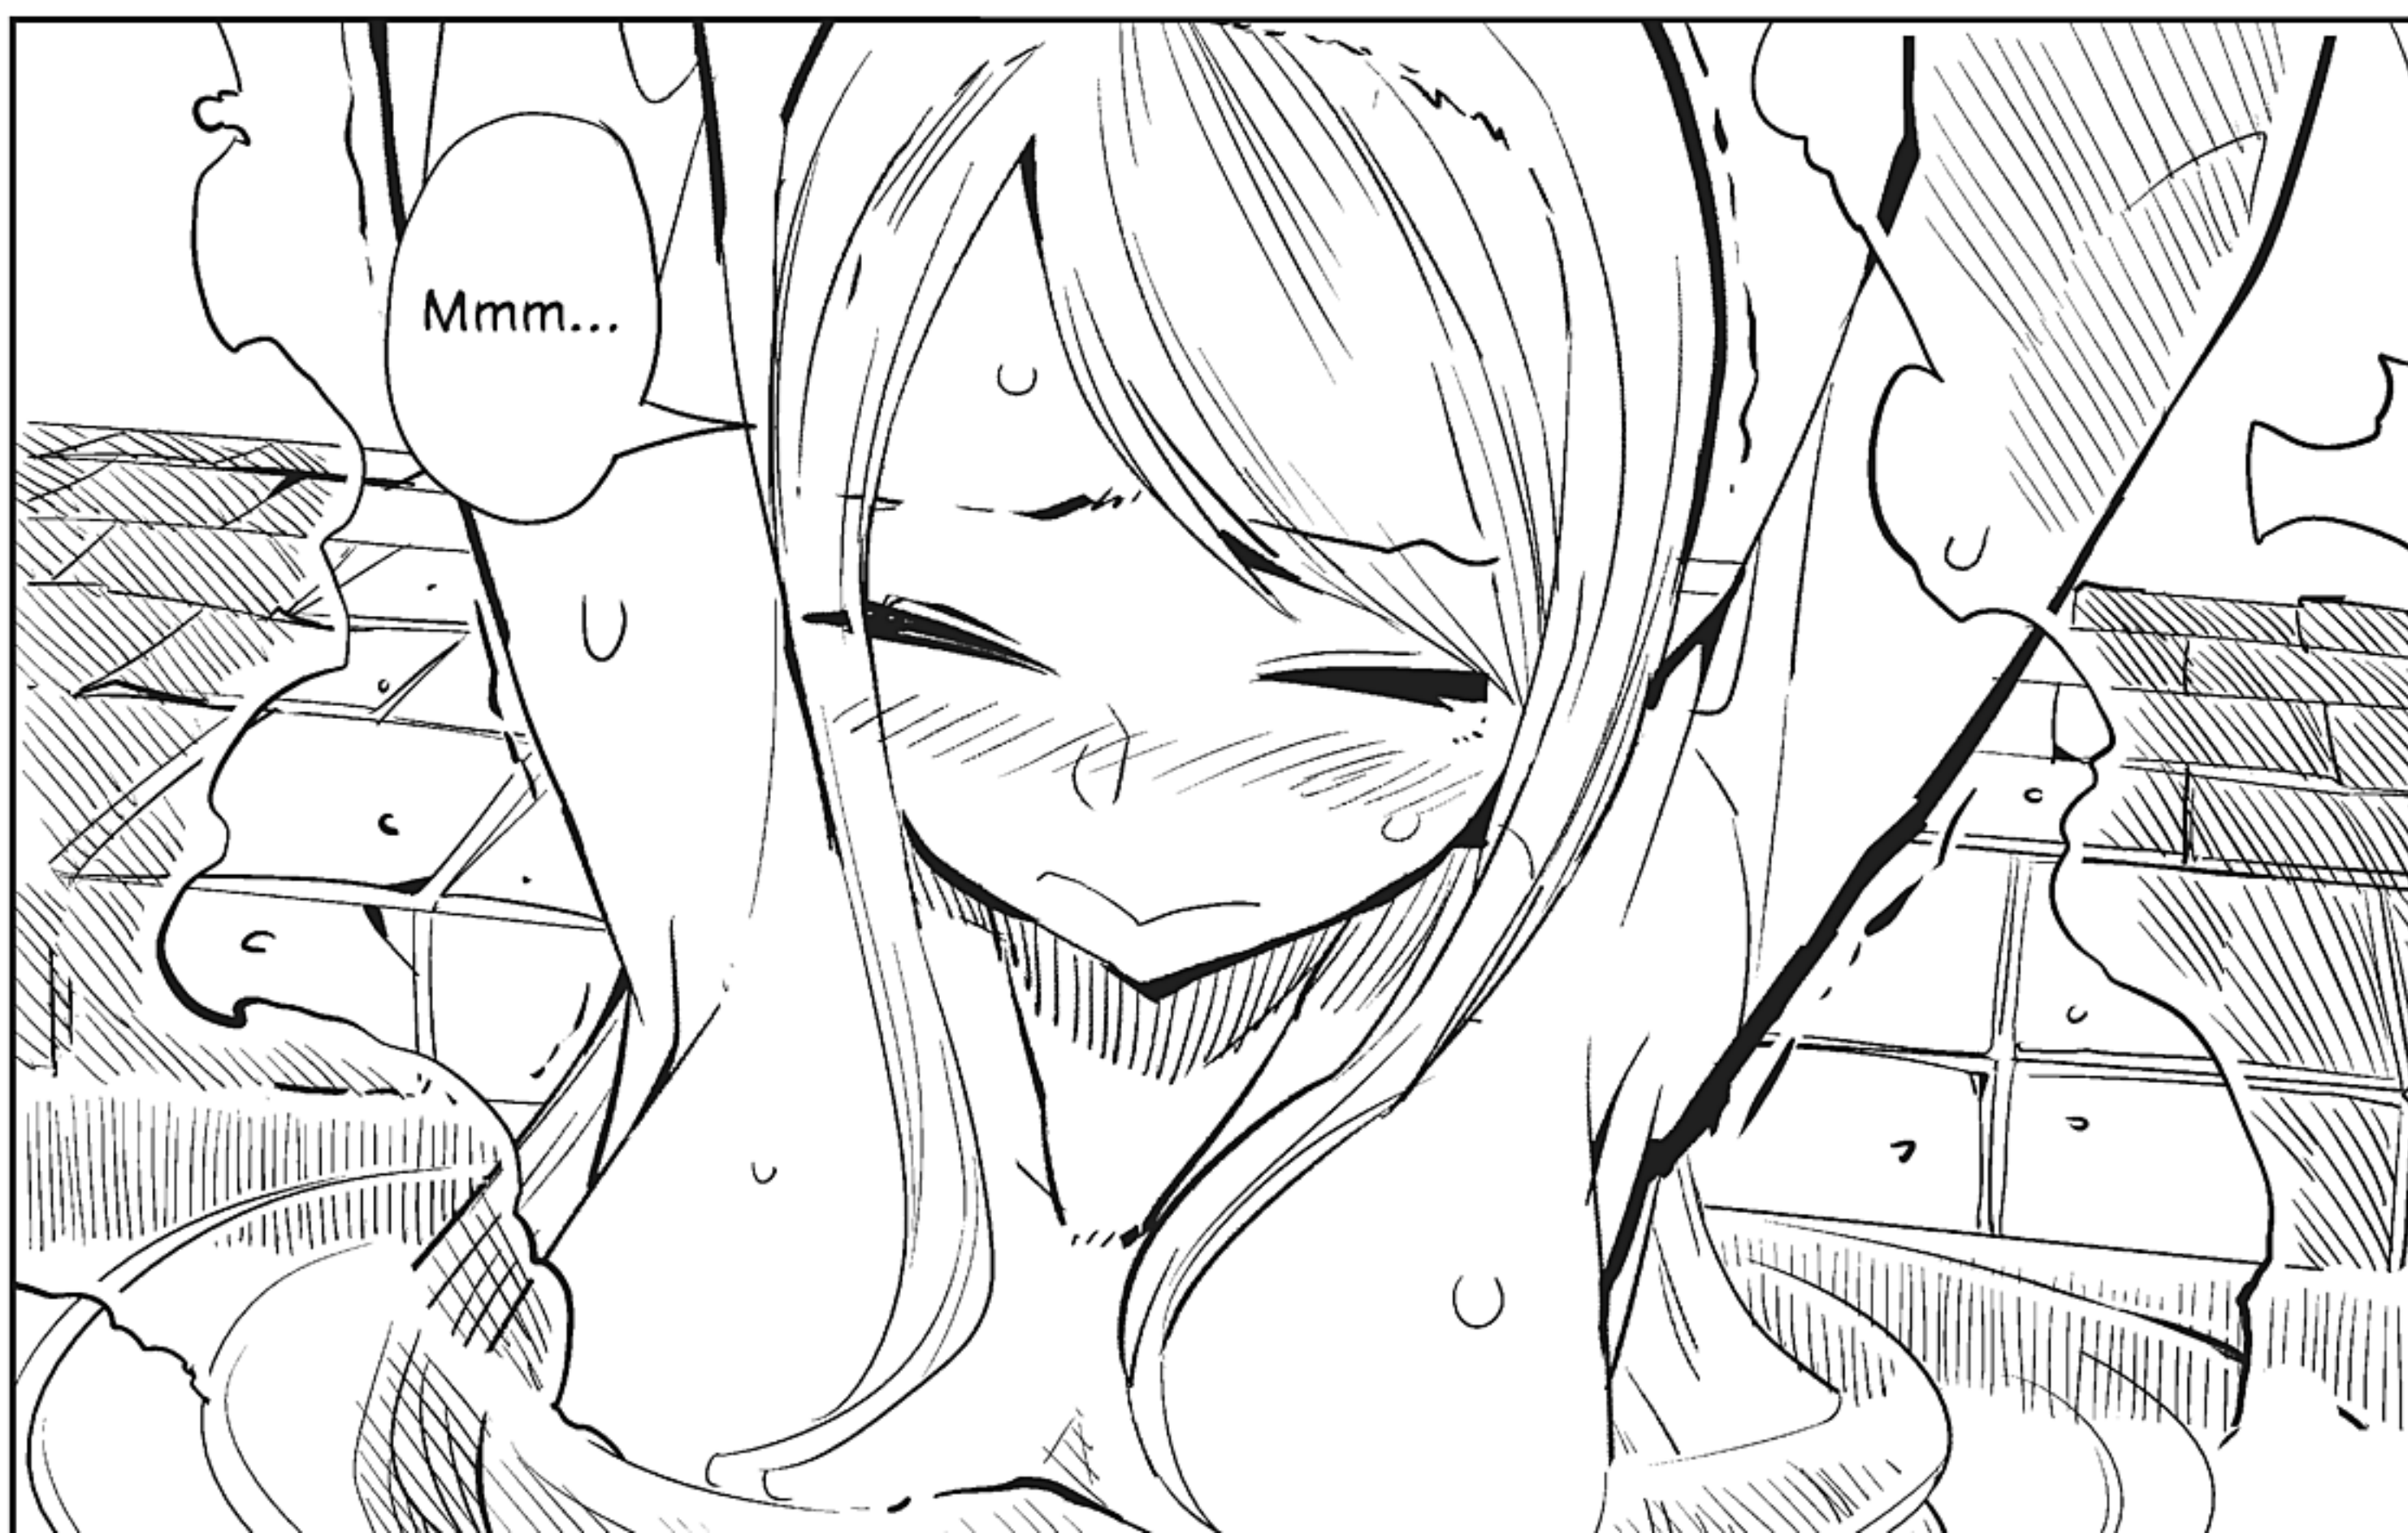

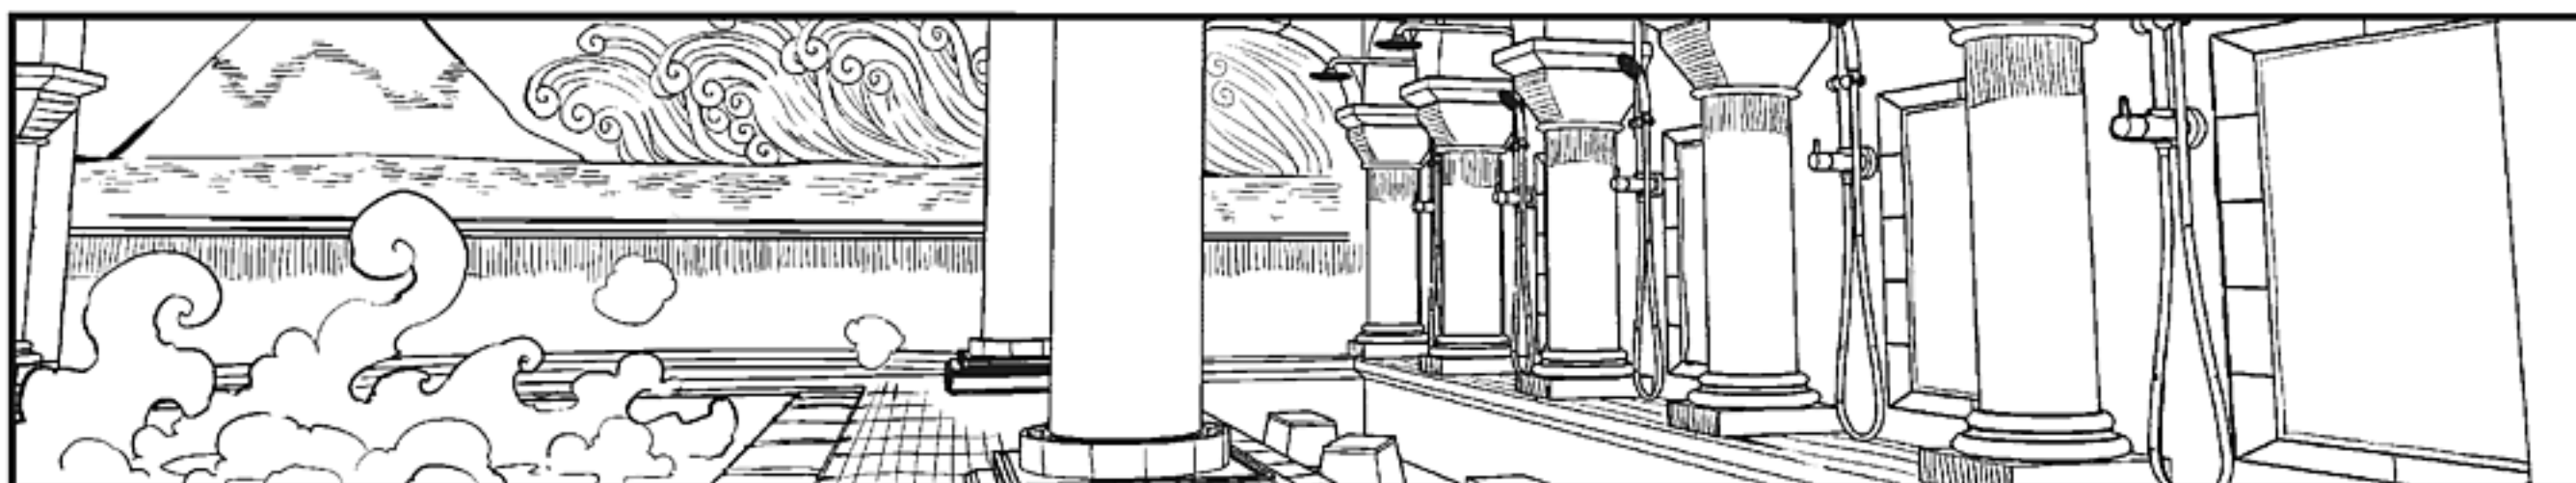

2 WINS

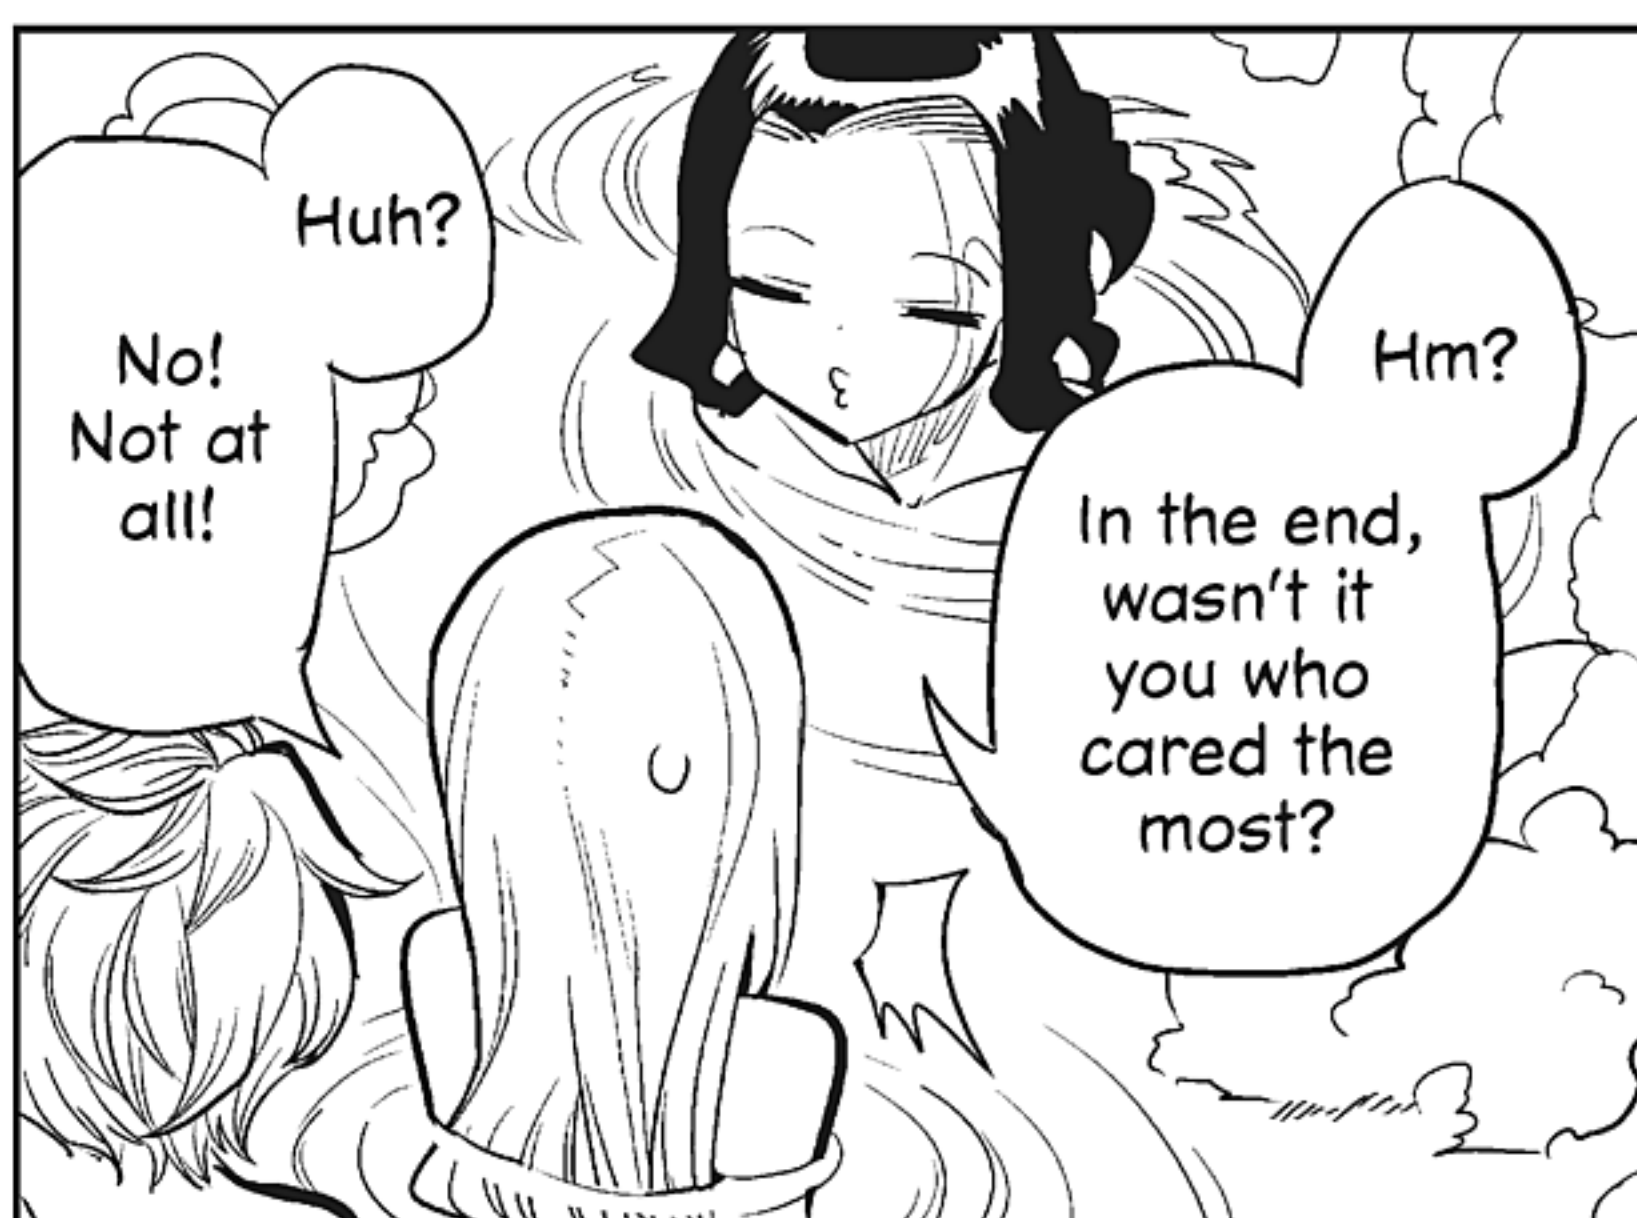

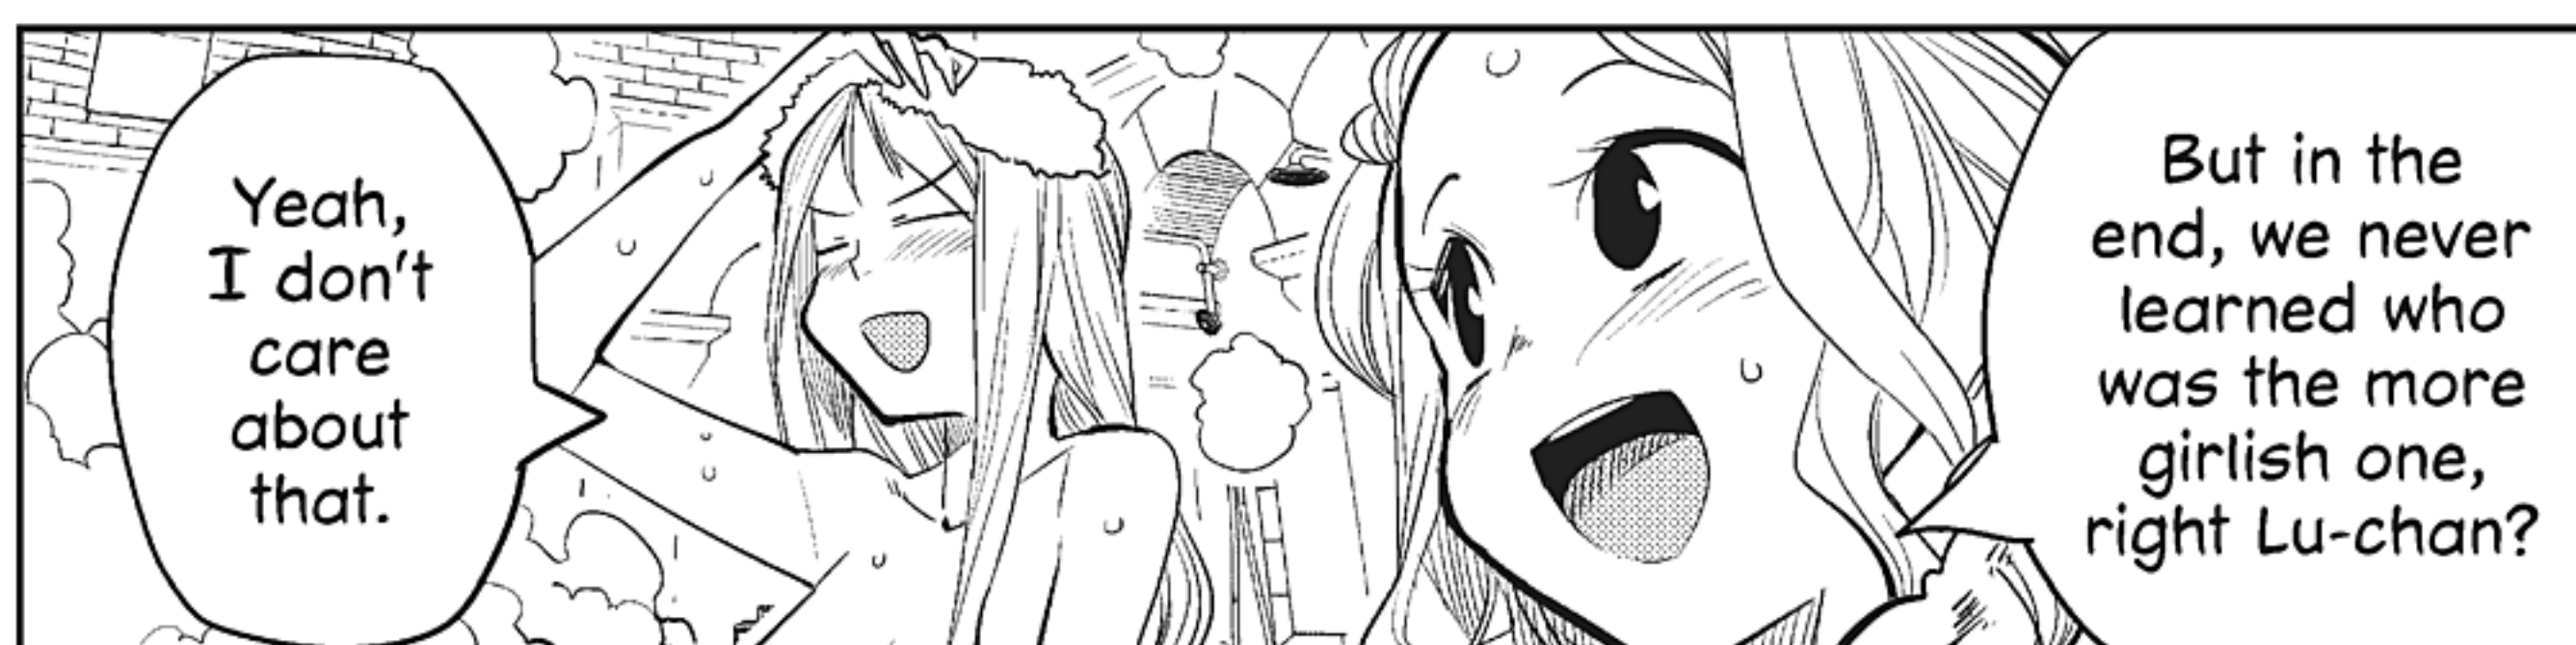

2 WINS

THE ROAD HOME FROM CHAPTER 6

So let's
each show
off a talent!

I'm kind of
sick of card
games...

BOOM

Show off
a talent?

See? My
thumbs
come off!

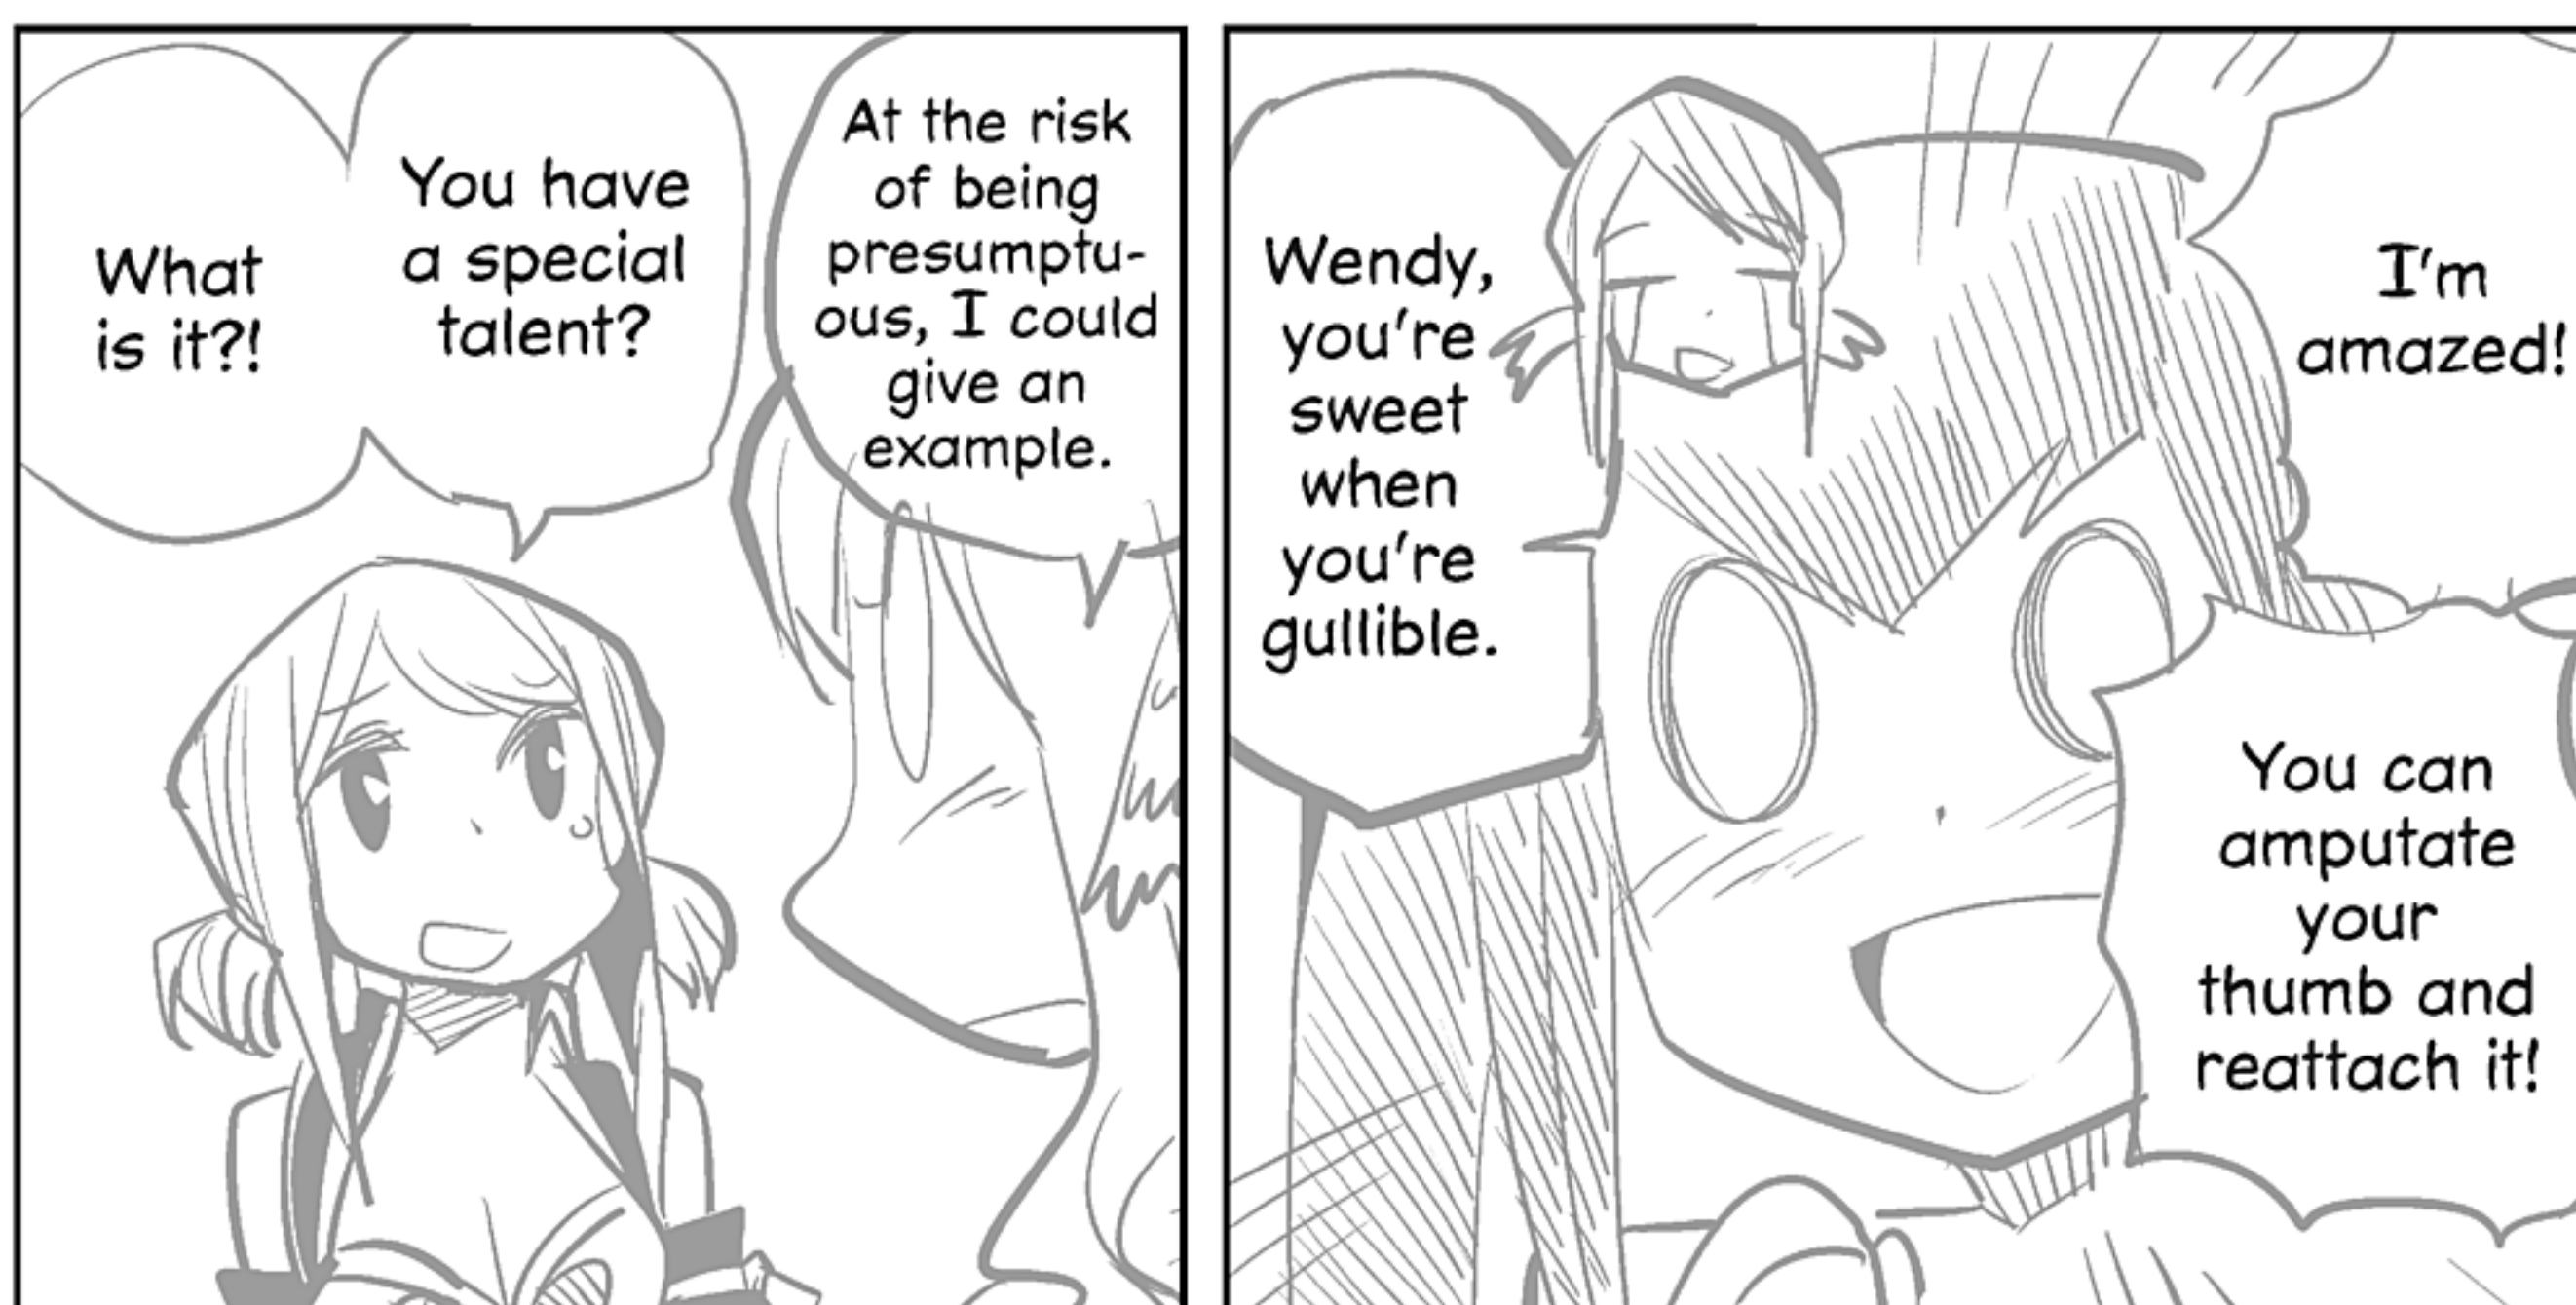

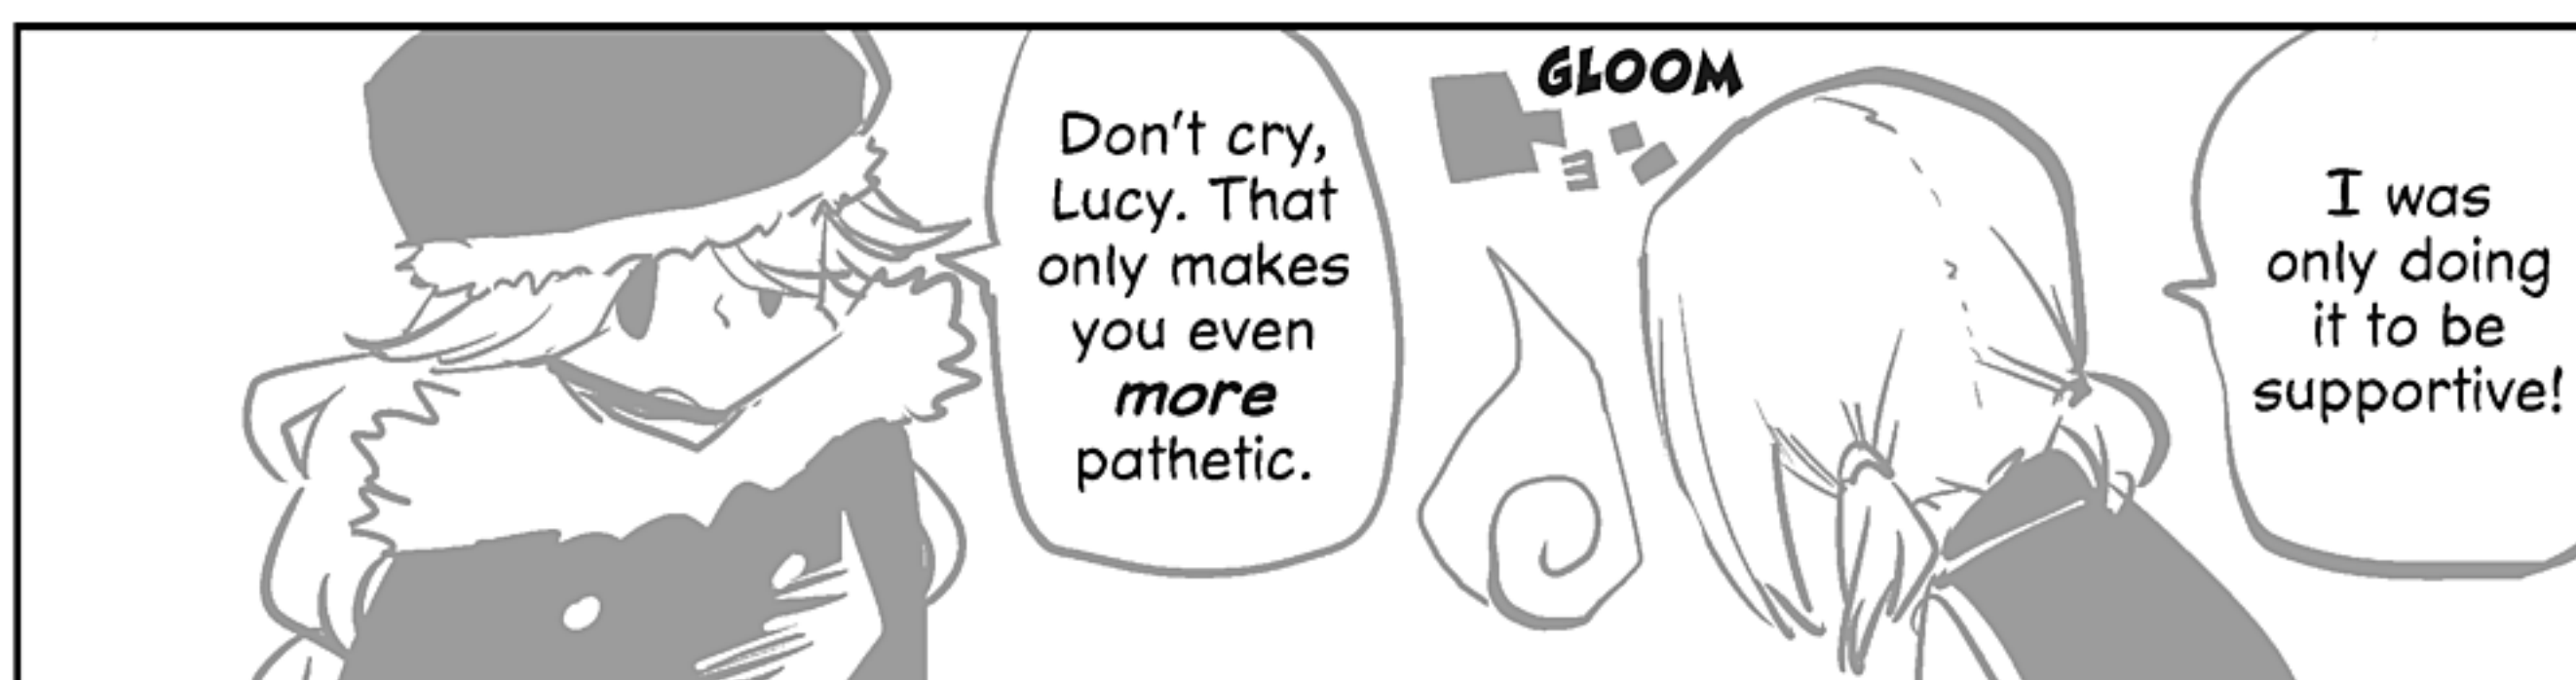

Heh heh

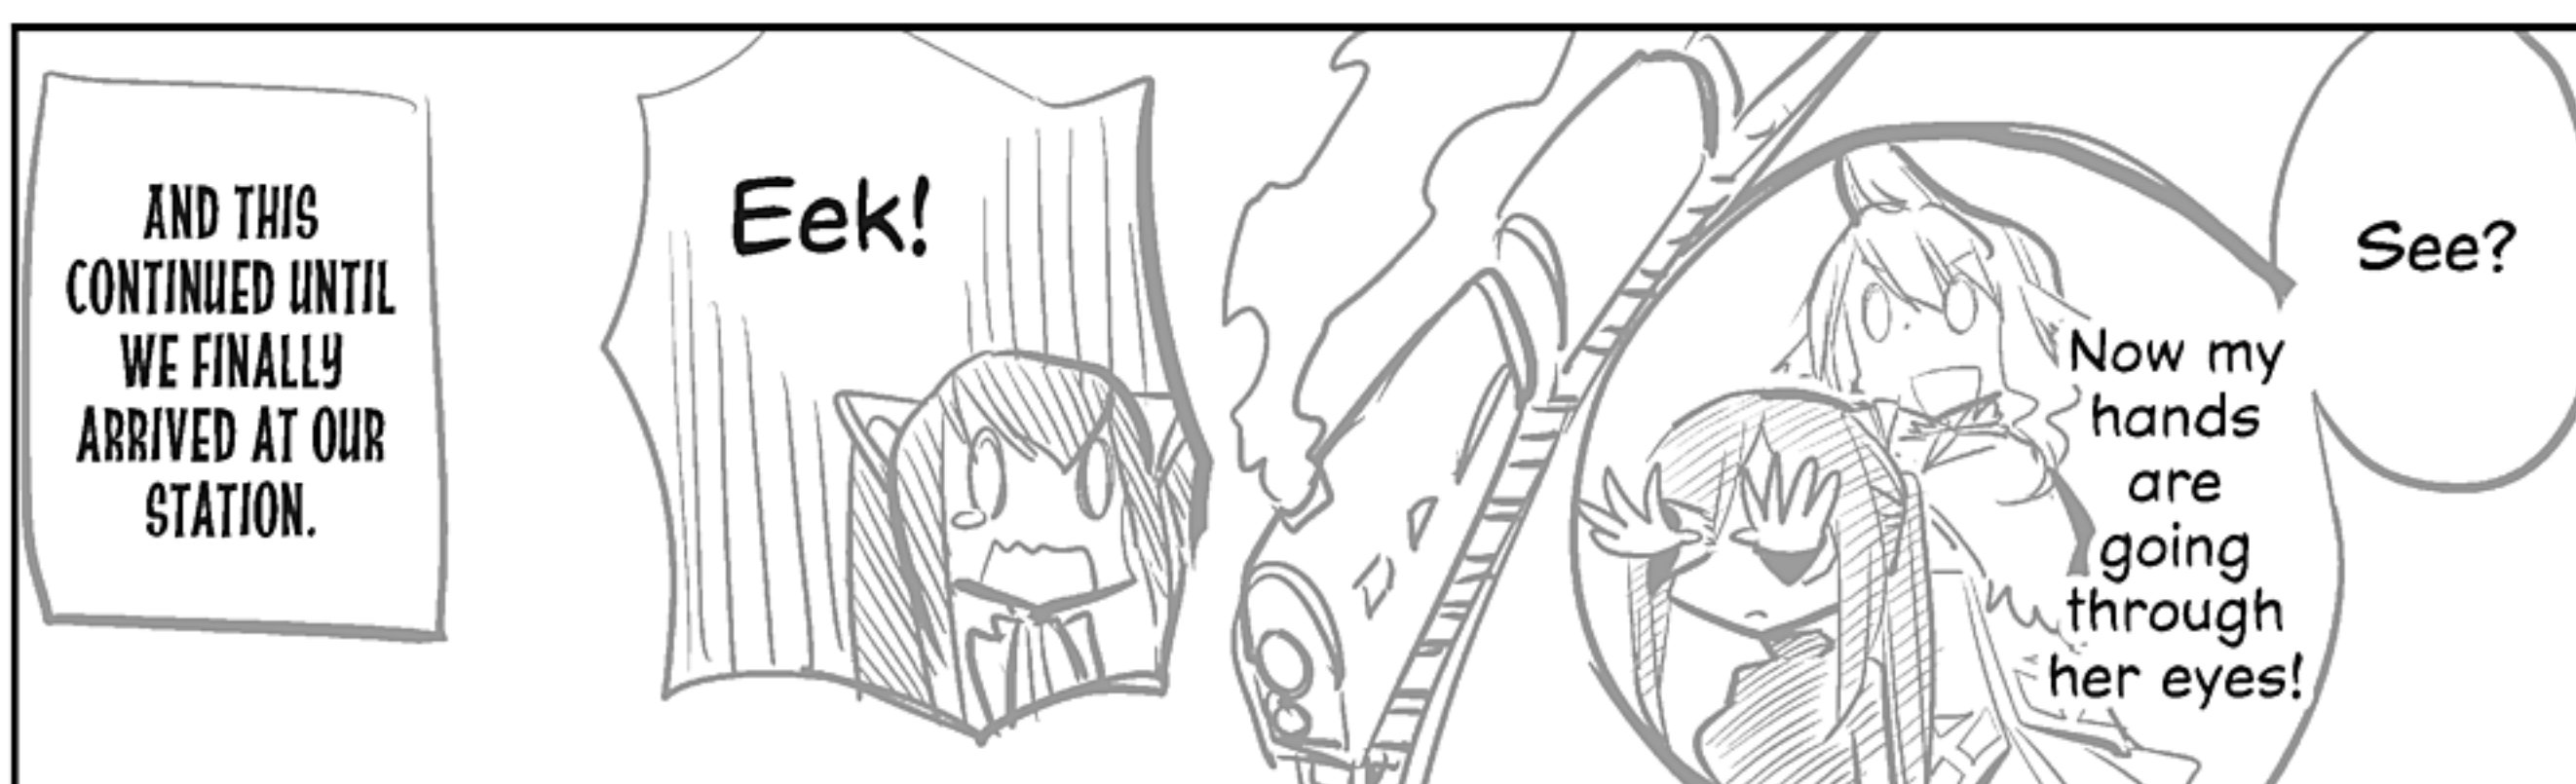

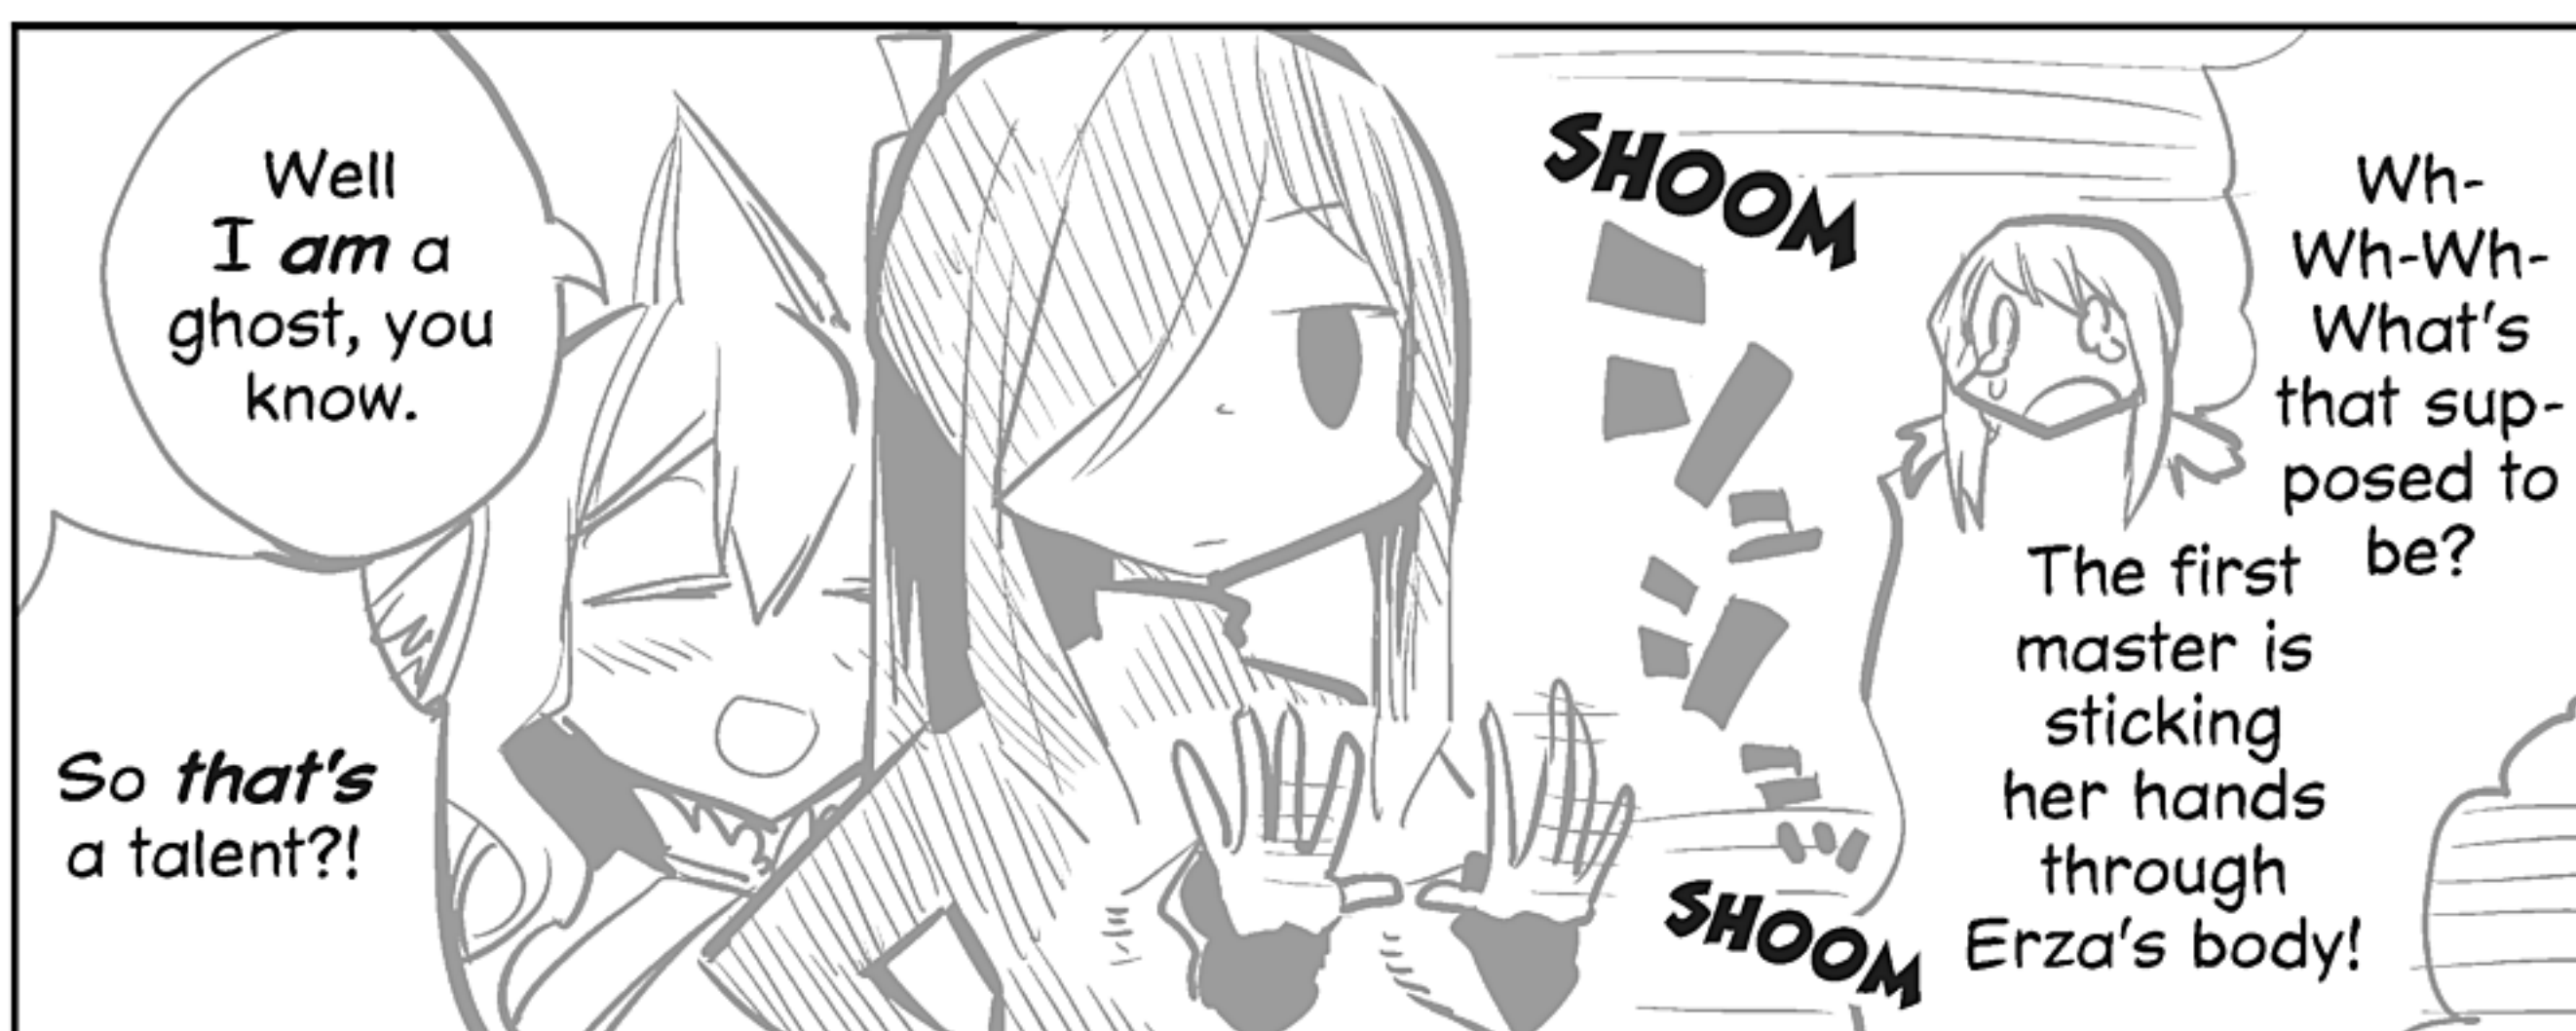

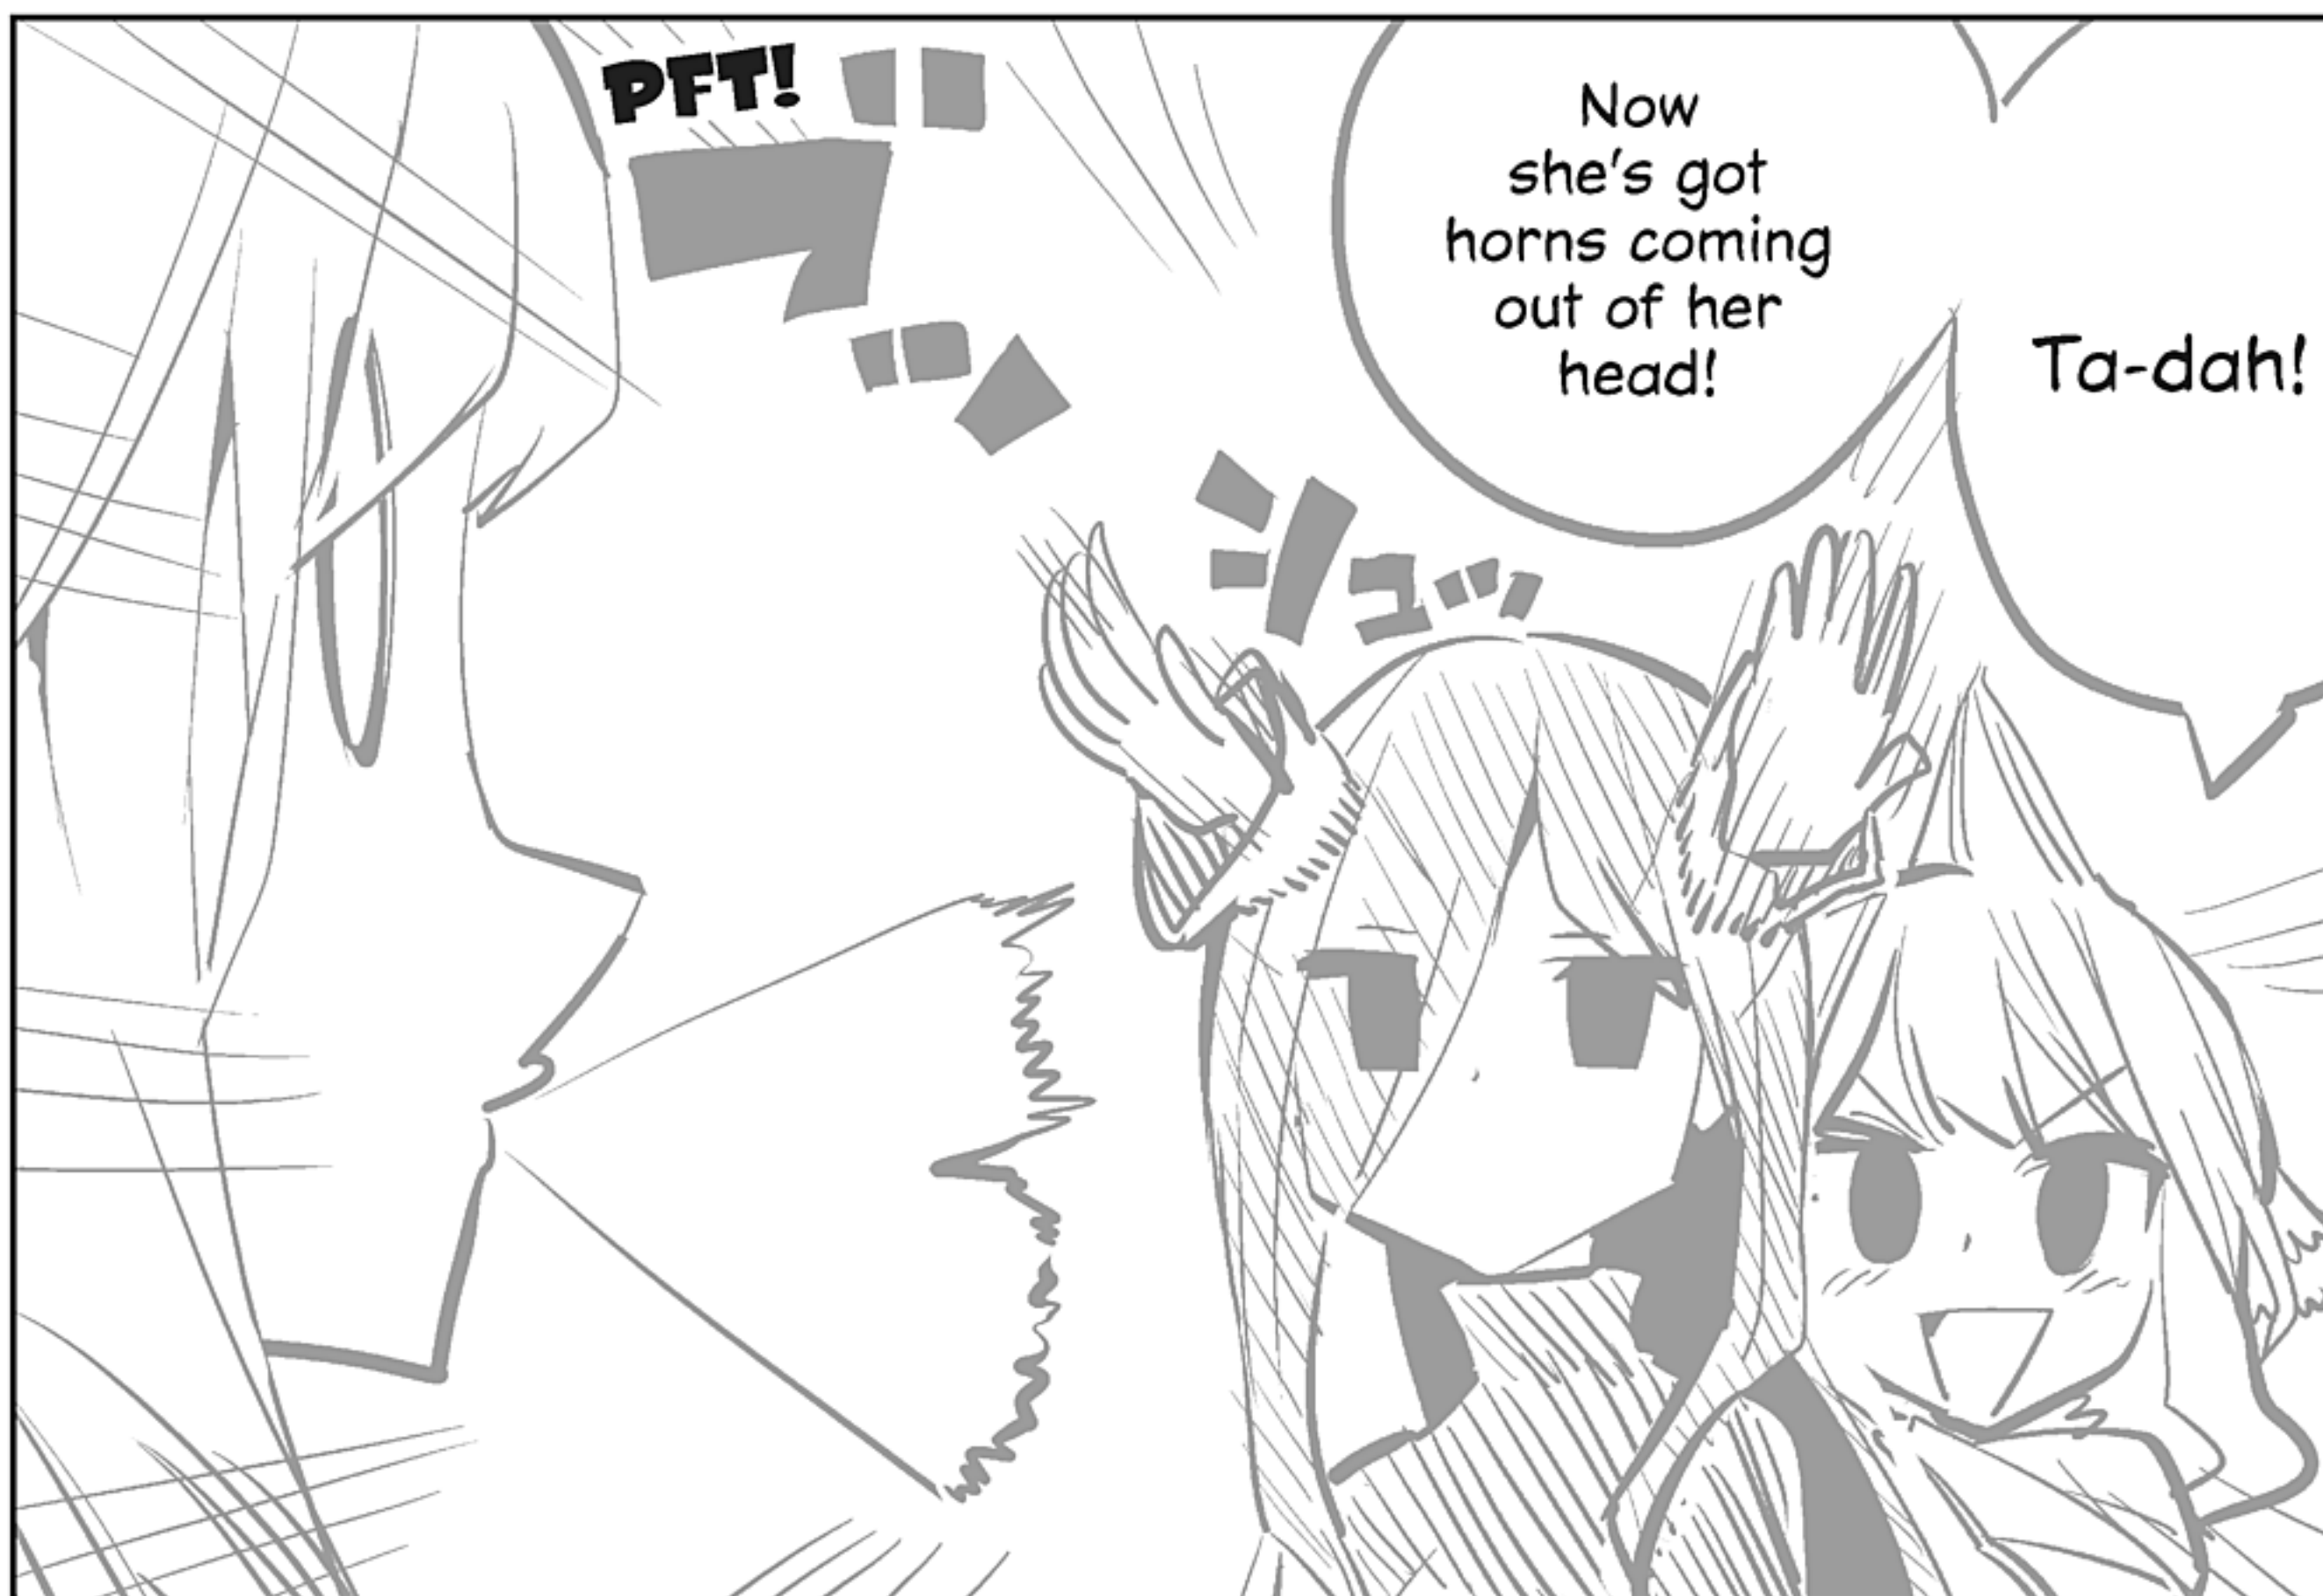

When
you say,
"show off a
talent," do
you mean
something
like this?

I see.

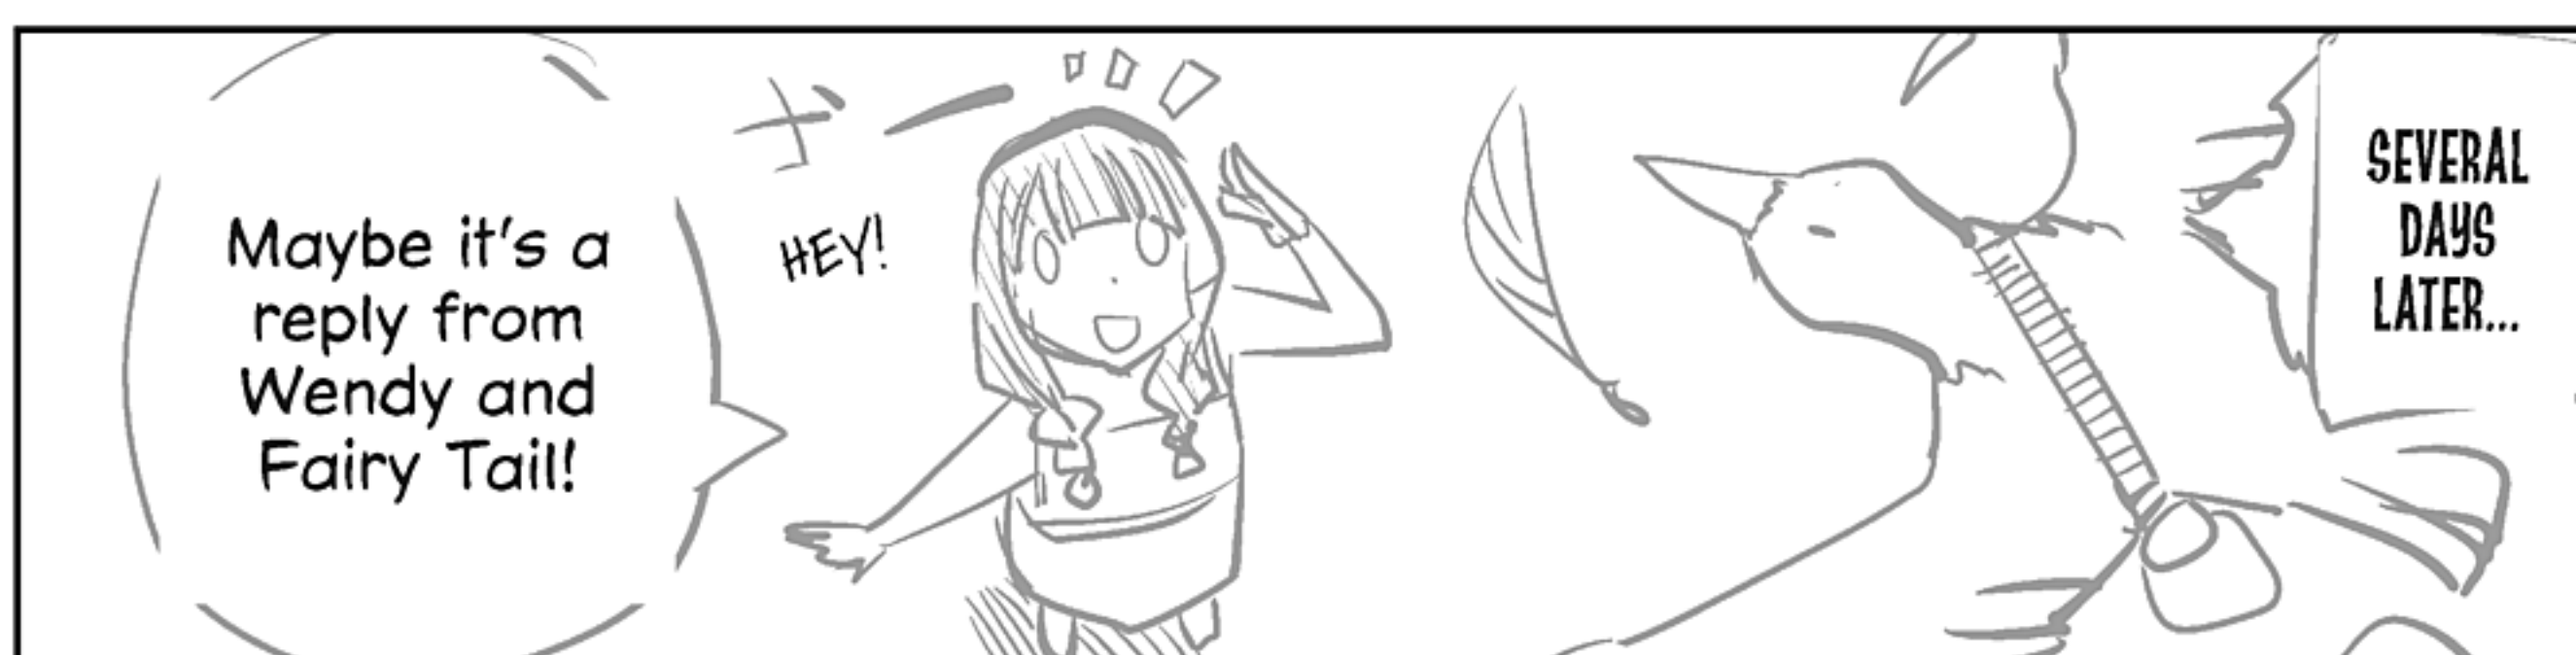

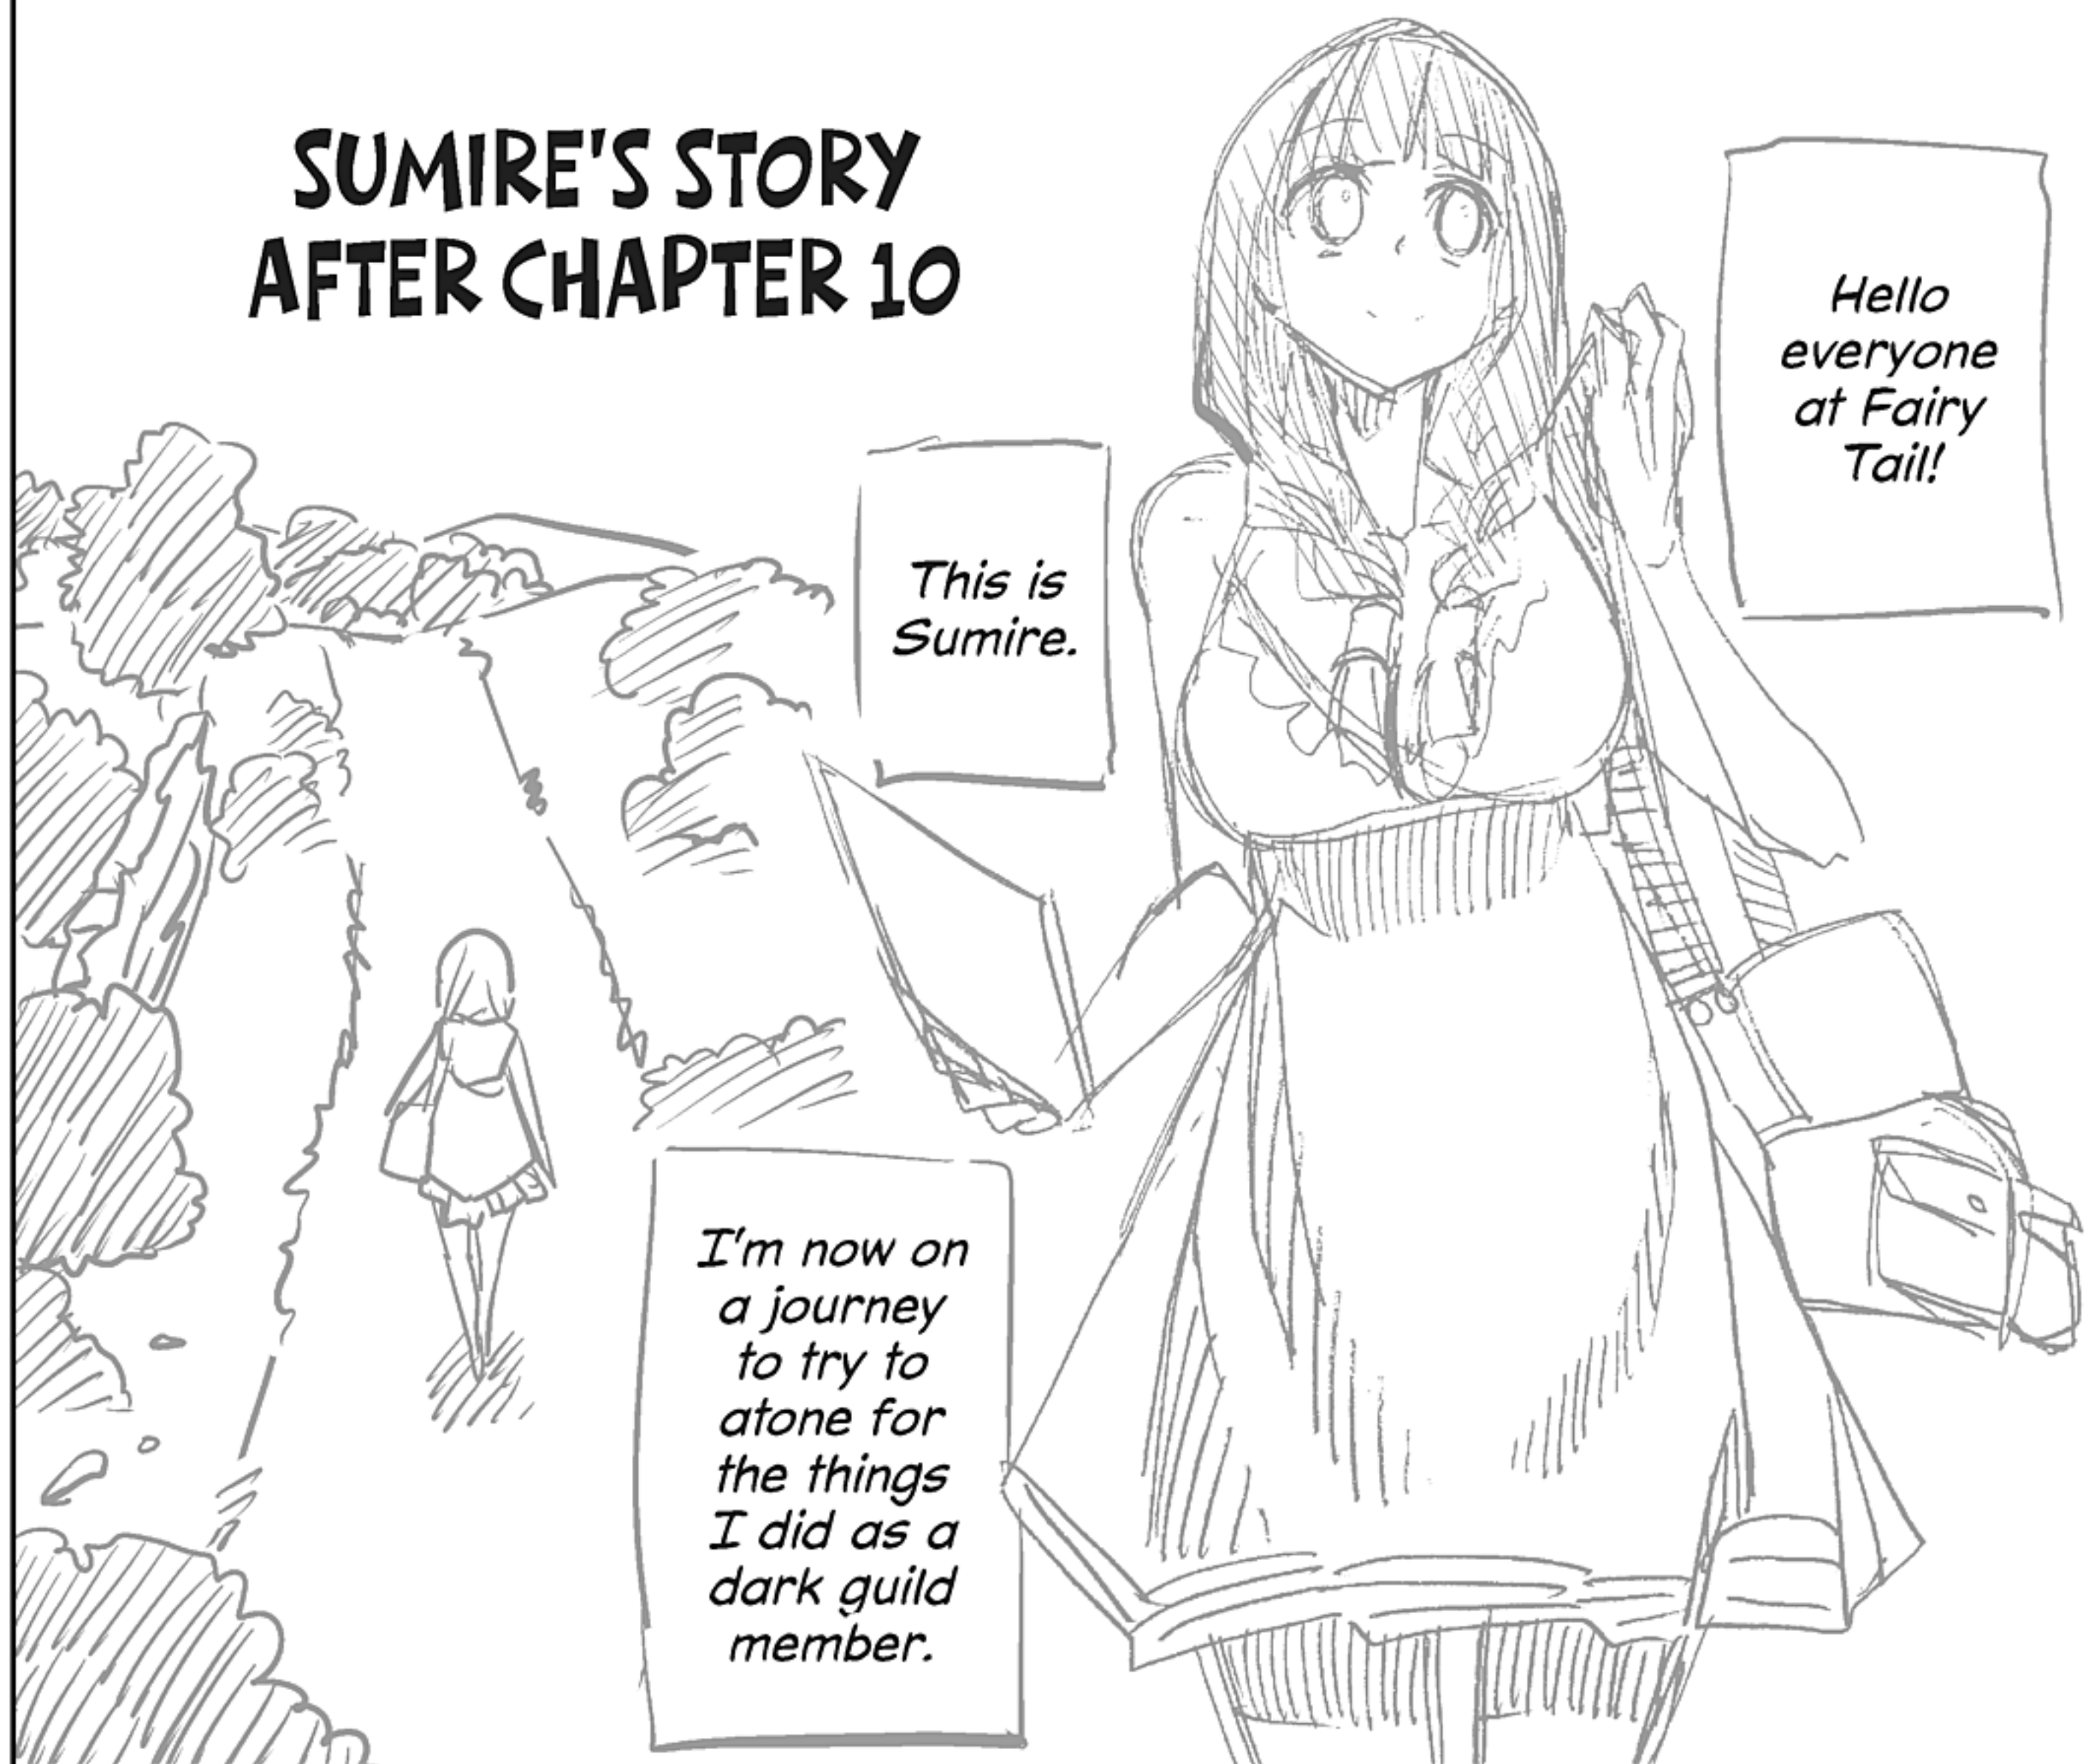

I heard it's
what people
do while
vacationing.

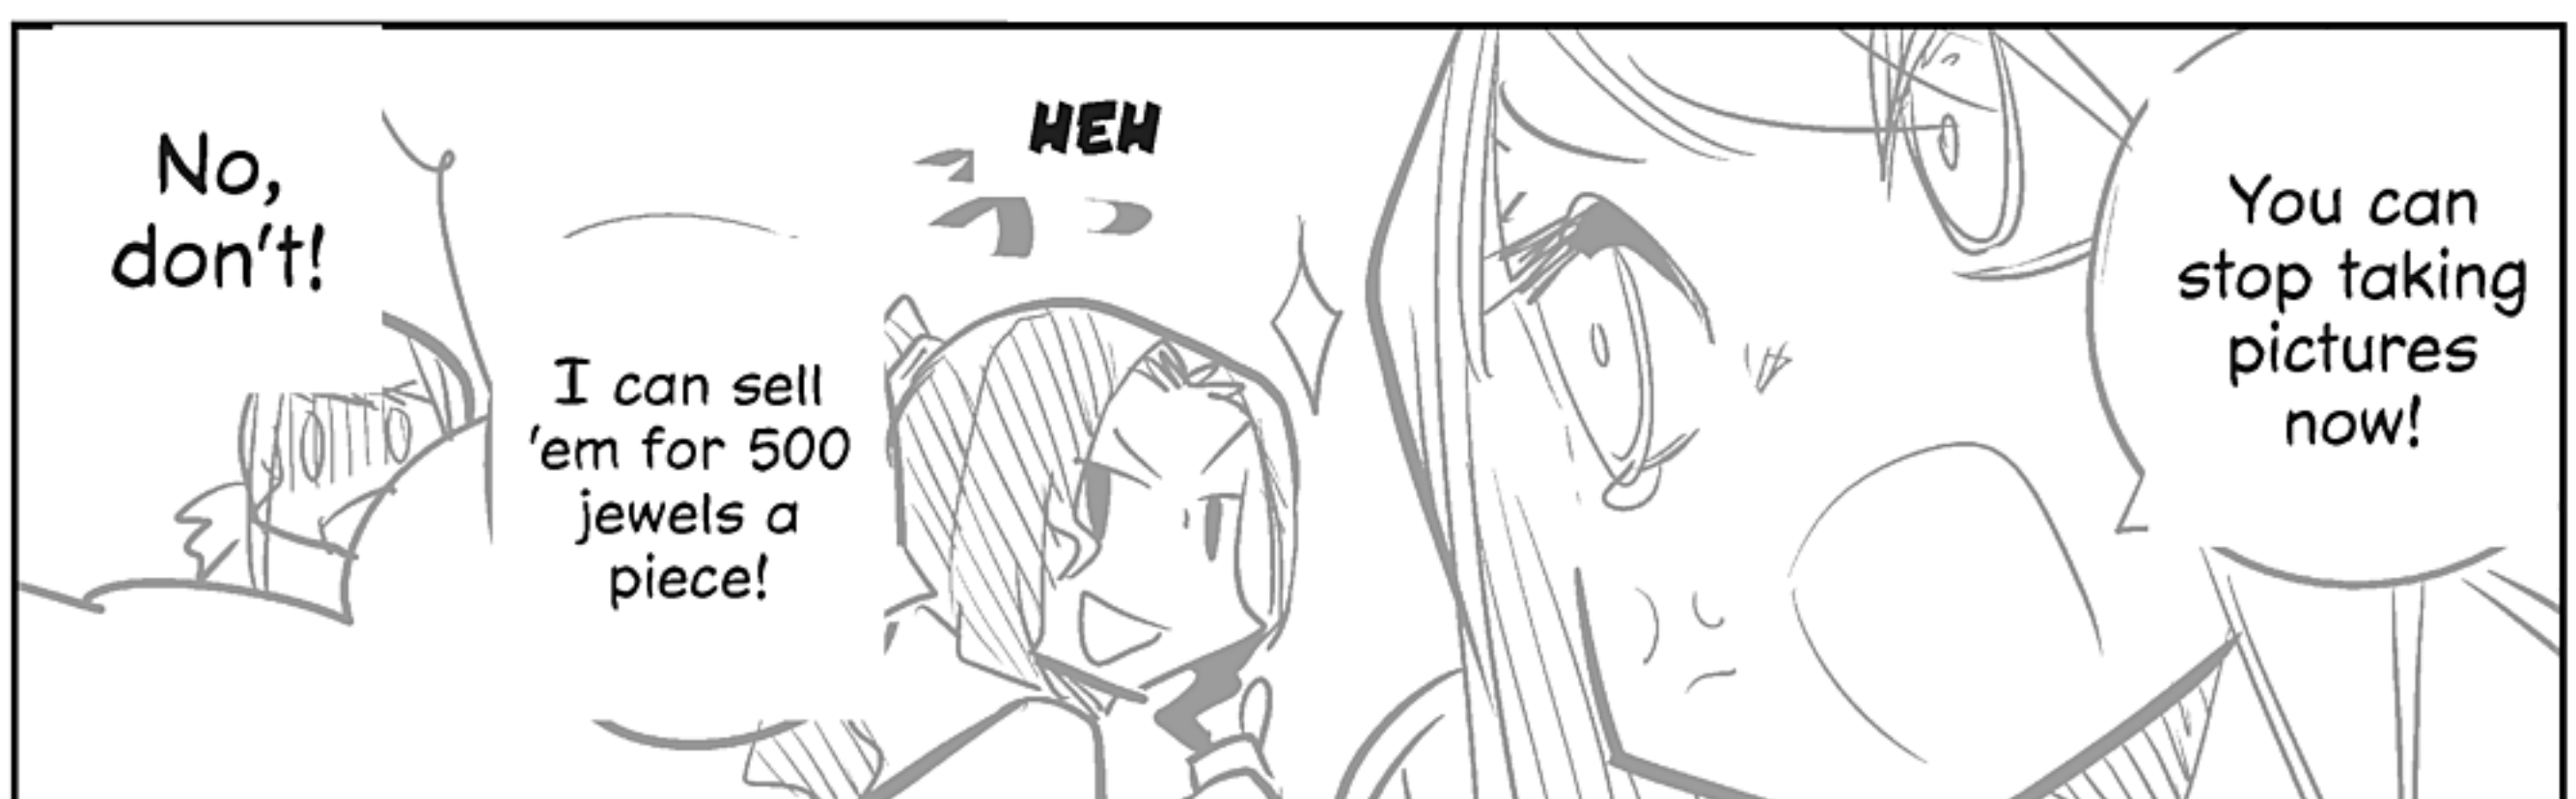

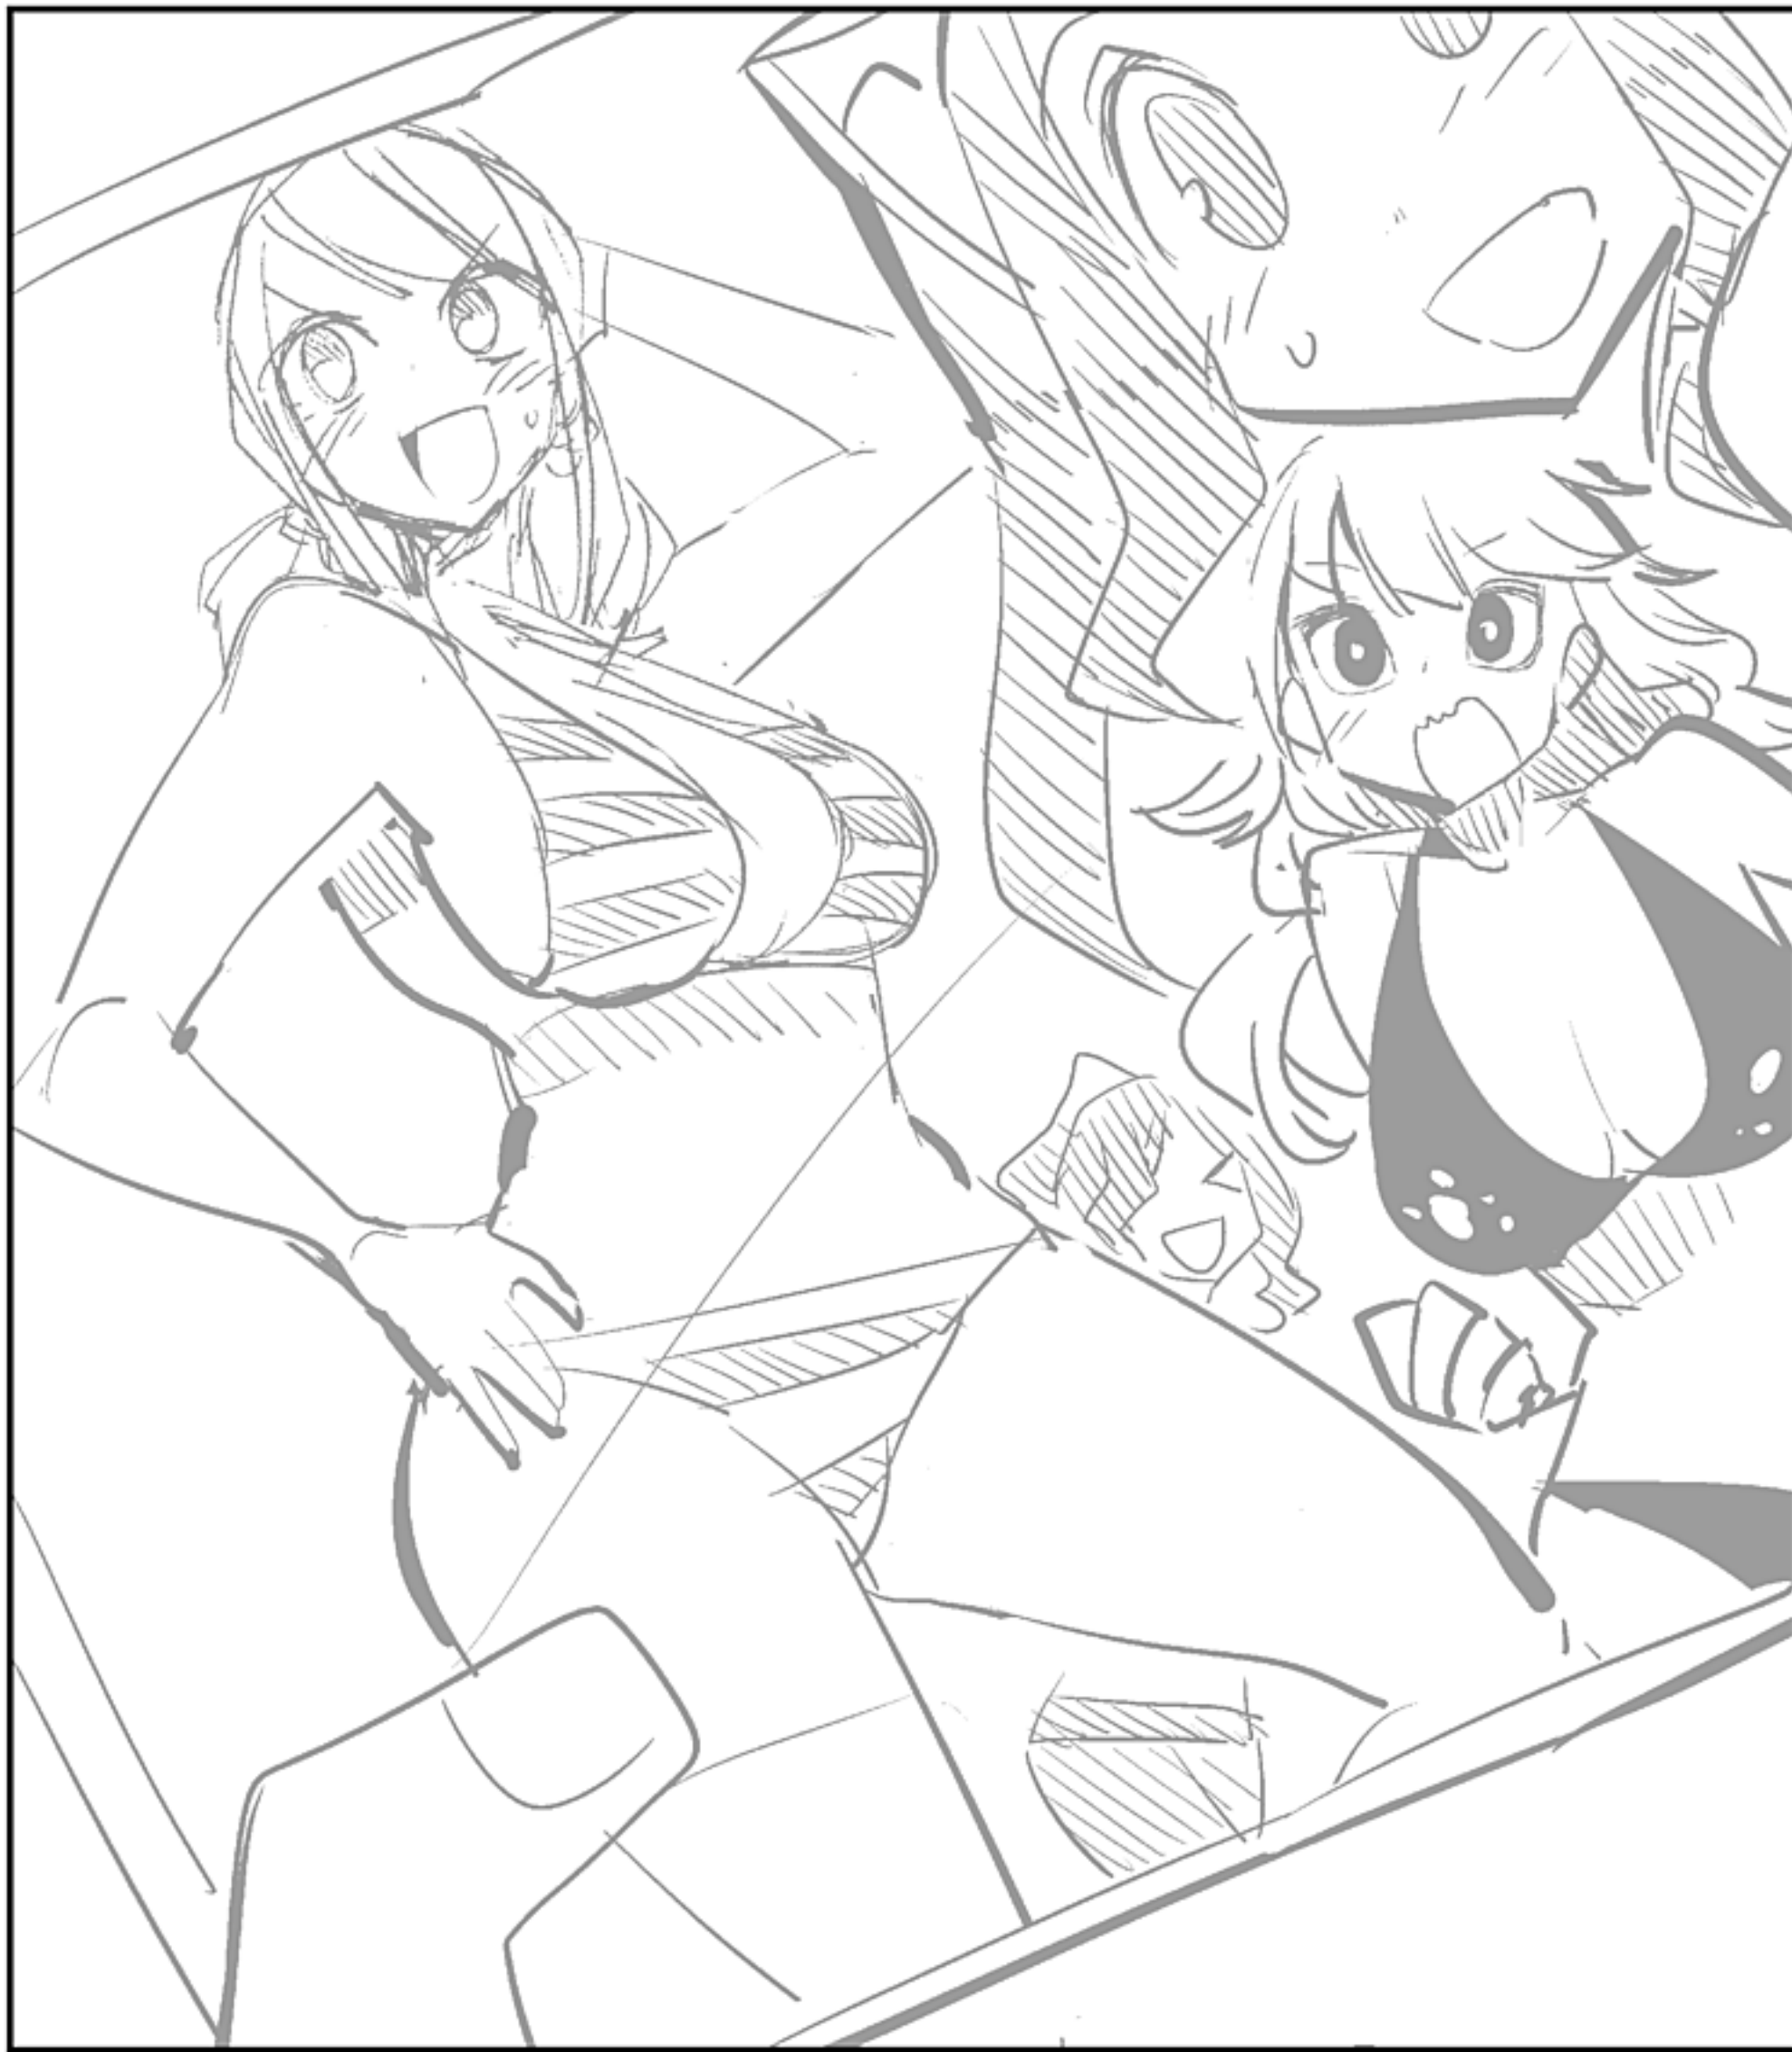

It'll help
everyone get
to know each
other better.

SUMIRE'S STORY AFTER CHAPTER 10

Translation Notes:

Japanese is a tricky language for most Westerners, and translation is often more art than science. For your edification and reading pleasure, here are notes on some of the places where we could have gone in a different direction with our translation of the work, or where a Japanese cultural reference is used.

Page 35, Host Club

For a long time in Japan, men could go to "hostess clubs" where customers would pay to converse with the young hostesses, who would pour somewhat overpriced drinks and cater to their client. There are now "host clubs" where women can have the same service from handsome young men.

Page 41 Sempai

Although we've used the words "mentor" and "veteran" often in this translation, the Japanese word for this is *sempai*. Its counterpart is *kohai*. This is a bit more generalized a relationship than mentor/protégé since anyone in an organization (sports team, club, school, business) who has been in the organization longer can be consider a *sempai*, and anyone who has been in for less time can be considered a *kohai*.

Page 58, Jewels

In most fantasy, the currency used in the fantasy world is intuitively equivalent to the currency used by the intended reader. So if, for example, a horse in a fantasy universe written for American audiences costs four-hundred silver pieces, then the reader can automatically assume that the horse costs something around \$400 USD. The same is true for *Fairy Tail*, but only with "jewels" being equivalent to "yen." And a quick-and-dirty conversion for yen is 100 yen to 1 US dollar. So 10,000 jewels would be about \$100 USD.
